Narrative begins on the following page.

On 07/06/2016 SA Phil was contacted by a representative of the St. Anthony Police Department at about 9:45 PM. SA Phil was told that they had just had an officer involved shooting during a traffic stop in the City of Falcon Heights, which is a city that St. Anthony contracts with for police services. SA Phil was given an initial location for the traffic stop as Larpenteur Ave & Fry Street. SA Phil was told that the subject was currently being transported from the scene to Hennepin County Medical Center. SA Phil contacted the BCA Crime Scene Team (CST) and requested their response to the scene.

SA Henning was contacted by SA Phil and requested to respond to the scene of the shooting. SA Henning responded to the scene and met with Officer Tressa Sunde and Acting Chief John Mangseth. Officer Sunde provided SA Henning initial details. Officer Sunde said that Officer Jeronimo Yanez had stopped a car because the driver fit the description of a person that had committed an armed robbery at a convenience store a short distance from the location of the traffic stop a couple days prior to this shooting. During the stop Officer Yanez had fired his duty gun and struck the male driver. SA Henning was advised that the male driver was in possession of a pistol. The male driver was later identified as Philando Divallo Castile. SA Henning was shown the subject's vehicle, a 1997 Oldsmobile 88 (MN Lic 203TTM) as well as the two St. Anthony Police squads involved in the traffic stop. SA Henning noted a black pistol laying on the street outside the subject's vehicle. SA Henning was told that Officer Yanez was backed up during the traffic stop by Officer Joseph Kauser. SA Henning was told that both officers were currently at the St. Anthony Police Department.

SA Henning was told that there had been two others in the car at the time of the shooting. SA Henning was told that there was an adult female in the front seat of the car, identified as Diamond Laraye Reynolds and Reynolds' juvenile daughter, [REDACTED], who was in the rear seat of the vehicle. SA Henning was told that Reynolds and her daughter had been transported to the Roseville Police Department.

SA Henning was told that Diamond Reynolds had Live Streamed video using her cellular telephone from inside the vehicle after the shooting. Reynolds' telephone battery had become low on power at some point and Officer Sunde had plugged Reynolds' telephone into a charging cord in one of the St. Anthony Police squads. SA Henning was shown Reynolds' telephone by Officer Sunde. SA Henning looked at the telephone and saw that it was an Apple iPhone and attempted to put the telephone in Airplane mode to prevent any loss of evidence but noted that the phone was locked with a code. SA Henning unplugged the telephone and left it on the seat where it had been in the squad.

SA Henning determined that St. Anthony Police had the scene secured so that the BCA CST could process the scene. SA Henning cleared the scene and traveled to the police department with Officer Sunde to meet with SAIC Mueller.

No evidence generated by nature of this report.

Primary Information

Description: St. Anthony Police Department squad video obtained.
Reporting LEO: PRITZLAFF, Mike (Financial Crimes Investigation / Minnesota Bureau of Criminal Apprehension)
Approval Status: Approved
Approved Date: 07/08/2016
Approved By: Hanegraaf, Luke (1329 / Financial Crimes Investigation / Minnesota Bureau of Criminal Apprehension)

Synopsis

On July 7, 2016 during the afternoon hours, SA PRITZLAFF received from St. Anthony Police Department Captain SPIESS four CD/DVDs containing In-Squad video recordings of this incident's traffic stop. Items 1 and 2 are from the squad involved in the initial stop and Items 3 and 4 are from assisting officer's squad cars. All four CD/DVDs have been placed into evidence at the BCA. There is no narrative report.

Synopsis

On July 7th 2016, SA Phill obtained a search warrant for Philando Castile's 1997 Olds 88. The car was driven by Castile when he was pulled over and later shot by Ofc Yanez in Falcon Heights. No items of evidence acquired by SA Phill. CST Team Leader Garfield conducted the search and entered some items for Lab testing. SA Phill gave those items ACISS numbers 2.1 thru 2.5.

Phill, Charles (1385 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page.

On July 7th 2016, Special Agent (SA) Phill obtained a search warrant in the 2nd District Court by Ramsey County Judge G. Tony Atwal. The warrant was requested to allow Bureau of Criminal Apprehension (BCA) Crime Scene Team (CST) members to collect evidence from, and forensically examine, a 1997 Oldsmobile 88 with Minnesota License 203TTM.

The Olds 88 is registered to Philando Castile who was fatally shot by St Anthony Police Department Officer Yanez during a traffic stop on Larpenteur Av in Falcon Heights at about 9pm.

The search warrant also allowed for the forensic examination of any cell phones found in the vehicle. A black iPhone 6 presumably belonging to Philando Castile was found in the car and turned over to SA Phill. In addition, SA Phill was given Diamond Reynolds' iPhone5 confiscated as evidence at the scene by Roseville Police officers and turned over to the BCA at the crime scene.

After two days of examination, CST Leader Garfield collected several items of evidence and submitted them for laboratory analysis. Other items of interest found in the car were turned over to SA Phill, who then gave those items ACISS property numbers 2.1 thru 2.5. The phones became items 2.6 and 2.7. Those evidence items were transferred to SA Henning and the transfer forms have been attached to this report.

On July 8th, SA Phill accompanied the Olds 88 on a flat-bed tow truck to a storage facility for safekeeping. SA Phill ensured the car was sealed shut with evidence tape and then wrapped in protective tarps for evidence protection.

Finally, SA Phill attached the search warrant receipt to the case file and provided the original search warrant and accompanying documents to SA Henning to be provided to the Ramsey County Attorney for filing considerations.

STATE OF MINNESOTA, COUNTY OF RAMSEY 2nd DISTRICT COURT

RECEIPT, INVENTORY AND RETURN

I, C. MICHAEL PHILLIP, received the attached search warrant issued by the Honorable G. TONY ATUAL on JULY 7, 20 16 and have executed it as follows:

Pursuant to said warrant, on JULY 7, 20 16, at 2:04 o'clock Pm., I searched the ~~(premises)~~ (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) at MN LULU 203 TTM (1997) WHITE OLDSMOBILE REGISTRED TO PHILIPPO CRISTE AND A BULL PHONE FOUND IN THE CAR

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

22 FIRE SIRE ATTACHED *

(Strike when appropriate:)

I left a receipt for the property and things listed above with a copy of the warrant.

~~None of the items set forth in the search warrant were found.~~

~~I shall (retain) or (deliver) custody of said property as directed by Court order.~~

_____, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

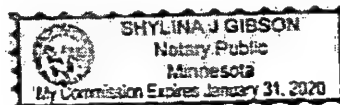

Subscribed and sworn to before me this

Special Agent C. Michael Phill II, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

- Trace evidence including but not limited to: blood, hair, fibers, fingerprints, bodily fluids, powder residue, cartridge cases, and items of identification.
- Firearms and accessories including holsters, carrying cases, bullets, magazines, cleaning supplies and performance additions.
- Clothing which may contain suspected blood or body fluids
- Writing which may indicate motive, direct of travel, occupancy of vehicle, receipts, and identity of victims.
- Papers and documents that would tend to show constructive possession of residence and automobile.
- Court authorization to photograph, video tape and process for physical evidence using acceptable forensic evidence gathering techniques, searching for evidence to include but not limited to: latent fingerprints, fibers, hairs and bodily fluids, including trace evidence.
- Cell phones found in the car including text messages, call logs, pictures, and any and all data contained within the phone. Permission is needed to examine and extract data, images and call records from any cell phones recovered.

are at the premises, described as:

MN License #203TTM, a White 1997 Oldsmobile 88 with VIN# 1G3HN52K8V4856095 registered to Philando Castile (7-16-1983). The car is presently stored in the Crime Scene Garage at the Bureau of Criminal Apprehension (BCA). The BCA Lab is located at 1430 Maryland Av East in St Paul, MN 55106.

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

This affiant applies for issuance of a search warrant upon the following grounds:

- The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your affiant is C. Michael Phill II and is employed as a Special Agent (SA) with the Minnesota Bureau of Criminal Apprehension (BCA). Your affiant has been a licensed peace officer for 18 years, the last 10 with the BCA. Your Affiant's primary duties include homicide investigations, officer involved shootings/use of force investigations, abductions, missing persons investigations, conflict of interest cases, and other serious criminal activity. Your affiant has hundreds of hours of training in the above areas and more. While with the BCA, your affiant has worked as a Narcotics Agent, Predatory Offender Investigator, and Financial Crimes Investigator prior to joining Homicide. Your affiant is licensed as a sworn officer in Minnesota and he holds Bachelor's and Master's Degrees in Criminology and Criminal Justice Administration respectively.

On July 6th 2016, at about 9pm, St Anthony Police Department Officer Yanez initiated a traffic stop on a white 1997 Oldsmobile 88, with Minnesota license plate 203TTM, for a defective vehicle issue. Sometime during Ofc Yanez's interaction with the driver of the car, later identified as 32 year-old Philando Castile. Ofc Yanez discharged his police issued firearm. Castile was hit multiple times. The shooting was witnessed by Officer Kauser and two occupants of Castile's car, Diamond Reynolds and her 4 year-old daughter [REDACTED]

First aid was given to Castile while medical aid was called. A pistol was recovered from Castile's person prior to his transport to the Hennepin County Medical Center; where he ultimately succumbed to his gunshot wounds.

Your Affiant with other Agents and members of the Bureau of Criminal Apprehension Crime Scene Team were requested to respond to the scene and conduct the investigation. All witnesses were removed so that the scene could be processed. After a few hours, numerous items of evidence were collected and the car was towed from the scene to the BCA crime scene garage for proper evidentiary processing.

Your Affiant is requesting permission to search the vehicle and its contents for the items listed above, so that they may be forensically examined in accordance with currently accepted BCA Lab practices and procedures. There will be some chemical testing for fingerprints, blood, and other bodily fluids conducted on and in the vehicle. Also there may be some disassembly of the vehicle.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

Your Affiant also requests permission to forensically examine any phones found in the car for data, location info and call records to further aid in this police shooting investigation.

A nighttime search outside the hours between 7:00 a.m. and 8:00 p.m. is necessary to prevent the loss, destruction or removal of objects of the search or to protect the searchers or the public. This is because some of the items to be searched for in this warrant are fragile in nature and it is necessary to prevent the loss, degradation, or destruction of this biological

WHEREFORE, Affiant requests a search warrant be issued, commanding SAs Phill, Henning, Olson, and Kaneko, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: SA C. Michael Phill II

SEARCH WARRANT

STATE OF MINNESOTA. COUNTY OF RAMSEY

2nd DISTRICT COURT

TO: Special Agents Phill, Henning, Olson and Kaneko (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, SA C. Michael Phill has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

MN License #203TTM, a White 1997 Oldsmobile 88 with VIN# 1G3HN52K8V4856095 registered to Philando Castile (7-16-1983). The car is presently stored in the Crime Scene Garage at the Bureau of Criminal Apprehension (BCA). The BCA Lab is located at 1430 Maryland Av East in St Paul, MN 55106.

located in the City of St. Paul, County of Ramsey, STATE OF MINNESOTA for the following described property and things:

- Trace evidence including but not limited to: blood, hair, fibers, fingerprints, bodily fluids, powder residue, cartridge cases, and items of identification.
- Firearms and accessories including holsters, carrying cases, bullets, magazines, cleaning supplies and performance additions.
- Clothing which may contain suspected blood or body fluids
- Writing which may indicate motive, direct of travel, occupancy of vehicle, receipts, and identity of victims.
- Papers and documents that would tend to show constructive possession of residence and automobile.
- Court authorization to photograph, video tape and process for physical evidence using acceptable forensic evidence gathering techniques, searching for evidence to include but not limited to: latent fingerprints, fibers, hairs and bodily fluids, including trace evidence.
- Cell phones found in the car including text messages, call logs, pictures, and any and all data contained within the phone. Permission is needed to examine and extract data, images, and call records from any cell phones recovered.

WHEREAS, the application and supporting affidavit of SA C. Michael Phill was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

- The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises.

The Court further finds that a nighttime search IS necessary to prevent the loss, destruction, or removal of the objects of said search.

NOW, THEREFORE, YOU SAs Phill, Henning, Olson and Kaneko THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. OR AS WELL AS A NIGHTTIME SEARCH OUTSIDE THOSE HOURS TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

Narrative begins on the following page:

On Wednesday, July 6, 2016, SA's Olson and Phill conducted an audio taped interview of Diamond Reynolds. The interview began at about 2321 hours and concluded at about 2348 hours. The interview was audio recorded by SA Olson. The recording was later transferred to CD by SA Olson and assigned / preserved as evidence item 3.1. The interview occurred at the Roseville Police Department where Diamond Reynolds and her daughter, [REDACTED] were taken after the incident. The digital video related to this interview was later obtained by SA Phill (see 2016-433/20)

Prior to the interview SA Olson introduced himself to Diamond and [REDACTED] who were waiting together in a soft interview. SA Olson told Diamond Reynolds he would prefer her daughter not be present during the interview in an effort to alleviate further trauma to her daughter. Diamond Reynolds did not object. Diamond Reynolds was escorted to an adjacent interview room while Roseville Officer H. Vang stayed with [REDACTED]

Diamond Reynolds indicated she was a passenger in a vehicle being driven by her boyfriend Philando Castile. She reported they were traveling west on Larpenteur after dropping of her sister (later identified as Ariel Tqira Doty). She indicated her daughter was in the back seat.

Diamond Reynolds said she observed the flashing lights from the squad and said Castile pulled over immediately. She indicated two uniformed officers approached, one on the driver's side and one on the passenger side. Diamond Reynolds said the officer on the driver's side, later determined to be Officer Yanez, told Castile he was pulled over because of a malfunctioning taillight. Diamond Reynolds said Officer Yanez asked Philando Castile to place his hands in the air and then asked him for his license and registration. Diamond Reynolds stated Philando Castile told the officer "Officer, I have a gun on me..." and Officer Yanez responded by stating, "...don't reach." Later in the statement Diamond Reynolds indicated Officer Yanez stated two times, "...stop moving, stop moving."

Diamond Reynolds reported Philando Castile continued reaching for his license and registration while telling the officer he had a firearm on him. She indicated he keeps his license and registration in his back pocket. She reported the officer told him repeatedly to "don't move" before shooting him several times.

Diamond Reynolds said Castile normally possesses his firearm in a holster located in the front of his pants (Diamond Reynolds pointed to the front of her pants to show agents where he carries the firearm). She also indicated that she told the officer he has a permit to carry before any shots were fired.

Diamond Reynolds stated that immediately after the shots were fired she "...hopped on Facebook because I wanted to get it live." She acknowledged the marijuana located in the vehicle was theirs and said they both use marijuana.

SA Olson told Diamond Reynolds he was interested in having her daughter [REDACTED] interviewed at Midwest Children's Resource Center. She did not immediately respond to the request and SA Olson later learned from her legal counsel, Larry Rogers Jr., that she would not allow that interview to take place (see 2016-433/35).

Diamond Reynolds indicated she did not see the weapon during this incident. She said Castile was wearing long shirt that covered the area (above the groin) that he normally carries it.

At the conclusion of the interview Diamond Reynolds was immediately reunited with her daughter. SA Phill left the Roseville Police Department heading back to the scene where he obtained her purse. The purse was then immediately returned to her by SA Phill. Diamond Reynolds indicated that both she and her daughter were hungry and did not have access to the recently purchased groceries in the vehicle. She indicated they did not have any money. Diamond Reynolds accepted forty dollars for food. Roseville PD Officer H. Vang agreed to transport Diamond and [REDACTED] to their residence (see Vang supplemental).

End report.

INTERVIEW DATE:	July 7, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Diamond Reynolds (DR)	INTERVIEWED BY:	Chris Olson (CO) Mike Phill (MP)
REVIEWED BY:			

CO The time and I'm... workin' on getting' information for you but in the mean time I want to get you out of here 'cuz I realize you're kinda desperate to get out of here. And I want to tape record a statement from you with just...

DR I can't go anywhere, I don't have any property. They took my phone, my keys, money....

CO Okay, ah...

DR I just want to get to Regions where he is since y'all not tellin' me what's going on.

CO Well.

DR Hi, nice to meet you.

MP Hi, good to meet you again. I'm sorry about all these circumstances.

CO This is ah..

DR I think they brought a black guy in here because I said that they're racist.

MP Nope, this is my job.

DR Okay.

MP I work for the State, we both work for the State.

DR Absolutely.

MP Our job is to investigate this all.

DR Okay.

MP It's just the luck of the draw on...

DR Okay.

MP ...on who showed up

DR Alright.

CO Ah, so, today's date, is Wednesday, July 6th, the time is 11:21 hours, correction 23:21 hours. And this is in regards to BCA case number two thousand sixteen...

MP 4-3-3.

CO Dash 4-3-3. And ah, Diamond you gave me your name already, but I'm just gonna go ahead and, and state that for the record. Diamond, ah, is it Laraye, L-A-R-A-Y-E, last name Reynolds, common spelling. And your birthdate is July 14, 1989, is that right?

DR That is correct.

CO And, you and, ah, your boyfriend who you refer to as Phil, ah, resided 9-7-0 Rainy Number 3, ah, in Saint Paul 5-5-1-0-6. Is that right?

DR That's correct.

CO And your cell phone number is 6-5-1-5-2-9-4-4-7-5, right?

DR That is correct.

CO Okay. And, ah, Phil's last name is Cast...

DR Castile.

CO Castile, and that's spelled C-A-S-T-I-L-E, his birthday is 7/16 and we think it's 1981. And he's just about to turn 35. Is that ri....

DR That is correct.

CO Okay. Today's date, I already stated, was July 6th. So can you just tell us what happened tonight?

DR Yes, absolutely, we were heading westbound down Larpenteur, ah coming back from dropping my sister off from coming back from a long day of work. As we're heading west down Larpenteur, I didn't notice that we were being pulled over because my head was down in my phone. I look up and see that there's lights flashing behind me, we pull over to the side immediately. The officer gets out, of his car, one officer is on the right side of me, one officer is on the left side. The officer on the left side, which is the...

CO Dr-Driver's side?

DR ...the driver's side, which is the driver's side seemed very jittery, from the time he walked to the car. He asked my boyfriend, "Hi sir, did you know that your back tail light was out?" My boyfriend stated, "No, I didn't know my back tail light was out." And then the officer, "However do you have license and registrations?" My boyfriend stated, "Yes, however I do have license and registrations." He said, "can you put your hands up in the air please?" and then he said, "can you pull out your license and the registrations." My boyfriend said, "Officer, I have a gun on me," and before he can do anything he said, "don't reach." But he was already supposed to be reaching for his license and registration and then the process of him reaching for his license and registration, he's tellin' the officer, "Officer, I do have a firearm on me." And he's saying, well now he's sayin' now that my boyfriend told em' that he has a firearm on him as he was reaching for his registration and his license which is in his back pocket, the gun was in his way and he wasn't able to get to his license and registration. And the officer, already with his gun blazing, cocked and everything, "Don't move! Don't move!" pop, pop, pop, pop, pop, pop, pop, pop and took off. And that was it.

CO And you were sittin' in the passenger front seat.

DR That is correct.

CO And where was [REDACTED] sitting?

DR In the back car seat.

CO Okay, um. Um.

DR When the officer came to the car she unbuckled her seatbelt.

CO Okay.

DR And began to move around in the back seat askin' for food cause we had just came from daycare and work and the grocery store, as they can see the groceries in the front. And she went to start reaching for the Halls that were on the back floor and the officer stopped looking at my boyfriend as he was tellin' him to get his license and registration, started

looking at my daughter and I told my daughter instantly, "stop movin', stop movin', stop movin'" and then that's when the officer wa... drew his attention back to what he really was originally focused on.

CO Okay, so is that officer on the driver's side?

DR The, soon as the officer on the passenger's side began to start yelling, "Don't move" and all that, the other officer, I look back and he was gone. He was outta clear sight. He was no where to be found.

CO Okay, were both windows open? The passenger window?

DR ALL of the windows were open.

CO Including the back seat?

DR All of the windows. My daughter was movin' around in the back seat like I said and he shot.

CO Okay.

DR As my, he asks my boyfriend for license and registration, as my boyfriend was reaching for his license and registration, he was having some difficulties so he let the officer know, "I have a firearm on me." And then that's when the officer was like, "Well, DON'T MOVE! DON'T MOVE!" And as he's tryin' to get his self back comfortable, pop, pop, pop, pop, pop, pop, pop, pop, just like that.

CO How many?

DR About four or five shots...

CO Okay.

DR ...back to back.

CO Did your...

DR His whole...

CO Did...

DR ...arm popped off.

CO And this is Phil?

DR Yeah.

CO Did, ah, Phil actually reach his firearm, did he get to it?

DR No, he didn't even get it. It was still stuck inside his pants. He wasn't even able to pull it out.

CO Okay.

MP Can you describe how (inaudible)?

DR No, he has it, he has 'cuz it's in a holster. So he has it inside of his pants right here and then he has the holster part, the metal part, over his belt. So, you gotta like, wiggle it to get it from get off being hooked onto the belt. You know what I'm sayin'? So, he wasn't able to do much. That's why when the officer was like, "license and registration" he was notice his self havin' some difficulties. That's when he told the officer, "I have a firearm on me" and I'm like he's licensed to carry and (inaudible) he's like, "Don't move! Don't move" pop, pop, pop, pop, pop, but he didn't even let us getta, tell him nothin' before he could really. I was just so, I'm tryin' to say everything at once. I instantly hopped on Facebook because I wanted to get it live. I want America to see how police react in situations without giving people the option to decipher or if, if you're pulling me over for a tail light, why would you be nervous? Why would you be jittery? Why would you be antsy? And if people are allowed to have firearms

and also conceal to carry then why does that give you the right if you if you're asking, "let me see your license and registrations, put your hands in the air," how can you do two things at one time? How can you get your license and registrations and put your hands in the air at the same time? It's either you want me to put my hands in the air to make you feel comfortable or you want me to follow the rules that you just tellin' me. And he shot, pop, pop, pop, pop, pop, and why did it take for that many times for him to shoot somebody? Blatantly, in front of two women like that? For no apparent reason because he was havin' hard times gettin' to his license and registration.

CO Ah, does he have a permit to carry?

DR Yes he does.

CO Okay.

DR He has license, he has insurance, he has license to carry, works for Saint Paul Public Schools. He's been workin' for Saint Paul Public Schools for well over ten years. He doesn't have any kids, he's the only son of two kids. His sister was on the scene, um, he never been arrested, fingerprinted, handcuffed, he has no criminal rec.... history. He is a good man. He's a good, he's not a gang member, gang affiliated. He goes to work and he comes home. His birthday's next week. He just left from gettin' his hair done, from being at work all day at school with the kids. To come home from pickin' me up, me complainin' at him for bein', not bein' where he's supposed to be, where I needed him. To come home, drop my sister off, do a favor, get some groceries and then get killed or shot whatever y'all not tellin' me. I don't, I don't want to think he's the worst right now but because it was a white officer and we are black and the community where there's really no justice he blatantly shot his feet, fired his arm without proper protocol.

CO Who's car was it?

DR My boyfriend's car.

CO Okay.

DR It might be registered to his mom's name though.

CO Okay.

DR Not sure about that, but I knew it's my boyfriend's car.

CO Was, ah, was there any, ah, illegal drugs or controlled...

DR Yes...

CO ... substances in the car?

DR ...we smoked marijuana.

CO Okay

DR There was marijuana in the car.

CO Okay

DR Yes, we are smokers. That's it.

CO Okay. Ah. What time did this happen, do you have any idea?

DR This happened, um, right before nine o'clock.

CO Okay.

DR I left the grocery store, he picked me up around 7:45. We went to the grocery store, we left out of the grocery store around 8:30. We was over there um, at, on Larpenteur around 9:45 is when it happened, about 8:45 is when it happened.

CO Okay.

DR Right before nine o'clock because my sister was buying me some groceries cause I didn't have food in my house and she was tellin' me I have to be somewhere before nine o'clock, have to be somewhere before nine o'clock and we made it, we were just to her house before nine o'clock.

CO Okay. How long have you and Phil been together?

DR Ten years plus. Been together for ten years.

CO Okay and it's a romantic relationship?

DR Yes

CO Okay and although he's not [REDACTED].

DR No he's not, he cares for her, he takes care of her. Pick her up from... I work two jobs.

CO Okay.

DR He works one job. I leave one, he picks me up from my first job, he takes me to my second job and he picks my daughter up from daycare and watches her while I work my night job.

CO Okay, where do you work?

DR I work at the Embassy Suites Hotel.

CO Okay

DR And I will also like a statement 'cuz I will not be able to go to work.

MP What time do you work?

DR I work tomorrow at 8 in the morning.

CO Where, what's the....

DR And then I work my second job at Family Dollar tomorrow at 4 pm.

CO Family Dollar

DR So I won't be able to go to neither one.

CO Which one is that?

DR Midway.

CO Midway? Okay. Um.

DR And Embassy Suites downtown Saint Paul

CO Okay. How long, so you were stopped, a traffic stop was made and...

DR There wasn't even a traffic stop. We were in plain...

CO Where you pulled...

DR ... sight

CO ... you got pulled ...

DR ... we got pulled over, yeah.

CO Okay, that's what I meant.

DR Okay.

CO So, and then, um, two officers came at the same time?

DR Yep, the, no, this officer came first. The one with the gun, the one who shot my boyfriend.

CO So the driver's side officer came first?

DR Yes.

CO And then the passenger's side officer came?

DR Came after.

CO How much after?

DR Like, I would say 60 seconds after he walked up.

CO So, a full minute.

DR Yeah.

CO And then during that minute what was the conversation that was happening?

DR He said that, our, we, do you know why you've been pulled over? He said no. He said your back tail light is out, Didja know your back tail light was out? He said no officer I didn't know my back tail light was out. He said do you have license and registration? He says yes I have license and registrations. As he's going to reach for his license and registrations, he's havin' some difficulty. He lets the officer know he has a firearm on him as he's havin' the difficulty. He's tryin' ta get his hands back in the air. The officer states, "Stop Moving! Stop Moving!" as he's tryin' get back comfortable and let off shots.

CO Okay.

DR The other officer walked away, he disappeared miraculously.

CO The one by the driver's side?

DR The one on the passenger's side.

CO Oh, that's the one that disappeared?

DR Yeah, the one on my side...

CO Okay.

DR ...which is the passenger's side, he disappeared. The one on the driver's side was just there the whole time like, "ma'am don't move, ma'am oh my god I (inaudible) I can't believe it" oh yeah you can't believe it sir 'cuz you did it.

Co So, that happened after the shooting?

DR Yes.

MP Is that about when you started filming?

DR Yes.

CO Okay.

DR It's exactly when I started filming.

MP Okay. What job does uh Phil do for Saint Paul?

DR He works in the cafeteria. He runs the like um, a dietrician aid, dietary aid type deal, yup. Does all the computer work, puts all the orders in and stuff like that.

MP Did he have the summer off or'?

DR Nope he works summer school, he goes...

MP Year round?

DR Yup.

MP Okay.

DR He goes's to work every day. He got his birthday off next week so, and that's about it other than that he works all year round. S' his school is right up on Selby.

CO Alright, I'm a little worried about the trauma caused uhh, to your daughter, Deanna.

DR It's very much a lot of trauma, very much.

CO And that I just want you to think about something right now um, and I appreciate you talkin' to me and being candid with me right, that's wha' its important that we talk to you but I may at some point want [REDACTED] to be interviewed um, by s-, someone that's an expert to talkin' to kids and that's neither my partner or myself and I could set that up uh, through uh, Saint Paul or Minneapolis maybe set it up through uh, Midwest Children's Resource Center in Saint Paul and, and coordinate that, would that be okay with you?

DR Okay, and by, and what is, what is...

CO That's at Children's Hospital...

DR Okay I understand that...

CO ...forensic (inaudible).

DR ...but why would they wanna.

CO Well, I, I, A, for couple reasons uh, two things come to mind, she's a witness.

DR Absolutely.

CO (inaudible) so part of what we do is talk to witnesses.

DR And she's very honest.

CO No, she, and she seems really bright actually...

DR Yeah she is.

CO ...(inaudible) conversation I had with her, but I'm , I'm I wanted to figure out uh, what she saw number one, but more importantly, that there is trauma to her just the human component of this is, what is an acceptable plan to make sure she's not more adversely affected going forward. What is the best plan going forw'...

DR There's no best frien' there's no best plan. O-Officer wrongfully shot and hopefully not killed my boyfriend without proper 'ble protocol.

CO Okay, but I'm worried...

DR There's no way my daughters gonna be able to move forward from this, Phil was like her father.

CO Okay.

DR He does everything for her. He picks her up from school, he drops her off at school, he reads her books before bed time, he wakes up in the mornin'. Sh-, there will be no comin' from this, he's more in her life than her own father. There is no comin' back from this. She could talk to all the therapist she need but this is not, there's no comin' back from this.

CO Diamond would you be open to that interview or not, I mean do you wanna think about it?

DR I mean if it's gonna help with this case and as far as that officer's concerned because I feel like he needs to be suspended wit' no pay. He needs, there needs to be some type of consequences. I understand that he has a badge and he has the right to bear arm but you have the right to bear arm for probable cause.

MP That's why we'd like [REDACTED] She's a witness.

DR Um-hm.

MP ...and we'd like to get that done and they'll, they're professionals.

DR Okay.

MP So if you could...

CO And It would all, what's super important going forward is it (inaudible) you try not to, not try not to that you just basically don't talk to her about the details of this...

DR Yeah, and I already told her too don't, I don't wanna her to go to school and tellin' nobody either.

CO Okay, including conversations with you and I'll try to set that up for tomorrow but, so we'll be in touch and um, we'll talk about that more later after this statement. So, getting back to the statement uh, the, the controlled substances or the weed uh, what did that come from you or did that come from Phil?

DR That came from me.

CO Okay.

DR It was just some smokin' stuff...

CO Yeah.

DR ...that's just what I smoke. I go to work every day you know. Know doctors and lawyers that do pot you know, it's not a big deal. I don't know how much of it, it was er'...

CO Okay.

DR ...anything like that.

CO Yeah, I'm not too concerned with it. I just wanna figure out how it got there. So, the other thing um, that I just wanna and this is hard but I wanna go through kinda second by second I guess for lack of better way to put it. So, you get pulled over, its (inaudible) 8:45 roughly. Three people in your car. What kind of car was it?

DR Um, a white ol' school Chevy Caprice.

CO Okay, older Sedan.

DR Um-hm.

CO And it (inaudible).

DR 90 something.

CO And its Phil's...

DR (inaudible)

CO ...or maybe registered...

DR It's Phil's. It's very raggedy.

CO Okay, and the first officer to approach the vehicle was the one that eventually shot and he approached on the driver's side window.

DR That is correct.

CO And he had what you described as a 60 second conversation with Phil uh, wherein he asked, do you know why I stopped you? He, he described the taillight was out, Phil was

unaware of that um, he asked for license and registration. Phil, said yes I have that and then what happened?

DR He told him that he had uh, firearm on 'em and as he was getting back.

CO So, let's stop right there.

DR Okay.

CO Did he say that as he was movin' his hands to get his license and registration?

DR Yeah.

CO And then as that was motion was happening and he was tellin' the officer, what did the officer say?

DR "STOP MOVIN' STOP MOVIN' BOOM BOOM BOOM BOOM BOOM"

CO Okay, and it happened that fast.

DR Just like that.

CO So, so he only made one motion. He didn't raise his hands.

DR He didn't do nothin' he couldn't do, he was like... and...

CO But see earlier I've just tryin' ta make sure that I get this clear. You earlier said (inaudible).

DR He, his hands, he started off with his hands in the air because that's how da' officer..

CO So, that's how the traffic stop started.

DR Right.

CO Okay.

DR That's how it was started. He said, "put your hands in the air". Well okay, his hands was in the air. All of our hands was in the air.

CO Do you have license and registration he asked.

DR Do you have, and he said yes.

CO And then he said, I..

DR As he said yes, and he's goin' to reach for it he said, he was havin' you know...

CO Um-hm.

DR I have a firearm on me.

CO Okay, now you're reachin' to the firearm.

DR Well, you know I don't know how guys do that you know.

CO Yeah.

DR But, he..

CO This is for the benefit of the listener. You're reaching towards the front of your belt (inaudible)

DR He has it here. He keeps it here.

CO So, right above...

DR It's not easy. It's easier to get it out if it was right here. He has it...

Co Right in a top of his groin.

DR Yeah.

CO Okay.

DR Right here.

CO And so, and he was reachin' in an area you described kinda by the hip bone.

DR Yeah because that's his back pocket.

CO Okay. So he's reachin'...

DR His wallet was in his back pocket.

CO Okay so he's reachin' for what you think is his back pocket.

DR Right. 'Cuz he had the license and regis-, he keeps everything, he has a big fat wallet. He keeps license, registration, he keeps everythin in his wallet. Credit card, money...

?? (inaudible)

DR ...everything in his wallet.

CO It's a guy thing, I get that.

DR I don't understand it but he keeps it in there. And he was reachin' for it but it's so damn fat he couldn't, he sags his pants, he couldn't get the thing out (inaudible).

CO So Phil's a big guy.

DR No he's skinny.

CO Oh okay.

DR He's skinny as hell.

CO Okay.

DR Tall.

CO Alright. Um And so it was just the one motion.

DR Um-hm.

CO And did the officer see the weapon or do you think he...

DR No, he didn't see it. Because it wasn't visible.

CO "Cuz he was wearin' what kind of clothing.

DR He had a long shirt on.

CO Okay.

DR He had his pants, his, back of his pants was sagging 'cuz his butt always is just out. And then his belt where his gun was, was actually up to where he need it to be.

CO Okay. Okay. Alright. And so the extent of the conversation was Phil just offering one time "I have a weapon"?

DR Yup, he just...

CO What was his exact words.

DR He said "I have a firearm." That was his words.

CO Period.

DR Period.

CO Okay.

DR And then officer, STOP MOVING BOO BOO BOOP !

CO Okay.

DR He let off more rounds than he let out words.

CO Okay. So and the last thing Phil said was "I have a firearm". Okay.

DR As he was tryin' to reach for that wallet.

MP And you've seen that firearm before?

DR Yeah.

MP you know he carries it.

DR Yeah. He, he don't go nowhere, we make it a joke about it all the time with my, me and my mom. (inaudible) like Phil carry a gun 'cuz he's scary. Oh he carry a gun 'cuz he's (inaudible). He carry a gun 'cuz he won't bust a (inaudible) but I live in a high crime neighborhood.

MP (inaudible, DR talking at same time)

DR There was been two murders in my, on, in my backyard.

MP Rainy?

DR Yeah. (inaudible) Been two murders within the past year and half.

MP So it's for protection.

DR S, it's for my protection, my daughter's protection, and his protection. There's men that sit on my porch smokin' drugs all day and all night. I work the night shif' so it's not safe for me and it's not safe for him as a man. He has to protect his family.

MP (inaudible)

DR We live, we're moving. We were s-, we're movin' in August.

MP Do you know how long he's had the permit?

DR Um, awhile.

MP Okay.

DR He's had it for awhile.

CO (inaudible) months or years?

DR No, years.

CO Okay.

DR He's had it. I'm pretty sure.

MP He that kinda guy that practices?

DR Yeah, oh yeah.

MP Range?

DR We went to the range on dates before all that yes.

MP You know what caliber (inaudible)?

DR A 9 millimeter.

MP Okay.

CO Okay.

MP That the only he had.

DR Only one he has.

MP Okay.

DR That he's ever had around.

CO (inaudible) you know what kind of gun it was, the manufacturer?

DR Naw I don't know the manufacturer, I just know it's a 9, it's black, I don't touch it. I don't hold it. I don't...

CO Have you shot it at the range?

DR No, we have, he shoots his gun and he's buys one for me to use.

CO Or rents one?

DR Rent one, yeah.

CO Okay. Uh.

DR He likes shoot his own stuff.

CO Alright.

DR But it was not visible. His shirt was coverin' it. He had a belt on. It wasn't, it wasn't able, it wasn't out. It was not visible.

CO Okay. So.

DR So what they saying? 'Cuz I know you just got the text.

CO Yeah I think I got, I don't think, Phil has died. I got some bad news and I'm sorry it happened um....

DR (crying)

CO Did he say anything after he was shot (inaudible)?

DR He didn't say anything. His eyes rolled in the back of his head and he just looked at me.

CO Okay.

DR (crying) anything. There was nothin' to say.

MP I'm sorry. It's terrible.

DR This officer (inaudible, crying) He took him away from us (crying). It's not fair, it's no fair. Please get me out o' here.

CO We can do that.

MP How would you like to uh, be taken to the hospital (inaudible).

DR I don't have any ride. They took my cell phone, my house keys. I don't even know I'm getting' home in the....

MP We'll get that stuff back to ya, your cell phone, we'll get that back to ya.

DR I wanna go to the hospital so I can see him for the last time.

MP Um, house keys, you say they took those?

DR They got my purse. They got everything.

CO Can we call someone right now Diamond?

DR I don't have any numbers to call anyone.

CO Okay, I can maybe send a squad car over to a house, to uh, have someone communicate with you, you know. I can have an officer go to a house...

DR There's no house to go to. I don't have nobody but my boyfriend.

CO (inaudible)

DR I don't have nobody.

CO Your mom or...

DR No my mom lives in a different state. He was all I had.

CO So you have no family (inaudible).

DR No family but my sister who was at the scene.

MP Where does she live?

DR I don't know. They took my phone. They, I didn't even get to talk to her.

MP Okay. So you need your keys to get back into your apartment?

DR And I need my phone for sure to call people.

CO So, your sister who was dropped off before the traffic stop.

DR Yes.

CO Okay.

DR She came back once I got on Facebook they found out where I was and came.

MP So she came back to the scene.

CO So she wasn't there during the event. Um.

DR They kill, he killed him. So now what? Where do we go from here? Because there's gonna be lawsuits gonna be in order. There's discrimination in, there's racism. There's a lotta things that's gonna play now because of this.

CO So here's what Mike and I and what our colleagues do, is we go and do interviews. And we talk to everyone and then we have crime scene team AT the scene of this event and they're gonna uh, do a full forensic crime scene (inaudible).

DR Well make sure they don't remove his gun offa him and try to make it seem like somethin' that it wasn't because I already know how the system is. I already know how they tamper with evidence. I already know how they do. And they took a life. You guys' department, your police, who...

MP We don't, we don't work for (inaudible).

DR Well, okay I'm sorry. The people who are supposed to serve and protect us took a innocent man's life today. Nine days before his birthday.

MP Yup. That's a fact and that's sad and we-, we're sorry about it. Our job is to find out what happened...

DR I want that, I hope that police officer's is gonna be fired or somethin's gonna happen with no pay. He should not be allowed to be still working if he don't know how to control his feelins', his emotions, and anything that has to do with taking innocent people's lives.

MP And if that's found to be true, then there'll be a, some sort of training, punishment, who knows what. But that's AFTER the investigation. And when we're done with the investigation, we give it to the Ramsey County prosecutor and they're gonna have a grand

jury you know, figure out what happened. So there's a lotta evidence we have to go through.

DR So how do you figure...

MP Gun, the bullets, the cameras, were there cameras rolling, your phone has to be analyzed 'cuz we gotta pull that video off your phone. All that evidence together is how we get a full picture. And the interview with you (inaudible).

DR Oh well that, the video ain't saved, it's just on Facebook.

MP (inaudible) got posted immediately?

DR Yeah.

MP And it didn't get the shooting itself?

DR No.

MP Right after?

DR Yup. It was after.

MP Okay. But it's still will provide some (inaudible).

DR 'Cuz I, he told us, he told me do-, don't move, so I couldn't pick my phone up in the midst of him doin' that...

MP (inaudible)

DR ...'cuz he woulda shot me too shit.

MP Okay. Alright well we're gonna, I gotta go find out where your purse is so we can get you your keys, you can get back in your apartment. Your phone we're gonna have to take it and download uh, even though you say it's posted immediately, the phone still is kept in your flash (inaudible).

DR Well I have a iPhone. It's not you know how Facebook goes live?

MP Oh yeah.

DR I went live.

MP Okay, well we'll take a look.

DR So you can just Facebook. You don't hafta take my phone because it's not saving it to the memory, iPhone don't. You all have iPhone. You go live on Facebook, that live video don't save to your phone. It only on Facebook. And then once it get share, it's you know how that go.

MP Okay.

CO Alright. I'm gonna uh, end the tape portion of the statement. Is there, before I do is there anything else um, that's important for me to know as an investigator that uh, you maybe haven't talked about or mentioned?

DR There's nothin' important other than he wrongfully killed a man and asked two questions at one time. Can I see your hands. Can I see your license and registration.

CO As far as you know, there's no previous dealings between Phil and either one of these officers.

DR No. He never seen that man a day in his life.

CO Okay. Alright, the time is now uh, 23:48 hours.

Narrative begins on the following page:

On Wednesday, July 6, 2016, SA Olson conducted an audio recorded statement of Anne Chagnon-Cicarelli. Chagnon-Cicarelli was initially located at the scene by responding officers and told to drive to the Roseville Police Department to be interviewed. The statement began at about 2356 hours and concluded at about 0014 hours. The digital audio recording of this statement was later transferred by SA Olson to CD and preserved as item 4.1. A transcript from this statement is attached. The interview took place in a private interview room off the front lobby of the police department entrance and no one else was present during the interview.

Chagnon-Cicarelli reported seeing a vehicle being stopped on Larpenteur. She said she observed a uniformed police officer approach the driver side of the vehicle. She reported she was making these observations out of the front windshield of her vehicle as she was waiting to turn left into her apartment building parking lot (1707 Fry). She described what looked to her to be a routine traffic stop.

Chagnon-Cicarelli said after she turned left into her parking lot she lost sight of what was occurring, but reported hearing several "pop pop" noises that sounded like firecrackers. She said her vehicle windows were closed when she heard the "pop pop." She reported hearing a female voice yelling "don't arrest me." She reported the female yelling was out of the stopped vehicle at the time she heard the yelling. She described the stopped vehicle as a white sedan, possibly a Chevrolet. She reported seeing two front seat occupants in the vehicle as the traffic stop was being initiated.

Chagnon-Cicarelli said she later observed uniformed officers giving CPR to a person on the ground next to the vehicle.

End report.

TRANSCRIPT

INTERVIEW DATE:	July 6, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Anne Chagnon-Cicarelli (AC)	INTERVIEWED BY:	SA Christopher Olson (CO) SA Mike Phill (MP)
REVIEWED BY:			

CO Today's date is July 6, 2016. It's Wednesday, the time is 23:56 hours. Our case number for this is BCA 2016-433. We're currently at the Roseville Police Department in Ramsey County in a private interview room and are, uh, speaking with Anne A-N-N-E Jacqueline J-A-C-Q-U-E-L-I-N-E, and I'm not sure how to pronounce your last name. Would you mind?

AC Chagnon.

CO Chagnon and hyphen Cicarelli.

AC Cicarelli.

CO Cicarelli.

AC Yeah.

CO All right. And the spelling of it is C-H-A-G-N-O-N hyphen C-I-C-A-R-E-L-L-I, is that correct?

AC Correct.

CO And Anne, your birthday is December 23rd, 1967, is that right?

AC Correct.

CO And your home address is 1707 Frye Street, Apartment 11 in Falcon Heights, Minnesota, 55113?

AC Yes sir.

CO And a cell phone uh, that you have is 651-269-5392, is that right?

AC That's correct.

CO And you uh, were instructed by someone, uh, to come up to the uh, Roseville Police Department, and that you had information or you might have witnessed a portion of this event. So let's start with that, um, before we get into the witness stuff.

AC Okay.

CO Who did you run into that told you to come up here?

AC Um, it was Officer uh, (inaudible) I started, he took my initial name. And then...

CO Okay.

AC ...it was Officer uh Jeff...

CO Okay.

AC ...from, from Roseville.

CO Okay.

AC That was when I received the phone call, um.

CO Okay.

AC Or I received a phone call from...

CO Okay. So it was a Roseville police officer.

AC Correct.

CO And did you call or did you respond to the scene and say I saw this or how did you, how did they become aware that you were a witness?

AC Uh, I was uh, standing a-, across the street on the north side of Larpenieur.

CO Okay.

AC Um, when the cops were there and believe it was uh, Officer Batildo or (inaudible) I, from um...

CO From Falcon Heights or from...

AC I, I'm not sure where he was from but he was at the scene at the beginning.

CO Okay.

AC ...and he was asking for anyone to, you know, did anybody see....

CO And you said yes I saw something.

AC Well I, I said I saw like the beginning part. I, I explained what I saw, I said I did not see the actual you know.

CO Okay.

AC ...shooting but this is what. And he said okay then (laughs). He asked you know he says, had me step aside and took my name and information.

CO And later had you drive to the Roseville Police Department.

AC Yes...

CO Okay.

AC ...and then he said that (inaudible) instructed me that there would be you know wanting (inaudible) um, that there would be the BCA agents and that I could go back inside my apartment after...

CO Okay.

AC ...after you know...

CO Yup.

AC (inaudible) but that we'd be con-, I'd be getting contacted and, he had my cell phone number (inaudible) by BCA or a police officer. So then I got the call when I was inside my apartment from Officer Jeff from Roseville PD.

CO So let's talk about uh, what you witnessed tonight and do you remember the time uh, that you first started witnessing anything from this event?

AC Uh yes. I was, it started pro-, it was a little bit after 9 o'clock. I had, was working out, and (inaudible) working out in St. Paul.

CO Um-hm.

AC Um, and I was coming home after my workout, and I had um, and I (inaudible) I signed out at the club and I, probably like 8:45 I think roughly so...

CO Okay.

AC And it takes me about twenty minutes to get back home (inaudible, background noise) on Frye Street. And I had, it was going, it actually (inaudible) took 280 and then got off on like the exit to go to Eustis Street by the um, Luther Seminary...

CO Um-hm.

AC ...and took that because of the tra-, or not traffic, excuse me, but because of the construction (inaudible). And I had pulled up to the stop sign, or stop light, pardon me, and I noticed that there was a police car going by, heading west. No big deal you see police cars all the time, and I had stopped and then I had, it was, 'cuz it was red, (cellphone noise) turned, need to get that?

CO No that's all right, keep talkin'.

AC Okay. And so like I said this was, so this would've been after 9 o'clock. Um, and I noticed that the, (inaudible) heading now east on Larpenteur to go home I noticed (inaudible) that same squad car had, I don't know where exactly but done a U-ey and was coming back now, was headed, (inaudible) was headed west on Larpenteur (inaudible).

CO So you saw the, you saw the uniformed, I'm sorry the fully marked squad car hang (inaudible)

AC yes.

CO ...and turn...

AC Yeah.

CO ...basically uh, initiate a traffic stop on this car?

AC Um, I didn't know if it was that car or not. I actually (inaudible) I know I stopped so I, it wasn't a rolling stop but you know...

CO Sure.

AC ...(inaudible) didn't blaze through that (inaudible).

CO Did you notice (inaudible).

AC But yeah and so I just, yeah, I notice it coming back and I was, like I said, was I was heading east and um, you know, my (inaudible) didn't, it wasn't speeding or anything (inaudible) noticed you know nothing out of the norm, and I was you know behind it as I

was (inaudible) passed me eventually you know, 'cuz it was coming up (inaudible) I had, excuse me...

CO You were behind him what? You said (inaudible).

AC I was behind the police car.

CO Okay.

AC At that point. It had passed me. Initially I had you know I said I noticed the police, police car going west on Larpenieur. I took a right to head east on Larpenieur to go home and then I noticed that the car had come around and was now heading east and I thought well I don't I did anything wrong (laughs) would warrant a traffic stop but um, so I'm driving along, police car's driving along and they you know, passed me, no big deal, they um, everything seemed okay. Um, on um, heading east on Larpenieur.

CO Okay.

AC And then I notice as we got closer to um, like, to like the, my parking lot, uh, I saw that the, the lights went on on the, the squad car, and um, I was at that point, I had moved into the left hand lane. It was in the right hand lane. I had moved into the left hand lane so I could go and 'cuz then turn onto, going north...

CO Um-hm.

AC ...into the parking lot that's right off of the...

CO The parking lot for your apartment building?

AC Yes.

CO At 1707 Frye?

AC Yeah.

CO Okay.

AC And then I...

CO It was a left hand turn as you're heading east.

AC Yeah. So I'm going left and I see the, you know the squad, you know there was a squad car and he's pulling, it was, seemed, it seemed like a very basic stop and we see that, I see that a lot on Larpenieur because it's heavily trafficked and...

CO Busy road.

AC It's busy road, right. And I saw the officer get out of the car um, and he was just, uh, the squad car, he was talking towards the car and it looked like a routine traffic stop to me. I, you know as I was pulling in...

CO Did you notice one or two officers?

AC I noticed the one officer getting out, at, you know at the time.

CO Did that officer get outta the driver's side or the passenger side of that police car?

AC Driver's side.

CO Okay and did that officer then walk to the driver's door window or the passenger door window of this uh, car that they had stopped?

AC From what, from my angle, it looked like it was going to be driver's side.
CO Okay.
AC I mean like I said it looked like kinda your typical by-the-book and I thought okay.
CO So this car was also heading east on Larpenteur when it was pulled over.
AC Yes sir. Yes.
CO And, and from your position uh, and if 12 o'clock is the hood of your car and 3 o'clock...
AC Um-hm.
CO ...is the passenger door, where were they at, at an angle in relation to you?
AC Um, let's see, at...
CO so you're headed the same direction...
AC ...head the same direction it was like (inaudible) it was like one, one o'clock.
CO Okay. So it was off the right front of your car...
AC (inaudible) yeah.
CO ...and they're pulled over to the right.
AC Yeah.
CO And you're waiting to turn left. And that's when you made these observations.
AC Yes, I was in, it was very easy you know, just pull over or, left, I took a left and got in, you know, pulled into my parking lot.
CO So at which point did you turn left? What was the last you noticed during that first observation? What's the last thing you saw happening before you turned left?
AC Um, I just noticed that the police officer was walking to the...
CO Okay.
AC ...the car.
CO So they hadn't reached the door yet or (inaudible).
AC No.
CO Okay.
AC I had not seen, but it looked, like I said it, he was, he was walking along. It was the officer that had (inaudible) like a crew cut, short hair, black...
CO Okay
AC ...hair um, and um, olive skin, darker skin...
CO Okay.
AC ... and um yeah it looks like he was going, when I was turning he was still walking to what, to the driver's side of the car from what I had seen.
CO It looked like a routine traffic stop?
AC Exactly. Just walking to the side just you know.

CO So what did you do after you turned left?

AC So I went into the parking lot and I went to, was looking for a parking spot um, and I ended up doing the, it was the back, backed into my parking spot, and when I got there, um, and then I shut off the car and um, (inaudible) wanted to back in rather than pull front in, and I um, from there I heard a couple of um, couple of pop-pop and it sounded like fire crackers...

CO Um-hm.

AC ... and I thought well it's kind of odd, you know 4th of July you know, had passed but um, I thought okay, then I got out of the car and I was looking around if somebody was shooting them off or something you know? And um, then I saw this, the I saw like the (inaudible) these squad cars um, at there was a couple at that point and then um...

CO A couple of squad cars?

AC Yeah there was the one and then I well, let me back up here, I saw the, there was the one main squad car that I remembered...

CO Um-hm.

AC ... but then I saw a couple of them like coming...

CO Down Larpenieur?

AC ... in there out down Larpenieur. So and then I was walking towards, cuz I thought oh what, what happened?

CO Your walking towards the scene?

AC The scene right. And I, I heard a woman's voice yelling don't arrest me um, now that was taking place on the other side of that car. Um...

CO And so was this woman in or out of the car?

AC It looked like she was out of the car at that point.

CO All right.

AC Um I was kinda hard to see, I admit that cuz I was, I could see some police officers on the other side of um, the, the white vehicle that had been pulled over, but I couldn't get you know, I couldn't get a look on what had happened or anything but I heard that.

CO So how long between the pop, how many pops did you hear, that they sounded like fireworks?

AC Oh gosh, not many it was just like two or three it just kinda pop-pop...

CO Okay.

AC ... and...

CO And then um, what was the period of time that had elapsed between you first noticed the car, the officer approaching the car and the popping that you heard in terms of um, what was that time frame looked like? You don't have to be exact.

AC Okay, um, it...

CO Was it immediate? Was it a minute? Was it five minutes?

AC I would say probably about five minutes because what I do is I, I always pull forward and then I back in to my, my spot.

CO So that wouldn't have taken five minutes though would it have?

AC At the maximum.

CO I mean that would have been, you could have walked that three times in five minutes. I'm just trying to...

AC Yeah, yeah.

CO ... because you pull in the parking lot, you pull into the...

AC Yeah, yeah, the maximum yeah...

CO So I'm thinking more like a minute?

AC And I just was, well the other thing is, is I always put my sh', um, visor up on my car.

CO Um-hm.

AC So that, you know the thing just to cover up you know um...

CO On the front windshield?

AC On the front windshield.

CO So, so that process took a little time?

AC So that took a, yeah. So by the time I got out of the car, you know that's what.

CO What kind car was it that is being pulled over? Do you remember?

AC Yeah I was like a, it was a white sedan, um, four doors um, it was old it looks like a Chevrolet...

CO Do you know how many occupants were in it?

AC I saw two in the front seat...

CO Okay.

AC ... in the front part.

CO Could you tell if there males or females or anything about them?

AC Um, the I could tell it, well I could remember that the person in the front seat had dreadlocks...

CO Okay.

AC It was kinda hard cuz I saw 'em all from the back.

CO Um-hm.

AC So I didn't know, you know um, so exactly but yeah um, I couldn't get any of the facial you know, features but I know the person...

CO So you didn't see any other occupants in that vehicle?

AC No just the two in the front.

CO But did you see any more officers in the um, the um, the law enforcement vehicle that pulled the vehicle over, did you see any more than the one officer?

AC No not at, not at...

CO Okay and at any point did you see...

AC No I didn't notice that um, any other officers. I just saw the one as you know, he, as he was walking out...

CO Um-hm.

AC ... to the car.

CO And so as your walking back to the scene after you heard the pop-pop-pops you observed the, the two other squad cars approaching on Larpenteur, did you hear anything in terms of a conversation or dialogue that was exchanged um, between anyone at the scene?

AC No. Um at that point when I was waking you know towards that, what I could see was that there was the two, two cops were giving CPR to the, the victim, he was on the ground...

CO Okay.

AC ... at that point and then...

CO But you were across the street?

AC Yes.

CO Okay.

AC I was across the street, like right to the entry and I was kind of like, I was really shocked because I thought what happened, you know it looked like, I mean this just you know, looked like a routine sort of stop, I was like...

CO Did you observe any other witnesses that were also watching with you, either at your same spot or near you at all, were there any other um, citizens um, observing what was happening?

AC There were a bunch of people from the apartment yeah, you know like there were you know, kinda I don't know how fast they got there, some came after...

CO Okay.

AC ... um, and um...

CO Were there any pedestrians or anything that you noticed during the traffic stop during the early um, stages of the traffic stop that were just walking by that you noticed, that you remember?

AC No.

CO Okay.

AC Not at that point. Cuz I, I would of because I would you always have to wait for pedestrians since you know coming from the left hand side in particular.

CO So if they were headed east on Larpenteur, this all happened on the north side of the road? No, this all happened on the south side of...

AC South side and I was turning to go into the, the parking lot on the north side of Larpenteur, so was you know, so the lights went on with the car, it all pulled over to the side um, the cop got out...

CO Okay.

AC ... and was walking to the car and then I, as you know as I, I could see that and then I was moving you know, taking the, going right into the parking lot.

CO You were um, by yourself in your vehicle?

AC Yes sir.

CO Okay. And headed to your home. Um you think you signed out of the club at roughly 8:45 so this in your estimation happened shortly after 9:00 PM?

AC Yes sir.

CO Okay. Um, is there anything else um, in terms of what you were observed or witnessed that I haven't asked you, that might be important?

AC Um, I'm trying to think of, (sigh) I'm trying to think if there's anything else that (sigh) that I had seen um...

CO You know what, if you think of something you've got my card with my...

AC Yeah.

CO ... phone number on it um, you didn't hear any dialogue between the occupants in the car, or I am assuming your windows were up or down when you heard the pop-pop?

AC My, mine were up.

CO Okay.

AC At that point, so...

CO Air conditioner was probably on?

AC No its broken.

CO Okay all right, so there was a fan...

AC I mean I was, well right. What had happened to be specific is that I had rolled up at that point cuz I'm just getting everything ready to set up my car for, you know, the evening...

CO Sure.

AC ... you know since and, and so the rolled up the windows and um...

CO How many apartments in your building, how many per floor, I'm just trying to...

AC Um, let's see, there would be per floor, there are six.

CO Okay. All right so total eighteen, was it a three story building or?

AC Ah, yeah I'm in the three story. I'm like from the second to the, furthest in on Fry street.

CO Okay.

AC So. Um, so I know there were, there were some people like I said out there already down a couple, or a few folks that were down by the um, um, by Fry street you know, or by Larpenteur excuse me, um watching what had, you know I don't know how much they

saw, or if it was a matter of they heard the pop-pops and then you know, just, I was like oh my gosh what's going on?

CO Yeah I understand.

AC And two so.

CO So, okay I'm going to end the tape portion of the statement now the time is 00:14 hours.

Narrative begins on the following page.

On Friday, July 08, 2016, at about 1230 hours, SA Olson received an Apple iPhone from Sgt. Jeff Spiess, St. Anthony PD. This telephone was in the possession of Reynolds during this incident and was reportedly the telephone used to live stream to Facebook. This transaction occurred at the St. Anthony Police Department (see attached Evidence Receipt).

At about 1415 hours, SA Olson transferred custody of this item to SA Phill.

OLSON, Chris (MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page.

On Friday, July 08, 2016, SA's Olson and Phill went to the residence of Diamond Reynolds to deliver several non-perishable grocery items that had been left inside the vehicle. Despite agents hearing what sounded like discussions from inside the apartment, agents did not receive an answer at the door. SA Olson was unable to reach Reynolds via the telephone despite speaking with her two times previously on July 07, 2016. It should be noted that Reynolds contacted SA Olson previously from numbers 618-708-0465 and 651-503-9998, but messages left for Reynolds on those numbers had not been returned.

It should be noted that on Thursday, July 7, 2016, SA Olson spoke with attorney Larry Rogers Jr. via telephone (312-952-1556) at about 1200 hours. Rogers indicated he was an attorney representing Reynolds and that he would call SA Olson back regarding SA Olson's request to extract data from the cellular telephone of Reynolds in a furtherance of this investigation. SA Olson did not receive a return call from Rogers until the following day at about 1200 hours wherein Rogers indicated they would not provide consent to extract data from the Reynolds telephone.

SA's Olson and Phil left the aforementioned grocery items with a neighbor, Otis Campbell, who indicated he would deliver them to her upon her return. The returned items were previously photographed by the CST processing the vehicle related to this case.

Narrative begins on the following page.

On 7-6-2016 at approximately 2150 hours, SA Kaneko (MN BCA) was notified of a Crime Scene in Falcon Heights, MN regarding an Officer Involved Shooting. SA Kaneko was requested to respond and assist with the processing and documentation of the scene. SA Phill was the BCA Agent at the scene and handling the initial response.

SA Kaneko arrived at approximately 2230 hours at the scene which was located at Larpenteur and Fry Avenues in Falcon Heights. SA Kaneko met with SA Phill and was being given a short briefing of what was known at the time.

SA Kaneko began documenting the scene.

Crime Scene Team was comprised of Team Leader Garfield and Team Member Igowsky. SA Kaneko advised the team what was known and began processing the scene. SA Kaneko documented the scene by video and digital still photography. The photographs were later processed and copies were made for distribution to the other agencies and divisions. The video was transferred to disk for safekeeping and ease in viewing.

Once the scene was processed, the vehicle, a white colored 4dr Oldsmobile 88 displaying MN plates of 203-TTM was placed on a flatbed tow truck and escorted westbound out of the area on Larpenteur.

Once the vehicle cleared the scene, SA Kaneko cleared.

Narrative begins on the following page.

On 7-7-2016 at approximately 1400 hours, SA Kaneko assisted the MN BCA Crime Scene Team with the execution of a search warrant on a vehicle. This vehicle was involved in an Officer Involved Shooting Resulting in a Death. The vehicle was described as a White colored Oldsmobile 88, 4dr sedan. SA Kaneko later produced a disk containing the photographic documentation of this vehicle as it was processed.

Team Leader Garfield and Team Member Igowsky processed the vehicle. SA Kaneko was tasked with assisting the search and documenting the processing of this vehicle.

SA Kaneko processed the photographs and placed the photographic images on to a disk as evidence. This evidence was later placed on a disk for ease in viewing and for storage. The Disk was labeled as evidence and copies were made for distribution by the Case Agent. A copy of the disk/photographs were placed in the file located in the Crime Scene Section.

Narrative begins on the following page.

On July 8th, 2016 Special Agent Michelle Frascone and Senior Special Agent Luke Hanegraaf conducted an interview of St. Paul Fire Captain Larry Goodman at the Station 23 fire hall. Capt. Goodman stated on July 6th at approximately 2100hrs his station received a call for a patient with a gunshot wound. Capt. Goodman described arriving on scene and seeing a male laying on the ground, near the driver's side door of the vehicle.

Capt. Goodman stated there was a police officer actively performing CPR at the time of his arrival. Capt. Goodman described the patient as having a white shirt, and a pair of colored shorts on. Capt. Goodman said while they were treating the patient a police officer did a pat search of the patient and located a gun in the patient's right front pocket. Capt. Goodman stated the patient was transported to HCMC where he later died.

This interview was audio recorded, transcribed and attached to this report. For exact words and verbiage please refer to the transcription and/or recording. As a result of this activity exhibit 2016-433/9.1 was obtained.

INTERVIEW DATE:	July 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	SPF Capt. Larry Goodman (LG)	INTERVIEWED BY:	SA Michelle Frascone (MF) SSA Lucas Hanegraaf (LH)
REVIEWED BY:			

MF Today is July 8th, 2016. This interview is regarding BCA case number 2016-433. Present is myself, Special Agent Michelle Frascone and Senior Special Agent Luke Hanegraaf. Also is um Larry what's your title?

LG I'm a Captain.

MF Captain Larry, L-A-R-R-Y last name Goodman, G-O-O-D-M-A-N. Address of 1926 Como Avenue, St Paul, Minnesota 55108 with a phone number of 651-642-0604. Is that correct?

LG Yes.

MF Alright Captain Goodman on the date of July 6th, 2016 were you on duty that day?

LG Yes.

MF And what is your role here at the St Paul Fire Department?

LG My role is I'm a fire captain and I'm also a paramedic. And I supervise uh six or five other guys. As far as uh on emergency calls.

MF And who was on uh duty with you on the date of the 6th?

LG Uh it'd a been Joe Balazs. Eric Torgerson. Michael Paidar. Juan Cortez. Did I say that already?

MF Um-um.

LG Juan Cortez and uh Zach Johnson.

LH So Joe, Eric, Michael, Juan and Zach?

LG Yeah.

LH Five, okay.

MF And you guys um received a call for service regarding a shooting is that correct?

LG Yes.

MF Can you tell me about that?

LG Uh a call came in just as a uh just as a shooting. We didn't know any of the circumstances until we, arrived on scene.

MF Okay. And who was, were all these people that you named previously on, your rig when you arrived on scene?

LG We have two separate rigs that were uh running uh there was two on a uh paramedic rig and then there was a four on the engine. The two that were on the paramedic rig was Zach

Johnson, he was driving. Michael Paidar he is, he was the lead medic. And uh he's the one that fills out the run report for the calls. And then we had uh Joe Balazs that was driving the engine. I'm the captain of course and then we had uh, um Eric Torgerson and Juan Cortez on the back of the, they were the firefighters in the back of the engine.

MF Do you know approximately what time you received that call?

LG Uh, maybe like 9:00 o'clock so uh, uh 2100 hours.

MF Okay. And do you know what time you arrived?

LG I haven't looked at the records yet so no I don't.

MF Okay. Can you tell me what you observed when you arrived?

LG Uh when we arrived um, we were going west on Larpeur Avenue. Uh we first encountered a state trooper that had a gun. Or a rifle. He's the one that directed us to the scene and as we pulled up there was other squad cars. I don't know what agencies they were with. Uh we got out uh we observed uh one officer doing chest compressions on a, on a person (inaudible)

(music playing)

LG And, yeah so yeah that's pretty much what uh then I directed uh Juan Cortez to get a uh long backboard. Uh I walked up to the scene uh noticed the person uh laying on the ground with a co, with the officer doing the CPR. I took a c spine precautions where you grab 'em by the head and, and um it's like a they call it a jaw thrust to see if he was breathing. He wasn't breathing. There was no pulse. So, we kinda went from there. Um continued CPR. We got the longboard out, the spine board uh we uh rolled the patient put him on the backboard. Uh put a neck collar on him. And uh we continued CPR uh loaded him up and uh put him in the rig. Uh but I did uh as, as uh before we rolled him over I don't, not sure what officer stated that there was a uh a weapon, a handgun in this uh person's uh, uh been in his, it'd been in his uh front right pocket. That gun was pulled out and it was placed uh just off to the side.

MF Okay.

LH Was that out before you arrived or did your...

LG Nope he, literally I physically saw him pull the gun out of the person's pocket and place it on the ground.

LH That was an officer?

LG Yes.

LH Okay.

MF Do you recall what the patient was wearing?

LG Uh a white t-shirt and I think it was, tan shorts. Tan shorts or I am not sure if they were pants or uh shorts but it was tan, tan bottoms.

MF Okay. Um socks or shoes or anything? And it's okay if you don't recall.

LG I don't recall.

MF Okay. And, did you guys remove his clothing at any point?

LG We did not the only thing we did is we cut his uh white t-shirt just so that we could expose his chest. Uh as far as like, leaving any clothes behind or anything I'm not aware that we did any a that.

MF Okay. Did you guys check his pocket? I know you said the gun was removed. Was there anything else removed from his person that you recall?

LG Not that I can recall. I don't remember anything else uh that we removed.

MF Okay. How about when you were in the ambulance was there anything...

LG No.

MF ...removed?

LG Just did our uh regular uh lifesaving procedures and, and just transported him to Hennepin County.

MF Okay. Do you recall seeing um a holster?

LG No.

MF A wallet?

LG No.

LH The area that you responded to Captain is that your normal coverage range?

LG It's uh no it's not uh we are a I guess we I don't know if you'd call it subcontract but we cover uh we do advanced life support uh runs for the Falcon Heights and for uh not uh Lauderdale area.

LH Okay.

LG Falcon Heights, Lauderdale and St Anthony area.

LH Alright. So that's not out of the norm. That would be a regular call for service...

LG Yeah.

LH ...in that area?

LG Yeah for medical service.

LH Okay.

LG Fire service it's if we get a call for fire service there it's either to help out St Anthony Fire or you know that's about the only thing it would be for.

LH Okay. And is there, is there a reason why you went to HCMC or Hennepin County Medical Center versus Regions?

LG Closer.

LH Closer?

LG We want to go to the closest uh hospital, as far as trauma we want to go to the closest hospital that we can that's a, a level one trauma center.

LH Okay. And did you personally ride in the paramedic rig?

LG Yes I did patient care.

LH Okay. And um when you were going and you were in route to that, could you just describe what you saw as far as where was the area of injury on that individual?

LG His left side.

LH Left side?

LG Uh let's see I'm trying to, so he's laying down um, yes cuz in his left yeah it was his left arm that uh I noticed the most uh wounds in the, in the arm. I'm not sure how many wounds but...

LH Um-hm.

LG ...that's where I noticed most of the wounds yeah.

LH Okay, the left side. Alright. Okay is there anything else Captain that was odd or out of the ordinary um or is everything that your unit did for the transport, for the medical and the lifesaving that's a typical protocol that you would follow on...

LG Yeah.

LH ...really any response to a scene like that?

LG Yeah we did uh what we usually do.

LH Okay.

MF And can I just ask one final question.

LG Sure.

MF When you transported the patient to HCMC you transferred care to them?

LG Yes.

MF Is that correct? Okay. Is there any...

LH Just one more question I'm sorry. Um, what is kinda your standard procedure as far as clothing um any items that the individual wears is it that you remove the ones necessary just for the lifesaving efforts and everything else that's kept on or do you typically take everything with you if you cut it off or?

LG Well eh, just as uh as far as like uh we try to take everything with us.

LH Um-hm.

LG Or if we leave it on the scene then we just that's the cop that's the officers or whoever police agency that's their responsibility. Uh but if we cut anything off it's in the ambulance we would uh transfer that to the emergency room, let them have it after that.

LH Okay.

LG And whoever shows up would take custody of it.

LH Okay.

LG Um, I know when uh we try to when we cut stuff we try not to, if there's like a bullet hole in something or a stab wound in uh or a like a from a knife or something we try not to cut through it. We try to cut away from it.

LH Um-hm.

LG So that that's, stays intact as far as uh whatever's going on. Um, his shirt basically we just took his shirt and we pulled, pulled it up around his chest here uh it got in the way when we were doing a couple procedures. We did, we did cut it some. And as far as uh removal of any shoes, socks or shorts or anything like that we didn't, we just did our usual stuff.

LH Okay.

MF Captain is there anything um that you think would be important for us to know that we didn't ask you?

LG No.

MF Okay. I'm gonna end our interview at 12:27.

END OF RECORDING.

Narrative begins on the following page.

On July 8th, 2016 at approximately 1249hrs, Special Agent (SA) Michelle Frascone and Senior Special Agent (SSA) Luke Hanegraaf conducted an interview of St. Paul Firefighter/Paramedic Eric Torgerson at the St. Paul Fire Department, Station 23. SA Frascone asked Torgerson to speak about a shooting call his station received on July 6th, 2016. Torgerson stated at approximately 2100hrs, the station "tones" went off for a shooting/stabbing with no additional information. Upon arrival on scene, Torgerson observed a vehicle, and next to the vehicle were three police officers standing over a patient. The patient was described as a black male wearing a white t-shirt. Torgerson said he observed an officer doing chest compressions (CPR). Torgerson said he could see right away that the patient had two wounds to his left arm, and at least two wounds to the left side of his chest with blood pooled underneath him.

Torgerson said he decided to transport the patient immediately because he could tell the injuries were serious. Torgerson said while the patient was being loaded on the back board an officer was patting the patient down and stated "gun, we have a gun." Torgerson said the officer pulled out what looked to be a larger black handgun from the patient's right pocket. Torgerson said he did not get a really good look at the gun, but it appeared to be a black full size pistol. Torgerson said the gun was removed, and the patient was transported to HCMC which is the closest level one trauma center.

The interview was audio recorded, transcribed and attached to this report. For exact words and verbiage please refer to the recording and/or transcript. As a result of this activity exhibit 2016-433/10.1 was obtained.

INTERVIEW DATE:	July 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Eric Torgerson (ET)	INTERVIEWED BY:	SA Michelle Frascone (MF) SSA Luke Hanegraaf (LH)
REVIEWED BY:			

MF Today is July 8th, 2016 at 1249 hours. I'm Special Agent Michelle Frascone, I'm here with Senior Special Agent Luke Hanegraaf and this is in regards to BCA Case number 2016-433. Also present is firefighter/paramedic Eric, E-R-I-C, Torgerson, T-O-R-G-E-R-S-O-N. We're currently at 1926 Como Ave which is station 23 Fire Station for Saint Paul Fire, Saint Paul, MN 55108, with a phone number of 651-642-0604. Does that sound right Eric?

ET Yes, that sounds correct.

MF Okay, Eric were you on duty on July 6th, 2016?

ET Yes, I was.

MF What time do you typically start your shift?

ET 0800.

MF And who were you on shift with?

ET Um, it was our normal crew other than our driver, I was with our Captain Larry Goodman, our driver, Joe Balazs. Um, I was on the fire engine that day with my normal partner Juan Cortez and the other two firefighters were on the medic rig that day which were Mike Paidar and Zach Johnson.

MF Okay, sometime during your shift on the 6th, you were called to a shooting, is that correct?

ET Correct.

MF Do you know about what time that was?

ET Um, approximately nine P.M.

MF Can you tell me about that?

ET Um, we were in this station when the tones went off um, we have the automated system that said there was a shooting slash stabbing. Um, we didn't have any a-additional information until we got onto our fire engine. Um, the Captain said back what he read off the CAD and then basically just said shooting, no additional information. Um, we heard the, I heard the dispatcher say over the radio, standby for PD. Um, which normally means stand by 'til your cleared and make sure the scene's safe. Um, on our way to the call, we were northbound in the engine. We were right behind the ambulance and on our way up Snelling, I believe we were on Snelling, the um, dispatcher came across and said that we're Code 4, or we're cleared in. Um, we were north bound on Snelling, we took a left and headed westbound on Larpenteur. Um, shortly after we turned onto Larpenteur, we could see the all the squad cars um, so typically we sit up and try to assess the scene on our way in. Um, we were

waved in by an officer and I noticed something that stood out right away is there is uh, a state patrol with a rifle across the hood um pointed towards the scene so that kinda threw a red flag to us like, what's going on. You know we didn't had, had no idea what was going on and they said it was safe but and it's pretty uncommon to have weapons drawn laid across the, the field of the, the scene. Um, so when we pulled up, as we got closer I could see a, a white vehicle um, three officers standing over what I believe to be the patient. Um, it was a black male. I could tell that he was wearing a white t-shirt that was red, um, soaked in blood. So, when we got out of the rig, I saw one of the officers doing chest compressions. Um, so, as we got closer, told us that we're gonna basically use our cardiac arrest protocol. Um, so I went to the ambulance and two of the EMT's Juan Cortez and Zach Johnson were grabbing equipment so I went to do a very quick verb' just eyeball and see what kind of, what we had going on for the patient. Um, I could see right way that he had two wounds to his left arm. Um, I could see at least two wounds to the left side of his chest and I could see blood pooled underneath him. So, we decided at that time we could, there were officers everywhere and we could see standers everywhere. Um, we decide we're gonna transport right away. Uh, we're just gonna get as fast as we can, get the patient on the back board, get him in the ambulance and give him to an appropriate facility and treat him on the way as fast as we could because it looked like it, a very serious injury at the time. Um, we loaded the patient on, onto the back board and uh, at the time I was on patient's right side um, in a standing position. There were officers and we had so many people where there wasn't any room to get in. Um, I reached down to grab his arm and at that time, an officer was patting down the side of the, the patient and he hollers out, "gun, we have a gun" and he pulled out a, what looked to be a larger black hand gun. Um, I didn't get a real good look at it (inaudible) appeared to be all black. Um, didn't appear to be a, a real small carry pistol (inaudible) looked like a full size pistol to me, I mean I'm not an expert but it looked like a full sized pistol. Um, and it was pretty deep in his pocket I know he had to put his hand quite a ways down in to pull it out. Um, everybody stopped moving when he hollered uh, gun and then once we realized everybody understood what he meant by that, that it was just a gun on the patient. He took it out um, my intention was pretty much focused on the patient trying to continue to do an assessment while we we're movin' him. Um, we placed him on the back board. Uh, we continued chest compressions as much as we could there, we were trying to get an airway established and we loaded him into the back of the ambulance. Um, some officers came out behind the rig. They closed the doors and then we left as soon as we possibly could for the hospital. Um, it typically just depends on where we are at in our service area to decide on which hospital we go to. Um, the two major trauma hospitals that we have in the area are Regions hospital and Hennepin County Medical Center. Um, where we were at, typically, it would be quicker for us to get to Hennepin County than it would be to Regions um, just due to traffic and roads we can easily run right down Larpenteur to 280 to 94 and we're at Hennepin County. Uh, so that's where the uh, the decision was made to transport to. Um, in route we just continued our traumatic cardiac arrest protocol on the way and when we got to the, one thing that I think I kinda forgot when we walked up to the patient um, the medic on the medic rig, Mike Paidar, asked the officer um, did you guys shoot him and the offic-officer said, no we didn't um and that was line of questioning that he and I had briefly talked about on the way there, um, 'cuz it kinda makes a difference to us on what weapon might have been used as to what we're gonna treat for. Um, if it's an officer who's using hollow points it could be much more severe wound then you know a full metal jacket (inaudible) 38 uh, that we typically see more often than not and I, any type of shootings that we have.

LH Um-hm.

ET So, that was the one question that we asked and that was the answer that we got.

MF Okay.

ET Otherwise, we just did our normal protocol for the treatment on the way to the hospital. Um, we got to the hospital it was a trauma team activation, so we brought 'em in, all four of them and then the hospital takes over.

LH Okay, can you describe uh, Eric one more time, I'm not sure if you uh, indicated or not. When you were in route to HCMC, where were you in the rig, were you in the back?

ET Yup, I was in the back of the ambulance um, on the passenger's side, which is where, as the paramedic I normally sit. Um, Juan Cortez was on the driver's side um, as the EMT he normally handles hooking up for vital signs on our monitor. Um, I usually sit on the passenger side um, just because I have more room to work for starting IV's, helping out with the airway for the person that was sitting up front um, so that's where I was at.

LH Okay, and while you were transporting the patient um, can you describe did you have to cut any of the clothing or did it, did you have to take the patient's shirt off, pants off, anything like that?

ET Um, the first thing that I noticed when we got in to the rig and I started to assess his wounds a little more is that I saw a minimum of two wounds to his arm. I'm not sure what exit and entry or exit entry, whatever they would've been um, but I did see two wounds to the upper chest. Um basically mid axillary, one high, one mid-way um, so that was the focus to my attention. I did see a third in the lower abdomen um, but with those two injuries, that was my primary focus right there. Um, we did have to cut the left side of his white shirt um just to get it out of the way for one of the procedures that we did. Um, other than that we didn't make it much further than managing the cardiac arrest and uh, trying to manage the, the chest wounds.

LH Okay, and then once you transferred the patient into HCMC care, um, did you go back and help clean the rig then?

ET Uh, I was kind of back and forth a little bit um, we had our Lucas device for the chest compressions uh, that was extremely bloody, everything was so, I spent most of my, my first probably 15 minutes cleaning that in the trauma bay. Um, and when I was done with that, then I went back to the ambulance we had to go across the street um, Hennepin County Medical Center is nice enough to let us use their bay to wash out our rig. Um, so we had to go over there and meet up with the rest of our crew to help clean the rig and finish decontaminating everything.

LH Okay, and when you were uh, in the process of cleaning the rig in the bay uh, did you observe anything in the rig that was leftover that would more than likely be a property of the patient or anything like that?

Et I didn't see anything.

LH Okay.

ET Um, I'm usually pretty attentive to that. Um, I got there late in the cleaning process, they already had the stretcher out um, everything was already washed down as far as the big equipment.

LH Um-hm.

ET Um, by the time I got over there but I didn't see anything that would have been the patients.

LH Okay, and how many years of service do you have?

ET Um, I'm a little over four and half years on the Saint Paul Fire Department.

LH Okay, did you have any previous experience?

ET Yup, I before I came out here I worked at New Richmond Ambulance Service um, which I still work there part time as a paramedic and I also worked at Allina as a paramedic.

LH Okay and have you responded to shooting uh scenes in the past...

ET Yes.

LH ...before this one?

ET Yes.

LH Okay, alright.

MF Do you know who removed the handgun from the patient's pants pocket?

ET I do not, I can't tell you with 100 percent certainty, I believe the officer that removed it, I believe was wearing a greyer uniform I mean not the navy blue. Um, I would assume it was one of the sheriff's deputies uh, versus one of the local, local officers but I've, at that point I knew that the patient was unconscious, I was focused on them. I wasn't focused on who exactly who was who as far as the officers were concerned.

MF Okay, Eric is there anything that uh you think we should know that we didn't ask you?

ET Not that I can think of.

MF Anything else Luke?

LH Um, no I just wanna clarify just one quick thing um, Eric, when after the one officer said gun um, and you saw the officer reach into the pocket or was it, do you remember his right or left pocket?

ET It was his right pocket.

LH Right pocket?

ET Yup, the patient's right pocket.

LH Okay, alright and that officer physically had to go into the pocket to remove the firearm?

ET Yes, I, I can't tell you in detail because I, I didn't, I knew what he was doing...

LH Um-hm.

ET ...I was still watching the patient at that point I wasn't concerned about it. Um, but I, I'm pretty familiar with firearms and he seemed to dig very deep into the pocket I would say probably up to his wrist um, but again I-I can't be 100 percent certain but it seemed to me that he dug really deep and pulled it out. I didn't see the weapon um and I'm, I'm typically very aware of my surroundings and looking for weapons especially at the scene...

LH Um-hm.

ET ...scene of a shooting and I didn't see any other weapons on the ground um, I didn't see the butt of the gun sticking out and I didn't see anything and that's when the officer reached into his pocket that I saw the gun.

LH Okay, and you described it as a black colored?

ET Yeah, it was a black colored...

LH Larger gun?

Et Yes.

LH Okay, I'm good.

MF 'Kay we're gonna end the interview at 1:01 P.M.

END OF RECORDING.

Narrative begins on the following page.

On July 8th, 2016 Special Agent Michelle Frascone and Senior Special Agent Luke Hanegraaf conducted an interview of St. Paul Firefighter Michael Paider at the Station 23 fire hall. Paider told Agent's on July 6th, 2016 he was working in the capacity of "attending medic." SA Frascone asked Paider to tell her about the shooting call he received on July 6th, 2016. Paider said at approximately 9pm his station was called for a shooting at Larpenteur and Fry. SA Frascone asked Paider to describe what he saw upon arrival. Paider stated he observed two officers doing CPR on a victim laying on the ground outside of a vehicle. The patient was described as a black male with a "blood soaked white t-shirt." Paider described the patient as unresponsive, no shock advised on the AED and police officers doing CPR.

Paider described the injuries to the patient stating there was "a lot of blood coming from the left upper chest." Paider said when they were getting ready to move the patient, a Roseville Police Officer located a gun in the patient right pants pocket. Paider said the gun was removed, placed "out of the way" so the patient could be transported. Paider said the patient was transported to Hennepin County Medical Center as it was the closest hospital and in the best interest of the patient.

The interview was audio recorded, transcribed and attached to this report. For exact words and verbiage please refer to the recording and/or transcript. As a result of this activity exhibit 2016-433/11.1 was obtained.

TRANSCRIPT

INTERVIEW DATE:	July 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	SPF Michael Paidar (MP)	INTERVIEWED BY:	SA Michelle Frascone (MF) SSA Lucas Hanegraaf (LH)
REVIEWED BY:			

MF Today is July 8th, 2016 at 12:34 hours. This is in regards to BCA case number 2016-433. Present is myself Special Agent Michelle Frascone as well as Senior Special Agent Luke Hanegraaf. Also is St Paul Firefighter Michael, M-I-C-H-A-E-L last name Paidar, P-A-I-D-A-R is that correct?

MP Correct.

MF We're at 1926 Como Avenue in the City of St Paul, Minnesota 55108. Station 23, with this, with a phone number of 651-642-0604. Mike is that correct as I've read it to you?

MP Correct.

MF Were you working on July 6th, 2016?

MP Yes.

MF And what was your assignment on that date?

MP I was the uh attending medic on the medic rig so I was writing the charts and sitting in the uh passenger seat of the medic rig for the day.

MF And what time does your shift typically start?

MP Uh 8:00 o'clock in the morning.

MF Were you called to a shooting on the 6th?

MP I was.

MF Can you tell me about that?

MP Uh came across tones came out I believe it was around 9:00 o'clock in the evening uh for a shooting uh at Larpenteur and Fry. Um, we got in the truck and responded. It was a, it was a response for both the engine and the ambulance. So we went in cooperation. Uh in route I read through the cad page didn't really say if the scene was safe, it wasn't really clear there wasn't a lotta information other than it was a shooting. From what I recall and uh I called dispatch to see if the scene was safe. Um they got back to me said the scene was safe they were code 4 on scene. Uh we, we responded north on Snelling. We took a left to go west on Larpenteur and when we turned the corner we saw a state patrol car there with long guns out. So we stopped with the state patrol troopers and wanted to know if the scene was safe or not cuz they still had their guns on scene. Uh they weren't sure and then all of a sudden a couple a squad cars moved and they waved us in. So then we, we arrived on scene.

MF Can you tell me what you observed when you arrived on scene?

MP Uh, when we pulled up we saw two officers doing CPR on a victim laying on the ground outside of a car right on Larpenteur Avenue.

MF Okay. Can you describe that victim to me or your patient?

MP Uh black male with a white t heavily blood soaked white t-shirt on.

MF And what was his condition when you arrived?

MP Uh, unresponsive. Um no shock advised with their AED and the officers were doing uh CPR.

MF And what did you guys do next?

MP Uh next thing we did is we made the decision we're gonna try to transport, get him off the street and get him moving so it was kinda, assist the officers with their CPR try to get him onto our equipment, get him on our backboard and get him moving to the ambulance.

MF Okay. And that's what you guys did you moved, your patient into the ambulance?

MP Uh we, we, we um Larry our Captain took care of the airway and was kinda securing (inaudible) that uh we were assembling our equipment, getting a long backboard um and we were trying to do a quick assessment on what the, what the wounds were and where they were at. If we could, stop the bleeding cuz there was a lot of blood present. Um and then just try to get the logistics, moved out to where we had all of our stuff where we could move him, get him, get him transported to the, to the ambulance.

MF And can you describe for me the patient's injuries?

MP Uh it appeared there was a lot of blood coming from the left upper chest. Um there was, bullet wounds in the uh left humerous area in the bicep and humerous. Uh one, large wound in the uh that went through like the mid-axillar area into the chest. Um and then there was another wound below that. Um probably the upper abdomen area that we could see. Uh we were trying to stop the bleeding the best we could. Um then we got to the point where we were ready to move him and as we started rolling one of the police officers yelled gun. So everything pretty much stopped there. Uh I believe it was a Rose, Roseville Police Officer um that secured the weapon and then we continued on with our uh, with our uh treatment of the patient.

MF Okay. Um and you mentioned secured the weapon. Can you explain that to me?

MP Uh they took it out of his it was in his, I (inaudible) his right pants pocket if I remember correctly. Um then they took it out and then they placed it on the ground just out of the way so that, nobody was handling it, it was quite away from everybody and was in a safe spot so we could get the patient outta there.

MF Okay. And then you placed the patient in the ambulance?

MP Put him on a long backboard we put him on our cot then we got him in the ambulance.

MF Okay. And where did you guys respond, where did you bring the patient?

MP Uh we made a transport decision to go to Hennepin County Medical Center.

MF And what was the reason for going to HCMC?

MP Uh it was the closest, easiest place to get to for us at that time for what we thought was the patient's best interest.

MF You mentioned the...

MP And also and um Hennepin County is a trauma center as well so, which kinda fits our protocol.

MF Which is, leads into my next question. Is this standard for you guys to respond to um St Anthony area?

MP Yes we do mutual aid to Falcon Heights and Lauderdale and we go there many times each day.

MF Okay. Is that medic service or fire services?

MP Uh medic service.

MF Okay

MP Yeah. I believe the city (inaudible) a contract with the fairgrounds and Lauderdale and Falcon Heights. So it's our standard, part of our response area.

MF Okay. Um did you notice any, other items on the patient? Did you uh remove anything from him?

MP Uh when we were in the ambulance I did cut his, the white shirt. So I did cut away on the left side of that trying to open up to expose where the wounds were. Uh to control that bleeding and then we also did decompress the chest or (inaudible) to which to no avail. Um so we did remove some of the clothing. Um other than that, that's uh there was five of us or four of us in the back of the rig and it's not a very big place and a lot goin' on so

MF Okay.

LH Um-hm, I'm gonna back you up just a little bit um Mr. Paidar. When you arrived on the scene and you saw the officers doing chest compressions on uh on the, patient.

MP Um-hm.

LH Where was he? Was he, on the street? Was he on the sidewalk? Was he near a car? Was he near...

MP Right...

LH ...a building?

MP Right outside the car, outside of the driver door on Larpenteur Avenue.

LH Okay.

MP So it's like they opened the door and got him to the ground and started doing CPR.

LH Okay. And when you were rolling and you heard uh an officer say gun.

MP Um-hm.

LH Um did you observe that officer pull that weapon out...

MP Correct.

LH ...out of the patient's pants?

MP I believe it was in the right pant pocket. I think.

LH Okay.

MP I was kinda, I was looking the other way and I heard it and then it was one of those, try to look see what the police officers were doing.

LH Um-hm.

MP From our, just see what they were up to, to kind of do we need to take cover or where, what...

LH Okay.

MP ...what's going on cuz we weren't quite sure on what all happened with the scenario. What, while we were there.

LH All right.

MP So,

LH And do you recall um did you actually see the weapon?

MP Yeah.

LH Do you remember was it blue? Black? Silver? White?

MP I believe it was black.

LH Okay.

MP But I, you know it was one of those things where, I was focusing on other things and (inaudible)

LH Number one priority, patient?

MP Correct. I didn't get a really good look at it so and I'm not a ballistics guy so I can't really...

LH Okay. Yeah, no problem

MP ...tell you what kind of gun it was or any a that stuff so.

LH So when you're in transport uh to HCMC is there, are you focusing more or less just on the major wounds of the patient to try and stop the bleeding and not focus on other areas that appear to not have injuries?

MP Correct we, we were trying to stop the bleeding first. And were trying to, provide chest compressions. We had our lucas device on the patient. Uh we were, we had put an airway in so we were trying to give him, breath for him and (inaudible) that chance. Um it was also my duty to call the hospital and alert 'em that we were coming there and that we were on our way. So it was kind of a, (inaudible) we gave 'em a heads up first then we followed up with a secondary report just to kinda say what we, what we found uh in route. Plu while we were in route plus doing these, the skills we were doing and the...

LH Um-hm.

MP ...interventions we were trying to do to help the, help the patient out.

LH Okay. And when you arrived and you trans um transferred the patient into HCMC care um do you recall, did he still have his pants on?

MP I believe he still had his pants on.

LH Okay.

MP I believe he, I don't think we took his pants off. I don't think we got that far. We were pretty much focusing on the upper torso.

LH Okay. Alright so once he's transferred into HCMC care then you guys go back to your rig, clean up do whatever to get back into service?

MP Uh, correct yeah.

LH Okay.

MP We did stay around a little bit just to see what, you know see if we could learn from what the doctors at HCMC were doing.

LH Okay.

MP And cuz it's you know it was a pretty, they were taking some pretty extreme measures for the, so just couple of things we normally don't see.

LH Um-hm.

MP So it was like we stood around and just witnessed a little bit or watched, observed a little bit of what they were doing then went back uh you know we split the crew a little bit uh went and cleaned up at the HCMC garage and then I was writing the report.

LH Okay. So did you clean up the rig at all or?

MP Hm, I did very little cleanup on the rig.

LH Okay. Alright. Um and the only reason I ask uh I'm just wondering was there any property that was inside the ambulance rig that would have been, belonged to uh the patient?

MP No I didn't.

LH Okay.

MP That was not, no I was, I was in HCMC writing the report and gather, trying to put everything in order of how we did it so

LH Okay.

MF Who was on the crew with you um the evening that you were working? Who were you working with?

MP Zach Johnson was my partner. He was driving the medic rig. And then the uh four guys that came on the edge it was Captain Goodman. Uh FEO Balazs and then uh Torgerson and Cortez were the firefighters. And then the route to the hospital uh, um Zach Johnson drove to the, to HCMC and then I was in the back with uh with Captain Goodman and Cortez and Torgerson.

(pause)

MF Mike is there anything you think we should know that we didn't ask you that would be important to this case?

MP Not that I can recall.

LH I just have one final question for you sir. Is um have you responded to, calls for service like this, shootings...

MP Yes.

LH ...before?

MP Yeah I've been on shootings before.

LH Okay. And how much, how many years of experience do you have in...

MP I've been a, I've been on the St Paul Fire Department for about five and a half years and I've been a medic for around eight.

LH Okay. So um your training and experience it's when you've been on shootings before, you've handled scenes like this before?

MP Yeah, correct. I've never been involved with an officer involved shooting.

LH Okay.

MP So

LH But as far as the patient wise?

MP Um-hm.

LH Okay.

MP Yeah.

LH All right.

MP Yeah.

MF Okay we're gonna end our interview at 12:44 hours.

END OF RECORDING.

Narrative begins on the following page.

On 07/07/2016 at 1:42 PM, SA Olson and SA Henning met with Officer Jeronimo Yanez at the MN BCA in St. Paul. Officer Yanez was represented by counsel, Tom Kelly and Robert Fowler. This interview was digitally recorded. The recording was later transcribed, and is attached to this report. Prior to starting the interview, Officer Yanez and his counsel were provided with a criminal investigative warning form, which they reviewed and signed. The signed form is attached to this report. Officer Yanez's counsel wished that agents note that Yanez was providing details as he recalled them, counsel also wanted it noted that the interview was being conducted during Yanez's normal sleeping time.

SA Henning started the interview by reading into the record Officer Yanez's biographical information. Officer Yanez told agents that he is employed by the City of St. Anthony as a patrol officer. Yanez said that he had worked for St. Anthony Police Department for about 4.5 years. Yanez told agents that he attends use of force and firearms training annually. Yanez told agents that he was currently qualified with his duty firearm, which is a Sig Sauer P220, .45 Caliber pistol. Yanez was asked to tell agents about his education and Yanez said that he had graduated from South St. Paul High School, then from Minnesota State at Mankato.

Yanez was asked by SA Henning to describe his uniform and duty equipment. Officer Yanez described his uniform shirt and pants as being navy blue. He said that his uniform has St. Anthony Police patches on both shoulders, a badge on his chest which is worn on the external vest carrier he wears. Yanez said that his agency does not have body cameras, however they do have squad cameras and the officers wear remote body microphones. Yanez told agents that he was wearing his body microphone during this incident. Yanez said that he wasn't sure if the microphone was operational or not. SA Henning asked Yanez if he had ever been mistaken as anything other than a police officer while wearing his uniform, to which he told agents that he never had. Yanez described his duty belt for agents; he offered that he carries the following equipment: duty gun (Sig Sauer P220), handcuffs, Taser, spare magazines, a portable radio and keys.

Officer Yanez was asked to describe the squad he operates while working as a patrol officer. Yanez said that he drives squad 704 and described it as black and white in color with an external light bar. Yanez said that the squad contains: dual radios, a mobile computer, an M-4 squad rifle and medical equipment.

Yanez was next asked to tell agents about an incident on 07/06/16 in which he shot the driver of a vehicle that he had stopped. Yanez told agents that he arrived at work about 5:20 PM and changed into his uniform. Yanez said that he and others conducted shift

change. Yanez told agents that he works the night shift from 6:00 PM to 6:00 AM. Yanez said that he was assigned to work the contract city of Lauderdale on 07/06/16. Yanez said that after starting his shift he stopped a couple of cars and wrote both drivers citations for speeding.

Yanez said that he was patrolling near 2424 Larpenteur (Super One) because it had a recent robbery. Yanez was asked what he knew of the robbery. Yanez told agents that he had been one of the officers that responded to the robbery call. Yanez said that he spoke with the clerk that had been working during the robbery. Yanez said the clerk provided a description of the two suspects. Yanez said he also viewed the video surveillance at the Super One immediately after the robbery. Yanez said that the clerk told him that both suspect had been armed with guns. Yanez stated that after viewing the surveillance video from the store he could only observe one of the suspects as being armed. Yanez described that suspect as a black male with shoulder length dreadlocks. Yanez also said the suspect had a noticeably wide nose.

Yanez said that he observed a white vehicle in the area of the Super One, and that the driver fit the description of one of the robbery suspects. Yanez said that he also noticed there was a front seat passenger but couldn't tell if the passenger was male or female because they were wearing a hat. Yanez told agents that he contacted his partner Officer Joe Kauser. Yanez requested Kauser's assistance stopping the car. Yanez said he told Kauser that he was following a car and that the driver fit the description of a robbery suspect. Yanez said that Kauser got into place and assisted with the traffic stop. Yanez said that he stopped the car on Larpenteur just west of Fry Street.

Yanez told agents that he focused on the driver during his approach to the vehicle. Yanez said that as he first addressed the driver he smelled burnt marijuana. Yanez said he asked the driver for his driver's license and proof of insurance. Yanez said he was provided with proof of insurance. Yanez said that the driver made eye contact only once and was mumbling during their interaction. Yanez said that the driver wanted to know why he had stopped him. Yanez said that he had stopped the driver because he had a tail light out. Yanez said that the driver told him that he was in possession of a gun at this point. Yanez said that he told the driver not to reach for the firearm. Yanez told agents that the driver made a couple of glances towards his right thigh area. Yanez referred to these as target glances. Yanez said that the subject turned his left shoulder inward, blocking the sight of the subjects right hand. Yanez said that he felt he was in fear for he and his partner's life, he said the subject was failing to respond to his commands. Yanez said when he saw the subject's right hand again he believed the subject had the gun in his hand. Yanez said he unholstered his duty weapon and fired

several shots at the subject, Yanez said he felt he had no other options. Yanez said he recalled smelling gun powder, hearing a couple pops and flashes. Yanez said he noticed a gunshot wound to the subjects left arm. Yanez said that when he fired he intentionally shot at a downward angle so as to avoid hitting the passenger or child in the back seat. Yanez said that he saw the barrel of the gun and that it looked big. Yanez was asked what he was targeting while he was shooting, he said was aiming center mass (chest and midsection). Yanez was asked if he recalled how many rounds he fired, he said he did not remember.

Yanez was asked what happened after the shooting. He said he directed Officer Kauser to remove the child from the back seat, which was done. Yanez said he noticed that the front seat passenger had removed her cell phone and Yanez said he believed she was recording what was going on. Yanez said he continued to cover the subject until he was removed by a Roseville Officer. Yanez said that he called for an ambulance and supervisor. Yanez said that he recalled a crowd and that some of them may have been video recording.

Yanez said he was transported to the St. Anthony Police Department by Roseville Police Sgt. Brian Anderson. Yanez told agents he hadn't discussed the incident with anyone other than his attorneys. Yanez said that he had been injured during the shooting somehow cutting his thumb. Yanez told agents that Kauser had photographed his injuries and had cleaned up prior to the agents arriving at the police department. Yanez said that Sgt. Anderson had been present while Kauser had photographed his hand.

SA Olson asked Yanez how his squad video operated and if it started when the emergency lights are activated. Yanez said that yes the system did activate when the emergency lights are turned on. SA Olson asked how far Yanez had followed the subject before stopping the suspect. Yanez said he thought it was about 2 miles. Yanez told agents he was unsure if the subject was aware he was being followed by a police car. SA Olson asked Yanez if the car to car channel he spoke with Officer Kauser on was recorded, Yanez stated didn't know if it was recorded or not. SA Olson asked if it was dark inside the subject's vehicle, Yanez said it was. Yanez was asked if he had any previous contact with the driver, Yanez said he had not.

SA Olson asked if the driver had immediately notified Yanez of the firearm. Yanez said he only knew that he had been told of the firearm and was unsure of the timing of that information. SA Henning asked if the real reason for the stop was that the driver fit the description of the robbery suspect. Yanez said that yes it was, but didn't want to

escalate the situation because he also planned to remove the occupants from the vehicle after identifying the people inside because of the smell of marijuana.

SA Olson asked Yanez if he carried a flashlight, he didn't recall if he had one or not. SA Olson asked Yanez if he had been involved in other critical incidents. Yanez said he had been involved in three other incidents, one of which a suspect attempted to disarm him while he was arresting the suspect.

SA Henning asked Yanez if he had ever conducted traffic stops prior to this in which the driver had been armed. Yanez told agents that he had several times without incident. Yanez told agents that the drivers in previous stops had followed direction and informed him of their movements. SA Henning asked Yanez what the distance was between he and the driver when he fired his weapon, Yanez said the distance was about 2-3 feet. SA Olson asked Yanez if he believed the subject had a gun, Yanez answered yes and he believed the subject was going to kill him and his partner.

Yanez was asked to draw a not to scale diagram of the scene which he did, acquisition of exhibit 2016-433/12.1. SA Henning placed a copy of the audio recording onto a compact disc which will be held as evidence, acquisition of exhibit 2016-433/12.2. It should be noted that this report is only a synopsis of the interview, for full detail please see the transcript.

INTERVIEW DATE:	July 7, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Officer Jeronimo Yanez (JY) Attorney Tom Kelly (TK) Attorney Robert Fowler	INTERVIEWED BY:	SA Doug Henning (DH) SA Christopher Olson (CO)
REVIEWED BY:			

DH Okay the recorder is going. Uh my name is Doug Henning. I'm a Special Agent with the Minnesota of Be, the Minnesota Bureau of Criminal Apprehension. This, this is my partner Special Agent Chris Olson. Um the date today is 7-7 of 2016. The time right now is approximately 1:42. This'll be in reference to BCA case number 2016-433. Um and we will be speaking with Jeronimo, J-E-R-O-N-I-M-O, is that spelled correctly and you don't have a middle name?

JY No middle name.

DH Okay. Your last name is Yanez?

JY Yanez

DH Yanez?

JY Yeah.

DH And that's Y-A-N-E-Z?

JY Correct.

DH And your date of birth is [REDACTED]

JY Correct.

DH Okay. What is your address at work?

JY 3301 Silver Lake Road Northeast, St Anthony, Minnesota 55418.

DH Okay and your work phone number would be 612-782-3350?

JY Correct.

DH Okay. Um, and you work for the City of St Anthony?

JY Correct.

DH In what capacity?

JY As a patrol officer.

DH Okay. Um, how long have you worked for St Anthony?

JY I've worked for St Anthony for about four and a half years.

DH Okay. Prior to working for St Anthony did you work anywhere else?

JY Yes. Before I worked with St Anthony Police Department I worked for a contract company who was, who worked with Immigration Custom Enforcement and I worked as a, supervision case specialist which was just a um I watched over people who were here in the U.S. illegally.

DH Okay.

JY And then before that I worked for Whalen Security as a security guard, worked at Seagate Technology. And then, before that I was a student at Minnesota State University, Mankato.

DH Okay. So your only, law enforcement experience is with St Anthony Police Department?

JY Correct.

DH Okay. Um and you're assigned as a patrol officer?

JY Yes.

DH What shift are you assigned to?

JY I work the night shift. 6:00 am to 6:00 pm or 6:00 pm to 6:00 am.

DH Twelve hour shift?

JY Yes.

DH And how long have you been working nights?

JY I've been working nights for the past, four and a half years. There's been a couple, rotations where I've worked days but that was, during FTO and just this last rotation for about three months.

DH Okay so, so during your initial hire you were in a training period and you worked, you worked different shifts...

JY Correct.

DH ...to work with different training officers?

JY Yes.

DH Okay. Uh can you tell me about your training that you've had?

JY I have (inaudible)

DH Police related training.

JY Okay. Uh police related training I'm certified by POST board to be a police officer here in the State of Minnesota.

DH Okay.

JY I have skills training through Hibbing Community College. Um I've also done um some training through the Bureau of Criminal Apprehension um to keep my POST credits updated.

DH Okay.

JY And current. And, I did my four year degree at Minnesota State University uh Mankato. And got a four year bachelor of science in law enforcement.

DH Okay. What's your POST number? Do you know it?

JY My POST number is 21256.

DH Okay. And I forgot to say this right away when we started but you're, you're represented here by uh two attorneys?

JY Correct.

DH Um, Tom Kelly and Robert Fowler?

JY Correct.

DH Okay. Um why don't we keep going. So you do use of force?

JY Yes.

DH On a regular basis, how often do you do use of force with St Anthony?

JY Once a year.

DH Once a year?

JY We do a, a use of force once a year. Taser training once a year. Firearms training, multiple times a year. We shoot through uh Ramsey County Law Enforcement Center so we do there, I think quarterly training it is.

DH Okay.

JY And then we also have our own department training shoot.

DH Okay.

JY That we do yearly.

DH Okay so you go to several ranges a year?

JY Correct.

DH When's the last time you were at the range?

JY Um, May?

DH May?

JY Yes.

DH Okay.

JY And that was for training.

DH Okay. Have you had any specialized training? SWAT? Anything else? Anything like that?

JY No specialized training like SWAT.

DH No specialized training?

JY No.

DH Okay. Um you said you're a patrol officer?

JY Correct.

DH So in that capacity you wear a uniform?

JY Yes.

DH Can you explain that to me?

JY So...

DH Or describe it to me.

JY It's a, fully marked uniform with vest, badge on my uh left sh', left breast. Um a nametag. A states that I'm a police officer, my name on my right breast.

DH Okay.

JY I have a, pretty visible uh exterior vest carrier or bullet proof vest and I have a full utility belt. That's very observable. And it's obvious that I'm a police officer. I have patches on both arms that say I'm a representative of St Anthony Police Department and a police officer, St Anthony Police Department.

DH Okay so what color is your uniform?

JY It's navy blue.

DH Navy blue?

JY Yes.

DH And then you said you wear a gun belt as well?

JY Correct.

DH Can you tell me about the equipment that you carry on your gun belt?

JY Yes I have, for my depart my de, department uh firearm I have a Sig Sauer P20 45 caliber

DH Okay

JY That I carry on my right hand side. Uh I also have two sets of handcuffs. I have a Taser. I have mace. I have a baton. I have my portable radio. And I have a set of keys um that's all I can remember that I have on my...

DH Okay you wear...

JY ...utility belt for now. And I wear that every day that I work.

DH Okay.

JY Um and in the same position all the time. Everything is in the same position. Uh so I can keep track of where everything is.

DH Okay does your department have body cameras or anything of that nature?

JY Our department does not have body cameras but our fully marked uh squad vehicles have squad cameras. Um dash mounted cams.

DH Okay.

JY And they have a microphone as well for and it does audio and visual recording.

DH Okay. So that's, uh when you say it's got a microphone is that a remote mic?

JY Yes.

DH Is that something that you wear on your person?

JY Yes.

DH Okay. Is that policy that you wear that?

JY Uh I can't recall if it's policy.
DH Okay.
JY But I know there's something in our policy that states that we should wear it.
DH Okay.
JY Um, and yeah I wear it all the time.
DH So do you know if you were wearing it yesterday?
JY I was wearing my microphone last night.
DH Okay do you know if it was working?
JY I can't recall, if it was working or not.
DH Okay.
JY Um, I had my attention focused on uh suspect vehicle that I was pulling over. As I was pulling it out of the holster, I can't remember if I was pull, pulling it out of the holster or if I already had it in my vest but I know I had it, on my person.
DH So when you say holster it sits in a holster in the car?
JY In a charger.
DH In a charger?
JY Yes.
DH And stays in the car?
JY Yes.
DH So whoever drives, so your car is, is driven by more than just you?
JY Correct.
DH So, when your shift you, you'd pick it up and you put it on your person. Does it just clip on your uniform?
JY It's a little, two inch by two inch square that just, you can just put it anywhere. I put it inside my pocket with no obstructions over it so it can get clear audio.
DH Okay.
JY Um, for (inaudible)
DH And that's the piece of equipment that you showed me last night?
JY Correct.
DH Okay. Um, so at the beginning of your shift do you test this equipment to make sure it's working or not or?
JY Uh I do not test it. But I did make traffic stops beforehand.
DH Okay.
JY I made two traffic stops beforehand I believe and uh the audio was working (inaudible)
DH Okay so you reviewed those traffic stops after the fact?

JY I can't remember if I reviewed 'em or not.

DH Okay.

JY But I, I know I had the uh microphone on my person.

DH And it was...

JY In the same spot that I put it and it was recording and...

DH Okay.

JY ...it was saying that the mic was active on the um the video screen.

DH Okay so you can see some type of monitor or display that tells you this is working, this is operational and the two pieces equipment are...

JY Correct.

DH ...are hooked up and...

JY Correct.

DH Okay. Um so with that can you tell me about the car you drive?

JY Yes it's a 2015 Dodge Charger. Uh fully marked with St Anthony uh placards on each side. The squad that I was driving was marked as uh 700 and 4. It has a light bear, light bar on top. Uh push bumper in front. It's black and white. The door's on the passenger side and I think it's on the passenger side and driver's side I think they're both white.

DH Okay.

JY And then the rest of the vehicle is black.

DH Okay.

JY And then my squad vehicle is equipped with very bright LED lights. Red, blue and white flashing lights.

DH Okay so

JY That are visible...

DH On the top?

JY ...from I would say more than a mile away.

DH Okay. Are those, are is, is there more than just that light bar on top? You said there was an external light bar? Are there lights...

JY Correct

DH ...in the back

JY So there's a light bar on top and then the headlights flash on and off. And then when I turn all the way on there's a, opticom that blinks repeatedly and very fast and it's hard to miss. And then my tail lights also go on and off.

DH Okay.

JY And then there's a light bar I think on the back of the squad as well.

DH So when you activate all your lights it's very readily apparent that this is a police vehicle?

JY Correct.

DH Okay. Um I want to go back to your uniform for just a second.

JY Yes.

DH You've been wearing this uniform, the same uniform for the past four and a half years?

JY Yes.

DH Has, has uh anybody ever mistaken you for anything other than a police officer when you're wearing this uniform?

JY Nobody has mistaken me for anything else, other than...

DH Okay.

JY ...I'm a police officer.

DH You've approached people, you've had numerous contacts and it's always apparent to people that you're a law enforcement officer of some, of some type with, with St Anthony?

JY Correct.

DH Okay. Um, we'll continue with the car.

JY Okay.

DH Is there any special equipment that you carry in the car?

JY Uh there is a squad computer which also has a, mobile air card. I think it's through Verizon wireless.

DH Okay.

JY Which gives us internet access and we have um two computerized dispatch systems. In, one for Ramsey County and then one for Hennepin County. I use the one for Hennepin County the majority of the time. And uh we have all of our access to our primary weapon which is a M4 that's mounted on the roof of the vehicle.

DH Okay.

JY And then we have squad sirens, in the same place where I activate my lights. And then we have two squad radios. Um one for car to car and to listen to the opposite county that we're not in.

DH Okay.

JY And then one for the county that we're in.

DH Okay. Cuz, St Anthony services more than one, more than St Anthony?

JY Correct. St Anthony we, we work with Falcon Heights and Lauderdale. Which we're contracted with.

DH Okay.

JY And so we have one squad in Falcon Heights and Lauderdale.

DH Okay.

JY It's 24/7 coverage.

DH And, is that where you were working last night?

JY I was working in the City of Lauderdale last night.

DH Okay. Um, do you check all this equipment prior to starting your shift to make sure it was operational? Your lights, your sirens stuff like that before you rolled out of the...

JY I didn't test my sirens.

DH Okay

JY Um I know that my emergency lights were working.

DH Okay.

JY And active because I was able to pull over uh two other vehicles prior to the suspect vehicle that we're here talking about or interviewing about.

DH Okay.

JY Um and I remember going back to my squad and seeing that the lights are working. And I remember from this incident as well that the lights were on and they were active as well.

DH Okay. Uh just before we get too far before we start talking about what happened yesterday can you tell me about your education?

JY I, went to high school in South St Paul. Graduated and went to Minnesota State University, Mankato. Where I got my four year degree uh in law enforcement. Bachelor of science and then incorporated with that uh is our skills portion which is through Hibbing Community College.

DH But that was conducted down in Mankato though correct?

JY Yes.

DH Okay. So Hibbing hosts the training but they take it down to Mankato?

JY Yes.

DH Just to make it easy on the students?

JY Yes.

DH Okay. Um, why don't we go ahead and, tell me uh yesterday you got to work.

JY Yes.

DH So tell me about your day yesterday.

TK Before you get started on that if I may uh I wanted to make clear that um that the officer is going to be speaking here from the best of his recollection, um as, as you know this is only um less than fifteen hours uh since the time of this incident uh there's always stress related to that. In addition to that this would be the normal time that this officer would be um sleeping. And he's only had a couple hours of sleep. And I say that only because I, I know he's gonna make his best efforts here to give you an accurate uh recollection of the events but in the event that we do come up with something that we've forgotten or that has been misstated um we, we would like the opportunity to supplement or modify the

statement that he's giving now with something that occurs to him later or that he realizes that he has misstated now. So we'll do our best to make sure that, then. This is his, his uh most accurate recollection right now. But we want the opportunity to um supplement the record so to speak at a later time.

- DH Absolut...
- JY That is, that is true
- CO And for the benefit of the transcriptionist that was Counselor Tom Kelly.
- DH Okay.
- CO Alright.
- DH And absolutely if you, if you come up with something that you would like to clarify at a later time, anything we can, we can certainly sit down again and go over that.
- TK So when he speaks he'll be speaking as to the best of his recollection right now and, and um and uh it's probably um unlikely that we'll have anything to um add later on but in the event that we do we'll, we'll notify both of you.
- DH And Chris and I, Chris and I will certainly make ourselves available for that. So with that said um what time did you get to work yesterday?
- JY I got to work at around 5:20...
- DH Okay.
- JY ...in the afternoon. And I went in to our locker room and I changed in my full uniform that I described to you earlier in the interview. And we had shift change and we uh, with the day shift and then...
- DH What does that entail? Shift change.
- JY Shift change...
- DH Is there a rollo call or anything like that?
- JY There's, rollo call if there is any rollo call um usually there's no rollo call unless it's, um something that's a critical incident or a burglary or a string of uh theft from autos in the area then we get notified about it um
- DH Okay
- JY We get notified about everything that's, um that we would expect to get called for.
- DH Okay.
- JY And what day shift finds important for us to know for night shift.
- DH Okay.
- JY Um after that it was only, we were at minimum so it was myself was working the City of Lauderdale. And then which is 6921 and then my partner, Joseph Kauser who was working in 69 as 6920 in the City of Falcon Heights. And then my other partner, Tressa Sunde who was 6910 in the City of St Anthony. And we were, my partner Officer Kauser and I were uh we give all of our radio traffic on the Ramsey County main so...
- DH Okay

JY ...we monitor on our car to car and our, and Hennepin County on our car to car radio.

DH Okay.

JY Um, I we went to the, we went to our contract cities. Um dropped off our lunch at Falcon Heights Fire Department. And then we started patrolling. I was working the City of Lauderdale. I was running speed radar and just looking for vehicles to pull over and uh just driving around the city and just making contacts with our citizens.

DH Okay.

JY And uh I pulled over two vehicles that I can remember. And then uh...

DH Do you remember what you pulled 'em over for?

JY I pulled two vehicles over for speeding. They both received citations. And then um it was kinda slow for a little bit I think. And then I can't remember exactly where I was but I was keeping my eye on 2424 Larpenteur which is a convenience store on Larpenteur at the intersection of Larpenteur and Eustice. It's on the southwest corner of the intersection. Um, I wanted to pay attention to that because we had a strong armed robbery last week uh which involved two African American males um, one having a firearm and pointing it at the clerk and then the other uh the victim told me that he also had a firearm but I wasn't able to see it when the video was reviewed. Um, so I was sitting at a intersection and I see a white vehicle. I can't remember what kind of vehicle it was. Um but I see two occupants. What I believed was two occupants inside the car. And I couldn't make out the passenger. But I knew the passenger had a hat on. And I couldn't make out if it was a guy or girl I just knew that they were both African American and the driver uh appeared to me that he appeared to match the uh physical description of the one of our suspects from the strong arm robbery, gunpoint.

DH Okay.

JY Uh (inaudible)

DH What is that description?

JY Um it was a (sigh) I can't remember the height, weight but I remember that it was, the male had dreadlocks around shoulder length.

DH Um-hm.

JY Or longer hair around shoulder length. And, um it wasn't specified if it was corn rows or dreadlocks or straight hair. Um and then just kind of distinct facial features with like a kind of like a wide set nose and uh I saw that in the driver of the vehicle.

DH Okay.

JY That uh this incidents about uh at the intersection of about Larpenteur and Carl, Larpenteur and Eustice, that area. Uh so I get behind the vehicle to see if I can see any uh violations, to get a good ID on the, driver. I run the plate. And I can't remember who it comes back to. And uh I call out to my partner on my car to car radio because that's where we do all of our radio tr or our uh radio traffic is on car to car unless it's something like a in progress call then we go on our main to main, our main radio. So I got on my car to car radio. I let Officer Kauser know

that I was behind a, a suspect vehicle traveling eastbound Larpenteur and I told Officer Kauser that it was occupied two times and I couldn't make out who the passenger was. And, I told him that the driver appeared to, match the physical description of our suspect from the strong arm robbery and I told him that I wanted to wait for Officer, I told Officer Kauser that I wanted to wait for him um for backup. Uh just in case cuz I didn't know who I was pulling over.

DH Right.

JY I just knew that the driver matched the physical description. And we were approaching the intersection of Larpenteur and Snelling and it's a very busy intersection. Uh I can't remember what time it was specifically but I, believe it was around 8:45-ish to 9:00 o'clock-ish. Um and it's still pretty busy in that area. Heavy traffic. Uh would be a close heavy foot traffic with uh walkers, joggers. Um people living in the apartments in that area. Uh restaurants. And I decided to initiate the traffic stop just west of the intersection, on Larpenteur west of Fry Street.

DH Okay.

JY Because, just in case anything happened I wanted to make sure that, nobody's lives were in jeopardy and we were out of heavy traffic and innocent bystanders and uh all that. And uh so I initiated the traffic stop. At that point Officer Kauser got behind me. Um I was keeping my eyes on the vehicle and

DH Just let me stop you for just a second.

JY Yeah.

DH So the reason that you did all this stuff, uh you, you waited for a partner?

JY Yes I waited for a partner because...

DH Um, you waited for a safe area to make the stop?

JY Correct.

DH And this is based on information because this guy fit the description of an individual that had, had been armed and committed a robbery?

JY Correct.

DH The week prior or a couple days prior?

JY Uh the week prior. I...

DH Okay.

JY ...can't remember what day but it was last week.

DH Okay. But typically, under normal circumstances you conduct traffic stops on your own?

JY Correct.

DH Regular traffic stops?

JY Regular traffic stops on my own.

DH Okay.

JY And then I update my partners if I'm, if I'm okay code 4.

DH Yeah.

JY Um or if I need their backup.

DH And code 4 just for people that don't understand (inaudible)

JY Code 4 is, meaning you're okay.

DH (inaudible) okay...

JY Don't need assistance.

DH ...I'm safe, the situation has been deemed, stable.

JY Correct.

DH Okay.

JY And, I initiated the traf, what's that?

DH So but you waited for a partner? You called a partner?

JY Yes I waited for the partner. I waited to pass the partner and uh I was behind the vehicle and I saw my partner I was about, a quarter mile ahead of him. And he was still trying to catch up.

DH Okay.

JY To, get behind us. And I decided to, activate my emergency lights so we wouldn't be in that heavy foot traffic, vehicle area.

DH Okay

JY With innocent people at the intersection of Larpenieur and Snelling.

DH Okay.

JY I just wanted to be as safe as possible. And have everybody safe as possible. And uh...

DH Okay.

JY ... (sigh) I activated my emergency lights. I started getting out of my squad. Um, I can't remember I had my, eyes focused on the driver cuz that's what I always do. I get out of my squad vehicle and I approach the vehicle as I always do. Looking inside, looking for any furtive movements. Um looking to see who's inside the car. And as soon as I get up to the car I'm hit with a, odor of burning marijuana.

DH Okay.

JY And I know it's already been smoked and I've been around uh through my training I've been around burnt marijuana and uh as a police officer I've been around burnt marijuana and uh fresh marijuana.

DH Okay.

JY So I know the distinct smells between both.

DH Okay.

JY I smelled burnt marijuana. And then I see a female child in the back. And then I see a front seat passenger, adult female uh in the front seat. And then I see the suspect up driving, seatbelt on leaned back in his seat. He had his, left arm over the steering wheel and then he had both hands in view. And then...

DH Initially?

JY Initially. And then I told them the reason for the traffic stop and then I wasn't going to say anything about the marijuana yet because I didn't want to scare him or have him react in a defensive manner. Um, he didn't make direct eye contact with me and it was very hard to hear him. Uh he was almost mumbling when he was talking to me. And he was directing his voice away from me as he was speaking and as I was asking questions. Uh he kept his hands in view and then I uh I believe I asked for his license and insurance. And then I believe they told me, they asked for the reason for my traffic stop. And I told 'em the reason was the only, I think I told 'em the only reason, the reason I pulled you over is because the only active brake light working was the rear passenger side brake light.

DH Okay.

JY And then I received the insurance and then...

(buzzing)

JY ...I can't remember if I asked for his ID or not but I, I know I asked for his ID or his driver's license. And then he goes I have a gun. And as I'm telling him or as he's telling me that he's reaching down between his right leg, his right thigh area and the center console.

DH Okay.

JY And he's reaching down and I believe I'm telling him something along the lines of don't reach for it, don't do it. Referring to the, uh the firearm.

DH Yep.

JY Because usually people that carry firearms carry 'em on their waistband. Um and or in between the seats and being that the vehicle smelled the inside of the vehicle smelled like marijuana um I didn't know if he was keeping it on him for protection, for, from a, a drug dealer or anything like that or any other people trying to rip him. Rip him meaning steal from him.

DH Rob him.

JY Um rob him. Um and I couldn't see uh the area where he was reaching his hand down towards.

DH Okay.

JY And I, believe I continued to tell him don't do it or don't reach for it and he still continued to move. And, it appeared to me that he had no regard to what I was saying. He didn't care what I was saying. He still reached down.

DH He didn't stop moving his hand?

JY He didn't stop reaching, for his hand he, he didn't stop moving his hand and it still went down.

DH Okay.

JY As he was reaching down um he, turned his shoulder kept his left hand on the steering wheel and then canted his upper body and blocked my view of his right hand.

DH Okay.

JY And, at that point I, was scared and I was, in fear for my life and my partner's life. And for the little girl in the back and the front seat passenger and he dropped his hand down and, can't remember what I was telling him but I was telling something as his hand went down I think. And, he put his hand around something. And his hand made like a C shape type um type shape and it appeared to me that he was wrapping something around his fingers and almost like if I were to put my uh hand around my gun like putting my hand up to the butt of the gun.

DH Okay.

JY That's what it appeared to me.

DH Okay.

JY And then I lost view of it. Cuz he kept canting his shoulder and then I believe I told him again I can't remember don't do it. And then he still kept moving his hand and at this point I looked and saw something in his hand. It was dark inside the vehicle. I was trying to fumble my way through under stress to look and see what it was to make sure uh what I was seeing. But I wasn't given enough time and like I said he had no regard for what I was saying. Didn't follow my direction. And, uh he started reaching out and then pulling uh away from his uh his right thigh. I don't know if it was in his pocket or in between the seats or the center console. But I, I know he had an object and it was dark. And he was pulling it out with his right hand. And as he was pulling it out I, a million things started going through my head. And I thought I was gonna die. And, I was scared because, I didn't know if he was gonna, I didn't know what he was gonna do. He just had somethin' uh his hands and he, the first words that he said to me were, some of the first words he said is that he had a gun. And I thought he was reaching for the gun. I thought he had the gun in his hand, in his right hand. And I thought he had it enough to where all he had to do is just pull it out, point it at me, move his trigger finger down on the trigger and let off rounds. And I had no other option than, to take out my firearm and, and I shot. Um I shot him. I don't remember the first couple shots. I, believe I remember the last two shots. And I believe one of the shots went into his left arm. Um, as I was shooting uh I, I kept watching him. And I, I remember smelling the gun smoke and the bright flashes from the muzzle. And then I heard, a couple pops uh from my firearm. Um and then my partner was on the opposite side of the vehicle. Uh watch, looking in and I directed my gunfire down as best as I could. Away from, not trying to put the little girl's life at jeopardy or the passenger or my partner because they were, in the line of my fire.

DH Where is the little girl seated?

JY She was seated behi', directly behind the front seat passenger.

DH Okay.

JY But, diagonal

DH Okay.

JY . Uh from where I was standing.

DH Okay.

JY Um, so basically behind the driver. And then, so...

DH Behind the driver or the passenger?

JY So if I'm facing the driver.

DH Yeah.

JY She was di, she was diagonal from him. Behind the backseat or front seat passenger.

DH Okay.

JY So she was in my line of fire. Um but I, made sure that I directed my firearm down and as best as I could and let off rounds and as the rounds were going off I thought he was still moving for his gun and, (sigh) I it just seemed like he was pulling out the gun and the barrel just kept coming. It seemed like something was just coming out and I thought it was a gun and I thought it was a barrel just coming out it (inaudible)...

DH It appeared to you, it appeared he had his gun in his hand?

JY ...had his gun in his hand.

DH Okay.

JY And it, was big. It was to me it just looked big and apparent that he's gonna shoot you, he's gonna kill you. Um this is your, suspect from the robbery. And uh I let off the rounds and uh

DH Do you remember what...

JY I don't remember how many rounds I let off. Um I remember seeing the, last two rounds go off and I remember seeing one of those rounds hit him in the arm. Uh his glasses flew off. I'm not sure if it was from gunfire or from him uh whipping his head back or anything like that. Uh but uh as that was happening as he was pulling at, out his hand I thought, I was gonna die and I thought if he's, if he has the, the guts and the audacity to smoke marijuana in front of the five year old girl and risk her lungs and risk her life by giving her secondhand smoke and the front seat passenger doing the same thing then what, what care does he give about me. And, I let off the rounds and then after the rounds were off, the little girls was screaming. I held the suspect at gunpoint. His arms came up into view. And they were up by his chest. I can't remember what I said. But I acknowledged this little girl first. Cuz I wanted her to be safe and I told Officer Kauser or I told her one of the two to go run out of the car and run to Officer Kauser or Officer Kauser to get her. And then I turned my attention to the front seat passenger. I didn't, point my firearm at her. I still had it on the suspect. Cuz he was still moving. And he,

DH Did he respond to you in any way?

JY She? He did?

DH He, after he, after the shots.

JY He, no he did not respond. Um he just kept his arms up and I don't remember hearing anything coming out of his mouth if he said anything. I just remember that...

DH Do you remember seeing anything in his hand?

JY Um, I don't remember seeing anything in his hand.

DH Okay.

JY Um I just know that I saw his hands in view and his hands were in my view and that uh I didn't see anyth', I, I didn't believe, I didn't see anything in his hands. And then um, I directed my attention to the front seat passenger with my gun still on the suspect. Made sure she was all right. I looked back to the little girl and I think she was in the arms of my partner. And I think she was all right. And then the front seat passenger was, screaming and then I heard her say something about four shots and then she had her cell phone out and, I don't know she, she had her cell phone out and I don't know what she was doing with it. But I told her to keep her hands in view. She complied with my direction. And she kept her hands in view, around the dashboard area and then she, and the uh Roseville officers arrived. Officer Kauser was the first one to say, go out on the Ramsey County main saying that there were shots fired. I know there was a little bit of confusion because dispatch was (coughs) dispatch uh called back uh for whoever was calling to say, did you say shots fired or something like that. And then uh that's when, a Roseville officer arrived and then uh I told them that I had the suspect at gunpoint. And two officers arrived behind me. I don't remember who they were but they were Roseville officers. And they stood behind me with their guns drawn on the suspect and they took the female front seat passenger out at gunpoint, detained her, put her in handcuffs, escorted her back to one of the squads. (pause) Excuse me, sorry.

DH That's alright.

JY And then, I stayed with the driver until I was relieved by two of the Roseville officers. And, I re, after um they were taking care uh of the driver um tending to his needs. I don't remember what they were doing but they, one of the officers escorted me to ah, little berm on the other side, away from the scene, away from everybody, and I remember holstering my gun and people were across the street videotaping and we called for a ambulance right away, or I assume they, they expected to send a ambulance. I can't remember. But I remember getting on the radio saying that there were shots fired. Um, and I remember, I can't remember if I said bring an ambulance um, um, and then I said page out supervisors as well. And then uh, they escorted me over to the other side of the berm and that's when I was escorted into a unmarked Roseville squad and I was escorted by Officer Brian Anderson from Roseville Police Department, um, in the front passenger seat while he was driving up to St. Anthony Police Department, where I was placed in our, one of our squad rooms and Officer Kauser ended up taking a separate vehicle from us and sitting in a different room. Um, we had no interaction. We still haven't had any interaction.

DH You haven't discussed this with Officer Kauser?

JY We haven't discussed this, I haven't discussed this with anybody.

DH Okay.

JY I.

DH Outside of your council.

JY Correct.

DH Okay.

JY And um, they took photos of my thumb, 'cuz I had blood running down my hand.

DH Okay.

JY On the inside of my thumb, and on the top of my hand.

DH Do you know how that got injured?

JY I don't remember how it got injured, but it looks like I may have, as I was drawing my weapon I was trying to get both my hands on the firearm um, and the slide came back and kicked back my finger and...

DH Cut your finger.

JY ... cut my finger.

DH Okay.

JY And that's what I remember to the best of my knowledge um, from all that.

CO You did a nice job articulating that. I just had a couple follow up questions?

JY Yes.

CO If that's all right? Um, and I don't know if we um, might have missed this, what's your badge number?

JY My badge number is 151.

CO Okay, alright. And um, your, your, we talked about your qualification but you've, you've passed and your fully um, firearms you currently qualified right?

JY Correct.

CO You haven't had any issues recently?

JY No issues.

CO Okay. And we just I think clarified that you have not had an opportunity to watch the video from your squad cam?

JY That is correct.

CO You have not, okay. And how did you become aware of the robbery suspect um, is that a briefing item is it, or something posted at the PD, is there...

JY I was actually dispatched to that call...

CO Okay.

JY ... I was the secondary Officer that arrived on scene and...

CO So your, okay. So you got, you were one of the officers that got the original description from the victim?

JY Correct.

CO Okay.

JY And I also set up a perimeter with St. Paul, Roseville Police Departments and gave suspect description to all them.

CO Okay.

DH You just, you briefly mentioned that you watched some surveillance video maybe?

JY I watched the security cameras inside of 2424 Larpenteur and um...

DH That's how you saw the...

JY That's, that's how I saw the...

DH Description of the suspect?

JY ... description of the suspects.

DH Okay.

JY And then I was also told that by the victim as well.

DH Okay.

CO The video on your squad's um, I know how most of them are triggered but I just want to confirm is yours triggered um, by hitting the emergency lights or is it triggered manually and...

DH That's correct it's triggered once I activate emergency lights.

CO Okay. And, and, and in this instance, in this event um, that's what happened right?

JY Yes.

CO Okay. The um, what was the distance that you followed the subject vehicle until you, or your backup was close, where, where did you first encounter...

JY Um, in the City of Lauderdale, near the intersection of Larpenteur and Eustis, that's the last main intersection that I initially see, seen um, the suspect vehicle and suspect.

CO Okay.

JY Um, and then...

CO So for my benefit what's the distance in terms of...

JY About two miles.

CO Okay.

JY That I followed 'em until my backup arrived.

CO And in your estimation um, and you may not have an answer to this, but in your estimation did the, the driver of this vehicle um, have any idea that he was being followed by a squad? Do you have any feeling about that?

JY I can't say that he did...

CO Okay, there's no obvious sign...

JY ...but I, yeah. I, I was behind 'em and it was apparent that I was behind 'em.

CO For a distance of approximately two miles?

JY Distance, I would, for about two miles and there was probably about um between my fully marked squad and his vehicle I would say there's about four to five car lengths and there was nobody around us.

CO Okay so there weren't any vehicles...

JY Or between us.

CO ...between the two of you for a distance of about two miles, is that right?

JY There were other cars in the, in the, in the roadway, I can't remember...

CO Okay, at any given point...

JY At any given point...

CO ... there may have been vehicles in between?

JY Yes.

CO Okay.

JY But I remember from Larpenteur and Fairview that we were the only vehicles um, in that area traveling east bound and all other um, regular traffic was behind us and um, from Fairview and Larpenteur to Fry Street and Larpenteur where the traffic stop took place, um, I would say it's about quarter mile?

CO Occasionally in your, in your patrol functions you've seen drivers that are aware that there being followed by virtue of seeing them look in there mirrors but that didn't happen in this case?

JY Correct.

CO That you remember? Okay.

JY I wasn't looking in the mirrors I was looking for him trying to stuff anything in the seats or...

CO Okay.

JY ... the front seat passenger was trying to do anything.

CO Furtive movements?

JY Yes. I was looking for that cuz I mean I, I do look to see if there looking in there side mirrors or rear view mirrors as well.

DH And you didn't see any of those?

JY And I didn't direct my attention to any of those cuz I, my main concern was to see if he had, was stuffing anything or reaching down anywhere or dropping his hands from the steering wheel or anything like that.

DH Okay.

CO Do you know if your car to car channel is um audio recorded?

JY I am not sure.

CO Okay.

DH And that would have been the Ramsey radio car to car, or Hennepin car to car?

JY No our car to car is, can be monitored basically by anybody, but St. Anthony Police Officers just use it and...

DH Okay.

JY ... Roseville, our neighboring agencies can monitor it...

DH Okay.

JY Um, but like I said we have two radios in our squad cars, basically the county were in, we put our main radio as, so I was in Ramsey County so I had my main radio, which is at the bottom near my left leg, left thigh, I have that on Ramsey County and then on the top radio, which we use for um, traffic and just talking car to car with our partners...

DH Um-hm.

JY ... um, have um, the opposite county so which would be yesterday I had Hennepin County as the main radio to be primary and I was on car to car um talking and advising Officer Kauser of um, my traffic and description and or, all the details entailing the, my traffic stop.

DH Okay.

CO I'm gonna go back to the fingers uh wrapped around the, the object and the hand uh that you observed uh I think that was your wording. How big was this object if you were trying to quantify that?

JY It was, to me it looked like it was uh wrapped around the butt of a gun so.

CO Okay.

JY Of um...

CO The sun...

JY ...butt of a gun.

CO This is occurring at roughly 9 p.m. Is that right?

JY That's around that time. I can't remember.

CO (inaudible) has set I mean the lighting conditions is what I'm getting at.

JY Ye—, yeah I can't remember. I...

CO Okay.

JY Around what time it was. I wasn't paying attention to that. My main concern was officer safety and citizen safety.

CO I understand, um was it hard for you to see because the of the lighting conditions uh inside the passenger compartment or was it uh...

JY Yes.

CO Okay.

JY Yes.

CO Alright and this person in this car as we talked to you today do you know this person's name?

JY No, I do not.

CO Okay. Do you have any indications that you've had previous dealing with this person?

JY No, I do not.

CO Okay and approximately and time is hard especially when, when stresses uh apparent but what was, from the time he mentioned to you that he had a firearm,

weapon um what was that timeline? Did he immediately announce that at start moving...?

JY I can't remember if he immediate announced it but it caught my attention right away and it seemed like it was split second from the time he told me, to the time he was reaching down, to the time I gave him direction, to the time he had the his hand wrapped around it and then I gave him more direction and shots were fired.

CO Can you describe his att factor, his general disposition in terms of maybe a tone associated with that uh that when he said something about a firearm?

JY I, I know he said, I have a firearm and then uh as he began reaching for it his tone in his voice was very subtle and uneasy to me. Um, and as I was giving him direction about what to give me and to keep his hand in view um like I said I felt that he had no regard to what I was saying. He didn't care what I was saying. He didn't want to follow what I was saying so he just wanted to do what he wanted to do.

CO Did he at any point either make eye contact with you early on?

JY He was, he made contact with me, eye contact with me initially but then after that um I do remember distinctly also that he did at least one or two target glances down, down by his uh right thigh area where his right hand was. Um, and to me that's, that's sets off red flags for me that somebody's trying to hide something or somebody's gonna do something to you and there's a weapon or something down there that they don't want you to find and that's what kind of set me off at first and that was actually before um, before he reached down um I was reading his body language and uh he just, he was, its, his body language was, it appeared defensive to me, that I was just pulling him over. He may have thought that I was pulling him over for no reason but I already told him the reason I pulled him over. Um, the way he mumbled things under his breath appeared to me I could barely hear him. Um, and I know he said I have a gun and uh then (inaudible)

DH (inaudible) clear you told, you told them that you pulled them over for the, the tail light issue.

JY Correct and then I still had in the back of my mind...

DH But, but really the, the issue that started this is he fit the description of an individual that had been in an armed robbery ...

JY Correct.

DH ...earlier.

JY I don't tell people that, just in case. I don't, I don't them to run from the car. I don't want them to do anything stupid or anything like that.

DH So the reason you told them about that tail light was an attempt not to escalate the situation.

JY Correct.

DH Okay.

JY Yes. That is correct um and I kept at, I kept all those in the back of my mind. The robbery and that I was already gonna pull 'em out of the vehicle cuz of the odor of marijuana.

DH Okay but you didn't say anything about the marijuana....

JY I didn't say anything about that.

DH ...(inaudible)

JY I wanted to...

DH ...saying you didn't wanna...

JY I didn't wanna escalate the situation and I wanted to get everybody's proper id first to see if anybody had warrants or anything like that. Um, but I wasn't able to, to even get that information.

DH Okay.

CO And I understand that you may have had a flashlight with you or on your belt but it wasn't deployed or?

JY Yes.

CO ...or used. Is that right?

JY I can't remember.

CO Okay. Um, when you were uh discharging your firearm, what were you aiming at?

JY I was aiming at center mass, directed down, towards his like the, towards like the midsection, chest area, um, to direct gun fire at that area and away from the innocent people in the car.

CO Okay.

JY The little girl, my partner, who was outside of the car, and the front seat passenger.

CO Okay. I just got one more question. Um, who, uh who took the photo of your thumb? Was that someone that's on the scene or did that happen back at (inaudible)

JY That happened back at the PD.

CO Okay.

JY And Officer Kauser took the photo.

CO Okay.

JY Uh because they wanted me to get it cleaned up um so it wouldn't get infected and I had dry blood on, all over my hand.

CO Okay.

JY Um there were photos taken with a department um camera.

CO Yep.

JY And I'm pretty sure they were (inaudible) to the case and um they asked me if I wanted a ambulance to have it looked at and they asked me if I wanted any bandages and that's all that was said and then...

CO Okay.

JY ... after the photos were taken um Officer Brian Anderson was with us the whole time and he then directed Office Kauser into a squad room then me into another.

CO So he was your monitoring officer?

JY Yes.

CO Which is consistent with the procedures within your department?

JY Yes

CO Okay. Have you been involved in any previous uh critical incidents uh where deadly force, deadly force was deployed in your capacity at Falcon Heights?

JY Not in the City of Falcon Heights, on the City of St. Anthony I was involved as a witness at the trailer park shooting, 2501 Lowry Grove.

CO Sure.

JY And I was also dispatched to a murder suicide on 39th and Macalester which was about 4 ½ years ago.

CO Okay.

JY Um the shooting was about 2 years ago I think and then, I can't remember anything else other critical incidents.

CO Okay and I asked you about the driver of this vehicle and I guess I'm gonna ask the same question about the passenger, the female passenger. Do you have any knowledge of who that person is as I speak to you today?

JY No.

CO Or have you had any indications that you've had previous dealings with that person?

JY No.

CO Okay.

JY And then I was also involved in a critical incident about 3 years ago where uh person that we arrested uh tried going for my firearm and put his hands on my firearm, tried taking it out of the holster and we ended up fighting with him but we were able to arrest without any...

CO Was that deploying deadly force?

JY Yeah applying deadly force.

CO Okay. Do you have questions for us?

DH I've got one more.

CO Okay.

DH I got one more. I just wanna ask you and this is, and this is just an estimate. Um, when you started firing at this individual, the driver, what do you think the distance was between you and him?

JY Two to three feet.

DH Okay.

JY Maybe.

DH Okay.

JY I was standing right at, right at the door um...

DH And he was seated?

JY And he was seated in the driver's seat.

DH Okay.

JY So whatever that distance would be. I would say two to three feet, two to four feet.

DH So less...

JY And I can't...

DH ... than five?

JY Yeah, less than five and I believe uh I don't know I think I closed distance if you're talking about distance from my firearm to the suspect...

DH Right.

JY ...then less than that I think.

DH Okay. So your estimate would be two to three feet.

JY Yeah.

DH Okay.

CO Have you in your experience in the law enforcement, have you had an experience before where someone's told you they had a firearm, uh and then what (inaudible)

JY Yeah, plenty of times I've had that and, and I, I know from hundreds of traffic stops that I've done, people with conceal and carries or that are carrying a firearm, even if it's not on their person they tell me that they have a firearm in the vehicle or they tell me that they have it on their person where, where the firearm is located. They keep their hands in view. Some people even take the keys out of the ignition, set 'em on the dash and they keep their hands on top of the steering wheel and they tell me before I even say anything they tell me, officer I'm carrying a firearm or I have a firearm in the vehicle. They tell me where it's at and with that they always tell me that when they're gonna reach for something and where their wallets at or what they're gonna do. It's happened 100 percent of the time. I know that for a fact um when people have firearms and I've been comfortable with that being on a traffic stop with somebody that has firearm in the vehicle or on their person.

CO Okay.

DH You've had those people; you've directed those people to provide you with a driver's license.

JY Correct.

DH Proof of insurance.

JY Correct.

DH Normal requests during a traffic stop.

JY Yes.

DH Okay, without issue?

JY Without issue.

DH Okay.

CO And... just and I hate to be redundant but (inaudible) as you speak to us today believe that that was a firearm in this person's hand.

JY Yes.

CO Okay and it was, you described the color or maybe you didn't but it was uh...

JY I just knew it was dark and I could barely see and I thought it was a firearm and I thought he was gonna shoot and kill me and I thought he was gonna shoot and kill my partner right after that.

CO Okay, I understand.

DH Okay, one last thing I'm gonna ask you to do. Um, I'm gonna ask you to draw a diagram...

JY Okay.

DH ...of the scene so where his car was um and I'll ask you to make his car big enough so you can, you can uh place the people that were in that vehicle, where, you know essentially show us where they were.

JY Okay.

DH Um, I'll provide you with a piece of paper here and if you can write, this is not, a not to scale drawing.

JY Okay.

DH Um, if you could just write up there somewhere not to scale.

JY Okay.

CO Yep, right.

DH So this is just free, this is a free hand diagram by you basically just to lay out for us.

?? Orientation.

DH Orientation of the traffic stop. You can write what street was what just so people that were not involved in this are able to picture where everybody was during the incident.

CO So as you're doing that, I don't know if you can multitask.

JY Yeah.

CO I know I'm not real great at it. Did uh you run a registration on this vehicle on M, MCD uh...

JY Correct.

CO Okay alright.

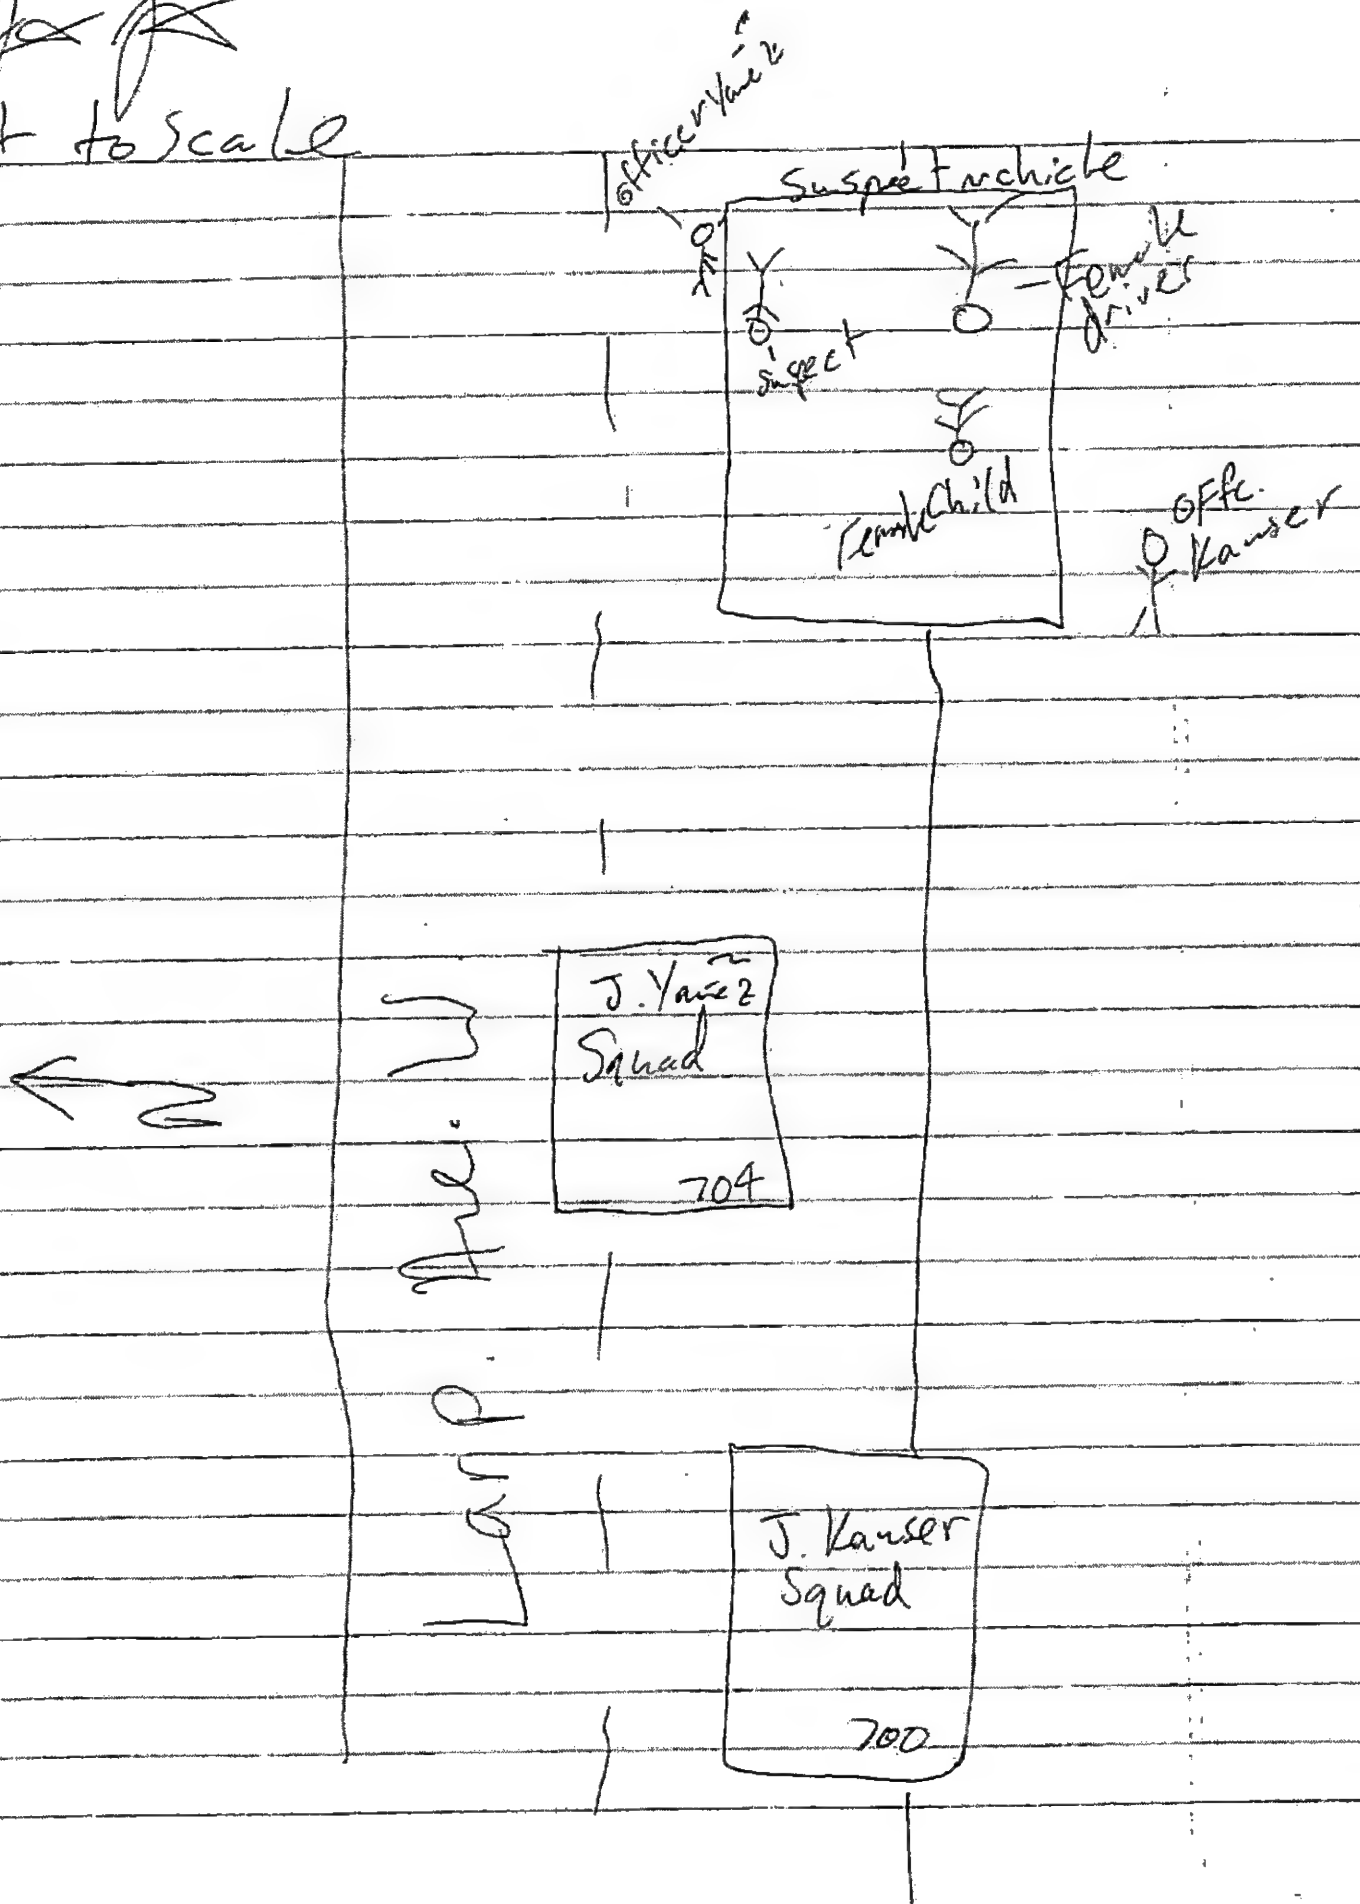

JY Yes, I did.

CO Do you remember who that came back to?
JY No, I do not.
CO Okay, alright but it was clear? it wasn't stolen?
JY Correct.
CO Okay.
JY Checks came back for, through NCIC saying that there were no warrants or no...
CO Okay.
JY ...stolen uh hits on the vehicle.
(drawing noise)
CO As you talk to us today do you have information uh whether or not a firearm was recovered at the scene?
JY Uh
?? (inaudible)
JY Yeah.
CO Yes.
JY Yeah.
CO Okay and that's where you learned is through council?
JY Yep.
CO Alright.
DH That's good.
(drawing noise)
DH Can you just show me which way north is?
JY Alright.
DH Perfect. Uh so I just wanna go through this with you. This is the suspect vehicle?
JY Yes.
DH This is the driver?
JY Yes.
DH This is the individual that you said that had a gun in his hand?
JY Yes.
DH This is the front seat?
JY Yes.
DH Female passenger?
JY Yes.
DH Rear seats of the vehicle is a female child?
JY Yep.

DH You have a person over here, that's your partner?
JY Yeah, Officer Kauser.
DH Okay and this is you at the driver's side door?
JY Yes.
DH Okay, first, first vehicle you're showing behind the suspect vehicle. This is your squad?
JY Yes.
DH St. Anthony Police Vehicle, marked?
JY 704, yep.
DH And behind you is another...
JY Officer Kauser's squad.
DH ... squad?
JY (inaudible)
DH And that's another marked St Anthony Police vehicle?
JY (inaudible) squad.
DH Okay. Do you have any questions?
CO I don't. Uh do you have any questions uh do you wanna stay on the record, council?
DH Okay.
?? No, we're good.
DH The time right now is 2:42 and this will be the end of the interview.

END OF TAPE

Narrative begins on the following page.

On 07/07/2016 SAIC Mueller and SA Henning conducted a recorded interview, acquisition of exhibit 2016-433/13.1 with Officer Joseph David Kauser, DOB: 07/10/1984. The interview was conducted at the St. Anthony Police Department. Agents began the interview by obtaining biographical information for Kauser. Kauser told agents that he has been employed as a Patrol Officer for St. Anthony Police Department for the last 3.5 years. Kauser told agents that he has received training in use of force and firearms. Agents had Kauser describe his uniform and duty equipment. Kauser told agents that he is currently assigned to work the night shift, which is 6:00 PM to 6:00 AM.

Kauser was asked to tell agents about the incident involving his partner. Kauser said that he was contacted by his partner Jeronimo Yanez on the radio. Kauser said that Yanez requested his assistance with a traffic stop. Kauser said that Yanez was following a car and the driver fit the physical description of a suspect involved in an armed robbery of a convenience store in the area. Kauser told agents that he parked at the intersection of Prior Avenue and Larpenteur Avenue. Kauser said he observed his partner drive by his location. Kauser said he pulled out and followed Yanez until Yanez stopped the car he was following in the area of Larpenteur Avenue and Fry Street.

Kauser told agents that as he approached the vehicle on the passenger side he observed a female child in the rear seat, an adult female in the front passenger seat and an adult male driving the car. Kauser told agents that the driver did appear to fit the description of the robbery suspect. Kauser told agents that Yanez approached the vehicle on the driver's side. Kauser told agents that he heard Yanez say "don't reach for it." Kauser said that the driver had shifted himself in the seat and was leaning on his right butt cheek. Kauser said the driver had put his right hand on his hip. Kauser told agents that he wasn't sure what the driver was reaching for. Kauser said he heard gun shots being fired. Kauser said that he called out that shots had been fired on his portable radio. Kauser was asked to provide the description of the driver. Kauser indicated that the driver was a black male in his mid to late twenties. Kauser said that the driver had long dreadlocks and was wearing glasses. Kauser said that he believed that he heard 3-8 gun shots.

Kauser told agents that after the shooting had stopped he removed the female child from the back seat of the car. Kauser said he placed the child in his squad. Kauser said that Roseville Police Officers arrived on scene to assist them. Kauser told agents that the Roseville officers removed the adult female from the car and placed her with the child in his squad. Kauser then noted that paramedics arrived and cared for the male driver.

Kauser said that the ranking St. Anthony Police Officer Tressa Sunde arrived on scene. Kauser told agents that Sunde directed him to return to the St. Anthony Police Department, which he did. SAIC Mueller asked Kauser when he noticed that Yanez had drawn his duty gun. Kauser responded telling the agents that his view of his partner was obstructed by the car and that he didn't know that Yanez had drawn his duty weapon until he heard the shots being fired. SAIC Mueller asked Kauser if he was near when the subject was removed from the car. Kauser said he wasn't. SAIC Mueller asked Kauser if the child had said anything to him as he removed her from the car. Kauser said she that

she was screaming and crying. Kauser said the child had said things however he couldn't recall what they were. Kauser was asked if the adult female had said anything to him. Kauser told agents that she had told him the driver had a permit to carry a concealed gun. The female told Kauser that her boyfriend had told the other officer (Yanez) that he had a permit to carry. SA Henning asked Kauser if he had spoken with his partner, Kauser said that he had asked Yanez if he was ok because he could see Yanez was upset, Kauser noted that when he spoke with Yanez, Officer Sunde was present. Kauser said that he hadn't spoken with anyone in reference to the shooting. Kauser told agents that he had driven Officer Sunde's squad car back to the police department and Yanez was transported to the St. Anthony Police Department by a Roseville officer.

SAIC Mueller asked Kauser if he could see the driver's hands. Kauser said that when he heard Yanez say don't reach for it the subject had his hand near his right hip. Kauser said that he had not seen any sudden movements but that the subject had continued to move after being told not to reach for it. SAIC Mueller asked Kauser if the female had been talking during the traffic stop. Kauser said that he wasn't sure and that he couldn't hear her from where he was at. SAIC Mueller asked Kauser if he had any previous contact with any of these people, Kauser indicated that he hadn't had contact with any of the people involved. SA Henning asked Kauser if any of the windows on the subject's car were down, Kauser said he wasn't sure. Agents completed the interview at about 1:26 AM. Kauser was asked if he would complete a diagram of the scene which he agreed to do, acquisition of exhibit 2016-433/13.2. Prior to finishing the interview agents asked to inspect Officer Kauser's duty pistol which he was still wearing. Agents found that his pistol was fully loaded with a round chambered. The agents also asked to inspect the extra magazines which Officer Kauser was wearing on his duty belt. Agents found that the extra magazines were fully loaded as well. The pistol and magazines were returned to Officer Kauser.

It should be noted that this report is a summary of this interview. For complete detail please see attached transcript.

INTERVIEW DATE:	July 7, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Officer Joseph Kauser	INTERVIEWED BY: (JK)	SAIC Scott Mueller (SM) SA Doug Henning (DH)
REVIEWED BY:			

DH Okay the recorder is going. Uh my name is Doug Henning I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. I'm here with my partner uh Scott Mueller, Special Agent in Charge of the uh Metro Regional Office. Uh, today's date is 7-7. Time right now is 0110 hours. Uh the case number here is 2016-433. Um we'll be, interviewing Joseph, J-O-S-E-P-H middle name [REDACTED] last name Kauser, is that correct?

JK Yes.

DH K-A-U-S-E-R. Your date of birth is [REDACTED] Is that correct?

JK That's correct.

DH Spelling of your name and date of birth?

JK Yes.

DH Okay for the purposes of, of this report um the address for you is 3301 Silver Lake Road, St Anthony, Minnesota 55418. Is that correct?

JK That's correct.

DH Uh and your phone number is 612-782-3350?

JK That's correct.

DH Your POST number which is your peace officer number is 21694?

JK Correct.

DH Is that correct? Okay. Um, why don't we start with can you tell me how you're employed?

JK I'm employed with the city of St Anthony as a patrol officer.

DH Okay. And then how long have you been with St Anthony?

JK Uh since January of 2013. So three and a half years.

DH Okay. So three and a half years.

JK Yes.

DH Um you're currently assigned to?

JK Just the patrol division.

DH The patrol division working what shift?

JK Uh 6:00 pm to 6:00 am.

DH Okay do you work a specific, district all the time or?

JK No we rotate between the three cities.

DH Okay. Being what? What cities?

JK Uh primary city is St Anthony. We're contracted with Falcon Heights and Lauderdale.

DH And Lauderdale?

JK Yes.

DH Okay. Which is out by the State Fairgrounds?

JK Uh, Falcon Heights is by the State Fairgrounds and Lauderdale is a little bit west of that.

DH Okay. Um, were you assigned well can you tell me about your training as a police officer?

JK Uh we do, use of force training once a year. We have an in service. We do firearms qualifications approximately four or five times at Ramsey County every year.

DH Okay.

JK And we do a department wide uh shoot every year also.

DH Okay. Now when you said you're a patrol officer do you wear a uniform?

JK Yes I do.

DH Can you describe that for me?

JK Uh it's a, typical navy blue slacks um navy blue shirt with a, a bullet resistant vest and a black braided duty belt.

DH Okay. And do you carry any equipment on your duty belt?

JK Yes I carry a Glock 21 pistol, handcuffs, pepper spray, taser uh an asp baton a radio and a flashlight.

DH Okay. Do you carry any other equipment on you? Any kind of uh recording device or any body cam or anything like that?

JK No we have, squad microphones that are attached to specific squad cars.

DH Okay and the car that you were driving tonight was that, did that have a, a recorder or a dash cam on it?

JK It did. It was not recording at the time of incident.

DH Okay um, is it, is it normal that they aren't recording?

JK Uh typically if you're backing up someone on a traffic stop their squad is obstructing your view.

DH Okay.

JK So it's not, all the time where you're recording on a backup traffic stop.

DH Okay. Okay um so, today is the 7th but there was an, an incident the day prior on the 6th. Were you scheduled to work on that day?

JK Yes I was.

DH Okay and you reported for your shift at what time?

JK At 1800 hours or 6:00 pm.

DH 6:00 and your shift is what 6:00 to?

JK 6:00 pm to 6:00 am

DH Okay so you work a twelve hour shift?

JK Yes.

DH Okay so during that shift did you, can you tell me about the incident in question? How you were made aware of it and...

JK Um I don't recall the exact time. Somewhere around 9:00 pm um my partner informed me that he was behind a vehicle and he believed that the driver of the vehicle physically resembled a robbery suspect.

DH Okay.

JK From a robbery that we had uh had last week. Um he advised me that he was eastbound on Larpenteur and I pulled out from Larpenteur and Prior as they passed.

DH Um-hm.

JK And my partner initiated the traffic stop around Larpenteur and Frye Street. I positioned my squad behind my partner. And my partner approached on the driver's side. I approached on the passenger side. I observed a juvenile female in the backseat. An adult female in the passenger seat, front seat, and a male driver. Um I couldn't hear the conversation going on inside the vehicle. I could hear what my partner was saying. And, I, I don't remember the entire conversation. I know my partner said don't reach for it. And the passenger kinda leaned on his right butt cheek and he put his hand on his right hip. I don't know if he was reaching for a firearm or wallet. I, I couldn't see. I just saw that he had his right hand on his hip. Like I said my partner said don't reach for it. And then there were shots fired. After the shots were fired I called out on the Ramsey County West main channel that there were shots fired and our location. Um, I ran up to the car after the shots had subsided. And I grabbed the juvenile female out from the rear passenger seat and I brought her back to my squad for her safety.

DH Okay so during, the course of this uh traffic stop where were you exactly?

JK I was on the passenger side near the rear passenger door.

DH Okay. And this was a four door vehicle?

JK Yes it was.

DH Can you describe the vehicle? If you remember.

JK (sigh) I, I can't remember I can't even remember what color it was I just remember it was a, a four door vehicle and the, the description of the occupants.

DH Okay. Um, sss-so was, tell me about your view of the driver.

JK Uh, do you want me to describe the, the driver?

DH Yeah.

JK Was a black male, mid to late twenties. He had long dreads. He had glasses on. I don't recall exactly what he was wearing. Um, and I remember the description of the suspect of the robbery last week one of 'em had, long dreads.

DH Okay.

JK Um and also was wearing glasses. So when I got...

DH (inaudible)...

JK ...up...

DH ...black male?

JK Yes.

DH Okay.

JK Yes. And so when I got on scene to the traffic stop and I observed from the passenger side I thought this could be our suspect from our robbery.

DH Okay. And where did that robbery occur?

JK 2424 Larpenteur.

DH Okay.

JK At Super USA Convenience Store.

DH Okay.

JK Right on the southwest corner of Larpenteur and Eustis in Lauderdale.

DH Okay so about how far away from where this traffic stop was would that have been?

JK Maybe a mile and a half.

DH Okay so in proximity tonight, fairly close.

JK Yes.

DH Okay. Go ahead.

JK Um like I said he, the gentleman leaned on his right, I saw him reach toward his right hip. I don't know, I didn't see what he grabbed for.

DH Okay.

JK And I heard my partner say don't reach for it. And then there were shots fired. Multiple shots. I don't know how many. Somewhere, I would guess between three and eight. But I don't, I don't know.

DH Okay.

JK Um like I said I grabbed the, the juvenile female from the rear passenger seat. Brought her back to my squad. At that time uh Roseville officers were arriving on scene to assist.

(knocking)

JK They...

DH It's alright keep going.

JK They, ordered the, adult female front passenger out of the car. She got out of her car. Um she was, instructed on the sidewalk and she was handcuffed by Roseville officers.

DH Okay.

JK Her and the juvenile female were then put in the rear seat of my squad car.

DH Okay.

JK After that, medics arrived. My officer in charge arrived.

DH And who was that?

JK Officer Sunde.

DH Okay.

JK And we were advised to, come up to the PD for a statement at a later time.

DH Okay. And that's, and that's the last involvement you had?

JK Correct.

SM When uh when you were standing at that, that rear passenger door.

JK Yes.

SM At what point did you see your partner's gun out? Do you remember? In reference to when he ss, when you heard him say don't reach for it.

JK Um-hm.

SM Was his gun out then? Was he,

JK To be honest with you I don't, I don't remember seeing his gun. I think the B pillar, the pillar between the front driver's seat and the rear driver's side passenger seat

SM Um-hm

JK Um was obstructing his, right side and my partner's handed so I didn't see the firearm until I heard shots fired.

SM Okay.

DH So is it fair to say that the shots being fired surprised you?

JK Yeah, absolutely.

DH Okay.

SM Um, after you took the girl back to your car.

JK Um-hm.

SM Were you, were you there when the male was brought out of the vehicle?

JK No I was not.

SM Okay. Did uh, um did the uh younger female, the one in the rear passenger did she talk to you at all? Did she...

JK No she's...

SM ...say anything, make any comments to you?

JK She screamed a little bit. She was crying. And I don't remember exactly what she said. Um, the adult female when she was in my rear, the rear of my squad she said something about the driver having a permit to carry. And that he, had told my partner that. And like I said I didn't hear the conversation on the inside of the car. Just, my partner's responses.

DH Did you have any conversations with your partner after the shooting?

JK No I walked over and I asked him if he was okay. He was, you know, visibly upset. Disturbed, by what had just occurred. And uh my OIC, Officer Sunde was there. She, spoke with him. Told him everything was okay.

DH Okay.

JK And then I was instructed to come up to the St Anthony Police Department.

DH Okay. Were you two brought up here in the same car?

JK No. I drove my, I drove Officer Sunde's squad car.

DH Okay.

JK Up here and Officer Yanez was transported by a Roseville officer up here.

DH Okay.

JK Once we got up here we separated. One of us was in the rollcall room and one of us was in the squad room.

DH Okay. And you haven't had any discussions with anybody about this incident until this morning?

JK Correct.

DH Okay.

SM Uh from your vantage point uh could you see the uh anything that uh, um the male's hands, the driver's hands. Could you see where they were going? If they had anything in the hands?

JK I couldn't see his left hand. Uh when I heard my partner say don't reach for it my main focus was his right hand which like I said as he leaned onto his right butt cheek he put his right hand down toward his right hip. And that's...

SM Would that have been towards the center console?

JK Correct towards...

SM Okay.

JK ...the center console. I don't know if he was reaching, to his hip or down in between the seat and the center console. I just saw his hand go toward his right hip. And, then I heard the, the shots.

DH So did he, when you heard your partner say, don't, don't reach for it did the male stop?

JK He,

DH Or did his movement continue?

JK His movement, his movement continued. His hand was still by his right hip. He didn't, I couldn't hear the conversation inside the car so I don't know if he said what he was reaching for.

DH Okay.

JK Um and I, I didn't see a, a sss, a sudden movement. But he was reaching on his right side.

DH Okay.

SM Could you uh, (sigh) could you tell anything from your training experience on the demeanor of anybody inside that car? Um,

JK Uh(sigh) physical demeanor, without being able to hear the conversation from inside the vehicle, no. Um, other than you know the male leaning to his right and putting his hand toward his right side. His right toward his right hip. I don't really, I couldn't hear if anybody was saying anything or mouthing anything. My, focus was his right side right at that time.

SM Um do you know what the uh what the female was doing? The, the adult female was, was she animated at all? Was she just sitting there with,

JK At the, at the time of the stop? Or after...

SM (inaudible)

JK ...after the incident?

SM During the incident.

JK I couldn't hear if she was saying anything at the time of the incident.

SM Okay.

JK After the incident occurred she was hysterical.

SM Um-hm.

JK Um, and I don't, I don't remember what she said the, the driver's name was. But she said something about her boyfriend, is my boyfriend okay or something to that liking.

DH Okay.

SM Have a you or your partner uh seen that male uh other than believing that was a, a suspect from that robbery? Have you ever had any contact with that person either female or the male...

JK Not...

SM ...that you remember?

JK ...not that I can recall. No they didn't look familiar to me at all.

DH Okay. Um, the female or the passenger side windows on this vehicle were the rolled up or down?

JK I don't recall.

DH Okay. If they were rolled down just from past experience with other traffic stops do you think you would have been able to hear the exchange?

(pause)

JK Typically you hear some of the exchange.

DH Yeah.

JK It all depends on how loud you know the driver is speaking.

DH Okay.

JK But, I didn't on this...

DH Okay.

JK ...on this incident.

DH Okay and you don't remember if the windows were up or down?

JK I can't recall.

DH Okay. I don't have any more questions. Is there anything that we haven't asked you that you think is important we should know?

JK Not that I can think of no.

DH Okay. The time right now is 1:26 and that'll be the end of the interview.

END OF RECORDING.

MINNESOTA BUREAU OF CRIMINAL APPREHENSION - Franzmeier, Cynthia (Operations Center / Minnesota Bureau of Criminal Apprehension)
Narrative begins on the following page.

On July 8th, 2016 at approximately 1306 hrs, Senior Special Agent Luke Hanegraaf and Special Agent Michelle Frascione conducted an interview of St. Paul Fire Fighter Zachary Johnson at the Station 23 fire hall. Johnson advised he was working on July 6th, 2016 with Mike Paider, Capt. Larry Goodman, Joe Balazs, Eric Torgerson and Juan Cortez.

Johnson stated at approximately 9pm on July 6th, 2016 his station was dispatched to a shooting in the area of Larpenieur and Frye in the City of St. Anthony. Johnson stated he was responsible for driving the ambulance. Johnson said upon arrival he retrieved a backboard from the ambulance and brought it to the patient. Johnson said as "they" were rolling the patient over to check for more wounds a "pistol was exposed." Johnson said an officer at the scene removed the pistol from the patient's right "side" and set the gun on the ground.

Johnson said he then transported the patient to Hennepin County Medical Center (HCMC) because it was the "straightest and fastest route without having to wait." Johnson said care of the patient was then transferred to HCMC. This interview was audio recorded, transcribed and attached to this report. For exact words and verbiage, please refer to the recording and/or transcript. As a result of this activity exhibit 2016-433/14.1 was obtained.

OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Zachary Johnson (ZJ)	INTERVIEWED BY:	SA Michelle Frascone (MF) SSA Luke Hanegraaf (LH)
REVIEWED BY:			

MF Today is July 8th, 2016 at 1:06 P.M. This is, interview's in regards to case, BCA case number 2016 4-3-3. Present is myself Special Agent Michelle Frascone as well as Senior Special Agent Luke Hanegraaf. Also, present with us is um, Saint Paul Firefighter Zachary 'eh, Z-A-C-H-A-R-Y, last name Johnson, J-O-H-N-S-O-N. We're at 1926 Como Ave in Saint Paul, MN 55108 with a phone number of 651-642-0604. Zach, does that sound correct?

ZJ That sounds correct (inaudible)

MF 'Kay. Were you working on July 6th, 2016?

ZJ Yes.

MF What is your typical hours of work?

ZJ 08 to 08. 24 hour shift.

MF Okay, and who were you working with?

ZJ Mike Paidar.

MF Anybody else?

ZJ Uh, the rest of the guys?

MF Yep.

ZJ Uh, Captain Larry Goodman, Driver, Joe Balazs, uh, and Eric Torgerson and Juan Cortez.

MF Zach, at some time during your shift on the 6th, you guys were called to a shooting, is that correct?

ZJ That is correct.

MF Can you tell me about that?

ZJ Uh, right about 9 o'clock, we got called out, dispatched to a shooting up on Larpenteur and Frye. Um, that day I was driving the ambulance with my medic partner (inaudible) and as we got up towards, you know on the way to Larpenteur hadn't given us a all clear to come in so we kinda slowed down a little bit. Uh, waited 'til they said it was all clear, we, so then I turned on to Larpenteur from Snelling and as we approached the first police vehicle, um, there was I wanna say it was uh, either a sheriff or a highway patrol had a long rifle squatted down by the car. There was another officer kind of standing to direct traffic and we asked them if it was all clear um, 'cuz we had gotten an all clear code to go in but with them still squatted behind the car, we wanted ta' just to double check. Um, so then we clarified that it was safe to go in. As we pulled up, uh, we were going west bound on Larpenteur um, the car and the patient were on the east bound's lane, so south side of Larpenteur. And uh, the police, one of the officers directed us in so we pulled, I pulled the ambulance real close to

where the patient was, the, one of the officers was doing CPR. Um, then when I got out of the medic rig, I grabbed the back board and got that, started to get that ready and uh, Juan Cortez help me with the back board. And then, he took over that and then I went around the back 'ta get the stretcher out, then I brought the stretcher over to the patient and everybody was already around 'em by that time. So, we, they were still doing CPR, we got the back board in place. After the backboard was in place, they rolled him over on his right side so that they could look for more wounds, you know check the back of the body. Um, and then when we rolled 'em back over towards onto the board um, as the pistol was exposed. So, one of the officers took the pistol out of his right side and then he set that on the ground and then we finish putting him on the long board and buckled 'em in. Put him on the stretcher and then put the stretcher in the ambulance. Um, and then at that time I tried to go up and help a little bit but there's already five other guys in the rig. So, I just went back to the driver's seat.

MF 'Kay, and where did you transport to?

ZJ We went to HCMC.

MF Okay, and what was your reason for transporting to HCMC.

ZJ Uh, straightest and fastest without having to wait (inaudible)

MF Okay, as a level one trauma center?

ZJ Yes.

MF Okay.

ZJ Yup. Straightest uh, fastest hospital we get to.

LH Is that typically your protocol 'ta 'eh depending on where you're at, do you graphically get to the closest one? The fastest?

ZJ Yes.

LH Okay.

ZJ I couldn't cite that number but.

LH (inaudible) So, 'eh I'm just gonna back you up a little bit um, Zach. This happened in the city of Falcon heights?

ZJ Yes.

LH Okay, and does Saint Paul Fire and Paramedics, do they cover Falcon Heights as well?

ZJ Yes, Falcon Heights and Lauderdale.

LH Okay. Is it just paramedic service and fire service or one or the other 'er?

ZJ Um, typically just the medic service but if they have something overwhelming, they have a mutual aid agreement that fire will assist.

LH Okay, and when you arrived on scene um, your first observation of the patient, could you tell me what you remember on the, what he was wearing?

ZJ He had a white T-shirt on and light colored shorts.

LH Okay.

ZJ Uh, either blue jean shorts (inaudible).

LH Alright, and you mention that he had um, wounds. Do you remember what side of the body the wounds were on?

ZJ Uh, I saw blood on the left side.

LH Okay.

MF We'll just continue if that's okay.

ZJ Okay, sure.

MF Yup. So, um, I believe Luke was just asking you about wounds?

ZJ Yup, I saw blood and some gunshot wounds I thought were on the arm...

MF Okay.

ZJ ...as we rolled 'em and I, you know, just a lot of blood on the back. I wasn't close enough to see the wounds.

MF Okay, and um, you transported to HCMC, what did you do when you arrived at the hospital?

ZJ I opened the doors and I held the, and then got the, ambulance, or the emergency room doors open.

MF Okay, and...

ZJ Held those.

MF ...what did you do after that? What was the next thing you did?

ZJ The next step?

MF Um-hm.

ZJ Uh, I walked in with the stretcher and uh, patient (inaudible) to the trauma bay.

MF Okay.

ZJ And then I just sat back and watch that, emergency room take over.

MF Okay, did you assist with cleaning of the ambulance at all?

ZJ Yes.

MF Okay, was there um, any items of the patient's left in the ambulance that you recall?

ZJ No.

MF No.

ZJ I don't recall seeing anything.

MF Okay. We just went over injuries and cleaning of the ambulance.

LH 'Kay.

MF Do you know who removed um, what you described as a pistol from the patients right side?

ZJ Um, one of the officers on the scene. I think the guy that was doing CPR originally.

LH Okay.

ZJ Well at least while we pulled up I think he was doing CPR.

LH Can you describe that, that you believe it was in the right pocket?

ZJ The pistol?

LH Yes.

ZJ Yes.

LH Okay.

ZJ Right side or right pocket 'er.

LH Okay.

ZJ It was right um, right thigh, is where it was.

LH Okay.

ZJ That I remember.

LH Alright, did ya' when you saw that weapon, do you remember what color it was?

ZJ Uh, it was either a dark charcoal or a black.

LH Okay, and (inaudible).

ZJ Almost like a Glock or a one of the Torgens.

LH Okay. Would you describe that as like a self-compact or a full frame full size as far as, this a self-compact Glock, would you describe it as being bigger or smaller?

ZJ Uh, close to that size.

LH Close to that size? So we're not talking about a little...

ZJ No.

LH ...little gun that just fits in the palm of your hand? Alright. And have you responded to shooting situations before?

ZJ Yes.

LH Or calls?

ZJ Yes.

LH Okay, is it um, is there anything that you did different in this one that you would've done or did in the past?

ZJ Umm, we haul them. I mean he was pulseless and (inaudible) so.

LH Okay.

ZJ I mean thought was, expired so maybe not haul 'em but you know if they were giving CP uh, police were giving CPR so we, we hauled 'em.

LH Alright.

MF Zach is there anything you think we should know that we haven't asked you?

ZJ Not that I am aware of.

MF Okay. (inaudible) end the interview at 1:16 P.M.

Narrative begins on the following page.

On 07/08/2016 at about 12:23 PM SA Pritzlaff and SA Henning conducted an interview with Juan Manuel Cortez, DOB: 09/04/1978. Cortez is employed by the St Paul Fire Department as an EMT/Firefighter. Cortez told agents that he has been employed by the SPFD for the last ten years. The interview was conducted at St. Paul Fire Station #23, located at 1926 Como Ave West, MN 55108. The interview was recorded and will be placed on a CD, acquisition of exhibit 2016-433/16.1. The recording will be transcribed and attached to this report.

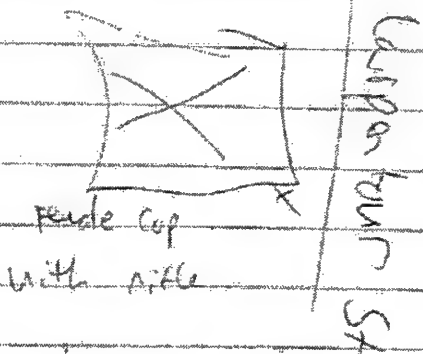

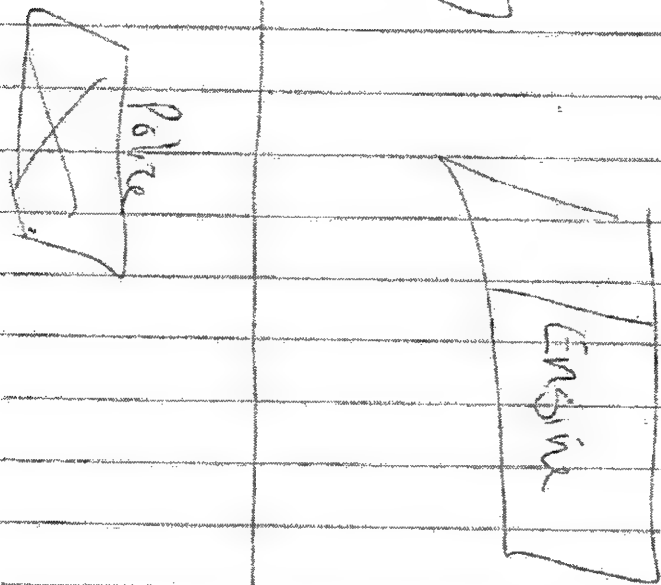

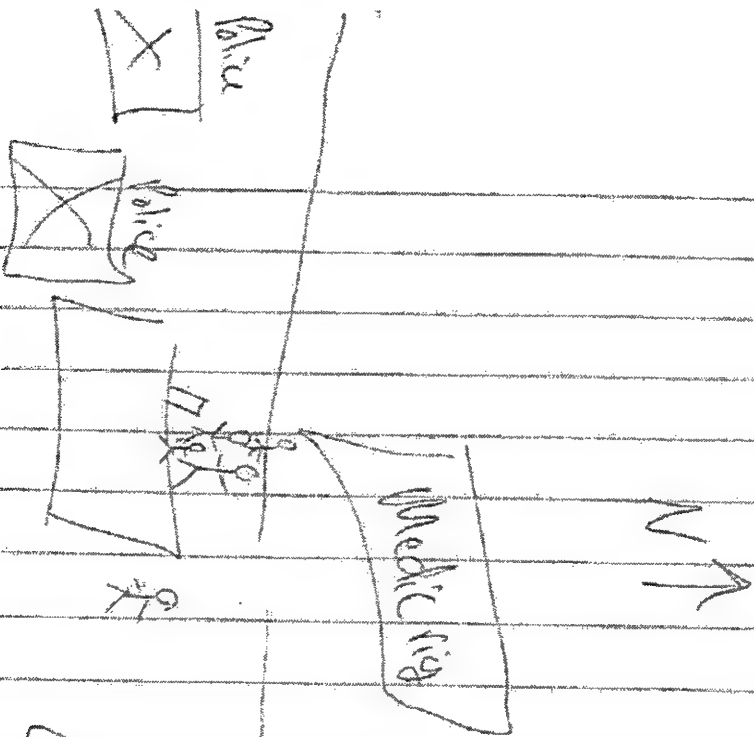

Cortez told agents that he was working on 07/06/2016 with 5 others, which included Captain Larry Goodman. Cortez said that he recalled being called to a medical in the area of Larpenet Ave and Fry St. in Falcon Heights. Cortez told agents that the original call came out as shots fired. Cortez said that all staff responded to this call which is standard operating procedure with medicals. Cortez said that he remembered seeing a female officer providing cover to other officers a short distance from the scene. Cortez told agents that it took about 4-5 minutes to respond to the scene.

Cortez said that as fire personnel arrived he observed a police officer doing CPR on an African American male. Cortez said that the male was laying on his back in the street near a car. Cortez said that there were other officers standing nearby. Cortez said that he immediately went to get the stretcher from the ambulance after exiting the engine. Cortez said that when he got to the patient with the back board the group started to move the patient into position onto the backboard and a pistol fell from the patients right side pants pocket. Cortez described the pistol falling from the lower mid area of the patients pants. Cortez told agents that a police officer had yelled gun when the pistol fell from the patients pants. Cortez said that an officer moved the gun away. Cortez said that the same officer that yelled gun was the one that moved the gun away.

Cortez told agents that the patient had no signs of life but was transported to Hennepin County Medical Center. Cortez said that he rode in the back of the ambulance while the patient was transported to HCMC. Cortez was asked if he or others cut the patients clothing off. Cortez said that he didn't believe they cut off any clothes. Cortez said that after the patient was turned over to medical staff at HCMC he returned to the ambulance and cleaned it. SA Henning asked Cortez to draw a diagram of the scene which he did, acquisition of exhibit 2016-433/16.2. The diagram will be held as evidence.

TRANSCRIPT

INTERVIEW DATE:	July 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	SPF Juan Manuel Cortez (JC)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michael Pritzlaff (MP)
REVIEWED BY:			

DH Okay the recorder is going. This is Doug Henning I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. The date today is uh 7-8-2016. Time right now is 12:23 P.M. Um I'm here with my partner Special Agent Mike Pritzlaff. Um this is in reference to case number 2016-433. And this will be an interview with Juan J-U-A-N, correct?

JC Correct.

DH Middle name Manuel, M-A-N-U-E-L, last name Cortez, C-O-R-T-E-Z. Your date of birth 9-4 of 1978 is that correct?

JC That is correct.

DH Okay and for the purposes of this interview the address for you is 1926 Como Avenue West, St Paul, Minnesota and I'm not sure of the zip code right now we'll add that later. Um your phone number here at, at work is 651-644-7930 is that correct?

JC That's correct.

DH Okay. Um Juan can you tell me where you're employed?

JC I'm employed with the City of St Paul as a fire fighter. St Paul Fire.

DH Okay and how long have you been a fire fighter?

JC I've been a fire fighter for ten years.

DH Okay. Um can you tell me about what your duties are here?

JC I'm a EMT

DH Okay

JC And also a fire fighter

DH So what does that include? Tell me what your duties typically are.

JC (inaudible) respond to dwelling fires as well as car fires. We put out whatever fire that come about uh I'm an emergency medical technician.

DH What is that?

JC Uh we service the uh St Paul for medical uh alerts.

DH So you respond to medicals?

JC Yes.

DH Okay. Um and you're EMT are you EMT basic, EMT...

JC EMT basic

DH Okay. So are, are there, are there EMT's as well as para, or a EMT paramedics...

JC No

DH ...here in the fire department?

JC EMT's or paramedics.

DH Or paramedics?

JC Or paramedics.

DH So you're not a fire fighter and a paramedic?

JC There are fire fighter paramedics. You're either a fire fighter EMT or a fire fighter paramedic.

DH Okay so, when you guys get called to these, these medicals who goes? Is eh is there always paramedics on duty?

JC there are always paramedics on duty.

DH Okay so what's the protocol when you get a call for like a medical?

JC Um everybody here at the station goes. Uh whoever is if we're full um staffed (inaudible)...

DH What's...

JC ...medic.

DH What's full staff?

JC Um well full staff is when, we're a super medic...

DH (inaudible)

JC ... here at station 23 so it's (inaudible)

DH Okay

JC Uh there are four, there are four people on the crew on the engine.

DH Okay.

JC A medic, a captain and two fire fighters usually in the back.

DH Okay.

JC And then on the medic rig there is a paramedic and an EMT.

DH Okay.

JC So we all respond together.

DH Okay so in the ambulance, there's a paramedic and an EMT?

JC That's correct.

DH And then on the...

JC Engine.

DH ...on the engine?

JC Typically the Captain, the FEO and the driver. And two firefighters in the back.

DH The Captain and what'd you say?

JC The Captain and the driver.

DH The Captain but you said FPO?

JC He's the FEO, the driver is the FEO.

DH FEO?

JC Yes.

DH F-E-O

JC That's his title.

DH Or driver?

JC Correct.

DH What does FEO stand for?

JC Field equipment operator.

DH A field engine operator, equipment operator, okay.

JC Yes.

DH Okay and the and then how many additional people besides those two?

JC Two.

DH Two?

JC Two in the back

DH Two in the back.

JC Usually they're firefighters but it could be a medic or a firefighter depending on who's filling that spot that day.

DH Okay. So typically it's six people on a shift.

JC For a super medic which is our station.

DH Super medic. Okay.

JC So usually six all together respond.

DH Okay so when you have, when you have any medical at all...

JC Six people respond.

DH ...everybody responds?

JC That's correct.

DH Six people respond. And, okay so can you tell me were you working on the 6th? So like two days ago?

JC I was working on the 6th.

DH Okay um, what are you shifts here?

JC Uh we work 24 hours.

DH You work 24...

JC On, 24 hours off.

DH Okay. Okay so you were working on the 6th of July?

JC That's correct.

DH I just want to draw your attention to a call for service. Um in the area of Larpenteur and Fry. Did you respond to that?

JC Yes I did.

DH Can you tell me about that?

JC Yes I can. The call came in as a shots fired. Um we all jumped in the engine. We didn't get the information right away as to what exactly had been, happening.

DH Okay.

JC So uh we responded.

DH Remember about what time that was?

JC It was around 9:00

DH Okay.

JC And we went to the call and as we turned onto Larpenteur

DH That's, I just want to stop for a second, 9:00 P.M. right?

JC YES.

DH Okay.

JC Sorry.

DH Okay so you responded?

JC Wasn't really sure where we were gonna go. Where we were gonna come in to but uh as soon as we turned onto Larpenteur we noticed that one of the uh there was an officer providing cover, for the uh rest, rest of the officers we could actually see down the road.

DH Okay.

JC I didn't see what they were doing

DH Okay

JC But then I realized that it was something serious.

DH Okay.

JC So we drove by her and uh...

DH And when you say providing cover what did you see? Exactly.

JC She had an assault rifle, providing cover for the officers that were down the street. She was behind her vehicle, knelt down, providing cover.

DH Okay.

JC So uh we drove by her, went down to the scene. And I was standing up trying to see what's happening.

DH Okay.

JC And uh the officers there, they had a guy down on the ground.

DH Okay.

JC And they were doing CPR.

DH So, there was a person outside the vehicle?

JC Outside the vehicle.

DH Okay.

JC On the floor.

DH Okay.

JC And there was an officer doing CPR.

DH On the floor or on the ground?

JC On the ground.

DH So on the street?

JC That's correct.

DH Okay.

JC So uh as we pulled up my first thought was we need to get him up into the ambulance and get him to the hospital.

DH Right.

JC Uh, as well as treatment.

DH Okay.

JC So uh I jumped out, everybody jumped out at the same time. And I went for the stretcher in the medic rig. So we can get him on the stretcher and get him into the rig. The Captain called out for a backboard.

DH Okay can you, can you identify, who the captain was?

JC Larry Goodman.

DH Is Larry here today?

JC Yes he is.

DH Okay. Who else was there?

JC Uh Eric Torgerson.

DH You know how to spell his last name?

JC No (laughs)

DH Torgerson?

JC Torgerson yeah.

DH What's his, his job?

JC He's a paramedic.

DH Okay so he was in the ambulance?

JC Yes he was.

DH Okay.

JC No he was in the engine with me.

DH Oh he was?

JC Yes he was.

DH Okay.

JC Larry Goodman was in the engine. Eric was in the engine with me. And our driver is the pool guy he isn't usually here.

DH Okay.

JC His name is Joe Balazs.

DH Joe?

JC Balazs
DH Balazs. So he just floats from station...
JC That, that's correct.
DH ...to station? Okay.
JC Yes.
DH To fill vacations or whatever?
JC Exactly the FEO is on vacation now.
DH Okay. Um
JC So the ambulance pulled in ahead of us. They were in front of us.
DH So who else was on the, on the rig then?
JC On the engine or?
DH There should have been oh yeah you were on the rig as well.
JC I was (inaudible)
DH And who was in the ambulance?
JC The ambulance was Mike Paidar, also a paramedic.
DH Paidar?
JC Paidar, P-A-I-D-A-R I believe.
DH Okay. And who was with him?
JC Zach Johnson. EMT. Who was also driving at the time.
DH Okay. Okay so you guys pull up.
JC We all pulled up about the same time. Jumped out. As I was getting out one of the police officers was doing CPR.
DH Okay.
JC Um I went for the stretcher. And the Captain yelled at me to get a backboard from the medic rig. So I went and grabbed the backboard and the collar and brought it over.
DH Okay.
JC We were trying to situate everything to get the, patient maneuvered so we can get him onto the backboard.
DH Okay.
JC Um we started putting a collar, and the blocks on his neck
DH Let me stop you for a second. When you approached the scene the officers.
JC Yes.
DH What did you see?
JC Um there was one officer down on his knees doing CPR at the time.
DH Yeah.
JC And I feel like the rest of 'em were pretty much, standing around him. Um as soon as I got there I saw the patient and I knew that he needed help. My focus was mainly on the patient.
DH Okay.

JC So I really didn't focus on anyone else.

DH You didn't see anything around?

JC No.

DH Any, any other stuff laying around?

JC No.

DH Okay.

JC No I saw the patient, went for the patient.

DH Okay.

JC So uh we started maneuvering everything to get ready for the backboard to slide up underneath him. Moving the seatbelts and...

DH Okay.

JC ...collaring him and uh one of the officers called out if he should, the officer that was doing CPR called out if he should continue CPR. And I told him to continue.

DH Yeah.

JC Cuz we were still prepping everything.

DH Yeah.

JC And, as we were prepping...

DH I'm gonna stop you for just a second. From the time that you guys got the call.

JC Yes

DH To the time that you got there how uh how long do you think it took you? Just estimate.

JC Four, five minutes. I, yes it wasn't that long.

DH Okay. Okay go ahead.

JC So as we were, maneuvering the patient to get the backboard underneath of him, a pistol fell out of his pants.

DH Okay.

JC Um it looked like it was not on his right side pocket but lower, mid area.

DH Okay.

JC One of the police officer, officers yelled uh gun and well it was already on the ground.

DH Okay.

JC So we continue to, package him. He grabbed the pistol and...

DH Who did, the police officer?

JC One of the police officers that were standing there.

DH Okay. You don't know who that officer was do you?

JC No. No.

DH Okay.

MP And you were, sorry for interrupting, when you were demonstrating you moved your hand to the right. Do you recall what side the weapon was on?

JC Oh it was on the right side. I came, I brought the board to his left side.

MP Okay.

JC He was um, the car let me think here just a second and get oriented. The car was headed east. He was down on the ground. The police officer was on his left side doing CPR. I came onto his right side. Brought the board in next to him and then we had to slide it, lift him and slide him uh the board underneath him. And as we were jostling him the pistol fell out of his pocket on his right side.

DH So what I'll have you do at the end is I, I may just ask you to diagram...

JC Okay.

DH ...the scene. And then just, just kinda show us where everything was. But we'll do that at the end okay?

JC Okay.

DH Um so the pistol falls out.

JC Yes.

DH Did, you said you yelled gun or the officers yelled gun?

JC Yeah one of the officers did.

DH Okay. (pause) Can you tell me if that same officer picked it up or you weren't looking?

JC The same officer picked it up. And the officer was doing CPR there was another one next to him on his right, he's the one that called out gun and then he picked it up.

DH Okay.

JC So like I said the gun was already on the ground. We continued to put him on the backboard.

DH Okay.

JC Um, we lifted the patient up onto the stretcher. Moved him to the medic rig.

DH Okay.

JC And transported him to the hospital.

DH Was he still breathing do you know?

JC No. He was not breathing.

DH Okay. Was there any function I mean you didn't ride in the ambulance then or did you?

JC No I did. Yes.

DH You did? Okay.

JC Yeah there was no, no signs of life.

DH Okay. But you continued to work him 'til you got to the hospital?

JC Yes we did.

DH Who was in the ambulance then working him with you as you transported him?

JC Larry Goodman, myself.

DH Larry's the captain right?

JC Larry's the captain. Eric Torgerson.

DH Okay.

JC Mike Paidar.

DH Mike is a paramedic?

JC Yes he is.

DH And...

JC Zach Johnson drove. And Joe Balazs drove the engine to the hospital and met us there.

DH Okay. But these are the people that transported?

JC Yes.

DH Now is, is that typical when you've got a critical patient like this that uh you do all hands on deck and get as many people...

JC Uh...

DH ...in there as (inaudible)

JC Yes definitely.

DH Okay. So is, Zach drove?

JC Zach drove.

DH So the three of you provided care?

JC Yes.

DH In the back?

JC That's correct.

DH Okay.

JC Four of us. Larry,

DH Well there was only three in the back and one driver right?

JC Well Zach Johnson was driving.

DH Yep.

JC Now keep in mind Eric and I are typically on the engine.

DH Okay.

JC But because of the nature of the call we all jumped into the ambulance to trans...

DH Okay

JC ...transport together.

DH Okay. So, four of you were back there working on...

JC In the back.

DH Okay.

JC Joe drive the engine. Zach drove the medic rig. The rest of us were in the back of the medic rig.

DH Okay so, where did you transport 'em to?

JC HCMC.

DH Okay. Was he still fully clothed or did you guys do some cutting off of, of the clothes or can you tell me?

JC No we didn't cut off his clothes. Um, let me think here how it went. We got him to the rig. Larry Goodman was at the head he started doing airway, management. And, Eric started,

tried to stop the bleeding. And he was doing an IV and I went back and forth between the two of them trying to help them out. That's my job is going back and forth handing 'em what they need, assisting with whatever they're doing.

DH What did, what was Mike doing?

JC Uh he was also he, he was trying to stop the bleeding there were a couple holes. They were trying to stop uh they had to um, it looked like there was some, bleeding coming out of his chest. And his side. From what I could see like I said it, it all happened kinda fast.

DH Okay but, that you recall?

JC That I recall and uh (inaudible)

DH You guys didn't cut off his clothes or anything?

JC No we didn't.

DH So did you see, anything else? See, when that gun fell out was it in a holster?

JC I didn't see a holster.

DH Okay.

JC All I saw, all I saw as we were, let me think here, as we tipped him to his right it came out and landed on the ground.

DH The gun?

JC The gun. I didn't see if it came out of the pocket or a holster.

DH Okay.

JC I just saw it fall to the ground.

DH It just fell out?

JC That's correct.

DH When you were moving him down to get him in position to put him on a backboard?

JC When we were tilting him to the side to get the backboard underneath his left side.

DH Okay.

JC Yes.

DH So then, you transport him, you give him care during the transport?

JC Yes.

DH You take him to uh HCMC in downtown Minneapolis?

JC That's correct.

DH How do you determine where to go to?

JC That's usually up to the captain it's his discretion.

DH Okay.

JC Um usually it's the closest trauma center.

DH Okay.

JC And to us uh Minneapolis is a little bit closer than...

DH Regions?

JC ...the far side of St Paul, yeah.

DH Okay. Um, so then you get him there and (inaudible)

JC Bring him into the trauma room.

DH ...what happened? Okay.

JC We, move him over to their bed and then they just take over from there.

DH Okay. You all step back?

JC That's correct.

DH Do you know any of the personnel that was working at HCMC?

JC I do not know anybody at the hospital, HCMC.

DH Okay. Who came in to help can you describe the people that came in to help or give care?

JC There were a number of doctors and nurses in there.

DH Okay.

JC All fully gowned, ready to go when we got there.

DH And when you say gowned, face masks?

JC Face masks, (inaudible)

DH Full surgical gowns?

JC That's correct, yes. (pause) They literally get dressed ready for us when we come in they take over.

DH Okay.

(pause)

DH So then what did you do?

JC Well after we dropped him off I went back to the medic rig.

DH Okay.

JC And uh kinda started cleaning it was kind of a mess.

DH Okay.

JC Uh there was lots of blood.

DH Okay.

JC Um, a lot of equipment thrown about is what were used um that's pretty much what I did is started cleaning. Throwing stuff away and cleaning up the mess that, resulted from the call.

DH Okay so you could continue to work.

JC That's correct.

DH Okay. Um, after you guys got that cleaned up, then what did you do?

JC Returned back to service.

DH Okay.

JC Um, we came back, the medic rig actually had to go and switch out the cot.

DH Um-hm.

JC Um it was, put out of service because of how drenched it was with blood.

DH Okay.

JC So they had to replace it.

DH Okay.

JC So they went to a different station to replace that. The engine came back and returned to service.

DH Okay.

JC So,

DH And...

JC Stocked the medic rig and,

DH And then you didn't go back to that scene at all at any point?

JC We did not go back to the scene. No.

DH Okay. The only reason I'm asking is because I know there was a wash down of blood at some point I'm just wondering if you guys went back and did that.

JC No.

DH Okay. Any other questions?

MP Did, when you were there did you hear, figure out, discern what had happened or did you hear officers talking about what had happened or?

JC No I didn't like I said when I got there I saw the patient how badly he was hurt uh my main focus was just getting him into the medic rig, trying to help him as much as I could.

DH Okay.

JC Along with my partners and I kinda, zoned everybody out. I knew the cops were there. I didn't have to worry about anything else except for the patient.

DH Yeah so can you describe the patient?

JC Um, African American. Um like I said he was down on the ground, face up and he was covered in blood.

DH You say he? It's a male then obviously.

JC A male, yes.

DH Or it appeared to be a male?

JC No, he was a male. I could tell he was a male.

DH Okay. Okay. About how old?

JC Hmm 30's?

DH Can you describe him at all?

JC Other than that no.

DH No?

JC (inaudible) I was looking, down where everything was happening. Uh the CPR...

DH So you were just dealing with...

JC ...blood.

DH ...with the blood and CPR and...

JC With the blood, that's right.

DH ...just trying to keep this guy alive.

JC That's what I was doing.

DH Okay.

JC Yeah.

DH Um, is anything that I haven't asked you that you feel is important we should know about?

JC Um give me just a minute to think. (pause) No like I said when I got there my (inaudible) was getting him into the medic rig and doing what we could to get him to the hospital as fast as we could.

DH Okay.

JC Um I really didn't focus on anything else that was going on. Or the officers talking. Just on the patient.

DH Okay.

JC And his wounds.

DH Okay. I don't have any more questions for you. I am going to end the interview right now at uh 12:43. Thank you.

JC Yeah thank....

END OF RECORDING.

Narrative begins on the following page.

On 07/07/2016 SA Henning attended the autopsy of Philando Divali Castile at the Hennepin County Medical Examiner's Office (HCME). The autopsy was conducted by Chief Medical Examiner Dr. Andrew Baker. SA Henning observed the examination up to the point of the internal examination. SA Henning was called away from the autopsy prior to its conclusion.

SAJC Scott Mueller, Ramsey County Attorney's Criminal Chief Richard Dusterhoft and SA Henning returned to the HCME and met with Doctor Baker at about 4:00 PM the same day. Dr. Baker told the group that Castile had died due to exsanguination due to multiple gunshot wounds. Dr. Baker also told the group that Castile's manner of death would be listed as homicide.

SA Henning will attach the final autopsy report when they are provided by the HCME Office. On 08/02/2016 SA Henning met with Dr. Baker and was provided with an Imation 4GB thumb drive containing the final autopsy report for Philando Castile, acquisition of exhibit 2016-433/17.1. The thumb drive also contained autopsy photographs and a Power point presentation.

Narrative begins on the following page.

On 07/10/2016 at about 3:00 PM, SAIC Mueller and SA Henning met with Valerie Castile, mother of Philando Castile at her home in Robbinsdale, MN. When agents arrived they were met by Valerie's family, also present was Valerie's Attorney Glenda Hatchett and two of her associates.

Agents explained the investigative process and approximately how long it would take to complete. Agents answered several questions from the legal team about forensic testing. SA Henning provided Valerie Castile with a business card and contact information for future questions. Agents clear the residence after the meeting. No evidence generated by nature of this report.

Synopsis

On July 11th 2016, SA Phill retrieved a 128GB Flash Drive from Roseville PD. The Flash Drive contained all squad video, interview video and reports from the July 6th OIS in Falcon Heights that Roseville assisted with. ACISS item 2016-433/20.1 (Flash Drive) acquired as evidence with this report. On July 19th, the Flash Drive was discovered to be corrupt and it was given back to RPD. They then provided a 64GB Flash Drive with all the correct data. It was later transferred to SA Henning.

Phill, Charles (1385 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page.

On July 11th 2016, Special Agent (SA) Phill retrieved a 128GB Flash Drive from the Roseville Police Department (RPD). On July 18th and 19th the drive was opened to retrieve video and document evidence from the July 8th officer involved shooting in Falcon Heights. The drive was determined to be corrupt and SA Phill returned the 128GB drive to the RPD. Julie Griffin then provided a 64GB drive that contained the video and documents previously requested by SA Phill.

The drive contained the following data:

- Sgt Adams' Squad Video #1 and #2
- Ofc Anderson's Squad Video #1 and #2
- Ofc Dattilo's Squad Video #1, #2 and #3
- Ofc Van's Squad Video #1, #2 and #3
- Ofc Toran's Squad Video #1 and #2
- Interview Room 1 Video #1, #2 and #3
- Interview Room 2 Video
- Roseville PD reports
- Ramsey County CAD data report
- Ramsey County Dispatch Audio

SA Phill verified that all video and audio files were operational on the drive and labeled it evidence item 20.1; the RPD reports and CAD report were attached to this report. SA Phill turned over the Flash Drive to SA Henning and the ACISS transfer form has also been attached to this report.

Supplemental Report

ICR: 16019838

Title: AOA

Last Modified: 07-07-2016 0322

Created By: Juan Toran

On 7/6/2015 I assisted with this incident.

While on routine patrol in Roseville, I heard a St. Anthony officer air "shots fired," in the area of Larpenteur and Fry. I heard loud yelling in a second radio transmission. I activated my emergency lights and began travelling towards the intersection.

Upon arrival, the scene was chaotic. I saw St. Anthony Officer Yanez standing on the driver side of the suspect vehicle, pointing his firearm at the front driver seat and yelling about a gun. St. Anthony Officer Kauser was holding a little girl. I learned there was an adult female in the front passenger seat. Due to the uncertain, chaotic circumstances and mention of a gun, I drew my department-issued firearm and pointed it in the direction of the vehicle.

The female passenger was instructed to exit the vehicle. Officer Anderson and I gave her instructions to walk towards us while facing away from us. While he walked back, I noted there was a cellphone in her right hand and nothing in her left hand. She was compliant with commands. Due to all of the above, I lowered my firearm to a low ready as I continued instructing her to walk towards me. I instructed the female to get on her knees. I re-holstered my firearm and detained her in handcuffs without incident. I patted down her exterior clothing for weapons, finding none. I removed her purse placed it on the back of a St. Anthony squad. I had the female sit in the back seat of the same squad and left her with St. Anthony Officer Kauser.

I returned to the suspect vehicle, where Sgt. Adams and Officer Dattilo had pulled the driver out and were beginning resuscitation efforts. I replaced Sgt. Adams and performed chest compressions for several minutes until St. Paul Fire arrived on scene. I discontinued chest compressions as Fire/EMS rolled the driver towards me to place him on a back board. At this time, I noticed a black handgun begin to slide out of the driver's right pocket. I asked Fire/EMS personnel to pause momentarily so I could secure the gun. Using my (gloved) right thumb and forefinger, I pulled the handgun out of the driver's pocket and laid it on the street.

I posted by the suspect vehicle over the handgun for safety and chain of custody until officers had the scene blocked by tape. At this point, I took a perimeter spot along the scene tape.

See other officers' reports for additional information.

Title: AOA

Created By: Bryan Anderson

On 07/06/16 at 2106 hours I was monitoring Ramsey County West radio channel when I could hear St. Anthony officer state "shots fired". It was also reported that the traffic stop was at Larpenteur Ave. and Fry St.

I immediately responded to the stop from Fairview Ave and Highway 36. Once on scene I removed my squad issued AR-15 and exited my car. I could see that Officer Kauser had a small child in his arms back near the squad cars and Officer Yanez holding a male and female at gun point in the vehicle that was stopped.

As I was approaching the vehicle Officer Yanez yelled to me that there was a female passenger. I then moved over to the passenger side of the vehicle and ordered the female passenger, who was later identified as Diamond Reynolds out of the vehicle with her hands up. Fearing that she may have a weapon I pointed my department issued AR-15 at her. She complied and exited with her hands up. I then told her to turn away and walked backwards to me. During this time I noticed that she had a phone in her hand and it appeared to be recording video.

Reynolds walked back toward me and Officer Toran placed her in handcuffs. I advised her that she is being detained at this time.

Once Officer Yanez was moved away from the scene I stayed with him and drove him back to St. Anthony PD. While at the St. Anthony PD I noticed Officer Yanez had blood on his hand. He stated that the slide from his handgun caught his finger which made it bleed. Photos were taken and then I had Officer Yanez wash the blood off his hand. Once at the PD I continued to assist him and Officer Kauser until they were told they could leave.

Nothing further.

Title: AOA

Created By: Haivy Vang

On 07/06/2016 at 2106 hours, while assisting on an accident at 2401 Fairview Ave N (Hobby Lobby), I heard a St. Anthony Officer aired on the West Main radio channel that shots were fired. The given location of the incident was in the area of Larpenteur Ave / Fry St. in Falcon Heights.

The accident was minor in nature and both parties were instructed to exchange info on their own. I then traveled to the area of Larpenteur Ave / Fry St. to assist other Officers (lights and sirens activated).

I arrived in the area and positioned my squad to block traffic on Larpenteur Ave, just east of Fairview Ave. I diverted eastbound traffic on Larpenteur Ave away from the scene of the incident.

I later assisted with transporting Reynolds (girlfriend of Castile) and her daughter, DAR (four years old), to RPD. Seatbelts were placed on both. At RPD, I placed Reynolds and DAR in the soft interview room and provided both parties water. Reynolds was informed of the locations of the restroom. While waiting for BCA Agents to arrive, Reynolds vomited several times into a garage bin in the room. Reynolds stated she was fine and declined medical attention several times.

Agents from the BCA eventually arrived and interviewed Reynolds.

Reynolds was given her purse and house keys by the BCA Agents.

At Reynolds request and with the permission of Sgt. Adams, I transported Reynolds and DAR to her residence at 970 Reaney Ave E in St. Paul. St. Paul PD met me at the location and provided extra security until I cleared the area.

See other Officers reports for more information.

Nothing further.

Title: Audible witnesses

Created By: Juan Toran

On 7/6/2016, I assisted with this incident.

At one point, while standing in the perimeter, I noticed two people outside of 1683 Larpeur Avenue West. I spoke with them. They told me they did not see the shooting, but heard what they originally thought was someone tapping or rapping on a window, and then saw the aftermath of what followed. I identified them as:

Eric David Winter (DOB 19850316) - 612-810-1185.

Randi Joy Winter (DOB 19850822) - 612-859-8085.

Nothing further.

Title: AOA

Created By: Zach Wiesner

On 07/06/16 at 2106 hours I was monitoring Ramsey County West radio channel when I heard St. Anthony officer state "shots fired." Shortly after the call of "shots fired" I heard a second radio transmission requesting medics code three, and that they were at the intersection of Larpeur Ave and Fry St.

I immediately responded to the stop from Fairview Ave and Highway 36. Once on scene I took cover behind the St. Anthony squad that appeared to be the primary unit on the stop. I could see that Officer Kauser had a small child in his arms back near the squad cars and Officer Yanez was holding a male and female at gun point up at the vehicle. I held the vehicle at gun point with my department issued Glock 22 until the female was detained.

Assisting Officers removed Castile from the driver's seat of his vehicle. I retrieved my squad car's AED and placed it on Castile. The AED said "no shock advised" and Officers continued chest compressions on Castile until St. Paul Medics arrived. As the medics were placing Castile on the backboard, they rotated him onto his right side. As they did this, the handle of what appeared to be a black semi-automatic handgun slid out from his right pants pocket. Officer Toran then secured the hand gun. Castile was placed on a stretcher and transported to HCMC.

Shortly after the medics left I went down to HCMC to sit with the suspect until St. Anthony or the BCA was able to send an Officer. On arrival, the nursing staff in the emergency stabilization area advised me that Castile was dead on arrival. One of the nurses advised that a round ruptured Castile's heart as well as his left lung. I advised Officer Sunde of what information I had on Castile. She contacted me around 2300 hours and advised me I could clear HCMC.

I returned back to Larpeur Ave and Fry St and assisted with crowd control until the BCA conclude their on scene investigation.

See other Officers reports for further information.

Supplemental Report

ICR: 16019838

Last Modified: 07-07-2016 0539

Title: AOA

Created By: Grant Datillo

On 07/06/2016 I responded to Larpeur Avenue at Fry Street for an AOA for St. Anthony Police Department's officer involved shooting.

Upon arrival on scene I observed St. Anthony Officer Yanez standing at the front driver side window of the vehicle. I also observed Castile in the driver's seat, and it appeared to me that Castile had been shot. I told Officer Yanez that I would take his position covering Castile. I took my department issued Glock handgun and held it at the low ready while I assessed the situation and waited for more officers to arrive.

After a short time Officer Adams and I removed Castile from the vehicle and laid him on the ground. Other officers

and myself began performing chest compressions on Castile, placed oxygen on him, and placed an AED (Automated External Defibrillator) on him. Officers continued to perform CPR until St. Paul Fire arrived on scene. Once St. Paul Fire was on scene paramedics and officers began to place Castile on a hard stretcher. During this time I heard Officer Toran say "gun". I noticed a black handgun in the front right pocket of Castile. Officer Toran took the gun out of his pocket and placed it on the ground.

After Castile had been transported to the hospital I noticed a large crowd of people gathering in the parking lot just north of the location of the traffic stop. I approached the crowd and asked if there was anyone that saw or heard any part of the incident.

I asked Chagnon (witness) if she had seen or heard any part of the incident. Chagnon told me that she saw the original traffic stop that was conducted by the officers, but did not see the actual shots being fired.

I asked Nicole Darouie (witness) if she had seen or heard any part of the incident. Nicole told me that she was sitting in a vehicle in the parking lot north of the incident with her brother Bryan Darouie (witness). She heard the officer yell to put your hands up and then she heard the shots being fired. Both Nicole and Bryan told me that they did not see the incident take place.

I explained to Chagnon, Nicole, and Bryan that at this time I was just collecting names of witnesses. I informed them that someone from the BCA or St. Anthony Police Department were probably be contacting them for a statement. All three said that they understood.

I informed the St. Anthony Police Detective Unit of the three people I had spoken with.

For the remainder of the time that I was on scene I assisted with site security.

At the end of the BCA collecting evidence at the location of the traffic stop I was instructed by Sergeant Adams to follow the Twin Cities Tow truck to the BCA until the vehicle was secured at their facility. I followed Twin Cities Towing to the BCA until the vehicle was secured.

Nothing further at this time.

Title: AOA OIS

Created By: Joe Adams

On 07/06/2016 at 2106 hours St. Anthony Officers advised via Ramsey County radio that there were shots fired in the area of Larpenteur Avenue and Fry Street. Due to the nature of the radio traffic, it was evident that the shooting involved police officers. I then requested all Roseville Police Officers to respond to the scene.

Upon arrival, I noted Roseville Officers had detained the female passenger of the involved vehicle. I then proceeded to the driver side window where myself and additional Roseville Officers relieved the St. Anthony Officer who was holding in place. Once at the window, I viewed a male in the driver's seat. The male was motionless and wearing a white t-shirt which revealed a large amount of blood coming from his upper-mid section. Due to the male's status, I entered the vehicle, removed his seatbelt and extracted him from the vehicle. He was then laid face up on the roadway. Once on the roadway, I checked for a location of injury and immediately began to administer CPR.

Additional officers assisted with CPR at which time I began to assist with the allocation of on scene resources.

I remained on scene for the remainder of the BCA investigation and assisted with the facilitation of a peaceful protest.

Nothing further at this time.

Narrative begins on the following page.

On 07/11/16 SA Donarski was asked by SA Phil to retrieve a USB flash drive from the main desk of the DOT Water's Edge building, located at 1500 County Road B2 in Roseville, MN. SA Phil advised that John McClellan with DOT had downloaded a copy of DOT camera footage to a USB flash drive, and had left the flash drive in an envelope behind the counter of the front desk in the lobby of the main building.

On 07/11/16, at approximately 1210 hours, SA Donarski arrived at the DOT Water's Edge building. SA Donarski went to the front desk and advised the female sitting behind the desk that she was with BCA and had come to pick up an envelope left by John McClellan. SA Donarski was then given a white envelope with MN DOT name and address in the upper left corner. Handwritten on the envelope was "Pick up by BCA SA Mike Phil." In the upper right hand corner was the name J. McClellan, exv7025, dated 07/11/16.

SA Donarski then transported the envelope back to MN BCA headquarters in St. Paul, MN. Upon arriving there, SA Donarski opened the envelope and observed a blue and grey USB flash drive with the South Lake Minnetonka Police insignia on it. SA Donarski placed the USB flash drive, along with the envelope it was sealed in into a plastic evidence bag, labeled the bag appropriately and documented the item as property attached to this report (Exhibit 21.1).

On 07/12/16 SA Donarski signed Exhibit 21.1 over to SA Henning

HENNEPIN COUNTY SHERIFF'S OFFICE
Investigative Division
Gun Permit Unit
350 South 5th Street, Room 22
Minneapolis, MN 55415

RICHARD W. STANEK, SHERIFF

06/04/2015

Mr. Philando D. Castile
3906 Regent Avenue North
Robbinsdale, MN 55422

Dear Mr. Castile:

Enclosed please find your permit to carry. As a permit holder, you must have the permit card and a driver's license, state identification card, or other government-issued photo identification in immediate possession at all times when carrying a pistol, and you must display the permit card and identification document upon lawful demand by a peace officer, as defined in section 626.84, subdivision 1. Included with your permit to carry is a copy of Hennepin County Chief Judge James Swenson's order prohibiting firearms in Hennepin County Court Facilities. This is included for your reference.

CHANGE OF ADDRESS/LOSS OR DESTRUCTION OF PERMIT M.S. 624.714, Subd. 7(a)

- (a) Within 30 days after changing permanent address, or within 30 days of having lost or destroyed the permit card, you must notify the issuing Sheriff's Office of the change, loss or destruction. If the card is lost or destroyed, you must provide a notarized statement.
- (b) A permit holder may obtain a replacement card by paying \$10 to the sheriff. The request for replacement must be made on an official standardized application. You only need complete the personal data section of the application and sign and date page one of the application. Return your current permit, the application and fee and a new card and a receipt for your payment will be mailed to you.

Failure to provide notification as required by this subdivision is a petty misdemeanor.

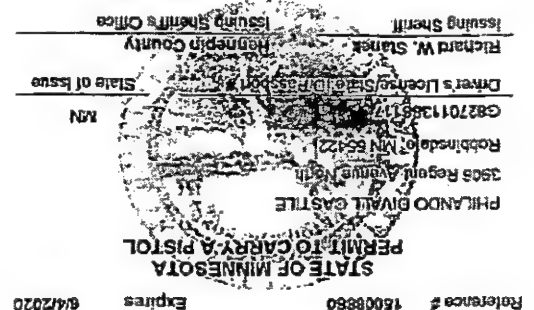

NOTICE OF REVOCATION

Your permit shall be void at the time you become prohibited from possession of a pistol under Minnesota Statutes, in which event you must immediately return the permit to the issuing Sheriff's Office.

Sincerely,

Richard W. Stanek
Hennepin County Sheriff

DATA PRACTICES ADVISORY

The Minnesota Data Practices Act requires you be advised of the following:

As an applicant for a permit to carry a pistol you are being asked to provide private data about yourself that will be used to check various databases to determine your eligibility to possess a firearm.

You may refuse to provide this data. If you refuse, the background check cannot be completed and your application will not be processed. Providing the data will permit the background check to be completed. The result of the check may be either affirmative or negative. The data you provide may be shared with other criminal justice agencies, via court order or as authorized or required by law.

I HAVE READ AND UNDERSTAND THE ABOVE DATA PRACTICES ADVISORY.

TO: Minnesota Department of Human Services or a similar government agency in another state that maintains data about civil commitments

By signing this Authorization for Release of Data I am giving the Minnesota Department of Human Services or a similar government agency in another state permission to release the following types of data about me to the named law enforcement agency. I understand this data will be used by the law enforcement agency as part of a background check to determine whether I am eligible for a permit to carry, to renew a permit to carry or for a permit to purchase a firearm.

The data I am asking to be released is whether I have been:

- Confined as a result of an emergency mental health or other type of hold order
- Confined as a result of a court hold order
- Committed by a court as mentally ill, developmentally disabled or mentally ill and dangerous
- Committed by a court as chemically dependent
- Found incompetent to stand trial or have been found not guilty by reason of mental illness
- A peace officer informally admitted to a treatment facility for chemical dependency

The data is to be released to the listed law enforcement agency:

AGENCY CONTACT PERSON AND PHONE NUMBER:

Gun Permit Unit, 612-348-8008

I understand that by signing this form I am requesting the data listed be sent to the law enforcement agency listed. I may stop this consent at any time by writing to the Minnesota Department of Human Services or government agency in another state. If data has already been released based on this consent, my request to stop the release will not work for that data.

I understand when the data is sent to the law enforcement agency the data could be redisclosed as provided under federal and state law. If I choose not to sign this consent form, I may not be able to receive a permit.

This consent will end five years from the date any permit is issued unless I indicate an earlier date or event here:

RESTRICTIONS

The following restrictions apply to the possession of firearms, to purchase/transfer permits, and reports of transfer for handguns and semiautomatic military-style assault weapons. Individuals with restrictions shall not be entitled to possess a pistol or any other firearm. The legal basis for the restrictions may be found in federal law (18 United States Code § 922) or Minnesota law (Minnesota Statutes, §§ 253B.02, 624.712, 624.713, 624.7131 or 624.714).

- Must be 21 years old to purchase a handgun or handgun ammunition from a federally licensed dealer.
- Must be 18 years old to purchase a semi-automatic assault rifle.
- Must not have been convicted, adjudicated delinquent or convicted as an extended jurisdiction juvenile of a crime of violence in Minnesota or elsewhere unless civil rights have been restored and during that time you have not been convicted of any other crime of violence.
NOTE: This lifetime prohibition on possessing, receiving, shipping, or transporting firearms for persons convicted or adjudicated delinquent of a crime of violence applies only to offenders who are discharged from sentence or court supervision for a crime of violence on or after August 1, 1993.
- Must not have been charged with a crime of violence or placed in a pretrial diversion program by the court before disposition until you have completed the diversion program and the charge of committing the crime of violence has been dismissed.
- Must not have been convicted of fifth-degree assault as defined in Minnesota Statutes, §609.224 or assault as defined in Minnesota Statutes, §609.2242 either in Minnesota or elsewhere since August 1, 1992.
- Must not have been convicted in any court of a misdemeanor crime of domestic violence as defined in 18 United States Code section 922(g)(9). Federal law prohibits the possession of a firearm for anyone convicted in any court of a qualified misdemeanor crime of domestic violence.
- Must not be subject to a court order that (1) was issued after a hearing of which you had actual notice and at which you had an opportunity to participate; (2) restrains you from harassing, stalking, or threatening an intimate partner, a child of an intimate partner, or your own child, or engaging in other conduct that would place an intimate partner in a reasonable fear of bodily injury to that person or a child; and (3) includes a finding that you represent a credible threat to the physical safety of such intimate partner or child or by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.
- Must not be an unlawful user of any controlled substance as defined in Chapter 152 of Minnesota Statutes.
- Must not be a person who is or has ever been committed by a judicial determination for treatment for the habitual use of a controlled substance as defined in Minnesota Statutes, §§ 152.01 and 152.02, unless the person's ability to possess a firearm has been restored under Minnesota Statutes, §624.713, subdivision 4 and must not have been convicted in Minnesota or elsewhere of a misdemeanor or gross misdemeanor violation of Chapter 152 of Minnesota Statutes, unless three years have elapsed since the date of conviction and during that time the person has not been convicted of any other such violation of Chapter 152 of Minnesota Statutes or a similar law of another state.
- Must not have been committed to a treatment facility in Minnesota or elsewhere as chemically dependent unless you have completed treatment or your civil rights to possess a firearm have been restored.
- Must not have been judicially committed to a treatment facility in Minnesota or elsewhere as "mentally ill," "developmentally disabled" or "mentally defective," or "mentally ill and dangerous to the public."
- Must not be a peace officer who has been informally admitted to a treatment facility for chemical dependency unless you possess a certificate from the head of the treatment facility discharging or provisionally discharging you from that facility.
- Must not have been convicted in Minnesota or elsewhere of a crime punishable by imprisonment for more than one year (other than for offenses pertaining to antitrust violations, unfair trade practices, restraints of trade, or similar offenses relating to the regulation of business practices) unless your civil rights have been restored or the conviction has been pardoned, expunged, or set aside.
- Must not be a fugitive from justice as a result of having fled from any state to avoid prosecution for a crime or to avoid giving testimony in any criminal proceeding.
- Must not be an alien who is illegally or unlawfully in the United States.
- Must not have been discharged from the armed forces of the United States under dishonorable conditions.
- Must not have renounced your United States citizenship.
- Must not have been convicted of a gross misdemeanor level crime committed for the benefit of a gang (§609.229); assault motivated by bias (§609.2231, subd. 4); false imprisonment (§609.255); neglect or endangerment of a child (§609.378); burglary in 4th degree (§609.582 subd. 4); setting a spring gun (§609.665); riot (§609.71) or harassment and stalking (§609.749), unless three years have elapsed since the date of conviction and during that time you have not been convicted of any other violation of these sections. (All references are to Minnesota Statutes.)
- Must not be under a qualified domestic abuse restraining order as defined in 18 United States Code section 922 (g)(8) or (9) as amended through March 1, 2014.

RESTRICTIONS

The following statutes describe persons that are prohibited from possessing a firearm:

- Minnesota Statutes, §518B.01, subdivision 14 - Violation of an Order for Protection.
- Minnesota Statutes, §609.224, subdivision 3 - Assault in the 1st through 5th degree with firearms.
- Minnesota Statutes, §609.2242, subdivision 3 - Domestic assaults with firearms.
- Minnesota Statutes, §609.749, subdivision 8 - Harassment; Stalking; Firearms.
- Minnesota Statutes, §624.713 - Certain persons not to possess firearms.
- Minnesota Statutes, §624.719 - Possession of a firearm by non-resident alien.
- Minnesota Statutes, §629.715, subdivision 2 - Surrender of firearms as condition of release.
- Minnesota Statutes, §629.72, subdivision 2 - Judicial review that prohibits person from possessing a firearm.
- Minnesota Statutes, §299C.091 - Listed in the criminal gang investigation system.

Note: Federal laws, not listed herein, may also prohibit possession of a firearm for certain persons.

I HEREBY STATE TO THE BEST OF MY KNOWLEDGE AND BELIEF THAT I AM NOT PROHIBITED BY LAW FROM POSSESSING A FIREARM.

FOR OFFICE USE ONLY

The Applicant must submit the following items with this application:

- ☐ A completed application form, signed and dated by the Applicant;
- ☐ An accurate photocopy of a certificate, affidavit, or other document that is submitted as the Applicant's evidence of training in the safe use of a pistol that meets the requirements of Minnesota Statutes, §624.714;
- ☐ An accurate photocopy of the Applicant's current driver's license, state identification card, or the photo page of the Applicant's passport;
- ☐ In addition to the other application materials, a person who is otherwise ineligible for a permit due to a criminal conviction but who has obtained a pardon or expungement setting aside the conviction, sealing the conviction, or otherwise restoring applicable rights, must submit a copy of the relevant order.

NOTICE OF REVOCATION

Permit, if granted, shall be void at the time the holder becomes prohibited from possession of a pistol under Minnesota Statutes, in which event the holder must immediately return the permit to the issuing sheriff's office.

CHANGE OF ADDRESS/LOSS OR DESTRUCTION OF PERMIT

Within 30 days after changing permanent address, or within 30 days of having lost or destroyed the permit card, the permit holder must notify the issuing sheriff's office of the change, loss, or destruction.

If card is lost or destroyed, permit holder must provide a notarized statement that the card has been lost or destroyed.

Failure to provide notification as required by this subdivision is a petty misdemeanor.

DENIAL

This application is denied based on the following reason(s):

Narrative begins on the following page.

On 07/11/16 SA Phill requested that SA Donarski go to the Cub Foods, located at 892 Arcade Street North, St. Paul and attempt to retrieve surveillance video and transaction information from 07/06/16. SA Phill provided SA Donarski with a photo of a receipt recovered as evidence in this case. The receipt was for a transaction that happened on 07/06/16 at 20:27:35 hours at terminal 3.

On 07/11/16 at approximately 1145 hours SA Donarski went to the Cub Foods located at 892 Arcade Street North. There, SA Donarski met with Store Manager Jamey Koehler. Mr. Koehler advised SA Donarski that there were no asset protection personnel working at that time, however, Mr. Koehler could take the information regarding the specific transaction that SA Donarski was inquiring about, and email asset protection personnel, who would then process the request. SA Donarski then provided Mr. Koehler the date, time, total dollar amount of the purchase, and the cashier's name for the transaction in question.

On 07/11/16 at approximately 1430 SA Donarski received an email from Jon McKenzie, an asset protection agent from the Cub Foods store at 892 Arcade Street North. Mr. McKenzie advised that he would be able to provide SA Donarski with a CD containing any and all surveillance footage of the transaction in question, as well as surveillance of the individuals conducting the transaction when they went out to the parking lot and got into a vehicle. Mr. McKenzie stated that two African American females and a small child were involved in the transaction, and that they went out and got into a vehicle as passengers. Mr. McKenzie included several still photos from the video in the email as well. Copies of these emails are attached to this report.

On 07/12/16 at approximately 0915 hours, SA Donarski went to the Cub Foods located at 892 Arcade Street North. There, SA Donarski met with Assistant Store Manager Dessalines Jackson. Mr. Jackson was able to access the Asset Protection office. Inside the office, on a desk, Mr. Jackson located a CD attached to two sheets of paper. The first paper was a form that SA Donarski filled out, documenting who the CD was being released to. The second piece of paper appeared to be a print out from surveillance system accessed to make the CD.

On 07/12/16, at approximately 0930 SA Donarski left the Cub Foods and transported the CD to BCA headquarters. There, SA Donarski made copies of the CD, putting the original obtained from Cub Foods (Exhibit 24.1) into an evidence bag. Exhibit 24.1 was logged as property attached to this report and on 07/12/16 was signed over to SA Henning.

On 07/13/16 SA Donarski received an email from Mr. McKenzie advising that the card number for the EBT card used to pay for the transaction in question was 6104 2390 3637 9671.

Copies of all emails mentioned above will be attached to this report.

Hi Jon,

Thanks again for the help with the surveillance video. I met with the Assistant Manager this morning (Desi), Jamey was in a conference call, and he was able to get in and get me the CD. Could you please give me the Assistant Mgrs full first name and last name for my report? I just need to be able to state who I met with.

Thanks again,
Carrie

There must have been a driver as they got into the back door and passenger door. There will be a disk in the Loss Prevention Office and I will talk with the front end manager to get the full card number, but Law Enforcement usually gets the name from the state on [REDACTED] cards as we can't.

I don't work until 1400 tomorrow so please text me if you have any questions on my cellular telephone. 715-660-0366

Great!! Any and all of the video you have of them while they were in the store, during the transaction, and if you have them leaving, going out into the parking lot and getting into a vehicle as well. Also wondering if you guys are able to identify the name on the EBT card they used? And/or the full numbers of the card so that we can try and identify who it belongs to?

Thank you very much for your help!

Narrative begins on the following page.

On 07/06/2016 SAIC Mueller and SA Henning met with St. Anthony Police Officer Jeronimo Yanez and his Attorney Tom Kelly at the St. Anthony Police Department. Officer Yanez had been involved in a shooting while working in the City of Falcon Heights on the same day. Officer Yanez was asked to provide a sample of his blood which he agreed to do, exhibit 2016-433/26.1. Officer Yanez signed a blood/urine request form prior to the time he provided the sample of his blood, that form will be attached to this report.

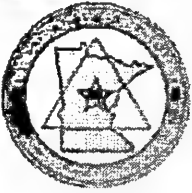

SA Henning took possession of Officer Yanez's duty firearm during this time as well. SA Henning asked if anyone else had handled the pistol other than Officer Yanez. Officer Yanez told agents that he had been the only one to handle the firearm after the shooting. SA Henning wore latex gloves and removed the pistol from Yanez's holster. SA Henning removed the magazine from the pistol and noted that it was contained one .45 caliber round. SA Henning locked back the slide of the pistol and found it contained a round in the chamber of the gun. The pistol was identified as a Sig Sauer P220, serial number 37A008090. The pistol was also equipped with a weapon light which is mounted under the frame and in front of the trigger guard. SA Henning placed the items in an evidence bag, acquisition of exhibit 2016-433/26.2.

SA Henning asked Officer Yanez to provide a sample of his DNA, to be obtained by buccal swab. Officer Yanez agreed to give agents a known sample of his DNA. Officer Yanez signed a consent form to provide his DNA which will be attached to this report. SA Henning opened a sealed DNA collection kit. SA Henning put on latex gloves and opened the sealed kit. SA Henning opened the sealed swabs and collected Officer Yanez's DNA. The swabs were returned to the kit and form completed. The form and swabs were sealed inside the kit, acquisition of exhibit 2016-433/26.3.

SA Henning obtained photographs of Officer Yanez prior to collecting any other evidence. These photographs will be placed on a compact disc (CD) and held as evidence, acquisition of exhibit 2016-433/26.5.

SA Henning collected an insurance card from Officer Yanez's vest carrier, acquisition of exhibit 2016-433/26.4. The insurance card appeared to have a blood like substance on it. Officer Yanez told agents that he believed that the substance was his blood. Officer Yanez advised agents that he had injured/cut his finger at some point during the incident. Officer Yanez said that he had blood on his hands after the shooting. Officer Yanez said that his hands had been photographed by a Roseville Officer and that he had washed his hands prior to the BCA arriving on scene. The aforementioned photographs have been attached to SSA Olson's report 2016-433/40.

SA Henning maintained custody of all of the above items until they were turned over Crime Scene Team Leader Lindsey Garfield on 07/07/2016 at the MN BCA in St. Paul. SA Henning will attach related evidence receipts to this report.

Narrative begins on the following page.

On 07/14/2016 at about 10:25AM, SA Frascone and SA Henning conducted a recorded interview with Whitney Ty Power, DOB: 01/24/1982. Power is a Registered Nurse (RN) employed by Hennepin County Medical Center (HCMC). The recording will be transcribed and attached to this report. The recording of this interview will be placed on a CD and held as evidence, acquisition of exhibit 2016-433/27.1.

Agents started the interview by asking Power how she is employed. Power told agents that she is a RN and employed by HCMC assigned to the emergency room. Power told agents that she was working the evening of 07/06/2016. Power said that she recalled a patient with gunshot wounds that was transported to HCMC by St. Paul Fire Department.

Power said that she recalled that the patient had his shirt cut open and that the patient was still wearing his pants. Power said that doctors put in a chest tube and central line for the patient. Power believed that the doctors also had cracked the patient's chest open as well. Power told agents that she may have assisted with the removal of the patient's pants but would not have gone into the pants or pockets. Power explained to agents that Medical Technicians would have gone through the patient's property. Power identified the Medical Technicians by first name as Nina and Sara. Power further explained to agents that Nina was training Sara the evening of this incident.

Power told agents that she recalled removing the patient's shirt after he had been pronounced dead. Power said that medical staff had to roll the patient partially to remove the shirt which was put in property. Agents asked Power if she recalled seeing a wallet in the Patient's pants, she said that she didn't. Power did tell agents that she had seen an employment ID card in the name of Philando Castile with some school name on it as well. Power told agents that Castile had several gunshot wounds to his left arm, left elbow, left chest and abdomen. Power told agents that all normal protocol followed in reference to this patient. The interview was concluded at about 10:35 AM.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	BCA CASE #:	2016-433
OFFENSE:	EXHIBIT #:	
INTERVIEW OF:	Whitney Ty Power (WP)	INTERVIEWED BY: SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:		

MF (inaudible)

DH No it's going. Recorder is going. Uh my...

?F (inaudible)

DH ...name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. Also here is my partner Michelle Frascone. Um this'll be an interview with Whitney, her first name is spelled W-H-I-T-N-E-Y middle name is Ta, you said Tee or Tie it's pronounced?

WP TEE

DH Tee, but it's spelled T-Y correct?

WP Correct.

DH Last name is Power, W-O, or I'm sorry P-O-W-E-R and your date of birth is 1-24 of 1982. Is that correct?

WP That is correct.

DH Your address for the purposes of this report is 701 Park Avenue South, Minneapolis, Minnesota 55415. Contact phone number for you would be 612-873-3000. And you are a registered nurse and you're employed by Hennepin County Medical Center. Is that correct?

WP That is correct.

DH Um, the case number for this for the BCA is 2016-433. And the reason for this uh interview is that you were one of the medical staff at uh Hennepin County Medical Center that uh that treated Philando Castile when he was brought in by St Paul Fire Department. Is that correct?

WP That is correct.

DH Can you tell me um were you working on the 6th of uh July?

WP Yes I was.

DH Of, of 2016?

WP Yes.

DH Okay and what was your assignment that night?

WP I'm a stab two nurse.

DH What is it called?

WP A it's, it's a stable, we call it, it's a stable room

DH Okay

WP Like a stabilization room.

DH Okay.

WP Um and I was on the second team so I was the stable two nurse.

DH Okay and, and, and that's inside the emergency room correct?

WP That is correct yes.

DH Okay and, and do you work in the emergency room all the time?

WP Yes all the time.

DH Okay um can you I'm just gonna let you tell me what you recall and then we'll go through and if, if I've got some follow up questions but can you, can you tell me what you recall of the time that he was brought in?

WP Um he was brought in by St Paul Fire. Um and on obviously on their stretcher. Um we moved him over to (inaudible) incubated and all that stuff prior to coming in.

DH Sure. Yeah, whatever you can...

WP Okay.

DH ...tell me.

WP So he was incubated and he had the lucas um machine doing CPR. We transferred him onto our stretcher. Um I put him on a cardiac monitor. Um simultaneously another staff member um his shirt was already, um the front of his shirt was already cut open so his chest was ex, you know we could see his skin of his chest. Um he had his pants on. So at the same time I know one of the doctors was putting a chest tube in. One of the doctors was putting a central line or they, or the nurse, somebody removed his pants I don't believe, I assisted in that I might have, I don't recall assisting in removing the pants. Um after the pants and underwear were removed they were putting a central line in his groin. Um and we, were getting blood ready to transfuse. And they were cracking his chest as well. Um, basically everything at the same time.

DH Okay so when his, his pants were removed.

WP Yes.

DH Do you at, at any time do you recall ever uh ever touching his pants? Or do you remember what kind of pants he was wearing? Were, was it shorts or long pants or?

WP Oh, not a hundred percent sure I feel like, in my mind they were jeans. But I'm not a hundred percent sure now.

DH Okay that's all right. Okay so then, he was continued to be treated. Once, once his clothes are removed what's, what's the process in the uh in the ER? How are those handled?

WP Um, anytime I remove any clothing I um try to hand them to a health one of the health care assistants that are working with us in the on the case. Um so I just hand it to them and then it's their responsibility to um bag the evidence.

DH And then do you recall who was working with you as a health care assistant that night?

WP Uh it was Nina and Sara was training.

DH Okay. So you handed the clothes to Nina?

WP Um, I didn't, I don't believe I personally handed any clothing to, to them.

DH Okay.

WP But uh whoever would have if another nurse or whoever took 'em off woulda handed 'em to 'em. I know like the t-shirt um so basically after the, anything that's underneath him when we, at the end of the case and we rolled him um that's when we took the t-shirt out and then we handed it to Nina to, and she put it right in a brown paper bag. I do remember the t-shirt going into a brown paper bag.

DH Okay.

WP (inaudible) we were like rolling him and doing that all at the same time so she was standing right next to the, um stretcher and I saw that go into the paper bag.

DH Okay so you didn't see any of his personal property like a wallet or anything like that?

WP I did not.

DH Okay did you see, did you ever see any, any identification for this, this person?

WP I only saw um like his um, employment is it a, ID bad like an ID badge.

DH Okay. Did it have his name on it?

WP Yes.

DH Okay. And...

WP Think it's uh like his picture and his name um and the, school.

DH Did anybody ever tell you what the individual's name was when you guys were working on him?

WP Um, hmm (pause) initially we like so we uh knew that we had a gunshot victim come, or you know gunshot wound um to the chest person, patient coming in. Um and so we arrive them as unidentified.

DH Okay.

WP To get like everything going to get (inaudible) the blood um so that we can immediately help you know start helping the person.

DH Right.

WP So, I believe I don't know exactly when his name was given to us or once we went through his belongings then we fig, realized his name.

DH Okay.

WP And then we changed it in the system to his name.

DH Okay.

WP That's kinda typically how it uh works. Unless they come in and immediately they know the fire department or the EMS knows the person's name then they'll give it to us right away.

DH Okay. What kind of uh injuries did this person have specifically the gunshot wounds. Where were they to and if you recall.

WP I do we um he had on his uh left arm he had and they're like above the elbow on the outside of his arm there were four, gunshot wounds and then on the inside of his arm there were four. And below his, on like the forearm below his elbow between his elbow and his wrist there were two on the outside of his arm and two on the inside. There was one to his left abdomen and one to his left chest. And those are just all of the like I, we never can speculate if it's exit or entrance but we just, count the numbers. Or count the, actual wounds.

DH Okay. Um, you have anything else Michelle?

MF Whitney, is this your standard protocol for anybody coming in with a gunshot wound?

WP Do we, is this a standard protocol?

MF Yes.

WP Yes.

MF What we, we have discussed, nothing was changed or, or different. This is what, any person...

WP No

MF ...coming in would receive this care?

WP Exactly the same. Yeah.

MF (inaudible)

DH Is there anything else that we haven't asked you that you think is important we should know about?

WP I don't believe so.

DH Okay. You do have my number if you think of something later that you're like wow I shoulda said that or something you can certainly give me a call back.

WP Um-hm. Sure.

DH Um, the time right now is 10:35 and I am gonna turn the recorder off.

END OF RECORDING.

Narrative begins on the following page.

On Thursday, July 14th 2016, Special Agents (SA) Phill and O'Brien interviewed Roseville Police Department (RPD) Officer (Ofc) Juan Toran at the RPD. Ofc Toran was a responding officer to the St Anthony Police Department (SAPD) officer involved shooting of Philando Castile by Ofc Yanez in Falcon Heights. The interview was digitally recorded and later burned to disc and labeled ACISS evidence item 28.1. The CD was later transferred to SA Henning and the transfer form has been attached to this report.

The entire interview was transcribed for accuracy and attached to this report. The following is only a summary of the interview with Ofc Toran. Please refer to the transcription for a full account of the interview.

In the evening of July 6th, Ofc Toran heard a SAPD squad say "Shots Fired" so he and all other Roseville squads began heading to the scene on Larparenteur. Ofc Toran said he arrived by going south on Fairview and then east on Larparenteur where he came up behind the two SAPD squads at Larparenteur and Fry. He saw SAPD Ofc Kauser holding a small female child and Ofc Yanez pointing his gun at the driver of the sedan.

Ofc Toran said he drew his Glock 22 pistol and covered the white car that Ofc Yanez had stopped. He saw that Ofc Yanez was still pointing his pistol inside the car at the driver, later identified as Philando Castile. Ofc Toran assisted in getting a female in the car out in a felony stop type manner where he handcuffed her and detained her so that they could determine what was going on.

Ofc Toran then saw other Roseville officers pull Castile out of the car and lay him in the street. Sgt Adams was doing chest compressions and he asked Ofc Toran to take over. While Ofc Toran was doing compressions, he heard Sgt Adams ask for an AED and oxygen. When the AED was hooked up, it told him to stop compressions while it assessed. It advised no shock so he kept going with compressions until St Paul Fire EMS arrived.

St Paul Fire EMS took over shortly thereafter and they wanted to roll Castile to his right so they could slide in a backboard and transport him to Hennepin County Medical Center (HCMC). Once Castile was rolled, Ofc Toran saw the butt/handle of a black semi-automatic pistol start to fall out

of the Castile's right front pants pocket. He gently slid the gun out and laid it on the street away from Castile's body. Ofc Toran did not see a wallet or holster fall out of the pocket where he retrieved the gun.

Ofc Toran then assisted in getting Castile loaded into the ambulance and transported from the scene. Ofc Toran then went back to the gun and stood there until told to assist with a perimeter.

Ofc Toran noted that there was no delay in lifesaving efforts that he observed from the time he was removed from the car and laid in the street. Ofc Toran did not collect any items of evidence and he later returned to the RPD to complete his report once the crime scene was cleared.

TRANSCRIPT

INTERVIEW DATE:	July 14, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Officer Juan [REDACTED] Toran (JT)	INTERVIEWED BY:	SA Michael Phill (MP) SA Joseph O'Brien (JO)
REVIEWED BY:			

MP Alright it's presently 4:36 P.M. on July 14th, 2016. Special Agent Michael Phill along with Special Agent Joe O'Brien with BCA case number 2016-433. We are at the Roseville Police Department to interview Officer Juan Toran uh, regarding uh, St Anthony officer involved shooting on July 6th. Officer Toran's full name is first name is Juan J-U-A-N, middle is [REDACTED], last of Toran T-O-R-A-N. Date of birth [REDACTED]. Address for Officer Toran will be 2660 Civic Center Drive in Roseville 55113. Uh, phone contact for him will be 651-792-7225. Um, how do you want me to address you when we talk, Officer Toran? Juan? What do you like?

JT Juan is fine.

MP Okay. Everything I just read to you Juan um, uh, correct?

JT That is correct.

MP Okay. Little bit of background information before we get into that incident uh, how long have you been with Roseville PD?

JT Uh, just under three years. It'll be three years on August 14th.

MP Alright, and that is an off- as an officer. Have you done anything else for them? Were you a CSO for Roseville?

JT I was not.

MP Alright, any other law enforcement experience?

JT I was a community service officer and a reserve officer for Eden Prairie and also a reserve officer for the State Fair Police Department.

MP And what was the years for that?

JT Uh, roughly uh 2010 through '13 for I believe for Eden Prairie as a reserve. As a CSO just that last year. Um, and uh, 2012 and '13 for State Fair.

MP Okay. Your current role for Roseville is as a police officer and the shift you work is what?

JT I work the power shift uh, which is 3:00 P.M. to 3:00 A.M.

MP Okay. And what are your days off? Is it a rotating, a weird schedule or is it set?

JT I have its s-set. I work Wednesday through Friday and every other Saturday.

MP Do you do any other duties for Roseville PD? Anything uh ancillary duties?

JT I am uh one of the Roseville Police Explorer advisors.

MP Okay. And um, what is your post number?

JT 22023.

MP And where'd you go to SKILLS?

JT Hennepin Tech.

MP You have any college education?

JT I do.

MP What do you have?

JT I have the uh, U.S. equivalent to a Master's in Business Administration uh, that I studied in Spain and France.

MP Uh, (inaudible) name of that University.

JT Uh, in Spain it was um, (Spanish) which uh, translates to Autonomous University of Madrid. Um, and then in France it was uh, (French) uh, oh what is it Business (inaudible) Management School of Lyon.

MP Lot of Business not no Law Enforcement there, interesting. Alright so you've got a pretty much a Bachelors and a Masters right or you have a Master's that's there.

JT Right (inaudible).

MP That would also (inaudible) the...

JT Yes, yeah

MP ...bachelors before you get there.

JT Right, yeah.

MP Okay. Um...

JT And their degrees are different over there so when I got my transcripts translated so to speak they...

MP Yeah.

JT ...equiviolated them to uh, the Master's here so.

MP Okay um, very interesting. Alright Hennepin Tech for your skills. What uh, year did you finish skills?

JT Uh, 2012.

MP Okay. Alright that's your uh and no military background that's correct?

JT Correct.

MP Alright. So, this is you're a little bit of your work background, law enforcement background, and your education. Um, we already talked about that you are a patrol officer for Roseville and you, when you work that power shift from 3:00 P.M. to 3:00 A. is that always uniformed?

JT It is.

MP Okay, and so you take calls?

JT Affirmative.

MP So you're not part of like a street crimes unit, violent crimes unit?

JT (inaudible)

MP You're just a you're a augmented shift to help cover overlap between days and mids?

JT Affirmative.

MP (inaudible)
JT Something like that.
MP Okay.
JT Yeah, pretty much.
MP So uh you, I can see right now you've got a navy blue uniform is that your standard attire?
JT It is.
MP Okay, so you've got navy blue pants, navy blue shirt and you've got an outer vest carrier?
JT That is correct.
MP Alright. Can you describe for me uh, your duty belt? Um, what uh, weapons, tools you have on your duty belt.
JT Sure.
MP Just kinda go from your left around to your right then.
JT Okay, yup. So, right here in the middle I have the uh, pouch where I keep my arbitrator mic uh, which is a microphone that is synced with the, dash cam. Uh, right now it's, it's charging in socket so that this is only the pouch not the actual mic. Um, uh, so to the left I have uh magazine uh pouch with three extra magazines. Uh next there is a Taser uh, X26. My radio, my flashlight, two sets of cuffs. Um, uh my department issued Glock 22 on my right side here. Uh this is mace, fox chemical spray um, and then this is light uh, that mounts to my uh, Glock.
MP Okay. So you have a Glock 22?
JT Yes..
MP 40 caliber?
JT Yes.
MP Alright and then you have a magazine inside which is fully loaded I'm guessing.
JT It is.
MP And then three extra.
JT Yes.
MP Do you know when you carry, how many rounds you carry in each mag?
JT 15.
MP 15, and then for the one on your side is that 15 plus one?
JT Yes.
MP Okay. Uh, do you carry a knife on your person?
JT I do.
MP And where do you keep that?
JT Right here on my vest.
MP Right on your vest carrier uh, do you carry a backup pistol?
JT I do not.
MP Alright. Um I'm guessing there's something in your squad uh, a rifle, a shotgun?
JT Yes, there's a...

MP What do you have in there?

JT A rifle.

MP Uh, did you have access or did you have a chance to access that on July 6th? Did you access it is what I mean.

JT I did not access (inaudible).

MP Okay but it was in there.

JT It was in there.

MP Okay. And were you riding alone?

JT I was.

MP Okay. So going back to that squad, it's a marked Roseville squad?

JT Yes.

MP Is this the same one you use every shift or does it kinda rotate?

JT It kinda depends on what's available depending on what day shift takes.

MP Do you remember what you had on July 6th?

JT I do not. I could figure it out but I...

MP Okay.

JT ...no I don't know at this time.

MP Not a big deal. You didn't take the rifle out.

JT I did not.

MP Okay, but you did uh, have occasion to pull out your Glock and we'll talk about that, when you describe what happened.

JT Yes.

MP Okay. Okay, on July 6th what I have is uh, uh that there was a traffic stop the St Anthony PD initiated. Um, on Larpenteur and it escalated. Things happened and then I guess um, you're on the same radio as them or are not?

JT Yeah uh, yes.

MP Okay.

JT Ramsey County West.

MP Ramsey County West, okay so at some point you realized something was happening...

JT Um-hm.

MP ...and you headed to that direction.

JT Yeah.

MP Can you tell me what you heard and what you did?

JT Sure, yeah I remember pretty much exactly where I was. I was uh, on Fairview um, kind of the 2400 block of Fairview the you know I was facing southbound. Uh the mall was to my left. Um, uh the Starbucks on the north side of 36 kind of up ahead on my right. Um and I heard uh on the radio a St Anthony squad I heard 69 and I don't remember what the, last two numbers are but all of St Anthony squads call out with 69. So I heard 69 whatever uh shots fired. Larpenteur and Fry. So immediately you know that kinda, heightens my, my awareness. So I, started speeding up and almost immediately there was a second radio

trans, eh dispatch asked for clarification, did you hear the shots or were there or were you involved or did you shoot. I don't know dispatch was asking for clarification the second radio transmission that I assumed was another St Anthony squad was a lot of loud yelling. Uh and all I, heard at, all that I could make out in my mind was code 3, I heard, I heard yelling.

MP Um-hm.

JT And code 3. Um so that's, I mean my (inaudible) emergency lights went on and I, I started going in that direction. I didn't make it far before I heard the transmission that I was expecting which was from my sergeant saying, 5180 send all Roseville squads or something to that effect. Eh uh if, uh essentially saying you know we're, we're going to help. Um we're, a larger agency we're nearby and we, we help each other out all the time. Uh they typically don't have, more than you know two or three officers working so, at that point you know when we hear all that yelling and we hear the shots fired something, bad is happening. So, so I'm on my way um I saw another Roseville squad in front of me which later, turned out to be uh, uh Officer Anderson. Um, he was maybe a, a block or two ahead of me.

MP Um-hm.

JT His lights went on at the same time so we're, we're both heading that way and, and I can see I mean you know peripheral on my rearview mirror there's, there's more Roseville lights behind me I mean we're, we're coming. And uh, uh so I, I take uh Fairview all the way down to Larpenteur. Make that left hand turn uh onto Larpenteur. And, and up ahead I see the, the two St Anthony squads and their lights on and you know I, I kinda get there. Um uh, and it's, it's just chaos for a moment when I'm trying to figure out what's going on. I see uh one St uh, uh St Anthony officer, Officer Kauser uh holding a little girl uh on the sidewalk. I see another St Anthony officer uh Officer Yanez um, uh on the driver's side of a, of a this, this white sedan and uh he's standing kind of in front of you know kinda by the engine block to the, on the driver's side.

MP Okay.

JT Uh pointing his gun and he's, he's yelling. Um and, and Kauser is saying stuff and uh Officer Anderson is there too and we're kinda trying to make sense of what's going on and, and throughout the yelling I, under I come to the understanding that there is um a, a female passenger in the, in the front passenger seat that we have to uh get out of the car. So um at this point all I know is that shots were fired. Uh Officer Yanez has his gun uh pointed inside the vehicle. And there's a female that we have to get out. So we, uh kind of in a, in a, in a felony stop nature called the female out. Officer Anderson and I do. Um and at this point I'm uh I have my uh Glock 22 un-holstered and I'm pointing it in the direction of the car and the female comes out. And she's compliant with, with all of, of our commands. You know to, to turn and to walk backwards towards us. And she's, verbally communicating that she's understanding us and...

MP Um-hm.

JT ...that everything is um is, going well. And I can see both of her hands. Her hands were both up and there was a cell phone in her right hand and nothing in her left hand. So I didn't perceive any, threat coming from her so I, I at that point dropped from you know pointing my gun in her direction to a low ready.

MP Okay.

JT Uh I didn't see a threat uh, a from her. Continued instructing her to, to walk backwards towards us. When she was close enough I re-holstered my firearm um while Officer Anderson covered and I handcuffed her told her that she was being detained while we figured everything out. Um, patted her quickly down for, for weapons. She said she didn't have any weapons. Um, and I placed her in uh the backseat of uh a St Anthony squad. Uh which was just the nearest squad that was there.

MP Um-hm.

JT Um this part of it all I mean it was all, hectic, chaotic, quick. We don't, we I mean at that point we still don't know what's going on right and...

MP Um-hm.

JT ...as we're doing this other, other Roseville officers are, are arriving um somebody uh and while this was happening pulled uh Officer Yanez away from, from the vehicle. I don't know who that was or, or what but then you know Officer Yanez was kinda to the right. Officer Anderson uh went over to um, um assist Officer Yanez and I and other Roseville officers that were around me, with me. Uh walked up to the vehicle where uh Sergeant Adams, Roseville Sergeant Adams and Roseville Officer Dattilo um had pulled the driver out of uh, uh the white sedan.

MP Okay.

JT Uh so the, the driver was...

MP This the person Officer Yanez was pointing the gun at?

JT Yes.

MP Okay.

JT Yeah. Um, so the, the driver's now on the street and uh Sergeant Adams is uh initiating chest uh compressions. Um so, he and I make eye contact. He looks up at me and says can you take over and I said yes. So I took over. Um and then you know he took a step back and just made sure that somebody was getting an AED. Made sure that somebody was getting oxygen. Um, and while I continued doing chest compressions I believe it was Officer Wiesner that came with the AED. I don't know who brought the oxygen. Uh, Officer Dattilo uh was holding C-spine and that's kind of how things went. Uh while the AED you know and we just followed the AED's instructions at that point and what it led to is, the pads were on.

MP Um-hm.

JT Uh, uh it advised me to, to stop compressions while it scanned. Uh and then uh it did not, want to shock and so I continued...

MP Okay

JT ...chest compressions. So we went through that cycle I believe, at least twice. Um before um uh St Paul uh Fire EMS showed up.

MP Okay.

JT Uh once they showed up um I heard one of them say continue with compressions we're getting a backboard. So I continue with compressions. Uh the backboard was laid down and he said okay stop compressions we're gonna roll him so we can put the backboard on. So,

MP So he was laying on his back when you're doing the compressions obviously.

JT Um-hm.

MP When they say roll him you mean like, tilt him so that they can slide it under?

JT Right. So essentially uh whoever's holding the C-spine was, continue holding that and then carefully kinda you know lift uh his body up so that you can put the backboard underneath and then...

MP Okay.

JT ...gently set him down. It's uh...

MP Okay.

JT ...uh kind of the, the standard way I've always seen it done. Uh, um so uh in this case I was to the right so I was on the right hand side of the driver doing the chest compressions. Uh so when uh they laid down the backboard it was laid down on his left. Uh so when they advised me to stop so that they could roll him um they rolled him towards me. Um so once they tilted his body towards me, towards his right uh essentially I saw the uh the butt of a, a black handgun start to slide out of his, right front pocket.

MP Okay.

JT So, I don't know the exact words that I used uh I'm sure the, uh several dash cams picked it up. But I said something to the effect of stop, gun or gun or oh gun. I don't know I, I made it loud and clear that there was a gun. Um so using two fingers I kind of uh held it by uh the end of, the end of the butt kinda like I'm doing right here.

MP Okay.

JT Uh close to the magazine. And I slid it out. Um and as I was doing that I remember I think it was Officer Dattilo cuz he was in the C-spine uh position uh saying something to the effect of just, just leave it on the ground, just leave it on the ground. So you know, there was not much else I could do at that point anyway so um I, ss you know slid it out of his pocket and, and let it rest right, right there. Um, as soon as the gun was out of play, not in his pocket anymore, they set him on the backboard, lifted him up, put him in the ambulance and it was I mean the ambulance was outta there pretty quickly. Um so at that point uh, uh for you know chain of custody purposes I just, stood right there next to the car, next to the gun until crime scene tape was uh set up um and uh, uh at that point I took a, a perimeter spot when I was instructed to by Sergeant Adams.

MP Okay. Alright couple things to back up a little bit here. Um, you going back let's go back to when you get her out of the car. And she has the camera, in one hand. Was she, you said she was obeying commands?

JT Yes.

MP Was she uh yelling? How was her attitude?

JT It, it was, it was fine I mean I, I think we were, we were all, using loud voices.

MP Ah-hm

JT Uh it was kind like I said it was kind of a chaotic scene.

MP Yeah.

JT But she was saying okay officer and she was kinda repeating everything that we were saying, making it very clear...

MP Okay.

JT ...that, that she understood what, what it is that, that we were, asking her to do.

MP Okay.

JT Uh which is essentially what, what made me feel like okay now I can, I, I, I don't need to you know keep pointing my gun at her. She's clearly understanding what I'm saying and she's clearly doing uh what I'm asking her to do.

MP Her attitude was such that you did not feel threatened?

JT I did not feel threatened by her.

MP And you use the word, you told, you handcuffed her and told her you were detaining her? That's what you just told me.

JT Yes.

MP that you detained.

JT Yeah.

MP Can you explain for uh those who don't know uh jurors and whatnot, what detaining is versus arresting?

JT Okay. So when I arrest someone I have, uh probable cause to believe that that person has committed a specific crime in a specific location. Uh when I'm detaining a person uh I, have reasonable suspicion to believe that criminal activity is afoot and I am de, detaining those that might be somehow involved until I can figure out what it is that's going on.

MP Okay. So it's just an, in effect it uh, it allows officers to hold everybody...

JT Um-hm.

MP ...not let 'em leave so you can figure out what's going on?

JT Yes.

MP That's pretty much it?

JT Um-hm.

MP Uh and you had not identified her so you didn't know who she was, either. You didn't know who the driver was.

JT No.

MP So that's one more thing that you can use when you're detaining people is to figure out who they are.

JT Affirmative.

MP Okay. Um so going now to where you're doing the chest compressions and then St Paul Fire comes up. When they rolled him to the right, his right so, so they, so they can slide that backboard to the left you said you saw a black butt of a handgun.

JT Um-hm.

MP Was the entire handgun black or did it have any wood paneling, wood engrain anything like that on it?

JT It was entirely black.

MP Entirely black, okay. And you said right front pocket.

JT Yes.

MP Uh like when you have jeans or any sort of pants there's the two front pockets, stick your hand in and then there's two rear pockets where a wallet usually goes?

JT Um-hm.

MP To be sure you're talking about the right front pocket?

JT Yes.

MP Okay.

JT Right front pocket.

MP Did you see at all uh a wallet?

JT No.

MP Okay. Did you see if that gun was in a holster of some sort?

JT No.

MP Okay.

JT Uh, uh I didn't pat him down or, or reach my hand into his pocket. Like I said I, I pulled the gun out, the part of the gun that was already sliding out...

MP Um-hm.

JT ...was already outside of the pocket so to speak and I just, pulled the rest of it out. So I don't know if there was anything else in his pocket at that time.

MP Okay so you never saw a holster? Don't know...

JT No.

MP ...what else was in that pocket at all?

JT No.

MP Alright. And the other question I have was about a pat down. So you're saying you did not do a full body pat down on this guy?

JT No.

MP Do you know if anybody did?

JT I don't know.

MP Uh once they loaded him up um,...he.. you also didn't mention handcuffs. He was never handcuffed right?

JT Right.

MP Okay. Uh when you're doing chest compressions could you see some of his uh injuries?

JT Yes.

MP Uh what did they look like? Uh were there, where, where were the, holes, bullet holes that you can recall?

JT Yeah uh, looked like there were, at least two visible on his left arm. Um and then there was, uh blood all over his chest uh so I, I, I'm not sure if, and his we ripped his or somebody I think it was Officer or Sergeant Adams sorry uh that had kinda ripped his shirt apart a little bit but a little bit was still attached, kinda towards the neckline.

MP Okay.

JT Um, so I, I, I believe there was, there was a, a gun inflicted injury somewhere on his chest. Um and then there, there was one of the things that I distinctly remember uh and, and obviously I, I, I didn't know uh the driver I had never met him before, never seen him before so I don't know if this was normal for him but there appeared to be, some kind of a, a large bulge right in his sternum area...

MP Um-hm.

JT ...that just seemed like something, stuck there. Uh so I don't know if like the, the thought in my mind was I wonder if that's one of the rounds that kinda, ended up right there, right underneath the surface of the skin. Um, so that's, that's what I remember at that point.

MP Okay.

JT There was a lot of blood everywhere.

MP Yeah, and I imagine you did get bloody doing the chest compressions?

JT Yes I got, I got, blood I, I realized after the fact that I was, pretty much kneeling in his blood. So I had blood all over my, my knees. My uniform and uh, uh when they rolled him over his left arm kinda, grazed my entire sleeve and his, his arm was covered in blood too so I got

blood all over my sleeve and from the chest compressions too while I was doing them even with my hands were gloved but I wear long sleeves so my sleeves were, in the mix as well so I mean there was, there was blood everywhere.

MP Okay. And uh last thing I can think of was and you mentioned, you mentioned the driver and you mentioned the child and you mentioned the woman. Um you didn't mention their race at all but what uh did they look to, what race did they appear to be?

JT They were all African American.

MP Okay but you've never seen any of them before that you could ever recall?

JT No.

MP Okay. Anything I'm forgetting Joe?

JO No I think that's (inaudible), cover...for that part.

MP Okay. Is there anything that maybe in the few days since that's come into your mind that you didn't cover before in your report and you'd like to let us know?

JT No I don't believe so.

MP Okay. Um, my last thought here you mentioned that, you saw the officers pull him out. Sergeant Adams started chest compressions. He gave you a look as if to say, you do it, passed it on to you so he can take the scene commander. Did this happen pretty quickly? I mean when he got out chest compressions were on? Or was there delay in lifesaving efforts?

JT I think that was, it was right away.

MP It was pretty much immediate?

JT Yeah.

MP Okay. So there was no time...

JT (inaudible)

MP ...when he was laying in the street, nobody was attending to him?

JT Yeah, no I didn't see any I didn't see him laying in the street no.

MP Okay. Alright we're gonna go ahead and stop the interview. It's presently 5:00 P.M.

END OF RECORDING.

Narrative begins on the following page.

On Thursday, July 14th 2016, Special Agents (SA) Phill and O'Brien interviewed Roseville Police Department (RPD) Officer (Ofc) Zach Wiesner. Ofc Wiesner was one of the responding officers to the St Anthony Police Shooting of Philando Castile in Falcon Heights on July 6th 2016.

The interview was digitally recorded and later burned to disc. The disc was given ACISS evidence number 29.1. The disc was later transferred to SA Henning and the ACISS transfer form has been attached to this report. The interview was also transcribed for accuracy and it has been attached to this report. The following is only a summary of Ofc Wiesner's statement. For a full account of what was said, please refer to the transcription.

Ofc Wiesner was working in a marked RPD squad car and wearing the standard navy blue RPD uniform at about 9pm when Ofc Yanez called in a "shots fired" call at Larpenteur and Fry in Falcon Heights. Ofc Wiesner knew about a robbery earlier in the week of a gas station that the St. Anthony Police (SAPD) responded to and he knew the suspects were two black males with dreds and possibly one with a beard of some kind.

Ofc Wiesner said he listens to SAPD's traffic stop on their Channel 2 so when he heard Ofc Yanez say he was going to stop a car with a suspect matching the suspect description from the robbery, he began to get a sense that something might happen. He started to head towards Ofc Yanez when he heard the "Shots Fired" call from the traffic stop.

Ofc Wiesner hurried to the scene and before he arrived, he heard Ofc Yanez screaming on the radio. It sounded like Ofc Yanez had been shot to Ofc Wiesner. Upon arrival, Ofc Wiesner said he drew his pistol and kept it aimed at the car that Ofc Yanez had pulled over. He also saw Ofc Yanez standing by the A pillar in front of the driver's side door with his pistol pointed at the driver.

Ofc Wiesner kept cover of Ofc Yanez and the car, from behind Ofc Yanez' squad car directly behind the traffic stopped car. He also saw that a young child was already out of the car and in Ofc Kauser's arms in a safe area behind the traffic stop.

Ofc Wiesner was told by Sgt Adams to get a medical bag to help with the injured driver. When he ran back for a medical bag and an AED, he did not see who moved the driver out of the car and laid him on the street.

Ofc Wiesner could see that the man had two wounds to his upper left arm and one to the left chest area but there may have been more that he did not see. Another officer was doing CPR on the man, later identified as Philando Castile, while Ofc Wiesner was trying to get the AED ready for deployment.

Ofc Wiesner attached the AED as audibly instructed and it advised that no shock was needed. CPR was then continued until St Paul Fire Paramedics arrived and took over. They then took the AED and oxygen off and they started to roll Castile to his right to slide a backboard under him for transport to the hospital.

When he was rolled, Ofc Wiesner heard Ofc Toran yell "Gun!" Ofc Wiesner could see a black semi-automatic handgun falling out of Castile's right front pants pocket. He could not see a holster or a wallet but he did see Ofc Toran remove the gun and lay it on the ground. Ofc Wiesner did not touch the gun.

The paramedics loaded Castile into the ambulance for transport to Hennepin County Medical Center (HCMC). Sgt Adams told Ofc Wiesner to go to HCMC shortly after the ambulance left. Once there, he learned from an emergency room nurse that Castile was deceased. The nurse showed him the chest incision made to view his heart and it was obvious that the heart suffered major damage from a gunshot and Castile could not be saved.

Ofc Wiesner did not collect any evidence from HCMC, and returned to Roseville PD.

TRANSCRIPT

INTERVIEW DATE:	July 14, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Officer Zachary Weisner (ZW) Roseville PD	INTERVIEWED BY:	SA Michael Phill (MP) SA Joseph O'Brien (JO)
REVIEWED BY:			

MP Alright it is presently 5:26 on July, 5:26 P.M. on July 14th, 2016. Special Agent Michael Phill along with Special Agent, Special Agent Joseph O'Brien. We are at uh Roseville Police Department on BCA case number 2016-433. We are here to interview Roseville Police Officer Zachary Weisner.

ZW We, Weisner.

MP Wiesner

ZW Yeah that's right.

MP And uh we're gonna get through the spelling of that in just a second, here regarding uh St Anthony officer involved shooting on July 6th. Um so Zachary is that Z-A-C-H-A-R-Y?

ZW Yep.

MP And what's your middle?

ZW [REDACTED]

MP And Weisner is W-E-I...

ZW I-E

MP W-I-E

ZW Yes, S-N-E-R

MP S-N-E-R and your date of birth?

ZW [REDACTED]

MP What was the address here again?

ZW 2660 Civic Center Drive

MP And the zip?

ZW 55113

MP Alright do you have a uh voicemail number we can use?

ZW Yes uh 651-792-7216

MP Okay. How would you like to, uh me to refer to you Zach okay or Officer Weisner?

ZW Zach is just fine.

MP Alright. Alright Zach how long have you been with the Roseville Police Department?

ZW Little over two mo uh sorry two years.

MP Two years, and that capacity has it always been patrol?

ZW Yep.

MP Alright. Do you do any other ancillary duties for them?

ZW I do not. No I, traffic, safety initiative for Ramsey County I do details with them other than that um primarily patrol so.

MP Okay any law enforcement experience before this?

ZW Internship in St Paul and that was it so nothing, on the, on the field or anything like that.

MP Okay. Any military?

ZW No.

MP Uh where did you go to school?

ZW Alexandria Tech, Minnesota.

MP Do you know when you finished that?

ZW Uh...

MP the year?

ZW ...summer of 2012.

MP Summer 2012 and what's your POST number?

ZW 22406.

MP Do you have any college education Zach?

ZW Yes. I have a, a four year from St Thom, University of St Thomas, St Paul in uh criminal justice and a minor in sociology.

MP CJ major.

ZW Um-hm.

MP Sociology minor.

ZW Correct.

MP And anything else?

ZW No.

MP Okay. Uh you're currently working the uh you guys call it nights or dogs or mids?

ZW Uh night shift.

MP Night shift which for you is 6:00 P.M. to 6:00 A?

ZW Correct.

MP Do you have set days off?

ZW We do.

MP What are yours?

ZW Uh my set days off are Sunday through Tuesday. We rotate our Saturdays. So I work Wednesday to Friday, every other Saturday.

MP Okay. Twelve hour shifts. And in that uh capacity you are fully uniformed?

ZW Um-hm.

MP And you drive a marked squad correct?

ZW Correct.

MP Uh your uniform as I see it now is a uh navy blue top over navy blue pants

ZW Yep.

MP And you have an outer vest carrier also navy blue.

ZW Yes.

MP Uh patches that are say Roseville PD?

ZW Yes.

MP And a badge, what's your badge number?

ZW 220.

MP Can you describe for me a the uh tools and uh weapons on your belt? Kinda go from the center around your left side to the right.

ZW Sure. Uh the center I have my arbitrator mic um to the left of that a three mag pouch. To the left of that is uh my taser. Behind the taser is my radio. Behind the radio is my flashlight. The other side I have my handcuffs. That brings around to my uh Glock holster um my irritant and then my handcuffs, back up the front.

MP Okay and that is a Glock, what type?

ZW Glock 22 it's a 40 caliber.

MP And you have three mags so you've got fifteen per mag?

ZW Yeah.

MP So and the one that's inside, fifteen plus one?

ZW Yes.

MP Okay. Any backup uh weapon, pistols on your body?

ZW Uh currently yes uh not on that day.

MP On the night of July 6th, no?

ZW No.

MP Okay. Do you carry a knife?

ZW I do. Yeah sorry I forgot about that, that is right behind my arbitrator. I have a K bar um knife I don't know how else to describe it besides a K bar.

MP Okay.

ZW Um, fixed blade.

MP Okay.

ZW Yeah, and actually another knife right here. Sorry about that.

MP And you have, that was on there, on ya July 6th?

ZW That was yeah.

MP Okay.

ZW Yeah so a folding knife in my vest, front pouch. Front right.

MP Okay. And when you're uh when you tell me the story you're gonna tell me kinda what you did but uh you did not fire your weapon on the night of July 6th correct?

ZW No sir.

MP Uh you had a marked squad.

ZW Yeah.

MP Uh was that a sedan or a SUV?

ZW It was a sedan. Four door.

MP Okay. So you got a four door marked Roseville police squad. What weapon is inside there?

ZW Uh AR15.

MP Did you, access that at all on July 6th?

ZW I did not.

MP Okay. Okay so, you're working on July 6th um (inaudible) incident occurred around 9:00 P.M.

ZW Yeah

MP But it was dispatched to St Anthony it was their own traffic stop.

ZW Yeah

MP So when you guys heard it was a help call or shots fired something like that. Can you describe for me what you heard and what you did?

ZW Sure. Um I scan their car to car channel in my squad. So I hear, they usually call out their traffic on their channel 2.

MP Okay.

ZW Uh, I think it was a week prior maybe less than that they had a robbery at gunpoint over at the Super USA on Larp and Eustice. I responded to that as an assist um kind of a roaming perimeter squad, looking for the two males both described as uh black males maybe I can't remember the height I know they both had dreads and I think one was described as having uh a beard of some sort. I can't remember exactly but that's who I was looking for um...

MP Okay.

ZW So I'm on that call I think me and uh another officer were dispatched to that he held a perimeter spot but like I said I was roaming. Um so when I heard uh Officer Yanez on channel 2 say he thought he recognized someone matching that description and he was gonna pull him over um you know that sixth sense kinda pops up so I was on my way to a call in Roseville at the Starbucks there uh just north of 36, fire call and um I got to that turnoff by the perimeter off it'd be westbound on the perimeter street or service drive from Fairview. Southbound Fairview and uh I heard Officer Yanez say you know uh he's gonna, he's gonna stop him here and I believe it was Kauser, I didn't know it was Kauser at the time Officer Kauser said he was in route. Um and then so I turn, I made my turn onto the perimeter drive which is when I heard uh 6920 shots fired. Um again it didn't really click who it was I wasn't sure if it was Officer Kauser or not but um pretty close to all those guys kinda pick up their, their sound or voices on the radio so, instantly my lights turned on. And I did a U turn I knew right where they were they said he was on Larp by Cleveland so they, were at least westbound there so I started in that direction southbound Fairview. Uh then I heard Officer Yanez get on the radio, kinda screaming very, emotional I guess is one would describe it. I thought he was shot that's the way it came out that's what I heard in my mind, or felt so

MP Okay

ZW I'm responding to this incident thinking, he got hit. So we're going down. I arrive shortly after I believe Officer Toran did. Um which I don't know what the response time was. Maybe it was a minute or maybe thirty seconds. It felt like five seconds so, um got there. There was two other Roseville squads pulled up behind the one in the I guess it would be the outside lane. Going eastbound on Larpenteur.

MP Um-hm.

ZW Just uh west of Fry. So I was blocking that lane of traffic, the right lane of traffic. Um got out of the car. Ran up to I believe it was Mo uh Officer Yanez's car. Uh his door was already open and that's when I, drew my, my handgun and I held the vehicle at gunpoint cuz I, the fir, the only thing I saw was Officer Yanez with uh a subject at gunpoint in the vehicle.

MP How was he positioned?

ZW He was just on the B pillar of the vehicle kinda, rotating around. Um about midway between the A pillar and the B pillar, pointing his handgun at the, at the suspect.

MP At the driver?

ZW The driver, sorry.

MP Okay.

ZW Um so that's where he was. Uh, I got up to the, his window kinda took some cover behind his door. Um and then held the vehicle at gunpoint as uh the two other Roseville officers Anderson and Toran took um the female into custody. There was a child that I noticed Officer Kauser was holding when I pulled up too. Uh it would seem that she was the first one out of the vehicle.

MP Okay.

ZW That's, that was my opinion you know thought when I pulled up was, cuz he was kinda off in the distance and then uh Officer Anderson and Toran were, taking her into custody.

MP Okay.

ZW So, uh (sigh) couple more squads showed up. My sergeant showed up. One of the other Roseville officers showed up, he came from the east. Um at that point I heard somebody say we're gonna take him out. Put on some rubber gloves. Went up to the door. Uh my sergeant said grab some, grab a med bag. I went to Officer Kauser's car to grab a med bag cuz he was right there he popped the trunk and threw it at me and so we were, I ran back up there. Not familiar with their equipment, I didn't see an AED in there. I ran back to my squad, grabbed my AED, ran back up to um where um Mr. Castro, Castile was and uh, uh it would have been Officer Datillo, Adam Sergeant Adams and Officer Toran they were doing CPR on him.

MP Did you see who pulled him out?

ZW I don't remember.

MP So, you were running back that happened?

ZW Yeah.

MP Okay.

ZW Yeah um, pull him out of the car. Yeah I can't remember who it was. Uh, uh it was either I think it was Sergeant Adams and Officer Datillo pulled him out and then Toran started CPR. I, I couldn't tell you. Uh that's what I think is happening. Uh anyway so I get back up there with the AED. I hook him up. Um as they tell you to on the, on the pads and (inaudible) trained it's pretty self-explanatory so put that on there. Said stay clear of the patient. Then it

said no shock advised. Continue chest compressions. So that happened one time. Um, kinda usually means there's nothing there there's, there's nothing that they can shock or try and you know as you learn in your first responder class and, shortly after it said no shock advised they started chest compressions again and before I knew it St Paul Fire was right behind me.

MP Okay.

ZW Um they, they got there ripped the pads off and uh the oxygen that was on him off and um that's when they, positioned, tried to position him onto the backboard. Uh at that point he, trying to think of his, how his body was facing. It was directly, perpendicular to the vehicle. Pulled him right out of the vehicle so he, his would have been uh facing a little northwest of the vehicle.

MP Okay.

ZW Slightly, slightly canted. Um they rotated him onto his right. Uh at that point I was on the, on the west side of him. Uh on, his right. They rolled him up onto his right side and as they did that uh I heard Officer Toran yell "Gun". At which point I looked down to his right, front pants pocket uh and saw like the backstrap of a handgun, the handle part sliding out. Um, it was a black handgun. It slipped almost all the way out on the ground. Uh, and I couldn't tell if it was had a hammer on it or if it was a striker fire handgun but it was, it was a black handgun semi-automatic. Um, once it fell, Officer Toran kinda caught it so the, the muzzle didn't bounce off the ground but he, he saw it, it started sliding, he grabbed it um and then set it on the ground where, where it fell.

MP Um-hm.

ZW Essentially um, the handgun itself was un-holstered. Uh it had some sorta I think eh at least that's what it looked like in my mind was a, like a nickel plating under the trigger guard or something like that. Some sorta, discoloration I don't know if that was just a reflection from something that was there a light or something but that looked, that kinda stuck out in my mind. Um but other than that, uh we so Officer Toran secured the gun. They got him on the backboard and then uh fire loaded and go, you know load and go and they went to HCMC. Um, at that point shortly, little bit after that, my sergeant asked me to go down to HCMC and just kinda, sit with him and the doctors in the ER and, and whatnot so.

MP Okay.

ZW I went down there. Um I don't know what time. Think I had it in my report. Uh, as soon as I got there though I had said who I was there for and they advised me he was DOA. Um, (inaudible) I don't know what time I got down there I, would have to check the, call comments but I wa, around 11 o'clock P.M. I was advised by St Anthony, acting sergeant, too I was good to go, I could leave.

MP Okay.

ZW And then I left the hospital and remained, returned back to the scene and kinda, helped with the protests that had, commenced so.

MP Alright so uh going back to him being on the ground now did you see his wounds?

ZW Um-hm.

MP Uh what did you see regarding to his injuries?

ZW Uh I believe two rounds, in his arm. It looked like I'm, completely forgetting the bone name, ulna maybe, one right here and it...

MP Humerus

ZW yeah, yes thank you

MP The left humerus?

ZW Yeah it had complete, I, I think and I'm not a doctor or anything but it looked like the, the bone had rup you know completely shattered or ruptured cuz it was a little disfigured.

MP Okay.

ZW Uh and then there was another one in his forearm just below that.

MP Okay.

ZW Uh I didn't see the one on his chest but there was, maybe one of the rounds had penetrated his arm and went into his chest. I didn't, and that would have been just below his like left pec. Um, I don't recall seeing any other wounds. Uh I didn't look too hard for 'em. Once his shirt was lifted up and they started CPR I, I was pretty zoned in on where I'm putting the AED is it you know I had just seen the, the wounds I wasn't you know too, oh you know where did this bullet go in and things like that so.

MP Yeah. Alright so did you, get any blood on yourself?

ZW Uh, I don't think I did. I might have on my gloves. Um and frankly I, I know I didn't on my knees. I could have on my, my lower pant legs I, got home took my pants off threw 'em in the washer and was done with it so

MP Okay

ZW Um nothing on my, my upper uniform so

MP Okay

ZW Or boots

MP On that as far as the pistol itself the only thing you say you remember remarkable about it was some sort of a reflection could have been nickel plating but it could have been a light reflection, somewhere near the trigger, trigger guard?

ZW Yeah.

MP Okay. Did you see any, you know how some guns will have like a, a on the grips will be like wood grips or something. Did you see any wood on that gun?

ZW Um, it wasn't a solid black. Maybe it was like a dark, color like a maroon. It was, but it was, what I saw was just a black handgun. But it, it wa, had a hue to it now that you mention that but I didn't, you know and I don't want to...

MP Yeah, yeah describe what you remember.

ZW ...distort anything but...

MP Yeah (inaudible)

ZW But yeah I, it did, it did seem like it had some sort of a, discoloration on the handle. Whether it was the blood um could have been or else uh maybe it was a wood grip I didn't, like I said I didn't look too far into it so.

MP Okay.

ZW Yeah, I was just pretty much focused on oh there's a gun and...

MP No doubt it was a gun?

ZW ...where, oh yeah one hundred percent.

MP Now also you said it was un-holstered you did not see a holster?

ZW I did not.

MP Okay. Uh in that same front pocket and when you're describing like on a pair of jeans you've got two front pockets and you've got two rear pockets.

ZW Yeah.

MP You talking about the right front pocket?

ZW Yeah. Sorry...

MP (inaudible)

ZW ...right front.

MP That's where the gun fell out of?

ZW Yeah and I can't remember if he was wearing jeans or sweatpants. They...

MP Okay.

ZW ...were dark blue color.

MP Okay.

ZW I believe.

MP But there's no doubt in your mind that's where the gun fell out of?

ZW Yes.

MP It wasn't in the, in his waistband? Didn't fall out of his back pocket? It was that front pocket?

ZW Yeah. Correct cuz if we, if it was in his waistband we woulda seen it right away. I mean he, he was, he had his pants sagging down a little bit.

MP Um-hm.

ZW Um, he had some sorta, gray underwear on and, and that was, there was about a good seven, eight inches of that showing so he was, sagging his pants. If the handgun would have been in the waistband we would of seen that right away so it was in a pocket. Right front pocket I'm positive of that.

MP Okay. Uh in that pocket did you see, a wallet at all?

ZW Uh I did not.

MP Fall out with the gun?

ZW I did not. And then I can't say I was looking for one but it was so evident that it was a handgun right there. Um that's where my attention was drawn to.

MP Um-hm.

ZW Not uh what else was in his pocket.

MP Gotcha.

ZW So uh...

MP Did you have occasion to give him a pat down?

ZW I did not.

MP Okay.

ZW No the and I'm not, I'm not gonna throw anybody under the bus or anything like that but um I think we were all, in the mode of let's get him out and let's start lifesaving procedu, you know let's do that as soon as possible. Um he was taken out and immediately,

compressions started. I don't think anybody even had a, the thought of let's pat this guy down. So,

MP Well that was to my next question then, was there any delay that you saw for life seven, saving efforts?

ZW No.

MP (inaudible)

ZW Aside from, aside from securing the situ, the, the incident.

MP Um-hm.

ZW The situation you know uh removing Officer Yanez from the front window. I think it was Officer Datillo that relieved him of that and said hey go on we'll, we'll, we got it. Um soon as Yanez was there, she was detained, daughter was okay. Um let's get this guy outta the car. Let's start, CPR immediately. So, um you know yeah that's what...

MP So as far as you remember it was pretty much immediate?

ZW Oh yeah, yeah.

MP Okay.

ZW There wasn't too much messing around. We didn't, you know I, as far as looking in there and I, we, we did I think I mighta looked in there to see if there was a, something present like just laying there like a, a cuz obviously Officer Yanez was holding him at gunpoint for a reason. So, you know I, I might have been up there and looked at it quick and then went back and grabbed the med bag but I, it wasn't, nobody was jumping in there to a possible, you know live handgun so we waited until, we were all there to pull him out to do, our job.

MP Okay. So you said you got sent to the, to the hospital?

ZW Um-hm.

MP Uh when you got there do you know at all was he alive? Did they say he was alive?

ZW Uh,

MP (inaudible) they have a heartbeat? Did you hear any of that?

ZW What the nurse told me um when I walked in St Paul Fire was still there and he's like yeah he was DOA. Okay um I walked in and there was a deputy down there he's like oh are you, oh you're Roseville are you the, guy in there. Yeah, hm sent down here to sit on him. He's like yeah pretty sure he's dead. Something along those lines. Had a nurse come out and she said that uh he was, DOA again and that um they did a quick incision and I actually saw it cuz she walked me in the room and she was telling me um and again no doctor I don't know any medical terms or what the procedure is but there was definitely a, a large incision from maybe the top of his left pectoral down to about his oblique left oblique and uh they had pried it open and what I heard from the, the main nurse I didn't get any names when I was down there I was just kind of sitting down there and uh she said that the lower portion or the lower chamber of his heart was ruptured as well as his, left lung. And that he was dead when he got there. That's what she told me. So, without getting an interview or a statement that's all that I knew. Um I heard that. I notified my sergeant who, uh you know told everybody else and it went down that chain of command so

MP Okay. Anything I'm forgetting there Joe?

JO Think you got it.

MP Okay is there anything that uh you'd like to add that I may have forgotten or you forgot earlier?

ZW (no audible response)

MP I'm gonna give you my card if something does come up later...

ZW Okay

MP ...you can always give me a call.

ZW You know not that I can recall right now. I, I think we should be good so.

MP Okay. I'm gonna go ahead and terminate the interview. Presently 5:48 P.M.

Narrative begins on the following page.

On July 14th, 2016 at approximately 1529hrs, Special Agent's (SA) Michelle Frascone and Doug Henning conducted a phone interview of Hennepin County Medical Center (HCMC) Registered Nurse Sara Louise Borchardt (12/5/1969). Borchardt advised she was a registered nurse assigned to the HCMC emergency room on the date of July 6th, 2016. Borchardt recalled a patient by the name of Philando Castile being brought into the emergency department by St. Paul Fire Department.

Borchardt stated when the patient arrived he had a "Lucas" device attached and it was performing CPR. Borchardt was unable to provide additional details, as she was responsible for setting up medical equipment and medication that might be needed for Castile's treatment. Borchardt said she recalled starting to cut Castile's shirt off, but then was called away and did not remove his shirt. Borchardt stated she could not remember the physicians that were assigned to Castile and named "Flo Johnson and "Whitney Power" as other nurses who were present when Castile was receiving treatment. Borchardt advised after Castile died she assisted with preparing the body for the medical examiner's office. As a result of this activity exhibit 2016-433/30.1 was obtained.

TRANSCRIPT

INTERVIEW DATE:	July 14, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Sara Louise Borchardt (SB)	INTERVIEWED BY:	SA Michelle Frascone (MF) SA Doug Henning (DH)
REVIEWED BY:			

DH The recorder is going. My name is Doug Henning I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. With me is my partner Michelle Frascone. The date today is July 14th, 2016. The time right now is 3:29. This'll be in reference to BCA case number 2016-433. This'll be an interview with Sara first name spelled S-A-R-A middle name Louise L-O-U-I-S-E, last name Borchardt, B-O-R-C-H-A-R-D-T. Is that spelled correctly?

SB Yeah.

DH And your date of birth is 12-5 of 69. Is that correct?

SB Yes.

DH For the purposes of this interview your address is 701 Park Avenue South, Minneapolis, Minnesota 55415. Is that correct?

SB Yes.

DH A contact telephone number for you is 612-873-3132. Is that correct?

SB Yes.

DH Okay. Sara can you tell me how you're employed?

SB Um I am a registered nurse at HCMC emergency department.

DH Okay. And how long have you been there?

SB About a year and a half.

DH Okay. How long have you been a registered nurse?

SB For five and a half years.

DH Okay. Um, specifically on July 6th of 2016 were you working in the emergency room?

SB Yes I was.

DH Do you recall a case involving a uh patient by the name of Philando Castile?

SB Yes.

DH Can you tell me how you became aware of that patient coming into the ER?

SB Um, I was working I was assigned to the stabilization room and where I was notified when a patient is coming in and we were notified that it's a gunshot victim that was coming in.

DH Okay. Who brought this patient in?

SB I believe it was St Paul Fire?

DH Okay. Um, can you tell me what happened when the patient was brought in or what you observed?

SB Um, let's see, patient was brought in with the CPR, lucas going. Um, there was kind of, a lot of people in there but um I did seem like a normal I mean we see a lot of gunshot victims and it seemed like, just another gunshot victim.

DH Okay. Um, when this patient was brought in were they fully clothed?

SB (inaudible), I think so (inaudible) I wasn't like directly um working on him at the time when he was first brought in I was setting up equipment...

DH (inaudible)

SB ...kind of in the back room.

DH Okay so what, so what was your involvement, in his treatment?

SB Um when he first came in um I was setting up equipment that we might use trying to um get medications that we might need and then um, after it was over I started helping um get his clothes off and, and prepare him for the um medical examiner.

DH Okay. Specifically what clothes did you assist in taking off of him?

SB Um I started cutting off his shirt

DH Okay. And what did you do with those after you, after you took 'em off?

SB Um I didn't actually take them all the way off I started cutting them and then I was called away (inaudible) and the other, the other nurses took over.

DH Okay. Um, so after you were called away did you have any further contact with this patient?

SB No.

DH Okay. Um, if you recall who else was there working on this patient?

SB Um you mean the other, nurses?

DS Yeah the other nurses or any other, staff that was there.

SB Um (inaudible) nurses were Flo Johnson and Whitney Power.

DS Okay. Was there...

SB And, um I can't remember which physicians were assigned to it.

DS Okay. Was, was there any medical techs or, or anybody that would handle uh the clothing or evidence that was removed?

SB There would be a (inaudible) I don't remember which one was working on that one.

DS Okay. Um, anything that I haven't asked you that you think is important I should know about?

SB (no audible response)

DS Did you go through his...

SB (inaudible)

DS ...his pants at all or anything like that?

SB No I didn't.

DS Do you remember seeing, seeing anybody go through his, his pants or clothing?

SB No I don't.

DS Okay. Okay I don't, I don't have any further questions and I'm gonna end the interview. The time is 3:34.

END OF RECORDING.

Narrative begins on the following page.

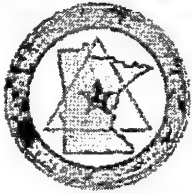

On 07/10/2016 SA Frascone and SA Henning met with Officer Jeronimo Yanez after speaking with his Attorney Tom Kelly. SA Henning had Yanez sign a BCA Consent to Search Form which enabled agents to acquire Yanez's uniform and other equipment he was wearing on 07/06/2016 while he was involved in an Officer involved shooting in Falcon Heights, MN. SA Henning will attach the signed consent to search form to this report.

SA Frascone and SA Henning traveled to Yanez's residence located at 383 Tessier Circle in Vadnais Heights. Agents met with Fridley Police Officer John Kotchen at Yanez's home and SA Henning was given a uniform shirt and pants which were both in one plastic bag, acquisition of exhibit 2016-433/33.1.

SA Henning contacted St. Anthony Police Sgt. Dan Diegnau to obtain Yanez's duty belt and vest carrier. Sgt. Diegnau advised SA Henning that the items would not be available until Monday 07/11/2016. SA Henning made arrangements to meet with Sgt. Diegnau and obtain the items.

SA Henning met with Sgt. Diegnau and Captain Jeff Spiess on the morning on 07/11/2016. SA Henning was provided with Officer Yanez's duty belt and vest carrier, acquisition of exhibits 2016-433/33.2-3. SA Henning drove directly to the MN BCA and submitted all of the above listed exhibits to CST Leader Lindsey Garfield. SA Henning will attach all related receipts to this report.

Narrative begins on the following page.

On 07/26/2016 SA Henning drafted a search warrant for the iCloud records of Philando Castile. The warrant was presented to the Honorable Stephen Smith of the Ramsey County District Court. The search warrant was signed and served electronically the same day.

SA Henning received the return of records from Apple Inc. on 08/04/2016. The records were placed on a CD and held as evidence, acquisition of exhibit 2016-433/32.1. The records indicate that there was no data stored on the iCloud related to this subscriber at the time the search warrant was executed. Your affiant has reviewed the attached IP (internet provider) log and it appeared that there was activity on the iCloud two days after Castile died.

SA Henning has checked the IP number of the individual that accessed Castile's iCloud and found that it registers to Verizon Wireless. SA Henning knows that Verizon Wireless does not store IP data as it relates to its wireless customers.

SA Henning will attach all related documents to this report.

STATE OF MINNESOTA

DISTRICT COURT

COUNTY OF RAMSEY

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:
Apple iCloud account
for Philando Castile
651 485-8361.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILING OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

Special Agent Doug Henning, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the Apple iCloud account of Philando Castile, phone number 651 485-8361.
3. On 07-06-2016, Castile was shot and killed by a police officer during a traffic stop. The shooting is being investigated by the BCA and details of the investigation are contained in the search warrant, application, and affidavit.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

) SS.

COUNTY OF RAMSEY

Douglas Henning, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Apple iCloud Account for Philando Divall Castile, ph: 651-485-8361
including all data related to the above listed account including, **Subscriber:** name, address, email, social security number, contact numbers, activation date, additional numbers on the subscriber's account; **Connection logs with IP addresses from July 2, 2016 – July 11, 2016;** Also **Mail Logs from July 2, 2016 – July 11, 2016:** date, time, sender email addresses and recipient email addresses of incoming and outgoing communications; any and all **Email Content** maintained in the active iCloud account from **July 2, 2016 – July 11, 2016.** Other **iCloud Content:** including but not limited to photo streams, Facebook Livestreams, Docs, Contacts, Calendars and Bookmarks. **iOS Device Backups** maintained from **July 2, 2016 – July 11, 2016,** including photos, videos and live streams in the user's camera roll, device settings and app data. Any and all **iMessages, SMS and MMS Text Messaging and Voicemail** related to this iCloud account from **July 2, 2016 – July 11, 2016.** **ESN:** electronic serial number of device, registration information and assigned Apple ID account or email address. **GPS from July 2, 2016 – July 11, 2016:** any locating information maintained related to the above iCloud account.

are at the premises, described as:

Apple Inc.

Litigation Services

1 Infinite Loop

Cupertino, CA 95014

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Doug Henning, is a licensed peace officer in the State of Minnesota and a Special Agent (SA) employed by the Minnesota Bureau of Criminal Apprehension (MN BCA). Your Affiant has been employed by the MN BCA for over ten years. Your Affiant was employed by the Chisago County Sheriff's Office and the Lindstrom Police Department for approximately 12 years prior to working for the MN BCA. Your Affiant has had several assignments while employed with the MN BCA. These assignments have included investigating Narcotics, Financial crimes and General investigations which include death investigations; officer involved shootings, conflict investigations as well as other investigations as assigned. Your Affiant has received training related to investigations which include: Crime Scene Processing, Interview and Interrogation, Drafting or Search Warrants and other court documents, Photography, Narcotics related training which has been provided by the Drug Enforcement Administration (DEA), The Bureau of Alcohol, Tobacco and Firearms (ATF) and the Federal Bureau of Investigations (FBI). Your Affiant has been investigating felony level crimes for the last 12 years. During the last 12 years your affiant as has many cases prosecuted at both the State and Federal level, all of which have resulted in convictions.

On 07/06/2016 the St. Anthony Police Department requested the investigative assistance of the Bureau of Criminal Apprehension (BCA) after an officer involved shooting in the City of Falcon Heights. The BCA responded and is conducting a criminal investigation into the shooting death of Philando Castile by a St. Anthony Police Officer.

During the preliminary investigation your affiant has learned that Diamond Laraye Reynolds was a passenger in the vehicle that Philando Castile was driving. Your affiant learned that Reynolds had been live streaming video to Facebook immediately after the shooting. Reynolds may have started recording either video, audio or still photographs using this cellular telephone prior to or during this traffic stop. Your affiant knows that Castile was in possession of an Iphone 6 at the time of this shooting. Your affiant is aware that Castile routinely used his cellular telephone to take photographs and upload them to Facebook and other sites via his cellular telephone.

Your affiant knows from his training and experience that computer files such as photographs and or video contain data not always transmitted. These files are routinely uploaded to a users iCloud account. Your affiant further states that cellular telephones also capture other types of information such as location data. Your affiant knows that all of the above information is routinely downloaded to a users iCloud account for backup and storage purposes.

Your affiant requests the courts permission to review the information contained within this users iCloud account to further this criminal investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding Douglas Henning, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: Douglas Henning

Subscribed and sworn to before me this

21st day of July, 2016

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY DISTRICT COURT
TO: DOUGLAS HENNING, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, DOUGLAS HENNING has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises.:

Apple Inc.
Litigation Services
1 Infinite Loop
Cupertino, CA 95014

located in the City of St. Paul, County of Ramsey STATE OF MINNESOTA for the following described property and things:

Apple iCloud Account for Philando Divall Castile, ph: 651-485-8361 including all data related to the above listed account including, **Subscriber:** name, address, email, social security number, contact numbers, activation date, additional numbers on the subscriber's account; **Connection logs with IP addresses from July 2, 2016 – July 11, 2016;** Also **Mail Logs from July 2, 2016 – July 11, 2016:** date, time, sender email addresses and recipient email addresses of incoming and outgoing communications; any and all **Email Content** maintained in the active iCloud account **from July 2, 2016 – July 11, 2016.** Other **iCloud Content:** including but not limited to photo streams, Facebook Livestreams, Docs, Contacts, Calendars and Bookmarks. **iOS Device Backups** maintained **from July 2, 2016 – July 11, 2016,** including photos, videos and live streams in the user's camera roll, device settings and app data. Any and all **iMessages, SMS and MMS Text Messaging and Voicemail** related to this iCloud account **from July 2, 2016 – July 11, 2016.** **ESN:** electronic serial number of device, registration information and assigned Apple ID account or email address. **GPS from July 2, 2016 – July 11, 2016:** any locating information maintained related to the above iCloud account.

WHEREAS, the application and supporting affidavit of Douglas Henning was/were duly presented and read by the Court, and being fully advised in the premises.

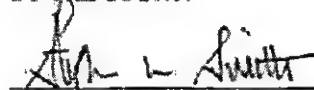

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises.

NOW, THEREFORE, YOU DOUGLAS HENNING THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

BY THE COURT:

JUDGE OF DISTRICT COURT

Narrative begins on the following page.

On 07/14/2016 SA Henning drafted a search warrant for the iCloud records of Diamond Reynolds. The search warrant was presented to the Honorable Judge Elana Ostby, of the Ramsey County District Court. The Judge reviewed and signed the search warrant. SA Henning served the warrant electronically on Apple Inc. the same day.

SA Henning received an electronic return of information, acquisition of exhibit 2016-433/33.1. SA Henning placed the information returned on a CD and held it as evidence. The search warrant and sealing order are attached to this report as is the business certification and subscriber information. The information returned contained several photographs, these along with all other information returned by Apple Inc. was placed on the CD. Please review CD for full details.

COUNTY OF RAMSEY

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:
Apple iCloud account
for Diamond Reynolds
651 529-4475.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILING OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

Special Agent Doug Henning, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the Apple iCloud account of Diamond Reynolds, phone number 651 529-4475.
3. On 07-06-2016, Philando Castile was shot and killed by a police officer during a traffic stop. The shooting is being investigated by the BCA and details of the investigation are contained in the search warrant, application, and affidavit.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

FURTHER YOUR AFFIANT SAYETH NAUGHT.

RECEIPT, INVENTORY AND RETURN

I, SA Doug Hennings, received the attached search warrant issued by the Honorable Elena Ostby, on 7/14, 20 16 and have executed it as follows:

Pursuant to said warrant, on 7/14, 20 16, at 5:10 o'clock P m., I searched the ~~(premises)~~ (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant ~~(with)~~ (in) (at) Apple Inc. Litigation Services, Cupertino CA.

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

One CD containing information sent to BCA electronically from Apple Inc. for Island of Diamond Reynolds received 7/29/2016

(Strike when appropriate:)

I left a receipt for the property and things listed above with a copy of the warrant.

None of the items set forth in the search warrant were found.

I shall (retain) or (deliver) custody of said property as directed by Court order.

SA Doug Hennings, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

Douglas Henning, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Apple iCloud Account for Diamond Laraye Reynolds, ph: 651-529-4475

including all data related to the above listed account including, **Subscriber:** name, address, email, social security number, contact numbers, activation date, additional numbers on the subscriber's account; **Connection logs with IP addresses from July 2, 2016 – July 11, 2016;** Also **Mail Logs from July 2, 2016 – July 11, 2016:** date, time, sender email addresses and recipient email addresses of incoming and outgoing communications; any and all **Email Content** maintained in the active iCloud account **from July 2, 2016 – July 11, 2016. Other iCloud Content:** including but not limited to photo streams, Facebook Livestreams, Docs, Contacts, Calendars and Bookmarks. **iOS Device Backups** maintained **from July 2, 2016 – July 11, 2016,** including photos, videos and live streams in the user's camera roll, device settings and app data. Any and all **iMessages, SMS and MMS Text Messaging** and **Voicemail** related to this iCloud account **from July 2, 2016 – July 11, 2016. ESN:** electronic serial number of device, registration information and assigned Apple ID account or email address. **GPS from July 2, 2016 – July 11, 2016:** any locating information maintained related to the above iCloud account.

are at the premises, described as:

Apple Inc.

Litigation Services

1 Infinite Loop

Cupertino, CA 95014

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Doug Henning, is a licensed peace officer in the State of Minnesota and a Special Agent (SA) employed by the Minnesota Bureau of Criminal Apprehension (MN BCA). Your Affiant has been employed by the MN BCA for over ten years. Your Affiant was employed by the Chisago County Sheriff's Office and the Lindstrom Police Department for approximately 12 years prior to working for the MN BCA. Your Affiant has had several assignments while employed with the MN BCA. These assignments have included investigating Narcotics, Financial crimes and General investigations which include death investigations; officer involved shootings, conflict investigations as well as other investigations as assigned. Your Affiant has received training related to investigations which include: Crime Scene Processing, Interview and Interrogation, Drafting or Search Warrants and other court documents, Photography, Narcotics related training which has been provided by the Drug Enforcement Administration (DEA), The Bureau of Alcohol, Tobacco and Firearms (ATF) and the Federal Bureau of Investigations (FBI). Your Affiant has been investigating felony level crimes for the last 12 years. During the last 12 years your affiant as has many cases prosecuted at both the State and Federal level, all of which have resulted in convictions.

On 07/06/2016 the St. Anthony Police Department requested the investigative assistance of the Bureau of Criminal Apprehension (BCA) after an officer involved shooting in the City of Falcon Heights. The BCA responded and is conducting a criminal investigation into the shooting death of Philando Castile by a St. Anthony Police Officer.

During the preliminary investigation your affiant has learned that Diamond Laraye Reynolds was a passenger in the vehicle that Philando Castile was driving. Your affiant learned that Reynolds had been live streaming video to Facebook immediately after the shooting. Reynolds may have started recording either video, audio or still photographs using this cellular telephone prior to or during this traffic stop.

Your affiant knows from his training and experience that computer files such as photographs and or video contain data not always transmitted. Your affiant is also aware that Reynolds regularly posted video and still photographs of herself and or Castile to the internet. These files are routinely uploaded to a users iCloud account. Your affiant further states that cellular telephones also capture other types of information such as location data. Your affiant knows that all of the above information is routinely downloaded to a users iCloud account for backup and storage purposes.

Your affiant requests the courts permission to review the information contained within this users iCloud account to further this criminal investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding Douglas Henning . (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Subscribed and sworn to before me this 14th

day of July, 2016

2:56 pm

Affiant: /Douglas Henning

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY DISTRICT COURT
TO: DOUGLAS HENNING, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, DOUGLAS HENNING has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises,:

Apple Inc.
Litigation Services
1 Infinite Loop
Cupertino, CA 95014

located in the City of St. Paul, County of Ramsey STATE OF MINNESOTA for the following described property and things:

Apple iCloud Account for Diamond Laraye Reynolds, ph: 651-529-4475 including all data related to the above listed account including, **Subscriber:** name, address, email, social security number, contact numbers, activation date, additional numbers on the subscriber's account; **Connection logs with IP addresses from July 2, 2016 – July 11, 2016;** Also **Mail Logs from July 2, 2016 – July 11, 2016:** date, time, sender email addresses and recipient email addresses of incoming and outgoing communications; any and all **Email Content** maintained in the active iCloud account **from July 2, 2016 – July 11, 2016. Other iCloud Content:** including but not limited to photo streams, Facebook Livestreams, Docs, Contacts, Calendars and Bookmarks. **iOS Device Backups** maintained **from July 2, 2016 – July 11, 2016,** including photos, videos and live streams in the user's camera roll, device settings and app data. Any and all **iMessages, SMS and MMS Text Messaging and Voicemail** related to this iCloud account **from July 2, 2016 – July 11, 2016. ESN:** electronic serial number of device, registration information and assigned Apple ID account or email address. **GPS from July 2, 2016 – July 11, 2016:** any locating information maintained related to the above iCloud account.

WHEREAS, the application and supporting affidavit of Douglas Henning was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises.

NOW, THEREFORE, YOU DOUGLAS HENNING THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

Narrative begins on the following page.

On 07/09/2016 at about 11:24 AM SA Henning conducted an interview over the telephone of Nina Olegovna Fateyenko, DOB: 11/09/1986. Fateyenko is employed by the Hennepin County Medical Center as a Health Care Assistant/Emergency Room Technician. Fateyenko said that she works in the stabilization room in the ER. Fateyenko advised SA Henning that she has worked for HCMC for about 2 years. Fateyenko told SA Henning that she was working on 07/06/2016 in the emergency room.

Fateyenko said that she recalled assisting with a patient who had been identified at Philando Castile. Fateyenko said that she and others were notified that a patient was being transported to the ER who had gunshot wounds to their chest. Fateyenko advised that initially the patient was unidentified. Fateyenko said that at some point that she and other ER staff were given the name of Philando Castile for the patient.

Fateyenko told SA Henning that when the patient arrived in the ER he was on the Lucas device. Fateyenko said that she started to remove clothes as other medical staff were providing care to the patient. Fateyenko advised SA Henning that she was training a new employee, who she identified as Sara Fagerness. Fateyenko said that she was responsible for bagging Castile's clothes and other property. Fateyenko told SA Henning that she recalled finding an ID in Castile's wallet as well as a school ID while processing in the property. Fateyenko said that she believed the wallet was a glossy black bi-fold with some type of stripes. Fateyenko was asked if she had located a holster. She told SA Henning that she had found a holster and that it had been located in the same pocket as the wallet. Fateyenko was asked if she had found any ammunition while processing Castile's property, she said that she didn't.

Fateyenko told SA Henning that Castile's property was packaged and a receipt was completed for police to pick up. Fateyenko said that there had been a St. Anthony Police Officer at the ER who she attempted to give the property to. Fateyenko said that the Officer refused to take the property and that the BCA was conducting the investigation and would respond to get the evidence.

Fateyenko said that the property was turned over to the shift coming on duty and was later picked up by the BCA. The interview was completed at about 11:37 AM. Later the same day SA Henning was contacted by Fateyenko, she advised SA Henning that trauma bays at HCMC are video recorded. Fateyenko told SA Henning that he may be able to review the video and determine which front pocket the wallet and holster had come out of. The initial interview was recorded and will be transcribed and attached to this report. The recording of this interview will be placed on a CD and held as evidence, acquisition of exhibit of 2016-433/34.1.

This report is a synopsis of this interview, for full detail please see attached transcript.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	July 9, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Nina Olegovna Fateyenko (NF) HCMC Hospital Staff	INTERVIEWED BY:	SA Doug Henning (DH)
REVIEWED BY:			

DH Okay I started the recorder. This is Doug Henning I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. This interview will be in reference to case number 2016-433. The date today is July 9th, 2016. The time right now is 11:24 A.M. I'll be speaking with Nina spelled N-I-N-A middle name I'm not even, even gonna try to pronounce it but it's spelled...

NF (laughs)

DH ...O-L-E-G-O-V-N-A last name is Fateyenko spelled F-A-T-E-Y-E-N-K-O. Date of birth is 11-8 of 1986. Is that correct?

NF It's actually November 9th, 11-9

DH Oh November 9th okay.

NF Yeah.

DH November 9th, 1986.

NF But everything else is correct.

DH Okay. And for the purposes of this interview your address is 430 8th Street, Minneapolis, Minnesota 55415 and a contact phone number is 612-873-2102. Is that correct?

NF Yes.

DH Okay Nina, how are you employed?

NF I am full time uh health care assistant for HCMC emergency department.

DH Okay. So you work at HCMC and what is your job in the emergency department?

NF Uh for the most part it's basically the job of a health care assistant (inaudible) um emergency room technician uh specifically in the (inaudible) room um we serve as a um liaison on between doctors and nurses and everything else so we page people, call people, (inaudible) call (inaudible)G and make sure a person is in the computer correctly and (inaudible) of things.

DH Okay. Um and then how long have, have you been working for HCMC?

NF Uh since September of 2014.

DH So, pushing two years...

NF Two years.

DH ...here?

NF Yeah.

DH Okay. Um were you working on July 6th?

NF I was.

DH You were? Okay. Do you specifically recall a, a patient by the name of Philando Castile that came in?

NF Yes.

DH Okay can you tell me about that?

NF Sure. Um we got a um page for a gunshot wound to the chest. Um, so we were getting ready for the patient. Um uh we, (inaudible) I was training somebody in the (inaudible) room um so we uh, input the patient as an unidentified which is a normal procedure uh into the computer and asked for blood um to be brought down. Um when the patient arrived um he was on a lucas um hmmm basically the doctor and the nurses were kind of (inaudible)

DH Okay now when you say a lupas just for people that don't know what that is

NF Sure

DH That's a CPR machine?

NF Correct.

DH Okay and, and that's typically used by paramedics or first responders?

NF Um right but we also use it in the ER as well.

DH Okay. Go ahead.

NF Uh the patient was brought in by St Paul Fire. Um, (inaudible) the nurses and doctors were uh (inaudible) doing their procedures and doing, doing their thing. Um we obtained an ID. Changed his name in the computer. Um got his clothing off uh the backboard and from under him. Um, started bagging it for evidence. Um at that point um whatever procedures the doctors did um they determined that they were not survivable and they called (inaudible). After that we bagged the rest for evidence. Prepared the um the patient to be seen by a medical examiner. Um waited for them to show up. Uh she showed up, did her pictures and sealed the body bag and we brought it down to the uh morgue.

DH Okay. What was done, when he came in was he fully clothed?

NF His shirt was cut off um and his shorts were cut off. Um its, its honestly kinda hard to tell what specific (inaudible) down because a lotta clothes was cut off.

DH Okay.

NF But usually it stays underneath. Um so kind of in the middle of (inaudible) is pretty chaotic um (inaudible) uh clothes and um whatever the person has just kinda gets, thrown towards us and we bag it into, into evidence bags.

DH And then you did the bagging?

NF Yes.

DH Okay. If, if you...

NF Me and, and the girl that I was (inaudible), yeah.

DH Okay if you recall can you tell me I guess how you obtained an ID on the patient?

NF Um, I want to say that the fire department handed it to us. Um I, it just kind of showed up on my computer. Um, and that usually is pretty normal. Um so I'm pretty sure that fire uh brought it in.

DH Okay.

NF (inaudible) we found a wallet in his pants once we got the pants off. Um and there was some ID there as well. Um there was a school badge. Um, credit cards and things like that. But an actual driver's license uh was given I believe by St Paul Fire.

DH Okay can you tell me, exactly where that wallet was found?

NF It uh I believe it was in the pants.

DH Which, which pocket? Do you recall?

NF Um, it was one of the front pockets. I, I want to say it was in the left but I'm not, I don't you know (inaudible) when the pants are cut it's kinda hard to tell which pocket it comes from.

DH Okay but, but you believe it was from a front left pants pocket?

NF Yes.

DH Can you describe the wallet?

NF Um it was a cloth, black um I think a maybe striped or something it wasn't full black wallet just a very, generic um like a book type wallet.

DH Okay like a fold in half type wallet?

NF Yeah, yeah uh-huh.

DH So and you said it was cloth and it had a like black and white stripes?

NF I believe so yeah. Black and some sort of stripes, yeah.

DH Okay. Um, and you said that you went through it and you found like a, a school identification?

NF (inaudible) actually now that I'm thinking about it I think the badge the school badge was also like either in the pocket or hooked up to the, to the pants because it wasn't in the wallet cuz it, it had um a little clippy thing. Um but the wallet had um credit cards.

DH Okay. And, and then did you log those in as well?

NF Um yeah we put it all in um a paper brown bag and marked it on the bag yeah. And I put the driver's license back into the wallet once we were done changing his identification in the computer.

DH Okay. Um, so do you recall seeing a holster for a, a gun in there at all?

NF I do, yes.

DH Okay. Do you know where that came from?

NF I want to say it was in the pocket. It wasn't hooked up to the pants I don't think. Um I think so when the clothes gets cut off and kind of thrown towards us we go through the, the pockets it was, it was pretty bloody so I remember putting the gloves on and going through the pockets to make sure we don't, you know miss stuff.

DH Okay.

NF Um and I believe that the uh the wallet and the holster were all in the same pocket cuz it was pretty deep and I remember digging pretty deep for it. Um and retrieving it.

DH Okay.

NF He did not have a gun just had a, holster.

DH And then you did that yourself right?

NF Yes.

DH So, okay can you describe the holster?

NF Um it was just a black um cloth type holster. Not like a leather kind but a, like a wallet type material holster.

DH Okay. Okay, was, was there anything else that uh drew your attention while you were going through the clothes?

NF Um I, I don't believe so.

DH Did you come across any telephones?

NF Nope there was no phone.

DH Okay. And all these items were uh bagged in evidence?

NF Yes.

DH Okay. And then they were placed, what happens with those items after you guys are done with 'em?

NF So normally when it's a crime scene of any sort police comes and picks it up so we were bagging, so we bag it individual brown bags and seal with tape and write all of our stuff on 'em. And then um the, one of the St Anthony police officers came in and I asked him if he was gonna pick up the evidence and he said that he shouldn't. I asked him why. He said because BCA will probably be coming for it. Um and I asked you know, well you know why, whatever. Uh he explained to me that it was an officer involved shooting. So um we were waiting for BCA to come so um we bagged everything uh kinda threw everything in the same corner together in a um open plastic bag just to contain everything together.

DH Okay.

NF Um and then uh we fill out a paper property sheet that kind of specifies what was in there. Um and uh they sign, so when the police officer or whoever picks up the evidence um then they usually sign for it. And then um, and I'm not sure if they take it so it was uh, um (inaudible) shift change time so um everything kinda stayed in that corner and sh, uh whoever came in afterwards we give 'em the report and explained the situation and said that the BCA will be coming for it and...

DH Okay.

NF ...property sheet goes on top of the, (inaudible) I left.

DH Okay and then who is the girl you were training again? Sara?

NF Yep Sara Fagerness.

DH Fagerness, can you spell her last name?

NF Yeah it's F as in frank A-G as in George, E R as in Robert N as in nancy E S as in sam, S as in sam

DH Okay. And she helped you going through the clothes and all stuff like that or, or is that stuff you did yourself and she just watched?

NF Um she did some bagging of the, of the items. Um we both taped. Um but I went through the pants I remember that.

DH Okay. So you went through the pants and, and there wasn't anything else of, of note? It was, it was, it was just the, was the, was there any ammunition in, in, in the clothes or...

NF No.

DH ...anything like that? So it was...

NF Um-um.

DH ...it was the wallet, the school ID, the holster?

NF Yes and that's it.

DH And that's it? Okay.

NF I, there might be some, there might have been some keys but I, I'm not positive on that. But there was no ammunition.

DH Okay there was no ammunition you are confident of that? Okay.

NF I didn't see any. Unless there was some left in shorts that I didn't notice, I did not take any out.

DH Okay. Is, is there anything else that I haven't asked you about that you think is important I should know?

NF Um, I don't, I don't believe so but I also don't know what's important to you so

DH Yeah I know but, anything (inaudible)

NF From my standpoint I don't believe so.

DH Okay. Um, you have my email if...

NF I do.

DH ...if there's anything else that comes to mind that you think, hey you know, you know maybe I should have said this or that and I didn't. Can you...

NF Um-hm.

DH ...respond to me and I will get back to you?

NF Yep. Absolutely.

DH Okay and this is, and the number I called you on is my cell phone number feel free to call me back at that number.

NF Okay.

DH Okay?

NF Sounds good.

DH Okay I'm gonna end...

NF Um-hm.

DH ...the interview right now. The time is 11:37.

END OF RECORDING.

Narrative begins on the following page.

On Monday, July 11, 2016, SA Olson received via electronic email a letter from attorney Larry Rogers Jr. Rogers indicated he was representing Diamond Reynolds and her daughter Dea-Anna Eversley-Reynolds (see attached).

It should be noted that SA Olson was on vacation during the timeframe the letter was sent. SA Olson did speak with Rogers on July 18, 2016, and learned that Ms. Reynolds would not consent to an exam of her cellular telephone, nor would she allow her daughter to be interviewed by a forensic specialist from Midwest Children's Resource Center in St. Paul, MN.

Dear Mr. Muehler and Mr. Olson:

As I have informed you in our several conversations over the last few days, I represent Diamond Reynolds and her daughter Dea-Anna Eversley-Reynolds. On Wednesday, July 6, 2016, Ms. Reynolds' private and personal iPhone was unlawfully seized following the police-involved shooting death of Philando Castile by St. Anthony police officer Jeronimo Yanez. The immediate aftermath of the incident was not recorded but instead was live streamed to Facebook. No recording of the incident exists on the iPhone. We respectfully request that that device be immediately returned.

In our conversations, I have informed you that the video evidence that you seek of the live streaming post to Facebook is not on the iPhone and that all of the content was posted and made available to the world. You have confirmed that you have that Facebook post and further, you have confirmed that you have no evidence that live streaming to Facebook creates a file on a device. Given the absence of any such evidence, your request to download Ms. Reynolds' iPhone is nothing more than a fishing expedition that if done, would be done without consent, authorization, or a warrant, constituting an illegal search and seizure of the device and content. Furthermore, permitting a private company to unlock the phone and provide you access to its content or to download or copy its content is expressly not consented to or authorized.

To the extent that Ms. Reynolds' device has been downloaded, copied, or otherwise duplicated already, we would request that the same be turned over to me immediately. To the extent that an effort is being made to secure a warrant to access or download, copy, or otherwise duplicate the

LAW OFFICES

POWER ROGERS & SMITH, P.C.

content of Ms. Reynolds' iPhone, I request that the Court and Judge to whom the request is made be advised of the following:

- (1) that the iPhone was illegally and unlawfully seized and taken without permission or consent;
- (2) that no consent has been provided to access, review, search, or copy the content of the iPhone;
- (3) that the iPhone contains personal private and needed information that Diamond Reynolds has been denied access to without just cause; and
- (4) that you have confirmed that you have no evidence that the iPhone contains any recording or other file of the live Facebook stream at issue or any other information pertinent to your investigation, which renders this an illegal search without just cause.

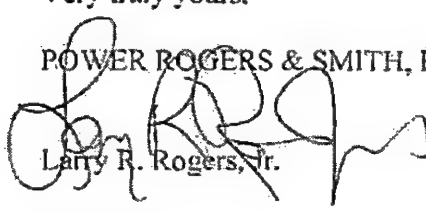

To the extent any information has already been downloaded or copied from Ms. Reynolds' private iPhone we would request:

- (1) that the download and copy be turned over without a copy being retained, immediately;
- (2) that the identity of the person who accessed the iPhone and the person in custody of any such download or copy be provided along with the name of the person and entity that downloaded, copied or provided access to the phone;
- (3) identify when access was obtained,
- (4) identify when the content of the phone was downloaded, copied or otherwise reviewed, and what was reviewed, and
- (5) identify where the download or copy is currently and who has reviewed it.

If you should have any questions or concerns, please do not hesitate to contact me including by cellular telephone at (312) 952-1556.

Very truly yours,

POWER ROGERS & SMITH, P.C.

Narrative begins on the following page.

On 07/12/2016 SA Henning served a search warrant upon the Hennepin County Medical Center for video relating to the treatment of Philando Castile. SA Henning spoke with Amy Sweasy and Sara Hargadon with the Hennepin county Attorney's Office. Sweasy obtained a sealing order for the warrant which is attached to this report. Hargadon served SA Henning with a protective order which restricts the viewing of the video to BCA and Ramsey County Attorney's Office. SA Henning has attached the protective order also.

On 07/18/2016 SA Henning met with Assistant Hennepin County Attorney Sara Hargadon and received a thumb drive and a CD, acquisition of exhibit 2016-433/36.1-2. Hargadon advised SA Henning that the thumb drive contained video from the trauma bay in the emergency room and the CD contained video from outside the emergency room. Hargadon told SA Henning that the thumb drive was encrypted, she provided the code.

STATE OF MINNESOTA, COUNTY OF HENNEPIN

DISTRICT COURT

STATE OF MINNESOTA)

) SS.

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

COUNTY OF HENNEPIN

SA Doug Henning, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Video and/or audio recordings of activity involving Philando Dival Castile DOB: 07/16/1983 while at the Hennepin County Medical Center 07/06/2016 in Minneapolis, MN. To include but not limited to video footage from the Trauma bay inside the emergency room where Castile recieved care.

are at the premises, described as:

Hennepin County Medical Center, located at 701 Park Ave South Minneapolis MN 55415

located in the City of Minneapolis, County of Hennepin, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Doug Henning, is a licensed peace officer and Special Agent (SA) employed by the Minnesota Bureau of Criminal Apprehension (MN BCA). Your Affiant has been employed by the MN BCA for over ten years. Your Affiant was employed by the Chisago County Sheriff's Office and the Lindsom Police Department for approximately 12 years prior to working for the MN BCA. Your Affiant has had several assignments while employed with the MN BCA. These assignments have included investigating Narcotics, Financial crimes and General investigations which include death investigations; officer involved shootings, conflict investigations as well as other investigations as assigned. Your Affiant has received training related to investigations which include: Crime Scene Processing, Interview and Interrogation, Drafting or Search Warrants and other court documents, Photography, Narcotics related training which has been provided by the Drug Enforcement Administration (DEA), The Bureau of Alcohol, Tobacco and Firearms (ATF) and the Federal Bureau of Investigations (FBI). Your Affiant has been investigating felony level crimes for the last 12 years. During the last 12 years your affiant as has many cases prosecuted at both the State and Federal level, all of which have resulted in convictions.

On 07/06/2016 the St. Anthony Police Department requested the investigative assistance of the Bureau of Criminal Apprehension (BCA) after an officer involved shooting in the City of Falcon Heights. The BCA responded and is conducting a criminal investigation into the shooting of Philando Castile.

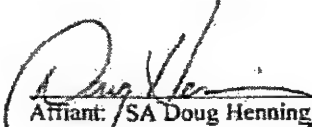

Your affiant has learned that Castile received emergency medical care from members of the St. Paul Fire Department (SPFD). The SPFD transported Castile via ambulance to the Hennepin County Medical Center (HCMC) and was treated for his injuries. Your Affiant has learned that Castile was treated in the emergency department at HCMC in one of their trauma bays located within the emergency room. Castile was pronounced dead by one of the doctors attending to him in the emergency room.

Your affiant and other agents have conducted interviews with SPFD personel and medical staff from HCMC. Your Affiant has been made aware that areas inside the emergency department is video and possibly audio recorded. Your affiant has been informed that the trauma bays in the emergency room are video recorded for training purposes. Your affiant believes that this video/audio footage will support statements provided by medical staff to law enforcement. Your Affiant believes that the video footage from the treatment of Philando Castile will also assist law enforcement identify certain items of Castile's property that was removed from his person while he was receiving medical care at HCMC.

Your affiant requests that the court order Hennepin County Medical Center provide your Affiant and the Bureau of Criminal Apprehension with copies of the video footage identified above to further your affiant's criminal investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding SA Doug Henning or SA Michelle Frascone, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Subscribed and sworn to before me this 12th
day of July, 2016

Affiant: /SA Doug Henning 1361

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF HENNEPIN

DISTRICT COURT

TO: SA DOUG HENNING OR SA MICHELLE FRASONE, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, SA DOUG HENNING has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

Hennepin County Medical Center, located at 701 Park Ave South Minneapolis MN 55415

located in the City of Minneapolis, County of Hennepin STATE OF MINNESOTA for the following described property and things:

Video and/or audio recordings of activity involving Philando Dival Castile DOB: 07/16/1983 while at the Hennepin County Medical Center on 07/06/2016 in Minneapolis, MN. To include but not limited to video footage from the Trauma bay inside the emergency room where Castile recieved care.

WHEREAS, the application and supporting affidavit of SA Doug Henning was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises.

NOW, THEREFORE, YOU SA DOUG HENNING OR SA MICHELLE FRASONE THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

BY THE COURT:

JUDGE OF DISTRICT COURT

Dated: July 12, 2016

DSH

STATE OF MINNESOTA, COUNTY OF Hennepin District COURT

RECEIPT, INVENTORY AND RETURN

I, Special Agent Doug Hennings, received the attached search warrant issued by the Honorable Charles Porter, on 7/12, 2016 and have executed it as follows:

Pursuant to said warrant, on 7/12, 2016, at 9³⁰ o'clock A m., I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) DESIREE NORMAN (HMC Human Resources)

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

Video from HMC

(Strike when appropriate:)

☒ I left a receipt for the property and things listed above with a copy of the warrant.

None of the items set forth in the search warrant were found.

I shall (retain) or (deliver) custody of said property as directed by Court order.

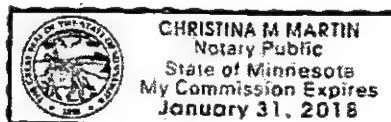

SA Doug Hennings, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

**HENNEPIN COUNTY MEDICAL
CENTER, 701 PARK AVENUE SOUTH,
MINNEAPOLIS, MN 55415 – VIDEO AND
AUDIO FOOTAGE RELATING TO THE
TREATMENT OF PHILANDO DIVALL
CASTILLE, DOB 7-16-83, ON JULY 6, 2016**

FINDINGS

The Court finds that reasonable grounds exist to believe that filing the search warrant, application, affidavit, return, receipt and inventory could severely hamper an on-going investigation.

ORDER

IT IS HEREBY ORDERED THAT:

1. The Application for Search Warrant, Search Warrant, Return, Receipt and Inventory for **HENNEPIN COUNTY MEDICAL CENTER, 701 PARK AVENUE SOUTH, MINNEAPOLIS, MN 55415 – VIDEO AND AUDIO FOOTAGE RELATING TO THE TREATMENT OF PHILANDO DIVALL CASTILLE, DOB 7-16-83, ON JULY 6, 2016** shall not be filed at this time.

2. The above-described documents shall remain unfiled until further Order of a judge of this court. Until such filing, the documents and materials ordered withheld from filing shall be retained by the Court or the Court's designee, the court administrator.

Dated:

Judge of District Court

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

This affiant applies for issuance of a search warrant upon the following grounds:

located in the City of Minneapolis, County of Hennepin, and State of Minnesota.

Hennepin County Medical Center, located at 781 Park Ave South Minneapolis MN 55415

are at the premises, described as:

Video and/or audio recordings of activity involving Phildando Divall Castle DOB: 07/16/1983 while at the Hennepin County Medical Center 07/06/2016 in Minneapolis, MN. To include but not limited to video footage from the Trauma bay inside the emergency room where Castle received care.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

SA Doug Hennig, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

COUNTY OF HENNEPIN

) SS.

APPLICATION FOR SEARCH WARRANT AND SUPPORTING AFFIDAVIT.

STATE OF MINNESOTA

)

STATE OF MINNESOTA, COUNTY OF HENNEPIN

DISTRICT COURT

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Doug Henning, is a licensed peace officer and Special Agent (SA) employed by the Minnesota Bureau of Criminal Apprehension (MN BCA). Your Affiant has been employed by the MN BCA for over ten years. Your Affiant was employed by the Chisago County Sheriff's Office and the Lindstrom Police Department for approximately 12 years prior to working for the MN BCA. Your Affiant has had several assignments while employed with the MN BCA. These assignments have included investigating Narcotics, Financial crimes and General investigations which include death investigations, officer involved shootings, conflict investigations as well as other investigations as assigned. Your Affiant has received training related to investigations which include: Crime Scene Processing, Interview and Interrogation, Drafting of Search Warrants and other court documents, Photography, Narcotics related training which has been provided by the Drug Enforcement Administration (DEA), The Bureau of Alcohol, Tobacco and Firearms (ATF) and the Federal Bureau of Investigations (FBI). Your Affiant has been investigating felony level crimes for the last 12 years. During the last 12 years your affiant as has many cases prosecuted at both the State and Federal level, all of which have resulted in convictions.

On 07/06/2016 the St. Anthony Police Department requested the investigative assistance of the Bureau of Criminal Apprehension (BCA) after an officer involved shooting in the City of Falcon Heights. The BCA responded and is conducting a criminal investigation into the shooting of Philando Castile.

Your affiant has learned that Castile received emergency medical care from members of the St. Paul Fire Department (SPFD). The SPFD transported Castile via ambulance to the Hennepin County Medical Center (HCMC) and was treated for his injuries. Your Affiant has learned that Castile was treated in the emergency department at HCMC in one of their trauma bays located within the emergency room. Castile was pronounced dead by one of the doctors attending to him in the emergency room.

Your affiant and other agents have conducted interviews with SPFD personnel and medical staff from HCMC. Your Affiant has been made aware that areas inside the emergency department is video and possibly audio recorded. Your affiant has been informed that the trauma bays in the emergency room are video recorded for training purposes. Your affiant believes that this video/audio footage will support statements provided by medical staff to law enforcement. Your Affiant believes that the video footage from the treatment of Philando Castile will also assist law enforcement identify certain items of Castile's property that was removed from his person while he was receiving medical care at HCMC.

Your affiant requests that the court order Hennepin County Medical Center provide your Affiant and the Bureau of Criminal Apprehension with copies of the video footage identified above to further your affiant's criminal investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding SA Doug Henning or SA Michelle Frascione, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

AUDIO FOOTAGE RELATING TO THE
TREATMENT OF PHILANDO DIVALL
CASTILE, DOB 7-16-83, ON JULY 6, 2016

SELF-SEALING PROTECTIVE ORDER

This matter came before the Honorable Judge Todd Barnette of the Hennepin County District Court, on July 15, 2016, on a request from Hennepin Healthcare System, Inc., d/b/a Hennepin County Medical Center ("HCMC") for entry of a protective order.¹ On July 12, 2016 a search warrant was applied for by SA Doug Henning, a special agent for the Bureau of Criminal Apprehension ("BCA"), and granted by Hennepin County District Court Judge Charles Porter. The search allows SA Doug Henning or SA Michelle Rascone and all other personnel under their direction and control to search HCMC, located at 701 Park Ave. South, Minneapolis, MN 55415. The search warrant further allows property and things to be seized from HCMC's premises which "constitute evidence tending to show a crime has been committed, or tends to show that a particular person has committed a crime" and described in the search warrant as, "video and/or audio recordings of activity involving Philando Divall Castile DOB: 07/16/1983 while at the Hennepin County Medical Center on 07/06/2016 in Minneapolis, MN. To include but not

¹ Hennepin Healthcare System, Inc. is a wholly-owned subsidiary of Hennepin County.

limited to the video footage from the Trauma bay inside the emergency room where Castile received care."

HCMC seeks this protective order to protect the privacy interests of Philando Castile ("Castile") and his family as well as other HCMC patients, visitors and employees who appear in the requested videos. The video footage shows the provision of medical care and treatment to Castile and includes other HCMC patients who have not been identified but who are clearly identifiable in the recordings. Accordingly, the videos contain "protected health information" under the Health Insurance Portability and Accountability Act ("HIPAA")²; private medical data under the Minnesota Government Data Practices Act ("MGDPA")³; and "health records" under the Minnesota Health Records Act ("MHRA").⁴ Due to the highly sensitive nature of these videos, HCMC requests that a protective order be entered to limit their dissemination.

HCMC also seeks a protective order on the grounds that several of the requested videos are subject to the peer-review privilege. HCMC maintains that the emergency room stabilization videos are "data and information acquired by a review organization" that are used for the

² HIPAA's implementing regulations define "protected health information" to mean "individually identifiable health information." 45 C.F.R. § 160.103.

³ The MGDPA defines "medical data" as "data collected because an individual was or is a patient or client of a hospital . . . operated by a government entity . . ." Minn. Stat. § 13.384, subd. 1. Under the MGDPA, "medical data" are classified as "private" unless the data is summary data or a statute specifically provides a different classification. *Id.*, subd. 3.

⁴ "Health record" is defined by the Minnesota Health Records Act to include "any information, whether oral or recorded in any form or medium, that relates to the past, present, or future physical or mental health or condition of a patient; the provision of health care to a patient; or the past, present, or future payment for the provision of health care to a patient." Minn. Stat. § 144.291, subd. 2(c).

purpose of evaluating and improving the quality of health care and should be held in confidence pursuant to state statute. Minn. Stat. § 145.64, subd. 1.⁵

For these reasons, HCMC requests that the materials to be provided to the BCA in connection with the July 12, 2016 search warrant be made subject to a protective order.

Amy Sweasy, Assistant Hennepin County Attorney and legal counsel for Hennepin County and HCMC.

Based on the foregoing, the Court orders the following:

IT IS THEREFORE:

1. ORDERED that HCMC's request for a protective order is granted.
2. ORDERED that the materials to be provided by HCMC to the BCA in response to the July 12, 2016 search warrant may only be used, accessed, or viewed by the BCA and the Ramsey County Attorney's Office in furtherance of their lawful criminal investigation and shall not be further disclosed or disseminated without a modification of this order.
3. ORDERED that HCMC shall be given notice and an opportunity to intervene prior to any modification of this order.
4. ORDERED this protective order shall be self-sealing that becomes public only if and when the warrant is made public or by other modification of this order.

⁵ The peer-review statute states that materials acquired by a review organization shall not be disclosed and that unauthorized disclosure is a misdemeanor offense. Minn. Stat. §§ 145.64 and 145.66.

Narrative begins on the following page.

On 07/08/2016 SA Pritzlaff and SA Henning interviewed St. Paul Fire fighter Joseph Murray Balazs DOB: 01/14/1969. The interview was conducted at St. Paul Fire Department Station #23, located on Como Ave. The interview was recorded and transcribed, the transcript will be attached to this report. A copy of the audio recording will be placed on a CD and held as evidence, acquisition of exhibit 2016-433/37.1.

Agents started by obtaining biographical information from Balazs. For the purpose of this report agents used the contact information for SPFD Station #23. Balazs told agents that he had been employed by the St. Paul Fire Department for the last 14 years as a Fireman. Balazs told agents that he is currently assigned as a pool driver. Balazs explained to agents that he travels from station to station filling in as a driver to fill vacations or other openings.

Balazs said that on 07/06/2016 he was working at station #23. Balazs said that he recalled being dispatched to a medical in the area of Larpenieur and Fry in Falcon Heights. Balazs told agents that as fire personnel arrived on scene he observed police performing CPR on a black male. Balazs said that he heard one of the police officers say the subject was not cooperating or following instruction. Balazs said that the patient was loaded and transported to the Hennepin County Medical Center by order of Capt. Larry Goodman. Balazs said that the patient was pronounced dead in the HCMC Emergency room.

Balazs was asked by agents if he had noticed a gun at the scene. Balazs told agents that he had not observed a gun but was told about the gun by Paramedic Mike Paider at a later time. Agents concluded the interview at this time. Balazs was asked to sketch a diagram of the scene which he did. The diagram produced by Balazs will be held as evidence (acquisition of exhibit 2016-433/37.2) as well as attached to this report.

This report is only a synopsis of this report, please see transcript for full detail.

TRANSCRIPT

INTERVIEW DATE:	July 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	SPFD Joseph Balazs (JB)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michael Pritzlaff (MP)
REVIEWED BY:			

DH Okay the recorder is going. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. Uh with me today is my partner Mike Pritzlaff. He's also a Special Agent. Uh the date today is 7-8-2016. The time right now is 12:58 P.M. Uh the case number is 2016-433. This will be an, an interview with St Paul Fire Fighter, first name Joseph J-O-S-E-P-H, middle name Murray M-U-R-R-A-Y, last name Balazs B-A-L-A-Z-S, date of birth 1-14 of 1969. Is that correct?

JB Yes.

DH Uh for the purposes of this report your address is 1926 Como Avenue West, St Paul, Minnesota and I'm not sure of the zip but we'll get that taken care of later.

JB That's correct.

DH Phone number is 651-644-7930 and that's for the station here.

JB Yes.

DH Okay. Do you like to be called Joe or Joseph or...

JB Joe is fine.

DH Okay. Joe can you tell me how you're employed?

JB Um I am a pool driver so I go to whatever of the uh fifteen stations are in need of a driver for you know somebody might be on vacation, off sick might be an opening.

DH Okay.

JB So I, I float around.

DH For who?

JB For St Paul Fire Department.

DH Okay. And how long have you been working for St Paul?

JB Fourteen years.

DH Fourteen years. Um, on the 6th and I'm just gonna talk to you because you're a pool and you move around correct? So you go from station to station. Is it for extended periods is or is it for like a day here a day there or how does that work?

JB Um sometimes it's for a day here or a day there. Usually I'm there at least a week.

DH Okay. So a week at a time. Were you working on the 6th of, of July?

JB . Yes.

DH Okay. And what station were you working at?

JB Station 23.

DH Okay and that's here on Como Avenue?

JB Correct.

DH Okay. Um, can you tell me um if you recall going to a call of a an individual that was shot?

JB Yes.

DH Up on Larpenteur.

JB Yes.

DH Can you tell me about what time that call came in?

JB (coughs)

DH Approximately

JB It was evening.

DH It was evening? Okay. Okay tell me about how that came in and, or...

JB (coughs)

DH ...or how you were made aware of the call and um

JB The tones went off in the fire station here and uh, a said a possible shooting stand by for police.

DH Okay. So then, then what happened?

JB Um then we got in our vehicles. I drive the engine. Uh the fire engine. Four of us got in that vehicle. Two got in the ambulance. And we drove up to Larpenteur and Fry. On the way uh dispatch said that uh the scene was safe.

DH Okay.

JB Um as we pulled up the ambulance was in front of me. They stopped and talked to uh one squad who directed them towards the patient. We followed. All got out and went over to the patient. What uh we saw as we were getting out of our vehicles was police doing CPR on a black man.

DH Okay can you tell me...

JB (coughs) excuse me.

DH ...who responded? Who was with you? Who, who you were working with uh on that day.

JB The?

DH Or who went to the medical?

JB Uh all six people that were working at the station that day.

DH And do you know who those people are?

JB Uh let's see,

DH I know you're pool so...

JB (laugh)

DH ...if you can't remember everybody.

JB Yeah.

DH But there was six people you know that

JB Correct.

DH You know who the boss was?

JB Yes uh Captain uh Larry Goodman. He was in the fire engine on the passenger side front.

DH Okay. You were the driver of the engine?

JB Correct.

DH Okay do you remember who else was there?

JB Oh let's see (sigh) I'm drawing a blank.

DH That's all right. But it was you and the Captain and four others?

JB Correct.

DH Okay. Um you drive the engine. You also responded with an ambulance.

JB Right.

DH Okay um who was in the ambulance? Do you recall?

JB (no audible response)

DH That's all right if you don't. How was the ambulance staffed?

JB Uh with two pe, two uh one uh with two people.

DH Okay.

JB Um one is usually a paramedic one's an EMT.

DH Okay.

JB One's driving, one's sitting in the front passenger.

DH Were you aware was there a pena, a paramedic and an EMT on the, on the rig that night?

JB That is correct.

DH Okay. So you guys responded, up to the area of Larpenteur and Fry. You pulled up. The paramedic talked to an officer and then you moved up, up closer to the scene. You exited. You observed office, an officer or officers doing CPR?

JB Correct.

DH On a, on a black male?

JB Correct.

DH Okay. Go ahead and tell me what else happened from there.

JB Um at that point uh, we moved in and asked a few questions. Um...

DH What questions were asked?

JB Um,

DH If you recall

JB ...let's see, what happened um and (pause)

DH Do you recall what you were told?

JB Uh they uh somebody said he was shot. And there was no pulse. While they were doing CPR. Uh at one point uh somebody asked what happened and I heard one of the officers say he was not cooperating, that he wasn't following police instructions. Um at that point

we brought out our equipment. Put him on a backboard and um at this point I was directed to go into the back of the ambulance to get some equipment ready for when the patient was brought in.

DH Okay.

JB Um and then when the patient was brought in um the, continued with our, out treatment doing CPR, putting all our monitoring equipment on him and um started IV's that kinda thing. And uh when the ambulance was ready to roll the decision was made to go to Hennepin County. Um I got out.

DH Who makes that decision?

JB Uh I believe that was the uh Captain.

DH Okay.

JB Uh who uh confirmed that with the paramedic on the ambulance at the time.

DH Okay.

JB And um at that point I got out to follow the ambulance uh driving the uh fire engine. I was the only one in the fire engine as we went to the hospital.

DH Okay so then you followed the ambulance?

JB Correct.

DH The ambulance went directly to the emergency room at...

JB Correct.

DH ...HCMC?

JB HCMC yes.

DH Okay. So did they beat you there or did you stay right behind 'em?

JB Um they were right in front of me I just followed them.

DH Okay. So when they arrived at the, at the hospital what happened?

JB Uh then I got out and I helped them unload the patient and bring the patient into the emergency room.

DH Okay and then once you entered the emergency room what happened?

JB Um, the report started from the paramedic who was who wrote the report on the computer.

DH Is that, is that protocol?

JB Yes.

DH Okay. To, who?

JB To the uh staff usually.

DH Okay.

JB Uh nurses and doctors.

DH Okay.

JB There was about a dozen people in there waiting for us.

DH Okay.

JB Um and uh somebody asked what happened. Um...

DH Do you know any of those people?

JB Not personally.

DH Okay.

JB I couldn't tell you any names.

DH Okay. Okay go ahead.

JB Um somebody asked what, what happened and uh I said at one point uh he was shot by a police officer. Um somebody else on the crew said no he was shot by a byss or by someone else not a police officer. Uh there as a little disconnect.

DH Okay.

JB I guess at that point be, between a couple of us about what exactly had happened. And uh they, they uh basically told the staff uh what we did and uh what we had in route which was basically no pulse, CPR the whole time.

DH Okay.

JB And uh handed him off and uh basically stayed and watched until they called him, eh dead after uh opening of his side and taking a look at his heart and seeing the damage there.

DH Okay. So the doctor told you guys that he had a damaged heart?

JB Yeah. We actually saw it. They opened it up. They let us see it.

DH Okay.

JB A, few of us (inaudible).

DH What did he say? What did the doctor say?

JB Uh he said that there was significant damage to the left side of the heart.

(pause)

DH So then what happened?

JB Uh at that point then we uh started uh pulling our equipment out, our stretcher and that kinda stuff. And uh went to go clean that.

DH Okay. And then what happened after you (inaudible)

JB We came back to the fire station.

DH Okay. Did you have any uh any further involvement in, in this call other than that?

JB No.

DH Okay. Is there any, Mike got anything?

MP (no audible response)

DH Is, is there anything that I haven't asked you or we haven't asked you that you think is important we should know about?

JB Not that I can think of.

DH Okay. If there is I'm gonna provide you with my business card. Just give me a shout if something pops in your head at a later point.

JB Sure.

DH Um I guess I do have a couple questions. Um, did you ever observe anything or was there anything ever brought to anybody's attention that was, of safety concern? Whether you were at the scene or in, in the paramedic rig at all?

JB Um, not that I witnessed. But while they were uh packaging him...

DH Yes.

JB ...and, and loading him up I was in the back of the ambulance getting equipment ready.

DH Yeah.

JB So there was an issue that I heard later that happened of their finding a firearm.

DH Okay did they tell you how that came about?

JB Yes.

DH Do you recall who told you that?

JB Uh Mike Paidar.

DH Mike Paidar?

JB Yeah he is the uh paramedic on the ambulance that on that call.

DH Okay and what did Mike specifically say?

JB He said that uh um as they were loading him onto the backboard uh the gun became visible in his pocket. Um and uh one of the police officers noted that and said gun. (clears throat) and uh things got a little tense I guess and then somebody uh reached in and took it out of the pocket and laid it aside. That's what I was told.

DH Okay. By Mike Paidar?

JB Correct.

(pause)

JB And the other guy that was on the ambulance with him, I can't remember his name.

DH So did the other guy tell you independently or did they tell you together?

JB Same time.

DH Same time. So the other guy would have been an EMT?

JB Correct.

(pause)

JB Oh yeah that would,

(pause)

DH Okay. Is there anything else I haven't asked ya? Did ya, did you ever see a holster or anything?

JB I did not.

DH Okay.

(pause)

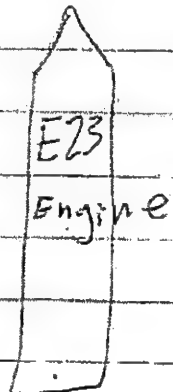

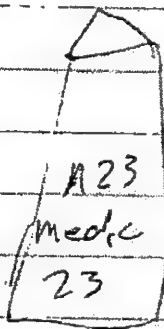

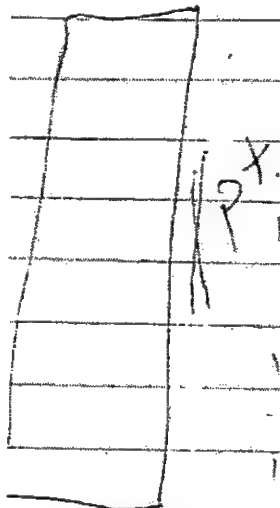

DH Okay. I am going to complete the interview then. The time right now is, 1:11 P.M.

END OF RECORDING.

Narrative begins on the following page.

On July 14th, 2016, SAIC Mueller reached out to KARE 11, to see if they would be willing to reach out to their source of the "Car to Car" radio traffic recording, believed to be Officer Yanez and Officer Kauser speaking to each other prior to the traffic stop.

Between July 15th and July 19th, SAIC Mueller corresponded with the source, who wishes to remain anonymous. The anonymous source emailed SAIC Mueller all radio traffic that they had recorded, that was related to this incident. These recordings were transferred to DVD, then packaged and labeled as evidence, item #2016-433/38.1. The evidence was later turned over to SA Henning. (See attached evidence transfer)

Subject: Re: Falcon Heights "Scanner" Audio

reason_for_stop.mp3 is 21:02:53 - 21:04:27 on St Anthony Police Car to Car. It is two St Anthony officers talking to each other about stopping this car. (There are > 15 minute periods of silence on either side of this clip on this talkgroup.)

shots_fired.mp3 starts at the first officer saying shots fired on Ramsey Law West at 21:06:10 and continues for 15 minutes. There is no mention on the dispatch talkgroup of the stop before the shots fired call. (The two shots fired calls are made by different radios.)

shooting_fire_ems.mp3 is the Fire/EMS dispatch/medic control call/etc. This starts at 21:07:32 and comes from a bunch of talkgroups.

Computer speech dispatching

Discussions with dispatch about if the scene is safe.

Discussions with medic control about patient.

Medic control needing some more info and people relaying the message to the ambulance that medic control needs more info.

More discussions with medic control about patient.

Silence is not transmitted and I don't add it back in (the first clip is only a little shorter than realtime; the other two are significantly shorter).

timeline_audio.zip contains individual audio files for each transmission. I've include 20:30 - 22:30 on talkgroups 2306, 10430, 11520, 11522, 11632 and 11634.

The files are named:

YYYYMMDD_HHMMSS_talkgroup_radioid.mp3

Talkgroups:

http://www.radioreference.com/apps/db/?sid=3508&opt=all_tg#tgs

2306 East MRCC

10430 St. Anthony Police Car to Car

11520 Ramsey Law Dispatch West

11522 Ramsey Fire Dispatch South - St. Paul

11632 Fire Admin

11634 Ramsey Fire Ops 4

Radio ids:

Every radio (and dispatch console) has a unique six digit radio id. Sometimes on short transmission (and certain other types of transmissions) no radio id will be received. My system records this as 0.

I don't think sitting down is necessary. You've heard the audio (I assume). I doubt it is very relevant to the case. I provided to KARE11 a zip file containing an individual file for every radio transmission, because they said they wanted to make a detailed timeline. Each transmission is labeled with the time, talkgroup and radio id. If they did not provide you with that and it would be useful, it would be easy for me to email you a copy.

If you are wondering why I happened to have a copy of St Anthony Car to Car, it is because I record nearly all of metro area ARMER. I built a system fairly well described here: <http://forums.radioreference.com/minnesota-radio-discussion-forum/314688-experiment-build-your-own-stream.html> . (And yes, as MN taxpayers, we should consider it crazy that for ~\$1000 of hardware and some of my time I record essentially all radio traffic and that many MN counties spend significant fractions of a million dollars to record a subset.)

Narrative begins on the following page.

On July 14th at approximately 1458hrs, Special Agent Michelle Frascione was authorized medical run reports from St. Paul Fire Department via warrant signed by the Honorable Judge Elena L. Ostby. The warrant was served on St. Paul Fire Chief Matt Sampson on July 18th at approximately 1354hrs. Chief Sampson provided SA Frascione a copy of transport information as well as medical treatment provided to the patient. No evidence was obtained by virtue of this report.

STATE OF MINNESOTA, COUNTY OF Ramsey District COURT

RECEIPT, INVENTORY AND RETURN

1. Michelle Frascone, received the attached search warrant issued by the Honorable ELENA L. Ostby, on 7/14, 2014 and have executed it as follows:

Pursuant to said warrant, on July 14th, 2014, at 1:59 o'clock pm., I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) 1645 Randolph Ave

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

- Run Report 1st. Paul Fire Dept)

(Strike when appropriate:)

☒ I left a receipt for the property and things listed above with a copy of the warrant.

~~None of the items set forth in the search warrant were found.~~

I shall (retain) or (deliver) custody of said property as directed by Court order.

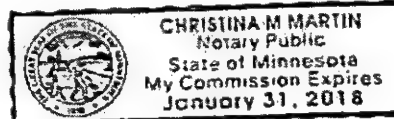

Michelle M. Frascone, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

DISTRICT COURT

STATE OF MINNESOTA)

)

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

COUNTY OF RAMSEY) SS.

Special Agent Michelle Frascone, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of her own knowledge, same as to such as are herein stated on information and belief, and as to those, she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

- Any and all records associated with the medical treatment and transport of Philando Dival Castile, DOB 07/16/1983 on July 7th, 2016 by the St. Paul Fire Department. To include, but not limited to run reports, paramedic reports and any video associated with the care and/or transportation of the patient.

are at the premises, described as:

645 Randolph Avenue

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

Your Affiant is a Special Agent with the Minnesota Bureau of Criminal Apprehension and a licensed peace officer. Your Affiant holds a Bachelor's Degree in Criminal Justice from Metropolitan State University, and a Law Enforcement Certificate from Metropolitan State University. Affiant has served numerous search warrants with successful prosecution

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

On July 7th, 2016 the St. Anthony Police Department requested the investigative assistance of the Bureau of Criminal Apprehension (BCA) after an officer involved shooting death in the City of Falcon Heights, MN. The BCA accepted their request and is currently conducting a criminal investigation into the shooting of Philando Castile.

Your Affiant learned that Castile received medical care and was transported by the St. Paul Fire Department (SPFD) to Hennepin County Medical Center (HCMC). Your Affiant and other agents have conducted interview with SPFD personnel and medical staff from HCMC. Your Affiant was made aware of run reports and a paramedic reports that were produced by responding St. Paul Firefighters documenting the care and condition of Castile. Your affiant believes that these reports will support statements provided by SPFD staff, as well as, law enforcement.

Your affiant requests that the court order St. Paul Fire Department to provide your affiant, and the Bureau of Criminal Apprehension with copies of all reports associated with the medical treatment and transport of Castile to further your affiant's criminal investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding Special Agent Michelle Frascone, Special Agent Doug Henning, Special Agent Chris Olson, and Senior Special Agent in Charge Scott Mueller (a peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY

DISTRICT COURT

TO: Michelle Frascone, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, Michelle Frascone has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises:

645 Randolph Avenue

located in the City of St. Paul, County of Ramsey, STATE OF MINNESOTA for the following described property and things:

- Any and all records associated with the medical treatment and transport of Philando Divali Castile, DOB 07/16/1983 on July 7th, 2016 by the St. Paul Fire Department. To include, but not limited to run reports, paramedic reports and any video associated with the care and/or transportation of the patient.

WHEREAS, the application and supporting affidavit of Michelle Frascone was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises,

NOW, THEREFORE, YOU Special Agent Michelle Frascone, Special Agent Doug Henning, Special Agent Chris Olson, and Senior Special Agent in Charge Scott Mueller THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

Title: Officer Involved Shooting

Created By: Jeff Spores

On 7/6/2016 at approximately 2119 hours, I (Sgt. Spiess) received a phone call from Officer Sunde. She advised that there had been a shooting involving St. Anthony Officer Yanez near the intersection of Larpenieur Avenue at Fry Street. She indicated that Officer Yanez did not sustain any physical injuries and that the suspect was en route to Hennepin County Medical Center. Officer Yanez and Officer Kauser were en route to the St. Anthony Police Department with Roseville Officer Anderson. I asked Officer Sunde to notify the MN BCA to respond.

I contacted Acting Chief Mangseth and advised him of the situation. He advised that he would be en route. While en route to the scene, I contacted Sgt. Diegnau, who advised that he would respond to the police department and begin calling officers to duty.

I arrived on scene at approximately 2150 hours and was briefed by Chief Mangseth and Officer Sunde. Shortly thereafter, two females ran up to the scene, were very upset, and stated that the victim was a relative. One female (not identified) stated that he was her brother and the other, (identified verbally as Valerie (NMN) Castillo 5/30/1956) stated that the victim was her son. She stated that his name was Philando Dival Castillo (7/16/1983). They were both advised that he had been transported to the Hennepin County Medical Center. They then left for that destination.

I spoke to Roseville Officer Dattilo, who was maintaining a position on the perimeter. He advised that, upon arriving, he spoke to a group that had been standing on the north side of Larpenieur near the entrance to the Fry Street apartments. He asked if there were any witnesses. Three parties came forward and stated that they were. Their information is as follows:

1. Nicole Eileen Darouie (7/13/1987). According to Officer Dattilo, Ms. Darouie advised that she had been in her vehicle with her brother (Bryan Darouie) in the Fry Street apartments lot when she heard gun shots.

2. Bryan Thomas Darouie (10/3/1990). Same information as provided for Nicole Darouie. He told Officer Dattilo that he needed to go to bed for work in the morning. He departed and went to his girlfriend's residence at 1687 Fry Street #3.

3. Anne Jacque Chagnon (12/23/1967). According to Officer Dattilo, she had traveled past the traffic stop E/B on Larpenieur and turned into the Fry Street apartments lot. She soon after heard something similar to "get your hands up!" followed by gun shots.

I met with MN BCA Agent Phill. He requested that all witnesses go to the Roseville Police Department so that he could interview them. He then indicated to me that there was a video of the incident circulating on Facebook and that the above witness, Nicole Darouie, had been watching it. I spoke to Ms. Darouie, who was angry with me. She stated that she watched the video on Facebook and that the suspect/victim should not have been shot. I asked her to go the Roseville Police Department and to bring her brother, Bryan Darouie, with her. She reluctantly agreed to go and to awake her brother. I contacted Ms. Chagnon, who agreed to go to the Roseville Police Department as well.

A short time later, Agent Phill spoke to Ms. Darouie at the scene. Following their conversation, he advised that she smelled of an alcoholic beverage and was uncooperative. He stated that he would attempt to reinstate an interview with Mr. Darouie and Ms. Darouie at a later date. He subsequently met Ms. Chagnon at the Roseville Police Department and conducted an interview.

At 2234 hours, Agent Phill advised that I could shut the squad cameras off in the squads involved in the incident: squads 704 and 700. I shut the camera system off in squad 700, but was unable to do so without getting into squad 704. As a result, I left the camera in 704 active.

At 2348 hours, I assisted Chief Mangseth with removing the Secure Digital (SD) card from both aforementioned squads. These SD cards contained the video footage captured by the in-squad camera system. Chief Mangseth put each of these cards into envelopes provided by the BCA and brought them to the St. Anthony Police Department.

At the request of Agent Phill, I assisted with searching the grassy area to the east of the suspect/victim vehicle. I found nothing of any evidentiary value. I contacted the Falcon Heights Fire Department and had them position to provide a wash down of the pavement area following the BCA's scene investigation.

At 0137 hours, Agent Phill advised that there was a pair of sunglasses on the sidewalk next to the suspect/victim vehicle and a white phone charger in the street. He advised that they did not need the items for evidentiary purposes and asked if I would take them. I placed both items into a property bag using protective gloves and property inventoried them at the St. Anthony Police Department. Agent Phill also advised that squad 704 (the squad Officer Yanez was operating) should be parked at the St. Anthony Police garage and not operated for 2 days. This is in the event that there would be any new information learned that would require further assessment of the squad. Squad 700 was clear to be put back into service. The suspect/victim vehicle was impounded to the BCA. It was accompanied there by two Ramsey County deputy squads.

At approximately 0145 hours, all personnel cleared the scene. The crowd of approximately 150 people ultimately dispersed.

On 7/7/2016 at 1230 hours, I received a call from Ramsey County Commander Vaughan at 651-248-6457. He offered assistance with 24 hour police coverage of Officer Yanez's home. More specifically, it would be two officers in unmarked vehicles. He offered to email a roster of officer names, vehicle type, vehicle license plates, and their phone numbers. I contacted Officer Yanez, who advised that he would like the assistance. I advised Commander Vaughan of this information and he stated he would email me the roster.

On 7/8/2016, I met with BCA Agent Olson. He advised that the BCA needed the following items:

- Report for recent armed robbery at 2424 Larpenieur Avenue, to include a copy of the surveillance video. This is St. Anthony case number 16005703.
- Reports from all officers that were on scene reference this case (16005868).
- Officer Yanez's use of force and firearms training records.
- Any complaints for Officer Yanez.
- A copy of two citations that Officer Yanez issued prior to this incident, to include squad video.
- Officer Yanez's uniform and duty belt from his locker.
- Duty ammo that is issued to St. Anthony Officers.

I provided Agent Olson with the duty ammo. He indicated that I should have the remainder of the aforementioned items to him within a week. I also released to him the black/silver iPhone that was in evidence (item #16-00481). Due to the computer system being temporarily unavailable, I created a receipt for the item, which was signed by Agent Olson and I and included in the media section of this report.

On 7/12/2016 at approximately 1040 hours, I released Officer Yanez's duty belt and outer vest to BCA Special Agent Doug Henning.

On 7/12/2016, I learned of a department digital camera that contained photos of injury sustained by Officer Yanez during this incident. It was placed on my desk by Officer Erdman. Please see his report for further details. On 7/14/2016, I viewed the four photos on the camera and transferred them to this case file. They were then deleted from the camera.

Title: Property Inventory Evidence

Created By: Elliot Erdman

On 7/12/2016 at 0140 Hrs, I (Erdman) property inventoried Officer Yanez's outer vest carrier and duty belt. Due to security concerns at the St. Anthony Police Department, I was advised by department supervisors that we would be removing all sensitive items from the police department. This message was conveyed to me and other Officers on Friday July 8th. On that day, Officer Yanez provided me with the combination to his locker. He requested that I retrieve his sensitive items and hold them until we were able to return to the police department. I retrieved numerous items from Yanez's secured locker. Among the items were his outer vest body armor carrier and his duty belt. The duty belt contained a department Taser, along with other items. The items were retrieved with my bare hands, placed in a large duffle bag, and secured in my personal vehicle. The items were locked inside the vehicle and transported to my residence. The duffle bag was removed from my vehicle and placed in the garage of my residence. The only other person who had access to the garage was my girlfriend, whom I live with. She was advised not to touch the bag or any items.

The bag remained at that location until 7/12. I then reloaded the bag in my personal vehicle and drove it back to the St. Anthony Police Department at the direction of Captain Spiess. I property inventoried the duty belt and outer vest carrier as evidence in locker #7. Clear / assisted.

In addition, Upon our temporary departure from the police department, I located a digital camera in Officer Kauser's mailbox. The department owned camera contained photographs of Officer Yanez's injury. Officer Kauser advised me that the photographs had not been added to the case. I took possession of the camera and turned it over to Captain Spiess.

Title: Officer Involved Shooting

Created By: Tressa Sunde

On 07/06/16 at about 2112 hours, I (Sunde) squad 6910 was working routine patrol in St Anthony and was the OIC (Officer In Charge).

I heard 6921 (Yanez) air on our channel 2 to 6920 (Kausser) that he was going to stop a vehicle and identify the driver because he appeared to look very similar to the suspect from a robbery our department had taken a few days earlier at 2424 Larpenieur Ave (Super USA).

A very short time later, I heard Officer Kausser yell "shots fired!" Dispatch asked for clarification whether they were being shot at or were shooting. Officer Yanez began screaming into his radio, "shots fired, shots fired, shots fired!" He then yelled, "Larpenieur and Fry!" I immediately started heading that direction code 3. While enroute, I heard Officer Yanez request medics code 3 to the location. Roseville officers were arriving and I requested updates so I could determine what my next course of action would be.

Roseville Sgt. Adams (5180) advised they were code 4 and everyone could slow down. He advised they needed an ambulance code 3 for a gunshot wound. While enroute, I requested dispatch start calling in 6901 (Mangseth) and 6902 (Spiess) and advised them of the incident.

Upon arrival, I could see the male (later identified as Philando Castile) from the vehicle was laying outside the driver side of the vehicle where 2 Roseville officers (Turán and Sgt. Adams) were performing CPR on him. I then quickly met with Sgt. Adams after Roseville Officer Dutillo took over CPR, so he could update me as to where Officers Yanez and Kausser were. He pointed to the south of the stop location toward the fence surrounding the State Fairgrounds.

I went over and spoke with Officer Yanez, who was very visibly upset. He was squatting down next to the fence, he appeared to be stunned and was crying. I knelt down beside him and asked him if he was ok, he stated he was not. He then began to tell me about the traffic stop, I stopped him and advised him I did not need to know about the stop, there would be time for that later. I told him I needed to ask him a couple questions before I could let him leave the scene. I asked him if he was hurt as I could see there was blood on his hands, he stated he had caught his thumb nail on the slide of this gun but that he was fine. I then asked him what direction he had been standing when he fired his gun. He stated he had fired his gun into the vehicle from the driver side. I then asked him if there was anyone else we needed to be looking for and he stated there was not. I then requested Officer Anderson with the Roseville police department escort Officers Yanez and Kausser to our police department. Sgt. Adams advised me that would be fine.

While speaking with Officer Yanez, Roseville officers secured crime scene tape around the scene and had assisted with traffic control from Fairview to Fry St.

I briefly made contact with the female passenger who verbally identified herself to me as Diamond Reynolds. While I was removing the handcuffs, the little girl in the backseat asked her why she had told me her real name. Diamond then told her that the police needed to know her real name, I attempted to comfort the little girl and tell her they were not in trouble, that Diamond just needed to give a statement as a witness to the incident. I explained to her again the reason she had had the handcuffs on and also that we would need to speak with her regarding the incident. Reynolds was very calm and stated she understood.

Officer Kausser removed his items from the squad car he had been driving, first, because it was part of the scene that I knew would need to be processed and second, because the female passenger (Reynolds) and her daughter were seated in the back. I then removed the items from the squad car I had been driving and allowed Officer Kausser to take that squad car. Officer Yanez rode with Officer Anderson back to the St Anthony police department.

I returned to the scene and observed the paramedics from St Paul were providing medical care to the male. After he had been loaded onto the stretcher, I was advised a gun had fallen out from the males clothing. Roseville Officer Turán was standing over the gun to make sure it was not moved. I observed a dark colored gun that appeared to be a semi-automatic.

Commander Maher with Ramsey County Sheriffs Office arrived on scene and asked if we needed any assistance. I requested Ramsey County handle all calls in the cities of Falcon Heights and Lauderdale. I then called Minneapolis second precinct and requested Minneapolis handle all calls in St Anthony. I spoke with Sgt. Mota who advised they would handle calls in St Anthony. I just needed to have Hennepin Dispatch secure a channel for them.

I then requested dispatch call the BCA (Bureau of Criminal Apprehension) and have the on call agent call my cellphone.

I made contact with the female passenger (Reynolds) again, along with Sgt. Adams, we explained to her that we would need to talk with her regarding the incident. She at first stated she just wanted to go home, but we advised her that she was a witness and a statement regarding what had happened was very important. We also advised her that the agency that would be doing the investigation was not either of the departments we worked for, it was an independent agency. Reynolds agreed to go to the Roseville Police department to give a statement. She also advised me that her phone was dead and she would need it later. I took her phone and used my personal phone charger for an iPhone to charge her phone while we waited.

Later, as Reynolds was being escorted to the Roseville police car, a female came running up the street from the west and was screaming about the male being her brother. Up until that point, Reynolds had been fairly calm when we spoke with her, once the other female arrived, Reynolds began screaming that the police had killed her boyfriend, she became very animated and was screaming and yelling. I made contact with her again and she was very upset, while speaking with her, I noticed she was crying, however there were no tears. Roseville Officer Vang then transported her to the police department.

I then spoke with Sgt. Adams and requested officers please begin speaking with the people who had begun to gather around outside the Fry St Apartments and see if there were any witnesses. I was advised that Officer Dutillo had located 3 people who stated they had heard the gunshots but had not witnessed the actual entire incident.

A short time later, Agent Mike Phill with the BCA called my phone and I advised him of the situation. He requested Reynolds be transported to the St Anthony Police department. I advised him I was not comfortable with that, as I knew Officers Yanez and Kausser were there and the police department is not a large enough facility. Agent Phill agreed Reynolds could be transported to the Roseville Police department. Officer Vang transported Reynolds and her daughter to the Roseville Police department.

While waiting for Agent Phill to arrive, I was made aware Reynolds had posted a video to Facebook that was a 'livestream' of the traffic stop. I called Agent Phill and advised him of the video.

Chief Mangseth arrived on scene and I advised him of the incident as I knew it. While talking with him, Agent Henning with the BCA arrived on scene and I advised him as well. I walked him thru the scene and explained what information I had.

Captain Spiess arrived and he was filled in as well.

Once Chief Mangseth and Captain Spiess had been advised of the situation, I turned the scene over to them and cleared the scene. I was transported to the St Anthony Police department by Agent Henning.

Please see other officers reports for further details.

Title: Officer Involved Shooting

Created By: Jan Mangseth

On 7/6/2016 at approximately 2122 hours, I (Interim Chief Jan Mangseth) received a phone call from Interim Captain Jeff Spiess. He advised that there had been a shooting involving St. Anthony Officer Yanez near the intersection of Larpentaur Avenue at Fry Street. The secondary assisting officer was Joe Kauser. The shooting occurred during a traffic stop. The vehicle passengers were an adult female and child. They were not injured. He indicated that Officer Yanez did not sustain any physical injuries and that the suspect was being transported to Hennepin County Medical Center by ambulance. Both Officer Yanez and Officer Kauser were being transported to the St. Anthony Police Department by Roseville Officer Anderson. I asked Captain Spiess to notify the MN BCA to respond and take over the investigation of the Officer Involved Shooting. I responded to the scene of the shooting, from my home. While enroute, I contacted Captain Spiess and learned that there were BCA Agents responding to the SAPD and the shooting scene. I asked Spiess to respond to the shooting scene.

I contacted John Ohl and advised him of the shooting. He agreed to respond to the SAPD offline and assist with preparing a press release. He agreed to be a point of contact for the BCA Agents that were responding to the SAPD.

I arrived on the shooting scene at approximately 2150 hours and was briefed by Officer Sunde. Shortly thereafter, two females ran up to the scene. They were very upset and stated that the victim was a relative. One female (not identified) stated that she was her brother and the other, (identified verbally as Valerie (NMN) Custillo 5/30/1956) stated that the victim was her son. She stated that his name was Philando Divall Castile (7/16/1983). I had her verbally provide this information to Captain Spiess. They were both advised that he had been transported to the Hennepin County Medical Center. They then left for that destination.

I met with MN BCA Agent Phill. He requested that all witnesses go to the St. Anthony Police Department. Due to the size of the SAPD and the fact that the officers involved were transported there, it was decided that Diamond Reynolds and her daughter would be transported to the Roseville PD, by a Roseville squad. I was informed there was a soft interview room, with toys and refreshments, that could be used by Ms. Reynolds and her daughter.

At approximately 2315 hours I met with a group of media outlets and reporters at Larpentaur Ave/Fry St. and provided information to the press.

I was asked by Agent Phill to remove the Secure Digital (SD) cards from the squads operated by Officers Yanez and Kauser. I confirmed with him that I was allowed to do that in lieu of having crime scene technicians remove the cards. He advised that there was no issue and that data from the cards would have to be downloaded in our Panasonic Arbitrator system, or the SAPD. He stated that DVD's would have to be made and provided to the BCA. He requested that all data be removed from our system after successful download.

At the request of agent Phill I removed the Secure Digital (SD) cards from St. Anthony squad cars 704 (Officer Yanez) and 700 (Officer Kauser). I removed the cards at 2348 hours. Captain Spiess witnessed as I removed the cards, placed the cards in individual small brown envelopes, provided by BCA crime scene technicians, and later transported them back to the SAPD. The cards were removed at 2348 hours.

I met with members of Roseville PD, Ramsey County Sheriff's department and the BCA and made arrangements to secure the scene and managed as efforts were made to provide for tarps and other equipment should it rain before crime scene processing was complete. I contacted FHFD Chief Hinrichs who brought red colored tarps to the scene for standby.

I left Captain Spiess in charge at the shooting scene and returned to the SAPD at approximately 0020 hours. I provided the SD cards to SAPD Sgt. Dan Diegnau who saw to the Arbitrator download of the cards. The cards were later returned to me. I provided the cards and brown envelopes to Agent Phill at the SAPD. He signed for the cards and provided a property sheet (copy in media section).

I completed a written press release and had our office manager release this written press release, by fax. The release contained information that I would hold a stand up release of information at 0200 hours (07/07/16). The press release was held at 0200 as scheduled (see written press release in the media section).

---------------------------------	---------------	-------------------------------	---------------

Welcome to the St. Anthony Police Department's Field Training Program. This fourteen week in service training program has been designed to afford you, the trainee, every opportunity to learn the procedures and methods of the St. Anthony Police Department. This training experience is geared to "one on one" educational environment. This fourteen week program will be broken down into four phases. You will be assigned to your primary FTO (Field Training Officer) in phase one. You may have a different FTO for phases two and three and then you will return to your primary FTO for your fourth and final phase. It is the goal of this program to educate you to the opportunity to develop and professionalize those skills needed to be successful. You are now a member of the St. Anthony Police Team. As a team member we expect your very best effort. As a member of this team you have the right to expect our very best effort. Good luck in the weeks, months, and years to come. Never forget that we all are evaluated by our attitude, effort, and conduct.

ST ANTHONY POLICE DEPARTMENT FTO - CHAIN OF COMMAND

While it is essential that a Probationary Officer (PO) feel that any of the supervisors may be approached with any questions or problems, it is important that the PO utilize the proper chain of command.

The majority of the PO time is being spent with the FTO, the PO should direct all questions and concerns to their FTO first. If a problem arises between the PO and the FTO, it will be brought to the attention of the FTO Supervisor and it will be discussed together with all parties involved. If the problem is not able to be resolved and a conflict continues, a final discussion will be made by the FTO Supervisor and the Chief of Police.

Retention or termination decisions will be rendered by the Chief of Police, based on recommendations from the FTO Supervisor and the FTO Staff.

The progress of Field Training

You are now starting the first of four phases of your FTO Program. This program is designed for a minimum of 14 weeks of training under the direction of the FTO Staff.

Phase 1

Phase 1 is designed to last approximately 20 to 25 training days. Your Field Training Officer will provide structured training during this period and will verbally review the formal Daily Observation Report with you to ensure that you are receiving specific feedback concerning your on-the-job performance.

Phase 2

Phase 2 is designed to last approximately 20 to 25 training and evaluation days. Your Field Training Officer shall continue their Training Task List instructional responsibilities along with formal performance feedback utilizing the Daily Observation Report.

Phase 3

Phase 3 consists of approximately 20 to 25 training and evaluation days. Your Field Training Officer will complete the Training Task Lists and review areas previously covered on a time-available basis. Formal performance feedback utilizing the Daily Observation Report will continue.

Phase 4

Phase 4 is designed to last a minimum of 10 days (evaluation only). This period comprises the "Shadow Period" during which time your FTO shall accompany you in the patrol vehicle while dressed in "soft clothes" (non-uniformed). The purpose of the "Shadow Period" is to afford you the opportunity to provide patrol services in a "solo" fashion - that is, you shall perform all the duties and responsibilities required to handle the call/activity without the FTO's assistance. During this period, the FTO is responsible for thoroughly evaluating your performance in order to provide the Department with a report of your readiness/capability to provide solo patrol services in a professional, safe, effective and efficient manner. The FTO will not intervene or assist you unless there is a direct threat to your safety, the public's safety, or if the quality of police service delivery would be "compromised." The "Shadow Period" is your opportunity to demonstrate your ability to earn a solo patrol assignment.

If a extension of training is needed prior to advancing to the next phase, a decision will be made by the FTO Supervisor and the FTO Staff assigned to the PO Program.

The Daily Observation Report

The *Daily Observation Report* (DOR) is a performance assessment tool which the FTOs will utilize to formally record and report the PO's on-the-job performance and the extent of any additional training/corrective action. The PO and the FTO will review the PO's overall performance on a category-by-category basis at the end of each shift worked or immediately prior to the next shift's street assignment. The purpose of this debriefing is to assist the PO in correcting areas requiring *Corrective Action Necessary* (CAN) and further strengthen those areas in which the PO is performing acceptably. There are no secrets in the Field Training and Evaluation Process. The objective is to make certain that the PO always knows exactly where he/she stands in terms of formal performance assessment. ***The PO is required to sign and date each DOR after he/she is debriefed.*** The PO's signature simply indicates that the PO and the FTO fully discussed the performance assessment. The PO and the FTO will utilize the *Standard Evaluation Guidelines* (SEGs) during the shift and collaborate to measure the PO's current level of performance.

Weekly Performance Summary

The Weekly Performance Summary Report (WPSR) serves as the basis for a series of weekly meetings between the PO, the FTO and the FTO Supervisor. The WPSR process insures that the PO's progress is thoroughly scrutinized and all responsible parties are accountable for the PO's training and development. The FTO will direct the PO to transfer information from the *face-sheet* of the DOR onto the WPSR located in the Field Training Manual. The PO will average his/her earned ratings in each performance category at the conclusion of every week of Field Training; this data will serve as the basis for the weekly meeting with the FTO Supervisor.

Standard Evaluation Guidelines (SEGs)

The Field Training and Evaluation Process utilizes ten (10) distinct performance categories to assess the quality of the PO's work life. Each of the *Standard Evaluation Guidelines* (SEGs) behaviorally describe the various criteria for task accomplishment as follows: Exceeds Standards, Meets Standards: Yes and Meets Standards: No. It's important that the PO thoroughly review each of the SEGs in order to better understand what's expected of him/her. The SEGs are designed to assist the PO and the FTOs in addressing the PO's job strengths and areas requiring corrective action in order to assist the PO and the FTO in taking the appropriate corrective action.

The PO must keep his/her performance in perspective. The assessment process is not intended to ambush the PO when an error occurs. The PO will learn from his/hers mistakes and is expected to make a number of them; from them, the Field Training Unit learns what additional training/coaching needs to be done.

It is important for the PO to recognize that a *Meets Standards: No* performance assessment is not a ticket to field training failure. It's not uncommon for the PO to earn less than satisfactory assessments in some categories during the initial days of Field Training and Evaluation Process when he/she is learning how to apply the core competencies of the Basic Police Training Academy along with the Training Tasks. The PO must remember, it's not where he/she starts; It's where he/she finishes that counts.

1. Interpersonal Relationships

Evaluates Probationer's interaction with the community while providing law enforcement services and persons in the Departmental environment including FTOs, Supervisory and Command Staff, support personnel and peers in accordance with Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer establishes a climate of mutual trust and rapport with persons. Probationer does not enter situations with predetermined beliefs and opinions. Probationer remains neutrally objective and responsive to the individual's concerns and service delivery needs. Probationer's decision-making reflects understanding and execution of realistic law enforcement service delivery options and alternatives.

Probationer is responsive to the self-evaluation/coaching process. Demonstrates ownership, accountability and responsibility for his/her actions and behaviors. Probationer utilizes *Daily Training Plan* and *Probationer Manual Training Tasks* to prepare for and facilitate the on-shift training planned for the next duty day. Probationer aggressively seeks assistance of the Field Training Unit, FTOs and Patrol Shift Supervisors and does not hesitate to ask questions and seek clarification. Probationer requests additional training opportunities (e.g., report—based and/or tactical response role playing exercises).

Meets Standards: No

Probationer's actions are overly—formal/tense and fail to reflect concern and empathy for the individual(s) and situation. Probationer's actions and law enforcement service delivery reflects bias toward individuals based upon gender, age, ethnicity, background, life-style (e.g., sexual orientation), national origin, religion, social status, physical/mental disability, criminal history/ status (e.g., suspect, arrestee, parolee, etc.). Probationer's verbal and nonverbal gestures, actions and behaviors intentionally or unintentionally communicate his/her personal bias by failing to remain objective and neutral during call/incident handling.

Probationer rationalizes errors and mistakes, becomes verbally and/or non-verbally defensive; is reluctant to request/seek clarification/assistance necessary for corrective action. Probationer does not prepare *Daily Training Plan* and *Probationer Manual Training Tasks*.

2. Jurisdictional Geography and Orientation

Evaluates Probationer's competence to expeditiously respond to locations while operating police motor vehicle during general patrol and emergency response situations within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer responds to locations and destinations by most direct route. Utilizes street directories and map overlays to determine locations and destinations with minimal need for FTO or Telecommunicator assistance. Does not require street directories, map overlays, FTO or Telecommunicator's assistance to locate major streets, intersections and locations. Probationer utilizes *On-Board Navigator* and *Commentary Driving* to recognize/identify landmarks, block numbering sequence and patrol beat/sector boundaries. **Demonstrates knowledge of routing shortcuts as well as tactical response considerations including concealment, cover, low visibility approaches, etc. Does not compromise public or officer safety due to lack of familiarity with frequently visited locations and hot spot locations.**

Meets Standards: No

Is unaware of geographic direction; becomes disoriented/lost. Unfamiliar with major streets, intersections, location, landmarks and block numbering sequence. Is unable to execute on-board navigator protocols to: 1) Identify and articulate current street location, 2) Identify and articulate precise block number (or closest mile marker), 3) Determine and articulate compass direction of travel, and 4) Anticipate and identify and articulate major cross streets and intersections. Probationer unable to demonstrate multi-tasking capability to execute *On-Board Navigator* and *Commentary Driving* while safely operating patrol vehicle. Fails to utilize street directories and map overlays to precisely arrive at call location(s) utilizing most direct route. Lengthy response time to locations compromises public and officer safety.

3. Motor Vehicle Operation and Use of Emergency Equipment

Evaluates Probationer's competence to operate the police motor vehicle and equipment during general and emergency situations regardless of environmental conditions and vehicular and pedestrian volumes within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The probationer consistently operates the police motor vehicle within compliance of all traffic laws and procedural guidelines. Maintains control of the police motor vehicle while responding to calls for service and during general patrol operations. Responds to calls for service and/or general patrol operations at safe and defensible speeds. Promptly reacts to pedestrian and driver actions by taking appropriate and timely evasive actions. Probationer demonstrates multi-tasking abilities by minimizing the loss of eye contact with the roadway while utilizing the police radio, computer, and cell phone, taking handwritten notes and operating emergency equipment (e.g., change siren tone(s), emergency lights, etc.).

Meets Standards: No

Inattentiveness results in speed and traffic control signal errors; places other motorists and/or pedestrians at risk. Drives too fast or too slow while responding to calls for service or during general patrol operations. Safe operation of the patrol vehicle is compromised as a result of improper lane usage, approaches to intersections, failure to anticipate driver and pedestrian behaviors. Probationer fails to complete stationery and or slow speed on-board vehicle operator drills. Probationer fails to demonstrate the multi-tasking capacity to safely operate the police motor vehicle while observing people, places, situations and events while simultaneously operating emergency equipment (e.g., lights, siren, P.A., etc.) and handling tasks that require momentary diversion of the eyes from the roadway.

4. Telecommunication Protocols and Skills

Evaluates Probationer's ability to effectively utilize law enforcement communications equipment and computer-based data/information systems (e.g., in-vehicle radio, portable radio, computer — laptop, cell phone, video camera, tape recorder, etc.) while following Agency procedures and guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer effectively serves as on-board telecommunicator by responding to radio/computer in an accurate, brief and clear fashion. Probationer provides Telecommunications with prompt and accurate patrol unit location. Probationer listens to transmissions for other law enforcement units and self-initiates backup response. Probationer is aware of dead spots in telecommunications transmission/reception coverage area(s) within the jurisdiction. Utilizes appropriate codes and procedures when transmitting and receiving information/data, is not discourteous. Probationer's transmissions are clearly articulated, brief and complete under commonly occurring and stressful circumstances.

Meets Standards: No

Fails to follow and utilize telecommunications procedures for transmitting and receiving information. Does not actively listen and hear transmissions, inattentive to computer terminal messages, require dispatches to be repeated. Probationer misses transmissions of other law enforcement units and fails to promptly self-initiates backup response. Does not provide Telecommunications with prompt and accurate patrol unit location. Requires FTO assistance to operate telecommunications equipment. Fails to think through and pre-plan radio transmissions before keying microphone and transmitting; cuts off messages. Probationer's radio transmissions are not clear due to over or under modulation, speaking too fast and/or too slowly and taking excessive pauses. Requires FTO assistance to access computer-based information systems including NCIC, state and local/agency databases, including file checks on individuals, locations, property, etc.

5. Directed Patrol Strategies/Self Initiated Field Activity

Evaluates Probationer's competence to utilize multiple sources of information to initiate proactive patrol activity within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer updates Map Overlays and utilizes information to initiate proactive *Location — and Perpetrator Oriented Patrol (LOP/POP)*. Probationer anticipates trends and patterns of recurring incidents and potential problem areas by utilizing LOP/POP scanning, analyzing, responding and assessing (SARA) protocols. Probationer utilizes hot-spot data during uncommitted patrol times to initiate extra patrols with a *Daily Patrol Plan*. Probationer recalls information from roll call, shift activity logs, BOLOs, etc. and utilize this information to follow-up or facilitate problem resolution (e.g., identify possible suspects, etc.). The Probationer communicates LOP/POP information pertinent to the patrol beat and sector during *Commentary Driving* exercises.

The Probationer's *Self-Initiated Field Activity* is consistently at or above Workload Distribution for the Step/Week and reflects diversity of shift activity.

Meets Standards: No

Probationer fails to update Map Overlays and does not utilize *Location — and Perpetrator Oriented Patrol (LOP/POP)* to identify high crime areas, hot spot locations requiring extra attention. Fails to utilize shift briefing information, wants/warrants files, accident location indexes and career criminal/sexual offender files to proactively plan and follow *Daily Patrol Plan (DPP)*. Fails to observe and detect out-of-the-ordinary (suspicious persons, places, events, circumstances or activities) requiring law enforcement action. Avoids taking action. Probationer is not a self-starter.

FTO must frequently utilize *Discretionary Override* to direct probationer to initiate *Self Initiate Patrol Activity* and does not reflect diversity of shift activity.

6. *Patrol Tactics*

Evaluates Probationer's ability to safely and consistently execute patrol operational tactics within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer anticipates and reacts to the physical movements and verbal actions of others. Probationer's maintains disciplined focus by recognizing, assessing, and controlling scenes that contain rapidly changing, chaotic, or unpredictable events. Probationer maintains visual contact and scanning of individuals and target(s). Probationer offsets patrol vehicle, keeps dominant hand-free, maintains reactionary gap, and protects weapon(s). Probationer's verbal and nonverbal actions neutralize and/or de-escalate situations. Probationer does not hesitate to immediately provide physical and or verbal backup assistance to the FTO and other personnel without prompting. The Probationer immediately complies with the FTO's direction, instruction and when necessary, *Directed Coaching*.

Probationer recognizes crime scenes and manages persons entering/exiting same as well as preserving potential trace evidence.

Meets Standards: No

Fails to safely execute field operations by exposing self and others to unnecessary dangers. Does not maintain visual contact/scanning of individuals and target(s); fails to stay task-focused under time urgency. Fails to offset patrol vehicle, keep dominant hand-free, maintain reactionary gap, and protect weapon(s). Probationer does not promptly request back-up assistance when required (e.g., additional units, K-9, etc.). Probationer's body positioning/proxemics and use of force continuum is not compliant with Department standards. Fails to control the movements of others through clearly articulated verbal and nonverbal commands. The Probationer's voice tone, inflection and choice of words and actions fail to secure compliance to direction(s) and de-escalate the situations. Probationer fails to immediately react to and follow *Directed Coaching* protocols.

Probationer fails to recognizes potential trace evidence and protect crime scene. FTO must continually exercise *Discretionary Override* to neutralize threat(s).

7. Criminal Statutes /Ordinances

Evaluates Probationer's knowledge and application of substantive and criminal laws within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer demonstrates knowledge and application of substantive criminal laws. Probationers can distinguish criminal and noncriminal activity. Demonstrates understanding of laws of arrest, search and seizure. Probationer demonstrates understanding and application of frisk and search principles and practice in field contact/custody situations. Probationer demonstrates knowledge of warrant procurement and execution requirements. Provides accurate and complete testimony in court proceedings.

Meets Standards: No

Fails to establish the necessary elements of criminal offenses; is uncertain if crime(s) were committed. Fail to lawfully apply procedural principles of arrest, search and seizure (e.g., Miranda, Mapp, Terry, etc.). Is unable to identify criminal codes/ordinances to assist in investigating/reporting criminal offenses (e.g., ensuring corpus of the offense). Is unable to distinguish between frisk and search in field contact/custody situations. Probationer fails to demonstrate knowledge of warrant procurement and execution requirements. Does not provide accurate and complete testimony in court proceedings.

8. Information Processing — Case Building — Reporting

Evaluates Probationer's competence to accurately investigate, take notes, follow-up and report incidents and criminal offenses in a timely, comprehensive and logically organized manner. Submits reports in accordance within Agency protocols.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer investigates and conducts comprehensive and orderly crime scene search; does not disturb/contaminate potential trace evidence. The Probationer's field notes and investigative reports contain the essential information (e.g., who, what, when, where, why, witnesses, how, welfare, weapons, etc.) by documenting the events in the order that they occurred. Grammar, spelling, word usage, sentence structure error(s) do not compromise clarity of meaning. Reports are complete for the information/facts. Probationer proofreads reports and forms for errors and omissions and makes corrections before submitting it. Probationer's reports are infrequently returned for correction/revision. Probationer requests additional opportunities for *Role Playing* and *Mirror Report Writing* exercises.

Meets Standards: No

Probationer fails to conduct a comprehensive and orderly crime scene search by recognizing, collecting, identifying, preserving and recording physical evidence. Does not maintain chain of custody. Probationer's field notes and reports are incomplete and inaccurate for information and facts. Probationer is unable to complete reports and forms. Probationer fails to review field notes prior to concluding investigative contact(s). Probationer's grammar, spelling, word usage contains numerous errors and the sentence structure is confusing and/or incomplete. Reports require extensive correction and revision in order to meet submittal quality standards. Reports are not completed in an acceptable time frame. Excessive report processing compromises the completion of other field training requirements.

9. Problem Solving and Decision Making

Evaluates Probationer's competence to define and resolve problems consistently within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer thinks through and consistently develops multiple options for problem resolution by: 1) Accurately defining the problem, 2) Identifying multiple options for resolving the situation, 3) Selecting the most viable course of action and justifying why, and 4) Following through on the action plan. Probationer's problem solving and decision making is evidence during verbal testing and actual calls for service. Probationer utilizes recall of information from prior contacts, etc. to expedite problem resolution.

Meets Standards: No

Probationer fails to identify and examine multiple options for problem resolution; hesitates or fails to take action. Probationer arrives on location with a preconceived solution to resolve situations without fully defining the problem(s). Probationer fails to utilize problem solving and decision making components or consider alternative options for resolving situations. Probationer is unable to determine agency guidelines to facilitate problem-situation resolution (e.g., policies and procedures, general orders, special orders, etc.).

10. Traffic Enforcement and Crash Scene Management/Investigation

Evaluates Probationer's ability to perform traffic enforcement, direct and control vehicular and pedestrian traffic and manage accident scenes and complete accident investigations within Agency guidelines.

Exceeds Standards

Without FTO prompting, the Probationer consistently demonstrates knowledge + skill + application competency.

Meets Standards: Yes

The Probationer utilizes Map Overlays and knowledge of the jurisdiction to spontaneously effect traffic enforcement activity at high-crash locations, school/recreation areas, problem areas, (e.g., areas of excessive speed, red light violations, prohibited turn violations, citizen/neighborhood/complaints, etc.). Probationer demonstrates knowledge of motor vehicle citations and ordinances by determining the most appropriate enforcement action (e.g., citation issuance, verbal warning, etc.). Cites hazardous action violation(s) when applicable. Probationer can articulate his/her decision with due regard to the type of violation and the degree of public safety risk, etc. Demonstrates ability to manage vehicle/pedestrian traffic direction and control in stressful situations (e.g., multiple traffic lanes, heavy vehicle volumes, etc.). Manages crash investigations scenes by assessing level of injuries, need for backup and supportive services (e.g., additional law enforcement, emergency medical, fire suppression, towing, public works, etc.). Utilizes patrol vehicle placement and artificial lighting (patrol vehicle lights/emergency equipment, flares, etc.) to protect persons and property from injury or future risk. Secures pertinent crash reporting information and documentation. Requests additional opportunities for role-playing and Mirror Citation/Crash Report exercises.

Meets Standards: No

Probationer fails to demonstrate diversity of enforcement actions (e.g., only cites speed over, etc.). Probationer does not see and/or overlooks vehicular/pedestrian violations. Probationer fails to take safe, effective command of vehicle/pedestrian control (e.g., intersection traffic direction, crash/emergency scene vehicle flow and crowd control situations). Requires FTO's assistance to secure and document applicable information at property damage and/or personal injury crash scene(s) and complete state crash report form(s). Reports require extensive correction and revision in order to meet submittal quality standards. Excessive crash reporting impedes accomplishment of other field training activities.

Weekly Performance Summary Meeting conducted by: _____ on ____ / ____ / ____ Probationer: _____

Field Training Officer: _____

Not Responding to Training

When instruction and additional coaching has been provided, but the Probationary Officer is still unable to satisfactorily perform/demonstrate, or explain the knowledge/skill area(s), and NRT (Not Responding to Training) notation (X) will be made on the front side of the DOR. Chronic NRT, in spite of additional coaching and training effort is an indication that a performance deficiency exists that has the potential to place the Probationary Officer's continued employment in jeopardy. Chronic NRT generally results in an extension of training to further assist the Probationary Officer to get back on track. Persistent NRT may result in a recommendation for an Employment Status Hearing to reassess the Probationary Officer's continued employment.

Extension of Training

The FTO and FTO Supervisor will meet on a regular basis to review the Probationary Officer's progress in satisfactorily meeting the Field Training and Evaluation Process's requirements. They can recommend an extension of the Probationary Officer's training beyond the minimum number of scheduled days in each training and evaluation step. This extension is granted by the Field Training Unit Commander when problems are identified which would hinder the Probationary Officer's performance or if the Probationary Officer is behind schedule to the extent that the Probationary Officer could not be expected to catch up under normal circumstances. The extension of training allows the Department's Field Training Unit and Training Section to work with the Probationary Officer on specific problems. The Probationary Officer should view the extension, if it occurs, as if (s)he has been placed in a holding pattern for a short time. No stigma is attached to a Probationary Officer who receives Field Training and Evaluation Process extension. The extension of training should be viewed as a positive decision to assist the Probationary Officer to get back on track.

Training Tasks

The Field Training Program represents the minimum areas that must be an acceptable level before a Probationary Officer is considered for a single officer patrol during step 4. The training task lists will serve as a guide for you and your FTO. The task lists have been developed so that easier and basic tasks are introduced in earlier weeks. These are followed by increasingly more difficult tasks which are based on learning and skill mastery of previous areas of knowledge, skill, and responsibility. It is important that you learn the skills/area of knowledge from previous weeks and be capable of applying them at any time. It may be necessary to devote a portion of your off-duty time to review materials and come to work prepared to accomplish the task responsibilities. The FTO will advise the Probationary Officer for the next work shift on there off-duty responsibilities. The FTO will record tasks that will be reviewed. The Probationary Officer will do some home study on related statutes, rules and regulations, and other material for these tasks. These tasks are known as Daily Training Plans.

TASK 22 - Disturbance Calls

- A) Barking Dog/Dot at Large Calls
 - 1) Attempt to contact owner/resident
 - 2) Animal Complaint Procedures
 - a) St. Anthony PD letter sent on ordinance violation
 - 3) Lost/Found log sheet at police department
 - 4) Impounding animals - dog bite/found animals
 - a) Animal control procedure
 - 5) Citation or formal complaint on ordinance violation
- B) Noise/Fire Works Complaints
 - 1) Attempt to locate problem
 - 2) Collect evidence
 - 3) Advise on course of action (resolve situation)
 - a) Verbal warning
 - b) Citation
- C) Disorderly Conduct/Loud Parties/Fights/DK Individuals
 - 1) Attitude is important; officer safety/prepare for anything
 - 2) Primary objective is to restore order
 - 3) If officer is unable to restore order, other courses of action
 - a) Arrest(s) by officers
 - b) Break up assembly
 - c) Citizen arrests
 - 4) In many cases people involved should be informed that police are interested primarily in preserving the peace. Enforcement action is an alternative only if they don't comply.
 - 5) Consider facts before deciding on course of action
 - a) Listen to each party's version of the incident
 - b) Has another crime occurred (e.g. underage drinking; degree of crime)
 - c) Can situation be resolved with all parties involved
 - 6) Be aware that some of the requests for police services may be civil in nature and not within the area of police jurisdiction
 - 7) Officers must be patient, objective, and tactful. Be alert for rapid changes in the attitude and actions of the parties
 - 8) Most disturbance calls are two or more officer calls, don't attempt to handle these calls alone - remember officer safety

TASK 2 - Disturbance Calls

Continued

D) Domestic: Danger Exists Due to High Degree of Emotion and Existence of Physical Violence

1) Officer safety

- a) Park squad car in safe location away from call
- b) Approach area from the stop, officers approach from different directions
- c) Stand to side of door while knocking
- d) Single officer should not enter premises, wait for back-up
- e) Always have other officers in sight
- f) Separate parties involved
- g) Check for injuries/weapons involved

2) Interview parties involved

- a) Be impartial
- b) Never become personally/emotionally involved
- c) Avoid unnecessary physical involvement

3) Mediate: discuss topic to resolve situation

- a) One person to leave for a period of time
- b) Both parties separate in residence
- c) Refer parties involved to a family counseling center

4) Arrest situations

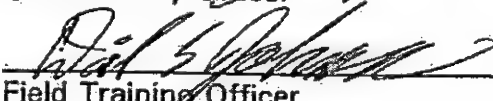

- a) Assault took place
- b) Restraining Order/Order for Protection violation - demand to see copy of order and read it. Has a violation occurred
- c) Check criminal history for possible Gross Misdemeanor charges
- d) Follow proper arrest/booking procedures
 - Complete victim notification form
 - Domestic abuse form
 - Notify Family Violence Network (Ramsey County)
- e) Photograph injuries
- f) 12 hour probable cause arrest for unwitnessed by officers
- g) Provide victim with required crime victim rights information (blue-card) for:
 - Shelters
 - Emergency contact numbers
 - How to obtain a Restraining Order/Order for Protection

Reference: St. Anthony/Lauderdale/Falcon Heights City Ordinances

Phill, Charles (1385 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page.

On July 19th 2016, Special Agents (SA) Phill and O'Brien interviewed Dan Wellman, owner of Total Defense, Inc. in Ramsey, MN. Dan's company conducted a concealed carry class (or CCW) on May 2nd 2015 in which Philando Castile and his sister Allysza Castile were students. The interview was digitally recorded and later burned to disc as evidence item 42.2. Wellman provided a 2GB Flash Drive containing the power point lesson plan he and his staff use for each CCW class. That Flash Drive was given evidence item 42.1.

Wellman said that he and his staff always cover contacts with law enforcement in their classroom portion. They stress that on a traffic stop, they should keep their hands visible and hand the officer both their permit to carry and their picture identification/driver's license. This is to allow the officer to then tell them what to do next. Dan said that they also tell students never to reach for or motion towards their firearm.

Wellman provided his lesson plan on paper, a copy of the class sign in sheet signed by Philando and Allysza. He also provided a copy of an AP article in which he was quoted and the slide covering contacts with law enforcement.

The interview was transcribed and the transcription has been attached. For a full account of what Wellman said, please refer to the transcript.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	July 19, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Daniel Steven Wellman (DW)	INTERVIEWED BY:	SA Michael Phill (MP) SA Joseph O'Brien (JO)
REVIEWED BY:			

MP It is 1510 hours on July 19th, 2016. Special Agent Michael Phill along with Special Agent Joe O'Brien at Total Defense Incorporated to interview Mr. Dan, Daniel Steven Wellman. I'm gonna spell that. D-A-N-I-E-L, Steven is common with a V, Wellman is W-E-L-L-M-A-N. Dan's date of birth is 1-13 of 68. Address to contact him is 6001 167th Avenue Northwest, Ramsey, Minnesota 55303. Contact phone for Dan'll be 763-432-6134. Dan everything I just read sound correct to you?

DW Yes.

MP Okay. Dan I'm contacting you because of you uh one of the many things you do here at the business is a conduct CCW classes to certify people to carry concealed and is it Minnesota and Florida?

DW Correct.

MP Okay. Um and you've been doing that for how long for Total Defense?

DW Five years.

MP And you do own the company here?

DW Yes I do.

MP What are the other things that Total Defense provides?

DW Uh we're a full service FFL so we do gun sales. Buy, sell, trade. Uh we do guh ss-some gun smithing. Uh we do have a ten lane range, run range as well with room for nine more expansion. Uh we do a self-defense classes not related to firearms. Women's self-defense specific. Uh I'm also certified as a firearms, Minnesota firearms safety uh trainer. We've done one of those. Uh, and obviously we sell (inaudible), we're kind of a retail line of firearms related or, or uh outdoor related uh good, goods as well.

MP Okay. So providing classes is just part of what you do?

DW Correct.

MP How does a, people come across your CCW class? How do they register or sign up?

DW To sign up everything is online via our website.

MP So it's online. Do they uh pay up front?

DW Not, no not necessarily. No, no.

MP Okay so they...

DW Unless it's a groupon I mean it kinda depends, we're also out there with, via groupon. And that is how uh, uh and forgive me it's Allysza uh the sister...

MP Yes.

DW ...and uh and, and Philando actually paid viagroupon.

MP They did that together?

DW Uh yes.

MP Okay.

DW Yep.

MP So uh, so bringing your attention to just that we are here to talk about your class you provided for Philando Castile and his sister Allysza. Um do you remember what day that was?

DW It was uh May 2nd of 2015.

MP Okay. And how many hours is that course?

DW Uh we start roughly at 9:00 in the morning. Uh usually it's a little bit earlier, 8:45 and it uh is done by usually 2:30, 3:00 at the very latest.

MP Okay. Of that time how much do you, how do you have it split between classroom and range time?

DW Uh depending on the size of the class I mean the classroom can run from four, four and a half hours, five hours. Usually in that four, four and a half hour range. Uh and then we have a, a and obviously there's a break built into that.

MP Um-hm.

DW And that are a short break but then we also spend with a class of normally 30, 40, 50 people tops uh there's gonna be a, a range session depending on where you fall in the, in the waves if you will it can only take ten at a time.

MP Yeah.

DW Uh another hour or hour and a half.

MP Okay. And the class is a pass/fail?

DW Correct.

MP So is the, there's a, a written component that they must pass?

DW No.

MP Oh so is it just, performance?

DW It's a performance, 85% accuracy on, on the on targets that the, on the shooting portion of the class.

MP Okay. And each student will bring in their own firearm? Or do you provide one?

DW We it, it, it depends yeah, yes and no I mean if they have uh a firearm of their own that they choose to shoot we encourage that. If not we have rentals available yes.

MP Okay. And you do not keep a record of what firearms people bring in...

DW No.

MP ...of their own?

DW No we do not.

MP Okay. So as far as your records show uh Philando Castile and his sister both passed?

DW Yes.

MP Okay and then with that what do you provide to them as proof that they passed the class?

DW Uh they get a certificate from a certified instructor which we represent Total Defense represents. Uh they're gonna get a certificate that then they take to their County Sheriff...

MP Okay.

DW ...to make the application for a permit to carry.

MP And then as typical in Minnesota it's up to the County Sheriff to do the background checks um the criminal histories all that.

DW Correct they...

MP And they make the decision

DW We teach the class uh as per the MPP, Minnesota Personal Protection act.

MP Okay.

DW They take our certification uh or, or form if you will to their, to their local county sheriff.

MP Um-hm. So just getting a, a the CCW class is just a portion, a part, the first step in actually being able to, by law carry?

DW Correct.

MP Concealed, okay.

DW Correct.

MP Um so bringing to you, you say your power point you have is thirty-four slides.

DW Correct.

MP Approximately?

DW Correct.

MP Uh bringing your attention to one, can you please explain to us what you teach all your students in regards to how to interact with law enforcement to let them know that they are armed?

DW Okay. Uh basically the, the slide is actually entitled "Interacting With Law Enforcement" and once again regardless of which instructor is teaching.

MP Um-hm.

DW That is the, when that tile comes up that is obviously our topic in, during the class.

MP Okay.

DW Uh (inaudible) obviously uh I, I'll read right down the, the list here. The first one is a traffic stop. Uh second one is give both permit and license insurance card to the officer as they approach the vehicle. We're not, in Minnesota you're not required to.

MP Um-hm.

DW Uh let an officer know uh unless asked uh or until prior, prior to being asked. We loo, we look at it as a, a, a that's a little scary. We wouldn't want the gun to be discovered if we had not disclosed that we had gun. We don't, and, and once again during the paper I, I wrote or uh in the while I was interviewed via the AP

MP Um-hm

DW I, I, I we, we do an example in class. We've done that for years. Uh the, rolling down the window and saying I have a gun is not, it, it wasn't intended to be insinuating that or disrespectful to what happened there it, it's we've done that for years to kinda alleviate that,

you know there's no other way to do this other than hand over your permit, with your driver's license. That way the law enforcement officer can then take the direct, the next direction if they choose depending on how they interpret what, which obviously you have a gun or a permit. Is there a gun. And then very, very carefully get the interior light on, car off if safe to do so. Uh be upfront, honest. Keep hands in sight and move slowly and announce your movements. Those are the things that we discuss step by step by step. But initially we start out with present your permit to carry.

MP Um-hm.

DW Uh in conjunction with your Minnesota, well, well Minnesota driver's license obviously...

MP (inaudible)

DW ...to the officer as they approach or when they re, in you know inquire you to do so provide the documentation.

MP Okay.

DW So let them then make the next step or directive.

MP And for a lot of your uh students that are normal citizens, most of 'em haven't been pulled over before. Don't have interactions with police. Why do you tell them this? Why do you tell them to proceed in this way?

DW Well as be, because of the uh, the uh, the once again the inverse of not letting 'em know. Of letting 'em know via the permit to carry is a very innocuous way of doing so.

MP Um-hm.

DW It's you know they can then you know inquire what, what they can then take you know the next step. Do you have a firearm with you, and we go over this. Most likely the next question is uh yes I do or no I do not. The next question the would be where is the gun currently located. Or firearm currently located in the vehicle. And then take their direction. If it's on your hip, it's in the glovebox, center console. Wherever it may be.

MP Okay.

DW Follow their lead. Period. Comply, comply, comply with their uh request/direction.

MP Okay.

DW Is how we teach the class. So the reason we do that is once again the inverse. I would not want to be reaching for my you know uh insurance information or my, my wallet in, in the glovebox or center console and there's my you know Glock 19.

MP Yes.

DW So that's kinda why we do that because it, it just shows that you, you need to be a little step, a step ahead of you're not just driving around uh you have a firearm on you and given the context and nature of a law enforcement officer's job, you know that surprise is not something they want to be, you know uh privy to.

MP So to break it down. It's for the safety of not only themselves but the officer?

DW Absolutely.

MP That's the main reason you have (inaudible)

DW Ab, absolutely.

MP Okay.

DW Yeah.

MP So let's say, hypothetically if uh well first of all before I get the hypothetically, state law require them to keep that permit with them?

DW Absolutely.

MP So if, if they're carrying...

DW And, and...

MP ...the permit...

DW ...and...

MP ...needs to be on them?

DW And a, a valid a photo ID as well to identify cuz the Minnesota permit to carry does not have a picture. They don't, they don't operate in, in unison (inaudible) they have to be in tandem with one another to be complete.

MP And they are...

DW So if you...

MP ...told that in your class?

DW Absolutely. If you have your gun on you, you need your, your identification your obviously you're in most cases you're D driver's license especially if you're driving a car better be your DL. And your permit to carry. So those two in conjunction once again are what we, and to convey the information that we may or may not be carrying.

MP Gotcha. So hypothetically if someone forgot their permit and they were on a traffic stop how would you advise somebody to let the officer know that they, they're carrying?

DW I would, uh once again you know ver, I would, verbally and obviously now because now you don't have the opportunity to hand them your permit.

MP Yes.

DW But once again hands at ten and two on the wheel like we're taught in driver ed and don't you know let, very calmly inform the officer I have a permit to carry, I am uh you know currently carrying or not.

MP Um-hm.

DW Uh and my, where the firearm is located if they don't inter, inter you know interrupt you and, and ask you where or take over the you know the scene if you will. But uh make it very clear that you have a gun or do not have a gun and, at that point (inaudible) if you have your permit or not if you forgot it you better let him know.

MP Yes. So that's why you say keep the hands visible?

DW Absolutely.

MP (inaudible) keep your hands visible at all times because with an ID an officer can still look up that CCW can look it up in our computer (inaudible)

DW Absolutely.

MP So you just have to keep your hands visible and let them know?

DW Absolutely.

MP Uh, as far as you know uh do you get questions from people normally on this slide on how to act, interact with police?

DW For the most part it's, it eh you know we, yeah I mean yeah we get questions regarding you know very you know every, every now and then a very specific question.

MP Um-hm.

DW But for the most part everybody gets this. You know ya, you know the fact that you are carrying a firearm and in relation to once again to the context of a law enforcement officers job or what they face on a daily basis uh the surprise gun in the backseat or in the you know uh, uh or in the glovebox as you're reaching for your permit uh or I'm sorry your driver's license info or insurance info is not a good thing.

MP (inaudible)

DW So we absolutely convey that over and over and over again to, comply, comply, comply and, and, and don't do anything until requested to do so.

MP Okay. Uh for that class did you specifically teach that one Dan?

DW I did not. I did not.

MP So which, who was the instructor for that one?

DW Uh his name was Jim Deal.

MP But you have all of your instructors do the same power point?

DW Yeah. Correct.

MP Same lesson plan?

DW Correct.

MP So it's, it's consistent across the board?

DW Yep.

MP And but you're confident that this is exactly the power point...

DW Absolutely

MP ...he was shown?

DW Well I uh and I've discussed it with him and you know we, we don't, there is no variation this is our, this is our you know our prompter if you will.

MP Okay.

DW So,

MP There's, there's no room for freelance?

DW No, no.

MP This is what you (inaudible)

DW (laugh) no.

MP Okay. Anything I'm missing Joe?

JO No I don't have anything else.

MP Okay and you say you're gonna provide a copy of the power point...

DW Yep.

MP ...for me? I have a thumb drive I can give to you?

DW Yep I can oh I got it.already got it

MP Okay

DW So you don't need to see the, it's already on there?

MP Yeah we'll go ahead and cover that. Just a second. We're gonna go ahead and terminate uh the interview at this time. It is 1520 hours.

END OF RECORDING.

14 5:36 PM EDT

HOW CASTILE TOLD OFFICER ABOUT GUN CRITICAL IN FINAL MOMENTS

BY AMY FORLITI AND KYLE POTTER

MINNEAPOLIS (AP) — The final moments before Philando Castile was killed by a police officer during a traffic stop in suburban St. Paul revolved around a gun he was licensed to carry, trained to use safely and instructed to tell authorities about when stopped.

But just how he informed the officer - and whether the officer followed his own training - gets to the heart of the investigation into Castile's death last week.

Castile, who was black, was fatally shot July 6 after he was pulled over by St. Anthony police officer Jeronimo Yanez, who is Latino. Castile's girlfriend streamed the aftermath live on Facebook and said Castile was shot while reaching for his ID after telling the officer he had a gun permit and was armed.

Yanez's attorney has said the officer reacted after seeing a gun, and that one of the reasons he pulled Castile over was because he thought he looked like a "possible match" for an armed robbery suspect. Castile's family members say he was profiled because of his race. They were among the mourners who filled the 3,000-seat Cathedral of St. Paul for his funeral Thursday.

A letter from the Hennepin County Sheriff's Office confirms Castile, 32, got his permit last year. The letter, dated June 4, 2015, says Castile's permit is enclosed. It also says that he must have his permit card and photo identification when carrying a pistol, and must display those items "upon lawful demand by a peace officer."

Alyssa Castile said she and her brother took a required gun safety class together last year.

Dan Wellman, owner of Total Defense in Ramsey, confirmed the Castiles came to class in May 2015. Wellman doesn't remember the pair. He said he wasn't teaching the class that day.

But each class is told repeatedly how to handle a traffic stop or any encounter with law enforcement, he said. Students are taught to comply with every demand, hand over their permits to carry with their driver's licenses and calmly answer follow-up questions about licensed firearms, including where they are.

"We make several jokes about it during class: 'I have a gun' is not the way to say you have a gun on you," Wellman said.

Race never comes up as course participants are told how to handle traffic stops, Wellman said.

Castile's girlfriend, Diamond Reynolds, who was a passenger in the car along with her 4-year-old daughter, stressed in her video that Castile complied with Yanez's requests before the encounter turned fatal. But when talking to reporters the day after his death, she shed light on possible confusion stemming from Castile's final words to the officer.

"As he's reaching for his back pocket wallet, he lets the officer know: 'Officer, I have a firearm on me,'" she said. "I begin to yell, 'But he's licensed to carry.' After that, (the officer) began to take off shots."

St. Anthony police training documents outline how an officer should respond to traffic stops. According to the documents, if an officer believes it's a high-risk stop - as one involving an armed robbery suspect would likely be - he should have the driver and others exit the car before approaching the vehicle, while officers take cover and draw their weapons.

Albert Goins, an attorney who assisted the Castile family after the shooting but is not representing anyone in the case, has said if Yanez and the other officer involved, Joseph Kauser, believed they could be stopping the robbery suspect, they should have done a "felony stop." He described a procedure similar to what is outlined in the police training documents.

Documents provided by the St. Anthony Police Department also show Yanez attended a training seminar in 2014 called "Bulletproof Warrior," a two-day course hosted by an Illinois company that teaches students how to "utilize their 'Warrior Spirit' in a practical way so they can WIN hostile confrontations on the street," according to promotional materials for the seminar.

Yanez also received two hours of de-escalation training this spring - the only record of such training since he joined the force in late 2011. His attorney and the St. Anthony police chief did not return messages for comment.

Court and driver records show Castile was pulled over or ticketed at least 52 times in Minnesota since 2002, with 86 total misdemeanor or petty misdemeanor counts. More than half of the 86 violations were dismissed, court records show. He had no serious criminal record.

He was stopped at least two times since he received his permit to carry. Records do not indicate whether he had his gun with him on those stops.

Allysza Castile said she usually leaves her gun at home. But if she does have it with her while driving, she said she puts it in her glove compartment in a holster with the safety on.

"Most of the time, he did the same," the 23-year-old woman said of her brother. "There's never a time I saw him driving in the car with his weapon on his person."

Reynolds, however, has said his gun was in its holster in his pants when they were stopped.

Allysza Castile said when she is pulled over and has her gun, she tells officers she has a firearm and gun permit, which is a wallet-size card that she shows with her license and registration.

"That's usually how it's supposed to go, but they didn't give him a chance," she said of the fatal stop.

Valerie Castile stressed that her son got his permit because he had a right to carry a weapon - not because he felt his life was in danger.

"My son was profiled and he was executed. There's just no two ways around that," she said.

INTERACTING WITH LAW ENFORCEMENT

- TRAFFIC STOP
- GIVE BOTH PERMIT AND LICENSE/INSURANCE CARD
- KEEP INTERIOR LIGHT ON
- CAR OFF (IF SAFE TO DO SO)
- BE UP FRONT, HONEST
- KEEP HANDS IN SIGHT AND MOVE SLOWLY
- ANNOUNCE YOUR MOVEMENTS

Service - Centered. Personal. Protection.

WWW.MNTOTALDEFENSE.COM

Minnesota Basic Concealed Carry Permit Class

Version 4.0

Introduction

Welcome to Total Defense. You have all come to this class today from various backgrounds and occupations to learn, to better prepare and defend yourself and your loved ones. Our goal is to give you the knowledge, skills and attitude required to make informed decisions about self-defense.

Instructors

- Dan Wellman
 - Owner of Total Defense
 - Gunsmith
 - NRA certified firearms instructor
 - Certified firearms instructor for both the MN DNR and 4-H
 - Certified BMM instructor
 - Trained in various martial arts styles
 - Competed as a semi-professional kick-boxer
 - Certified instructor and Black Belt in Tae Kwon Do
 - Has a degree in Psychology with an emphasis on Psychology of Victimization
- Kurt Ochs
 - Training Manager
 - Certified Duracoat technician
 - NRA certified firearms instructor
 - Certified Glock Armorer
- Joe Madison
 - Firearms Manager
 - NRA certified instructor
 - CPR and First Aid Certified
- Alex Larson-
 - Black belt in Ruku Kempo
 - Woman's self-defense instructor
- Jim Diehl-
 - Member of the National Concealed Firearms Instructors Association
 - Certified NRA pistol instructor
 - Has been teaching CCW courses since 2000
 - Earned multiple black belts
 - Martial arts instructor
 - Degree in Pistol-smithing
 - USAF Veteran

Legal Responsibilities

- Discuss Law Handouts
 - Current Conceal Carry Law
 - Historical Conceal Carry Law
 - Laws Related to Firearms and Use of Force

Least Intrusive Method

- Terminal Thinking
- Scenarios
 - Super America
 - St. Cloud

Basic Pistol

- Safety briefing
- Pistol knowledge and safe gun handling
- Revolver and automatics knowledge and use
- Major components
- Operating a revolver/automatic
- Loading and unloading
- Ammunition
 - Minimum adequate caliber .38cal and 9mm
 - +P, +P+, Magnums
 - Cartridge types
 - Premium defensive ammunition
 - Testing ammunition
 - Ammo life, rotation
- Cartridge malfunctions
- Cleaning/disassembly
- Storing your firearms
- Shooting positions
- Aiming, breath control, trigger control, and follow-through
- Focus on front sight
- Consistency
- Natural point of aim (NPA)

Clearing Malfunctions- Immediate Action Drills

- T.I.R.A.
- Cut your losses drill
- Tactical reload

Selecting a Handgun for Self-Defense

- Fit
- Functional reliability (make, quality, imports)
- Caliber, recoil, and controllability
- New vs. used
- Revolvers vs. semi-automatics
- Modifications to firearms grips, enhancements, sights, trigger pull
- Magazine safety- When the magazine is removed it prevents the firearm from firing.
- Concealment

Accessories

- Speed loaders, spare magazines
- Sights, laser, night sights
- Accessories
- Flashlight
- Cell phone

Holsters

- Retention of weapon in and out of holster
- Different holster types
- Holster do's and don'ts

Mental preparation

- Mindset
- Never give up, The will to prevail

Making yourself and your home safer

- Self, command presence, "What if....." Gaming
- Grounds and landscaping (less attractive to intruders)
- Exterior of home
- Emergency plan for responding to a possible break-in
- Call the Police/911

Confronting an intruder or assailant

- Defensive confrontations
- Controlling the encounter
- Psychological reactions
- Physiological reactions (loss of fine motor skills, tunnel vision, tachypsychia)
- Train for stress (at the range and at home during practice)
- Shoot to stop the threat

The use of deadly force in self-defense

- Reasonable person standard
- Least intrusive method
- Non-willing participant
- Use of reasonable force
- Use of deadly force
- Ability of an attacker (are they actually capable of causing death or serious injury)
- The J.A.M Principle (are you in Jeopardy, do they have the Ability, and Means)
- Innocent victim of an attack
- Duty to retreat
- Brandishing
- Cessation of threat

Defensive Accuracy

- Firearm- Tool of last resort
- Balance speed with accuracy- Shoot as fast as possible while staying on target
- Aim for center of mass

Interacting with the Police

You may at some point have to deal with the police while you are carrying your handgun. Remember police are very cautious when it comes to people with guns. Think of their safety as well as your own.

- Move slowly and cautiously- Tell the officer what you are going to do before you do it
- Always keep your hands in the officer's site (he fears what he can't see just like you do)
- Inform him/her that you have a CCW and are carrying a handgun and where it is
- Follow the commands you are given-
 - He may ask you to hand over your handgun, DO IT, it is for their safety as well as yours. When you DO pull your gun out to give to him/her, move very slowly and carefully. Use two fingers to grip the gun and DO NOT TOUCH THE TRIGGER!
- If you are pulled over, keep your hands on the wheel and inform the officer that you have a CCW and are carrying/not carrying a weapon. Let them tell you what to do from there.

- **YOU ARE NOT A COP!!** Do not attempt to "Help" the police. Let them do their jobs.

Non-Violent Dispute Resolution

L.E.A.P.S.

To remember the five techniques to diffuse a situation: Listen, Empathize, Ask, Paraphrase, Summarize.

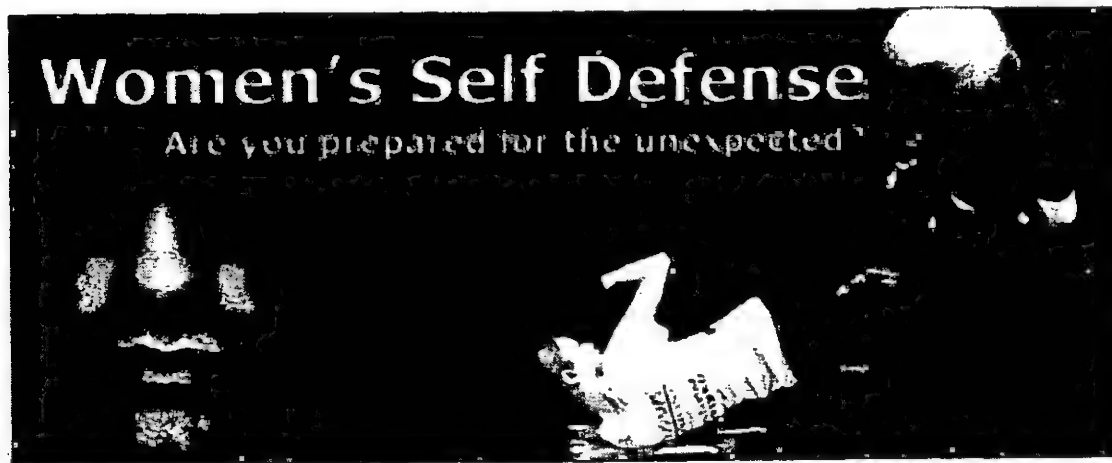

1. Listen- In a conflict, we become very self-centered. We want to talk and force our point of view on the other person. If we listen rather than argue, much of the heat will go out of the situation.
2. Empathize- put yourself in the other person's shoes. See things from their point of view. Be sure to empathize aloud so the other person can hear you doing it.
3. Ask- question the other person about specific facts. Remember the five W's (Who, What, When, Where, and Why). Asking questions builds rapport and solicits input from the other person rather than pushing your perspective on them.
4. Paraphrase- Put the other person's meaning in to your own words and feed it back to them (actively listen). This means that you understand their point of view and giving them a chance to agree with something you have said. You have to listen to them and make an effort to understand their perspective.
5. Summarize- when we summarize, we move towards conclusion. Our tone and words should be shaped with decisiveness and authority with out being condescending or demanding. Use the word "We" not "I" or "YOU".

Verbal Judo

- Make someone do what you need them to do by showing them how it benefits them.
- Show them the consequences of their actions both positive and negative.
- Become their pal. Look out for their interests.

Alternative Uses of Force

- Unarmed defensive techniques
- Less-Lethal devices
 - OC (Kimber Guardian, Sabre Defense), Taser, Stun Gun, Baton.

Women's Self Defense

Are you prepared for the unexpected?

Total Defense | Women's Self Defense

Gain the confidence in knowing that you can defend yourself.

Experience the immediate transformation when you gain the confidence of knowing you can defend yourself in life threatening situations. Our woman's self defense course utilizes an improvised martial art's program designed to cater to women's strengths while minimizing weaknesses. Our instructor Dan Wellman is an accomplished martial artist; a black belt and certified instructor of Tae Kwon Do. He also has a master's degree in clinical psychology and incorporates his knowledge of predatorial behavior and victimization scenarios into your training.

We are available six days a week for training call 763-432-6134 availability and scheduling.

MN Permit Honored In:

Alabama, Alaska, Arizona, Arkansas, Georgia, Idaho, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Wisconsin, Wyoming

MN Permit Not Honored:

California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Guam, Hawaii, Maine, Maryland, Massachusetts, Nevada, New Hampshire, New Jersey, New Mexico, New York, New York City, Oregon, Puerto Rico, Rhode Island, South Carolina, Virgin Islands, Washington, West Virginia

Right Denied:

American Samoa, Illinois, N. Mariana Islands

Handgun Basics

Four Universal Safety Rules

1. All firearms are always loaded!
2. Never let the muzzle cover anything you are not willing to destroy!
3. Keep your finger OFF the trigger until your sights are on the target!
4. Always be sure of your target and beyond!

Revolvers

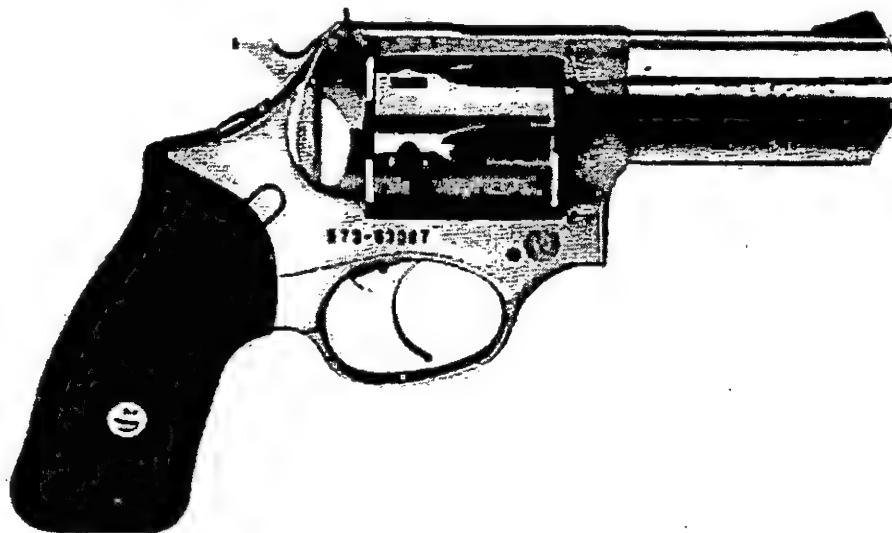

Single Action Only (SAO)

Hammer must be cocked prior to every shot.

Double Action/Single Action (DA/SA)

Hammer can be cocked prior to first shot or squeeze the trigger to fire first shot with a longer trigger pull.

Double Action Only (DAO)
Internal hammer- Long trigger pull

Semi Auto Pistols

Single Action
Hammer must be cocked prior to FIRST shot only.

Double Action/Single Action (DA/SA)

Hammer can be cocked prior to first shot or squeeze the trigger to fire first shot with a longer trigger pull.

Striker Fired Platform/ Safe Action Pistol

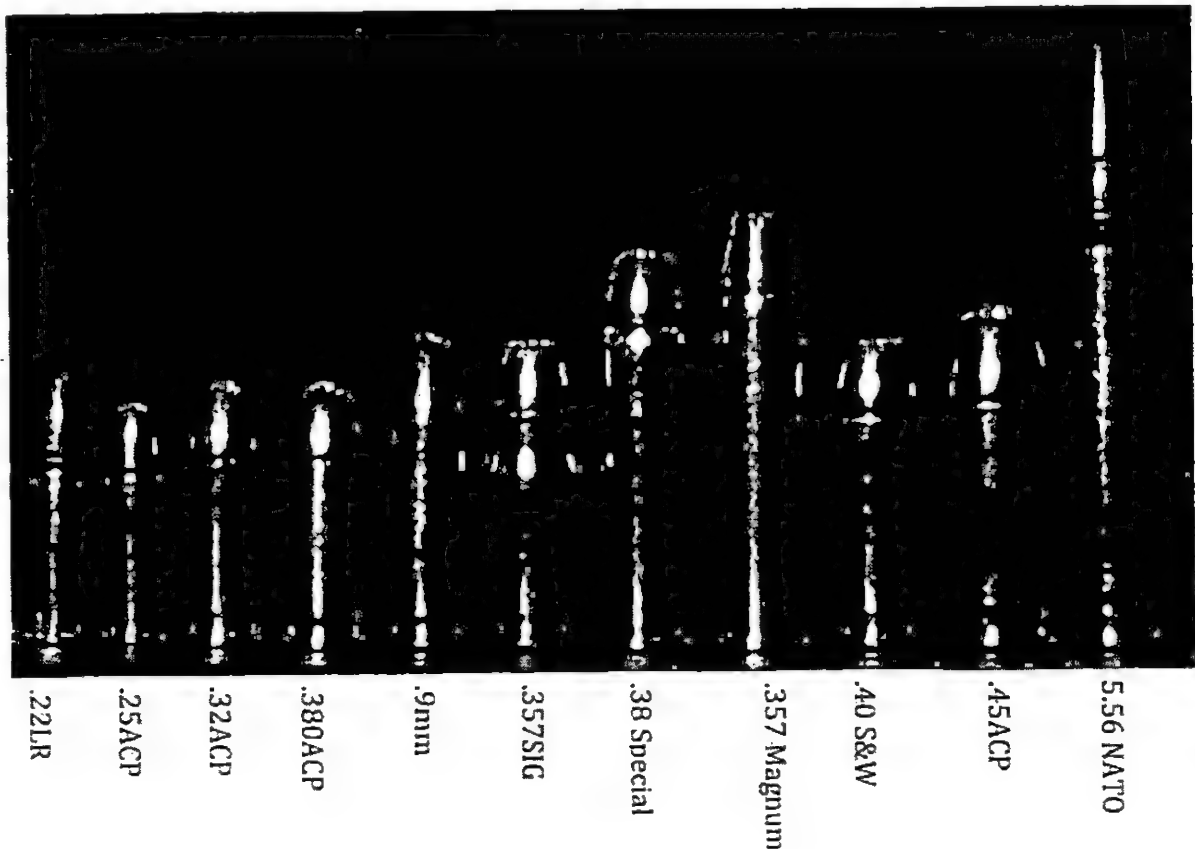

A pistol that uses an internal striker mechanism.

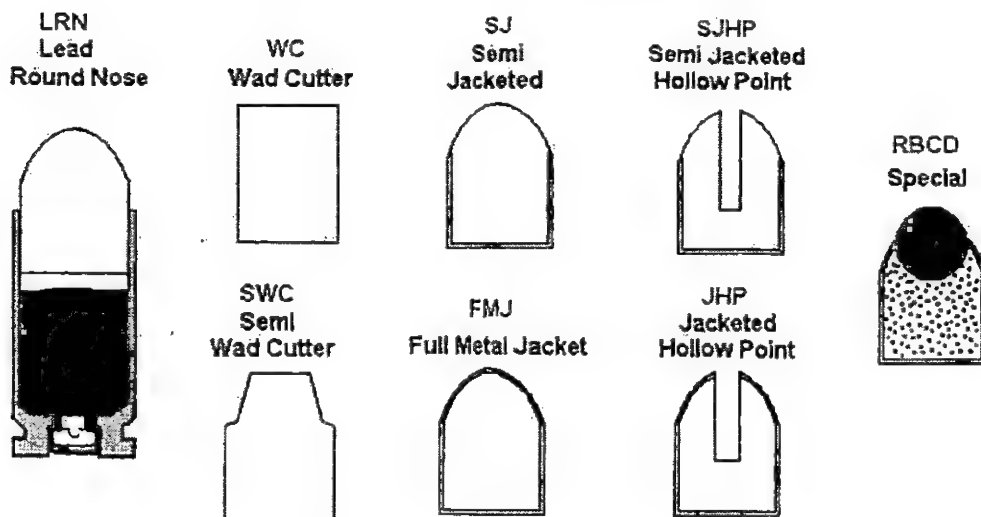

Common Pistol Malfunctions

- Double Feed- A double feed happens when two rounds try to enter the chamber of a semi-automatic at the same time.
- Stove Pipe- After the bullet is fired the casing fails to eject fully and gets stuck in the action causing a jam.
- Failure To Feed- This is when a round fails to feed into the breach. Most common cause is bent feed lips on magazine.

Ammunition

Bullet Types

Ammo Care and Storage

- Store in a cool, dry area.
- Never mix ammunition.
- Store firearms and ammo separately
- Practice at least once a year with your personal protection ammo.
- Replace your personal protection ammo annually.
- Use the correct ammo for what you are doing. (Federal Guard Dog/HST)

Ammunition Malfunctions

- Misfire- A failure of the cartridge to fire after the primer has been struck by the firing pin.
- Hang Fire- A delay in the ignition of the cartridge after the primer has been struck by the firing pin.
- Squib Load- Development of less than normal pressure or velocity after ignition of the cartridge.

Where Can You Not Carry?

- Government Buildings (State & Federal)
 - Courthouses
 - Post Office
 - Town Hall
 - City Hall
- Airports
 - You can legally travel with firearms in checked baggage. (Check with airlines as many have different rules)
- Licensed Daycare Centers
 - While children are present
- Public and or Private Schools
 - Not only the school but all its property/land
- Anyplace both Public or Private that's POSTED
 - It does not have to be posted if they ask you to leave

Current Conceal Carry Law

S.F. No. 2259, 2nd Engrossment - 84th Legislative Session (2005-2006)
Posted on May 16, 2005

- 1.1 A bill for an act
- 1.2 relating to public safety; reenacting the Minnesota
- 1.3 Citizens' Personal Protection Act of 2003 with certain
- 1.4 amendments; recognizing the inherent right of
- 1.5 law-abiding citizens to self-protection through the
- 1.6 lawful use of self-defense; providing a system under
- 1.7 which responsible, competent adults can exercise their
- 1.8 right to self-protection by authorizing them to obtain
- 1.9 a permit to carry a pistol; providing criminal
- 1.10 penalties; amending Minnesota Statutes 2004, sections
- 1.11 609.66, subdivision 1d; 624.714, subdivisions 1b, 2,
- 1.12 2a, 3, 8, 12, 17, as reenacted, by adding a
- 1.13 subdivision.
- 1.14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF
MINNESOTA:
- 1.15 Section 1. [REENACTMENT OF PERSONAL PROTECTION ACT.]
- 1.16 Laws 2003, chapter 28, articles 2 and 3, are reenacted
- 1.17 effective retroactively and without interruption from April 28,
- 1.18 2003.
- 1.19 [EFFECTIVE DATE.] This section is effective the day
- 1.20 following final enactment.
- 1.21 Sec. 2. Minnesota Statutes 2004, section 609.66,
- 1.22 subdivision 1d, is amended to read:
- 1.23 Subd. 1d. [POSSESSION ON SCHOOL PROPERTY; PENALTY.] (a)
- 1.24 Except as provided under paragraphs (c) and (e), whoever
- 1.25 possesses, stores, or keeps a dangerous weapon or uses or
- 1.26 brandishes a replica firearm or a BB gun while knowingly on
- 1.27 school property is guilty of a felony and may be sentenced to
- 1.28 imprisonment for not more than two years or to payment of a fine
- 1.29 of not more than \$5,000, or both.
- 2.1 (b) whoever possesses, stores, or keeps a replica firearm
- 2.2 or a BB gun on school property is guilty of a gross misdemeanor.
- 2.3 (c) Notwithstanding paragraph (a) or (b), it is a

2.4 misdemeanor for a person authorized to carry a firearm under the
2.5 provisions of a permit or otherwise to carry a firearm on or
2.6 about the person's clothes or person in a location the person
2.7 knows is school property. Notwithstanding section 609.531, a
2.8 firearm carried in violation of this paragraph is not subject to
2.9 forfeiture.

2.10 (d) As used in this subdivision:

2.11 (1) "BB gun" means a device that fires or ejects a shot
2.12 measuring .18 of an inch or less in diameter;

2.13 (2) "dangerous weapon" has the meaning given it in section
2.14 609.02, subdivision 6;

2.15 (3) "replica firearm" has the meaning given it in section
2.16 609.713; and

2.17 (4) "school property" means:

2.18 (i) a public or private elementary, middle, or secondary
2.19 school building and its improved grounds, whether leased or
2.20 owned by the school;

2.21 (ii) a child care center licensed under chapter 245A during
2.22 the period children are present and participating in a child
2.23 care program;

2.24 (iii) the area within a school bus when that bus is being
2.25 used by a school to transport one or more elementary, middle, or
2.26 secondary school students to and from school-related activities,
2.27 including curricular, cocurricular, noncurricular,
2.28 extracurricular, and supplementary activities; and

2.29 (iv) that portion of a building or facility under the
2.30 temporary, exclusive control of a public or private school, a
2.31 school district, or an association of such entities where
2.32 conspicuous signs are prominently posted at each entrance that
2.33 give actual notice to persons of the school-related use.

2.34 (e) this subdivision does not apply to:

2.35 (1) active licensed peace officers;;

2.36 (2) military personnel, or students participating in
3.1 military training, who are on-duty, performing official duties;

3.2 (2) (3) persons authorized to carry a pistol under section
3.3 624.714 while in a motor vehicle or outside of a motor vehicle
3.4 to directly place a firearm in, or retrieve it from, the trunk
3.5 or rear area of the vehicle;

3.6 (3) (4) persons who keep or store in a motor vehicle

3.7 pistols in accordance with section 624.714 or 624.715 or other
 3.8 firearms in accordance with section 97B.045;
 3.9 (4) (5) firearm safety or marksmanship courses or
 3.10 activities conducted on school property;
 3.11 (5) (6) possession of dangerous weapons, BB guns, or
 3.12 replica firearms by a ceremonial color guard;
 3.13 (6) (7) a gun or knife show held on school property;
 3.14 (7) (8) possession of dangerous weapons, BB guns, or
 3.15 replica firearms with written permission of the principal or
 3.16 other person having general control and supervision of the
 3.17 school or the director of a child care center; or
 3.18 (8) (9) persons who are on unimproved property owned or
 3.19 leased by a child care center, school, or school district unless
 3.20 the person knows that a student is currently present on the land
 3.21 for a school-related activity.
 3.22 (f) Notwithstanding section 471.634, a school district or
 3.23 other entity composed exclusively of school districts may not
 3.24 regulate firearms, ammunition, or their respective components,
 3.25 when possessed or carried by nonstudents or nonemployees, in a
 3.26 manner that is inconsistent with this subdivision.
 3.27 [EFFECTIVE DATE.] This section is effective the day
 3.28 following final enactment.
 3.29 Sec. 3. Minnesota Statutes 2004, section 624.714,
 3.30 subdivision 1b, is amended to read:
 3.31 Subd. 1b. [DISPLAY OF PERMIT; PENALTY.] (a) The holder of
 3.32 a permit to carry must have the permit card and a driver's
 3.33 license, state identification card, or other government-issued
 3.34 photo identification in immediate possession at all times when
 3.35 carrying a pistol and must display the permit card and
 3.36 identification document upon lawful demand by a peace officer,
 4.1 as defined in section 626.84, subdivision 1. A violation of
 4.2 this paragraph is a petty misdemeanor. The fine for a first
 4.3 offense must not exceed \$25. Notwithstanding section 609.531, a
 4.4 firearm carried in violation of this paragraph is not subject to
 4.5 forfeiture.
 4.6 (b) A citation issued for violating paragraph (a) must be
 4.7 dismissed if the person demonstrates, in court or in the office
 4.8 of the arresting officer, that the person was authorized to
 4.9 carry the pistol at the time of the alleged violation.

4.10 (c) Upon the request of a peace officer, a permit holder
4.11 must write a sample signature in the officer's presence to aid
4.12 in verifying the person's identity.
4.13 (d) Upon the request of a peace officer, a permit holder
4.14 shall disclose to the officer whether or not the permit holder
4.15 is currently carrying a firearm.
4.16 Sec. 4. Minnesota Statutes 2004, section 624.714,
4.17 subdivision 2, is amended to read:
4.18 Subd. 2. [WHERE APPLICATION MADE; AUTHORITY TO ISSUE
4.19 PERMIT; CRITERIA; SCOPE.] (a) Applications by Minnesota
4.20 residents for permits to carry shall be made to the county
4.21 sheriff where the applicant resides. Nonresidents, as defined
4.22 in section 171.01, subdivision 42, may apply to any sheriff.
4.23 (b) Unless a sheriff denies a permit under the exception
4.24 set forth in subdivision 6, paragraph (a), clause (3), a sheriff
4.25 must issue a permit to an applicant if the person:
4.26 (1) has training in the safe use of a pistol;
4.27 (2) is at least 21 years old and a citizen or a permanent
4.28 resident of the United States;
4.29 (3) completes an application for a permit;
4.30 (4) is not prohibited from possessing a firearm under the
4.31 following sections:
4.32 (i) 518B.01, subdivision 14;
4.33 (ii) 609.224, subdivision 3;
4.34 (iii) 609.2242, subdivision 3;
4.35 (iv) 609.749, subdivision 8;
4.36 (v) 624.713;
5.1 (vi) 624.719;
5.2 (vii) 629.715, subdivision 2; or
5.3 (viii) 629.72, subdivision 2; or
5.4 (ix) any federal law; and
5.5 (5) is not listed in the criminal gang investigative data
5.6 system under section 299C.091.
5.7 (c) A permit to carry a pistol issued or recognized under
5.8 this section is a state permit and is effective throughout the
5.9 state.
5.10 (d) A sheriff may contract with a police chief to process
5.11 permit applications under this section. If a sheriff contracts
5.12 with a police chief, the sheriff remains the issuing authority

5.13 and the police chief acts as the sheriff's agent. If a sheriff
5.14 contracts with a police chief, all of the provisions of this
5.15 section will apply.

5.16 [EFFECTIVE DATE.] This section is effective the day
5.17 following final enactment.

5.18 Sec. 5. Minnesota Statutes 2004, section 624.714,
5.19 subdivision 2a, is amended to read:

5.20 Subd. 2a. [TRAINING IN THE SAFE USE OF A PISTOL.] (a) An
5.21 applicant must present evidence that the applicant received
5.22 training in the safe use of a pistol within one year of the date
5.23 of an original or renewal application. Training may be
5.24 demonstrated by:

5.25 (1) employment as a peace officer in the state of Minnesota
5.26 within the past year; or

5.27 (2) completion of a firearms safety or training course
5.28 providing basic training in the safe use of a pistol and
5.29 conducted by a certified instructor.

5.30 (b) Basic training must include:

5.31 (1) instruction in the fundamentals of pistol use;
5.32 (2) successful completion of an actual shooting
5.33 qualification exercise; and

5.34 (3) instruction in the fundamental legal aspects of pistol
5.35 possession, carry, and use, including self-defense and the
5.36 restrictions on the use of deadly force.

6.1 (c) The certified instructor must issue a certificate to a
6.2 person who has completed a firearms safety or training course
6.3 described in paragraph (b). The certificate must be signed by
6.4 the instructor and attest that the person attended and completed
6.5 the course.

6.6 (d) A person qualifies as a certified instructor if the
6.7 person is certified as a firearms instructor within the past
6.8 five years by:

6.9 (1) the Bureau of Criminal Apprehension, Training and
6.10 Development Section;

6.11 (2) the Minnesota Association of Law Enforcement Firearms
6.12 Instructors;

6.13 (3) the National Rifle Association;

6.14 (4) the American Association of Certified Firearms
6.15 Instructors;

6.16 (5) the Peace Officer Standards and Training Board of this
6.17 state or a similar agency of another state that certifies
6.18 firearms instructors; or
6.19 (6) the Department of Public Safety of this state or a
6.20 similar agency of another state that certifies firearms
6.21 instructors an organization or government entity that has been
6.22 approved by the Department of Public Safety in accordance with
6.23 the department's standards.
6.24 (d) (e) A sheriff must accept the training described in
6.25 this subdivision as meeting the requirement in subdivision 2,
6.26 paragraph (b), for training in the safe use of a pistol. A
6.27 sheriff may also accept other satisfactory evidence of training
6.28 in the safe use of a pistol.
6.29 [EFFECTIVE DATE.] This section is effective the day
6.30 following final enactment, except for the changes made in
6.31 paragraph (d), which are effective October 1, 2005.
6.32 Sec. 6. Minnesota Statutes 2004, section 624.714,
6.33 subdivision 3, is amended to read:
6.34 Subd. 3. [FORM AND CONTENTS OF APPLICATION.] (a)
6.35 Applications for permits to carry must be an official,
6.36 standardized application form, adopted under section 624.7151,
7.1 and must set forth in writing only the following information:
7.2 (1) the applicant's name, residence, telephone number, if
7.3 any, and driver's license number or state identification card
7.4 number;
7.5 (2) the applicant's sex, date of birth, height, weight, and
7.6 color of eyes and hair, and distinguishing physical
7.7 characteristics, if any;
7.8 (3) the township or statutory city or home rule charter
7.9 city, and county, of all states of residence Minnesota
7.10 residences of the applicant in the last ten five years, though
7.11 not including specific addresses;
7.12 (4) the township or city, county, and state of all
7.13 non-Minnesota residences of the applicant in the last five
7.14 years, though not including specific addresses;
7.15 (5) a statement that the applicant authorizes the release
7.16 to the sheriff of commitment information about the applicant
7.17 maintained by the commissioner of human services or any similar
7.18 agency or department of another state where the applicant has

7.19 resided, to the extent that the information relates to the
7.20 applicant's eligibility to possess a firearm; and
7.21 (5) (6) a statement by the applicant that, to the best of
7.22 the applicant's knowledge and belief, the applicant is not
7.23 prohibited by law from possessing a firearm.
7.24 (b) The statement under paragraph (a), clause (4) (5), must
7.25 comply with any applicable requirements of Code of Federal
7.26 Regulations, title 42, sections 2.31 to 2.35, with respect to
7.27 consent to disclosure of alcohol or drug abuse patient records.
7.28 (c) An applicant must submit to the sheriff an application
7.29 packet consisting only of the following items:
7.30 (1) a completed application form, signed and dated by the
7.31 applicant;
7.32 (2) an accurate photocopy of a the certificate, affidavit,
7.33 or other document described in subdivision 2a, paragraph (c),
7.34 that is submitted as the applicant's evidence of training in the
7.35 safe use of a pistol; and
7.36 (3) an accurate photocopy of the applicant's current
8.1 driver's license, state identification card, or the photo page
8.2 of the applicant's passport.
8.3 (d) In addition to the other application materials, a
8.4 person who is otherwise ineligible for a permit due to a
8.5 criminal conviction but who has obtained a pardon or
expungement
8.6 setting aside the conviction, sealing the conviction, or
8.7 otherwise restoring applicable rights, must submit a copy of the
8.8 relevant order.
8.9 (e) Applications must be submitted in person.
8.10 (f) The sheriff may charge a new application processing fee
8.11 in an amount not to exceed the actual and reasonable direct cost
8.12 of processing the application or \$100, whichever is less. Of
8.13 this amount, \$10 must be submitted to the commissioner and
8.14 deposited into the general fund.
8.15 (g) This subdivision prescribes the complete and exclusive
8.16 set of items an applicant is required to submit in order to
8.17 apply for a new or renewal permit to carry. The applicant must
8.18 not be asked or required to submit, voluntarily or
8.19 involuntarily, any information, fees, or documentation beyond
8.20 that specifically required by this subdivision. This paragraph

8.21 does not apply to alternate training evidence accepted by the
8.22 sheriff under subdivision 2a, paragraph (d).
8.23 (h) Forms for new and renewal applications must be
8.24 available at all sheriffs' offices and the commissioner must
8.25 make the forms available on the Internet.
8.26 (i) Application forms must clearly display a notice that a
8.27 permit, if granted, is void and must be immediately returned to
8.28 the sheriff if the permit holder is or becomes prohibited by law
8.29 from possessing a firearm. The notice must list the applicable
8.30 state criminal offenses and civil categories that prohibit a
8.31 person from possessing a firearm.
8.32 (j) Upon receipt of an application packet and any required
8.33 fee, the sheriff must provide a signed receipt indicating the
8.34 date of submission.
8.35 [EFFECTIVE DATE.] This section is effective the day
8.36 following final enactment.
9.1 Sec. 7. Minnesota Statutes 2004, section 624.714,
9.2 subdivision 8, is amended to read:
9.3 Subd. 8. [PERMIT TO CARRY VOIDED.] (a) The permit to carry
9.4 is void and must be revoked at the time that the holder becomes
9.5 prohibited by law from possessing a firearm, in which event the
9.6 holder must return the permit card to the issuing sheriff within
9.7 five business days after the holder knows or should know that
9.8 the holder is a prohibited person. If a permit is revoked the
9.9 sheriff has knowledge that a permit is void under this
9.10 subdivision paragraph, the sheriff must give notice to the
9.11 permit holder in writing in the same manner as a denial.
9.12 Failure of the holder to return the permit within the five days
9.13 is a gross misdemeanor unless the court finds that the
9.14 circumstances or the physical or mental condition of the permit
9.15 holder prevented the holder from complying with the return
9.16 requirement.
9.17 (b) When a permit holder is convicted of an offense that
9.18 prohibits the permit holder from possessing a firearm, the court
9.19 must revoke the permit and, if it is available, take possession
9.20 of it the permit, if it is available, and send it to the issuing
9.21 sheriff.
9.22 (c) The sheriff of the county where the application was
9.23 submitted, or of the county of the permit holder's current

9.24 residence, may file a petition with the district court therein,
9.25 for an order revoking a permit to carry on the grounds set forth
9.26 in subdivision 6, paragraph (a), clause (3). An order shall be
9.27 issued only if the sheriff meets the burden of proof and
9.28 criteria set forth in subdivision 12. If the court denies the
9.29 petition, the court must award the permit holder reasonable
9.30 costs and expenses, including attorney fees.

9.31 (d) A permit revocation must be promptly reported to the
9.32 issuing sheriff.

9.33 [EFFECTIVE DATE.] This section is effective the day
9.34 following final enactment.

9.35 Sec. 8. Minnesota Statutes 2004, section 624.714,
9.36 subdivision 12, is amended to read:

10.1 Subd. 12. [HEARING UPON DENIAL OR REVOCATION.] (a) Any
10.2 person aggrieved by denial or revocation of a permit to carry
10.3 may appeal by petition to the district court having jurisdiction
10.4 over the county or municipality where the application was
10.5 submitted. The petition must list the sheriff as the
10.6 respondent. The district court must hold a hearing at the
10.7 earliest practicable date and in any event no later than 60 days
10.8 following the filing of the petition for review. The court may
10.9 not grant or deny any relief before the completion of the
10.10 hearing. The record of the hearing must be sealed. The matter
10.11 must be heard de novo without a jury.

10.12 (b) The court must issue written findings of fact and
10.13 conclusions of law regarding the issues submitted by the
10.14 parties. The court must issue its writ of mandamus directing
10.15 that the permit be issued and order other appropriate relief
10.16 unless the sheriff establishes by clear and convincing evidence:

10.17 (1) that the applicant is disqualified under the criteria
10.18 described in subdivision 2, paragraph (b); or

10.19 (2) that there exists a substantial likelihood that the
10.20 applicant is a danger to self or the public if authorized to
10.21 carry a pistol under a permit. Incidents of alleged criminal
10.22 misconduct that are not investigated and documented, and
10.23 incidents for which the applicant was charged and acquitted,
may

10.24 not be considered.

10.25 (c) If an applicant is denied a permit on the grounds that

10.26 the applicant is listed in the criminal gang investigative data
10.27 system under section 299C.091, the person may challenge the
10.28 denial, after disclosure under court supervision of the reason
10.29 for that listing, based on grounds that the person:
10.30 (1) was erroneously identified as a person in the data
10.31 system;
10.32 (2) was improperly included in the data system according to
10.33 the criteria outlined in section 299C.091, subdivision 2,
10.34 paragraph (b); or
10.35 (3) has demonstrably withdrawn from the activities and
10.36 associations that led to inclusion in the data system.
11.1 (d) If the court grants a petition brought under paragraph
11.2 (a), the court must award the applicant or permit holder
11.3 reasonable costs and expenses including attorney fees.
11.4 Sec. 9. Minnesota Statutes 2004, section 624.714,
11.5 subdivision 17, as reenacted by section 1, is amended to read:
11.6 Subd. 17. [POSTING; TRESPASS.] (a) A person carrying a
11.7 firearm on or about his or her person or clothes under a permit
11.8 or otherwise who remains at a private establishment knowing
that
11.9 the operator of the establishment or its agent has made a
11.10 reasonable request that firearms not be brought into the
11.11 establishment may be ordered to leave the premises. A person
11.12 who fails to leave when so requested is guilty of a petty
11.13 misdemeanor. The fine for a first offense must not exceed \$25.
11.14 Notwithstanding section 609.531, a firearm carried in violation
11.15 of this subdivision is not subject to forfeiture.
11.16 (b) As used in this subdivision, the terms in this
11.17 paragraph have the meanings given.
11.18 (1) "Reasonable request" means a request made under the
11.19 following circumstances:
11.20 (i) the requester has prominently posted a conspicuous sign
11.21 at every entrance to the establishment containing the following
11.22 language: "(INDICATE IDENTITY OF OPERATOR) BANS GUNS IN
THESE
11.23 PREMISES."; and or
11.24 (ii) the requester or its the requester's agent personally
11.25 informs the person of the posted request that guns are
11.26 prohibited in the premises and demands compliance.

11.27 (2) "Prominently" means readily visible and within four
11.28 feet laterally of the entrance with the bottom of the sign at a
11.29 height of four to six feet above the floor.

11.30 (3) "Conspicuous" means lettering in black arial typeface
11.31 at least 1-1/2 inches in height against a bright contrasting
11.32 background that is at least 187 square inches in area.

11.33 (4) "Private establishment" means a building, structure, or
11.34 portion thereof that is owned, leased, controlled, or operated
11.35 by a nongovernmental entity for a nongovernmental purpose.

11.36 (c) The owner or operator of a private establishment may
12.1 not prohibit the lawful carry or possession of firearms in a
12.2 parking facility or parking area.

12.3 (d) This subdivision does not apply to private residences.
12.4 The lawful possessor of a private residence may prohibit
12.5 firearms, and provide notice thereof, in any lawful manner.

12.6 (e) A landlord may not restrict the lawful carry or
12.7 possession of firearms by tenants or their guests.

12.8 (f) Notwithstanding any inconsistent provisions in section
12.9 609.605, this subdivision sets forth the exclusive criteria to
12.10 notify a permit holder when otherwise lawful firearm possession
12.11 is not allowed in a private establishment and sets forth the
12.12 exclusive penalty for such activity.

12.13 (g) This subdivision does not apply to:
12.14 (1) an on-duty active licensed peace officer; or
12.15 (2) a security guard acting in the course and scope of
12.16 employment.

12.17 [EFFECTIVE DATE.] This section is effective the day
12.18 following final enactment.

12.19 Sec. 10. Minnesota Statutes 2004, section 624.714, is
12.20 amended by adding a subdivision to read:

12.21 Subd. 24. [PREDATORY OFFENDERS.] Except when acting
under
12.22 the authority of other law, it is a misdemeanor for a person
12.23 required to register by section 243.166 to carry a pistol
12.24 whether or not the carrier possesses a permit to carry issued
12.25 under this section. If an action prohibited by this subdivision
12.26 is also a violation of another law, the violation may be
12.27 prosecuted under either law.

12.28 Sec. 11. [ADOPTION OF STANDARDS.]

12.29 By October 1, 2005, the Department of Public Safety shall
12.30 adopt and publish minimum standards that organizations and
12.31 government entities must meet to certify individuals as
12.32 certified firearms instructors under Minnesota Statutes, section
12.33 624.714, subdivision 2a, paragraph (d).
12.34 [EFFECTIVE DATE.] This section is effective the day
12.35 following final enactment

2012 Minnesota Statutes

624.714 CARRYING OF WEAPONS WITHOUT PERMIT; PENALTIES.

Subdivision 1.

[Repealed, 2003 c 28 art 2 s 35; 2005 c 83 s 1]

Subd. 1a. Permit required; penalty.

A person, other than a peace officer, as defined in section 626.84, subdivision 1, who carries, holds, or possesses a pistol in a motor vehicle, snowmobile, or boat, or on or about the person's clothes or the person, or otherwise in possession or control in a public place, as defined in section 624.7181, subdivision 1, paragraph (c), without first having obtained a permit to carry the pistol is guilty of a gross misdemeanor. A person who is convicted a second or subsequent time is guilty of a felony.

Subd. 1b. Display of permit; penalty.

(a) The holder of a permit to carry must have the permit card and a driver's license, state identification card, or other government-issued photo identification in immediate possession at all times when carrying a pistol and must display the permit card and identification document upon lawful demand by a peace officer, as defined in section 626.84, subdivision 1. A violation of this paragraph is a petty misdemeanor. The fine for a first offense must not exceed \$25. Notwithstanding section 609.531, a firearm carried in violation of this paragraph is not subject to forfeiture.

(b) A citation issued for violating paragraph (a) must be dismissed if the person demonstrates, in court or in the office of the arresting officer,

that the person was authorized to carry the pistol at the time of the alleged violation.

(c) Upon the request of a peace officer, a permit holder must write a sample signature in the officer's presence to aid in verifying the person's identity.

(d) Upon the request of a peace officer, a permit holder shall disclose to the officer whether or not the permit holder is currently carrying a firearm.

Subd. 2. Where application made; authority to issue permit; criteria; scope.

(a) Applications by Minnesota residents for permits to carry shall be made to the county sheriff where the applicant resides. Nonresidents, as defined in section 171.01, subdivision 42, may apply to any sheriff.

(b) Unless a sheriff denies a permit under the exception set forth in subdivision 6, paragraph (a), clause (3), a sheriff must issue a permit to an applicant if the person:

(1) has training in the safe use of a pistol;

(2) is at least 21 years old and a citizen or a permanent resident of the United States;

(3) completes an application for a permit;

(4) is not prohibited from possessing a firearm under the following sections:

(i) 518B.01, subdivision 14;

(ii) 609.224, subdivision 3;

(iii) 609.2242, subdivision 3;

(iv) 609.749, subdivision 8;

(v) 624.713;

(vi) 624.719;

(vii) 629.715, subdivision 2;

(viii) 629.72, subdivision 2; or

(ix) any federal law; and

(5) is not listed in the criminal gang investigative data system under section 299C.091.

(c) A permit to carry a pistol issued or recognized under this section is a state permit and is effective throughout the state.

(d) A sheriff may contract with a police chief to process permit applications under this section. If a sheriff contracts with a police chief, the sheriff remains the issuing authority and the police chief acts as the sheriff's agent. If a sheriff contracts with a police chief, all of the provisions of this section will apply.

Subd. 2a. Training in the safe use of a pistol.

(a) An applicant must present evidence that the applicant received training in the safe use of a pistol within one year of the date of an original or renewal application. Training may be demonstrated by:

(1) employment as a peace officer in the state of Minnesota within the past year; or

(2) completion of a firearms safety or training course providing basic training in the safe use of a pistol and conducted by a certified instructor.

(b) Basic training must include:

(1) instruction in the fundamentals of pistol use;

(2) successful completion of an actual shooting qualification exercise;
and

(3) instruction in the fundamental legal aspects of pistol possession, carry, and use, including self-defense and the restrictions on the use of deadly force.

(c) The certified instructor must issue a certificate to a person who has completed a firearms safety or training course described in paragraph (b). The certificate must be signed by the instructor and attest that the person attended and completed the course.

(d) A person qualifies as a certified instructor if the person is certified as a firearms instructor within the past five years by an organization or government entity that has been approved by the Department of Public Safety in accordance with the department's standards.

(e) A sheriff must accept the training described in this subdivision as meeting the requirement in subdivision 2, paragraph (b), for training in the safe use of a pistol. A sheriff may also accept other satisfactory evidence of training in the safe use of a pistol.

Subd. 3. Form and contents of application.

(a) Applications for permits to carry must be an official, standardized application form, adopted under section 624.7151, and must set forth in writing only the following information:

(1) the applicant's name, residence, telephone number, if any, and driver's license number or state identification card number;

(2) the applicant's sex, date of birth, height, weight, and color of eyes and hair, and distinguishing physical characteristics, if any;

(3) the township or statutory city or home rule charter city, and county, of all Minnesota residences of the applicant in the last five years, though not including specific addresses;

(4) the township or city, county, and state of all non-Minnesota residences of the applicant in the last five years, though not including specific addresses;

(5) a statement that the applicant authorizes the release to the sheriff of commitment information about the applicant maintained by the commissioner of human services or any similar agency or department of another state where the applicant has resided, to the extent that the information relates to the applicant's eligibility to possess a firearm; and

(6) a statement by the applicant that, to the best of the applicant's knowledge and belief, the applicant is not prohibited by law from possessing a firearm.

(b) The statement under paragraph (a), clause (5), must comply with any applicable requirements of Code of Federal Regulations, title 42, sections 2.31 to 2.35, with respect to consent to disclosure of alcohol or drug abuse patient records.

(c) An applicant must submit to the sheriff an application packet consisting only of the following items:

(1) a completed application form, signed and dated by the applicant;

(2) an accurate photocopy of the certificate described in subdivision 2a, paragraph (c), that is submitted as the applicant's evidence of training in the safe use of a pistol; and

(3) an accurate photocopy of the applicant's current driver's license, state identification card, or the photo page of the applicant's passport.

(d) In addition to the other application materials, a person who is otherwise ineligible for a permit due to a criminal conviction but who has obtained a pardon or expungement setting aside the conviction, sealing the conviction, or otherwise restoring applicable rights, must submit a copy of the relevant order.

(e) Applications must be submitted in person.

(f) The sheriff may charge a new application processing fee in an amount not to exceed the actual and reasonable direct cost of processing the application or \$100, whichever is less. Of this amount, \$10 must be submitted to the commissioner and deposited into the general fund.

(g) This subdivision prescribes the complete and exclusive set of items an applicant is required to submit in order to apply for a new or renewal permit to carry. The applicant must not be asked or required to submit, voluntarily or involuntarily, any information, fees, or documentation beyond that specifically required by this subdivision. This paragraph does not apply to alternate training evidence accepted by the sheriff under subdivision 2a, paragraph (d).

(h) Forms for new and renewal applications must be available at all sheriffs' offices and the commissioner must make the forms available on the Internet.

(i) Application forms must clearly display a notice that a permit, if granted, is void and must be immediately returned to the sheriff if the permit holder is or becomes prohibited by law from possessing a firearm. The notice must list the applicable state criminal offenses and civil categories that prohibit a person from possessing a firearm.

(j) Upon receipt of an application packet and any required fee, the sheriff must provide a signed receipt indicating the date of submission. Subd. 4. Investigation.

(a) The sheriff must check, by means of electronic data transfer, criminal records, histories, and warrant information on each applicant through the Minnesota Crime Information System and the National Instant Criminal Background Check System. The sheriff shall also make a reasonable effort to check other available and relevant federal, state, or local record-keeping systems. The sheriff must obtain commitment information from the commissioner of human services as provided in section 245.041 or, if the information is reasonably available, as provided by a similar statute from another state.

(b) When an application for a permit is filed under this section, the sheriff must notify the chief of police, if any, of the municipality where the applicant resides. The police chief may provide the sheriff with any information relevant to the issuance of the permit.

(c) The sheriff must conduct a background check by means of electronic data transfer on a permit holder through the Minnesota Crime Information System and the National Instant Criminal Background Check System at least yearly to ensure continuing eligibility. The sheriff may also conduct additional background checks by means of electronic data transfer on a permit holder at any time during the period that a permit is in effect.

Subd. 5.

[Repealed, 2003 c 28 art 2 s 35; 2005 c 83 s 1]

Subd. 6. Granting and denial of permits.

(a) The sheriff must, within 30 days after the date of receipt of the application packet described in subdivision 3:

(1) issue the permit to carry;

(2) deny the application for a permit to carry solely on the grounds that the applicant failed to qualify under the criteria described in subdivision 2, paragraph (b); or

(3) deny the application on the grounds that there exists a substantial likelihood that the applicant is a danger to self or the public if authorized to carry a pistol under a permit.

(b) Failure of the sheriff to notify the applicant of the denial of the application within 30 days after the date of receipt of the application packet constitutes issuance of the permit to carry and the sheriff must promptly fulfill the requirements under paragraph (c). To deny the application, the sheriff must provide the applicant with written notification and the specific factual basis justifying the denial under paragraph (a), clause (2) or (3), including the source of the factual basis. The sheriff must inform the applicant of the applicant's right to submit, within 20 business days, any additional documentation relating to the

propriety of the denial. Upon receiving any additional documentation, the sheriff must reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. Any denial after reconsideration must be in the same form and substance as the original denial and must specifically address any continued deficiencies in light of the additional documentation submitted by the applicant. The applicant must be informed of the right to seek de novo review of the denial as provided in subdivision 12.

(c) Upon issuing a permit to carry, the sheriff must provide a laminated permit card to the applicant by first class mail unless personal delivery has been made. Within five business days, the sheriff must submit the information specified in subdivision 7, paragraph (a), to the commissioner for inclusion solely in the database required under subdivision 15, paragraph (a). The sheriff must transmit the information in a manner and format prescribed by the commissioner.

(d) Within five business days of learning that a permit to carry has been suspended or revoked, the sheriff must submit information to the commissioner regarding the suspension or revocation for inclusion solely in the databases required or permitted under subdivision 15.

(e) Notwithstanding paragraphs (a) and (b), the sheriff may suspend the application process if a charge is pending against the applicant that, if resulting in conviction, will prohibit the applicant from possessing a firearm.

Subd. 7. Permit card contents; expiration; renewal.

(a) Permits to carry must be on an official, standardized permit card adopted by the commissioner, containing only the name, residence, and driver's license number or state identification card number of the permit holder, if any.

(b) The permit card must also identify the issuing sheriff and state the expiration date of the permit. The permit card must clearly display a notice that a permit, if granted, is void and must be immediately returned to the sheriff if the permit holder becomes prohibited by law from possessing a firearm.

(c) A permit to carry a pistol issued under this section expires five years after the date of issue. It may be renewed in the same manner and under the same criteria which the original permit was obtained, subject to the following procedures:

(1) no earlier than 90 days prior to the expiration date on the permit, the permit holder may renew the permit by submitting to the appropriate sheriff the application packet described in subdivision 3 and a renewal processing fee not to exceed the actual and reasonable direct cost of processing the application or \$75, whichever is less. Of this amount, \$5 must be submitted to the commissioner and deposited into the general fund. The sheriff must process the renewal application in accordance with subdivisions 4 and 6; and

(2) a permit holder who submits a renewal application packet after the expiration date of the permit, but within 30 days after expiration, may renew the permit as provided in clause (1) by paying an additional late fee of \$10.

(d) The renewal permit is effective beginning on the expiration date of the prior permit to carry.

Subd. 7a. Change of address; loss or destruction of permit.

(a) Within 30 days after changing permanent address, or within 30 days of having lost or destroyed the permit card, the permit holder must notify the issuing sheriff of the change, loss, or destruction. Failure to provide notification as required by this subdivision is a petty misdemeanor. The fine for a first offense must not exceed \$25. Notwithstanding section 609.531, a firearm carried in violation of this paragraph is not subject to forfeiture.

(b) After notice is given under paragraph (a), a permit holder may obtain a replacement permit card by paying \$10 to the sheriff. The request for a replacement permit card must be made on an official, standardized application adopted for this purpose under section 624.7151, and, except in the case of an address change, must include a notarized statement that the permit card has been lost or destroyed.

Subd. 8. Permit to carry voided.

(a) The permit to carry is void at the time that the holder becomes prohibited by law from possessing a firearm, in which event the holder must return the permit card to the issuing sheriff within five business days after the holder knows or should know that the holder is a prohibited person. If the sheriff has knowledge that a permit is void under this paragraph, the sheriff must give notice to the permit holder in writing in the same manner as a denial. Failure of the holder to return the permit within the five days is a gross misdemeanor unless the court finds that the circumstances or the physical or mental condition of the permit holder prevented the holder from complying with the return requirement.

(b) When a permit holder is convicted of an offense that prohibits the permit holder from possessing a firearm, the court must take possession of the permit, if it is available, and send it to the issuing sheriff.

(c) The sheriff of the county where the application was submitted, or of the county of the permit holder's current residence, may file a petition with the district court therein, for an order revoking a permit to carry on the grounds set forth in subdivision 6, paragraph (a), clause (3). An order shall be issued only if the sheriff meets the burden of proof and criteria set forth in subdivision 12. If the court denies the petition, the court must award the permit holder reasonable costs and expenses, including attorney fees.

(d) A permit revocation must be promptly reported to the issuing sheriff.

Subd. 8a. Prosecutor's duty.

Whenever a person is charged with an offense that would, upon conviction, prohibit the person from possessing a firearm, the prosecuting attorney must ascertain whether the person is a permit holder under this section. If the person is a permit holder, the prosecutor must notify the issuing sheriff that the person has been charged with a prohibiting offense. The prosecutor must also notify the sheriff of the final disposition of the case.

Subd. 9. Carrying pistols about one's premises or for purposes of repair, target practice.

A permit to carry is not required of a person:

- (1) to keep or carry about the person's place of business, dwelling house, premises or on land possessed by the person a pistol;
- (2) to carry a pistol from a place of purchase to the person's dwelling house or place of business, or from the person's dwelling house or place of business to or from a place where repairing is done, to have the pistol repaired;
- (3) to carry a pistol between the person's dwelling house and place of business;
- (4) to carry a pistol in the woods or fields or upon the waters of this state for the purpose of hunting or of target shooting in a safe area; or
- (5) to transport a pistol in a motor vehicle, snowmobile or boat if the pistol is unloaded, contained in a closed and fastened case, gunbox, or securely tied package.

Subd. 10.False representations.

A person who gives or causes to be given any false material information in applying for a permit to carry, knowing or having reason to know the information is false, is guilty of a gross misdemeanor.

Subd. 11.No limit on number of pistols.

A person shall not be restricted as to the number of pistols the person may carry.

Subd. 11a.Emergency issuance of permits.

A sheriff may immediately issue an emergency permit to a person if the sheriff determines that the person is in an emergency situation that may constitute an immediate risk to the safety of the person or someone residing in the person's household. A person seeking an emergency permit must complete an application form and must sign an affidavit describing the emergency situation. An emergency permit applicant does not need to provide evidence of training. An emergency permit is valid for 30 days, may not be renewed, and may be revoked without a hearing. No fee may be charged for an emergency permit. An emergency

permit holder may seek a regular permit under subdivision 3 and is subject to the other applicable provisions of this section.

Subd. 12. Hearing upon denial or revocation.

(a) Any person aggrieved by denial or revocation of a permit to carry may appeal by petition to the district court having jurisdiction over the county or municipality where the application was submitted. The petition must list the sheriff as the respondent. The district court must hold a hearing at the earliest practicable date and in any event no later than 60 days following the filing of the petition for review. The court may not grant or deny any relief before the completion of the hearing. The record of the hearing must be sealed. The matter must be heard de novo without a jury.

(b) The court must issue written findings of fact and conclusions of law regarding the issues submitted by the parties. The court must issue its writ of mandamus directing that the permit be issued and order other appropriate relief unless the sheriff establishes by clear and convincing evidence:

(1) that the applicant is disqualified under the criteria described in subdivision 2, paragraph (b); or

(2) that there exists a substantial likelihood that the applicant is a danger to self or the public if authorized to carry a pistol under a permit. Incidents of alleged criminal misconduct that are not investigated and documented may not be considered.

(c) If an applicant is denied a permit on the grounds that the applicant is listed in the criminal gang investigative data system under section 299C.091, the person may challenge the denial, after disclosure under court supervision of the reason for that listing, based on grounds that the person:

(1) was erroneously identified as a person in the data system;

(2) was improperly included in the data system according to the criteria outlined in section 299C.091, subdivision 2, paragraph (b); or

(3) has demonstrably withdrawn from the activities and associations that led to inclusion in the data system.

(d) If the court grants a petition brought under paragraph (a), the court must award the applicant or permit holder reasonable costs and expenses including attorney fees.

Subd. 12a.Suspension as condition of release.

The district court may order suspension of the application process for a permit or suspend the permit of a permit holder as a condition of release pursuant to the same criteria as the surrender of firearms under section 629.715. A permit suspension must be promptly reported to the issuing sheriff. If the permit holder has an out-of-state permit recognized under subdivision 16, the court must promptly report the suspension to the commissioner for inclusion solely in the database under subdivision 15, paragraph (a).

Subd. 13.Exemptions; adult correctional facility officers.

A permit to carry a pistol is not required of any officer of a state adult correctional facility when on guard duty or otherwise engaged in an assigned duty.

Subd. 14.Records.

(a) A sheriff must not maintain records or data collected, made, or held under this section concerning any applicant or permit holder that are not necessary under this section to support a permit that is outstanding or eligible for renewal under subdivision 7, paragraph (b).

Notwithstanding section 138.163, sheriffs must completely purge all files and databases by March 1 of each year to delete all information collected under this section concerning all persons who are no longer current permit holders or currently eligible to renew their permit.

(b) Paragraph (a) does not apply to records or data concerning an applicant or permit holder who has had a permit denied or revoked under the criteria established in subdivision 2, paragraph (b), clause (1), or subdivision 6, paragraph (a), clause (3), for a period of six years from the date of the denial or revocation.

Subd. 15.Commissioner; contracts; database.

(a) The commissioner must maintain an automated database of persons authorized to carry pistols under this section that is available 24 hours a day, seven days a week, only to law enforcement agencies, including prosecutors carrying out their duties under subdivision 8a, to verify the validity of a permit.

(b) The commissioner may maintain a separate automated database of denied applications for permits to carry and of revoked permits that is available only to sheriffs performing their duties under this section, containing the date of, the statutory basis for, and the initiating agency for any permit application denied or permit revoked for a period of six years from the date of the denial or revocation.

(c) The commissioner may contract with one or more vendors to implement the commissioner's duties under this section.
Subd. 16. Recognition of permits from other states.

(a) The commissioner must annually establish and publish a list of other states that have laws governing the issuance of permits to carry weapons that are not substantially similar to this section. The list must be available on the Internet. A person holding a carry permit from a state not on the list may use the license or permit in this state subject to the rights, privileges, and requirements of this section.

(b) Notwithstanding paragraph (a), no license or permit from another state is valid in this state if the holder is or becomes prohibited by law from possessing a firearm.

(c) Any sheriff or police chief may file a petition under subdivision 12 seeking an order suspending or revoking an out-of-state permit holder's authority to carry a pistol in this state on the grounds set forth in subdivision 6, paragraph (a), clause (3). An order shall only be issued if the petitioner meets the burden of proof and criteria set forth in subdivision 12. If the court denies the petition, the court must award the permit holder reasonable costs and expenses including attorney fees. The petition may be filed in any county in the state where a person holding a license or permit from another state can be found.

(d) The commissioner must, when necessary, execute reciprocity agreements regarding carry permits with jurisdictions whose carry permits are recognized under paragraph (a).

Subd. 17. Posting; trespass.

(a) A person carrying a firearm on or about his or her person or clothes under a permit or otherwise who remains at a private establishment knowing that the operator of the establishment or its agent has made a reasonable request that firearms not be brought into the establishment may be ordered to leave the premises. A person who fails to leave when so requested is guilty of a petty misdemeanor. The fine for a first offense must not exceed \$25. Notwithstanding section 609.531, a firearm carried in violation of this subdivision is not subject to forfeiture.

(b) As used in this subdivision, the terms in this paragraph have the meanings given.

(1) "Reasonable request" means a request made under the following circumstances:

(i) the requester has prominently posted a conspicuous sign at every entrance to the establishment containing the following language: "[INDICATE IDENTITY OF OPERATOR) BANS GUNS IN THESE PREMISES."; or

(ii) the requester or the requester's agent personally informs the person that guns are prohibited in the premises and demands compliance.

(2) "Prominently" means readily visible and within four feet laterally of the entrance with the bottom of the sign at a height of four to six feet above the floor.

(3) "Conspicuous" means lettering in black arial typeface at least 1-1/2 inches in height against a bright contrasting background that is at least 187 square inches in area.

(4) "Private establishment" means a building, structure, or portion thereof that is owned, leased, controlled, or operated by a nongovernmental entity for a nongovernmental purpose.

(c) The owner or operator of a private establishment may not prohibit the lawful carry or possession of firearms in a parking facility or parking area.

(d) This subdivision does not apply to private residences. The lawful possessor of a private residence may prohibit firearms, and provide notice thereof, in any lawful manner.

(e) A landlord may not restrict the lawful carry or possession of firearms by tenants or their guests.

(f) Notwithstanding any inconsistent provisions in section 609.605, this subdivision sets forth the exclusive criteria to notify a permit holder when otherwise lawful firearm possession is not allowed in a private establishment and sets forth the exclusive penalty for such activity.

(g) This subdivision does not apply to:

(1) an active licensed peace officer; or

(2) a security guard acting in the course and scope of employment.
Subd. 18. Employers; public colleges and universities.

(a) An employer, whether public or private, may establish policies that restrict the carry or possession of firearms by its employees while acting in the course and scope of employment. Employment related civil sanctions may be invoked for a violation.

(b) A public postsecondary institution regulated under chapter 136F or 137 may establish policies that restrict the carry or possession of firearms by its students while on the institution's property. Academic sanctions may be invoked for a violation.

(c) Notwithstanding paragraphs (a) and (b), an employer or a postsecondary institution may not prohibit the lawful carry or possession of firearms in a parking facility or parking area.
Subd. 19. Immunity.

Neither a sheriff, police chief, any employee of a sheriff or police chief involved in the permit issuing process, nor any certified instructor is liable for damages resulting or arising from acts with a firearm committed by a permit holder, unless the person had actual knowledge at the time the permit was issued or the instruction was given that the applicant was prohibited by law from possessing a firearm.

Subd. 20. Monitoring.

(a) By March 1, 2004, and each year thereafter, the commissioner must report to the legislature on:

(1) the number of permits applied for, issued, suspended, revoked, and denied, further categorized by the age, sex, and zip code of the applicant or permit holder, since the previous submission, and in total;

(2) the number of permits currently valid;

(3) the specific reasons for each suspension, revocation, and denial and the number of reversed, canceled, or corrected actions;

(4) without expressly identifying an applicant, the number of denials or revocations based on the grounds under subdivision 6, paragraph (a), clause (3), the factual basis for each denial or revocation, and the result of an appeal, if any, including the court's findings of fact, conclusions of law, and order;

(5) the number of convictions and types of crimes committed since the previous submission, and in total, by individuals with permits including data as to whether a firearm lawfully carried solely by virtue of a permit was actually used in furtherance of the crime;

(6) to the extent known or determinable, data on the lawful and justifiable use of firearms by permit holders; and

(7) the status of the segregated funds reported to the commissioner under subdivision 21.

(b) Sheriffs and police chiefs must supply the Department of Public Safety with the basic data the department requires to complete the

report under paragraph (a). Sheriffs and police chiefs may submit data classified as private to the Department of Public Safety under this paragraph.

(c) Copies of the report under paragraph (a) must be made available to the public at the actual cost of duplication.

(d) Nothing contained in any provision of this section or any other law requires or authorizes the registration, documentation, collection, or providing of serial numbers or other data on firearms or on firearms' owners.

Subd. 21. Use of fees.

Fees collected by sheriffs under this section and not forwarded to the commissioner must be used only to pay the direct costs of administering this section. Fee money may be used to pay the costs of appeals of prevailing applicants or permit holders under subdivision 8, paragraph (c); subdivision 12, paragraph (e); and subdivision 16, paragraph (c). Fee money may also be used to pay the reasonable costs of the county attorney to represent the sheriff in proceedings under this section. The revenues must be maintained in a segregated fund. Fund balances must be carried over from year to year and do not revert to any other fund. As part of the information supplied under subdivision 20, paragraph (b), by January 31 of each year, a sheriff must report to the commissioner on the sheriff's segregated fund for the preceding calendar year, including information regarding:

(1) nature and amount of revenues;

(2) nature and amount of expenditures; and

(3) nature and amount of balances.

Subd. 22. Short title; construction; severability.

This section may be cited as the Minnesota Citizens' Personal Protection Act of 2003. The legislature of the state of Minnesota recognizes and declares that the second amendment of the United States Constitution guarantees the fundamental, individual right to keep and bear arms. The provisions of this section are declared to be necessary to accomplish

compelling state interests in regulation of those rights. The terms of this section must be construed according to the compelling state interest test. The invalidation of any provision of this section shall not invalidate any other provision.

Subd. 23.Exclusivity.

This section sets forth the complete and exclusive criteria and procedures for the issuance of permits to carry and establishes their nature and scope. No sheriff, police chief, governmental unit, government official, government employee, or other person or body acting under color of law or governmental authority may change, modify, or supplement these criteria or procedures, or limit the exercise of a permit to carry.

Subd. 24.Predatory offenders.

Except when acting under the authority of other law, it is a misdemeanor for a person required to register by section 243.166 to carry a pistol whether or not the carrier possesses a permit to carry issued under this section. If an action prohibited by this subdivision is also a violation of another law, the violation may be prosecuted under either law.

OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page:

On Thursday, July 21, 2016, at about 1400 hours, SSA Olson and SA Frascone attempted to locate Ariel Doty (sister to Diamond Reynolds) at her home located at 1246 Glenbrook Ave, apartment 112, Oakdale, MN). SSA Olson made an attempt on the previous day without success (despite television audio from inside the apartment and movement observed through the peep hole in apartment door).

The door was answered by a person identifying himself only as Junior. SSA Olson had information about the occupants of the apartment and identified Junior from a MN identification photo as Anthony Cardell Reynolds, Jr. SSA Olson believes Anthony Reynolds may be a biological brother of Diamond Reynolds.

Anthony Reynolds refused to acknowledge whether Ariel Doty was at the residence, and asked both agents for identification. SSA Olson produced his credentials and Anthony Reynolds told agents to stay there while he closed the door and returned moments later with a cellular telephone. SSA Olson, upon the request of Anthony Reynolds, produced his credentials again. Anthony Reynolds appeared to video tape and/or take photographs using his cellular telephone during this exchange.

Anthony Reynolds acknowledged receiving a business card in the door the previous day from SSA Olson and indicated he would get a message to Ariel Doty. Agents cleared from the residence.

SSA Olson returned to HQ and attempted to contact Ariel Doty via a cellular telephone for her obtained from a CLEAR report. The same telephone number for her (651-231-3000) was listed on an Oakdale PD police report from May, 2016. SSA Olson called, and spoke with a female acknowledging she was Ariel Doty. Ariel Doty requested SSA Olson call her back and leave a voice message including his telephone number, and stated she would call him back later. As of the date and time of this report SSA Olson has not yet heard back from Ariel Doty.

End report.

Primary Narrative By Gregory Lackner, 07/07/16 03:20

On 7-06-16 at 2303 hours I Sergeant Lackner was requested by Commander Maher to assist in the area of Lapentuer Avenue and Snelling Avenue. Upon my arrival on scene, I Sergeant Lackner requested Deputy Suchy, Deputy Munkelwitz and Deputy Tombaga to my location. I advised deputies when on scene we are standing by for crowd control if needed. Bureau of Criminal Apprehension finished processing the crime scene and vehicles removed. Ramsey County Deputies cleared without incident.

Narrative begins on the following page.

On 07/25/2016 at about 8:07 PM, SA Phill and SA Henning interviewed Florence Johnson, a registered nurse employed by Hennepin County Medical Center (HCMC). The interview was conducted in a meeting room inside the emergency room at HCMC. The interview was recorded and will be transcribed and attached to this report.

Johnson told agents that she is employed by Hennepin County Medical Center and is assigned to work in the emergency room. Johnson said that she has worked in the emergency room at HCMC for the last 23 years, and has been employed by HCMC for the last 40 years. Johnson told agents that she was working the evening of 07/06/2016. Johnson said that she recalled a patient being transported to the ER by St. Paul Fire Department with gunshot wounds. Johnson described the patient as a black male. Johnson said that medical personnel had been unable to obtain a pulse or blood pressure for the patient. Johnson told agents that she hadn't processed the clothing from the patient and was unaware what if any property was located on the patient.

Johnson was asked if medical staff followed normal procedure while caring for this patient. Johnson said that they did. Johnson told agents that after the patient was pronounced dead he was prepped for transport to the medical examiner's office. The interview was completed at about 8:13PM. SA Henning recorded the interview, a copy of the recording will be placed on a CD and held as evidence, acquisition of exhibit 2016-433/45.1.

INTERVIEW DATE:	7-25-2016	BCA CASE #:	
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Florence Maiten Johnson (FJ)	INTERVIEWED BY:	SA Doug Henning (DH) SA Mike Phill (MP)
REVIEWED BY:	10-24-55		

DH: Okay the recorder's going. I'm just gonna put that right there.

FJ: Okay.

DH: My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. With me is my partner Mike Phill. Um this'll, this'll be an interview reference case number 2016-433. The date today is 7-25-2016. The time right now is 8:07 PM. Uh, this will be an interview with Florence F-L-O-R-E-N-C-E, middle name is spelled M-A-I-T-E-N, last name Johnson J-O-H-N-S-O-N. Your date of birth is 10-24 of 1955 is that correct?

FJ: Yes.

DH: For the purposes of this interview your address is 701 Park Avenue South, Minneapolis, Minnesota 55415?

FJ: Yes.

DH: Um, and a good contact number for you is 612-873-3132.

FJ: Yes.

DH: Okay. Um, you prefer to be called Florence?

FJ: Flo.

DH: Flo.

FJ: Um-hm.

DH: Okay, Flo. Um we'll start out with something easy. Who do you work for?

FJ: Hennepin County Emergency Room.

DH: Okay. And how long you, and what are you employed as?

FJ: Uh, as a registered nurse, an RN.

DH: An RN. Um, and how long have you been employed?

FJ: Uh, 23 years.

DH: And how long have you worked in the emergency room?

FJ: 23 years.

DH: All 23 years?

FJ: But, I've been employed for 40 years, but 23 years in the ER, here.

DH (inaudible)
FJ Yeah.
DH Okay. Long time?
FJ Yeah. (laughs)
DH Um, okay. I just wanna draw your attention to July 6th. Were you working on that day?
FJ Yes.
DH Do you recall a patient coming in um, that was transported by St. Pual Fire?
FJ Yes.
DH With some gunshots?
FJ Yeah.
DH Can you tell me what you remember about that?
FJ Uh, I do remember it was St. Paul Fire that brought him in. Uh, black male, uh, when he came in he was unresponsive. Uh, a GCS of 3. So not responsive at all.
DH Sorry what was that?
FJ A GCS. Uh, that means that their eyes aren't closed. They're not responding to pain, and they're non-verbal.
DH Okay.
FJ Uh it's probably the lowest score you can get.
DH Okay.
FJ Uh, he came in uh, oh, let's see here, they started doing a chest tube on the right side.
DH Okay.
FJ He had no vital signs I believe. And they started doing a thoracotomy on the left. They abandoned the chest tube on the right fairly quickly and did not finish it, and started doin' a thoracotomy on the right side also.
DH Okay.
FJ We never got a blood pressure on him, never got a pulse or anything. Uh, he came in with um, I believe a, I, I actually don't remember, but he had some sort of paramedic access for an IV. The doctors were, while they were doing the bi-lateral thorocotomys they were also doing central line, uh where they put like a bigger vein IV in like their neck or their, their femoral area.
DH Okay.
FJ Um, I know...
DH Do you know which doctors were workin' on 'em?
FJ No I don't.
DH Okay.
FJ Um, the only nurse I remember workin' next to me was Sara Borchert.
DH Okay.
FJ That's the only nurse I remember.

DH Okay.

FJ Um, I actually don't remember which medications they gave 'em?

DH Okay. That's alright.

FJ Yeah. I know we gave him fluids.

DH So do you remember if he was fully clothed when he came in?

FJ No, I don't.

DH You don't?

FJ I don't.

DH Okay.

FJ No.

DH Can you tell me what would typically happen when, when somebody comes in (inaudible) wearing clothes?

FJ Uh, we usually cut them off.

DH Okay.

FJ If...

DH And then what happens to 'em?

FJ Uh, they get put literally on the floor in a pile by the health care assistant and they take care of it.

DH Okay. And the health care assistant does what?

FJ Uh, they usually, if it's a case where the police are involved...

DH Yup.

FJ ...they usually bag it in paper bags, itemize it. They uh, put tape around it to close it. And I know they make an itemized list and then they give it to the officer.

DH Okay. Um, would you remember if, if that's what happened that night?

FJ No I don't.

DH Okay.

FJ No.

DH Um, what ultimately happened with that patient?

FJ Uh, he died. He never responded to anything that we did, whether it be uh, CPR or fluids.

DH Okay.

FJ IV fluids or medication. I don't remember what medications we gave.

DH Okay.

FJ But I know he never responded to anything.

DH Okay.

FJ And I remember them pronouncing him. And then uh, usually we go ahead and get things ready for the medical examiner as far as taking uh, the IV lines down. But anything that's in place like the IV lines, or the tubes or anything. We leave in place...

?? (inaudible)

FJ ... (inaudible) that kinda thing.

DH Okay. Um, did you go through his clothing at all?

FJ No. Um-um.

DH No? Um, did you ever see any kind of, any kind of identification on the patient at all?

FJ No. Um-um.

DH Okay. Mike?

MP (inaudible) you're a good person to ask question 'cuz you've been here so long. What is the typical response for all the nurses and docs when you hear somebody's coming in with multiple gunshot wounds like that? Does, do all nurses come flood the area?

FJ No.

MP Or is there a certain number that are picked to respond to this person?

FJ Uh, we have assignments at the beginning of our shift.

MP Um-hm.

FJ And there's usually one stabilization nurse and one stab support nurse. And then we have a second team of two more nurses.

MP Okay.

FJ Um, but the, only the first two would respond. If it's uh, multiple gunshot wounds, usually, and usually the nurses are aware of it too, we usually ask for like a third person to come help. Um, the doctors, they kinda, they heard it was a gunshot wound, so they automatically start getting things out as far as (inaudible) like a thoracotomy tray, a chest tube tray. Those are probably the most common things.

MP When you say thoracotomy, is that cutting into the chest?

FJ Yes.

MP To try to (inaudible) what...

FJ To open up the chest to see if they can see what the injury is.

MP Damage to the heart, lungs...

FJ Yeah.

MP Those sort of things. Okay, so there's a set team. Everybody knows what they're supposed to do.

FJ Oh yeah. Yeah.

MP Okay. So it's not chaos. It's organized?

FJ Organized, controlled chaos.

MP Controlled chaos.

FJ Yeah.

MP Okay.

DH Anything else? I don't have any further questions for ya. I'm gonna end the interview now.
The time right now is 8:13.

End of recording

Re: St. Anthony Minnesota Police Department-Shooting Death of Philando Castile

From: Glenda A. Hatchett, Esq

Date: July 19, 2016

Please accept this letter as confirmation that my office, The Hatchett Firm, PC, represents the family of Philando Castile regarding the shooting death of Mr. Castile by the St. Anthony, Minnesota Police Officer on July 6th, 2016.

This letter is to give notice that the St. Anthony Police Department, the Bureau of Criminal Apprehension, nor any persons or entities affiliated in any capacity with, the death of Philando Castile, the investigation, or who had responsibility for the death of Philando Castile or were in any way involved with events that led up to Mr. Castile being stopped by the police, questioned by the police, any and all persons who were on the scene of the shooting before or after the shooting and all persons who have any knowledge of the circumstances of Mr. Castile's death and the subsequent investigation.

This notice includes, but is not limited to, all data generated and/or stored on any and all computers and cellular telephones owned or used by the St. Anthony Police Department and all persons and entities involved or have information about the circumstances of the shooting death of Mr. Castile. This also includes all data stored on any and all other electronic storage media of any type such as hard disks, floppy discs, CD-ROMS, DVDS, flash drives, backup tapes, online backup services or any other storage media or service; all email; all instant messages; all SMS text messages; all audio data such as voicemail, tape recordings; and all photographs, videos, writing or other documentary material of any nature found or stored on SAPD computers, cellular telephones, or internet accounts relevant to the police shooting of Mr. Castile.

With regard to any data created subsequent to the date of delivery of this letter, evidence is not to be destroyed and all persons and entities are to take whatever steps are necessary to avoid destruction of any evidence. It is anticipated that these items may be used as evidence in litigation.

Additionally, I request that all reports and correspondence regarding Mr. Castile be sent to my attention, including, but not limited to:

- All Police Reports of all officers involved
- Written and Recorded Statements by all witnesses
- 911 Recordings
- Dash Camera Videos
- Findings of the Special Investigation
- All Investigative Reports
- Reports of the Medical Responders
- Police Radio Transmission before the stop, during the stop, and after Mr. Castile was fatally shot
- All records of prior police stops of Mr. Castile before July 6, 2016
- All records of Mr. Castile's driving record

Sincerely

Glenda A. Hatchett, Esq.

Narrative begins on the following page.

On 07/28/2016 SA Henning and SA Frascone met with Dr. Barrett Wagner. The interview was conducted at Hennepin County Medical Center. The interview was recorded and a copy of that audio will be placed on a CD, acquisition of exhibit 2016-433/48.1.

Dr. Barrett explained to agents that he is employed by Hennepin County Medical Center as an Emergency Room Doctor. Dr. Barrett told agents that he was working on 07/06/2016, his shift was from 1:00 PM to 11:00 PM. Dr. Wagner told agents that he recalled providing medical care to a patient he later found to be Philando Castile. Dr. Wagner said that hospital staff was advised that St. Paul Fire Department was transporting a victim with a gunshot wound to the chest.

Dr. Wagner said that the patient arrived and had the Lucas device active. Dr. Wagner said that Paramedics provided the doctors a report. Dr. Wagner said that one of the firemen said that this was not a police involved shooting. Dr. Wagner said he had spoken with Dr. Rivard after treating the patient, Dr. Rivard had been told by fire personnel the patient had been shot by police. Dr. Wagner said that after medical staff had determined the extent of the patients injuries that they declared the patient deceased.

Dr. Wagner was asked if he assisted with the removal of the patients clothes. Dr. Wagner said that he had not. Agents asked the doctor if he had seen any identification on the patient, he indicated that he hadn't. SA Frascone asked Dr. Wagner if medical staff had treated this patient differently than other gunshot victims. The Doctor said he was treated as any other would. The interview was concluded at about 1:15 PM.

The recording of this interview will be transcribed and attached to this report. This report is only a synopsis of the interview, for full detail please see transcript.

INTERVIEW DATE:	BCA CASE #:	2016-433
OFFENSE:	EXHIBIT #:	
INTERVIEW OF:	Dr. Barrett Parker Wagner (BW)	INTERVIEWED BY: SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:		

DH Okay I started the recorder. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. This is my partner Michelle Frascone. Uh we are here at the uh at the Hennepin County Medical Center complex. Um and we'll be speaking with Dr. Barrett first name is spelled B-A-R-R-E-T-T middle name Parker P-A-R-K-E-R last name Wagner W-A-G-N-E-R your date of birth 1-29 of 1986. Is that correct?

BW Correct.

DH Uh and for the purposes of this report uh your address is 701 Park Avenue South, Minneapolis, Minnesota 55415. Uh, is that correct?

BW Correct.

DH Phone number for you is 612-873-3132.

BW Correct.

DH Okay. Um, Dr. Wagner how are you employed?

BW Uh I'm a resident physician in my third year.

DH Okay.

BW For emergency medicine.

DH At uh?

BW Hennepin County Medical Center.

DH Okay. And um are you currently assigned to a specific area?

BW Uh for the emergency department.

DH Emergency department, so you're an ER doc?

BW Yep.

DH Um, so how long have you been working with uh HCMC?

BW Uh a little over two years.

DH Were you anywhere prior to that working as a doctor (inaudible)

BW (inaudible) at school, med school was before that at the...

DH Okay.

BW ...University of Wisconsin.

DH Okay. Um I just want to draw you attention to July 6th. Were you working that day?

BW I was yeah.

DH And then what was your shift on that date?

BW I was I believe in team center A as kind of the supervising role for the third year residents.

DH Okay.

BW And then we kind of provide secondary coverage into the stabilization room.

DH Okay. So, what time would you have started your shift on that day?

BW Um I can actually recheck my (inaudible) here real quick.

DH Okay.

(pause)

BW So that was, or sorry I was actually in team center C so that was also a, in a secondary role for the stabilization room and otherwise it's a primary and also in the ED but that was 1:00 P.M. to 11:00 P.M.

DH Okay. Do you recall a, a patient being transported in by St Paul Fire Department?

BW I do yeah.

DH Can you tell me what you recall?

BW So we had an advance notice of a gunshot wound that was to the chest that was uh pulseless with CPR ongoing. So we had, numerous people kind of prepared in the stabilization room for a critical case. Uh Dr. Chris Loge was the attending physician from team center A that was the one basically fully in charge of the case. They're kind of the ultimate supervisor on it. Uh Dr. Robert Rivard was the third year resident running the case who was also at the head of the bed and supervising airway situation. I took the position at the left chest for a potential chest tube or a thoracotomy if indicated. And then Dr. Jess Boland was on the, she's a fourth year internal medicine uh in and emergency medicine combined program resident who took the right chest for uh right side chest tube or if procedure like if completion of a thoracotomy over to a full clam shell she would have been the one performing that part.

DH Okay. Um, so what happened when the patient arrived?

BW So he arrived with a lucas CPR was ongoing. We took report. Which was a, a little bit confusing initially but the, the first story we were given essentially was that uh, there had been a shooting in unclear circumstances on per police arrival their patient was pulseless, they had started CPR, hadn't had a pulse essentially the entire time on transit from EMS (inaudible) which I believe they quoted at around twenty or so minutes. Um, and that was kind of the gist of the initial part. We got him over he had a, some visible wounds in the right upper arm and in the right lateral aspect of the chest. Moved him from the EMS cot over to the stabe, cot essentially. Um with the lucas CPR continuing. Getting a little more clarification we, I remember Dr. Rivard asking, trying to just spell out exactly when the patient was pulseless and it was on police arrival or if it was afterward because, it makes an important distinction for a thoracotomy is indicated. Which is essentially cutting open the, (inaudible) side of the chest and trying to isolate any wounds and tie off vessels if need be (inaudible) need by. Um cuz if it's a prolonged time pulseless it tends to be fruitless and then it's just the risks of exposure cuz there are a lot of sharp things in a tight uh tight area. Um during that time I, fairly clearly remember him asking I forget the exact quote but essentially was the patient pulseless on police arrival or not. Um and then one of the medics saying this kind of out of nowhere to me um that this was not a police involved shooting which in the prior context now strikes me as a little bit odd. Um when I was talking to Dr. Rivard later it sounds like he had heard one of the other ones say well they're the ones that did it so I

guess in that context that statement makes a little more sense if he had (inaudible) little bit different sign out uh and wasn't totally clear on the situation so, so our impression at that point was just that this was a regular, kinda community gunshot wound...

DH Um-hm.

BW ...the police came upon. Uh, Dr. Rivard and Dr. Loge kinda had a brief conference, decided to proceed with the thoracotomy. Uh so I took position being at the left chest we made the incision on the left lateral aspect of the chest where there were some entry wounds. Uh opened up the ribs, spread those apart uh stopped the lucas CPR right around that time because as you're entering in you can do direct heart compressions. Uh so I entered into the left chest, there was quite a bit of blood pooling already within the pericardium kind of the protective sac around the heart and as soon as I got in there, there was a large eruption (inaudible), there was about a three centimeter laceration on the anterior aspect of the left ventricle consistent with a likely entry wound of a bullet. And then there was essentially just completely splayed open (inaudible) aspect of the heart crossing both vent your left ventricle and the right ventricle consistent with an exit wound of a, of a bullet that kinda just spread everything open and pretty much once the extent of that wound was identified the case was called almost immediately after because that's just, not compatible with life. We can't correct that big of a wound quickly enough and especially with the amount of time he already had pulseless it was just...

DH Okay.

BW ... (inaudible)

DH Okay. Um just have a couple direct questions.

BW Um-hm.

DH Did you assist in any way removing any of the property from this patient? His clothes? Anything else?

BW I, don't believe so. The only thing I would have maybe had a part in would be the shirt but I believe he was already shirtless because the lucas CPR device was already in place.

DH Okay.

BW And I was, I was just right at that left chest so nothing else.

DH Okay. Um did you ever see any, any identification on this person at all?

BW No.

DH Okay. Anything else that I haven't asked you or any questions you have?

MF Is, was this patient any different than any other gunshot patient or protocol that you would typically follow for a gunshot patient arriving?

BW No, not really.

DH Okay. Anything that I haven't asked you that you think is important I should know about?

BW No. (inaudible) kind of, from our perspective at least uh a fairly standard GSW that was the least, I mean severe in nature and...

DH Okay.

BW ... (inaudible) resulted in, in pronouncement in the stabilization room which isn't, entirely common but otherwise it proceeded as kind of expected for what the wounds were.

DH Okay. Okay I'm gonna end the interview then. The time right now is approximately 1:15.

END OF RECORDING.

Supplemental Report

ICR: 16005703

Last Modified: 07-03-2016 1905

Title: Robbery

Created By: Tressa Sunde

On 07/02/16 at about 1937 hours, 1 (Sunde) squad 6921 and 6920 (Yanez) were dispatched to 2424 Larpeur Ave (Super USA) for a robbery that had just occurred. While enroute, squads were updated that 2 males had entered the store, pointed guns at the clerk, stole money and fled in an unknown direction.

I was about 2 blocks away at the time of the call and requested a description of the males and direction of travel. There was no further information given upon my arrival.

I entered the store and could not see the clerk, there was a customer standing at the counter. The male clerk (Beyene) came out from the back room and was on the telephone. I asked him what direction the males had left and a description. He pointed toward Eustis St to the south and said they were black males with handguns.

I aired the information to Office Yanez while he was enroute and left the scene to do a quick search of the area. I drove southbound on Eustis and visually checked the parking lots of the apartment complexes and businesses along the way. I did not see anyone running away or who looked to have been involved in the robbery.

I returned to the scene and Officer Yanez took over the scene from the outside of the store as I relayed information. Roseville Police sent 2 officers to assist with a perimeter and St Paul K9 was requested to assist with searching.

I advised Beyene to contact the owner (Tensae) to come to the scene so we could access video. Tensae arrived a short time later and allowed me to access the camera system.

I viewed the cameras and found on the system that at 1936 hours (time on the system, unsure of the accuracy), 2 black males entered the store, the first male was wearing blue jeans, a green plaid (small checks), long sleeved shirt, a baseball hat with marijuana leaves on it, had longer than shoulder length dreadlocks, dark colored shoes with white on them and wearing glasses. He also had a black and blue bag hanging 'cross body'. He possibly had a mustache but was hard to see in the video.

The second male was wearing tan pants, tan shoes with white soles, a green long sleeve jacket, a green baseball hat and had shoulder length dreadlocks. Some of the dreadlocks had been pulled into a bun and were pulled thru the snap on the back of the baseball hat. He was also wearing glasses, had a small mustache and some facial hair on his chin. He pulled a dark colored gun from the right side of his waistband and pointed it at Beyene. I saw Beyene open the register and back away from the counter. It appeared in the video that Beyene then laid down on the floor.

The male in the plaid shirt walked casually behind the counter, went into the back room, grabbed 3 cartons of Newport cigarettes then walked over to the register and took the cash out of the drawer using his left hand. He was holding a small gun in his right hand, he did grab the inside of the drawer and lift it up to look underneath for larger bills. He did not appear to be wearing gloves.

The male leaning over the counter then put the gun back into his waistband as a female entered the store and walked toward the back by the coolers. Both males then left the store. Beyene got up and pressed the alarm button under the counter. The suspects were in the store for approximately 1 minute and 7 seconds.

St Paul K9 (166) officer arrived and started a track from the last known location. They tracked south toward Idaho and then east toward the apartment buildings before losing the scent. While speaking with another St Paul squad, they advised they had stopped a vehicle around 1700 hours bearing MN#382ULH and one of the occupants, Brown (unn) Dennis (07/18/93) looked strikingly like one of the suspects from the robbery. They advised me they have squad video that can be obtained if needed.

Ramsey County Crime Lab Deputy Haider arrived on scene to process the scene. (CN 16029808).

See Officer Yanez report for further details.

Tensae advised he would provide a copy of the video after the holiday weekend.

Supplemental Report

ICR: 16005703

Last Modified: 07-03-2016 0555

Title: Robbery

Created By: Jeronimo Yanez

On 7/2/16 at 1937 hours, Officer Sunde and myself were dispatched to 2424 Larp. Ave W. (Super USA) for a robbery at gunpoint. The only information we were given

16005703 - MN0272000

16005703 - MN0272000

while in route, was that it was two suspects and one of them had a gun. I arrived to the area and was updated with information the suspects may have fled southbound Eustis St from Larp. Ave. W

I positioned my squad to block the east entrance to the parking lot. Mikias Beyene (RJL Victim Super USA Employee) came outside of the business and Officer Sunde arrived after checking the area. There were still other customers on scene and they were told to leave. Note that all of the customers that were there when we arrived were not witnesses to the robbery. They arrived as we were pulling up on scene. I went to speak with Mikias for suspect information.

Mikias told me the two suspects were African-American Males in their mid to late 20's and both of them had dreadlocks. He stated they were both wearing "Snap-back" type hats. One male had dark sunglasses and the other had regular glasses on. He also told me that both of the suspect males both had black handguns. I aired the information for squads coming into the area to assist us.

A perimeter was set up and the information was aired about the suspects. Two St. Paul Squads (one K-9 and one two person squad) came to perform a K-9 Track. Two Roseville squads were sent to assist with the perimeter. Officer Rushion came to assist on a perimeter position as well. The K-9 track went southbound Eustis St and ended approximately three-four blocks southeast of our location, in the parking lot of 1570 Eustis St. The St. Paul K-9 Officer told me the suspects may have got into a "get-away" vehicle in the parking lot.

I went inside of the business to review video to give information about the crime scene to Ramsey County Crime Lab before requesting them. I observed four females (3 Caucasian and 1 African-American Female) and one Caucasian male at the register counter. It was difficult to tell if any of them made contact with the register counter. These customers arrived after the robbery happened and they were not witnesses.

I requested Ramsey County Crime Lab to our location. Ramsey County Deputy Harder came to process the scene.

Please refer to Officer Sunde's report for other details about this robbery.

Supplemental Report

ICR: 16005703

Last Modified: 07-05-2016 1103

Title: Robbery -Video

Created By: Mike Huddle

On 07-05-2016 I (Officer Huddle) contacted Super USA owner Samuel Tensae regarding obtaining a copy of the store video at the time of the robbery. Tensae stated he would obtain a flash drive or DVD to record the video later today. I advised him that I had a flash drive available and would be able to meet him at the store to copy the video onto it.

I met with Tensae at the store at approximately 0715 hours. I assisted him in attempting to record a copy of the video onto the flash drive, but was unsuccessful at that time, as Tensae was not familiar enough with the system to copy the video. He reached and IT support person who stated he would be able to assist Tensae in obtaining video later today. I left the USB drive with Tensae to copy the video onto.

Tensae later notified me that the video of the robbery was available. I returned to the store and recovered the USB flash drive that Tensae copied the video onto. The flash drive was properly inventoried as evidence at the Police Department.

I created several still photos of the suspects inside the store. The photos will be used for a crime alert to be sent to the metro area. The photos were uploaded to the media section of this case file.

The video shows two suspects, both thin build African American males, enter the store at 19:36:22 hours. A suspect with braided, or dreadlocked hair, wearing a baseball cap with marijuana leaves printed on it, glasses, a checkered shirt, blue jeans, and carrying a blue and black bag slung across his body entered the store first. He bypassed the point of sale and walked the length of the checkout counter and walked around to the cash register area where the clerk was standing. A second suspect entered the store at the same time. This suspect (#2) also had braided or dreadlocked shoulder length hair, but the hair was pulled back under a baseball cap with the #3 on the left side. He was wearing dark sunglasses, had a mustache, and was wearing a gray or green colored jacket and light colored pants. He immediately pulled out a handgun from the right side of his waistband with his right hand. He pointed it directly at the store clerk across the checkout counter. The weapon appeared to be a semi-automatic Luger or Ruger style handgun with a wooden, or brown colored, grip. This suspect ordered the clerk to open the cash drawer and then made him lay down on the floor at gunpoint as the first suspect walked to the open cash drawer behind the point of sale counter.

The first suspect, now also holding a compact sized semi-automatic handgun in his right hand, pointed the gun at the clerk until he was on the floor, then moved to the open cash register drawer. He removed an unknown amount of cash from the drawer and placed it into his left front pants pocket. He then moved to the office area behind the counter, entered the office and took several cartons of cigarettes. Both suspects then left the store at 19:37:39 hours.

I made contact with the Corval Group, a business located directly south of the Super USA building. I was informed that the Corval building does not have video cameras on the exterior of the building in the area of the robbery or facing Eustis St.

I made contact with the BP station across the street. The BP has exterior cameras that face only their own fuel pumps and would not have video of the Super USA across the street.

I placed a request with St. Paul PD records for a copy of the SPPD Police report (CN 16132923) and squad video (Squad 1661) related to the traffic stop on MN license 382ULH and its occupants in an attempt to identify a possible suspect or rule the parties out, as Officer Sunde's initial report states that a male occupant of the vehicle was "strikingly" similar in description to one of the robbery suspects. The vehicle was stopped on 07-02-2016 at 1700 hours on University Ave at Asbury St in St. Paul.

Title: Follow Up

Created By: Mike Huddle

On 07-05-2016 I (Officer Huddle) made contact with Children's Home Society, which is south of the Super USA on Eustis St. They reported that they do not have any video surveillance on the building and had no information regarding the robbery.

I met with the apartment complex manager at 1570 Eustis St. She reported that the building has no video surveillance. I showed her photos of the robbery suspects from the video obtained from the store. She did not recognize the suspects in the photos.

I spoke with the building manager at Lauderdale Hollows apartments. I showed him the photos of the suspects. He stated he did not recognize the suspects.

I met with the building manager at the Rosehill apartments. No one there recognized any of the suspects.

Title: Information

Created By: Mike Huddle

On 07-06-2016 I returned a phone call to a party (R. Cannon) who reported observing two males that match the description of the robbery suspects. She stated that she works at the Broadway Family Medical Clinic, 1020 W. Broadway Ave. in Minneapolis. Cannon stated that she saw information disseminated about the robbery in

16005703 - MN0272000

Lauderdale and that she has observed two African American males with "dreadlocks" that match the description of the suspects around the clinic on a daily basis. She stated she suspects the males to be selling drugs near the clinic and there have been several reports of gunfire in the area that have been reported to Minneapolis PD. I forwarded (via email) photos of the suspects taken from the robbery video and forwarded them to Cannon in an attempt to match the suspects to the males she observed, or rule them out as suspects at all. Cannon will show the photos to her co-workers to assist in this matter.

I received the report from SPPD requested on the traffic stop made by St. Paul PD on MN license 382ULH, in which St. Paul Officers Axtell and Diedrich indicated that an occupant in the vehicle was similar in appearance to one of the robbery suspects. The report shows that the squad (Squad 166) was out on the traffic stop for almost an hour. The report shows only a CAD comments for a QMW query result on the vehicle. No narrative from Officers is included. I contacted SPPD records. They verified that no other documentation was with the record report, only the single page that was provided was all that was documented. The SPPD report was submitted to be scanned into the media section of this case file. I emailed the two SPPD Officers photos of the robbery suspects and requested any information regarding their contact with the occupants of the vehicle.

Supplemental Report

Title: SPPD SCD video

Created By: Tim Binski

Officer Huddle forwarded me a message from SPPD Sgt Bailey. I contacted Sgt Bailey and requested the squad video of the traffic stop of the vehicle with a possible suspect. I also received the officer involved email addresses and forwarded the crime alert from our case as well as the crime alert from Blaine PD.

On 7/14/16 I was advised by Sgt Bailey that the squad video is available.

Synopsis

On July 8th, SAIC Scott Mueller received a copy of a Minneapolis Police Department (MPD) traffic stop involving a female driver. Minneapolis Police Department Chief Deputy of Investigations Bruce Folkens approached SAIC Mueller advising MPD Officer Liotta came forward stating he believed Philandro Castile walked by him on a traffic stop openly carrying a holstered handgun. As a result of this activity exhibit 2016-433/51.1 was obtained.

Narrative begins on the following page.

On July 8th, Special Agent in Charge (SAIC) Scott Mueller received a copy of Minneapolis Police Department (MPD) traffic stop (MPD Case# 16-182735). The video of the traffic stop was turned over to SAIC Mueller by Minneapolis Police Department Chief Deputy of Investigations Bruce Folkens, and later turned over to Special Agent Michelle Frascone. Chief Deputy Folken told SAIC Mueller that a MPD Police Officer Alan Liotta came forward advising Chief Deputy Folken of a traffic stop that was conducted on May 22nd, 2016 at approximately 1539 hrs, near the intersection of E. Hennepin Ave and 6th Street SE in the City of Minneapolis. The traffic stop involved a female driver who was stopped due to driving in the wrong lane of traffic. As the video continues, a male, matching Philandro Castile's description walks from the other side of the road, past the officer with a gun carried openly in a holster on his right hip. The male appears to wave at Officer Liotta and continues to walk. Officer Liotta did not identify the male.

No_Name_MPD_76781_20160522204025.jpg

The officer believed the male could possibly be Castile. As a result of this activity exhibit 2016-433/51.1 was obtained.

Narrative begins on the following page.

On 07/29/2016 SA Frascone and SA Henning met with Roseville Officer Bryan Anderson to conduct an interview of Anderson. The interview took place in SA Henning's squad, in the parking lot of the Chipotle Restaurant located at 925 County RD E, Vadnais Heights, MN 55127. The interview of Officer Anderson was recorded. The recording will be transcribed and attached to this report. The audio recording of this interview will be placed on a CD and held as evidence, acquisition of exhibit 2016-433/52.1.

The interview was started at about 2:22 PM. Officer Anderson provided his full name as Bryan Christopher Anderson, DOB: 05/19/1984. Anderson told agents that he is employed by Roseville Police Department as a Patrol Officer. Anderson said that he was working on 07/06/2016. Anderson said that he responded to a shooting in Falcon Heights to assist St. Anthony Police Department. Anderson said that he was assigned by his sergeant to shadow Officer Yanez who had been involved in the shooting.

Anderson told agents that he transported Officer Yanez to the St. Anthony Police Department. Anderson said that he did not discuss the shooting with Yanez nor did he hear Yanez discuss details of the incident with anyone else. Anderson said that he was no more than five feet away from Yanez until BCA agents arrived. Anderson said that he and Yanez sat in the conference room at the Police department. Anderson said that Officer Kauser sat in the conference room also but came and went several times while he was with Yanez in the conference room.

Anderson was asked about the photographs which were taken of Yanez's injury to his hand. Anderson said that it was at his direction that Officer Kauser took photographs of the injury to Yanez's hand/thumb. Anderson told agents that Kauser took the photographs because there was no one else in the office to take the photographs. Anderson said that Yanez, Kauser and himself went to a booking area where the pictures were taken by Kauser. Anderson said that Yanez washed his hands after the photographs and they returned to the conference room. Anderson was asked why Kauser was asked to take these pictures. Anderson said that Yanez appeared to be focus (visually locked into looking at the blood on his hands). Anderson was asked by agents to describe Yanez's demeanor. Anderson told agents that Yanez appeared shocked, upset and traumatized.

The interview was completed at about 2:32 PM. After completion of the interview SA Henning received a telephone call from Officer Anderson. Anderson said he recalled a detail he had forgot about during the interview. Anderson said that he had recalled that Officer Yanez had a brief conversation with the St. Anthony Police Chief, in the Chief's Office. Anderson said he stood outside the Chief's Office but was unable to hear the substance of that conversation.

INTERVIEW DATE:	BCA CASE #:	2016-433
OFFENSE:	EXHIBIT #:	
INTERVIEW OF:	Bryan Christopher [REDACTED]	INTERVIEWED BY: SA Doug Henning (DH)
	(BA) – Roseville PD	SA Michelle Frascone (MF)
REVIEWED BY:		

DH Okay, recorders going. My name is Doug Henning, I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. With me today is my partner Michelle Frascone. Uh, this will be an interview reference BCA case number 2016-433. The date today is July 29th, 2016. The time right now is 2:22 PM. Ah, this will be an interview with Bryan, ah, spelled B-R-Y-A-N. Middle name Christopher, C-H-R-I-S-T-O-P-H-E-R. Last name Anderson, A-N-D-E-R-S-O-N. Is, is that correct?

BA That's correct.

DH Your date of birth is [REDACTED] is that correct?

BA Yes.

DH And for the purposes of this report, your address is 2660 Civic Center Drive, Roseville, Minnesota 55113.

BA That's correct.

DH That's correct. And, ah, a good contact phone number for you is 651-792-7008?

BA Correct.

DH Okay. Um, Bryan can you tell me how you're employed?

BA I'm sorry, say that again.

DH Can you tell me how you're employed?

BA How I'm employed, I am, ah, employed by the city of Roseville as a ah, a Police Officer.

DH Okay. Um, where you working on July 6th of this year?

BA Yes I was.

DH Okay, ah, did you respond to assist the city of St., St. Anthony after a shooting?

BA Yes I did.

DH Um, do you remember about what time that was?

BA Ah, I believe ah, it was just couple minutes after 9 PM.

DH Okay. Um, sso you responded.

BA Yes.

DH Ah, after responding, you at some point assumed the role of shadowing the officer involved in the shooting, is that correct?

BA That is correct.

DH Ah, and what is that officer's name?

BA Ah, Officer Jeronimo Yanez.

DH And have, have you worked with him before?

BA Yes, I have.

DH Okay. Is, was there another officer involved as well?

BA Yes, there was.

DH What's his name?

BA Ah, Officer Joe Kauser.

DH Have you worked with him before?

BA Yes I have.

DH Okay, um, once you started acting as a shadow for Officer Yanez, can you tell me what happened or what you did from that point forward?

BA Yeah, from that point forward, once ah, um, as soon as I arrived on scene, um, I was instructed to ah, um, shortly after I was instructed to stay with the Officer Yanez on ah, um, be a shadow officer for him.

DH Who told you to do that?

BA Ah, I believe it was my supervisor ah, Sergeant Adams.

DH Okay. So, and then once you were assigned to be a shadow what did you do from that point forward?

BA Ah, from that point forward, um, we ah, um, got into my car, um, and drove back to the St. Anthony Police Department.

DH Okay, and then once you, you arrived at the St. Anthony... And it was just the two of you?

BA In my squad car, yes.

DH Ok, did he... di-discuss the, the details of the shooting with you while you were in your squad car?

BA No he did not.

DH Okay. So, you got back to the, St. Anthony Police Department. What, what happened when you got there?

BA Ah, once inside the St. Anthony Police Department ah, um, we both went inside and ah, went and sat in one of their um, conference rooms or a role call room.

DH Okay.

BA At their police department.

DH Okay did... And, and at some point did ah, something or any ah, injuries get brought to your attention?

BA Yeah, um, during um, even the drive back, um, I could physically see that um, his hand had been bleeding. Um, I wanted to make sure that it was his blood and ah, he ah, he said that it was. He had cut his finger. Um, um, and then once back at the, the St. Anthony Police Department, um, I ah, well with him, I um, had Officer Kauser, um, grab a, ah, camera to photograph his, his hand. And reason why I did that was um, Office Yanez appeared to be just staring at his hand and appeared to be, um, just, um, just stunned by his hand and, and, and focused in on that. Um, so I figured we could photograph the evidence and, and clean up his hand, as soon as we could.

DH Okay. So if you had to characterize his demeanor at that time, how would you characterize it?

BA Um, (pause) shocked I guess.

DH Okay.

BA Um, um...

DH Upset?

BA Upset, um, and almost ah, traumatized. Um, just he was v-very, just locked in on his hand.

DH Okay. Um, was there anybody else present that could have taken these pictures?

BA There was nobody else in the St. Anthony Police Department at that time.

DH Okay, where was everybody?

BA Ah, everyone else, um, which at that point I believe there's only one other St. Anthony officer and all the other Roseville officers were at the scene at the time.

DH Okay. Um, when these photographs were being taken by Officer Kauser, were you in a position that you could hear or what was seen or done?

BA Correct, yes, I was with them the entire time.

DH Was there, was there any type of communication between Officer Kauser and Officer Yanez about the shooting?

BA About the shooting, no.

DH Okay, what was said, if, if you recall?

BA Um, if anything it, I, I, I don't specifically recall exactly what was said.

DH Okay. That's fair, um, but you do recall that it wasn't in reference to the shooting.

BA Yes, it was...

DH Or the incident...

BA Yep.

DH ... surrounding this.

BA Correct, it was nothing reference the shooting, it was ah, from, what I had him do was, again, explain that we needed a photograph for evidence purposes that was the discussion that was brought up.

DH Okay.

BA When the photographs were being taken.

DH And Officer Kauser was the one that took those photographs?

BA Correct.

DH Okay. After those photographs were complete, was, was there any interaction between ah, Officer Yanez and Officer Kauser?

BA No.

DH Um, where were they at that point then?

BA After, while the photos were being taken?

DH Ye- where were the photos taken, in which room, if you recall?

BA Ah, we walked off into, I don't know if it's there holding cell area...

DH Okay.

BA ... um, but it was where there was a spot to ah, wash his hands off...

DH Okay...

BA ... afterwards.

DH ... and that's where the photographs were taken?

BA That is where it was taken.

DH Those photographs were complete and then where did you go to?

BA Ah, after that we went right back to the um, that conference room or role call room.

DH Okay, and were both Officer's in that room?

BA Yes...

DH At that time.

BA ... they were.

DH So the... So after the pictures were taken they both sat in the same room?

BA Yes.

DH Okay, um, at some point, were they in, in different rooms?

BA Ah, I believe Officer Kauser came and went at ah, several times.

DH Okay.

BA In and out of the room.

DH But, but Officer Yanez stayed in that room?

BA Correct.

DH And you stayed with him?

BA Yes.

DH If you had to guess the maximum distance that you were away from Officer Yanez, at any given time during this would be, be how far?

BA Ah, across the table, mmm, at max, five feet.

DH Okay, um... So then, you stayed with him until what point, when, when were you asked to either leave him or...

BA Um, I was asked to leave him once ah, you guys arrived to, the BCA arrived.

DH Okay. And I'm one of the two people that arrived.

BA Correct. Yep.

DH Okay. Um, but you did at that point still stay at the PD for, a time.

BA Yes...

DH Is that correct?

BA ... I did, I stayed there for a couple hours after that as well.

DH Okay. Um, (pause) do you have anything else? Um, I don't have any further questions is, is there anything that I haven't asked you that you think is important?

BA Ah, no, nothing that comes to mind.

DH Okay, I'm gonna end this interview, the time right now is ah, 2:32 PM.

REPORT ON THE EXAMINATION OF PHYSICAL EVIDENCE

Nuclear DNA 07/11/2016

Laboratory Number: S16-07434
Section Reporting: Nuclear DNA
Case Type: Officer Involved Shooting/with a Death

Requesting Agency: BCA St. Paul
Agency Case Number: 2016433
County: Ramsey

Principals: Jeronimo Yanez; Joseph David [REDACTED]

Description of Submitted Evidence:

<u>Item</u>	<u>Type and Packaging</u>	<u>Description/Source</u>
1	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
2	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
3	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
4	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
5	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
6	One cardboard box containing evidence classified as a pistol	DB 9x19 bearing serial number FB6884 and a magazine with ammunition
6A	a pistol	
6A-1	One manila envelope containing evidence classified as a swabbing from Item	grips
6A-2	One manila envelope containing evidence classified as a swabbing from Item	slide
6A-3	One manila envelope containing evidence classified as a swabbing from Item	trigger
6B	a magazine	
14	a known DNA sample collection kit	from Jeronimo Yanez
15	One plastic bag containing evidence classified as a pistol	SigSauer P220 bearing serial number 37A008090 with cartridge from the chamber and magazine
15A	a pistol	
15A-1	One manila envelope containing evidence classified as a swab of apparent blood	underside of trigger guard
15A-2	One manila envelope containing evidence classified as a swabbing from Item	grips
15A-3	One manila envelope containing evidence classified as a swabbing from Item	slide
15A-4	One manila envelope containing evidence classified as a swabbing from Item	inside muzzle

15B	a magazine	
15C	cartridge(s)	
16	One plastic bag containing evidence classified as an item of evidence	property and clothing from Philando Castile in multiple sealed paper bags
16A	One brown paper bag containing evidence classified as an item of evidence	belt
16B	One brown paper bag containing evidence classified as a shirt	
16C	One brown paper bag containing evidence classified as shorts	
16D	One brown paper bag containing evidence classified as an item of evidence	wallet
16E	One brown paper bag containing evidence classified as socks	
16F	One plastic bag containing evidence classified as underwear	
17	One manila envelope containing evidence classified as cartridge case(s)	"FEDERAL 45 AUTO" from the floor in front of the driver's seat inside Item 11
18	One manila envelope containing evidence classified as cartridge case(s)	"FEDERAL 45 AUTO" from the front passenger's seat inside Item 11
19	One manila envelope containing evidence classified as bullet fragment(s)	from the front passenger seat/seatback inside Item 11
24	One manila envelope containing evidence classified as bullet(s)	from the center console lid inside Item 11
25	One manila envelope containing evidence classified as bullet(s)	from beneath the metal under the rear seat inside Item 11

Results of Laboratory Examination:

Presumptive testing indicated the presence of blood on one area of Item 15A which was collected as Item 15A-1. Additional samples were collected from Item 15A as Items 15A-2, 15A-3, and 15A-4. Blood was not detected on Item 15A-4.

Blood was not detected on Item 6A; however, samples were collected as Items 6A-1, 6A-2, and 6A-3.

Samples were collected from Items 1, 2, 3, 4, 5, 17, 18, 19, 24, and 25 as Items 1-1, 2-1, 3-1, 4-1, 5-1, 17-1, 18-1, 19-1, 24-1, and 25-1.

If DNA testing is needed, please contact the Biology Section of the BCA Laboratory.

Blood was not detected on Item 25. Items 6B, 15B, and 15C were not examined. Items 16A through 16F were not examined.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Allison Dolenc

Results of the Crime Scene Examination:

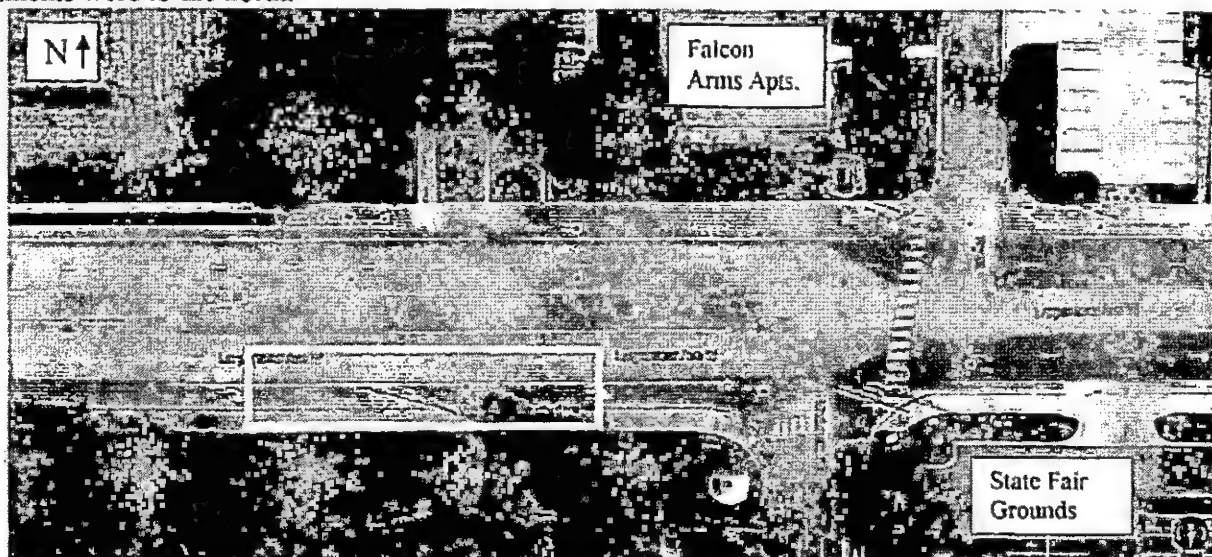

Date of Request: 7/6/16	BCA Crime Scene Team:
Requested by: BCA SA Mike Phill	FS Lindsey Garfield – Team Leader
BCA Inv. Case #: 2016433	FS Katie Igowsky – Team Member
BCA Case Agent: BCA SA Doug Henning	SA Mike Kaneko – Photographer/Videographer
Briefed by: BCA SA Mike Kaneko	
Circumstances: The BCA Crime Scene Team was requested to respond to an officer involved shooting incident that occurred in Falcon Heights, MN that resulted in the death of Philando Divall Castile.	

Unless otherwise noted, all references to *blood* in this report indicate that a positive presumptive test result was obtained.

Location: Larpenteur Ave. & Fry St. – Falcon Heights, MN	Date/Time Processed: 2300 hours on 7/6/16 to 0148 hours on 7/7/16
Items 1-11	Collected By FS Lindsey Garfield

Observations/Conclusions:

The scene was located in the eastbound right turn lane of Larpenteur Ave. just west of Underwood and Fry St's (approximate location below in the yellow box). The State Fair grounds were to the south and the Falcon Arms apartments were to the north.

(Annotated image from Google Maps)

Three squad cars and a white Oldsmobile 88 sedan were contained within the crime scene perimeter tape. Two St. Anthony PD squads were parked behind the Oldsmobile and one Roseville PD squad (reportedly uninvolved) was parked in front of the Oldsmobile. St. Anthony PD squad 700 was stationary in the west-most position. The engine was running, all doors were shut and the emergency lights were activated. A purse with leather fringe and a "Captain Rebel" baseball hat were situated on top of the trunk lid. St. Anthony squad 704 was parked in between squad 700 and the Oldsmobile. The driver's door was open, the engine was running and the emergency lights were activated. The Oldsmobile was the east-most vehicle parked along the curb.

(Image 6179 cropped and annotated)

The engine was running, the driver's side doors were shut and the passenger's side doors were open. The front windows were all the way down and the rear windows were half way down. The head and tail lights were illuminated. The rear driver's side tail light housing was broken but was covered in red lens repair tape.

Two silver colored cartridges cases (Items 1 and 2) stamped with "Federal 45 AUTO" were visible on the road a short distance away from the rear driver's side tire of squad 704. Two additional silver colored cartridge cases (Items 3 and 4) stamped with "Federal 45 AUTO" were discovered on the road beside the front driver's side tire and fender of squad 704. A fifth silver colored cartridge case (Item 5) stamped with "Federal 45 AUTO" was located near the curb in front of the front passenger's side bumper of squad 704.

(Image 6245)

Medical debris, an oxygen tank and a medic bag were present on and around the Oldsmobile. A pair of sunglasses was present on the sidewalk and a cell phone charging cord was found on the road south of the vehicle. A black pistol marked "DB Diamondback Firearms FS NINE" was collected from the road in front of the rear driver's door as Item 6. The chamber was empty and the window was stamped with "9X19" and the pistol bore serial number FB6884. The magazine, marked as a 15 round capacity, was loaded with brass colored cartridges (top one stamped with "Hornady 9mm Luger").

Suspected hairs were collected as Item 7 from an area of apparent bloodstains on the ground outside the front driver's door. A bloodstain within this area was swabbed as Item 8. The outside of the vehicle was examined

for apparent blood and bullet impacts/damage. Blood was swabbed as Item 9 from the exterior driver's door near the handle. The exterior surfaces, windshields and mirrors failed to indicate markings visually consistent with bullet impacts/damage. A search of the ground surrounding the vehicle, the sidewalk, the road in front of the vehicle, an electrical box at the corner of Underwood St., construction signs and telephone poles failed to indicate markings visually consistent with bullet impacts/ricochets/damage. A pair of black tennis shoes were collected as Item 10 from the road in front of the driver's side of the Oldsmobile. The windows of the Oldsmobile were covered with plastic to preserve their position and the car was towed from the scene to the BCA in St. Paul as Item 11 for further processing.

Vehicle: White Oldsmobile 88 sedan bearing MN plates 203-TTM and VIN 1G3HN52K8V4856095 – Item 11	BCA Crime Scene Team: FS Lindsey Garfield – Team Leader FS Katie Igowsky – Team Member SA Mike Kaneko - Photographer
Location: BCA Processing Garage – St. Paul, MN	Date/Time Processed: 1425 to 2100 hours on 7/7/16 1445 to 1545 hours on 7/8/16
Items 17-19, 21-29	Collected By FS Lindsey Garfield

Observations/Conclusions:

The front passenger fender of the four door sedan was detached from the frame and bent outwards and the front passenger's door bumper guard was missing. The rear driver's red plastic tail light housing was broken away and is currently covered with red lens repair tape. A roll of this tape and a used sheet of this tape were located in the trunk. Based on investigative information that one of three brake lights wasn't working, the brake pedal was depressed and the top center brake light failed to illuminate while the two tail lights worked as expected, (see photo below). Additional wear and tear damage to the vehicle was minimal.

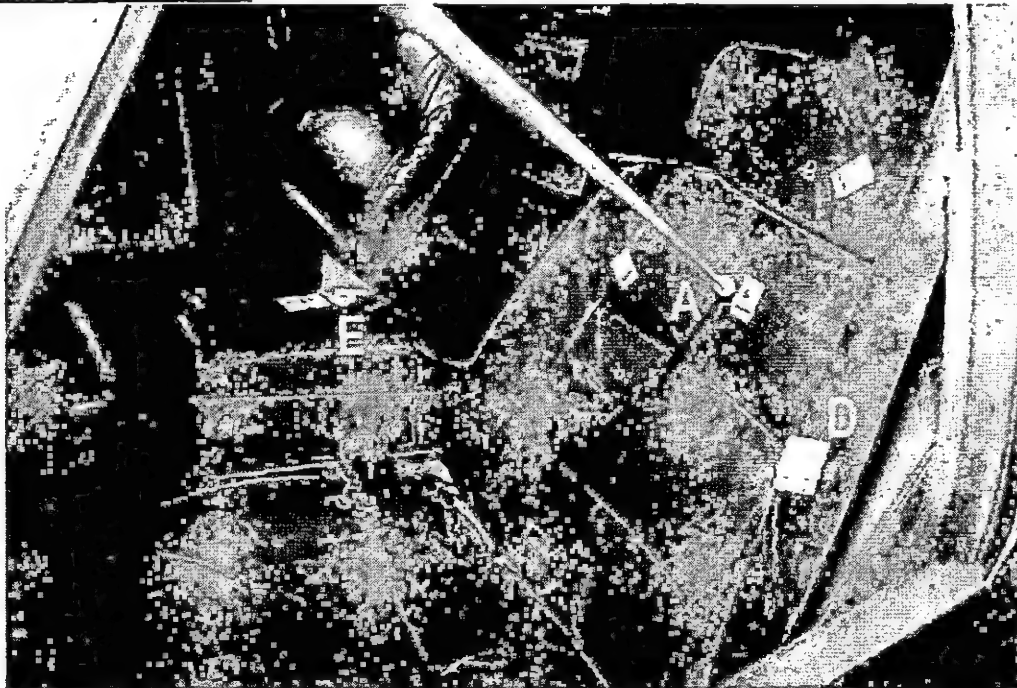

(Image 6519-brightened)

The vehicle contained several personal and automotive items as well as paperwork in the name of Philando Castile. A tied plastic bag with plant material, a mason jar and an iPhone incased in a black Otter Box were present on the front passenger seat (their positions had shifted during transport of the vehicle). A silver colored cartridge case (Item 18) stamped with "Federal 45 AUTO" was collected from the front passenger's seat (its

position had shifted during transport of the vehicle). Several plastic "Cub Foods" bags containing perishable and non-perishable food items were situated on the front passenger's floor. A receipt from the Arcade St. "Cub" from 07/06/16 at 20:27:35 hours was found in the rear compartment. A second silver colored cartridge case (Item 17) stamped with "Federal 45 AUTO" was collected from the floor in front of the front driver's seat. An apparent bullet fragment (Item 19) was discovered at the junction of the front passenger seat back and seat. A pink and black front facing car seat was present on the rear passenger side of the bench seat and was attached to the rear passenger seat belt.

Blood was swabbed from the exterior front driver's door (Item 21) between the handle and the side view mirror. Blood with apparent ridge detail was visible on the front driver's door handle. A smeared area of the impression was swabbed as Item 23. A chemical was applied to the surface to enhance the detail. The impression was photographed with scale and images of such were submitted as Item 51 for possible future comparison. An apparent bloodstain, which was too small to presumptively test, was swabbed as Item 22 from the exterior rear driver's door by the window. From inside the vehicle, blood was swabbed from the steering wheel (Item 26), from the front driver's door sill (Item 27), from the interior front driver's door handle (Item 28) and from the interior front driver's door window sill (Item 29).

Shooting Scene Reconstruction:

(Image 6667 annotated)

Apparent tissue or blood and damage to the leather material was observed in the center console lid of the vehicle (area E). Examination and chemical testing of area E indicated the presence of lead, consistent with the impact of a bullet. Perforating holes were not observed on the passenger side of the center console. A bullet traveled from the driver's side of the vehicle towards the passenger's side at a downward angle and lodged into the hard foam below the leather surface. A bullet with apparent tissue or blood was recovered from the console lid as Item 24. The console lid material would not support the determination of a more specific trajectory.

The front driver's seat belt was found disengaged from the receiver, discolored with apparent blood and hung freely from the retraction point next to the driver's side B pillar. A perforating hole (D) was visible through the middle of the top portion of the belt. Examination and chemical testing on the entrance hole (D) indicated the presence of lead, consistent with the passage of a bullet. Due to the mobility of the belt and its unknown position at the time of the shooting, a trajectory was not determined.

(Image 6656)

Holes were visible on the front side of the driver's seat (hole A), the back side of the driver's seat and in the rear bench seat. Subsequent excavation and removal of the bench seat revealed an additional hole in the metal body below. Chemical testing of three holes indicated the presence of lead, consistent with the passage of a bullet. A bullet traveled from the front driver's side of the vehicle towards the rear passenger's side at a downward angle. It passed through the driver's seat, rear bench seat and metal body below. A bullet was retrieved from a space in the metal body under the bench seat as Item 25.

Additional Items Retrieved from the Hennepin County Medical Examiner's Office

Items	Collected By
20	FS Jason Simser and FS Katie Roche

Additional Items Submitted to the Crime Scene Team

Items	Submitted By
12-15, 30-34	SA Doug Henning
16	SSA Luke Hancgraaf
35-50	SA Carrie Donarski
51	SA Mike Kaneko

The scene was photographed, diagrammed and videotaped. The vehicle was photographed. The Crime Scene Team Leader, listed as the author of this field report, will act as the point of contact for all laboratory matters regarding this crime scene response.

The following items will be submitted to the Laboratory Sections listed below for possible analysis:

Nuclear DNA Section: Items 1, 2, 3, 4, 5, 6, 12, 14, 15, 17, 18, 19, 24, 25, 26, 27, 28, 29, 32 and 38.

Latent Print Section: Items 6, 20, 32 and 51.

Chemistry Section: Item 32.

Firearms Section: Items 1, 2, 3, 4, 5, 6, 15, 16, 17, 18, 19, 24, 25, 30, 44, 45, 46, 47, 48, 49 and 50.

Toxicology Section: Item 13.

Not Analyzed At This Time: Items 7, 8, 9, 10, 21, 22, 23, 26, 27, 28, 29, 31, 33, 34, 35, 36, 37, 39, 40, 41, 42 and 43.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Lindsey Garfield
Forensic Scientist 3

Disposition of Evidence:

Evidence will be held in the lab pending analysis. Additional section specific reports will follow. Items 10 (shoes from the road) and 11 (white Oldsmobile 88) had been returned to SA Phill.

REPORT ON THE EXAMINATION OF PHYSICAL EVIDENCE

Latent Prints 07/28/2016

Laboratory Number: S16-07434 Requesting Agency: BCA St. Paul
Section Reporting: Latent Prints Agency Case Number: 2016433
Case Type: Officer Involved Shooting/with a Death County: Ramsey

Principals: Jeronimo Yanez; Joseph [REDACTED] Kauser; Philando Divali Castile

Description of Submitted Evidence:

Item	Type and Packaging	Description/Source
6	One cardboard box containing evidence classified as a pistol	DB 9x19 bearing serial number FB6884 and a magazine with ammunition
6A	a pistol	
6B	a magazine	
20	One manila envelope containing evidence classified as known major case prints	From Philando Divali Castile
32	One plastic bag containing evidence classified as plant material	Inside a glass jar contained within a secondary plastic bag
32B	One plastic bag containing evidence classified as item(s) for latent print processing	Glass jar.
32C	One plastic bag containing evidence classified as item(s) for latent print processing	Plastic bag that contained plant material.
51	One plastic bag containing evidence classified as a disc with images	Eleven JPEG images
52	One manila envelope containing evidence classified as a disc with images	Images of a latent print marked LP6B-1 from Item 6B. Created by Scientist.

Results of Laboratory Examination:

KNOWN EXEMPLARS (Said to be from)	
Name (DOB)	Source of Exemplar
Philando Divali Castile (7-16-83)	BCA Files SID# MN07048411

Analysis of the evidence submitted as Items 6 (6A and 6B), 32 (32B and 32C) and Item 51 revealed one latent print which is suitable for comparison.

Item 6B:

- magazine: LP6B-1 (fingerprint)

Latent Print(s)

- LP6B-1: inconclusive for Philando Dival Castile due to the lack of information in the latent print

Item 52 was created with images of a latent print from Item 6B.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Dennis P. Randall
Forensic Scientist

Disposition of Evidence:

Items 6 (6A and 6B), 20, 32 (32B and 32C) and Item 51 will be held until all exams have been completed. Item 52 will be retained at the BCA Laboratory.

Distribution: BCA St. Paul - 1

REPORT ON THE EXAMINATION OF PHYSICAL EVIDENCE

Nuclear DNA 07/28/2016

Laboratory Number: S16-07434
Section Reporting: Nuclear DNA
Case Type: Officer Involved Shooting/with a Death

Requesting Agency: BCA St. Paul
Agency Case Number: 2016433
County: Ramsey

Principals: Jeronimo Yanez; Joseph [REDACTED] Kauser; Philando Divali Castile

Description of Submitted Evidence:

Item	Type and Packaging	Description/Source
15	One plastic bag containing evidence classified as a pistol	SigSauer P220 bearing serial number 37A008090 with cartridge from the chamber and magazine
15A	a pistol	

Results of Laboratory Examination:

Samples of apparent blood were collected from the "Streamlight" lens (Item 15A-5) and front sight (Item 15A-6). Presumptive testing was not performed on these samples due to their limited size. DNA analysis will be performed on selected items. If you have not received a report within one month of the date on this report, or if DNA analysis is not needed, please contact the Biology Section of the BCA Laboratory.

Documentation of apparent blood observed on Item 15A was performed. The Biology Section of the BCA Laboratory can be contacted if bloodstain pattern analysis is needed.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Joe Cooksley
Forensic Scientist

Disposition of Evidence:

Evidence will be held in the lab pending analysis.

Portions of pertinent evidence items have been removed and are being stored at the BCA laboratory.

12	One plastic bag containing evidence classified as an item of evidence	Insurance card with apparent blood
12-1	One manila envelope containing evidence classified as a swab of apparent blood	front of card
14	a known DNA sample collection kit	from Jeronimo Yanez
15	One plastic bag containing evidence classified as a pistol	SigSauer P220 bearing serial number 37A008090 with cartridge from the chamber and magazine
15A	a pistol	
15A-1	One manila envelope containing evidence classified as a swab of apparent blood	underside of trigger guard
15A-2	One manila envelope containing evidence classified as a swabbing from Item	grips
15A-3	One manila envelope containing evidence classified as a swabbing from Item	slide
15A-5	One manila envelope containing evidence classified as a swab of apparent blood	from tactical light lens
15A-6	One manila envelope containing evidence classified as a swab of apparent blood	from right side of front sight
19	One manila envelope containing evidence classified as bullet fragment(s)	from the front passenger seat/seatback inside Item 11
19-1	One manila envelope containing evidence classified as a swabbing from Item	entire surface
24	One manila envelope containing evidence classified as	from the center console lid inside Item 11

24-1	bullet(s) One manila envelope containing evidence classified as a swabbing from Item	entire surface
25	One manila envelope containing evidence classified as bullet(s)	from beneath the metal under the rear seat inside Item 11
25-1	One manila envelope containing evidence classified as a swabbing from Item	entire surface
32	One plastic bag containing evidence classified as plant material	Inside a glass jar contained within a secondary plastic bag
32A	One plastic bag containing evidence classified as plant material	Plant material from Item 32.
32B	One plastic bag containing evidence classified as item(s) for latent print processing	Glass jar.
32C	One plastic bag containing evidence classified as item(s) for latent print processing	Plastic bag that contained plant material.
32C-1	One manila envelope containing evidence classified as a swabbing from Item	knotted area
38	One manila envelope containing evidence classified as a known blood sample	from Philando Divall Castile

Results of Laboratory Examination:

Presumptive testing indicated the presence of blood on an area of Item 12 which was collected as Item 12-1.

A sample was collected from Item 32C as Item 32C-1.

DNA profiling* was performed on Item 12-1, blood previously indicated on Item 15A-1, DNA obtained from Items 6A-1, 6A-2, 6A-3, 15A-2, 15A-3, 15A-6, 19-1, 24-1, and 32C-1, and also was performed on the known samples from Jeronimo Yanez (Item 14) and Philando Divall Castile (Item 38).

The DNA results are as follows:

Item 6A-1 (grips of DB pistol)

- Mixture of two or more individuals
- Major male DNA profile matches Philando Divall Castile, does not match Jeronimo Yanez
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Jeronimo Yanez is excluded from being a contributor to the minor types
- Further comparisons can be made to this DNA mixture if a known DNA sample from any other pertinent individuals is submitted to the BCA Laboratory.

Item 6A-2 (slide of DB pistol)

- Mixture of two or more individuals
- Major male DNA profile matches Philando Divall Castile, does not match Jeronimo Yanez
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Due to insufficient genetic information, no statement can be made on the minor types

Item 6A-3 (trigger of DB pistol)

- Mixture of two or more individuals
- Major male DNA profile matches Philando Divall Castile, does not match Jeronimo Yanez
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Due to insufficient genetic information, no statement can be made on the minor types

Item 12-1 (BLS on insurance card)

- Single source male DNA profile
- Matches Jeronimo Yanez, does not match Philando Divall Castile
- Would not be expected to occur more than once among unrelated individuals in the world population

Item 15A-1 (BLS on trigger guard of Sig Sauer)

- Single source male DNA profile
- Matches Jeronimo Yanez, does not match Philando Divall Castile
- Would not be expected to occur more than once among unrelated individuals in the world population

Item 15A-2 (grips of Sig Sauer)

- Mixture of three or more individuals
- Major male DNA profile matches Jeronimo Yanez, does not match Philando Divall Castile
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Due to insufficient genetic information, no statement can be made on the minor types

Item 15A-3 (slide of Sig Sauer)

- Mixture of two or more individuals
- Major male DNA profile matches Jeronimo Yanez, does not match Philando Divall Castile
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Due to insufficient genetic information, no statement can be made on the minor types

Item 15A-6 (BLS on sight of Sig Sauer)

- Single source male DNA profile
- Matches Jeronimo Yanez, does not match Philando Divall Castile
- Would not be expected to occur more than once among unrelated individuals in the world population

Item 19-1 (bullet fragment)

- Single source male DNA profile
- Matches Philando Divall Castile, does not match Jeronimo Yanez

- Would not be expected to occur more than once among unrelated individuals in the world population

Item 24-1 (bullet from center console)

- Single source male DNA profile
- Matches Philando Divall Castile, does not match Jeronimo Yanez
- Would not be expected to occur more than once among unrelated individuals in the world population

Item 32C-1 (baggie)

- Mixture of two or more individuals
- Major male DNA profile matches Philando Divall Castile, does not match Jeronimo Yanez.
- Major male DNA profile would not be expected to occur more than once among unrelated individuals in the world population
- Due to insufficient genetic information, no statement can be made on the minor types

Insufficient DNA was obtained from Items 15A-5 and 25-1 to perform DNA profiling. Items 32A and 32B were not examined.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Allison Dolenc
Forensic Scientist

*DNA loci tested using PCR-STR includes some or all of the following: D8S1179, D21S11, D7S820, CSF1PO, D3S1358, TH01, D13S317, D16S539, D2S1338, D19S433, vWA, TPOX, D18S51, D5S818, FGA, and Amelogenin.

Narrative begins on the following page.

On 8-1-2016, SA Kaneko from the Minnesota Bureau of Criminal Apprehension (BCA) served a search warrant for telephone records and location details to Verizon Wireless, servicing cellular telephone number of 651-485-8361. SA Kaneko later produced an item of evidence listed as BCA Exhibit 2016-433/61.1 (Compact Disk containing data from Verizon Wireless).

SA Kaneko was requested to assist with the investigation surrounding the death of Philando Dival CASTILE (7-16-83). CASTILE died as a result of a shooting involving a police officer in the City of Falcon Heights, MN.

SA Kaneko was requested to secure a search warrant for delivery to Verizon Wireless regarding specific dates as it is related to telephone number 651-485-8361. This telephone number is believed to be CASTILE's cellular telephone.

On 7-6-2016 at approximately 2100 hours, was the time of CASTILE's death. As part of this investigation, it is common to establish a timeline of activities of persons related to the investigation. This time line assists the investigation by confirming the events which may lead up to the incident involved and may assist investigators to conduct further interviews or follow-up.

In addition to the above mentioned item, Officer Yanez (SAPD) believed that CASTILE was a possible suspect related to an armed robbery which occurred in Lauderdale, MN. The Saint Anthony Police Department services Lauderdale and Falcon Heights. This robbery occurred on 7-2-2016 at approximately 1930 hours.

During this investigation, a representative of the Minneapolis Police Department contacted the MN BCA. Minneapolis Police advised that an officer conducting a traffic stop on May 22nd, 2016 at approximately 1540 hours, observed a male party who was similar in description of CASTILE. The traffic stop occurred near the area of East Hennepin Avenue and 6th Street SE in the City of Minneapolis. Minneapolis police advised that the officer observed the male followed by a female and apparently holding a cellular or other recording device at waist level. The lead male was observed to have a holstered handgun exposed. It was believed that the unknown pair may have been deliberately attempting to distract or create a contact with the officer.

SA Kaneko was requested to obtain data from Verizon Wireless which would support or exclude the above incidents (Robbery and Person with a Gun) as related to CASTILE.

SA Kaneko drafted and presented a search warrant to the Honorable Judge Stephenson from the Ramsey District Court. Judge Stephenson signed the warrant which allows Verizon Wireless to produce the records requested regarding cellular telephone 651-485-8361.

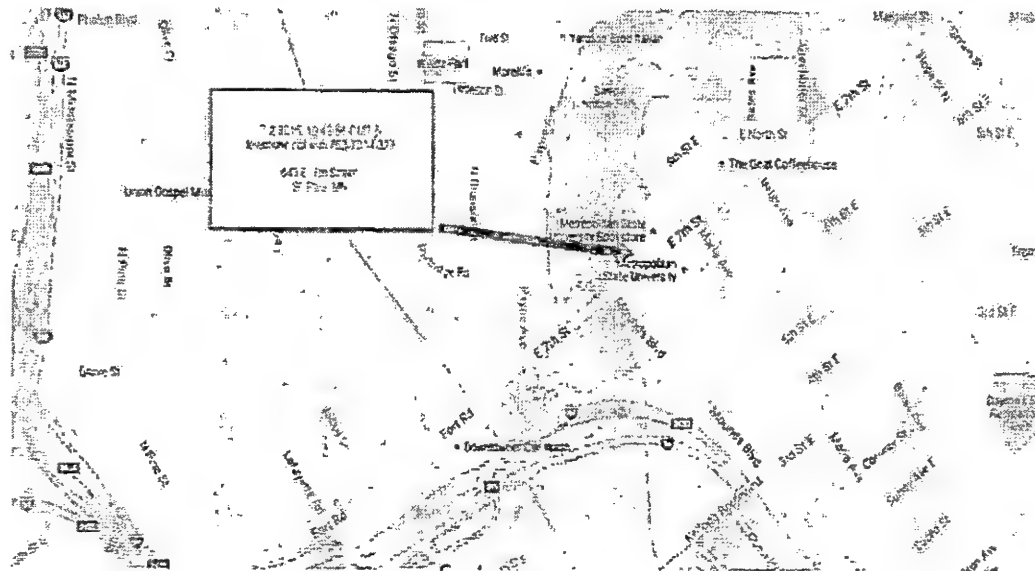

On 8-1-2016 at approximately 1800 hours, SA Kaneko served the search warrant via fax to Verizon Wireless located in Bedminster, NJ.

SA Kaneko observed the search warrant returned via e-mail on 8-8-2016 which was dated 8-5-2016. SA Kaneko reviewed the data and observed that the above listed telephone number of 651-485-8361 was registered to Philando D. CASTILE, addressed to 3906 Regent Avenue North, Robbinsdale, MN 55422. SA Kaneko also observed that data for the requested date of 5-22-2016 was not included within the data sent to SA Kaneko.

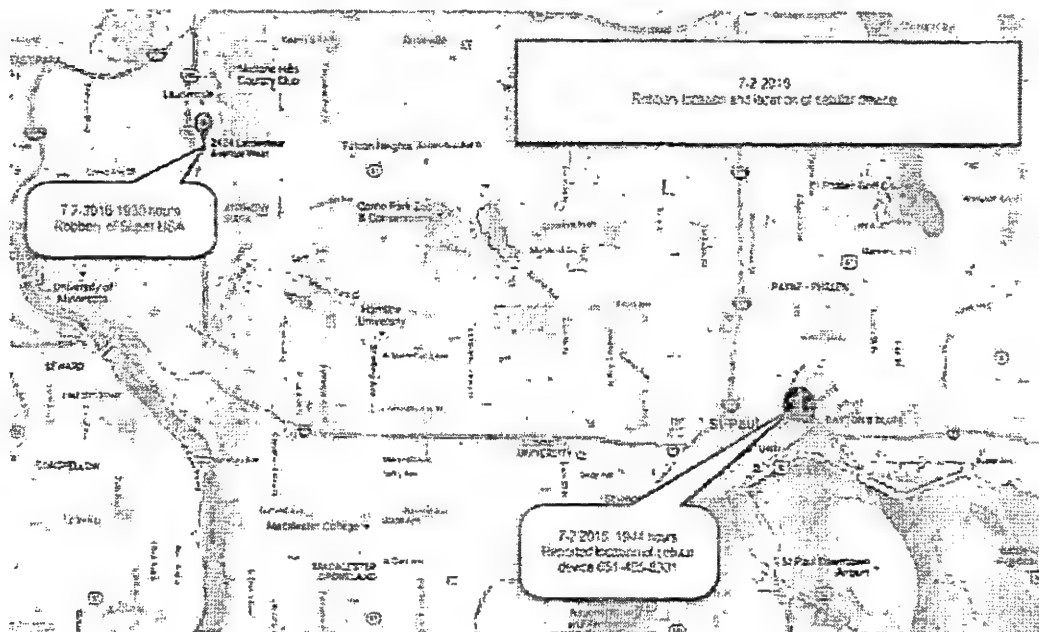

On 8-9-2016, SA Kaneko contacted Verizon Wireless via telephone and spoke with "Pat" in the search warrant section of Verizon Wireless' Legal Compliance Center. Verizon advised SA Kaneko that a search was conducted for 5-22-2016 and returned no data for the requested items.

SA Kaneko reviewed the data for 7-2-2016 for the above telephone number. The records indicated use in the area of the 643 7th Street East and near 427 West Minnehaha in St. Paul, MN.

On 7-2-2016 at approximately 1930 hours, the Super USA Store located at 2424 Larpenteur Avenue, in Lauderdale, MN, was involved in a robbery by two unidentified males. In comparison to cellular telephone records it indicates that CASTILE's cellular telephone (651-485-8361) was connected to telephone number 763-703-0327 at approximately 1944 hours (7-2-2016). CASTILE's cellular device was utilizing a tower at 643 East 7th Street in St. Paul, MN (Near Metro State University). This information only reveals data regarding the handset/device location.

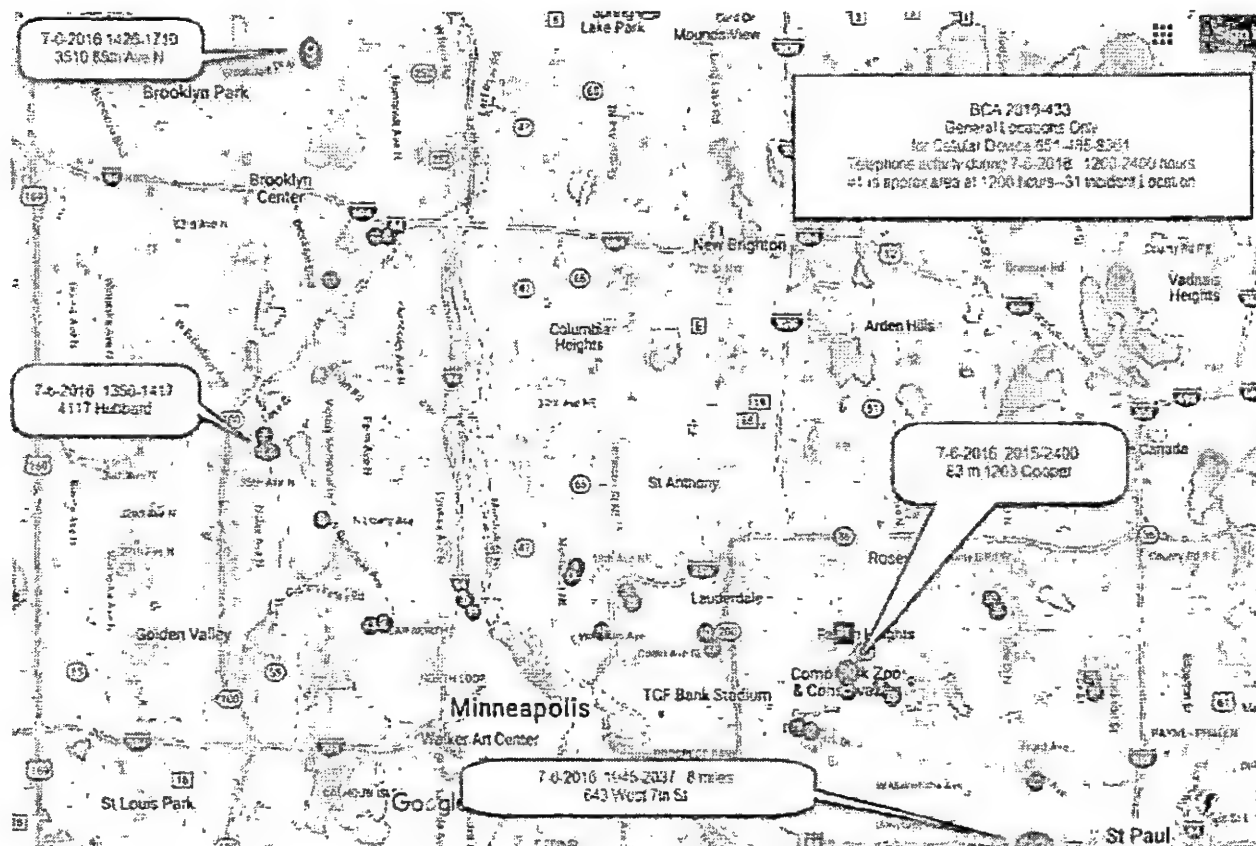

Cellular device location in relation to the robbery location on same date and approximate time on 7-2-2016.

Analysis of the location data for cellular device 651-485-8361 revealed a large amount of data. This data includes tower information. A map included reveals the areas of travel during the date of 7-6-2016 (1200 to 2400 hours)

On 7-6-2016 at approximately 1200 hours, the location of the cellular device is near the Como Zoo area noted as position #1. The incident location is noted as #31. The areas of travel are noted on the map, stops longer than 15 minutes, a notation is made on the map with location and times.

STATE OF MINNESOTA

DISTRICT COURT

COUNTY OF RAMSEY

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:
Verizon records related to
651 485-8361.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILING OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

Special Agent Michael Kaneko, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the records of Verizon for various information related to cell phone number 651 485-8361.
3. This number is assigned to a cell phone that belonged to Philando Castile. On 07-06-2016, Castile was stopped by a police officer and shot and killed by the officer. The shooting is being investigated by the BCA and details of the investigation are contained in the search warrant, application, and affidavit.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents; be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

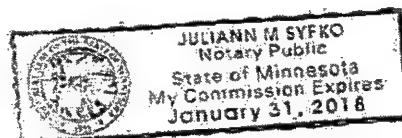

FURTHER YOUR AFFLIANT SAYETH NAUGHT.

Dated: August 3, 2016

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND DISTRICT COURT

TO: SPECIAL AGENT M. KANEKO, SPECIAL AGENT HENNING AND OTHER OFFICERS/AGENTS
UNDER HIS CONTROL, (A) PEACE OFFICERS OF THE STATE OF MINNESOTA.

WHEREAS, SPECIAL AGENT M. KANEKO has this day on oath, made application to the said Court applying for
issuance of a search warrant for the production of evidence described as data and information from:

Verizon Wireless
National Compliance Center
180 Washington Valley Rd
Bedminster, NJ 07921

for the following described property and things: RE: (651) 485-8361

Current subscriber, other telephone numbers, e-mails associated to this account and billing information for mobile
telephone number (651) 485-8361 and the Electronic Serial Number (ESN), Mobile Equipment Identity (MEID),
International Mobile Equipment Identity (IMEI), International Mobile Subscriber Identity (IMSI) and Mobile
Subscriber Identity (MSID) specific to (651) 485-8361,
Including any IP addresses accessed, captured and recorded for the above device,
Call duration and call detail records (all in-coming and out-going calls) in electronic format;
Call details with location/cell site locations including RTT Data.
SMS/Text Messages
All above details during the dates: MAY 22nd 2016, JULY 2nd 2016 and JULY 6th 2016 (0000-2400 hours).

WHEREAS, the application and supporting affidavit of S/A Michael Kaneko was/were duly presented and read
by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the
following grounds:

- ~~2. The property above described was used as means of committing a crime.~~
- ~~3. The possession of the property above described constitutes a crime.~~
- ~~4. The property above described is in the possession of a person with intent to use such property as a means
of committing a crime.~~
5. The property above described constitutes evidence which tends to show a crime has been committed, or
tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and
things are at the above-described cell phone: Verizon Wireless National Compliance Center, 180
Washington Valley Rd, Bedminster, NJ 07921

The Court further finds that a search is necessary to prevent the loss, destruction, or removal of the objects of said
search.

NOW, THEREFORE, YOU SPECIAL AGENT KANEKO, SA HENNING AND OTHER
OFFICERS/ AGENTS UNDER HIS CONTROL THE PEACE OFFICER(S) AFORESAID, ARE
HEREBY COMMANDED IN THE DAYTIME TO SEARCH THE DESCRIBED CELL PHONE DATA:
Verizon Wireless National Compliance Center, 180 Washington Valley Rd, Bedminster, NJ 07921

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

Regarding Cellular telephone number (651) 485-8361, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

SEARCH WARRANT FOR TELEPHONE # (651) 485-8361

BY THE COURT:

Dated : August 1, 2016

1500 HOURS

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

COUNTY OF RAMSEY

Special Agent Michael Kaneko, being duly sworn upon oath, hereby makes application to this Court for a warrant to search/receive the phone data hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Current subscriber, other telephone numbers, e-mails associated to this account and billing information for mobile telephone number (651) 485-8361 and the Electronic Serial Number (ESN), Mobile Equipment Identity (MEID), International Mobile Equipment Identity (IMEI), International Mobile Subscriber Identity (IMSI) and Mobile Subscriber Identity (MSID) specific to (651) 485-8361,
Including any IP addresses accessed, captured and recorded for the above device,
Call duration and call detail records (all in-coming and out-going calls) in electronic format;
Call details with location/cell site locations including RTT Data.
SMS/Text Messages
All above details during the dates: MAY 22nd 2016, JULY 2nd 2016 and JULY 6th 2016 (0000-2400 hours).

are in the described item as: cellular subscriber information and cellular data stored/provided/maintained by the:

Verizon Wireless
National Compliance Center
180 Washington Valley Rd
Bedminster, NJ 07921

This Affiant applies for issuance of a search warrant upon the following grounds:

2. ~~The property above described was used as means of committing a crime.~~
3. ~~The possession of the property above described constitutes a crime.~~
4. ~~The property above described is in the possession of a person with intent to use such property as a means of committing a crime.~~
5. The property above described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Michael Kaneko is a Special Agent with the Minnesota Bureau of Criminal Apprehension (BCA) and is currently assigned to the BCA's Southern Regional Office and the MN Financial Crimes Task Force. Your affiant has been with the BCA for over 10 years and was previously a police officer with the City of Minneapolis Police Department for approximately 12 years. Your affiant has been trained in narcotics, assaults, homicides, vice and prostitution, undercover operations, surveillance equipment and techniques, financial crimes and SWAT/ERT operations. Your affiant has received specialized training through the Minneapolis Police Department, Northeast Counter Drug Training Center, Federal Bureau of Investigations (FBI), Drug Enforcement Administration (DEA), Southern Police Institute, National Technical Investigator's Association, and the Minnesota Bureau of Criminal Apprehension. Your affiant has made numerous arrests in the above activities resulting in seizures of illegal contraband, weapons, currency, fraudulently obtained items and offenders arrested and convicted. Acting in this capacity your affiant states the following:

Your affiant is assisting with the investigation of a police officer involved shooting, resulting in death. On July 6th, 2016, your affiant responded to the area of Larpenteur and Fry Avenues in Falcon Heights, MN. Your affiant was advised that a Saint Anthony Police Officer was involved in a shooting. Your affiant is assisting Special Agent (SA) Henning (BCA) and other agents of the BCA with this investigation.

On July 6th, 2016 at approximately 0900 hours, St. Anthony Police Officer Yanez conducted a traffic/ID stop in the area of Larpenteur and Fry Avenues. The officer stopped a vehicle displaying MN plates of 203-TTM. The vehicle is a 1997, white colored, Oldsmobile 88, 4dr. The vehicle was driven by a black, male with braided/dreadlock hair. The driver of this vehicle was thought to resemble a male party involved in a robbery of a nearby convenience store located on the 2400 block of Larpenteur Avenue. Officer Yanez intended to identify the driver for further investigation related to the robbery and to also advise the driver of an inoperable brake/tail light. This robbery occurred on July 2nd 2016 at approximately 1930 hours.

During this robbery, two males entered the Super USA Store located at 2424 Larpenteur Avenue in Lauderdale, MN on the above date and time, the males were described as two, black, males, both armed with handguns and both having shoulder length braided/dreadlock hair (one with the dreadlocks pulled into a bun) and facial hair. These unidentified males entered and robbed the store of cash and cigarettes at gunpoint. Lauderdale is also serviced by the Saint Anthony Police Department.

The vehicle was stopped and during the traffic/ID stop, the driver was shot several times and later died of those gunshot wounds during this interaction with the Officer Yanez. This driver was identified as Philando Dival CASTILE (7-16-1983).

During the investigation it was learned that CASTILE had a cellular telephone. This cellular telephone was identified as telephone number (651) 485-8361. This cellular telephone was located within the vehicle being driven by CASTILE.

As part of this investigation, your affiant and other agents associated to this investigation are conducting follow-up to all leads and attempting to establish a timeline of Mr. CASTILE's activities, which is routine.

The telephone number of (651) 485-8361 was learned to be serviced by the CellCo Partnership which is also known as Verizon Wireless.

During the investigation, a representative of the Minneapolis Police Department contacted the MN BCA. The Minneapolis Police advised that during a traffic stop on May 22nd 2016 at approximately 1540 hours at East Hennepin Avenue and 6th Street SE in Minneapolis, MN, an officer observed a male and female approaching this traffic stop on foot. The parties were walking on Hennepin Avenue East and crossed the roadway near the front of this traffic stop. The unknown male was walking in front of an unknown female and the two parties walked very closely to the traffic stop and then walked southerly on the east side walk past the police traffic stop. The male was described as a black male with a black female. The male was observed to have shoulder length dreadlocks or braids and was wearing a t-shirt and pants. The male was also observed to have a

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

holstered handgun on the male's right hip area which was exposed. The officer observed the handgun and the female walking closely behind. The officer believed that the female was holding a device believed to be a cellular telephone or recorder at the female's waist. The officer believed that the two parties were attempting to bait or lure the officer into some type of contact or confrontation with the officer. Minneapolis Police reviewed this incident and observed that the male party which was captured on the police squad video had some possible resemblance to CASTILE. Minneapolis Police forwarded a video capture to BCA for follow-up. Minneapolis Police have not identified the male or female in the squad video and it is unknown if this is related in any way to Mr. CASTILE.

Verizon Wireless is a communications company which offers the citizens of Minnesota with communication services.

Your affiant is also aware that Verizon Wireless is a corporation located outside of the State of Minnesota and is headquartered in the State of New Jersey. Verizon Wireless currently operates business within the State of Minnesota thereby giving the Court of Minnesota jurisdiction to issue search warrants for records produced and maintained by the above corporation. Pursuant to Minnesota State Statute 626.18, subd. 2.2, allows a search warrant for records that are in possession of a foreign corporation that provides electronic communication services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer, customer usage of those services; the recipient or destination of communication sent to or from those customer; or the content of those messages.

Your affiant is requesting the permission of the court for Verizon Wireless to produce documents which will assist in establishing Mr. CASTILE's activities which would assist investigators in contradicting or supporting the above fact as they are related to Mr. CASTILE on the dates provided on the affidavit (May 22nd 2016, July 2nd 2016 and July 6th 2016).

Your affiant believes that the information available from the carrier for the telephone subscriber using telephone number (651) 485-8361, will assist Law Enforcement to identify or dispute the above facts and may be used to establish identities of other associates to the above occurrences if they are applicable. The information will consist of other telephone numbers associated to this subscriber's account, e-mail addresses, other related subscriber information, telephone numbers incoming and outgoing (Call Detail Records), methods of payments, location information in the form of Cellular Site Locations, IP or internet provider addresses (which may also assist with location), SMS/Text Messages obtained during the above described times may assist with the investigation.

REG: Cellular telephone number: (651) 485-8361

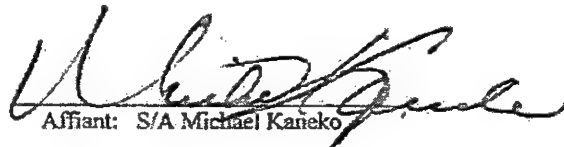

A nighttime search is necessary to prevent the loss, destruction or removal of the objects of the search because:

N/A

An unannounced entry is necessary (to prevent the loss, destruction or removal of the objects of the search [and] to protect the safety of the peace officers) because:

N/A

WHEREFORE, Affiant requests a search warrant be issued, commanding Special Agent Michael Kaneko and other officers under his control, (a) peace officer(s), of the State of Minnesota, in the daytime and with announcement, search the hereinbefore described premises for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: S/A Michael Kaneko

On 04-28-15, Officer Moore advised that he had back issues that would prevent him from participating in any physical exercises in the Use of Force Training. The issue was discussed with Lt. Scholl, and it was determined that the physical training would be provided to Officer Moore at a later date in the coming months.

Officer Moore did complete the non-physical portions of the training on this day.

Last Update Date:	08/04/2016 07:27

Reporting LEO	Date	Supervisor	Date
OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page:

On Friday, July 22, 2016, SSA Olson received two police reports (16005866 and 16005867) and squad video from those events (traffic stops initiated by Yanez on July 6, 2016). The items were provided to SSA Olson by Capt. Spiess. The reports have been attached and the squad video has been preserved as item 2016-433/64.1.

Both incidents involved traffic enforcement vehicle stops by Officer Yanez wherein Samantha Cheney (2012 – 2017 hours) and Ava Hazelmyer (2030 – 2039 hours) were issued citations for speeding violations. SSA Olson reviewed the video from both traffic stops and found them to be unremarkable.

End report.

Narrative begins on the following page.

On Friday, July 22, 2016, SSA Olson received from Capt. Spiess 18 pages of letters from Officer Yanez's personnel file. SSA Olson previously requested copies of any actions or discipline taken against Yanez during his employment with the St. Anthony Police Department. SSA Olson reviewed the correspondence provided by Capt. Spiess and did not note any disciplinary actions (see attached).

MEMORANDUM

DATE: February 4, 2016

TO: Officer Tressa Sunde, Officer Jeronimo Yanez, Officer Joe Kauser, Officer Dan Johnson, Detective Tim Briski, and Office Manager Kim Brazil

FROM: John Ohl, Chief of Police 

SUBJECT: LETTER OF RECOGNITION

Harry Truman once said, "It is amazing what we can accomplish when we don't care who gets the credit." This quote really fits the homicide investigation occurring at 1561 Idaho, #11 on January 31, 2016.

Officer Sunde controlled the scene and the call out of resources, as well as writing the main offense report. Officers Yanez and Kauser assisted her at the scene. Based on my assessment of the crime scene, you three officers did a great job collecting information, controlled access, and protecting evidence. Detective Tim Briski was called in and immediately began working the case to include securing a search warrant and interviewing the adult female suspect. Although Officer Dan Johnson did not respond to the scene, he called in extra resources and coordinated these assets to allow for officer overlap, scene security, and report writing. Add to this that within moments of calling, Office Manager Kim Brazil responded and assisted with search warrant preparation and press releases.

This was an unusual homicide scene to say the least. From what was gathered by officers, much of what we were looking at did not make sense. There was a lot of blood throughout the apartment and preliminary investigation seemed to suggest that the suspect may have killed the victim with a dinner plate. Later the next day, the Ramsey County Medical Examiner confirmed that the victim bled to death due to a cut he received on his foot at the hands of the suspect...a very strange and unusual determination.

The team work by all involved was simply incredible. All officers worked together and clearly displayed a sense of duty that showed no one cared who "got the credit," but were simply satisfied to bring to conclusion a very difficult and strange crime.

MEMORANDUM

Date: October 15, 2014

TO: Captain Cotroneo
Lt. Scholl
Sergeant Mangseth
Sergeant Diegnau
Sergeant Spiess
Officer Johnson
Officer Sroga
Officer Dokken
Officer Huddle
Officer South
Officer Erdman
Officer Rushton
Officer Yanez
Detective Briski
Reserve Officer Olson
Reserve Officer McNair
Office Manager Brazil

FROM: John Ohl, Chief of Police

SUBJECT: Case 14009537

On October 9, 2014 at about 2200 hours, our department received a "shots fired" call at 2501 Lowry Avenue. Officer Dan Johnson was first to arrive, quickly assisted by Sergeant Jon Mangseth, Officer Elliot Erdman, and Officer Jeronimo Yanez. All four officers were immediately informed that the shots came from an RV parked in lot C9. Officer Johnson made contact with a person inside the RV and had some communication to include that this individual was being held hostage by armed persons. After repeated attempts to get the individual to leave the RV, Officer Johnson tactically retreated and officers set up a perimeter. You four officers ultimately were completely responsible for containing this volatile situation and coordinating responding assets.

East Metro SWAT was then called out and Officers Huddle, Dokken, and South responded with the team. Officers Huddle and Dokken responded as direct operators at the scene, while Officer South took up a position as lead negotiator.

Captain Cotroneo responded to the command post and took charge of additional resources to include the BCA, Hennepin Sheriff's Office, HCMC, and the medical examiner, as well as making initial statements to the news media.

Creating calm from chaos would not have been possible without additional officers responding from home. Lt. Scholl, Sergeant Diegnau, Sergeant Spiess, Officer Sroga and Officer Rushton responded and worked positions at the command post, securing the exterior perimeter and taking radio calls for service.

In addition, two of our reserve officers, Steve Olson and Braden McNair also responded to help guard the deceased, as well as the actual scene upon it being cleared.

Detective Tim Briski also worked throughout this event with the BCA, as well as securing a search warrant for the premise and attending the resulting autopsy. Office Manager Kim Brazil worked with Detective Briski throughout the early morning hours in preparation of the search warrant and press release.

The highlights of your professional response are simply too much to detail in a memo. I am only trying to convey my deep respect for how you all handled this strange and difficult case. There is simply a lot to be noted and you all were integral in resolving an extremely unusual and tragic circumstance in a very professional manner. To watch you all pull together in an effort to resolve this incident and protect our citizens was incredible and something of which to be proud.

Chief,

I spoke with Mrs. Stenstrom today on the telephone. She expressed her gratitude for the manner in which Officers conducted themselves when they were called to her home on 12/21. (Ref: 14011820) Stenstrom said that Officer Yanez and Officer Kauser spent over 45 minutes patiently dealing with her EDP husband. She referred to them as "saints" and wanted to express her gratitude for their professionalism and conduct. FYI

Subject: Cops vs. Kids Basketball

All,

I just wanted to drop you all a note to thank you for volunteering your time to Cops vs. Kids basketball last night. At a time when our Nation's narrative on policing is "rethinking" how to police more effectively and how to connect better with our communities, we just keep on doing what we have always done; establish relationships. Your participation in events such as this is key to our success. I lost track of how many people approached me and expressed their gratitude for the event and for the job you all do every day. Volunteering for events such as this is one thing, but the fun and genuine enthusiasm you all bring is what makes an event like this special. You all understand that there is a "bigger purpose" than yourselves involved and embrace the opportunity to give something back...and our profession and community are better for it!

Thank you for coming out on a cold night to spend some time building our community.

John Ohl

Subject: Officers Yanez, South, and Rushton

Chief Ohl

My wife and I are police officers who live in Falcon Heights. Several weeks ago after a long night at work I happened to leave the door to my take home squad car unlocked. Due to their proactive and conscientious work, Officers Yanez and South found my mistake around 0230 hrs. They then attempted to get ahold of us inside our home but were not having any luck. They were able to get ahold of off-duty Officer Rushton who called my wife's phone and was able to wake her up. I then went outside to meet your officers and they stood by with me as I went through my car to make sure nothing was taken or tampered with. With their willingness to go the extra mile they prevented what could have been a huge problem for me. I want you to know how much we, as fellow officers, appreciate the effort your officers put out. I work for a large department and I cannot say enough that I wish we were able to provide the level of service that we have seen your crew consistently put out. Please pass along my thanks to your officers.

Sincerely,

Brian Ficcadenti

MEMO

DATE: August 22, 2013

TO: Officers D. Johnson, M. Huddle, J. South, K. Rushton, J. Yanez

FROM: Captain D. Cotroneo *DC*

SUBJECT: Letter of Recognition

At the early morning hours of 8/22/13, St. Anthony PD squads were dispatched to a burglary alarm at the Verizon Wireless store located in the Silver Lake Village complex. Officers responding were aware of information which had been received relating to several burglaries at such stores, occurring in the metro area. Due to the quick and proper response by the officers, three suspects were arrested for Burglary.

Upon receiving the call, the officers were able to quickly confirm a burglary had occurred. Officer Huddle noticed a suspicious vehicle leaving the area as he arrived, and aired the information to other responding officers. The vehicle was located and stopped, approximately ½ mile from the scene by Officer Johnson (and assisted by Officer Rushton), who then observed stolen items in plain view as they approached the vehicle. This information was communicated to the officers at the burglary scene, and items found in the vehicle were able to be quickly tied to the loss at the scene. The three occupants of the vehicle were arrested without incident. Officer South was able to get a full confession from one of the suspects. Officer Yanez assisted with property inventorying the large amounts of evidence recovered.

At least one of the suspects arrested is linked to the ring committing these types of burglaries throughout the metro area.

From the initial response, to the stop of the vehicle, to the arrest and subsequent interviews, you all showed great teamwork, resulting in an excellent outcome. Thank you for an outstanding job and again representing the department well.

Subject: Shop with a Cop

All,

I wanted to thank you all for your help with Shop with a Cop. As you could see from the group, the kids, teenagers, and parents get a big kick out of hanging with the Cops. I thought that the families were particularly engaging this year. It is really fun to watch you engage with the public and I am always amazed at how easily you get to know and converse with your assigned family. I think we get a lot of mileage out of a relatively simple project, but none of it works without your help. I especially want to thank those of you that came in on your day off (Tressa and Jeronimo) and those that stayed late (Shane, Jon, Ryan, Dom, Dan, and Mike) to make this event possible! I really appreciate your effort and so did the families associated with this event.

Thanks again. I hope you got something out of this as well.

Subject: Cops vs. Kids Basketball Feb. 23, 2012

Gentlemen,

I wanted to thank you all for your participation in the Cops vs. Kids basketball game. These types of interactions with the kids in our area and their families are very important. I think you all see the value in a positive contact with law enforcement prior to a negative experience. Even if a kid has had a negative experience, having a positive contact such as this can really change attitudes. The best part of setting this up is seeing you all actually having fun with the kids. Clearly, donating your time for this event is something that you enjoy over feeling some obligation to attend. I see that, and so do the kids and their families.

Thank you very much for helping out, I appreciate your efforts.

John

MEMO

DATE: May 17, 2012

TO: Lieutenant Scholl, Captain Cotroneo, Detective Briski, Sergeant Mangseth, Officer Johnson, Officer Sunde, Officer Dokken, Officer Spiess, Officer South, and Officer Yanez.

FROM: John Ohl, Chief of Police 

SUBJECT: Letter of Recognition

On 05-14-12, the St. Anthony Police Department received a call of "shots fired" in the 3200 block of 39th Avenue NE. Officers responded to the scene and found three people had been shot at 3202 39th Avenue. Two of these people were dead in the driveway of the residence and a third found in the neighbor's yard who had been shot in the leg...certainly a chaotic scene. The offense was ultimately found to be a domestic related murder/suicide with the biological son of the deceased as the third victim (C/N 12-004067).

My intent for this recognition letter is to note the incredible teamwork that was necessary for the offense to be successfully investigated and professionally handled. The initial officers on the scene (South, Sunde, Johnson and Yanez) did a fantastic job protecting the scene and neighborhood, as well as sorting out the details and ensuring the integrity of identified witnesses. The initial supervision of Sergeant Mangseth was key in making sure that details were handled and resources were ordered. Officer Spiess, Detective Briski, and Captain Cotroneo responded and expertly handled the witnesses, as well as coordinating the investigation of the crime scene. Lieutenant Scholl and Officer Dokken also responded from home to assist with call loads and the scene, which added to the Department's overall ability to handle the lion's share of response and the investigation of this tragic event.

My point here is simple. It is amazing what we can accomplish when we don't care who gets the credit. You *all* deserve a lot of credit for a great team effort on a seriously tragic event.

Thank you.

JO:vj

The details of Tuesday night, Oct 2nd are horrific. Our 43 year old son, father of 3, went into cardiac arrest due to a relapse of alcoholism, stress and mismanagement of his blood pressure medicine. Neighbor, Greg Haug administered CPR until officers Mo Yaney and Teresa Henricks arrived. The EMT's who arrived were able to get Brad stabilized and to Regions Hospital. The Drs at Regions all said the quick reaction by Greg, your officers and the EMT's saved Brad's life. Somehow saying "Thank You" just isn't enough. The passion your officers have for their jobs, knowing they saved the life of a husband, father, brother and son gives them self satisfaction to continue their work. An officer came to the house on Oct 3 to check on Brad and we neglected to get his name. Please recognize these officers and EMT's

Thank You

for saving Brad's life and let them know how fortunate we are that they were on duty and responded so quickly.

Brad is home from the hospital and back at work. He is in outpatient care and today is doing well.

We are grateful,
Dan & Karen Berke
[REDACTED]

MEMORANDUM

DATE: November 1, 2012

TO: Officer Jeronimo Yanez

FROM: John Ohl, Chief of Police 

SUBJECT: LETTER OF RECOGNITION

On 10-29-12, the BP Gas Station at 39th and Stinson was robbed by an unknown male subject. In addition, on 10-30-12, at 2359 hours, another robbery occurred in Roseville and yet another on 10-31-12 at 0122 hours in Minneapolis. A suspect and vehicle description was aired in the Minneapolis robbery and you strategically positioned yourself in the area near the reported direction of travel of the suspect's vehicle. Due to your diligence and attention to duty, you were able to stop the vehicle with the assistance of your partners and Minneapolis squads, taking two suspects into custody. At this time, you also noted items in the suspect's vehicle that lead you to believe that one of the suspects in the vehicle was also responsible for the St. Anthony robbery.

Officer Yanez, due to your attention to duty, your strong commitment to public safety, and a bit of police savvy (above what I might expect from an officer with less than one year on the street), you were able to clear three armed robberies for three different communities. Clearly the two suspects were increasing their activity and you stopped them before anyone was hurt.

Great work!

Subject: Spring Together Event

Jeronimo, Elliot, Dan,

Thank you very much for helping out with the FH Spring Together event. Your willingness to engage the citizens present, especially our Somali immigrants, was fantastic. Your ability to just blend and converse with our citizens is special and goes a long way toward our overall crime prevention goals. It is exactly these types of contacts that we are missing in Law Enforcement, and what are so incredibly important to our community and to our success.

I think your ability to be involved in a very tough profession, yet not ignore/forget your human side, is the secret to longevity in this business. In this fashion, as Lt. Col. Grossman says, we "can walk into the heart of darkness, into the universal human phobia, and walk out unscathed."

Thank you for staying "human" in a very difficult, but rewarding, business.

Please pass on these words of gratitude to a group of your officers. This past Saturday evening at around 11:30 p.m. my husband and I were called at home regarding an incident with our 16 year old son and a group of his friends. I am so impressed with how Officer Diegnau, whose name is on the citation, and the other officers present handled the situation. They saw an opportunity to really teach my son, Sam Vossler, the dangers and possible consequences of his behavior. As the parent reacting to a somewhat alarming situation, I felt they were sensitive and nonjudgmental. There were many ways of handling the situation that occurred that evening and my husband and I really appreciate how these officers chose to. Thanks for all you do.

CPT Williams,

First, thank you for your service to our Military men and women and for your service as well. I cannot think of a more honorable way to use your skill set then to help the people who protect our Country. We are always happy to help out, but especially happy when we can serve those who serve our Country. I will make sure to pass on your e mail to the Officer who took your call.

Thank you for the very kind e mail.

Chief Ohl,

I wanted to send you a note commending one of your officers and your department for continued great work. My wife and I live in Falcon Heights, and early this morning (Wed. October 2nd), our doorbell rang. This of course stirred us out of bed as well as our dog. I figured it was kids, checked it out and turned the lights out to go back to bed. About 5 minutes later, our doorbell rang again. Once again we could not see anyone, but this time out of concern we called 911. Less than 5 minutes after making the call, your patrol officer for our area (I do not remember his name) arrived and was searching around our house and came in to gather some more information.

While this was certainly not a "serious incident" it surely upset my wife and I (as well as our poor dog, who spent the rest of the night on high alert)... Your department as always took the matter very seriously and responded with professionalism, courage and expertise. All things that I have come to know and admire about the St. Anthony Police Department.

My family owes that patrol officer and your department a big thank you for the great work. I am continually thankful that the St. Anthony Police patrol the streets of Falcon Heights. You all do a wonderful job.

Very respectfully,

Peter Williams

Narrative begins on the following page.

On Friday, July 22, 2016, SSA Olson received from Capt. Spiess an incident report (SAPD 11010888) involving the arrest of Castile on November 23, 2011. Castile was issued a citation for Driving After Revocation and transported to the Hennepin County Jail. SSA Olson reviewed the incident report, citation, and authority to detain. SSA Olson determined that SAPD Officer Mark Dokken initiated a traffic stop on Castile and had Officer's Sroga and Yanez transport him to the Hennepin County Jail after learning he had an outstanding Hennepin County warrant for DAR.

All of the aforementioned documents are attached.

End report.

Last Modified: 11-23-2011 1054

Title: Traffic Arrest / Warrant Arrest

Created By: Mark Dokken

Squad SB Hamline from Larpenteur behind MN TJK772. I observed that the driver's brake light was defective. I conducted checks and learned that the R/O had a revoked DL and a Hennepin County misdemeanor warrant for DAR. Description matched that of driver. Vehicle stopped near Hamline & Nebraska. Driver ID'd via MN photo ID card as the R/O. The warrant was confirmed via Ramsey Dispatch. Driver arrested and cited for DAR. He was then booked at Hennepin jail via Officers Sroga/Yanez for the warrant. Vehicle left parked.

IMMEDIATELY CONFIRM RECORD WITH ORI

OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)	10/12/2016

Narrative begins on the following page.

On Friday, July 22, 2016, SSA Olson received from Capt. Spiess a chain of custody receipt for a previously received item (iPhone – Reynolds, see 2016-433/5). The custody receipt had been previously requested by SSA at the time the item was acquired, but due to computer issues at the SAPD at the time of original request the delivery of the receipt was delayed.

A copy of the receipt is attached with this report.

End report.

Ramsey County Sheriff's Office Lesson Plan

Decision Making Handgun Exercise

APPROVAL DATE: April 9, 2015

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0788A

TRAINING UNIT - 425 GROVE ST.
ST. PAUL, MINNESOTA 55101
651-266-9500

TRAINING GOAL:

The goal of the Decision-Making Handgun Exercise is:

- To increase the officer's ability to identify "deadly force" and "non-deadly force" threats.
- To decrease the time needed for officers to draw their handgun.
- To decrease the time needed from shot to shot.
- To increase the officer's ability to effectively use cover from the kneeling and prone positions.

PERFORMANCE OBJECTIVES:

Upon the completion of this course officers will demonstrate knowledge in the following:

- The officer will demonstrate safe handling of firearm used during training.
 - Safely and correctly drawing and holstering their handgun.
 - Safely and correctly loading their handgun.
- The officer will demonstrate the ability to perform the following skills associated with using cover and shooting.
 - Proper distance from cover.
 - Properly using the side of cover and top of cover.
 - Reloading from behind cover.

METHOD OF INSTRUCTION:

- Demonstration
- Dry Fire
- Live fire

METHOD OF EVALUATION:

Officers will safely perform the skills to the satisfaction of the instructors.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

INSTRUCTOR REQUIREMENTS:

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

EQUIPMENT REQUIREMENTS:

Training Aids and Equipment

- Ear and eye protection
- Belt and holster
- Duty handgun
- 50 rounds ammunition
- Inert training cartridges "dummy rounds"
- One inert training handgun per instructor
- Pen and notebook
- Target – TCT-MK1
- Green and orange duct tape
- Can of black spray paint
- Simulated cover / four "stepped" barricades
- Two orange traffic cones

Range Set-Up: (See attached photos)

- The range target system will be used during the *Decision Making and Weapon Manipulation* portion of the exercise. Targets are on the zero-yard line of the range. Targets are placed on both sides of the target cardboard, back to back. One side will be considered the deadly force target and will be represented with a visible handgun. The other side will be considered the non-deadly force target and the handgun will be painted over making it not visible. The targets will begin in an "edged position" so the officer cannot see either target. The on-range instructor will signal the range control room instructor when to turn and expose the targets.
- Four stepped barricades are placed on the 12- Yard line. One barricade will be placed in Lane 1, Lane 5, Lane 6 and Lane 10. One gold arrow and one brown arrow are placed on each barricade to signify the portion of cover the officer will utilize. The floor in front of the barricade is marked with tape to signify the correct distance between officer and barricade. Two orange traffic cones are used to mark the point where officers will begin the *Use of Cover while in a Kneeling Position and Prone Position* portion of the exercise.

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for *one* hour(s) of continuing education credit.

The Sheriff's Office Policy manual, section #328.1 reads, in part, as follows:

Any act of discrimination is prohibited: Discrimination is any act or omission of an act which would create a hostile work environment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status or denial of family care or pregnancy disability leave. Discrimination includes, but is not limited to, derogatory comments, slurs or jokes, pictures, cartoons or posters and actions that result in an employee being offended or insulted because of a protected classification status enumerated above. Such acts or comments should be reported, as soon as possible, to any member of the Training Unit, the Department Affirmative Action / Sexual Harassment Investigator or any ranking supervisor. The person or persons who are made aware of a complaint must take appropriate and timely action.

OUTLINE

Instructor Presentation -- On Range:

Instructor will discuss and demonstrate:

- Lateral movement during the draw
- Verbal commands
- Determining if target is a deadly or non-deadly force threat
- Engaging the deadly force target until target is no longer a deadly threat (target edges)
- Scanning for more threats
- What to do with materials in hands (pen and notebook) before the draw

Instructor will discuss and demonstrate proper use of cover while:

- Moving to cover
- Shooting from right side, left side and top of cover
- Shooting from a kneeling position
- Shooting from a prone position
- Reloading behind cover
- Access to magazines for reloading from kneeling and prone

Part One – Decision Making and Weapon Manipulation

3 – Yard Line

Target Time: 2.0 Seconds

Ammunition: None

Dry Fire – The instructor will watch officers move laterally, draw and give verbal commands. The targets will turn approximately five times including one turn exposing the “non-deadly force target.” The instructor will confirm officers are safe and understand the exercise. Officers will stand at the 3-Yard line. On target movement officers will:

- Draw handgun while moving laterally
- Give verbal commands
- Identify target as deadly or non-deadly threat
- Present handgun correctly
- Scan for more threats and holster handgun

3 – Yard Line

Target Time: 2.0 Seconds

Ammunition: 10 rounds divided between two or three magazines

Officers will stand at the 3-Yard line. The targets will turn as many times needed for all officers to shoot 10 rounds. The targets will turn at least once exposing the “non-deadly force target.” On target movement officers will:

- Draw handgun while moving laterally
- Give verbal commands
- Identify target as deadly or non-deadly threat
- Accurately fire as many rounds as possible in the center mass of the deadly threat target until the target moves back to an edged position
- Reload as needed
- Scan for more threats and holster handgun

5 – Yard Line

Target Time: 3.0 Seconds

Ammunition: 17 rounds divided between two or three magazines plus one “dummy” round in one magazine

Officers will stand at the 5-Yard line with notebook and pen. The targets will turn as many times needed for all officers to shoot 17 rounds. The target will turn at least once exposing the "non-deadly force target." On target movement officers will:

- Drop notebook and pen
- Draw handgun while moving laterally
- Give verbal commands
- Identify target as deadly or non-deadly threat
- Accurately fire as many rounds as possible in the center mass of the deadly threat target until the target moves back to an edged position
- Clear malfunctions and reload as needed
- Scan for more threats and holster handgun

Part Two – Use of Cover while in a Kneeling Position and Prone Position

Moving from 17-Yard Line to 12-Yard Line

Target Time: None

Ammunition: 23 rounds divided between two or three magazines

Four "stepped" barricades are placed on the 12- Yard line. One barricade will be placed in Lane 1, Lane 5, Lane 6 and Lane 10. One gold arrow and one brown arrow will be placed on each barricade to signify the portion of cover the officer will utilize. The gold arrow will signify the portion of the barricade to use in a prone position. The brown arrow will signify the portion of the barricade to use in a kneeling position. The floor in front of the barricade is marked with tape to signify the correct distance between officer and barricade.

Officers will be instructed to:

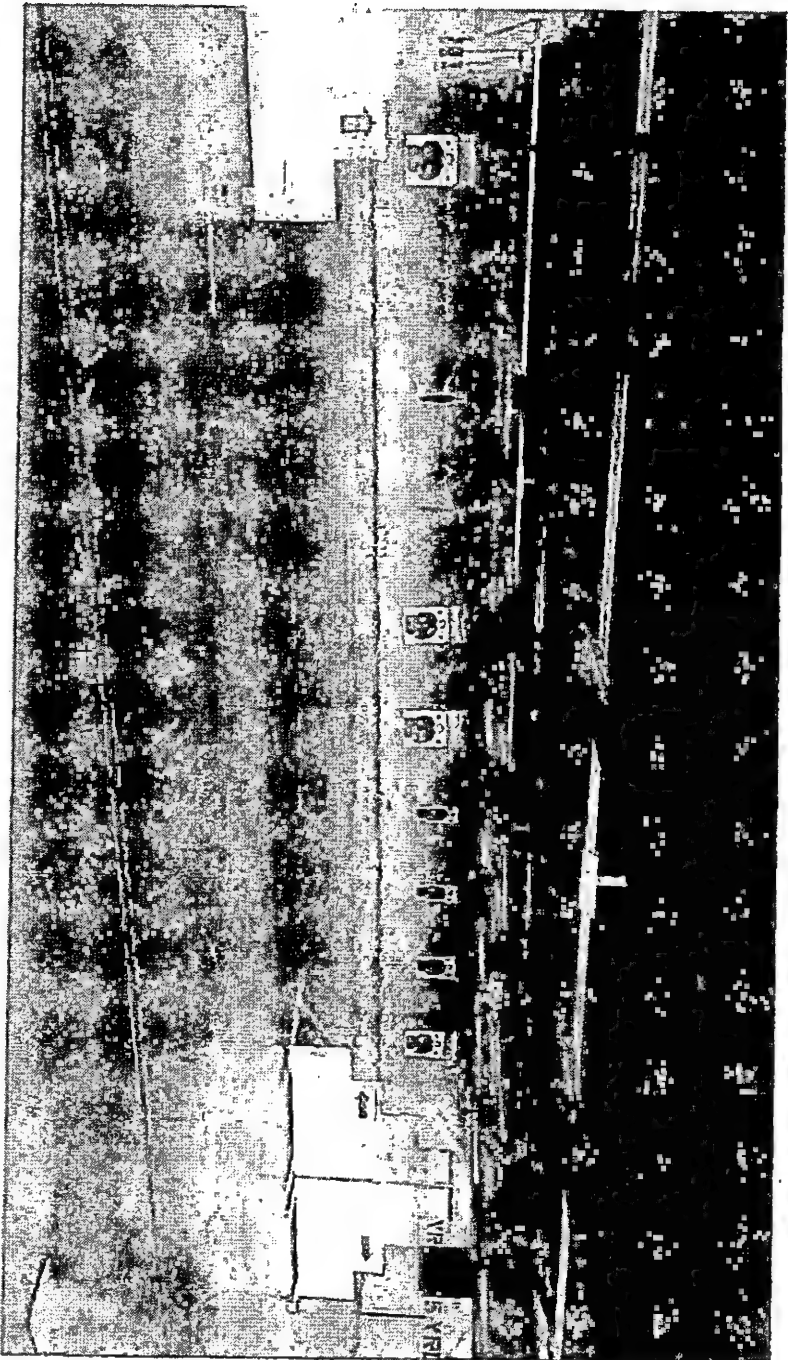

- Draw handgun while moving laterally to cover on the command of "Threat"
- Give verbal commands
- Use the gold portion of cover from prone
- Use the brown portion of cover from kneeling
- Fire three rounds into the center mass of the target
- Use the appropriate amount of distance from cover
- Reload as needed from behind cover
- Continue to scan while recovering to standing

Saint Paul, Minnesota 55101-2418
Telephone: 651-266-9333
Facsimile: 651-266-9301

April 09, 2015

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Decision Making Handgun Exercise
Course Number: 6200-0788A
Course Approval Date: 04/09/2015
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation (Policy # 173.00)

Course Evaluator: Tony Waldo
Title: Sergeant, Training Unit

A handwritten signature in cursive script, appearing to read "Tony Waldo", written over a horizontal line.

Duty-Handgun Qualification

APPROVAL DATE: April 5, 2016

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0875

TRAINING UNIT - 425 GROVE STREET
SAINT PAUL, MINNESOTA 55101
651-266-9500

TRAINING GOAL

The goal of this course is test the participant's ability to meet the Minnesota P.O.S.T. Board firearm training objectives.

PERFORMANCE OBJECTIVES

Upon completion of this qualification officers will demonstrate knowledge pertaining to the Minnesota P.O.S.T. Board *Principles of Firearms Use* and *Handgun Range Exercises* performance objectives. Officers will also complete a Pass/Fail, 50 round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position.

METHOD

- Instructor Presentation and Discussion
- Live Fire Qualification

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Pass/Fail during live fire qualification. (80% hit rate and timed fire at each position)

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

MATERIALS AND HANDOUTS

1. Hearing protection
2. Eye protection
3. 50 rounds of ammunition
4. Duty handgun and two magazines
5. Duty handgun holster
6. TQ-19 silhouette target
7. Eight 2'x 8' simulated plywood barricades
8. Two Stop Watches
9. Permanent Markers

Range Set-Up: (See attached photos)

- Targets are on the zero-yard line of the range.
- Barricades are placed on the 15-yard line in front of each target.

OUTLINE

Instructor Presentation

Instructor will discuss:

- Discuss safe firearm handling techniques, to include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly holstering and drawing of the firearm.
 - Safely and correctly clearing malfunctions.
 - Safely and correctly maintaining their authorized firearm
- Minnesota Statute 609.666.
- When firing from the *weak-hand* only may be advantageous or necessary.
- Circumstances that justify the use of deadly force by peace officers.
- Authorized firearms and ammunition utilized by the agency.

Once the above has been completed, officers will complete the 50 round duty handgun qualification course. Officers will be given three opportunities to successfully complete the qualification. After three unsuccessful attempts, additional mandatory training will be completed.

Duty Handgun Qualification

Officers will complete a 50-round qualification course of fire. Officers will shoot their duty-handgun from the 3, 5, 7, 10, and 15 yard line. Officers will be tested on their ability to hit the center of the target within the allotted time limit from each distance. The target used will be the TQ-19 silhouette target. The light gray center of the target will designate the hit zone. One point will be given for a hit inside the gray area, including the line around the hit area. Any shot outside this area or after the allotted time limit will received zero points. 80% of shots at each distance must be in the hit zone of the target to pass.

Officers will begin with their handguns in either a ready position or from the holster. If the officers are beginning from a ready position, their handgun will be compressed at chest level with their trigger finger on the frame of the handgun, not in contact with the trigger. If the officers are beginning from the holster, their handgun will be secured with all holster retention mechanisms engaged. The officers' hands will also be in a neutral position in front of the body, not in contact with their handgun.

- Officers will load two magazines of five rounds each. The officers will begin behind cover at the fifteen yard line. On the command, the officer will fire five rounds from the right side of the barricade, reload from behind cover and fire five rounds from the left side of cover. There is no time limit from the fifteen yard line. Eight out of ten rounds must be in the hit zone of the target to pass at the fifteen yard line.
- Officer will load one magazine of five rounds in their handgun. At the ten yard line the officers will begin from the holster. On the command, the officers will draw and fire five rounds in twelve seconds with a two-handed grip. Four out of five rounds must be in the hit zone of the target to pass at the ten yard line.
- Officers will load one magazine of four rounds and one magazine of two rounds. The officers will load the magazine of four in their handgun and place the magazine of two in their magazine holders. At the seven yard line the officers will begin from the holster. On the command, the officers will draw and fire four rounds in seven seconds with a two-handed grip. The officers will reload with the magazine of two rounds and holster their handgun. The officers will load a magazine of four rounds and place it in their magazine holders. On the command, the officers will draw and fire six rounds (both magazines) in fifteen seconds with a two-handed grip. Eight out of ten rounds must be in the hit zone of the target to pass at the seven yard line.
- Officers will load two magazines of five rounds each. At the three yard line the officers will begin in a one handed-ready position. On the command, the officers will fire five rounds with their weapon-hand only in six seconds. The officers will complete a two-handed reload. On the command, the officers will fire five rounds

with their reaction-hand only in nine seconds. Eight out of ten rounds must be in the hit zone of the target to pass at the three yard line.

- Officers will load two magazines of five rounds each. At the three yard line the officers will begin in a one handed-ready position. On the command, the officers will fire five rounds with their weapon-hand only in six seconds. The officers will complete a two-handed reload. On the command, the officers will fire five rounds with their reaction-hand only in nine seconds. Eight out of ten rounds must be in the hit zone of the target to pass at the three yard line.

Minnesota P.O.S.T Principles of Firearms Use Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with MN. STAT. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the weak hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

Minnesota P.O.S.T. Handgun Range Exercise Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Shooting from cover
 - c. Reloading techniques
 - d. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Duty-Handgun Qualification

The officer will complete a pass/fail, 50-round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position. The target used is the TQ-19 silhouette. The officer will receive 1 point for each hit inside the center of the silhouette (designated by light-gray color) and zero points for any hits outside of the center. If a round breaks the white line around the center, it counts as 1 point.

Behind Cover

15-Yard Line (8 of 10 rounds needed)
Load two magazines with 5 rounds each

- Right-Side of Cover, draw and fire 5 rounds, reload from behind cover, move to Left-Side of Cover and fire 5 rounds – no time limit

Both Hands from Holster

10-Yard Line (4 of 5 rounds needed)
Load one magazine with 5 rounds

- Draw and fire 5 rounds in 12 seconds

7-Yard Line (8 of 10 rounds needed)

Load one magazine with 4 rounds and one magazine with 2 rounds (load magazine of 4 first)

- Draw and fire 4 rounds in 7 seconds (Reload is not timed)

Load one magazine with 4 rounds

- Draw and fire 6 rounds in 15 seconds (Reload is timed)

5-Yard Line (12 of 15 rounds needed)

Load one magazine with 6 rounds and one magazine with 2 rounds (load magazine of 6 first)

- Draw and fire 6 rounds in 9 seconds (Reload is not timed)

Load one magazine with 7 rounds

- Draw and fire 9 rounds in 15 seconds (Reload is timed)

One Hand Only from Ready

3-Yard Line (8 of 10 rounds needed)

Load two magazines with 5 rounds each

- Weapon-hand only, fire 5 rounds in 6 seconds
- Support-hand only, fire 5 rounds in 9 seconds

On Range Instructor Presentation

Instructor will discuss:

- Discuss safe firearm handling techniques, to include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly holstering and drawing of the firearm.
 - Safely and correctly clearing malfunctions.
 - Safely and correctly maintaining their authorized firearm
- Minnesota Statute 609.666.
- When firing from the *weak-hand* only may be advantageous or necessary.
- Circumstances that justify the use of deadly force by peace officers.
- Authorized firearms and ammunition utilized by the agency.

609.666 NEGLIGENT STORAGE OF FIREARMS

Subdivision 1. **Definitions.** For purposes of this section, the following words have the meanings given.

- (a) "Firearm" means a device designed to be used as a weapon, from which is expelled a projectile by the force of any explosion or force of combustion.
- (b) "Child" means a person under the age of 18 years.
- (c) "Loaded" means the firearm has ammunition in the chamber or magazine, if the magazine is in the firearm, unless the firearm is incapable of being fired by a child who is likely to gain access to the firearm.

Subd. 2. **Access to firearms:** A person is guilty of a gross misdemeanor who negligently stores or leaves a loaded firearm in a location where the person knows, or reasonably should know, that a child is likely to gain access, unless reasonable action is taken to secure the firearm against access by the child.

Subd. 3. **Limitations.** Subdivision 2 does not apply to a child's access to firearms that was obtained as a result of an unlawful entry.

609.066 AUTHORIZED USE OF DEADLY FORCE BY PEACE OFFICERS.

Subdivision 1. Deadly force defined.

For the purposes of this section, "deadly force" means force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing, death or great bodily harm. The intentional discharge of a firearm, other than a firearm loaded with less lethal munitions and used by a peace officer within the scope of official duties, in the direction of another person, or at a vehicle in which another person is believed to be, constitutes deadly force. "Less lethal munitions" means projectiles which are designed to stun, temporarily incapacitate, or cause temporary discomfort to a person. "Peace officer" has the meaning given in section 626.84, subdivision 1.

Subd. 2 Use of deadly force.

Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:

- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.

Duty-Handgun Qualification 2016

Authorized firearms and ammunition utilized by the agency.

- **Ramsey County Sheriff's Office**
 - **Duty-Handguns**
 - Issued GLOCK 17 or 19 (*Anything else must be approved in writing by your Commander and Training Unit Commander*)
 - **Ammunition**
 - *Federal HST Tactical, 9mm 147 grain*
- **Minnesota State Fair PD**
 - **Duty-Handguns**
 - GLOCK 17, 19, 22, or 23
 - **Ammunition**
 - *Federal HST Tactical, 9mm 147 grain / .40 caliber 165 grain*
- **Saint Anthony PD**
 - **Primary Patrol Handguns:**
 - Glock 21 .45
 - Sig Sauer P220 .45
 - Smith & Wesson M&P .45
 - Smith & Wesson 4506 .45
 - **Primary Investigations & Admin. Handguns**
 - Glock 19 9mm
 - Smith & Wesson Shield 9mm
 - Smith & Wesson 3913 9mm
 - Smith & Wesson 6906 9mm
 - **Ammunition**
 - *Federal HST Tactical, .45 ACP 230 grain / 9mm 147 grain*
- **Mounds View PD**
 - **Duty-Handguns**
 - GLOCK 22 or 23
 - **Ammunition**
 - *Winchester*
 - *Federal*
- **Minnesota Department of Commerce Fraud Bureau**
 - **Duty-Handguns**
 - GLOCK 19 or 26
 - **Ammunition**
 - *Winchester*
 - *Federal*

April 5, 2016

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Duty Handgun Qualification
Course Number: 6200-0875
Course Approval Date: April 5, 2016
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation (Policy # 173.00)

Course Evaluator: Tony Waldo

Ramsey County Sheriff's Office Lesson Plan

Adverse Weather Handgun Exercise

APPROVAL DATE: 12/05/14

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0770

TRAINING UNIT - 425 GROVE ST.
ST. PAUL, MINNESOTA 55101
651-266-9500

TRAINING GOAL:

The goal of the Adverse Weather Handgun Exercise is:

- To increase the officer's ability to successfully engage a deadly force threat while wearing cold weather gear.
- To increase the officer's ability to successfully engage a deadly force threat while in an unorthodox position.
- To increase the officer's ability to effectively use cover and concealment while engaging a deadly force threat.

PERFORMANCE OBJECTIVES:

Upon the completion of this course officers will demonstrate knowledge in the following:

- The officer will demonstrate safe handling of firearm used during training.
 - Safely and correctly drawing and holstering their handgun.
 - Safely and correctly loading their handgun.
- The officer will demonstrate the ability to solve the following issues associated with adverse weather conditions.
 - Firearm control while wearing gloves.
 - Reduced mobility in drawing and firing the handgun due to heavy clothing.
 - Limitations of access to handguns and spare ammunition due to heavy outer clothing.
- The officer will demonstrate the ability to perform the following skills associated with shooting from a seated position.
 - Firearm muzzle control
 - Efficient movement to standing position
- The officer will demonstrate the ability to perform the following skills associated with using cover and shooting.
 - Proper distance from cover.
 - Properly using the side of cover and top of cover.
 - Reloading from behind cover if possible.
 - Clearing malfunction from behind cover if possible.

METHOD OF INSTRUCTION:

- Demonstration
- Dry Fire
- Live fire

METHOD OF EVALUATION:

Officers will safely perform the skills to the satisfaction of the instructors.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

INSTRUCTOR REQUIREMENTS:

NUMBER OF INSTRUCTOR(S): See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

EQUIPMENT REQUIREMENTS:

Training Aids and Equipment

- Ear and eye protection
- Belt and holster
- Duty handgun
- 50 rounds ammunition
- Inert training cartridges "dummy rounds"
- Target - *TCT-MK1*
- Simulated cover
 - four "stepped" barricades
- One inert training handgun per instructor

Range Set-Up:

- Targets are placed on the zero-yard line of the range.
- Simulated cover:
 - Four "stepped" barricades are placed on the 12- Yard line. One barricade will be placed in Lane 2, Lane 4, Lane 6 and Lane 8. One "gold" arrow and one "brown" arrow will be placed on each barricade to signify the portion of cover the officer will utilize.

MATERIALS AND HANDOUTS:

Attached to lesson plan:

☐ YES ☒ NO

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for *one* hour(s) of continuing education credit.

The Sheriff's Office Policy manual, section #328.1 reads, in part, as follows:

Any act of discrimination is prohibited: Discrimination is any act or omission of an act which would create a hostile work environment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status or denial of family care or pregnancy disability leave. Discrimination includes, but is not limited to, derogatory comments, slurs or jokes, pictures, cartoons or posters and actions that result in an employee being offended or insulted because of a protected classification status enumerated above. Such acts or comments should be reported, as soon as possible, to any member of the Training Unit, the Department Affirmative Action / Sexual Harassment Investigator or any ranking supervisor. The person or persons who are made aware of a complaint must take appropriate and timely action.

OUTLINE

Instructor Presentation – On Range:

Instructor will discuss and demonstrate the effects of wearing jacket and gloves relating to:

- Drawing handgun
- Firing handgun
- Reloading handgun
- Holstering handgun

Instructor will discuss and demonstrate safety retrieving a handgun from the floor.

Instructor will discuss and demonstrate the following from a seated position:

- Shooting
- Reloading
- Recovering to Standing "Tactical Get-up"

Instructor will discuss and demonstrate proper use of cover while:

- Shooting from right and left side of cover
- Shooting over cover
- Moving to cover
- Reloading and clearing malfunctions behind cover

Part One – Weapon Manipulation and Unorthodox Position with Jacket and Gloves

Ammunition: 27 rounds divided by 2 or 3 magazines

Target: TCT-Mk1

5-Yard Line

Officer will draw and holster an unloaded handgun while wearing jacket and gloves. The instructor will evaluate the officer's ability to safely draw and holster while wearing jacket and gloves.

5-Yard Line

Officer will stand at the 5-Yard line. On Command, officers will draw handgun while moving laterally and giving verbal commands, accurately fire rounds, scan and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Holster
- 3 Rounds, Scan, Holster
- 4 Rounds, Scan, Holster

7 – Yard Line Moving to 5 – Yard Line

Weapons are placed on the floor at the 5 – Yard line. Officers are at the 7 – Yard line in Kneeling Position. On Command, officers retrieve weapons while giving verbal commands, accurately fire rounds from Kneeling Position at the 5 – Yard line, scan, recover to standing, scan again and holster handgun.

One-Handed or Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

7 – Yard Line

Weapons are placed on the floor at the 7 – Yard line. Officers are seated on the floor at the 7 – Yard line with handguns between legs. Officers are in a *Ready Position*. On Command, officers give verbal commands then accurately fire rounds from seated position, scan, recover to standing, scan again and holster handgun.

One-Handed or Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

Part Two – Use of Cover and Malfunctions with Jacket and Gloves

Ammunition: 23 rounds divided by 2 or 3 magazines plus 1 “dummy” round per magazine

Target: TCT – Mk1

14-Yard Line Moving to 12-Yard Line

The officer will begin on the 14-Yard line, behind and to the side of the simulated cover. The simulated cover is on the 12-Yard line.

Four “stepped” barricades are placed on the 12- Yard line. One barricade will be placed in Lane 2, Lane 4, Lane 6 and Lane 8. The officer will use either the right side, left side or top of the barricade. One “gold” arrow sign and one “brown” arrow sign will be placed on each barricade to signify the portion of cover the officer will utilize.

Officer will be instructed to:

- Use the “gold” portion of cover
- Use the “brown” portion of cover
- Move laterally (right or left) to cover on the command of “Threat.”
- Give verbal commands
- Fire 3 rounds into the center of the target from behind cover
- Reload and clear malfunctions as needed from behind cover
- Scan while recovering to standing

2014 DECEMBER HANDGUN EXERCISE Instructor Schedule

Lesson Plan *Adverse Weather Handgun Exercise*

APPROVAL DATE: December 2, 2015

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0831

TRAINING UNIT - 425 GROVE STREET
SAINT PAUL, MINNESOTA 55101
651-266-9500

Ramsey County Sheriff's Office #6200 - 0831

TRAINING GOAL:

The goal of the Adverse Weather Handgun Exercise is:

- To increase the officer's ability to successfully engage a deadly force threat while wearing cold weather gear.
- To increase the officer's ability to successfully engage a deadly force threat while in unorthodox positions and wearing cold weather gear.
- To increase the officer's ability to effectively use cover and concealment while engaging a deadly force threat and wearing cold weather gear.

PERFORMANCE OBJECTIVES:

Upon the completion of this course the officer will demonstrate knowledge in the following:

- The officer will demonstrate safe handling of firearm used during training while wearing cold weather gear.
 - Safely and correctly drawing and holstering their handgun.
 - Safely and correctly loading their handgun.
- The officer will demonstrate the ability to solve the following issues associated with adverse weather conditions.
 - Firearm control while wearing gloves.
 - Reduced mobility in drawing and firing the handgun due to heavy clothing.
 - Limitations of access to handguns and spare ammunition due to heavy outer clothing.
- The officer will demonstrate the ability to perform the following skills associated with shooting from a kneeling and prone position while wearing cold weather gear.
 - Firearm control.
 - Efficient movement to standing position
- The officer will demonstrate the ability to perform the following skills associated with using cover and shooting while wearing cold weather gear.
 - Proper distance from cover.
 - Properly using the side of cover and top of cover.
 - Reloading from behind cover.
 - Clearing malfunction from behind cover.

METHOD OF INSTRUCTION:

- Demonstration
- Dry Fire
- Live fire

METHOD OF EVALUATION:

The officer will safely perform the skills to the satisfaction of the instructors.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

INSTRUCTOR REQUIREMENTS:

NUMBER OF INSTRUCTOR(S): *See Attached Instructor Schedule*

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for ONE hour(s) of continuing education credit.

OUTLINE

Instructor Presentation – On Range:

Instructor will discuss and demonstrate the effects of wearing cold weather jacket and gloves relating to:

- Drawing handgun
- Firing handgun
- Reloading handgun
- Holstering handgun

Instructor will discuss and demonstrate the following from a kneeling position while wearing cold weather jacket and gloves:

- Drawing handgun
- Firing handgun
- Reloading handgun
- Recovering to standing

Instructor will discuss and demonstrate the following from a prone position while wearing cold weather jacket and gloves:

- Firing handgun
- Reloading handgun
- Recovering to standing

Instructor will discuss and demonstrate proper use of cover while wearing cold weather jacket and gloves:

- Moving to cover
- Shooting from right and left side of cover
- Shooting over cover
- Reloading and clearing malfunctions behind cover

Part One – Weapon Manipulation and Unorthodox Position with Jacket and Gloves

Ammunition: 27 rounds divided by 2 or 3 magazines

Target: TCT-MK1

The officer will draw and holster an unloaded handgun while wearing cold weather jacket and gloves. The instructor will evaluate the officer's ability to safely draw and holster while wearing cold weather jacket and gloves. The instructor will demonstrate all of the drills dry fire. The officer will dry fire all of the drills before live fire begins.

5 - Yard Line

Officer will stand at the 5 - Yard line. On Command, the officer will draw handgun while moving laterally and giving verbal commands, accurately fire rounds, scan and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Holster
- 3 Rounds, Scan, Holster
- 4 Rounds, Scan, Holster

5 – Yard Line

Officer will kneel at the 5 – Yard. On Command, the officer will draw handgun while in a kneeling position, give verbal commands, accurately fire rounds from a kneeling position, scan, recover to standing, scan again and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

7 – Yard Line

Handgun is placed on the floor at the 7 – Yard line. The officer will prone on the floor at the 7 – Yard line next to their handgun. The officer will move to a *Ready Position*. On Command, the officer will give verbal commands then accurately fire rounds from prone position, scan, recover to standing, scan again and holster handgun.

One-Handed or Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

Part Two -- Use of Cover and Malfunctions with Jacket and Gloves

Ammunition: 23 rounds divided by two or three magazines plus one "dummy" round in one magazine

Target: TCT - MK1

14-Yard Line Moving to 12-Yard Line

The officer will begin on the 14-Yard line, behind and to the side of the simulated cover. The simulated cover is on the 12-Yard line.

Four "stepped" barricades are placed on the 12-Yard line. One barricade will be placed in Lane 2, Lane 4, Lane 6 and Lane 8. The officer will use either the right side, left side or top of the barricade. Three arrow signs will be placed on each barricade to signify the portion of cover the officer will utilize and the order it will be used.

Officer will be instructed to:

- Move laterally to cover on the command of "Threat."
- Index trigger finger while moving to and around cover
- Give verbal commands
- Fire 2 rounds into the center of the target from behind cover at each arrow (6 rounds total)
- Use "Arrow #1" portion of cover first
- Use "Arrow #2" portion of cover second
- Use "Arrow #3" portion of cover third
- Reload as needed from behind cover
- Clear malfunctions as needed from behind cover
- Scan
- Recover to standing if needed
- Scan again if needed
- Holster from standing

Part One – Weapon Manipulation and Unorthodox Positions with Jacket and Gloves

5 – Yard Line

Dry fire Standing, Kneeling, Prone & Use of Cover drills until the officer is safe, comfortable and confident.

*****Ammunition: 27 Rounds Divided by 2 or 3 Magazines*****

5 – Yard Line

Officer will stand at the 5-Yard line. On Command, the officer will draw handgun while moving laterally and giving verbal commands, accurately fire rounds, scan and holster handgun

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Holster
- 3 Rounds, Scan, Holster
- 4 Rounds, Scan, Holster

5 – Yard Line

Officer will kneel at the 5 – Yard. On Command, the officer will draw handgun while in a kneeling position, give verbal commands, accurately fire rounds from a kneeling position, scan, recover to standing, scan again and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

7 – Yard Line

Handgun is placed on the floor at the 7 – Yard line. The officer will prone on the floor at the 7 – Yard line next to their handgun. The officer will move to a *Ready Position*. On Command, officer will give verbal commands then accurately fire rounds from prone position, scan, recover to standing, scan again and holster handgun.

From Ready, One-Handed or Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Recover, Scan, Holster
- 3 Rounds, Scan, Recover, Scan, Holster
- 4 Rounds, Scan, Recover, Scan, Holster

Part Two – Use of Cover and Malfunctions with Jacket and Gloves

***** Ammunition: 23 Rounds Divided by 2 or 3 Magazines plus one dummy round *****

Four "stepped" barricades are placed on the 12- Yard line. One barricade will be placed in Lane 2, Lane 4, Lane 6 and Lane 8. The officer will use either the right side, left side or top of the barricade. Three arrow signs will be placed on each barricade to signify the portion of cover the officer will utilize and the order it will be used.

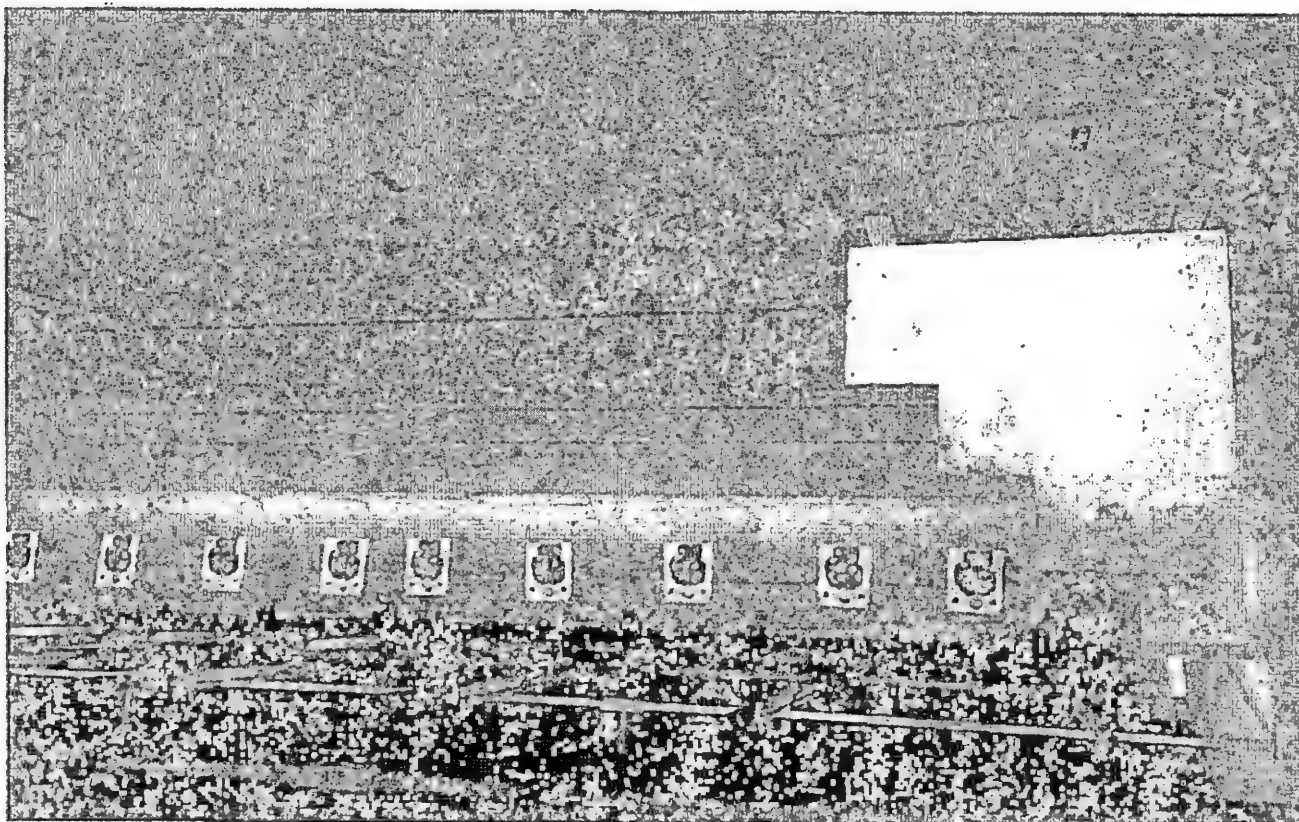

Officer will be instructed to:

- Move laterally to cover on the command of "Threat."
- Index trigger finger while moving to and around cover
- Give verbal commands
- Fire 2 rounds into the center of the target from behind cover at each arrow (6 rounds total)
- Use "Arrow #1" portion of cover first
- Use "Arrow #2" portion of cover second
- Use "Arrow #3" portion of cover third
- Reload as needed from behind cover
- Clear malfunctions as needed from behind cover
- Scan
- Recover to standing if needed
- Scan again if needed
- Holster from standing

RAMSEY COUNTY SHERIFF

425 Grove Street
Saint Paul, Minnesota 55101-2418
Telephone: 651-266-9333
Facsimile: 651-266-9301

December 2, 2015

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Adverse Weather Handgun Exercise
Course Number: 6200-0831
Course Approval Date: 12/02/2015
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation (Policy # 173.00)

Course Evaluator: Tony Waldo
Title: Sergeant, Training Unit

LOW LIGHT / BARRICADE HANDGUN EXERCISE

Instructors: East Metro Staff

Location: East Metro Firearms Range

Course Approval Date: January 18, 2011

Course Dates: Jan. 24 – Jan. 28 and Jan. 31 – Feb. 4, 2011

Course number: 6200- 0554

Goal: The goal of the 2011 Low Light / Barricade Handgun Exercise is to have officers successfully engage a threat target with their handgun with and without the aid of a flashlight in lowlight conditions.

Objectives: Upon the completion of this course students will demonstrate knowledge in the following Minnesota P.O.S.T. performance objectives as they relate to the officers firearm:

- The officer will demonstrate safe handling of all firearms used during training. This will include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly drawing and holstering the weapon.
 - Safely and correctly maintaining their authorized firearm.
 - Safely and correctly clearing malfunctions.
- The officer will demonstrate the ability to deal with the following issues associated with the use of authorized firearms in low light:
 - Muzzle Flash
 - Target Identification
 - Target accuracy
 - Movement to Cover and Shooting from Behind Cover
 - Immediate Action Procedure and Feedway Clearance Procedure
 - Correct Use of a Flashlight

Methodologies:

- Demonstration
- Coaching
- Live fire

Training Aids and Equipment:

- Ear and eye protection
- Duty handgun
- 50 rounds of ammunition
- Targets
- Demonstration weapons, "red gun"
- Various flashlights used by officers

Scoring:

Officers will safely perform the skills to the satisfaction of the instructor(s).

Small Group Presentation:

Range Instructor will demonstrate/discuss flashlight techniques:

- FBI
- Side-by-Side
- Stacked Hands
- Harries
- Palm Squeeze
- Support Side Shoulder
- Weapon Mounted Light

Range Instructor will demonstrate/discuss using flashlight from behind cover/barricade.

Range Instructor will demonstrate/discuss flashlight retention techniques during handgun malfunction clearance procedure.

Range Instructor will discuss shooting angles and movement.

Range Instructor will discuss communication with bystanders.

Range Set-Up:

Threat Target (*LE-6, LE-8, or LE-23*)

Non-Threat Target (*LE-4*)

Threat targets are placed on the 3-yard line of the range. Non-threat targets are placed on the 1-yard line of the range in portable target holders and are placed between each threat target. Overhead range lights are on "low light pre-set." Two LED red and blue light bars are hung at the 5-yard line in lanes 1 and 10. Plywood barricades are at the 15-yard line to simulate cover.

Threat target will turn from an edged position and face the shooter for allotted times. Shooter will be instructed to fire at "center mass" of threat target until it turns back to edged position.

4-yards from threat target

No flashlight

Threat target is exposed for 3 seconds

Shooter is instructed to have fifteen rounds of ammunition in two or three magazines.

Shooter will be instructed to:

- charge and holster handgun
- use self-illuminating handgun sights
- identify the target without the aid of a flashlight
- clear handgun malfunctions
- move one step laterally to the right or left (this maybe completed while the shooter is drawing their handgun or after firing their handgun)
- only engage threat target.
- give verbal commands (i.e. *Police. Drop the Gun. Sheriff. Drop the Gun.*)
- fire until the threat is no longer a threat
- scan for additional threats
- holster handgun when range staff instructs

7-yards from threat target

Flashlight

Threat target is exposed for 5 seconds

Shooter is instructed to have fifteen rounds of ammunition in two or three magazines. Shooter will have flashlight in *Support Hand*. Flashlight will be on.

Shooter will be instructed to:

- load and holster handgun
- use self-illuminating handgun sights
- identify the target with the aid of a flashlight
- use a flashlight technique discussed
- clear handgun malfunctions
- reload as necessary
- retain or discard flashlight during handgun malfunction clearance procedure or reload
- move one step laterally to the right or left (this maybe completed while the shooter is drawing their handgun or after firing their handgun)
- only engage threat target
- give verbal commands (i.e. *Police. Drop the Gun. Sheriff. Drop the Gun.*)

- fire until threat is no longer a threat
- scan for additional threats
- holster handgun when range staff instructs

12-yards from threat target

Flashlight

Threat target is exposed for 6 seconds

Shooter is instructed to have ten rounds of ammunition in two or three magazines.

Shooter will begin standing one arms length behind plywood barricade and one step to the right. Shooter will have flashlight in *Support Hand*. When threat target turns shooter will; move to cover while drawing handgun from holster, turn flashlight on, lean past the right side of barricade while exposing the least amount of their body, illuminate target, identify threat target, and engage threat.

Shooter will be instructed to do the same for the left side of the barricade.

Shooter will be instructed to:

- load and holster handgun
- use self-illuminating handgun sights
- identify the target with the aid of a flashlight
- avoid illuminating him or herself
- avoid illuminating cover
- clear handgun malfunctions from behind cover
- retain flashlight during handgun malfunction clearance procedure or reload
- reload handgun from behind cover
- give verbal commands (i.e. *Police. Drop the Gun. Sheriff. Drop the Gun.*)
- fire until threat target is no longer a threat
- only engage threat target
- scan for additional threats
- holster handgun when range staff instructs

Completion of Shoot

Shooter will verify his or her weapon is unloaded before leaving the range by physically and visually inspecting the chamber. Shooter will remove slide from receiver while on the range if shooter intends to clean handgun at range.

2011 LOWLIGHT / BARRICADE HANDGUN EXERCISE

7-Yard Line **(No Flashlight)** **(3 Seconds)**

2 magazines / one of 7 / one of 8 (15 total)

- Using both hands from holster
 - Step, draw, fire, scan (*or draw, fire, step, scan*)

10-Yard Line **(Flashlight)** **(5 Seconds)**

2 magazines / one of 7 / one of 8 (15 total)

- Using *Weapon Hand* from holster, flashlight in *Support Hand*
 - Step, draw, fire, scan (*or draw, fire, step, scan*)

15-Yard Line **(Flashlight)** **(6 Seconds)**

2 magazines of 10 rounds (20 total)

- Using *Weapon Hand* from holster, flashlight in *Support Hand*
 - Begin on right side of barricade, move to cover, engage threat from right side of barricade
 - Begin on left side of barricade, move to cover, engage threat from left side of barricade

Ramsey County Sheriff's Office

Low Light Handgun Exercise

LESSON PLAN

APPROVAL DATE: 01-20-12

PREPARED BY: Neil Iverson

COURSE LENGTH: 1.0 Hour

POST COURSE #: 6200-0601

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of the 2012 Low Light Handgun Exercise is:

- To increase the deputy's/officer's ability to successfully engage a deadly force threat in low light conditions.
- To increase the deputy's /officer's ability to effectively search a hallway and room with a flashlight and handgun.

PERFORMANCE OBJECTIVES

Upon the completion of this course deputies/officers will demonstrate knowledge in the following:

- The officer will demonstrate safe handling of firearm used during training.
 - a. Safely and correctly drawing and holstering their handgun
 - b. Safely and correctly loading their handgun
- The officer will demonstrate the ability to solve the following issues associated with low light conditions.
 - a. Identifying threat and non-threat targets
 - b. Use of duty handgun night sights
 - c. Flashlight control and technique
 - d. Reloading in low light
- The officer will demonstrate the ability to perform the following skills associated with use of cover or concealment while searching for threat targets.
 - a. Distance from cover or concealment
 - b. Use of proper searching technique (*cutting the pie*)
 - c. Reloading from behind cover or concealment

METHOD OF INSTRUCTION

- Demonstration
- Coaching
- Live fire

METHOD OF EVALUATION

Officers will safely perform the skills to the satisfaction of the instructor(s).

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTOR(S) Three

INSTRUCTORS: Training Unit

EQUIPMENT REQUIREMENTS

1. Ear and eye protection
2. Duty weapon
3. Flashlight (instructor and student)
4. 50 rounds ammunition
5. Target – *TQ-19, LE-6, LE-8, LE-23, LE-26*
6. Target Overlays – *Badge, Handgun, Open Hand, Beer Bottle, Flashlight*
7. 8 Barricades (2'x 8')
8. Red plastic demonstration weapon

OUTLINE

Instructor small group presentation: *(On range)*

Range Instructor will demonstrate/discuss the following flashlight techniques:

- FBI
- Side-by-Side
- Harries
- Marine Corps
- Support Side Shoulder
- Weapon Mounted Light

Range Instructor will demonstrate/discuss using flashlight from behind cover/barricade.

Range Instructor will demonstrate/discuss flashlight retention techniques during handgun reloading procedure

Part One – Duty-Handgun / Light Manipulation

Target: *TQ-19 or LE-6, LE-8, LE-23, LE-26*

Ammunition: *3 magazines / 24 rounds*

Targets are placed on the "zero"-yard line of the range in lanes 1 through 6. Overhead range lights are off. Red and white strobe lights at the 25-yard line are on.

Shooter will:

- *draw duty-handgun*
- *move one step laterally to left or right*
- *fire three rounds at the "center mass" of the target.*
- *"scan" for more "deadly threat" targets*
- *holster duty-handgun*
- *reload as needed*

3 – Yard Line

Shooter will not use a flashlight or weapon mounted light

From Holster, Two-Handed Grip (Weapon Hand)

- *3 rounds, Scan, Holster (Repeat 2x)*

From Ready Position, Two-Handed Grip (Weapon Hand)

- *3 rounds, Scan, Ready (Repeat 2x)*

7 – Yard Line

Shooter will use a flashlight or weapon mounted light

From Holster, Two-Handed Grip (Weapon Hand)

- *3 rounds, Scan, Holster (Repeat 2x)*

From Ready Position, Two-Handed Grip (Weapon Hand)

- *3 rounds, Scan, Ready (Repeat 2x)*

Part Two – Movement with Duty-Handgun and Flashlight

Target: LE-6, LE-8, LE-23, LE-26

Ammunition: 3 magazines / 26 rounds

Black plastic sheets are hung between lanes 9 and 10 of the range creating a "hallway." The hallway begins at the 20-yard line and continues to the 7-yard line. Black plastic is also hung laterally between lanes 7, 8, 9, and 10 from the 7-yard line toward the range backstop creating two "rooms."

Targets will not be placed in the hallway. Room #1 and Room #2 will each have three targets. Instructor will change targets between deadly force and non-deadly force targets. Deadly force targets will be a picture of man or woman with a handgun pointed forward. Non-deadly force targets will be a picture of a man or woman holding a flashlight, bottle, badge, or empty handed.

Instructor to student ratio will be one-to-one. This exercise will be run one student per time. Overhead range light will be off. Shooter must use flashlight or weapon mounted light to see.

Instructor will review hallway and room searching techniques.

Students will be instructed to:

- *use cover and concealment as much as possible (cut the pie)*
- *use sound flashlight techniques*
- *create as much distance as possible between them and unsearched areas*
- *identify all targets as deadly force or non-deadly force threats*
- *only engage deadly force targets*
- *reload as needed*

Hallway

The shooter will:

- draw and charge duty-handgun
- search the hallway for threat and non-threat targets as he/she walks toward Room #1
- use good muzzle and light discipline

Room #1

Shooter will:

- use flashlight or weapon mounted light to see into Room #1
- identify threat and non-threat targets
- use voice commands
- accurately fire 3 rounds into the "high center mass" of each deadly threat target

- reload as needed
- move to Room #2 on instructor's command

Room #2

Shooter will:

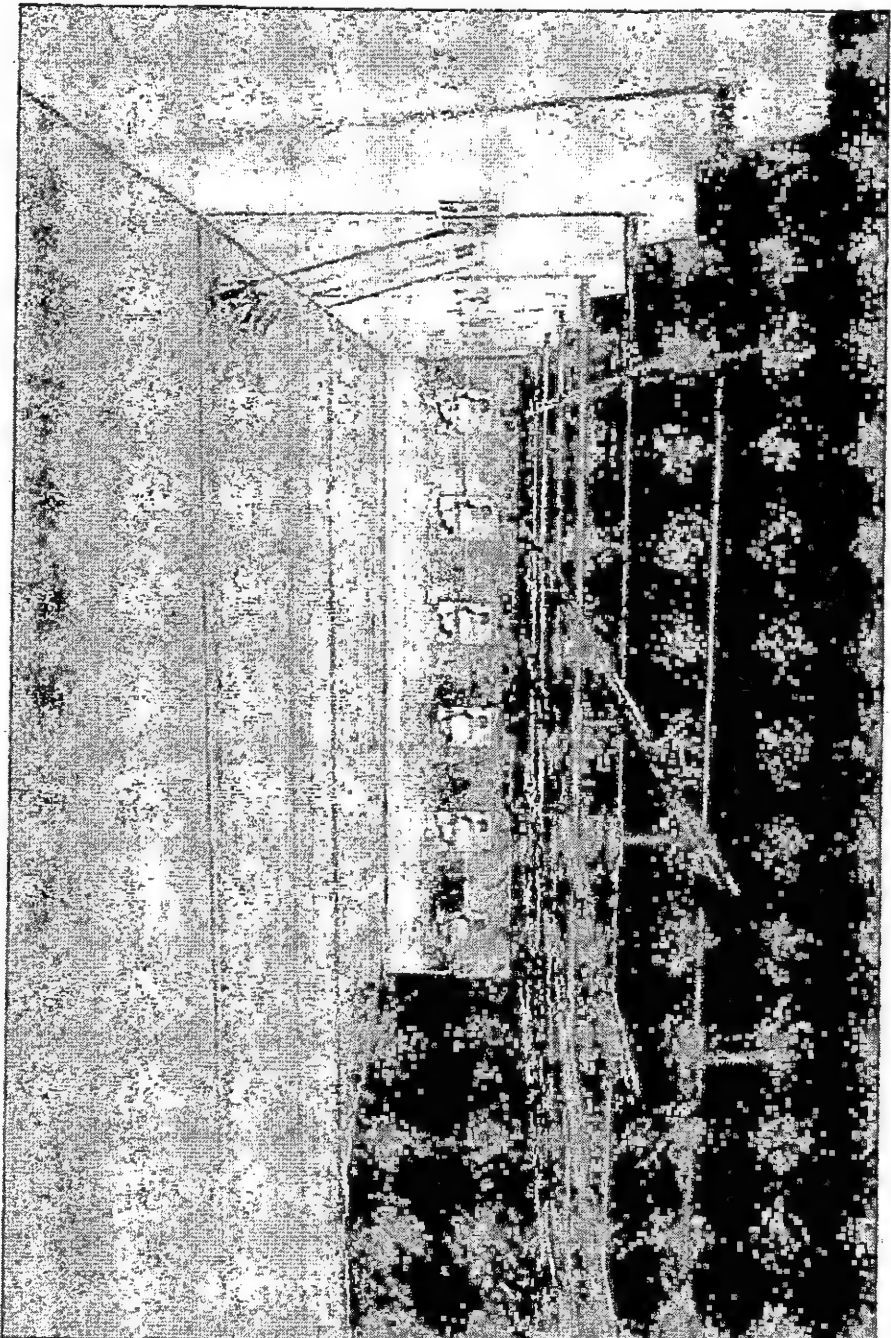

- use flashlight or weapon light to see into Room #2
- identify threat and non-threat targets
- use voice commands
- accurately fire 3 rounds into the "high center mass" of each deadly threat target
- reload as needed

Shooter will complete the Movement with Duty-Handgun and Flashlight exercise twice. Instructor will change position of deadly force and non-deadly force targets between first and second exercise. If shooter has not expelled all rounds at the end of the second movement exercise, shooter will "cut the pie" into Room #2 again and firing remaining rounds into the "high center mass" of a deadly threat target.

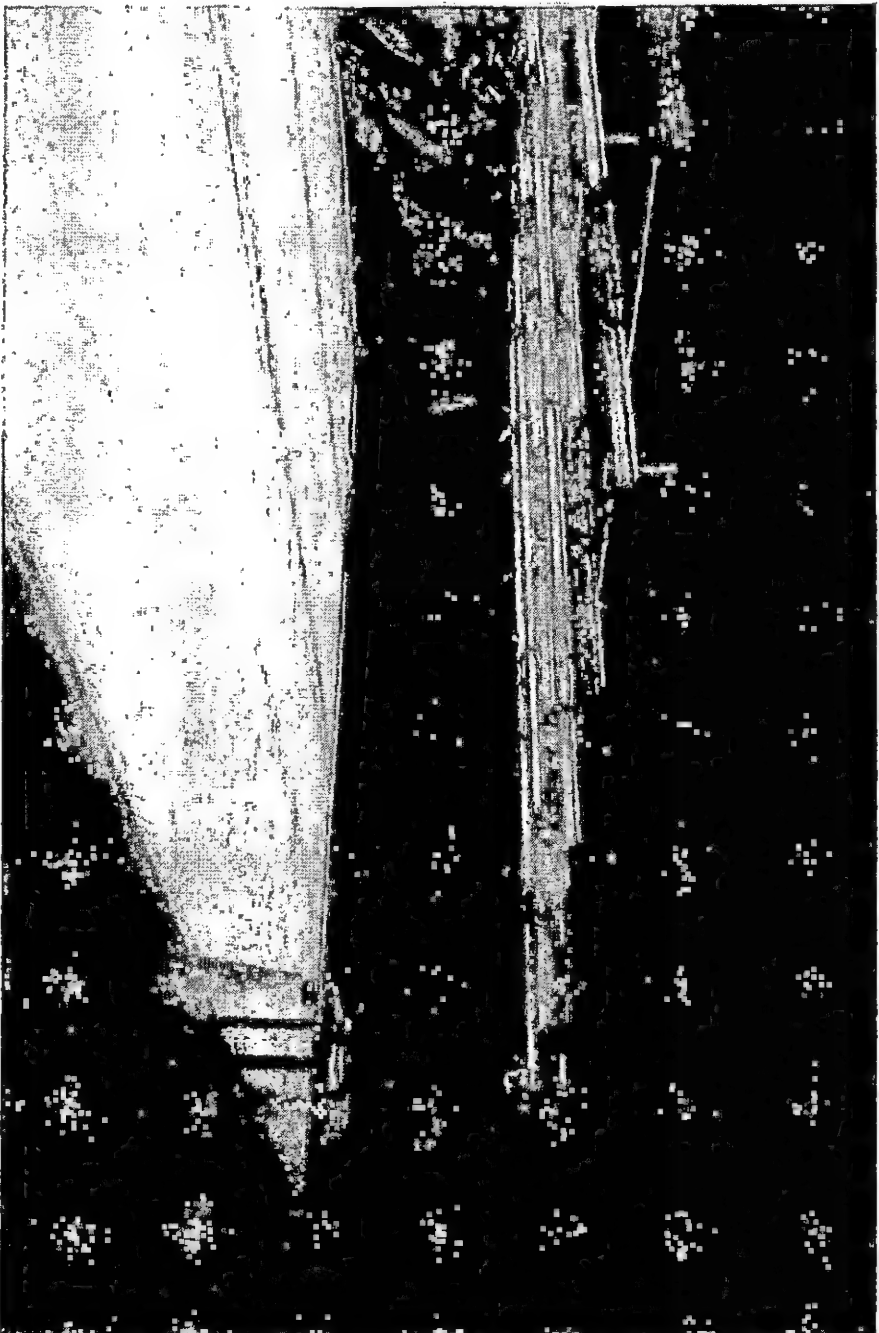

Room #1

Lanes 1 through 6

Hallway and Rooms (outside)

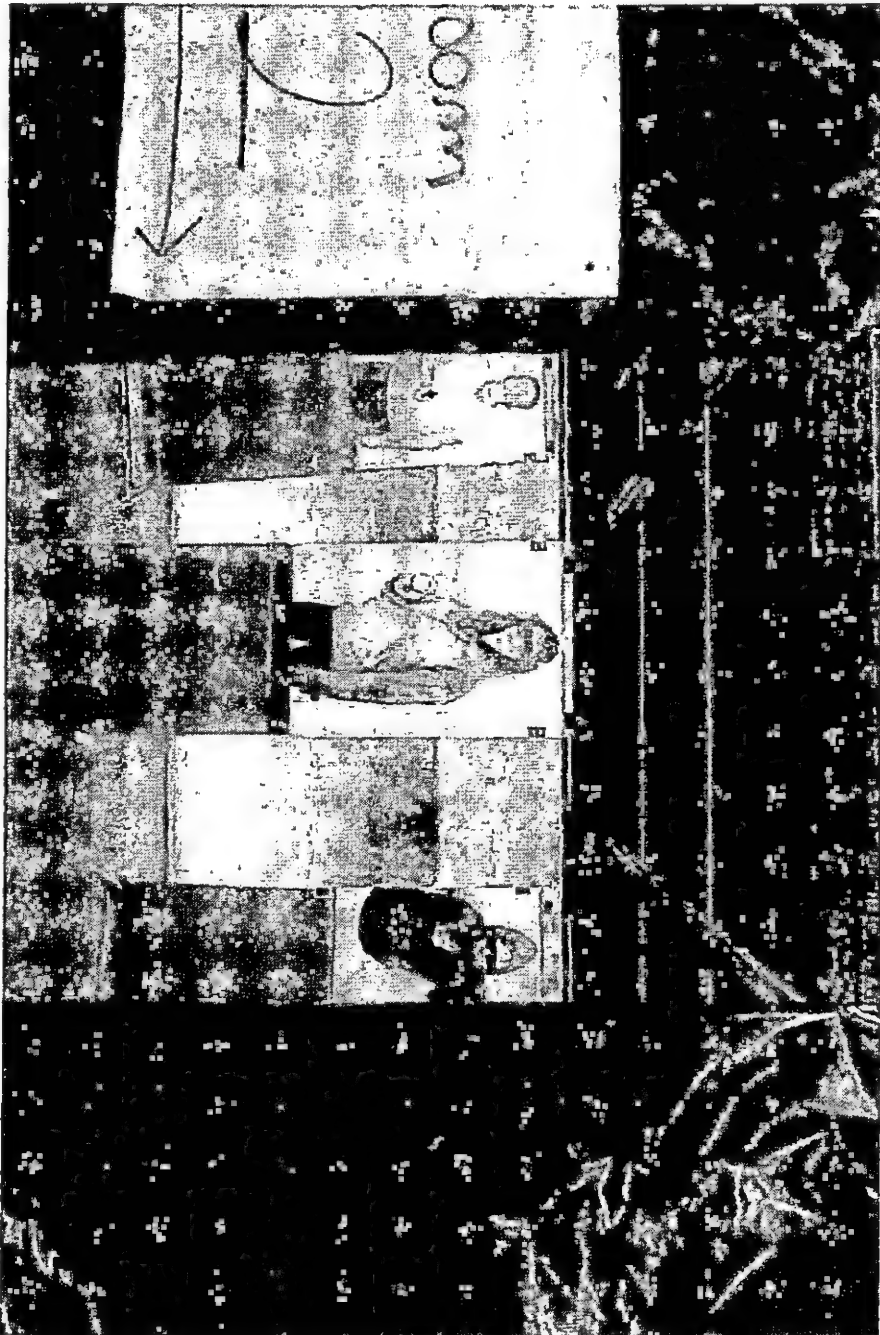

Beginning of Hallway

End of Hallway

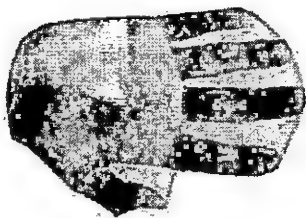

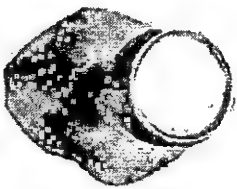

Room #2

Target Overlays

Deadly and Non-Deadly Force

Low Light Handgun Exercise 2013

LESSON PLAN

APPROVAL DATE: *January 2, 2013*

PREPARED BY: *Steve Yochim*

COURSE LENGTH: 1.0 Hrs

POST COURSE #6200-0666

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL:

The goal of this one-hour course is to have officers successfully complete a course of fire in low light conditions using a flashlight.

PERFORMANCE OBJECTIVES:

Upon the completion of this course students will demonstrate knowledge and proficiency in the following POST performance objectives as they relate to the officers firearm:

- The officer will demonstrate safe handling of all firearms used during training. This will include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly drawing and holstering the weapon.
 - Safely and correctly maintaining their authorized firearm.
 - Safely and correctly clearing malfunctions.
- The officer will demonstrate effective techniques in the following areas:
 - Accuracy during low light conditions.
 - Effective use of a flashlight during engagement of the target.
 - Reloading the firearm during low light conditions.
 - Successful manipulation of the firearm during set up malfunctions (dummy rounds).

METHOD:

Instructor will outline the shoot, and then demonstrate different techniques with a flashlight and red gun.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION:Scoring:

Officers will safely perform the skills to the satisfaction of the instructors.

NUMBER OF INSTRUCTOR(S) There will be a minimum of two instructors staffing the Range at all times.

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN:

☐ YES

☒ NO

(If checked No, Instructor's resume will be filed separately.)

EQUIPMENT REQUIREMENTS:

Range Set-Up:

The East Metro Firearms Range will be set up in the following manner:

- Target stands with backers and target # will be placed approximately two yards from the base of the backstop.
- Black tarps will be hung from the overhead tracks, producing lanes to provide a barrier from other shooters lights from adjacent lanes.
- The tarps will run from the 2 yard line to the 7 yard line (15 feet).
- A reloading table will be placed at the 20 yard line with a dim light mounted from the ceiling for illumination for reloading purposes.

Training Aids and Equipment:

- Ear and eye protection, to include both ear plugs and ear muffs.
- Duty weapon and flashlight.
- 50 rounds of ammunition.
- Red demonstration weapons.
- Dummy Rounds

BODY OF LESSON PLAN - OUTLINE

At the beginning of the course, students will be directed to load two or three magazines with 25 rounds dispersed amongst them. They will be told to not put a magazine into their weapon as they will be dry firing during the initial portion of the course. They will then sign in and be directed to wear eye protection and ear protection, to include both ear plugs and ear muffs.

- Small Group Presentation:
 - Range Instructors will discuss:
 - Importance of having a flashlight technique. Instructors will demonstrate the most common types of flashlight techniques, to include but not limited to:
 - a. Side by Side
 - b. Stacked Hands Technique
 - c. Harries Technique
 - d. Palm Squeeze technique
 - e. Support Side Shoulder Technique or Neck -Index Technique
 - Reloading the firearm, while holding the flashlight (ex. under armpit).
 - Clearing malfunctions while holding the flashlight.
 - Importance of verbal commands.
 - Importance of using sights.
 - Importance of stepping laterally.
 - Importance of not holstering too soon.
 - Importance of muzzle control during all operations on the Range.

Once the small group presentation is completed, students will be directed to the 7 yard line. Once there they will insure their weapons are unloaded, then draw their flashlight and firearm and work on their preferred flashlight technique. Once all students have re-acclimated themselves with their preferred technique to the satisfaction of the instructor, they will be directed to charge their weapons and re-holster.

7 yard line - 5 Rounds

From the seven yard line (5 yards from the target), students will be directed to draw and fire one round on the command of "threat" while using their favored flashlight technique. The overhead lights will remain on for this exercise to insure instructors can see proper and safe techniques being used. This drill will be repeated for a total of five cycles.

7 yard line - 20 Rounds

At this point the overhead lights will be turned off. Students will be instructed to use their flashlight technique to simulate a search. On the command of "threat", students will draw and fire one to four rounds, changing the count of rounds fired each cycle. Three cycles of this drill will be run. Once the third cycle has been completed, officers will be instructed to keep their firearm out to simulate searching. On the command of "threat", officers will fire one to four rounds until all 20 rounds are fired. Students will automatically reload their firearm when the

prior magazine is empty. *(During this portion of the drill, if officers have a weapon mounted light and would like to use it, they may.)*

10 Yard Lind - 25 Rounds

Upon completion of the above drill, officers will be directed to load the remaining 25 rounds into their magazines. Additionally, they will insert a total of six dummy rounds into the magazines, making sure the dummy rounds are not loaded first, last or together in the magazines.

The instructor will review the "Tap-Rack-Assesses" technique of clearing a malfunction while handling the flashlight with the students. Once reviewed, the students will be directed to the ten yard line where they will complete dry fire tap rack drills. Once the students have demonstrated proficiency with the dry fire drill, they will be directed to charge their weapon and re-holster.

Students will be instructed to use their flashlight technique to simulate a search. On the command of "threat", students will draw and fire one to four rounds, changing the count of rounds fired each cycle. Students will successfully clear any malfunctions occurring with the dummy rounds (or any other reason). Four cycles of this drill will be run. Once the fourth cycle has been completed, officers will be instructed to keep their firearm out to simulate searching. On the command of "threat", officers will fire one to four rounds until all 25 rounds are fired. Students will automatically reload their firearm when the prior magazine is empty. *(During this portion of the drill, if officers have a weapon mounted light and would like to use it, they may.)*

Completion of Shoot

The shooters will verify that his or her weapon is empty by physically and visually inspecting the chamber and magazine well of the handgun. Officers will then police their dummy rounds and be excused to the cleaning room to:

- Field strip weapon.
- Clean weapon.
- Lubricate weapon.
- Reload weapon at charging barrel.

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Low Light Handgun Exercise
Course Number: 6200-0666
Course Approval Date: Jan 2, 2013
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction.
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation (Policy # 173.00)

Low Light Handgun Exercise 2013

LESSON PLAN

APPROVAL DATE: *January 2, 2013*

PREPARED BY: *Steve Yochim*

COURSE LENGTH: 1.0 Hrs

POST COURSE #6200-0666

**425 GROVE ST.
ST. PAUL, MINNESOTA 55101**

TRAINING GOAL:

The goal of this one-hour course is to have officers successfully complete a course of fire in low light conditions using a flashlight.

PERFORMANCE OBJECTIVES:

Upon the completion of this course students will demonstrate knowledge and proficiency in the following POST performance objectives as they relate to the officers firearm:

- The officer will demonstrate safe handling of all firearms used during training. This will include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly drawing and holstering the weapon.
 - Safely and correctly maintaining their authorized firearm.
 - Safely and correctly clearing malfunctions.
- The officer will demonstrate effective techniques in the following areas:
 - Accuracy during low light conditions.
 - Effective use of a flashlight during engagement of the target.
 - Reloading the firearm during low light conditions.
 - Successful manipulation of the firearm during set up malfunctions (dummy rounds).

METHOD:

Instructor will outline the shoot, and then demonstrate different techniques with a flashlight and red gun.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION:Scoring:

Officers will safely perform the skills to the satisfaction of the instructors.

NUMBER OF INSTRUCTOR(S) There will be a minimum of two instructors staffing the Range at all times.

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN:

☐ YES

☒ NO

(If checked No, Instructor's resume will be filed separately.)

EQUIPMENT REQUIREMENTS:

Range Set-Up:

The East Metro Firearms Range will be set up in the following manner:

- Target stands with backers and target # will be placed approximately two yards from the base of the backstop.
- Black tarps will be hung from the overhead tracks, producing lanes to provide a barrier from other shooters lights from adjacent lanes.
- The tarps will run from the 2 yard line to the 7 yard line (15 feet).
- A reloading table will be placed at the 20 yard line with a dim light mounted from the ceiling for illumination for reloading purposes.

Training Aids and Equipment:

- Ear and eye protection, to include both ear plugs and ear muffs.
- Duty weapon and flashlight.
- 50 rounds of ammunition.
- Red demonstration weapons.
- Dummy Rounds

BODY OF LESSON PLAN - OUTLINE

At the beginning of the course, students will be directed to load two or three magazines with 25 rounds dispersed amongst them. They will be told to not put a magazine into their weapon as they will be dry firing during the initial portion of the course. They will then sign in and be directed to wear eye protection and ear protection, to include both ear plugs and ear muffs.

- Small Group Presentation:
 - Range Instructors will discuss:
 - Importance of having a flashlight technique. Instructors will demonstrate the most common types of flashlight techniques, to include but not limited to:
 - a. Side by Side
 - b. Stacked Hands Technique
 - c. Harries Technique
 - d. Palm Squeeze technique
 - e. Support Side Shoulder Technique or Neck -Index Technique
 - Reloading the firearm, while holding the flashlight (ex. under armpit).
 - Clearing malfunctions while holding the flashlight.
 - Importance of verbal commands.
 - Importance of using sights.
 - Importance of stepping laterally.
 - Importance of not holstering too soon.
 - Importance of muzzle control during all operations on the Range.

Once the small group presentation is completed, students will be directed to the 7 yard line. Once there they will insure their weapons are unloaded, then draw their flashlight and firearm and work on their preferred flashlight technique. Once all students have re-acclimated themselves with their preferred technique to the satisfaction of the instructor, they will be directed to charge their weapons and re-holster.

7 yard line - 5 Rounds

From the seven yard line (5 yards from the target), students will be directed to draw and fire one round on the command of "threat" while using their favored flashlight technique. The overhead lights will remain on for this exercise to insure instructors can see proper and safe techniques being used. This drill will be repeated for a total of five cycles.

7 yard line - 20 Rounds

At this point the overhead lights will be turned off. Students will be instructed to use their flashlight technique to simulate a search. On the command of "threat", students will draw and fire one to four rounds, changing the count of rounds fired each cycle. **Three cycles** of this drill will be run. Once the third cycle has been completed, officers will be instructed to keep their firearm out to simulate searching. On the command of "threat", officers will fire one to four rounds until all 20 rounds are fired. Students will automatically reload their firearm when the

prior magazine is empty. *(During this portion of the drill, if officers have a weapon mounted light and would like to use it, they may.)*

10 Yard Lind - 25 Rounds

Upon completion of the above drill, officers will be directed to load the remaining 25 rounds into their magazines. Additionally, they will insert a total of six dummy rounds into the magazines, making sure the dummy rounds are not loaded first, last or together in the magazines.

The instructor will review the "Tap-Rack-Assesses" technique of clearing a malfunction while handling the flashlight with the students. Once reviewed, the students will be directed to the ten yard line where they will complete dry fire tap rack drills. Once the students have demonstrated proficiency with the dry fire drill, they will be directed to charge their weapon and re-holster.

Students will be instructed to use their flashlight technique to simulate a search. On the command of "threat", students will draw and fire one to four rounds, changing the count of rounds fired each cycle. Students will successfully clear any malfunctions occurring with the dummy rounds (or any other reason). Four cycles of this drill will be run. Once the fourth cycle has been completed, officers will be instructed to keep their firearm out to simulate searching. On the command of "threat", officers will fire one to four rounds until all 25 rounds are fired. Students will automatically reload their firearm when the prior magazine is empty. *(During this portion of the drill, if officers have a weapon mounted light and would like to use it, they may.)*

Completion of Shoot

The shooters will verify that his or her weapon is empty by physically and visually inspecting the chamber and magazine well of the handgun. Officers will then police their dummy rounds and be excused to the cleaning room to:

- Field strip weapon.
- Clean weapon.
- Lubricate weapon.
- Reload weapon at charging barrel.

Handgun Qualification

Instructors: East Metro Staff

Location: East Metro Firearms Range

Course Number: 6200-0571

Course Approval Date: 06-02-11

Length: One hour

Goal: The goal of this course is to have officers meet the Minnesota P.O.S.T. Board training objectives by safely firing their duty weapons two handed, weapon hand only and reaction hand only. The officer will complete a 250 point, 50 round, course of fire with a minimum proficiency requirement of 70% (175 points) and a goal of at least 80% (200 points). Instructors and RCS SWAT members must score at least 90% (225 points).

Objectives: Upon completion of this one hour course students will demonstrate knowledge in the following Minnesota P.O.S.T. Performance Objectives as they relate to the officer's firearm.

PRINCIPLE OF FIREARMS USE

Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with Minn. Stat. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the weak hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

HANDGUN RANGE EXERCISE

Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Reloading techniques
 - c. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Equipment needed:

1. Hearing protection.
2. Eye protection.
3. 50 rounds of ammunition
4. Duty weapon.
5. SPPD 10 targets.

Course Outline:

1. Re-familiarize the officers with the type and characteristics of the duty ammo their particular agency is utilizing for their firearms.
2. Discuss when firing from the weak hand only may be advantageous or necessary. Examples may include:
 - a. Weapon hand becomes disabled.
 - b. Available cover and/or body position limit successfully firing from the strong hand.
3. Discuss and demonstrate safe firearm handling techniques, to include:
 - a. Safely and correctly loading and unloading of the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Discuss the safe and correct maintenance their authorized firearm.

Once the above has been completed, officers will move to the firearms range to complete the 50 round qualification course.

Upon successful completion of the qualification course, officers will demonstrate the safe and correct procedures for cleaning and maintaining their duty weapon.

Duty-Handgun Qualification

The officer will complete a 250 point, 50 round course of fire with a minimum proficiency requirement of 70% (175 points) and a goal of at least 80% (200 points). Instructors and RCS SWAT members must score at least 90% (225 points). The target being used is the S.P.P.D. 10 silhouette. The student will get 5 points for each round inside the center mass and 3 points for anything outside of the center mass but inside the silhouette. If a round breaks the white line of the center mass, it counts as 5 points. If a round goes outside of the center mass but rips the paper across the center mass line, it counts as three points.

3-Yard Line (10 rounds total)

Load 1 magazine with 10 rounds.

- Reactionary hand only from the low ready, fire 5 rounds in 8 seconds.
- Strong hand only from the low ready, fire 5 rounds in 6 seconds.

Reload with either of the other magazines and holster. Use both hands from this point forward.

7-Yard Line (15 rounds total)

Load 1 magazine with 8 rounds.

Load 1 magazine with 7 rounds.

- From the holster, draw and fire 6 rounds in 8 seconds, then holster.
- From the holster, draw and fire 9 rounds in 15 seconds (*Re-load exercise*).

10 Yard Line (10 rounds total)

Load 2 magazines with 5 rounds each.

- From the holster, draw and fire 4 rounds in 8 seconds. Holster.
- From the holster, draw and fire 6 rounds in 15 seconds (*Re-load exercise*).

14 Yard Line (10 rounds total)

Load 3 magazines with 5 rounds each.

- From the holster, draw and fire 10 rounds from two magazines in 22 seconds (*Re-load exercise*). Reload and holster.

20 Yard Line (5 rounds total)

- From the holster, draw and fire 5 rounds from the remaining magazine in 12 seconds.

Ramsey County Sheriff's Office

APPROVAL DATE: 06-04-14

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE #: 6200-0745

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of this course is to have officers meet the Minnesota P.O.S.T. Board firearm training objectives.

PERFORMANCE OBJECTIVES

Upon completion of this qualification officers will demonstrate knowledge pertaining to the Minnesota P.O.S.T. Board *Principles of Firearms Use* and *Handgun Range Exercises* performance objectives. Officers will also complete a Pass/Fail, 50 round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position.

METHOD

Class discussion on range
Live fire

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Pass/Fail during live fire qualification. (80% hit rate and timed fire at each position)

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

MATERIALS AND HANDOUTS

1. Hearing protection
2. Eye protection
3. 50 rounds of ammunition
4. Duty handgun
5. *TQ-19* silhouette target
6. Range barricades for cover

BODY OF LESSON PLAN – OUTLINE

Minnesota P.O.S.T Principles of Firearms Use Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with MN. STAT. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the reaction hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

Minnesota P.O.S.T. Handgun Range Exercise Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Shooting from cover
 - c. Reloading techniques
 - d. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Course Outline:

1. Discuss safe firearm handling techniques, to include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm
2. Discuss the various methods of handling and storing firearms in compliance with Minnesota Statute 609.666.
3. Discuss the type and characteristics of the duty ammunition used by the officer.
4. Discuss when firing from the *support-hand* only may be advantageous or necessary.
5. Discuss the circumstances that justify the use of deadly force by peace officers.

Once the above has been completed, officers will complete the 50 round duty handgun qualification course.

Upon successful completion of the qualification course, officers will demonstrate the safe and correct procedures for cleaning and maintaining their duty weapon.

Duty Handgun Qualification

The officer will complete a pass/fail, 50-round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position. The target being used is the *TQ-19* silhouette. The officer will receive 1 point for each hit inside the center of the silhouette (designated by light-gray color) and zero points for any hits outside of the center. If a round breaks the white line around the center, it counts as 1 point.

*****One Hand Only from Ready*****

3-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Weapon-hand only, from ready position, fire 5 rounds in 6 seconds
- Support-hand only, from ready position, fire 5 rounds in 9 seconds

*****Both Hands from Holster*****

5-Yard Line (12 of 15 rounds needed)

Load 1 magazine with 8 rounds

Load 1 magazine with 7 rounds

- Draw and fire 6 rounds in 9 seconds
- Draw and fire 9 rounds in 15 seconds (*Re-load exercise*)

7-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Draw and fire 4 rounds in 7 seconds
- Draw and fire 6 rounds in 15 seconds (*Re-load exercise*)

10-Yard Line (4 of 5 rounds needed)

Load 1 magazine with 5 rounds

- Draw and fire 5 rounds in 12 seconds

*****From Behind Cover*****

15-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Right-Side of Cover, draw and fire 5 rounds, reload from behind cover, move to Left-Side of Cover and fire 5 rounds — no time limit

Duty Handgun Qualification

LESSON PLAN

APPROVAL DATE: 06-03-15

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE #: 6200-0799

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of this course is test the participant's ability to meet the Minnesota P.O.S.T. Board firearm training objectives.

PERFORMANCE OBJECTIVES

Upon completion of this qualification officers will demonstrate knowledge pertaining to the Minnesota P.O.S.T. Board *Principles of Firearms Use* and *Handgun Range Exercises* performance objectives. Officers will also complete a Pass/Fail, 50 round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position.

METHOD

- Instructor Presentation and Discussion
- Live Fire Qualification

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Pass/Fail during live fire qualification. (80% hit rate and timed fire at each position)

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

MATERIALS AND HANDOUTS

1. Hearing protection
2. Eye protection
3. 50 rounds of ammunition
4. Duty handgun and two magazines
5. Duty handgun holster
6. TQ-19 silhouette target
7. Eight 2'x 8' simulated plywood barricades
8. Two Stop Watches
9. Permanent Markers

Range Set-Up: *(See attached photos)*

- Targets are on the zero-yard line of the range.
- Barricades are placed on the 15-yard line in front of each target.

OUTLINE

Instructor Presentation

Instructor will discuss:

- Discuss safe firearm handling techniques, to include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly holstering and drawing of the firearm.
 - Safely and correctly clearing malfunctions.
 - Safely and correctly maintaining their authorized firearm
- Minnesota Statute 609.666.
- When firing from the *weak-hand* only may be advantageous or necessary.
- Circumstances that justify the use of deadly force by peace officers.
- Authorized firearms and ammunition utilized by the agency.

Once the above has been completed, officers will complete the 50 round duty handgun qualification course. Officers will be given three opportunities to successfully complete the qualification. After three unsuccessful attempts, additional mandatory training will be completed.

Duty Handgun Qualification

Officers will complete a 50-round qualification course of fire. Officers will shoot their duty-handgun from the 3, 5, 7, 10, and 15 yard line. Officers will be tested on their ability to hit the center of the target within the allotted time limit from each distance. The target used will be the *TQ-19* silhouette target. The light gray center of the target will designate the hit zone. One point will be given for a hit inside the gray area, including the line around the hit area. Any shot outside this area or after the allotted time limit will received zero points. 80% of shots at each distance must be in the hit zone of the target to pass.

Officers will begin with their handguns in either a ready position or from the holster. If the officers are beginning from a ready position, their handgun will be compressed at chest level with their trigger finger on the frame of the handgun, not in contact with the trigger. If the officers are beginning from the holster, their handgun will be secured with all holster retention mechanisms engaged. The officers' hands will also be in a neutral position in front of the body, not in contact with their handgun.

Officers will load two magazines of five rounds each. At the three yard line the officers will begin in a one handed-ready position. On the command, the officers will fire five rounds with their weapon-hand only in six seconds. The officers will complete a two-handed reload. On the command, the officers will fire five rounds with their reaction-hand only in nine seconds. Eight out of ten rounds must be in the hit zone of the target to pass at the three yard line.

Officers will load one magazine of six rounds and one magazine of two rounds. The officers will load the magazine of six in their handguns and place the magazine of two in their magazine holders. At the five yard line the officers will begin from the holster. On the command, the officers will draw and fire six rounds in nine seconds with a two-handed grip. The officers will reload with the magazine of two rounds and holster their handgun. The officers will load a magazine of seven rounds and place it in their magazine holders. On the command, the officers will draw and fire nine rounds (both magazines) in fifteen seconds with a two-handed grip. Twelve out of fifteen rounds must be in the hit zone to pass at the five yard line.

Officers will load one magazine of four rounds and one magazine of two rounds. The officers will load the magazine of four in their handgun and place the magazine of two in their magazine holders. At the seven yard line the officers will begin from the holster. On the command, the officers will draw and fire four rounds in seven seconds with a two-handed grip. The officers will reload with the magazine of two rounds and holster their handgun. The officers will load a magazine of four rounds and place it in their magazine holders. On the command, the officers will draw and fire six rounds (both magazines) in fifteen seconds with a two-handed grip. Eight out of ten rounds must be in the hit zone of the target to pass at the seven yard line.

Officer will load one magazine of five rounds in their handgun. At the 10 yard line the officers will begin from the holster. On the command, the officers will draw and fire five rounds in twelve seconds with a two-handed grip. Four out of five rounds must be in the hit zone of the target to pass at the ten yard line.

Officers will load two magazines of five rounds each. The officers will begin behind cover at the fifteen yard line. On the command, the officer will fire five rounds from the right side of the barricade, reload from behind cover and fire five rounds from the left side of cover. There is no time limit from the fifteen yard line. Eight out of ten rounds must be in the hit zone of the target to pass at the fifteen yard line.

Minnesota P.O.S.T Principles of Firearms Use Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with MN. STAT. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the weak hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

Minnesota P.O.S.T. Handgun Range Exercise Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Shooting from cover
 - c. Reloading techniques
 - d. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Duty Handgun Qualification

The officer will complete a pass/fail, 50-round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position. The target being used is the *TQ-19* silhouette. The officer will receive 1 point for each hit inside the center of the silhouette (designated by light-gray color) and zero points for any hits outside of the center. If a round breaks the white line around the center, it counts as 1 point.

*****One Hand Only from Ready*****

3-Yard Line (8 of 10 rounds needed)

Load two magazines with 5 rounds each

- Weapon-hand only, fire 5 rounds in 6 seconds
- Support-hand only, fire 5 rounds in 9 seconds

*****Both Hands from Holster*****

5-Yard Line (12 of 15 rounds needed)

Load one magazine with 6 rounds and one magazine with 2 rounds (load magazine of 6 first)

- Draw and fire 6 rounds in 9 seconds (*Reload is not timed*)

Load one magazine with 7 rounds

- Draw and fire 9 rounds in 15 seconds (*Reload is timed*)

7-Yard Line (8 of 10 rounds needed)

Load one magazine with 4 rounds and one magazine with 2 rounds (load magazine of 4 first)

- Draw and fire 4 rounds in 7 seconds (*Reload is not timed*)

Load one magazine with 4 rounds

- Draw and fire 6 rounds in 15 seconds (*Reload is timed*)

10-Yard Line (4 of 5 rounds needed)

Load one magazine with 5 rounds

- Draw and fire 5 rounds in 12 seconds

*****Behind Cover*****

15-Yard Line (8 of 10 rounds needed)

Load two magazines with 5 rounds each

- Right-Side of Cover, draw and fire 5 rounds, reload from behind cover, move to Left -Side of Cover and fire 5 rounds — no time limit

On Range Instructor Presentation

Instructor will discuss:

- Discuss safe firearm handling techniques, to include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly holstering and drawing of the firearm.
 - Safely and correctly clearing malfunctions.
 - Safely and correctly maintaining their authorized firearm
- Minnesota Statute 609.666.
- When firing from the *weak-hand* only may be advantageous or necessary.
- Circumstances that justify the use of deadly force by peace officers.
- Authorized firearms and ammunition utilized by the agency.

609.666 NEGLIGENT STORAGE OF FIREARMS

Subdivision 1. **Definitions.** For purposes of this section, the following words have the meanings given.

- (a) "Firearm" means a device designed to be used as a weapon, from which is expelled a projectile by the force of any explosion or force of combustion.
- (b) "Child" means a person under the age of 18 years.
- (c) "Loaded" means the firearm has ammunition in the chamber or magazine, if the magazine is in the firearm, unless the firearm is incapable of being fired by a child who is likely to gain access to the firearm.

Subd. 2. **Access to firearms.** A person is guilty of a gross misdemeanor who negligently stores or leaves a loaded firearm in a location where the person knows, or reasonably should know, that a child is likely to gain access, unless reasonable action is taken to secure the firearm against access by the child.

Subd. 3. **Limitations.** Subdivision 2 does not apply to a child's access to firearms that was obtained as a result of an unlawful entry.

609.066 AUTHORIZED USE OF DEADLY FORCE BY PEACE OFFICERS.

Subdivision 1. Deadly force defined.

For the purposes of this section, "deadly force" means force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing, death or great bodily harm. The intentional discharge of a firearm, other than a firearm loaded with less lethal munitions and used by a peace officer within the scope of official duties, in the direction of another person, or at a vehicle in which another person is believed to be, constitutes deadly force. "Less lethal munitions" means projectiles which are designed to stun, temporarily incapacitate, or cause temporary discomfort to a person. "Peace officer" has the meaning given in section 626.84, subdivision 1.

Subd. 2 Use of deadly force.

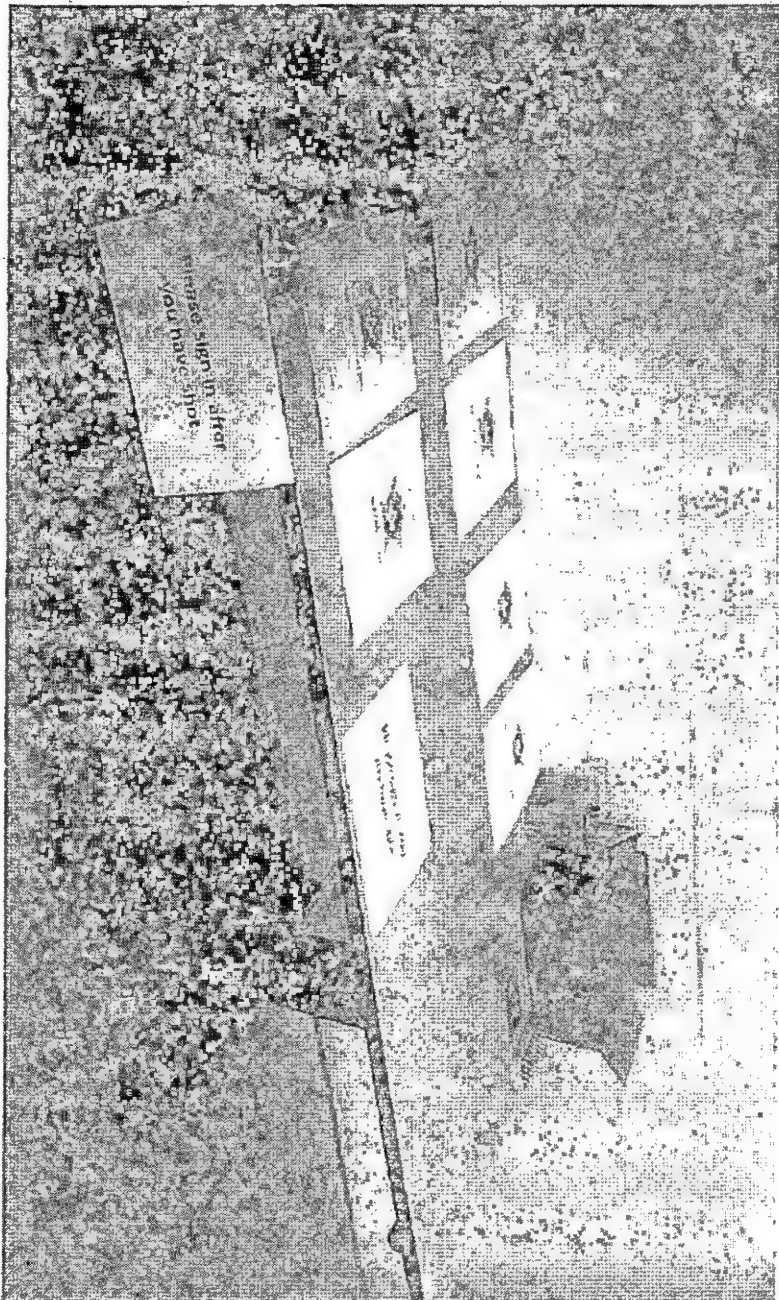

Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:

- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.

June 3, 2015

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Duty Handgun Qualification
Course Number: 6200-0799
Course Approval Date: June 3, 2015
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital statute, physical or mental disability or sexual orientation (Policy # 173.00)

Decision-Making Handgun Exercise

LESSON PLAN

APPROVAL DATE: 03-09-12

PREPARED BY: Neil Iverson

COURSE LENGTH: 1.0 Hour

POST COURSE #: 6200-0607

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of the 2012 Decision-Making Handgun Exercise is:

- To increase the deputy's/officer's ability to:
 - identify deadly force and non-deadly force threats.
 - engage a deadly force threat in close quarters.
 - engage multiple deadly force threats.
 - engage deadly force threats from cover.

PERFORMANCE OBJECTIVES

Upon completion of this course deputies/officers will demonstrate the following:

- The officer will demonstrate safe handling of firearm used during training.
 - a. Safely and correctly drawing and holstering their handgun
 - b. Safely and correctly loading their handgun
- The officer will demonstrate the ability to successfully engage a deadly force threat at close quarters.
- The officer will demonstrate the ability to successfully engage multiple deadly force threats.
- The officer will demonstrate the ability to perform the following skills associated with use of cover or concealment while engaging deadly force threats.
 - a. Distance from cover or concealment
 - b. Use of proper searching technique (*cutting the pie*)
 - c. Reloading from behind cover or concealment

METHOD

- Demonstration
- Coaching
- Live fire

METHOD OF EVALUATION

Officers will safely perform the skills to the satisfaction of the instructor(s).

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTOR(S): Minimum of two

INSTRUCTORS: Ramsey County Sheriff's Office Training Unit

EQUIPMENT REQUIREMENTS

1. Ear and eye protection
2. Duty weapon
3. 50 rounds ammunition
4. Target – *LE-6, LE-8, LE-23, LE-26*
5. Target Overlays – *Badge, Open Hand, Beer Bottle, Flashlight*
6. 8 Barricades (2'x 8')
7. Red plastic demonstration weapon

OUTLINE

Definitions:

Deadly Force Target – Paper target representing a person threatening deadly force. (i.e. a picture of a person pointing a gun)

Non-Deadly Force Target – Paper target representing a person not threatening deadly force. (i.e. a picture of a person with two empty hand and no weapon)

Set-up:

Deadly threat and non-deadly threat targets are placed back-to-back on the target holder at the "zero"- yard line of the range. Targets will be both static and turning in this exercise.

Static targets will always be a deadly threat targets

Turning targets can be deadly threat or non-deadly threat targets. Targets will begin in the "edged" position in relation to the shooters. The shooter will not be able to see a target when it is "edged." The target will turn revealing either a deadly threat target or a non-deadly threat target. The targets turn in a random pattern which is controlled by the range computer. Some shooters may be presented with a deadly threat target while others may be presented with a non-

threat target. It may take several turning cycles before every shooter has a sufficient number of threat targets necessary to expend all their ammunition.

Overhead range lights are on. Plywood barricades are placed at the 10-yard line to simulate cover.

Arms Length from Target

Shooter will be instructed to load twenty-five rounds in three magazines.

Part One

Target will face shooter with a deadly-force threat. Target will not turn.

On the instructors command, the shooter will:

- draw handgun
- move diagonally rearward to the right or left
- give verbal commands to target
- fire two rounds at "center mass" of target
- scan for more deadly threat targets
- repeat for a total of four times

Part Two

Target will turn and face shooter for two seconds and return to edged position. Target may be deadly threat or non-deadly threat.

On the movement of the target, the shooter will:

- draw handgun
- move diagonally rearward to the right or left
- give verbal commands to target
- identify the target as a deadly or non-deadly threat target
- fire rounds at "center mass" of target until the deadly threat target is gone
- scan for more deadly threat targets
- repeat until shooter has depleted ammunition

5-Yard Line

Shooter will be instructed to load fifteen rounds in two magazines.

Shooter will be instructed to engage target in their lane and the lane to their right. Targets will turn and face shooter for three seconds and returned to edged position. Targets may be deadly threat or non-deadly threat. The possible target combinations are: two-deadly-threat targets, two non-deadly-threat targets, and one deadly and one non-deadly threat target.

On the movement of the target, the shooter will:

- draw handgun
- move diagonally right or left
- give verbal commands
- identify the target in their lane as a deadly or non-deadly threat target
- fire two rounds at "center mass" of a deadly-force target
- identify the target in the lane to their right as a deadly or non-deadly threat target
- fire two rounds at "center mass" of a deadly-force target
- scan for more deadly threat targets
- reload as needed
- repeat until shooter has depleted ammunition

10-Yard Line

Shooter will be instructed to load ten rounds in two magazines.

Shooter will begin two paces behind and two paces to the right or left from cover. Shooter will trade off right and left side of cover until all ammunition is depleted.

Target will turn and face shooter for four seconds and return to edged position. Target may be deadly threat or non-deadly threat.

On the movement of the target, the shooter will:

- draw handgun
- move laterally right or left to cover
- give verbal commands
- identify the target as a deadly or non-deadly threat target
- fire rounds at "center mass" of target until the deadly threat target is gone
- scan for more deadly threat targets
- reload from behind cover as needed
- repeat until shooter has depleted ammunition

Completion of Exercise

Shooter will verify weapon is unloaded by physically and visually inspecting the chamber.
Shooter will remove slide from receiver while on the range if shooter intends to clean handgun at range.

Decision-Making Handgun Exercise – 2012

Course-of-Fire Call Sheet

***** Ammunition: 2 magazines / 15 rounds *****

5 – Yard Line (multiple targets)

Target is edged. Threat or Non-Threat Targets will be exposed for 3 second. Shooter will engage his or her Threat target and the Threat Target to their right.

From Holster, Two-Handed Grip (Primary)

- 2 rounds per threat target, Scan, Holster

(Repeat until shooter is out of ammunition)

***** Ammunition: 2 magazines / 10 rounds *****

10 – Yard Line (move to cover)

Target is edged. Threat or Non-Threat Target will be exposed for 4 second. Shooter will move to cover, draw, and fire at Threat target until threat is gone.

From Holster, Two-Handed Grip (Primary)

- Begin on right side of barricade, move to cover, engage threat from right side of barricade
- Begin on left side of barricade, move to cover, engage threat from left side of barricade

(Repeat until shooter is out of ammunition)

Decision-Making Handgun Exercise -- 2012

Course-of-Fire Call Sheet

***** Ammunition: 3 magazines / 25 rounds *****

Arms Length from Target

Threat target is static. Shooter will draw, move, and shoot 2 rounds.

From Holster, Two-Handed Grip (Primary)

- Right Diagonal Rear, 2 rounds, Scan
- Left Diagonal Rear, 2 rounds, Scan
- Right Diagonal Rear, 2 rounds, Scan
- Left Diagonal Rear, 2 rounds, Scan

Target is edged. Threat or Non-Threat Target will be exposed for 2 seconds. Shooter will draw, move, and fire at Threat Target until the threat is gone.

From Holster, Two-Handed Grip (Primary)

- Right Diagonal Rear, 2-5 rounds, Scan
- Left Diagonal Rear, 2-5 rounds, Scan

(Repeat until shooter is out of ammunition)

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of this course is to have officers meet the Minnesota P.O.S.T. Board firearm training objectives.

PERFORMANCE OBJECTIVES

Upon completion of this qualification officers will demonstrate knowledge pertaining to the Minnesota P.O.S.T. Board *Principles of Firearms Use* and *Handgun Range Exercises* performance objectives. Officers will also complete a Pass/Fail, 50 round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position.

METHOD

Class discussion on range
Live fire

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Pass/Fail during live fire qualification. (80% hit rate and timed fire at each position)

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

MATERIALS AND HANDOUTS

1. Hearing protection
2. Eye protection
3. 50 rounds of ammunition
4. Duty handgun
5. *TQ-19* silhouette target
6. Range barricades for cover

BODY OF LESSON PLAN – OUTLINE

Minnesota P.O.S.T Principles of Firearms Use Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with MN. STAT. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the reaction hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

Minnesota P.O.S.T. Handgun Range Exercise Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Shooting from cover
 - c. Reloading techniques
 - d. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Course Outline:

1. Discuss safe firearm handling techniques, to include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm
2. Discuss the various methods of handling and storing firearms in compliance with Minnesota Statute 609.666.
3. Discuss the type and characteristics of the duty ammunition used by the officer.
4. Discuss when firing from the *support-hand* only may be advantageous or necessary.
5. Discuss the circumstances that justify the use of deadly force by peace officers.

Once the above has been completed, officers will complete the 50 round duty handgun qualification course.

Upon successful completion of the qualification course, officers will demonstrate the safe and correct procedures for cleaning and maintaining their duty weapon.

Duty Handgun Qualification

The officer will complete a pass/fail, 50-round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position. The target being used is the *TQ-19* silhouette. The officer will receive 1 point for each hit inside the center of the silhouette (designated by light-gray color) and zero points for any hits outside of the center. If a round breaks the white line around the center, it counts as 1 point.

*****One Hand Only from Ready*****

3-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Weapon-hand only, from ready position, fire 5 rounds in 6 seconds
- Support-hand only, from ready position, fire 5 rounds in 9 seconds

*****Both Hands from Holster*****

5-Yard Line (12 of 15 rounds needed)

Load 1 magazine with 8 rounds

Load 1 magazine with 7 rounds

- Draw and fire 6 rounds in 9 seconds
- Draw and fire 9 rounds in 15 seconds (*Re-load exercise*)

7-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Draw and fire 4 rounds in 7 seconds
- Draw and fire 6 rounds in 15 seconds (*Re-load exercise*)

10-Yard Line (4 of 5 rounds needed)

Load 1 magazine with 5 rounds

- Draw and fire 5 rounds in 12 seconds

*****From Behind Cover*****

15-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Right-Side of Cover, draw and fire 5 rounds, reload from behind cover, move to Left-Side of Cover and fire 5 rounds – no time limit

Course Approval Date: May 16, 2012
Credit Hours Approved: 1.00

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation.

Duty Handgun Qualification

LESSON PLAN

APPROVAL DATE: 05-16-13

PREPARED BY: Neil Iverson

COURSE LENGTH: One hour

POST COURSE #: 6200-0680

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of this course is to have officers meet the Minnesota P.O.S.T. Board firearm training objectives.

PERFORMANCE OBJECTIVES

Upon completion of this qualification officers will demonstrate knowledge pertaining to the Minnesota P.O.S.T. Board *Principles of Firearms Use* and *Handgun Range Exercises* performance objectives. Officers will also complete a Pass/Fail, 50 round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position.

METHOD

Class discussion on range
Live fire

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Pass/Fail during live fire qualification. (80% hit rate and timed fire at each position)

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

MATERIALS AND HANDOUTS

1. Hearing protection
2. Eye protection
3. 50 rounds of ammunition
4. Duty handgun
5. *TQ-19* silhouette target
6. Range barricades for cover

BODY OF LESSON PLAN – OUTLINE

Minnesota P.O.S.T Principles of Firearms Use Performance Objectives:

1. The officer will demonstrate safe handling of all firearms used during training. This will include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm.
2. The officer will describe the various methods of handling and storing firearms in compliance with MN. STAT. 609.666 while off-duty. The need for security of firearms kept in the officer's home will also be discussed.
3. The officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.
4. The officer will explain situations in which use of the reaction hand may be required.
5. The officer will explain the circumstances that justify the use of deadly force by peace officers.

Minnesota P.O.S.T. Handgun Range Exercise Performance Objectives:

1. The officer will demonstrate effective techniques in the following areas:
 - a. Close encounter shooting
 - b. Shooting from cover
 - c. Reloading techniques
 - d. Weapon/ reaction hand shooting
2. During the course of fire, the officer will fire from close, medium, and long range.

Course Outline:

1. Discuss safe firearm handling techniques, to include:
 - a. Safely and correctly loading and unloading the firearm.
 - b. Safely and correctly holstering and drawing of the firearm.
 - c. Safely and correctly clearing malfunctions.
 - d. Safely and correctly maintaining their authorized firearm
2. Discuss the various methods of handling and storing firearms in compliance with Minnesota Statute 609.666.
3. Discuss the type and characteristics of the duty ammunition used by the officer.
4. Discuss when firing from the *support-hand* only may be advantageous or necessary.
5. Discuss the circumstances that justify the use of deadly force by peace officers.

Once the above has been completed, officers will complete the 50 round duty handgun qualification course.

Upon successful completion of the qualification course, officers will demonstrate the safe and correct procedures for cleaning and maintaining their duty weapon.

Duty Handgun Qualification

The officer will complete a pass/fail, 50-round, course-of-fire with a minimum proficiency requirement of an 80% hit rate at each firing position. The target being used is the *TQ-19* silhouette. The officer will receive 1 point for each hit inside the center of the silhouette (designated by light-gray color) and zero points for any hits outside of the center. If a round breaks the white line around the center, it counts as 1 point.

*****One Hand Only from Ready*****

3-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Weapon-hand only, from ready position, fire 5 rounds in 6 seconds
- Support-hand only, from ready position, fire 5 rounds in 9 seconds

*****Both Hands from Holster*****

5-Yard Line (12 of 15 rounds needed)

Load 1 magazine with 8 rounds

Load 1 magazine with 7 rounds

- Draw and fire 6 rounds in 9 seconds
- Draw and fire 9 rounds in 15 seconds (*Re-load exercise*)

7-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Draw and fire 4 rounds in 7 seconds
- Draw and fire 6 rounds in 15 seconds (*Re-load exercise*)

10-Yard Line (4 of 5 rounds needed)

Load 1 magazine with 5 rounds

- Draw and fire 5 rounds in 12 seconds

*****From Behind Cover*****

15-Yard Line (8 of 10 rounds needed)

Load 2 magazines with 5 rounds each

- Right-Side of Cover, draw and fire 5 rounds, reload from behind cover, move to Left -Side of Cover and fire 5 rounds – no time limit

Lesson Plan

Balance of Accuracy & Speed Handgun Exercise

APPROVAL DATE: May 31, 2016

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0880

TRAINING UNIT - 425 GROVE ST.
ST. PAUL, MINNESOTA 55101
651-266-9500

TRAINING GOAL:

The goal of the *Balance of Accuracy & Speed Handgun Exercise* is for officers to improve their skill at precision shooting as distance to target increases and improve their ability to shoot faster as distance to target decreases.

PERFORMANCE OBJECTIVES:

Upon completion of this course officers will demonstrate each objective through dry fire and live fire practice:

15-yard line

- proper sight picture /sight alignment
- proper stance
- proper grip
- proper use of cover

3-Yard Line

- proper grip
- proper stance
- proper sight picture

METHOD OF INSTRUCTION:

- Demonstration
- Dry Fire
- Live fire

METHOD OF EVALUATION:

Officers will safely perform the skills to the satisfaction of the instructors.

POWER POINT PRESENTATION USED:

☐ YES ☒ NO

INSTRUCTOR REQUIREMENTS:

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

EQUIPMENT REQUIREMENTS:

Training Aids and Equipment

- Belt and holster
- Duty handgun and magazines
- Ear and eye protection
- 50 rounds ammunition
- One inert training handgun per instructor
- Target – *TCT-MK1* (both sides will be used)
- Painters tape, blue
- Eight 2'x 8' simulated plywood barricades

Range Set-Up: (See attached photos)

- Targets are on the zero-yard line of the range.
- Painters tape "X" on the range floor at the 3-yard line in front of each target will mark the shooters beginning position.
- Barricades are placed on the 15-yard line in front of each target. Painters tape on the range floor behind barricade to signify the area for officers to stand.
- Instructors' teaching points hung on the wall at the 15 and 3 yard in lane 10.

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for *one* hour(s) of continuing education credit.

The Sheriff's Office Policy manual, section #328.1 reads, in part, as follows:

Any act of discrimination is prohibited: Discrimination is any act or omission of an act which would create a hostile work environment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status or denial of family care or pregnancy disability leave. Discrimination includes, but is not limited to, derogatory comments, slurs or jokes, pictures, cartoons or posters and actions that result in an employee being offended or insulted because of a protected classification status enumerated above. Such acts or comments should be reported, as soon as possible, to any member of the Training Unit, the Department Affirmative Action / Sexual Harassment Investigator or any ranking supervisor. The person or persons who are made aware of a complaint must take appropriate and timely action.

OUTLINE

Instructor Presentation – On Range:

15-Yard Line

Instructor will discuss:

- Trigger Press
 - As smooth as possible while not moving handgun
- Sight Picture
 - Front sight is in focus
- Sight Alignment
 - Equal height of front and rear sights
 - Equal light on both sides of front sight when looking through rear sight notch
- Grip
 - Both hands as high as possible
 - Trigger hand/grip hand
 - 40/60 grip effort
- Stance
 - Stable
 - As necessary

Officers will dry fire Part One from the 15 yard line. Instructors will watch for proper technique.

3-Yard Line

Instructor will discuss:

- Grip
 - Both hands as high as possible
 - As much grip effort as possible to control recoil
- Stance
 - As aggressive as possible to control recoil
 - Lowered center of gravity
 - Shoulders are forward and "active"
- Sight Picture
 - Target is in focus
 - Handgun will be in and parallel with line-of-sight
- Trigger Press
 - As fast as you can, while hitting high center mass of target

Officers will dry fire Part One from the 3 yard line. Instructors will watch for proper technique.

Part One – Circle Targets

15 – Yard Line

Ammunition: 5 rounds in one magazine

Officers will stand at the 15-Yard line. On the instructor's command the officer will draw and fire one round to the center of the green circle target. After each round, officer and instructor will look at target and officer will made necessary adjustments.

- Draw, Fire One Round, Holster (5 times total)

Instructor will rotate circle target.

3 – Yard Line

Ammunition: 10 rounds in one magazine

Officers will stand at the 3-Yard line. On the instructor's command the officer will fire two rounds to the center of the green circle target. After both rounds, officer and instructor will look at target and officer will made necessary adjustments.

- Draw, Fire Two Rounds, Holster (5 times total)

Instructor will turn target over revealing the man with a gun target.

Part Two – Man with Gun Target

15-Yard Line

Ammunition: 10 rounds divided between two or three magazine

Officer will stand at the 15 - Yard line behind cover. On instructor's command, the officer will:

- draw handgun
- correctly use cover
- give verbal commands
- accurately fire two rounds to "Center Mass" of target
- reload as needed
- scan for more threats
- holster handgun

(5 times total)

3-Yard Line

Ammunition: 25 rounds divided between two or three magazine

Officer will stand at the 3 - Yard line. On instructor's command, the officer will:

- draw handgun
- move laterally
- give verbal commands
- accurately fire rounds to "Center Mass" of target
- reload as needed
- scan for more threats
- holster handgun

The round count will be:

- 2 Rounds, Scan, Holster (4 times total)
- 3 Rounds, Scan, Holster (3 times total)
- 4 Rounds, Scan, Holster (2 times total)

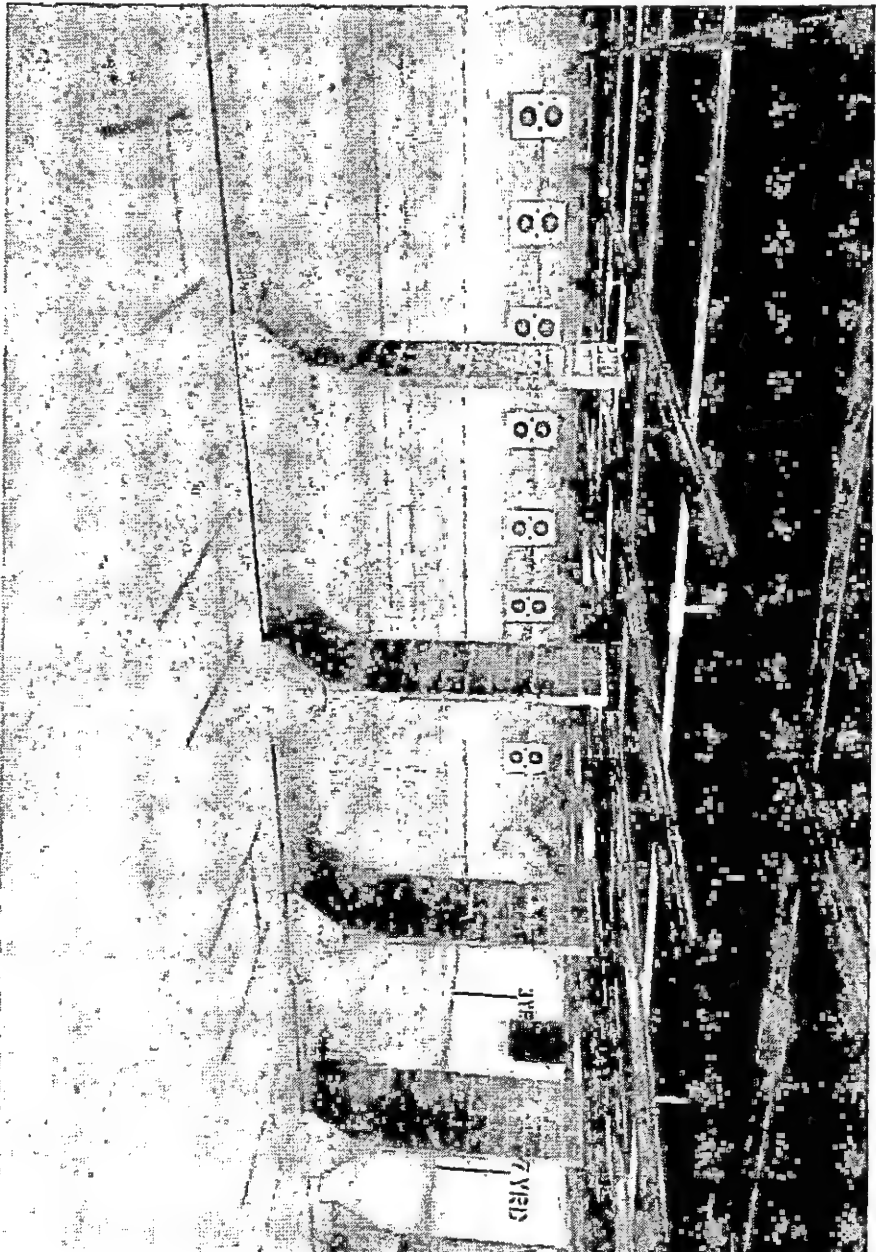

Officer will confirm handgun is empty, remove handgun slide and clean handgun.

Sign-In Rosters

Range Overview

Balance of Accuracy & Speed Handgun Exercise – 2016

Range Call Sheet

Part One – Circle Targets

Dry Fire 15-yard line and 3-yard line until officers are safe/comfortable/confident.

*****Ammunition: 5 Rounds in one magazine*****

15– Yard Line

Officers will stand at the 15-Yard line. On the instructor's command the officer will:

From Holster, Two-Handed Grip (*Primary*)

- 1 Round, Holster, Look at Target (5 times total)

Instructor will rotate circle target.

*****Ammunition: 10 Rounds in one magazine*****

3– Yard Line

Officers will stand at the 15-Yard line. On the instructor's command the officer will:

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Holster, Look at Target (5 times total)

Instructor will turn target over revealing the man with a gun target.

Balance of Accuracy & Speed Handgun Exercise – 2016

Range Call Sheet

Part Two – Man with Gun Target

***** Ammunition: 10 Rounds Divided by 2 or 3 Magazines *****

Officer will stand at the 15 - Yard line behind cover. On Command, the officer will draw handgun while using cover and giving verbal commands, accurately fire rounds, reload as needed scan and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Holster (5 times total)

***** Ammunition: 25 Rounds Divided by 2 or 3 Magazines *****

Officer will stand at the 3 - Yard line. On Command, the officer will draw handgun while moving laterally and giving verbal commands, accurately fire rounds, reload as needed scan and holster handgun.

From Holster, Two-Handed Grip (*Primary*)

- 2 Rounds, Scan, Holster (4 times total)
- 3 Rounds, Scan, Holster (3 times total)
- 4 Rounds, Scan, Holster (2 times total)

Officer will confirm handgun is empty, remove handgun slide and clean handgun.

Balance of Accuracy & Speed Handgun Teaching Points

Due to many people struggling at the 15 yard line at the Qualification. Too fast!

What is your Balance? Too Fast. Too Slow. Just right.

Empty Handguns

15-yards

Trigger Press (most important)

- As smooth as possible without moving the gun
- Driving a Car Analogy
- Two Second Press not a Half Second Press
- Lay Gun on Floor Drill (if needed)

Eye Focused on Front Sight (one eye)

- Front Sight Clear
- Rear Sight Blurry, Target Blurry
- Equal Height / Equal Light

Recoil Management

- Grip
 - Both Hands as High as Possible
 - Trigger Hand / Grip Hand
 - 40% / 60% Effort
- Stance
 - Stable
 - As Necessary

Balance of Accuracy & Speed Handgun Teaching Points

3-yards

Recoil Management (most important)

- Grip – As Much Effort as Possible
 - Both Hands as High as Possible
- Stance – As Aggressive as Possible
 - Lowered Center of Gravity
 - Shoulder are Forward and "Active"

Eyes Focused on the Target (both eyes)

- Point to Button on Shirt Drill
- Target Clear
- Not looking at Sights
- Handgun is in Line of Sight
- Looking "through" the Handgun
- Back Plate of Slide on High Center Mass

Trigger Press

- As fast as you can while hitting high center mass
- Go!

Ramsey County Sheriff's Office

Adverse Weather Handgun Exercise

LESSON PLAN

APPROVAL DATE: 11-22-11

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE #: 6200-0596

425 GROVE ST.
ST. PAUL, MINNESOTA 55101

TRAINING GOAL

The goal of the 2011 Adverse Weather Handgun Exercise is:

- To increase the officer's ability to successfully engage a deadly force threat while wearing cold weather gear.
- To increase the officer's ability to effectively move to cover while engaging a deadly force threat.

PERFORMANCE OBJECTIVES

Upon the completion of this course officers will demonstrate knowledge in the following:

1. The officer will demonstrate safe handling of firearm used during training.
 - a. Safely and correctly drawing and holstering their handgun.
 - b. Safely and correctly loading their handgun.
2. The officer will demonstrate the ability to solve the following issues associated with adverse weather conditions.
 - a. Firearm control while wearing gloves.
 - b. Flashlight control while wearing gloves.
 - c. Clearing malfunctions while wearing gloves.
 - d. Reduced mobility in drawing and firing the handgun due to heavy clothing.
 - e. Limitations of access to handguns and spare ammo due to heavy outer clothing.
3. The officer will demonstrate the ability to perform the following skills associated with shooting while moving to cover.
 - a. Proper distance from cover.
 - b. Scanning for additional threats.
 - c. Reloading from behind cover if possible.
 - d. Properly performing a *Tactical Reload*.

METHOD

1. Demonstration.
2. Coaching.
3. Live fire.

POWER POINT PRESENTATION USED

☐ YES ☒ NO (If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Shooter will perform the skills to the satisfaction of the instructor

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTOR(S) See Schedule

INSTRUCTORS: See Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES ☒ NO (If checked No, Instructor's resume will be filed separately.)

EQUIPMENT REQUIREMENTS

1. Ear and eye protection
2. Duty weapon
3. 50 rounds ammunition
4. Target - TQ-19, LE-8
5. Barricades
6. Red demonstration weapons

BODY OF LESSON PLAN - OUTLINE

Instructor small group presentation: *(On range)*

- a. Instructor will discuss and demonstrate the effects of wearing jacket and gloves relating to:
 1. Drawing handgun
 2. Firing handgun
 3. Reloading handgun
 4. Holstering handgun
- b. Instructor will discuss and demonstrate proper methods of retrieving handgun from floor.

- c. Instructor will discuss and demonstrate proper flashlight techniques while shooting and wearing cold weather gloves.
- d. Instructor will discuss and demonstrate proper techniques while shooting and moving to cover.
- e. Instructor will discuss and demonstrate proper techniques of the *Tactical Reload*.

Range Set-Up:

Part One – Weapon Manipulation

TQ-19 silhouette targets are placed on the zero-yard line in lanes 4 through 10.

Officer is wearing winter weight gloves and winter jacket.

Overhead lights are on.

3-Yards from Target

Officer is instructed to have two magazines of eight rounds (16-rounds total)

Officer will be instructed to:

- Draw, load, and holster duty handgun
- Re-load duty handgun as needed
- Give verbal commands (i.e. *Police. Drop the Gun. Sheriff. Drop the Gun.*)
- Fire two rounds into the center of the target on the command of "Threat."
- Look for additional threats

The Course-of-Fire is as follows:

From Holster, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Ready Position, One-Handed Grip (*Support*)

- 2 rounds, Scan, Ready
- 2 rounds, Scan, Ready
- Re-Load

7-Yards from Target, Moving to 5-yards from Target

Officer will place duty handgun (muzzle down range) on range floor at the 5-yard line in front of their target. Officer will begin in the kneeling position on the 7-yard line in front of their target. *This mimics the officer falling and dropping their weapon.* Officer will recover duty handgun in a safe manner and fire into the center of target.

Officer will be instructed to:

- Place duty handgun on the 5-yard line of their shooting lane
- Move to a kneeling position on the 7-yard line of their shooting lane
- On the command of "Threat." Move and recover their duty handgun, give verbal commands and fire two rounds in the center of the target.
- Look for additional threats.

The Course-of-Fire is as follows:

One-Handed Grip (*Primary*)

- 2 rounds, Scan
- 2 rounds, Scan

One-Handed Grip (*Support*)

- 2 rounds, Scan
- 2 rounds, Scan

7-Yards from Target

Overhead lights are off

Officer is instructed to have two magazines of seven rounds. (14-rounds total)

Officer will be instructed to:

- Draw, load and holster duty handgun
- Use flashlight technique of choice
- Re-load as needed
- Give verbal commands (i.e. *Police. Drop the Gun. Sheriff. Drop the Gun.*)
- Fire two rounds into the center of the target on the command of "Threat."
- Look for additional threats

The Course-of-Fire is as follows:

From Holster, Handgun/Flashlight Technique of Choice

- 3 rounds, Scan, Holster (repeat until ammunition is depleted)

Part Two – Shooting While Moving

Barricades are placed in Lanes 1 and 3 of the range. Lane 1 will have a barricade at the 15 and 7-yard line. Lane 3 will have a barricade at the 20, 10, and 5-yard line. LE-8 threat target is in Lane 2 on the zero-yard line.

Officer will be instructed to:

- Move diagonally to cover on the command of "Move."
- Fire three rounds into the center of the target on the command of "Threat."

Instructor will run one officer at a time. Instructor will move with officer through entire course.

- Officer will begin behind the barricade at the 20-yard line.
- Officer will move to barricade at the 15-yard line.
- Officer will move to barricade at the 10-yard line and fire 3 rounds while moving.
- Officer will move to barricade at the 7-yard line and fire 3 rounds while moving. Officer will complete a *Tactical Reload* while behind cover at the 7-yard line.
- Officer will move to barricade at the 5-yard line and fire 3 rounds while moving.

Officer will complete the *Moving While Shooting* exercise twice. If the officer has not expelled all rounds at the end of second exercise, officer will "cut the pie" around the barricade at the 5-yard line and fire remaining rounds.

Completion of Shoot

Officer will verify his or her weapon is unloaded before leaving the range by physically and visually inspecting the chamber. Officer will remove slide from receiver while on the range if the officer intends to clean handgun.

Officer will then be excused to the cleaning room to:

- Field strip weapon
- Clean weapon
- Lubricate weapon
- Reload weapon at charging barrel

Adverse Weather Handgun Exercise – 2011

Course-of-Fire

Part One – Weapon Manipulation

*****Ammunition: 2 magazines of 8 rounds (16 Total)*****

3 – Yard Line

From Holster, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Ready Position, One-Handed Grip (*Support*)

- 2 rounds, Scan, Ready
- 2 rounds, Scan, Ready

7 – Yard Line Moving to 5 – Yard Line

Weapons are placed at the 5 – Yard line. Shooters are at the 7 – Yard line in Kneeling Position. On Command, shooter moves to weapon and accurately fires 2 rounds from Kneeling Position.

One-Handed Grip (*Primary*)

- 2 rounds, Scan
- 2 rounds, Scan

One-Handed Grip (*Support*)

- 2 rounds, Scan
- 2 rounds, Scan

*****Ammunition: 2 magazines of 7 rounds (14 Total)*****

7 – Yard Line

Low Light Conditions. Flashlight in Support Hand. On Command, shooter will draw and fire 3 rounds.

From Holster, Handgun/Flashlight Technique of Choice

- 3 rounds, Scan, Holster (repeat until ammunition is depleted)

Adverse Weather Handgun Exercise – 2011

Course-of-Fire

Part Two – Shooting While Moving

*****Ammunition: 2 magazines of 10 rounds (20 Total)*****

Barricades are placed in Lanes 1 and 3 of the range. Lane 1 will have a barricade at the 15 and 7-yard line. Lane 3 will have a barricade at the 20, 10, and 5-yard line. LE-8 threat target is in Lane 2 on the zero-yard line.

Officer will be instructed to:

- Move diagonally to cover on the command of "Move."
- Fire three rounds into the center of the target on the command of "Threat."

Instructor will run one officer at a time. Instructor will move with officer through entire course.

- Officer will begin behind the barricade at the 20-yard line.
- Officer will move to barricade at the 15-yard line.
- Officer will move to barricade at the 10-yard line and fire 3 rounds while moving.
- Officer will move to barricade at the 7-yard line and fire 3 rounds while moving. Officer will complete a *Tactical Reload* while behind cover at the 7-yard line.
- Officer will move to barricade at the 5-yard line and fire 3 rounds while moving.

Officer will complete the *Moving While Shooting* exercise twice. If the officer has not expelled all rounds at the end of second exercise, officer will "cut the pie" around the barricade at the 5-yard line and fire remaining rounds.

Adverse Weather Handgun Exercise

LESSON PLAN

APPROVAL DATE: 11-30-12

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE #: 6200-0659

**425 GROVE ST.
ST. PAUL, MINNESOTA 55101**

TRAINING GOAL

The goal of the 2012 Adverse Weather Handgun Exercise is:

- To increase the officer's ability to successfully engage a deadly force threat while wearing cold weather gear.
- To increase the officer's ability to effectively use cover and concealment while engaging a deadly force threat.

PERFORMANCE OBJECTIVES

Upon the completion of this course officers will demonstrate knowledge in the following:

1. The officer will demonstrate safe handling of firearm used during training.
 - a. Safely and correctly drawing and holstering their handgun.
 - b. Safely and correctly loading their handgun.
2. The officer will demonstrate the ability to solve the following issues associated with adverse weather conditions.
 - a. Firearm control while wearing gloves.
 - b. Flashlight control while wearing gloves.
 - c. Reduced mobility in drawing and firing the handgun due to heavy clothing.
 - d. Limitations of access to handguns and spare ammunition due to heavy outer clothing.
3. The officer will demonstrate the ability to perform the following skills associated with shooting while moving to cover.
 - a. Proper distance from cover.
 - b. Scanning for additional threats.
 - c. Reloading from behind cover if possible.

METHOD

1. Demonstration.
2. Coaching.
3. Live fire.

POWER POINT PRESENTATION USED

☐ YES

☒ NO

(If checked yes, power point presentation will be attached.)

METHOD OF EVALUATION

Officer will perform the skills to the satisfaction of the instructor.

INSTRUCTOR REQUIREMENTS

NUMBER OF INSTRUCTOR(S) See Schedule

INSTRUCTORS: See Schedule

INSTRUCTOR'S RESUME IS ATTACHED TO LESSON PLAN

☐ YES

☒ NO

(If checked No, Instructor's resume will be filed separately.)

EQUIPMENT REQUIREMENTS

1. Ear and eye protection
2. Duty weapon
3. 50 rounds ammunition
4. Target - *LE-6, LE-8, LE-23, or LE-26*
5. Two 8'x 12' black plastic sheets
6. Red demonstration weapons

BODY OF LESSON PLAN - OUTLINE

Instructor small group presentation: (*On-range*)

- a. Instructor will discuss and demonstrate the effects of wearing jacket and gloves relating to:
 1. Drawing handgun
 2. Firing handgun
 3. Reloading handgun
 4. Holstering handgun
- b. Instructor will discuss and demonstrate proper flashlight techniques while wearing cold weather gloves.
- c. Instructor will discuss and demonstrate proper use of cover while searching.

Range Set-Up

Targets are placed on the zero-yard line of the range in lanes 2 through 9. Each target is a "deadly force" target. The "deadly force" target is picture of a person pointing a handgun. Duct tape is placed on the floor in the shape of an "X" at the 7-yard line. This will mark the location for the officer to stand.

Part One – Weapon and Holster Manipulation

Officer is instructed to have 25 rounds divided by three magazines for part one.

5-Yards from Target

Dry Fire – Officer will draw and holster handgun while wearing jacket and gloves until the officer is safe, comfortable, and confident.

5-Yards from Target

Officer will be instructed to:

- safely draw handgun while wearing gloves and jacket
- engage the target with two rounds
- safely holster handgun while wearing gloves and jacket

The Course-of-Fire is as follows:

From Holster, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Holster, One-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Ready Position, One-Handed Grip (*Support*)

- 2 rounds, Scan, Ready
- 2 rounds, Scan, Ready

7-Yards from Target

The officer will begin standing on the "X". The officer will draw while moving laterally one step, fire one, two, three, or four rounds and scan for more threats. The officer will be instructed to change the number of rounds fired and direction of movement each time. It is up to the officer to decide how many rounds are fired and the direction of movement.

Officer will be instructed to:

- safely draw handgun while wearing gloves and jacket
- safely holster handgun while wearing gloves and jacket
- move off of the "X"
- give verbal commands to the target
- engage the target with one, two, three or four rounds
- look for additional threats

The Course-of-Fire is as follows:

From Holster, Two-Handed Grip (*Primary*)

- 1, 2, 3, or 4 rounds, Move, Scan, Holster (*repeat until ammunition is depleted*)

Range Set-Up

Mock cover is constructed by hanging two black plastic sheets at the 15-yard line of the range. Both sheets form a 90 degree corner. The first sheet begins in lane 4 forming a left corner. The second sheet begins in lane 6 forming a right corner. Two target stands are behind both corners with "deadly force" targets.

Part Two – Use of Cover

Officer is instructed to have 25 rounds divided by three magazines for part two.

The officer will begin in the center of the range at the 20-yard line. The officer will move from the center of the range toward the outside. The officer will “cut the pie” and use the plastic as cover. The officer will search for two “deadly threat” targets and engage each target with one, two, three, or four rounds. Each officer will complete the exercise on both sides (once moving from right to left and once moving left to right). Then each officer will complete the exercise with the range lights off and with the aid of a flashlight or weapon mounted light.

Officer will be instructed to:

- safely draw handgun while wearing gloves and jacket
- safely holster handgun while wearing gloves and jacket
- use cover correctly
- use correct flashlight technique
- give verbal commands to the target
- engage both targets with one, two, three or four rounds
- look for additional threats

Completion of Shoot

Officer will verify his or her weapon is unloaded before leaving the range by physically and visually inspecting the chamber. Officer will remove slide from receiver while on the range if the officer intends to clean handgun.

Officer will then be excused to the cleaning room to:

- Field strip weapon
- Clean weapon
- Lubricate weapon
- Reload weapon at charging barrel

Adverse Weather Handgun Exercise – 2012

Course-of-Fire Call Sheet

Part One – Weapon and Holster Manipulation

5 – Yard Line

Dry Fire – Draw and Holster with Jacket and Gloves until shooter(s) is safe/comfortable/confident.

*****Ammunition: 25 rounds divided by 3 magazines*****

5 – Yard Line

From Holster, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Holster, One-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Ready Position, One-Handed Grip (*Support*)

- 2 rounds, Scan, Ready
- 2 rounds, Scan, Ready

7 – Yard Line

Shooter will begin on the "X". On command, shooter will draw and fire 1, 2, 3, or 4 rounds, move laterally, and scan for threats. Shooter will be instructed to change the number of rounds fired and direction of movement each time.

From Holster, Two-Handed Grip (*Primary*)

- 1, 2, 3, or 4 rounds, Scan, Holster (*repeat until finished*)

Adverse Weather Handgun Exercise – 2012

Course-of-Fire Call Sheet

Part Two – Use of Cover

*****Ammunition: 25 rounds divided by 3 magazines*****

Cover is constructed on the 15-yard line forming two corners. Shooter will begin on the "X" behind cover and "cut the pie" and fire 1, 2, 3, or 4 rounds at each threat target. Shooter will be instructed to change the number of rounds fired each time. Shooter will run each side once with over head lights on and each side with over head lights off with the aid of a flash light / weapon light.

From Ready Position, Moving from Left to Right

- 1, 2, 3, or 4 rounds, Scan

From Ready Position, Moving from Right to Left

- 1, 2, 3, or 4 rounds, Scan

From Ready Position, Moving from Left to Right *(Low Light)*

- 1, 2, 3, or 4 rounds, Scan

From Ready Position, Moving from Right to Left *(Low Light)*

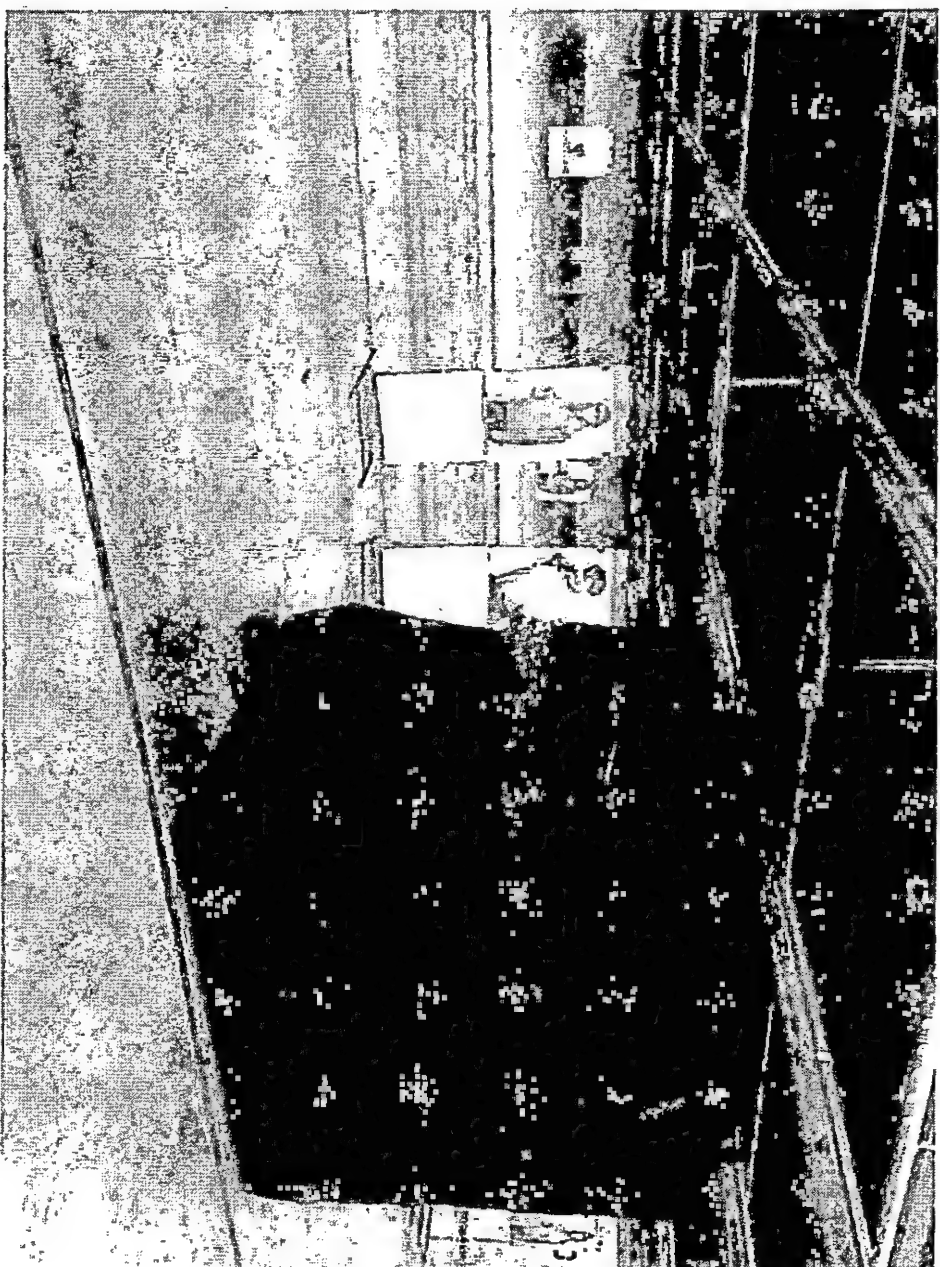

- 1, 2, 3, or 4 rounds, Scan

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for *one* hour(s) of continuing education credit.

The Sheriff's Office Policy manual, section #328.1 reads, in part, as follows:

Any act of discrimination is prohibited: Discrimination is any act or omission of an act which would create a hostile work environment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status or denial of family care or pregnancy disability leave. Discrimination includes, but is not limited to, derogatory comments, slurs or jokes, pictures, cartoons or posters and actions that result in an employee being offended or insulted because of a protected classification status enumerated above. Such acts or comments should be reported, as soon as possible, to any member of the Training Unit, the Department Affirmative Action / Sexual Harassment Investigator or any ranking supervisor. The person or persons who are made aware of a complaint must take appropriate and timely action.

OUTLINE

Instructor Presentation – On Range:

Instructor will discuss and demonstrate the effects of wearing jacket and gloves relating to:

- Drawing handgun
- Firing handgun
- Reloading handgun
- Holstering handgun

Instructor will discuss and demonstrate proper use of cover while:

- Shooting
- Moving
- Reloading
- Clearing Malfunctions

Part One – Weapon and Holster Manipulation with Jacket and Gloves

Ammunition: 26 rounds divided by 3 magazines

Target: TQ-19 silhouette

5-Yard Line

Officer will draw and holster an unloaded handgun while wearing jacket and gloves. The instructor will evaluate the officer's ability to safely draw and holster while wearing jacket and gloves.

5-Yard Line

Officer will be directed to load and charge their handgun and begin a two-handed "ready position." On the instructor's command of "threat", the officer will fire 2 rounds at the center of the target, scan for addition threats, and return to a "ready position." This drill will be repeated once more.

Officer will holster handgun.

On the instructor's command of "threat", the officer will draw and fire 2 rounds at the center of the target, scan for addition threats, and holster handgun. This drill will be repeated once more.

Officer will holster handgun.

7-Yard Line

On the instructor's command of "threat", the officer will:

- draw while moving one step laterally.
- give verbal commands.
- fire 2, 3 or 4 rounds at the center of the target.
- Scan for additional threats

The officer will be instructed to change the number of rounds fired and direction of movement each cycle. The officer will reload as needed. The drill is complete once the officer has shot all ammunition.

Part Two - Use of Cover and Malfunctions with Jacket and Gloves

Ammunition: 24 rounds divided by 3 magazines plus 1 "dummy" round per magazine
Target: TQ-19 silhouette

14-Yard Line Moving to 10-Yard Line

The officer will begin on the 14-Yard line, behind and to the left side of the simulated cover. The simulated cover is on the 10-Yard line.

Station One Shoot Then Move To Cover (plywood barricades) - On the instructor's command of "move", the officer will draw and fire 4 rounds at the center of the target from the left side of cover, then move to cover. Repeat on right side of cover.

Officer will:

- fix malfunctions and move to cover simultaneously if needed.
- reload and move to cover simultaneously if needed.
- scan for more threats.
- give verbal commands.
- shoot and then move to cover.

Station Two Shoot While Moving To Cover (Couch) - On the instructor's command of "move", the officer will draw and fire 4 rounds at the center of the target while moving to the left side of cover. Repeat on right side of cover.

Officer will:

- fix malfunctions and move to cover simultaneously if needed.
- reload and move to cover simultaneously if needed.
- scan for more threats.
- give verbal commands.
- shoot while moving to cover.

Station Three Move To Cover Then Shoot (cardboard cylinders) - On the instructor's command of "move", the officer will draw while moving to cover and fire 4 rounds at the center of the target from the left side of cover. Repeat on right side of cover.

Officer will:

- fix malfunctions and move to cover simultaneously if needed.
- reload and move to cover simultaneously if needed.
- scan for more threats.
- give verbal commands.
- move to cover and shoot from cover.

Adverse Weather Handgun Exercise – 2013

Course-of-Fire Call Sheet

Part One – Weapon and Holster Manipulation with Jacket and Gloves

5 – Yard Line

Dry Fire – Draw and Holster with Jacket and Gloves until shooter(s) is safe/comfortable/confident.

*****Ammunition: 26 rounds divided by 3 mags*****

5 – Yard Line

From Ready, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

From Holster, Two-Handed Grip (*Primary*)

- 2 rounds, Scan, Holster
- 2 rounds, Scan, Holster

7 – Yard Line

Shooter will begin in line with target. On command, shooter will draw and fire 2, 3, or 4 rounds, move laterally, and scan for threats. Shooter will be instructed to change the number of rounds fired and direction of movement each time.

From Holster, Two-Handed Grip (*Primary*)

- 2, 3, or 4 rounds, Scan, Holster (*repeat until finished*)

Adverse Weather Handgun Exercise – 2013

Course-of-Fire Call Sheet

Part Two – Use of Cover and Malfunctions with Jacket and Gloves

*****Ammunition: 24 rounds divided by 3 mags plus 1 dummy rounds per mag*****

14-Yard Line Moving to 10-Yard Line

Shooter will be on the 14-yard line (behind and left of cover). Cover (high, medium and low) will be on the 10-yard line.

Shooter will either:

- Shoot then Move to Cover
- Shoot while Moving to Cover
- Move to Cover then Shoot

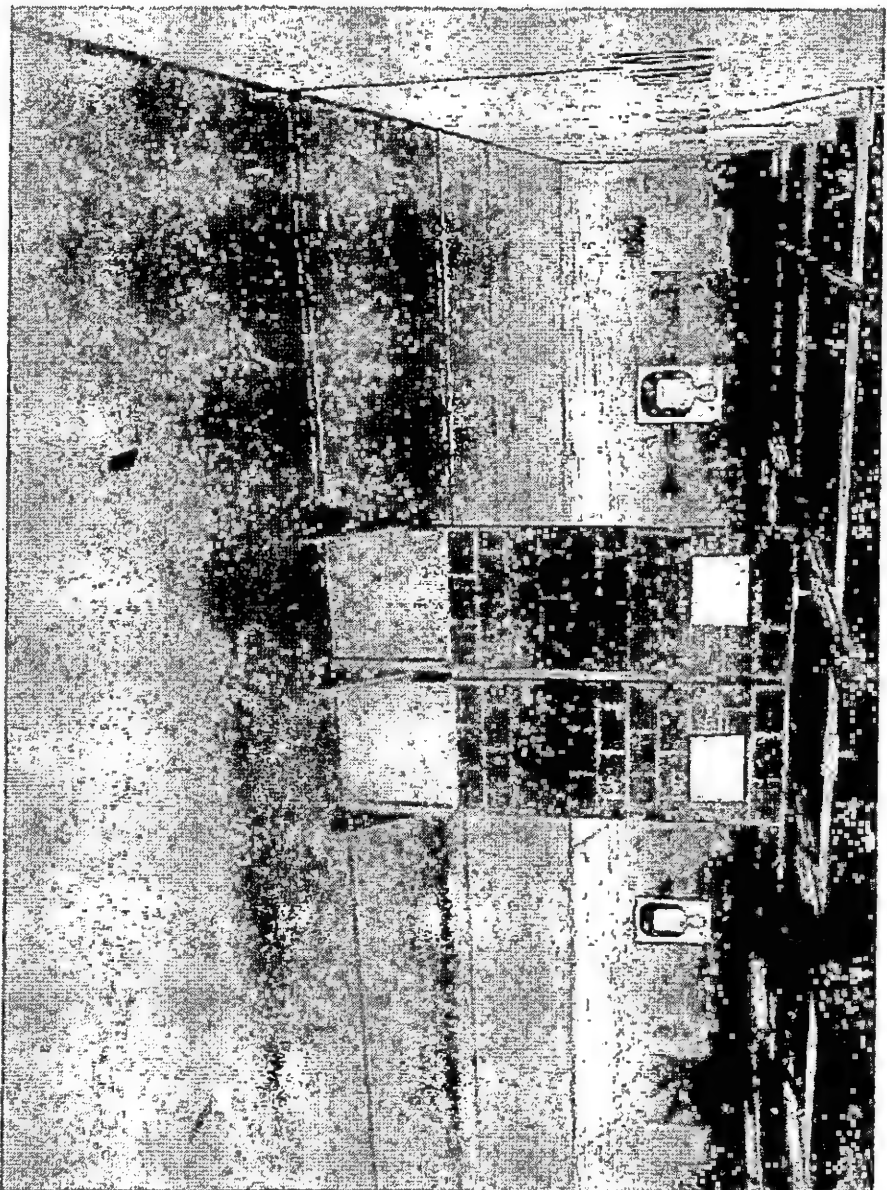

Shooter will fire 4 LIVE ROUNDS, fix malfunctions as needed, reload as needed, scan, use cover correctly.

Shooter will run left and right side of each cover.

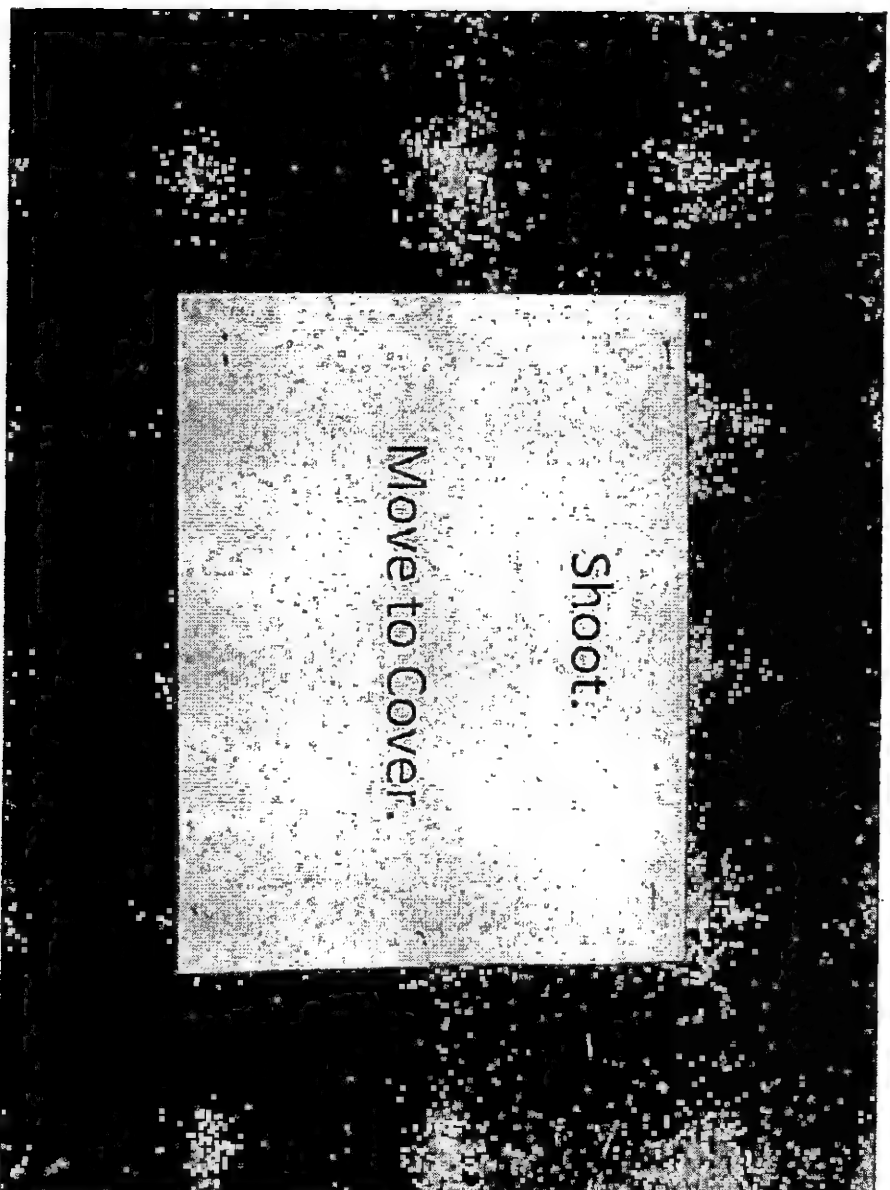

From Holster, Two-Handed Grip (*Primary*)

- 4 rounds, Scan, Holster

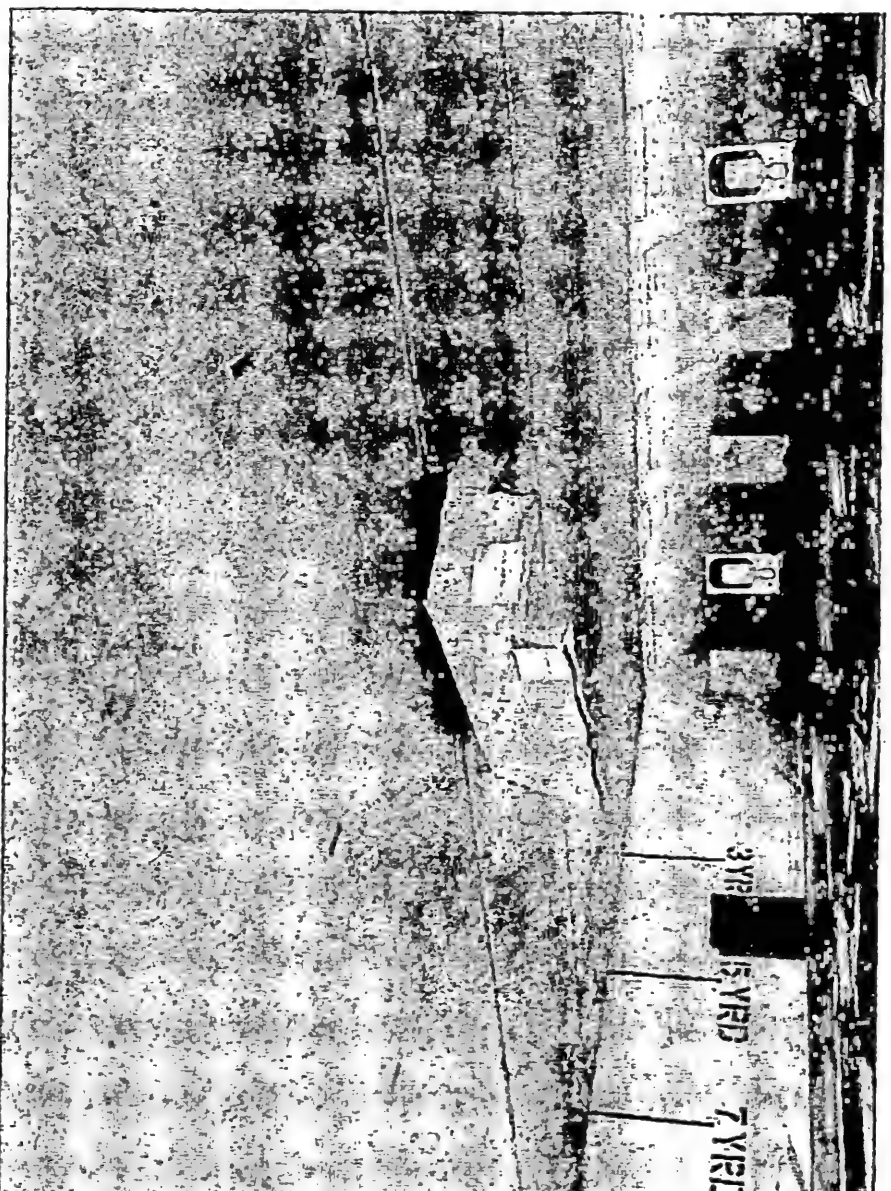

Shoot then Move to Cover

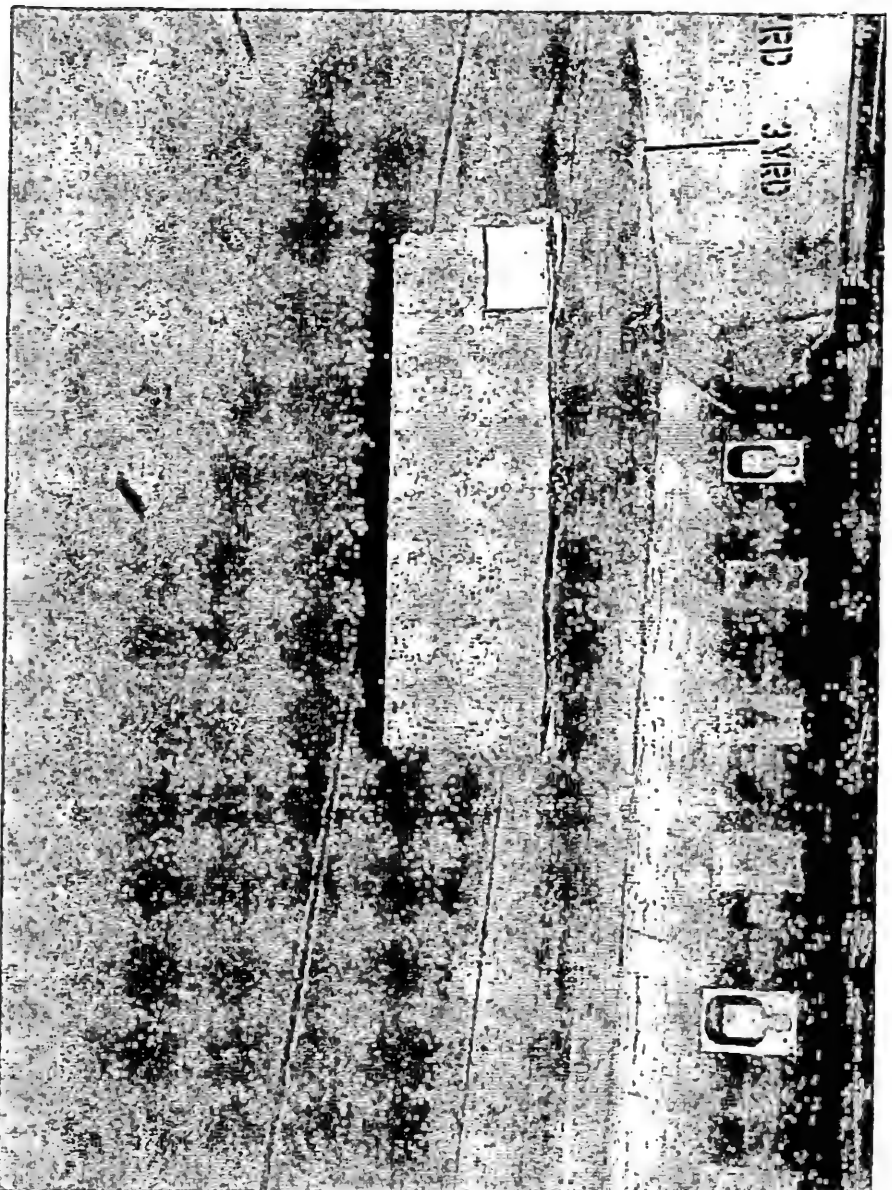

Shoot then Move to Cover

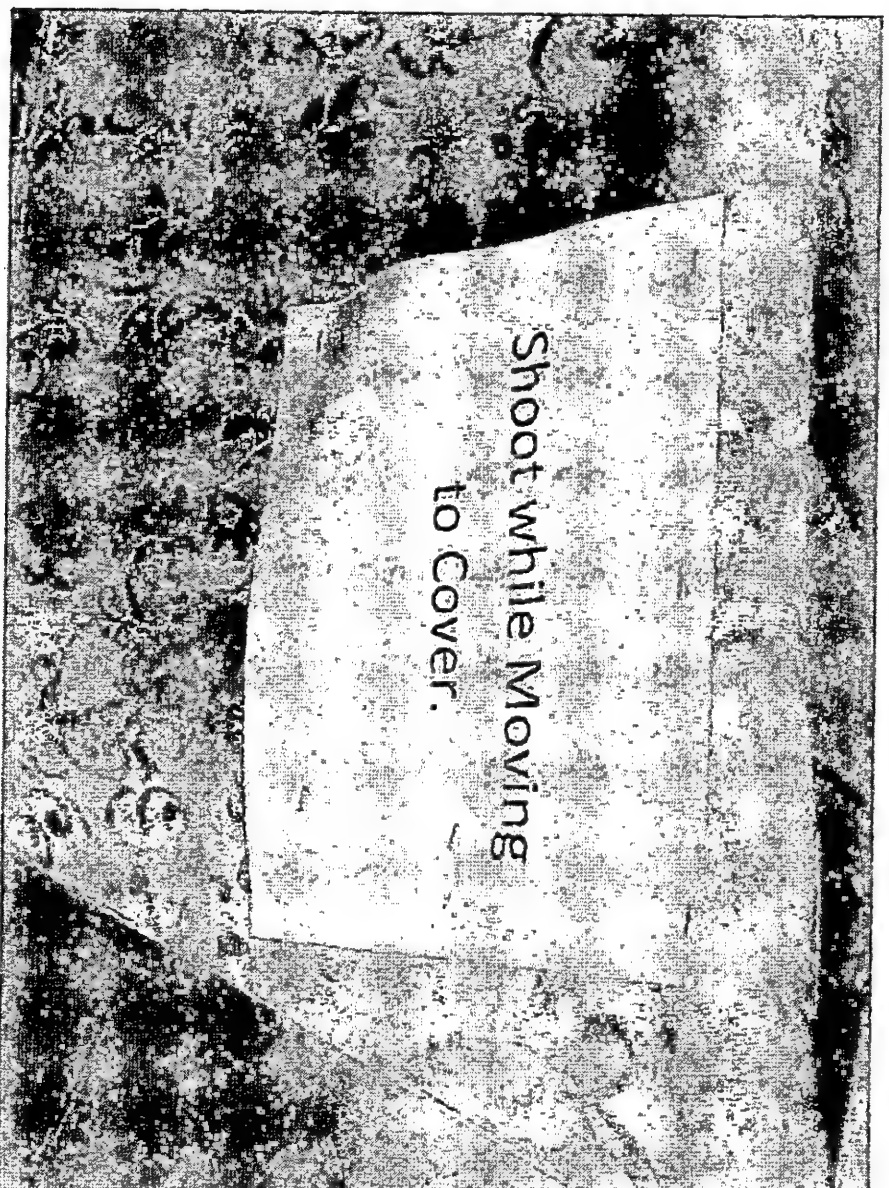

Shoot while Moving to Cover

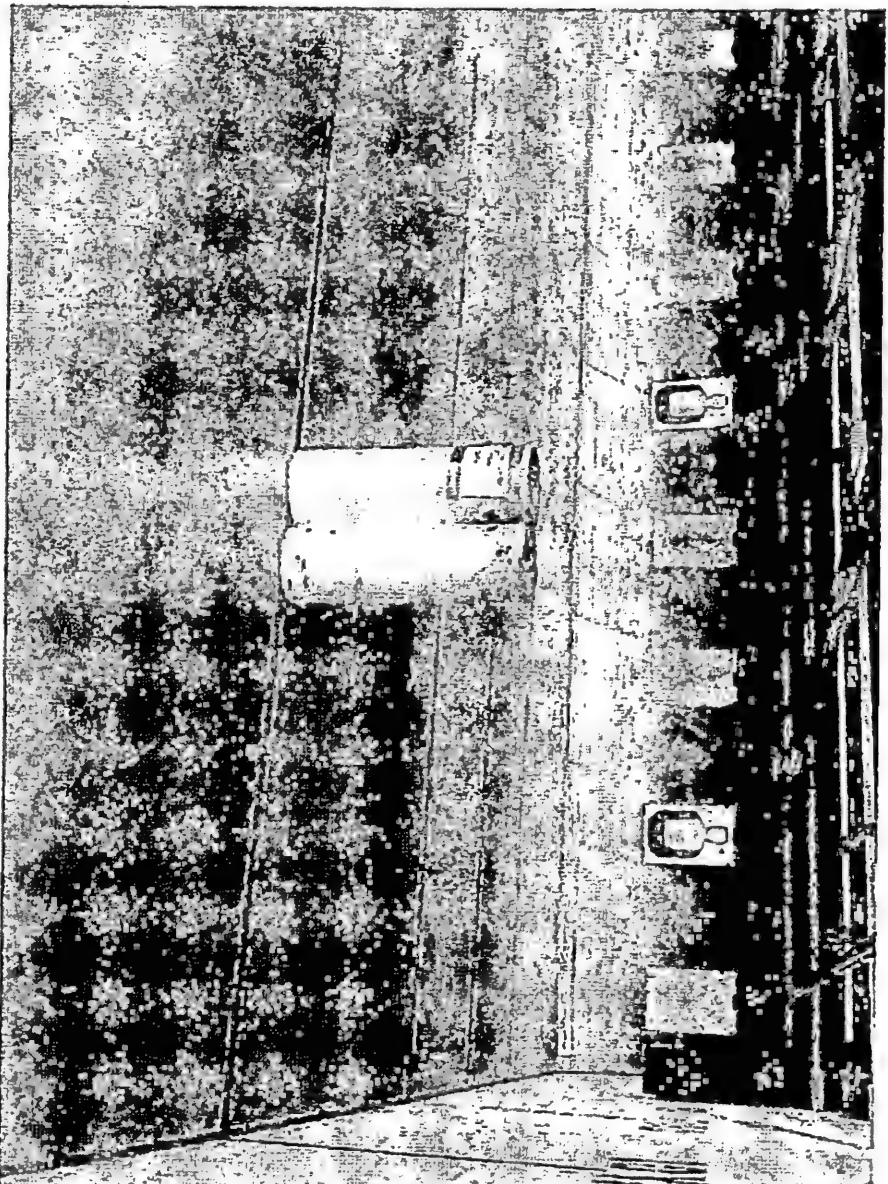

Shoot while Moving to Cover

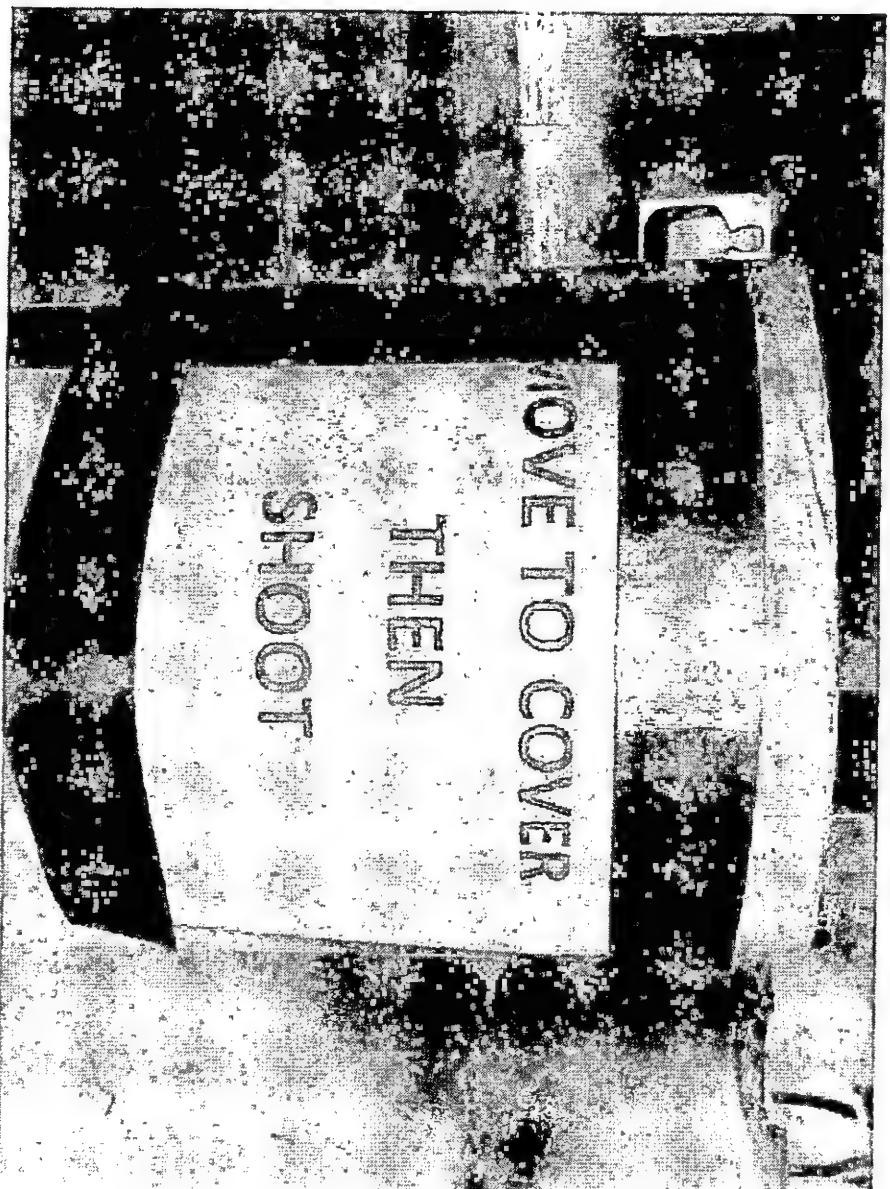

Shoot while Moving to Cover

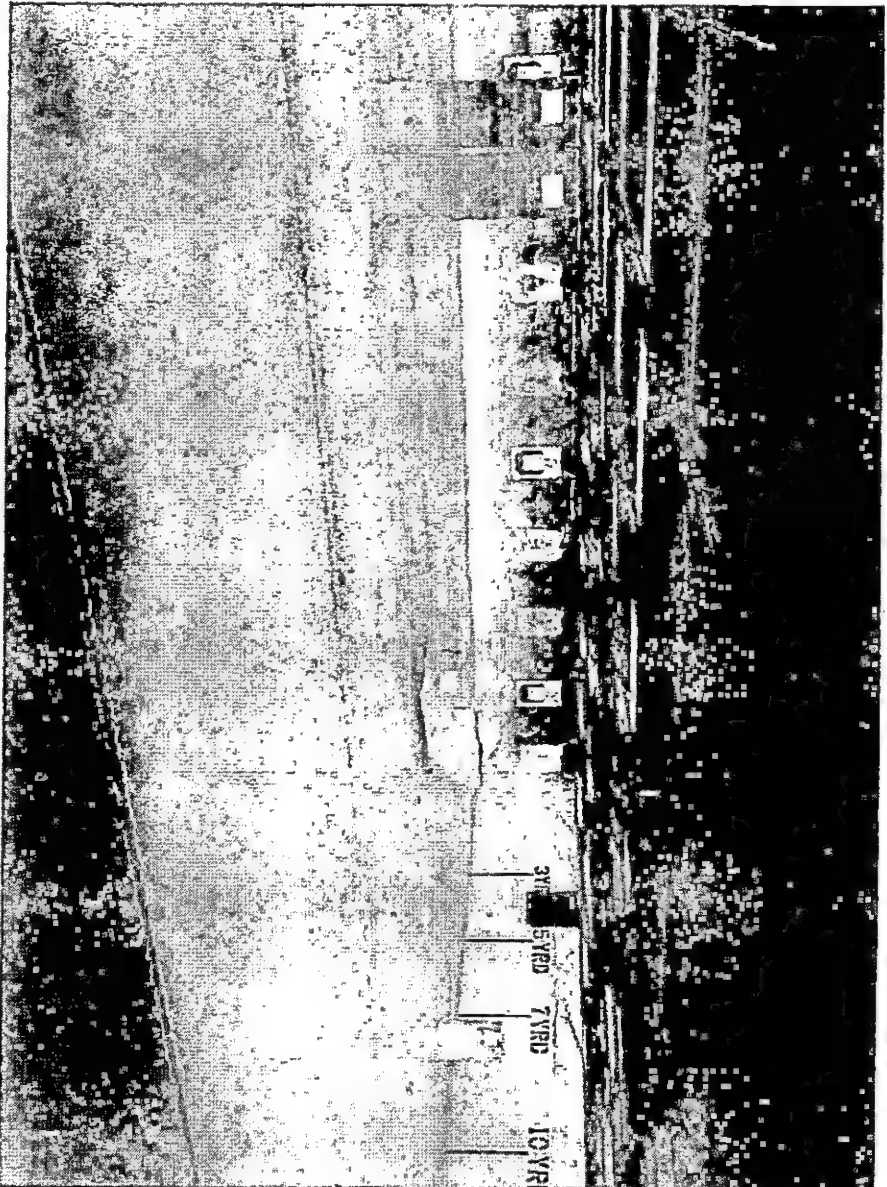

Move to Cover then Shoot

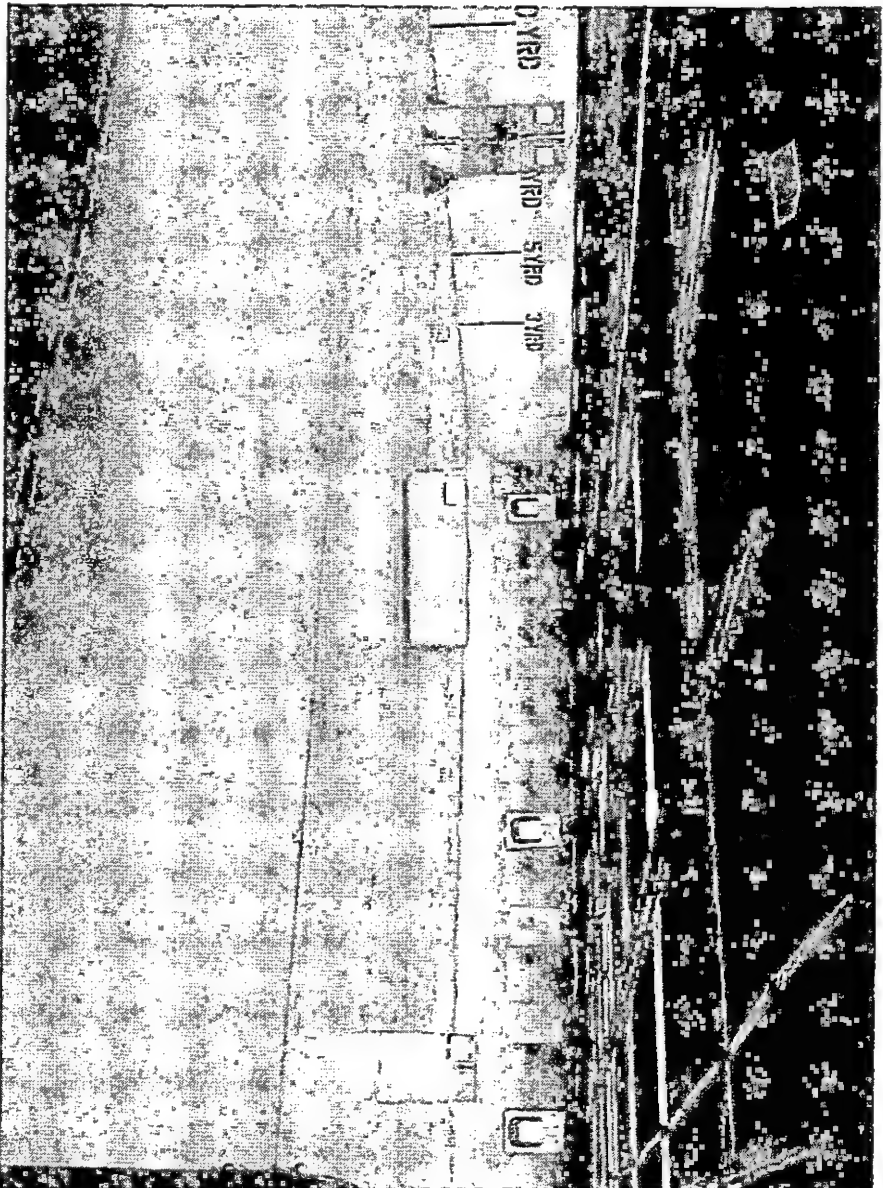

Move to Cover then Shoot

Lesson Plan

Low Light Handgun Exercise

APPROVAL DATE: September 17, 2015

PREPARED BY: Neil Iverson

COURSE LENGTH: One Hour

POST COURSE NUMBER: 6200-0815

TRAINING UNIT - 425 GROVE ST.
ST. PAUL, MINNESOTA 55101
651-266-9500

TRAINING GOAL:

The goal of the Low Light Handgun Exercise is:

- To increase the officer's ability to use their flashlight and weapon mounted light.
- To increase the officer's ability to use their duty handgun in low light.
- To increase the officer's ability to effectively use cover in low light.

PERFORMANCE OBJECTIVES:

Upon the completion of this course officers will demonstrate knowledge in the following:

- The officer will demonstrate safe handling of all firearms used during training. This will include:
 - Safely and correctly loading and unloading the firearm.
 - Safely and correctly drawing and holstering the weapon.
 - Safely and correctly maintaining their authorized firearm.
 - Safely and correctly clearing malfunctions.
- The officer will demonstrate effective low light techniques in the following areas:
 - Handgun accuracy during low light conditions.
 - Effective use of a flashlight and/or weapon mounted light during engagement of the target.
 - Reloading and clearing malfunctions during low light conditions.
 - Proper use of cover in low light.

METHOD OF INSTRUCTION:

- Demonstration
- Dry Fire
- Live fire

METHOD OF EVALUATION:

Officers will safely perform the skills to the satisfaction of the instructors.

POWER POINT PRESENTATION USED:

☐ YES

☒ NO

(If checked yes, power point presentation will be attached.)

INSTRUCTOR REQUIREMENTS:

NUMBER OF INSTRUCTORS: See Instructor Schedule

INSTRUCTORS: See Instructor Schedule

EQUIPMENT REQUIREMENTS:

Training Aids and Equipment

- Belt and holster
- Duty handgun and magazines
- Flashlight
- Weapon mounted light (optional)
- Ear and eye protection
- 50 rounds ammunition
- Inert training cartridges "dummy rounds"
- One inert training handgun per instructor
- Government driver's license / identification
- Target - TCT-MK1
- Florescent green and orange duct tape
- Simulated cover / four "stepped" barricades

Range Set-Up: (*See attached photos*)

The East Metro Firearms Range will be set up in the following manner:

- Portable target stands with backers and targets will be placed approximately on the 2-yard line of the range. The target will be considered a deadly force target and will be represented with a visible handgun.
- Black plastic will be hung from the overhead target system tracks. This will produce lanes to provide a barrier for light from adjacent lanes. The plastic will run from the 1-yard line to the 5-yard line of the range.
- Four stepped barricades and four wall barricades are placed on the 12- Yard line. Barricade will be placed in Lane 1, Lane 5, Lane 6 and Lane 10. Orange and green duct tape will mark the floor where the officer will begin, the barricade that the officer will use as cover and the target that the officer will shoot during *Use of Cover with Flashlight / Weapon Mounted Light* portion of the exercise.
- A reloading table will be placed at the 20 yard line with a dim light mounted from the ceiling for illumination for reloading purposes.

TRAINING ADVISORY

This course is sponsored by the Ramsey County Sheriff's Office. It has been approved by the Minnesota Board of Peace Officers Standards and Training for *one* hour(s) of continuing education credit.

The Sheriff's Office Policy manual, section #328.1 reads, in part, as follows:

Any act of discrimination is prohibited: Discrimination is any act or omission of an act which would create a hostile work environment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age, marital status or denial of family care or pregnancy disability leave. Discrimination includes, but is not limited to, derogatory comments, slurs or jokes, pictures, cartoons or posters and actions that result in an employee being offended or insulted because of a protected classification status enumerated above. Such acts or comments should be reported, as soon as possible, to any member of the Training Unit, the Department Affirmative Action / Sexual Harassment Investigator or any ranking supervisor. The person or persons who are made aware of a complaint must take appropriate and timely action.

OUTLINE

Instructor Presentation – On Range:

Instructor will discuss and demonstrate:

- Reaction Flashlight Techniques vs Searching Flashlight Techniques
 - Side-by-Side Technique
 - Stacked Hands Technique
 - Harries Technique
 - FBI Technique
 - USMC Technique
 - Neck-Index Technique
- Lateral movement during the draw
- Verbal commands
- Reloading and clearing malfunctions while not illuminating self and retaining flashlight (ex. under armpit).
- What to do with materials in hands (driver's license) before the draw
- Scanning for more threats

Instructor will discuss and demonstrate proper use of cover in low light while:

- Moving to cover with a light while not illuminating self.
- Shooting behind cover with a light while not illuminating self.
- Reloading behind cover with a light while not illuminating self.

Instructor will remind the officer:

- To refrain from holstering handgun from a Kneeling Position if possible.
- Use *Support Hand* Thumb to activate weapon mounted light switch.

Part One – Flashlight and Weapon Manipulation

7 – Yard Line

Ammunition: None

Dry Fire – With the overhead range lights on, the instructor will watch officers move laterally with a flashlight, draw and give verbal commands. The instructor will confirm officers are safe and understand the exercise. Officers will stand at the 7-Yard line. On the instructor's command the officer will:

- Draw handgun while holding a flashlight and moving laterally
- Give verbal commands
- Identify target as a deadly threat
- Present handgun correctly
- Use effect light technique
- Scan for more threats and holster handgun

7 – Yard Line

Ammunition: 10 rounds divided between two or three magazines

With the overhead range lights off, officers will stand at the 7-Yard line. On the instructor's command the officer will:

- Draw handgun while holding a flashlight and moving laterally
- Give verbal commands
- Identify target as deadly threat
- Accurately fire two rounds in the center mass of the deadly threat target
- Use effect light technique
- Reload handgun while not illuminating self and retaining flashlight
- Scan for more threats and holster handgun

7 – Yard Line

Ammunition: 17 rounds divided between two or three magazines plus one "dummy" round in one magazine

With overhead range lights off, the officer will stand at the 7-Yard line with flashlight and driver's license. The officer will conduct a mock identification contact with the target. The officer's flashlight will be on. On the instructor's command the officer will:

- Drop driver's license
- Draw handgun while moving laterally and using an effective flashlight technique
- Give verbal commands
- Identify target as a deadly threat
- Accurately fire three, four, or five rounds in the center mass of the deadly threat target
- Clear malfunctions and reload as needed while not illuminating self and retaining flashlight
- Scan for more threats and holster handgun

The officer will repeat this drill until all ammunition is used.

Part Two – Use of Cover with Flashlight / Weapon Mounted Light

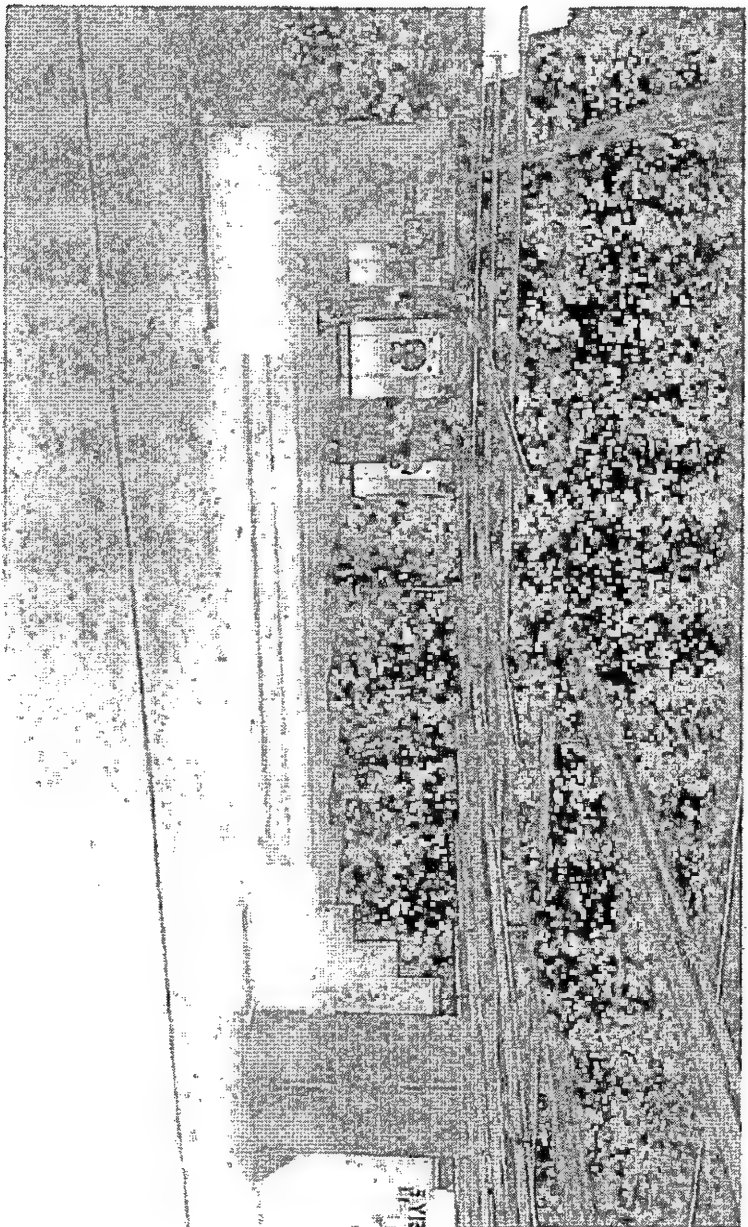

Moving from 16-Yard Line to 12-Yard Line

Ammunition: 23 rounds divided between two or three magazines

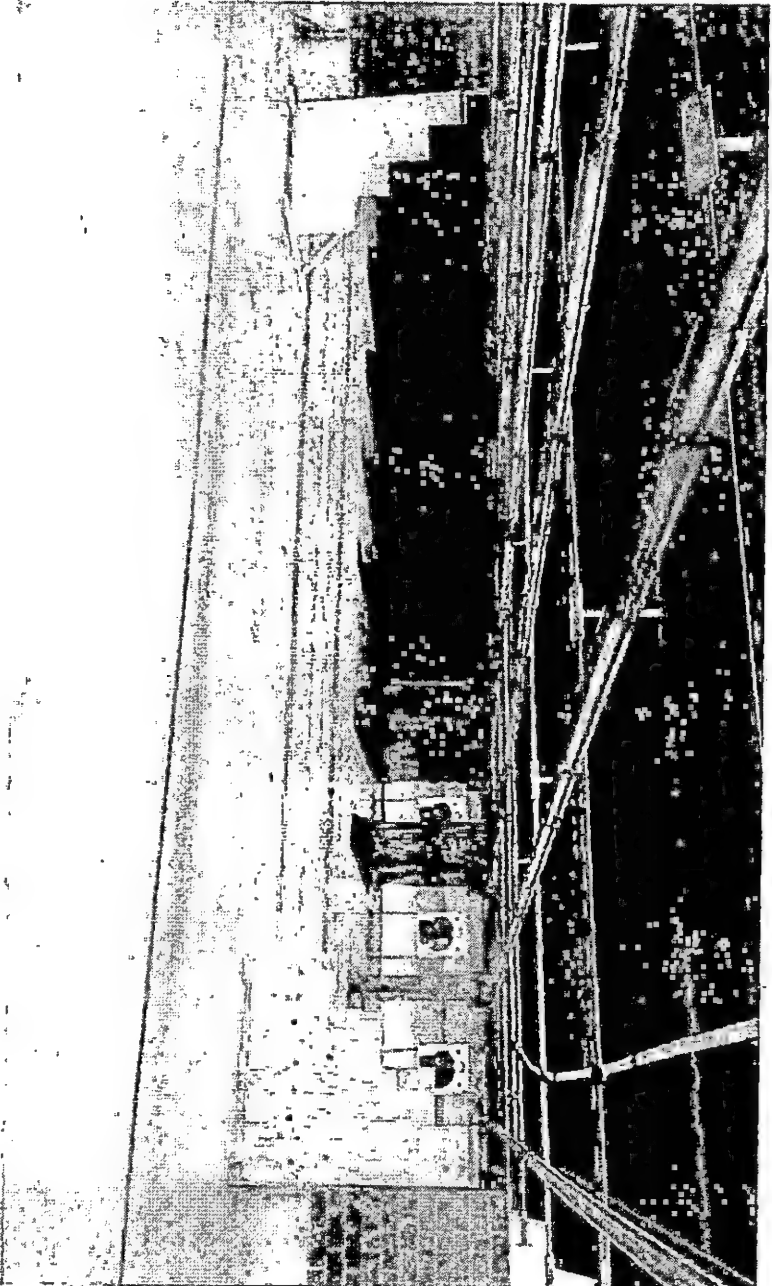

Four stepped barricades and four wall barricades are placed on the 12- Yard line. Barricade will be placed in Lane 1, Lane 5, Lane 6 and Lane 10. The officer will begin on the 16-Yard line of the range marked with an "X" of orange or green duct tape. The officer will begin with their handgun in a *Ready Position* and their flashlight or weapon light on as if the officer is searching for a deadly threat subject. On the instructor's command, the officer will:

- Turn light off while moving laterally to cover.
- Give verbal commands
- Turn light on from behind cover and identify deadly threat target
- From a Standing Position, fire 3 rounds into the center of the deadly threat target from behind cover
- Move to a Kneeling Position, fire 3 rounds into the center of the deadly threat target from behind cover
- Reload as needed from behind cover while not illuminating self
- Scan
- Recover to standing
- Scan again

Low Light Handgun Exercise – 2015

Part One – Flashlight and Weapon Manipulation

7 – Yard Line

Overhead Lights On

Dry Fire – Practice Drawing Handgun with Different Flashlight Techniques until shooter(s) is safe/comfortable/confident.

******* Ammunition: 10 Rounds Divided by 2 or 3 Magazines *******

7 – Yard Line

Overhead Lights Off

From Holster, Flashlight Technique of Choice

- 2 round, Scan, Holster (Repeat 5x)

****** Ammunition: 17 Rounds Divided by 2 or 3 Magazines plus one dummy round ******

7 – Yard Line

Overhead Lights Off

Officers will stand at the 7-Yard line with flashlight in support hand and DL / ID in primary hand. The officer will be instructed to:

- Drop driver's license
- Draw handgun while moving laterally and using an effective flashlight technique
- Give verbal commands
- Identify target as a deadly threat
- Accurately fire three, four, or five rounds in the center mass of the deadly threat target
- Clear malfunctions and reload as needed while not illuminating self and retaining flashlight
- Scan for more threats and holster handgun

From Holster, Flashlight Technique of Choice

- 3, 4, or 5 Rounds, Scan, Holster (Repeat until out)

Low Light Handgun Exercise – 2015

Part Two – Use of Cover with Flashlight / Weapon Mounted Light

***** Ammunition: 23 Rounds Divided by 2 or 3 Magazines*****

16-Yard Line Moving to 12- Yard Line

Overhead Lights Off

Four stepped barricades and four wall barricades are placed on the 12- Yard line. Barricade will be placed in Lane 1, Lane 5, Lane 6 and Lane 10. The officer will begin on the 16-Yard line of the range marked with an "X" of orange or green duct tape. The officer will begin with their handgun in a *Ready Position* and their flashlight or weapon light on as if the officer is searching for a deadly threat subject. On the instructor's command, the officer will:

- Turn light off while moving laterally to cover.
- Give verbal commands
- Turn light on from behind cover and identify deadly threat target
- From a Standing Position, fire 3 rounds into the center of the deadly threat target from behind cover
- Move to a Kneeling Position, fire 3 rounds into the center of the deadly threat target from behind cover
- Reload as needed from behind cover while not illuminating self.
- Scan
- Recover to standing
- Scan again

On Range Presentation

Instructor will discuss and demonstrate:

- Reaction Flashlight Techniques vs Searching Flashlight Techniques
 - Side-by-Side Technique
 - Stacked Hands Technique
 - Harries Technique
 - FBI Technique
 - USMC Technique
 - Neck-Index Technique
- Lateral movement during the draw
- Verbal commands
- Reloading and clearing malfunctions while not illuminating self and retaining flashlight (ex. under armpit).

- Scanning for more threats

Instructor will discuss and demonstrate proper use of cover in low light while:

- Moving to cover with a light while not illuminating self.
- Shooting behind cover with a light while not illuminating self.
- Reloading behind cover with a light while not illuminating self.

Instructor will remind the officer:

- To refrain from holstering handgun from a Kneeling Position if possible.
- To use *Support Hand* Thumb to activate weapon mounted light switch.

MATT BOSTROM
RAMSEY COUNTY SHERIFF

425 Grove Street
Saint Paul, Minnesota 55101-2418
Telephone: 651-266-9333
Facsimile: 651-266-9301

September 17, 2015

The following course has been evaluated and approved for continuing education credits by the Ramsey County Sheriff's Office, according to Minnesota P.O.S.T. guidelines.

Course Title: Low Light Handgun Exercise
Course Number: 6200-0815
Course Approval Date: 09/17/2015
Credit Hours Approved: 1.0

Rosters of the completed courses have been collected and will be recorded on the trainees file within 10 days along with an affidavit of attendance. As an accredited agency, the Ramsey County Sheriff's Office approves courses based on the following criteria:

- Instructor must show proof of professionally recognized training and experience in the assigned subject area; and instructor training or specialized academic preparation in the assigned subject area. (This may be supplied in a resume)

A course lesson plan will be maintained by the Training Unit and will include the following objectives:

- Course overall learning goals
- Specific performance objectives for each major unit of instruction
- A timeline which shows a breakdown of hours approved
- The body of each major unit of instruction in outline form
- Instructor/ course evaluation forms
- Handouts, audio visual or any other learning aid used, if any
- A bibliography of any references used as source material

The Ramsey County Sheriff's Office prohibits discrimination based on race, gender, creed, age, color, religion, national origin, marital status, physical or mental disability or sexual orientation (Policy # 173.00)

Course Evaluator: Tony Waldo
Title: Sergeant, Training Unit

PS OFF DUTY

Instructions for Completion of the Law Enforcement Officers Safety Act (LEOSA)

Section A: This section is to be completed by a separated law enforcement officer who is a resident of the State of Minnesota and intends to carry a firearm as permitted by U.S. federal law under the Law Enforcement Officer Safety Act Improvements Act of 2010. Minnesota residency and a photographic identification issued by the agency from which the individual separated from service as a law enforcement officer are required.

A "separated law enforcement officer" means an officer separated in good standing from a public agency who served as a law enforcement officer for an aggregate of ten years or more.

Section B: This section is to be completed by a certified firearms instructor after the separated law enforcement officer named in Section A has been tested and found to meet the Minnesota Department of Public Safety standards for active law enforcement officers to carry a firearm (see below).

Important: Receiving the statutorily mandated training ensures compliance with only part of the requirement of the Law Enforcement Officer Safety Act Improvements Act of 2010.

Separated law enforcement officers must also comply with the other requirements of the Act.

Minnesota Department of Public Safety Standards For Active Law Enforcement Officers to Carry A Firearm

- I. Score a 70% or higher on this shooting qualification exercise:
 - A. 3-yard line
3 rounds fired in 3 seconds, repeat 3 times, two-handed grip
(9 rounds total)
 - B. 5-yard line
5 rounds, two-handed grip
5 rounds, strong hand, one-handed grip
4 rounds, weak hand, two-handed grip
(14 rounds total)
 - C. 7-yard line
8 live rounds and at least 3 orange dummy rounds, load and fire, clearing malfunctions as they occur, two-handed grip
4 rounds, two-handed grip
4 rounds, two-handed grip
3 rounds, two-handed grip
(19 rounds total)
 - D. 15-yard line
4 rounds shooting around or over a barricade, two-handed grip
4 rounds shooting around or over a barricade from a different angle, two-handed grip
(8 rounds total)

Scoring – 1 point for each hit inside silhouette

II. Demonstrate and/or explain the safe handling of firearms including

- Safely and correctly loading and unloading firearm
- Safely and correctly holstering and drawing firearm
- Safely and correctly clearing malfunctions
- Safely and correctly maintaining firearms
- Handling and storing of firearms in compliance with Minnesota Statute 609.666

III. Explain the circumstances that justify the use of deadly force

IV. Identify situations and considerations involved in determining whether the use of a firearm is appropriate, including:

- Physical environment
- Number of threatening persons involved
- Other weapons present
- Presence of bystanders, hostages or other innocent persons
- Presence of police officers or others who may provide assistance
- Personal proficiency with the firearm
- Potential for ricochet and projectile penetration

V. Describe the effective and safe range for the weapon to be carried

VI. Demonstrate and /or explain the ability to deal with special problems associated with the use of firearms in low light and in adverse weather, such as:

- Muzzle flash
- Target identification
- Target accuracy
- Firearms malfunction
- Firearms control
- Use of gloves
- Reduced mobility in drawing and firing a firearm due to heavy clothing
- Limitation of access to a firearm due to heavy outer clothing
- Impact of cold weather in reducing motor function of extremities

CITY OF ST. ANTHONY POLICE DEPARTMENT

SHOOTING PROGRAM (SHOTGUN COURSE)

+ Less Lethal

Officer will fire 5 rounds of rifled slugs, 5 rounds of 9 pellet 00 buckshot, and 5 rounds of target loads.

RIFLED SLUGS

25 YARDS	1 ROUND, STANDING FROM THE SHOULDER	10 SECONDS
25 YARDS	2 ROUNDS, ONE STANDING FROM THE SHOULDER, 1 KNEELING	15 SECONDS
15 YARDS	2 ROUNDS, ONE KNEELING, ONE STANDING FROM THE SHOULDER, (CHANGE TARGETS)	15 SECONDS

00 BUCKSHOT (9 PELLETS OR 12 PELLETS)

*25 YARDS	2 ROUNDS, ONE STANDING FROM THE SHOULDER, 1 KNEELING	20 SECONDS
15 YARDS	2 ROUNDS, ONE STANDING FROM THE SHOULDER, ONE KNEELING	10 SECONDS
7 YARDS	1 STANDING FROM HIP	"

TARGET LOADS

5 ROUNDS TO BE SHOT AT MOVING CLAY TARGETS AS A PASS/FAIL, SAFE HANDLING AND FAMILIARIZATION EXERCISE.

*NOTE: 25 YARD BUCKSHOT STAGE WILL START WITH SHOTGUN IN "SQUAD SAFE" CONDITION (MAGAZINE TUBE LOADED, SAFETY ON, CHAMBER EMPTY, TRIGGER PULLED). AFTER FIRING ON ALL STAGES AND POSITIONS, ACTION OPEN, SAFETY ON, BARREL UP (ABOVE HEAD LEVEL).

SCORING

RIFLED SLUGS, TQ15 TARGET, EACH HIT WITHIN THE INNER RING - 2 POINTS; ANY HIT WITHIN THE SECOND RING - 1 POINT. ALL OTHER HITS ARE SCORED AS A MISS.

00 BUCKSHOT (9 OR 12 PELLET), TQ15 TARGET, ANY HIT IN THE BLACK; 2 POINTS FOR 9 PELLET, 1.5 POINTS FOR 12 PELLETS.

TOTAL ROUNDS FIRED	15
TOTAL POSSIBLE POINTS	100
QUALIFICATION SCORE REQUIRED	70% or better

ST ANTHONY POLICE DEPARTMENT

HANDGUN QUALIFICATION

Instructors: St. Anthony police department firearms instructors

Location: Anoka County Gun Range

Course Number: ST-0020

Course Date: 08/01/2013

Length: 1 hour

Goal: The goal of this course is to have officers meet the POST Board training objectives by safely firing their duty weapons strong, weak and with both hands. The officer will complete a 250 point, 50 round course of fire with a minimum proficiency requirement of 70% (175 points)

Objectives: Upon completion of this one hour course, students will demonstrate knowledge in the following POST performance objectives as they relate to the officer's firearm.

E. PRINCIPLE OF FIREARMS USE

Performance Objectives:

1. The officer will demonstrate safely handling of all firearms used during training. This will include:
2. Safely and correctly loading and unloading the firearm.
3. Safely and correctly holstering and drawing of the firearm.
4. Safely and correctly clearing malfunctions.
5. Safely and correctly maintaining their authorized firearm.

The officer will describe the various methods of handling and storing firearms while off duty. The need for security of firearms kept in the officer's home will also be discussed.

The Officer will identify authorized firearms categories and corresponding ammunition utilized by their agency.

The officer will explain situation in which use of the weak hand may be required.

The officer will explain the circumstances that justify the use of deadly force by peace officers.

F. HANDGUN RANGE EXERCISES

PERFORMANCE OBJECTIVES:

1. The officer will demonstrate effective techniques in the following areas:
Close encounter shooting.
Reloading techniques.
Weapon / reaction hand shooting.
2. The officer will fire a qualification course consisting of no less than 50 rounds. The course of fire may be conducted with duty ammunition.
3. During the course of fire, the officer will fire from close, medium, and long range.

EQUIPMENT NEEDED:

- Hearing protection
- Eye protection
- 50 rounds of ammunition
- Approved on duty /Off duty weapon

FIFTY ROUND HANDGUN QUALIFICATION COURSE

The officer will complete a 250 point, 50 round course of fire with a minimum proficiency requirement of 70% (175 points)

3-Yard Line (10 Rounds)

Load 1 magazine with 10 rounds.

-Reactionary hand only from the low ready, fire 5 rounds in 8 seconds.

-Strong hand only from the low ready, fire 5 rounds in 6 seconds.

Reload with either of the magazines and holster. Use both hands from this point forward.

7-Yard Line (15 Rounds)

Load 1 magazine with 8 rounds and load one magazine with 7 rounds.

-From the holster, draw and fire 6 rounds in 8 seconds, then holster.

-From the holster, draw and fire 9 rounds in 15 seconds (Re-load exercise)

10 Yard Line (10 Rounds)

Load 2 magazines with 5 rounds each.

-From the holster, draw and fire 4 rounds in 8 seconds, then holster.

-From the holster, draw and fire 6 rounds in 15 seconds. (Re-load exercise)

14 Yard Line (10 Rounds)

Load 3 magazines with 5 rounds each.

-From the holster, draw and fire 10 rounds from two magazines in 22 seconds (Re-load exercise)

20 Yard Line (5 Rounds)

-From the holster, draw and fire 5 rounds from the remaining magazine in 12 seconds.

**ST. ANTHONY POLICE DEPARTMENT
SHOOTING PROGRAM (Run/push-ups)**

<u>25 Yards</u>	Run 25 yards and fire 4 rounds from the 25 yard line-shooter's choice	17 Seconds
<u>15 Yards</u>	Do 10 push-ups, then run 10 yards to the 15 yard line and fire 5 rounds kneeling behind cones.	25 Seconds
<u>7 Yards</u>	Fire 8 rounds – shooter's choice	8 Seconds
<u>7 Yards</u>	Walk heel to toe from the 7 yard line to the 3 yard line, firing 8 rounds.	10 Seconds
<hr/>		
<u>MP5 25 Yards</u>	Fire 15 rounds, kneeling	25 Seconds

SCORING TQ-15 TARGET

1 st Ring	5 Points
2 nd Ring	4 Points

Total handgun – 25 rounds	Maximum Score	125	75% Pass
Total MP5 – 15 rounds	Maximum Score	75	75% Pass

NOTE – Course will be fired as a "Hot Line." All officers will reload and holster a loaded weapon unless told to do otherwise.

**ST. ANTHONY POLICE DEPARTMENT
SHOOTING PROGRAM "M-R/P"**

<u>25 YARDS</u>	Run 25 yards, drop and do 10 push ups and shoot 4 rounds – shooters choice	50 seconds
<u>15 YARDS</u>	Run 10 yards, stop and shoot 5 rounds – shooters choice	15 seconds
<u>10 YARDS</u>	Walk from the 10 yard line to the 7 yard line walking heel to toe while shooting 8 rounds	12 seconds
<u>7 YARDS</u>	Shoot 8 rounds in 2 round strings with 2 hands from the ready gun position	2 seconds per string

<u>MP5 25 YARDS</u>	15 rounds shot from the kneeling position	25 seconds
----------------------------	---	-------------------

SCORING TQ-15 TARGET:

1 st Ring	5 Points
2 nd Ring	4 Points

<u>TOTAL HANDGUN – 25 rounds</u>	<u>MAXIMUM 125</u>	<u>70% Pass</u>
---	---------------------------	------------------------

<u>TOTAL MP5 – 15 rounds</u>	<u>MAXIMUM 75</u>	<u>75% Pass</u>
-------------------------------------	--------------------------	------------------------

Note: Course will be fired as a **"Hot Line"**. All officers will reload and holster a loaded weapon unless told to do otherwise.

CITY OF ST ANTHONY POLICE DEPARTMENT
LONG GUN SHOOTING PROGRAM (QUICK DECISION - "QD-1")

TARGETS USED WILL BE NUMBERED MINI-SILHOUETTES (1 THROUGH 6). EACH TARGET WILL ALSO HAVE TWO SOFTBALL SIZED DIFFERENT COLORED BALLOONS ATTACHED.

OFFICERS WILL BEGIN BY FIRST HAVING TO SPRINT APPROX 100 YARDS. AFTER COMPLETION, OFFICERS WILL THEN COMPLETE 10 JUMPING JACKS.

FROM THE 15 YARD LINE, OFFICERS WILL GRAB A LONG GUN THAT WILL WAITING IN THE "SQUAD READY" POSITION. OFFICERS WILL THEN CHARGE WEAPON AND WAIT FURTHER INSTRUCTION.

FIREARMS INSTRUCTORS WILL CALL A NUMBER, COLOR, OR A SERIES OF NUMBERS & COLORS. OFFICERS WILL FIRE TWO ROUNDS AT EACH NUMBER OR COLOR CALLED.

TOTAL ROUNDS: 30

THIS IS NOT A SCORED EVENT, RATHER A PRACTICAL EXERCISE SIMULATING A STRESSFUL ENVIRONMENT WITH A HEART RATE ESCALATED.

THE OBJECTIVE IS TO ENSURE THAT OFFICERS ARE STILL ABLE TO SUCCESSFULLY USE THEIR SIGHTING SYSTEMS WITH THEIR LONG GUNS AND BE ABLE TO "THINK ON THEIR FEET" WITH THE ADDITION OF MULTIPLE TARGET POSSIBILITIES.

FIREARMS INSTRUCTORS WILL ADDRESS ANY INSUFFICIENCIES WITH OFFICERS ON A CASE BY CASE BASIS.

CITY OF ST ANTHONY POLICE DEPARTMENT
HAND GUN SHOOTING PROGRAM (MOVING TARGET - "MT-1")

FIREARMS INSTRUCTORS WILL UTILIZE THE TIPPING/MOVING TARGETS

15 YARDS:	4 ROUNDS STANDING - 2 HANDS	18 SECONDS
12 YARDS:	5 ROUNDS WALKING FROM 12 YARD LINE TO 7 YARD LINE - 2 HANDS	16 SECONDS
7 YARDS:	4 ROUNDS STANDING - 2 HANDS	12 SECONDS
7 YARDS:	4 ROUNDS WALKING FROM 7 YARD LINE TO 3 YARD LINE - 2 HANDS	12 SECONDS
3 YARDS:	4 ROUNDS STANDING - 2 HANDS	10 SECONDS
3 YARDS:	4 ROUNDS STANDING - STRONG HAND ONLY	10 SECONDS

TARGETS USED WILL BE "BAD GUY" TARGETS

SCORING

ANY HIT TO THE "BAD GUY" TARGET SCORES 5 POINTS. NO POINTS WILL BE AWARDED TO MISSES.

TOTAL ROUNDS FIRED:	25
TOTAL POSSIBLE POINTS:	125
QUALIFICATION SCORE REQUIRED:	70% - 88

COURSE CAN BE SHOT DURING DAY LIGHT OR DIM LIGHT

OBJECTIVE IS TO HAVE OFFICERS RECOGNIZE THE "BAD GUY / LETHAL THREAT TARGET" AND SUCCESSFULLY RECORD HITS ON A TARGET THAT IF MOVING/TIPPING.

CITY OF ST ANTHONY POLICE DEPARTMENT
LONG GUN SHOOTING PROGRAM (TRANSITION - "T-1")

OFFICERS WILL BEGIN WITH A PRE-LOADED LONG GUN MAGAZINE. THE MAGAZINE WILL CONSIST OF 20 LIVE ROUNDS AND 3 DUMMY TRAINING ROUNDS.

15 YARDS: 10 ROUNDS STANDING

15 YARDS: 10 ROUNDS KNEELING

TARGET WILL BE THE TQ-15 SILHOUETTE

SCORING

ANY HIT INSIDE THE INNER RING SCORES 5 POINTS. ANY HIT INSIDE THE 2ND RING SCORES 4 POINTS. NO POINTS AWARDED TO HITS OUTSIDE THE 2ND RING.

TOTAL ROUNDS FIRED: 20

TOTAL POSSIBLE POINTS: 100

QUALIFICATION SCORE REQUIRED: 70% - 70

OBJECTIVE IS TO ENSURE THE OFFICERS ARE ABLE TO SAFELY AND EFFECTIVELY TRANSITION FROM LONG GUN TO HAND GUN IN THE EVENT OF A LONG GUN MALFUNCTION. FIREARMS INSTRUCTORS WILL STRESS THE IMPORTANCE OF UTILIZING THE SLING.

UPON ENCOUNTERING A DUMMY ROUND/MALFUNCTION, OFFICERS WILL BE REQUIRED TO SAFELY LOWER/SLING THEIR LONG GUN AND FOLLOW UP WITH A TRANSITION TO HAND GUN

CITY OF ST ANTHONY POLICE DEPARTMENT
LONG GUN SHOOTING PROGRAM (VEHICLE COVER SHOOT "VC-1")

OFFICERS WILL UTILIZE SQUAD CAR PARKED AT THE 25 YARD LINE WITH THE LIGHT BAR ACTIVATED (CAN BE USED AS DAY OR NIGHT SHOOT)

25 YARDS 5 ROUNDS KNEELING BEHIND ENGINE BLOCK OF SQUAD

25 YARDS 5 ROUNDS KNEELING BEHIND REAR/TRUNK OF SQUAD

25 YARDS 5 ROUNDS WALKING TACTICALLY TO POINT OF COVER AT 15 YARD LINE

15 YARDS 5 ROUNDS BEHIND POINT OF COVER

20 TOTAL ROUNDS AT TQ-15 SILHOUETTE TARGET

SCORING

ANY HIT INSIDE INNER RING SCORES 5 POINTS. ANY HIT INSIDE 2ND RING SCORES 4 POINTS. NO POINTS SCORED FOR HITS OUTSIDE 2ND RING.

TOTAL ROUNDS FIRED:	20
TOTAL POSSIBLE POINTS:	100
QUALIFICATION SCORE REQUIRED	70% - 70

OFFICERS WILL BEGIN WITH THE LONG GUN LOCKED IN THE VEHICLE. ON COMMAND, OFFICERS WILL REMOVE LOCKED LONG GUN, CHARGE GUN AND GET TO POINT OF COVER BEHIND ENGINE BLOCK. OFFICER WILL MOVE TO EACH SHOOTING POSITION IN SUCCESSION

ST. ANTHONY POLICE DEPARTMENT SHOOTING PROGRAM (COLOR/SHAPES)

- Course of Fire:** Each target will consist of six smaller targets of different shapes and colors. The officers will not know which target to shoot at, until instructed by the range instructor. The officers will shoot 25 rounds from the 7 yard line. One round in each of the targets ordered by the range instructor.
- Objective:** The objective of this shooting program is to simulate split second decision making. The range instructor will be calling out a shape or color at a fast pace to simulate stress. Officers need to shoot as fast as they can accurately hit the intended target.
- Scoring:** Officers need to hit 70% of the overall intended targets for a passing score. This program can be used for handgun or MP5.

ST ANTHONY POLICE DEPARTMENT
TRANSITION/QUALIFICATION TO CARRY SEMI-AUTO PISTOL

The following skills and knowledge have been satisfactorily demonstrated to me
by Juvenino Lopez

- ✓ 1) For cleaning and minor maintenance, how to disassemble and reassemble a Sig Saver P220
- ✓ 2) Explain the safety features of the gun to be carried which is a Sig Saver P220, 4" 6414602
MAKE, MODEL, AND SERIAL NUMBER
- ✓ 3) Demonstrated safe gun handling and knowledge of manual safety's functions while firing from the Weaver and Weaver ready positions.
- ✓ 4) Demonstrated skill and knowledge of the following loading and unloading sequences.
 - ✓ a) Unload and control a magazine and the gun while doing so
 - ✓ b) Load a magazine into an empty gun and chamber a round
 - ✓ c) Extract and insert a magazine into the gun while holstered
 - ✓ d) Change magazines during a course of fire
- ✓ 5) Demonstrated procedure for removal of a magazine that fails to drop when the release button is pushed.
- ✓ 6) Expressed knowledge of how to remove a magazine that drops a floor plate.
- ✓ 7) Demonstrated the following skills while shooting from approximately 7 yards
 - ✓ a) From the Weaver position, clear a stove pipe, and fire 2 rounds
 - ✓ b) Repeat
 - ✓ c) From the Weaver position, clear a double feed, and fire 2 rounds
 - ✓ d) Repeat
 - ✓ e) From the Weaver position, clear a misfire, and fire 2 rounds

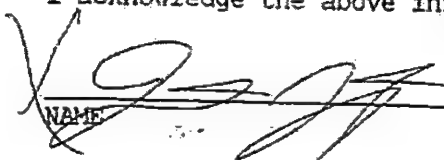

St. Anthony Police Department
Transition/Qualification to Carry Semi-Auto Pistol
Page 2

- ☒ f) Repeat _____
- ☒ g) (f) alternate, from the holster, draw, fire 3 rounds at the target and clear any misfires to accomplish the 3 shots _____
- ☒ h) Repeat (g) _____
- ☒ i) From the holster, draw, fire 3 rounds at the target, correcting an unseated magazine to accomplish the 3 shots _____
- ☒ j) Repeat (i) _____
- ☒ k) From the holster, draw and fire 1, change magazines and fire 1 _____
- ☒ l) Repeat (k) _____

Method of duty carry

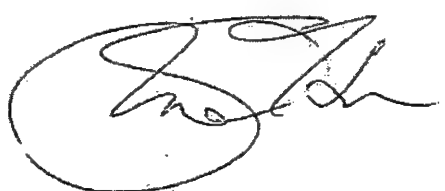

- ☒ 1) Strong side
- ☒ 2) Double action types, hammer down, safety either on or off
- ☒ 3) Single action types, cocked and locked
- ☒ 4) 2 spare magazines on the weak side
- ☒ 5) Leather must cover the trigger guard, and preferably secured by a safety strap or other approved device
- ☒ 6) Gun as issued from the factory, except sights, unless otherwise approved by firearms instructor

I acknowledge the above information is correct.

LESS-LETHAL TEST

100%

1. The use of force is seen as a continuum. Place the following list in order from the lowest to the highest.

A) Lethal Weapons	5
B) Soft Empty Hands	2
C) Hard Empty Hands	3
D) Verbal Skills	1
<u>E) Intermediate Weapons - ASP/Less Lethal</u>	4
2. You should avoid striking an individual with a less lethal round in the head, neck, thorax or spine? ☒ T ☐ F
3. Purposely striking an individual in the head with a less lethal round is construed to be deadly force? ☒ T ☐ F
4. Less Lethal can be used for?
 - A) To de-escalate a dangerous or potentially deadly situation.
 - B) To control, detain or arrest a hostile subject.
 - C) To protect officers or other person from harm including the subject/suspect from self inflicted injuries.
 - D) All of the above.
5. An officer should advise fellow officers that he will be firing less lethal prior to discharging the less lethal round(s)? ☒ T ☐ F
6. Through misuse or intent a normally non-lethal deployment can become lethal? ☒ T ☐ F
7. You must inspect the weapon and rounds thoroughly to ensure that only less lethal rounds are loaded into the shotgun? ☒ T ☐ F
8. Your finger should not be on the trigger of your weapon (Lethal or Less Lethal) until your sites are on your target? ☒ T ☐ F
9. An acceptable distance to utilize less lethal would be from 5 - 30 feet? T ☒ F
10. Officers must be cognizant of weapon selection (Lethal or Less Lethal) whenever responding to a tactical situation? ☒ T ☐ F
11. Less lethal deployment is seen as a "lethal weapon" on the use of force continuum? T ☒ F
12. When determining weather to use less lethal the following should be considered:
 - A) Age of subject/suspect.
 - B) Size of subject/suspect.
 - C) Clothing of subject/suspect.
 - D) All of the above.
13. The first safety priority is that of the suspect/subject. T ☒ F

14. When possible, a second officer, should witness the less lethal rounds being loaded into an empty shot gun. ☒ T ☐ F
15. Before transitioning to less lethal ammunition, the officer shall consider which of the following?
- A) The level of force being confronted.
 - B) The proximity/access of the subject to the officer.
 - C) The department safety priorities.
 - ☒ D) All of the above.
 - E) None of the above.
16. Suspects who are struck by a less lethal round shall be transported to a medical facility for an evaluation/examination. ☒ T ☐ F
17. The department safety priorities would include civilians, police officers and subjects/suspects. ☒ T ☐ F
18. There are many different types and styles of projectiles that are considered less lethal. ☒ T ☐ F
19. Less lethal impact projectiles will be evaluated on which of the following criteria?
- A) Accuracy
 - B) Effectiveness
 - C) Potential for causing death or serious injury.
 - ☒ D) All of the above.
20. The officer will determine if lethal cover is necessary and appropriate. Special consideration of lethal cover should be made in all cases involving subjects with firearms. ☒ T ☐ F

Supplementary Contains

On 1/8/16 at 0152 hours, I (Officer Yanez) initiated a traffic stop with MN Plate:795HTY at the intersection of Como Ave. W./Cleveland Ave. N. because it had an object suspended from the rearview mirror. I attempted to stop the vehicle earlier when it passed through the city of Lauderdale but was unable to catch up safely due to the slippery and snow conditions.

Stopped vehicle/violator for crossing over center line in the city of Lauderdale. I ended up initiating the traffic stop at Co. Rd. C./35W. The passenger stated he was having an anxiety attack. Allina Ambulance (Run #:160808767) was called to scene and the passenger was released.

See attached CN for further details regarding suspicious activity.Â RP called dispatch because he saw me on traffic with the same vehicle and person that approached him.Â RP of suspicious activity stated that he was 100% sure it was the same male from the other night.Â He just wanted that noted.

Yanez	<p>Â Â Â On 1/2/16 at 0026 hours, I (Officer Yanez) visually observed MN Plate:057TXV at the intersection of Larp. Ave. W./33rd Ave. SE. with no rear license plate light illuminating.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 1/2/16 at 0126 hours, I (Officer Yanez) visually observed MN Plate:914KVE at the intersection of Malvern St./Summer St. with all of the windows covered with ice and steam.Â I could not see inside of the vehicle and it had a headlight not working properly.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 1/2/16 at 1927 hours, I (Officer Yanez) visually observed MN Plate:667CW traveling eastbound Larp. Ave. W. at Fry St. at a high rate of speed.Â I visually estimated the vehicle to be traveling at 5-10 mph over the speed limit.Â The speed limit in that area is 35 mph.Â I also noticed the vehicle did not have a rear license plate light illuminating.Â I then initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 1/11/16 at 1944 hours, I (Officer Yanez) had a green semaphore to travel westbound Roselawn Ave. at Snelling Ave. N.Â As I entered the intersection, MN Plate:143NVT also entered the intersection but it had a red semaphore for southbound Snelling Ave. N. at Roselawn Ave.Â The violator vehicle was approximately 4-5 car lengths behind the crosswalk when the semaphore turned red.Â I then initiated a traffic stop with the vehicle.Â Â</p>
Yanez	<p>Â Â Â On 1/15/16 at 2043 hours, I (Officer Yanez) was stopped in the turn lane to go EB Larp. Ave. W. from Snelling Ave. N. when I visually observed MN Plate:513LNJ traveling SB Snelling Ave. N. from Larp. Ave. W.Â The driver (Kelsey Dooley) had her hand outside of the driver's side window and a cigarette in hand.Â The cigarette was still burning/glowing and I could see the smoke coming off of it.Â The driver then flicked the cigarette down to the ground just south of Larp. Ave. W.Â The cigarette was still glowing as it hit the ground.Â The burning embers spread through out the lane of traffic as other vehicles drove over it.Â I then initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 01/17/16 at 2012 hours, I (Officer Yanez) visually observed MN Plate:085JLY traveling at a high rate of speed.Â I estimated the vehicle to be traveling 45 mph and the speed limit on EB Larp. Ave. W. at Pleasant St. is 30 mph.Â I activated my squad speed radar for same-way traffic and it revealed the vehicle/violator was traveling at 46 mph.Â At that time, I was behind the vehicle and it was the only vehicle in front of my squad speed radar.Â I then initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 01/18/16 at 0035 hours, I (Officer Yanez) visually observed MN Plate:639JGW at the intersection of Silver Lk. Rd. Ne./Co. Rd. E. with no rear license plate light illuminating.Â I initiated a traffic stop with the vehicle.</p>

Yanez	<p>Å Å Å On 01/18/2016 at 0050 hours, I (Officer Yanez) visually observed MN Plate:831AZH at the intersection of Silver Lk. Rd. Ne./Silver Ln. Ne.Å Routine checks on the vehicle revealed the RO (John William Cane) had a cancelled MN DL Status.Å I initiated a traffic stop with the vehicle to see if the driver was the RO.Å Å</p>
Yanez	<p>Å Å Å On 1/20/16 at 1812 hours, Officer Kauser and I (Officer Yanez) were dispatched to the intersection of Larp. Av. W./Eustis St. for a PD accident involving MN Plate:968DTZ (Driver:Leila Hejazi) and 756KCP (Matthew Michael Vierling).Å We arrived and met with both drivers.</p>
Yanez	<p>Å Å Å On 1/21/16 at 0304 hours, I (Officer Yanez) visually observed MN Plate:356NÜ at the intersection of Larp. Ave. W./SE 33rd Ave.Å The vehicle/violator was travelling eastbound with only the passenger's side headlight illuminating.Å I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Å Å Å On 1/21/16 at 2118 hours, I (Officer Yanez) visually observed AZ Plate:ARD1899 traveling WB Roselawn Ave. W. from Pascal St. N. with it's high beam lights illuminating and an object suspended from a rearview mirror.Å I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Å Å Å On 1/29/15 at 1349 hours, I (Officer Yanez) visually observed MN Plate:857BDV at the intersection of Cleveland Ave. N./Roselawn Ave. with an object suspended from the rearview mirror.Å I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Å Å Å On 1/29/15 at 1410 hours, I (Officer Yanez) visually observed MN Plate:888GAD at the intersection of Larp. Ave. W./Hamline Ave.Å Routine checks on the MN Plate revealed theÅ RO (Joseph Orlando Sheppard) had a revoked MN DL status.Å The driver of the vehicle matched the RO's physical description and DVS photo.Å I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Å Å Å On 1/29/15 at 1447 hours, I (Officer Yanez) visually observed MN Plate:054TPV at the intersection of Hamline Ave. N./Hoyt Ave. W. with non-transparent stickers on the rear window of the vehicle.Å I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Å Å Å On 1/29/16 at 1610 hours, I (Officer Yanez) visually observed MN Plate:086NMB at the intersection of Como Ave./Snelling Ave. N. with tinted rear tail lights and dark tinted windows.Å I initiated a traffic stop with the vehicle.</p>

Yanez
On 01/31/16 at 2008 hours, I (Officer Yanez) visually observed MN Plate:591PMP at the intersection of Como Ave./SE 33rd Ave. Routine checks on the MN Plate revealed the RO (Joseph Raymond Wiggins Jr.) had a revoked MN DL status. I could not see inside of the vehicle or who was operating it at that time. It was also dark outside. I initiated a traffic stop with the vehicle.

Yanez
On 2/4/16 at 0009 hours, I (Officer Yanez) visually observed MN Plate:615JWX at the intersection of Snelling Ave. N./Roselawn Ave. with an object suspended from the rear view mirror. Routine checks on the MN Plate revealed the RO (Frank Dominguez Jr.) had a suspended MN DL status. The physical description of the RO came back with no description (CONAX). I was unable to see inside of the vehicle because there was frost/ice covering the side windows of the vehicle. I then initiated a traffic stop with the vehicle after it failed to signal its lane change. The vehicle turned into a parking lot of 2050A E. Snelling Dr.

Yanez
On 2/9/16 at 2105 hours, I (Officer Yanez) visually observed MN Plate:568PMN at the intersection of Larp. Ave. W./SE 33rd Ave. The vehicle had tinted taillights and there was no rear license plate light illuminating. Routine checks on the MN Plate revealed the RO (Abraham Wilson) had a Gross Misdemeanor Warrant for failing to appear. I could not see who was operating the vehicle because it was dark. I then initiated a traffic stop with the vehicle.

Yanez
On 02/12/2016 at 2038 hours, I (Officer Yanez) visually observed MN Plate:865KLZ at the intersection of 29th Ave. Ne./Silver Lk. Rd. Ne. with no rear license plate light illuminating, object suspended from the rearview mirror, and a non-transparent sticker on the rear window of the vehicle. I then initiated a traffic stop with the vehicle.

Yanez
On 02/12/2016 at 2038 hours, I (Officer Yanez) visually observed MN Plate:865KLZ at the intersection of 29th Ave. Ne./Silver Lk. Rd. Ne. with no rear license plate light illuminating, object suspended from the rearview mirror, and a non-transparent sticker on the rear window of the vehicle. I then initiated a traffic stop with the vehicle.

Yanez
On 2/13/16 at 2145 hours, I (Officer Yanez) visually observed MN Plate:748RTX on the 2500 Blk. of Hwy. 88. The vehicle had a large crack on the front windshield and an object suspended from the rearview mirror. I initiated a traffic stop with the vehicle.

Yanez
On 2/14/16 at 0100 hours, I (Officer Yanez) was traveling eastbound behind MN Plate:425KBH on 39th Ave. Ne. from Apache Ln. Ne. The passenger of the vehicle (later identified as Haylee Braum) then threw a cigarette out of the vehicle. The cigarette was still burning and the embers scattered everywhere when it hit the ground. I then initiated a traffic stop with the vehicle.

Yanez
A A A On 02/15/16 at 0018 hours, I (Officer Yanez) visually observed MN Plate:822TJH at the intersection of Silver Lk. Rd. Ne./31st Ave. Ne. A Routine checks on the MN Plate revealed the RO (Andre Lamoyne Allen) had a revoked MN DL Status. A It was dark and I was unable to see who was operating the vehicle. A I then initiated a traffic stop with the vehicle to make sure the RO of the vehicle was not driving.

Yanez
A A A On 2/23/16 at 0018 hours, I (Officer Yanez) visually observed MN Plate:387LVE at the intersection of Larp. Ave. W./Snelling Ave. N. A The vehicle was in the turn lane to travel NB Snelling Ave. N. from EB Larp. Ave. W. A The vehicle signaled and then failed to signal it's lane change before it turned into the most east lane of NB Snelling Ave. N. A The vehicle also had a black non-transparent garbage bag covering the driver's half of the rear window. A The vehicle's top brake light was also not illuminating when the brake lights were applied. A I initiated a traffic stop with the vehicle.

Yanez
A A A On 02/24/2016 at 0015 hours, I (Officer Yanez) visually observed MN Plate:277KPX at the intersection of Larp. Ave. W./Arona St. with no headlights illuminating and no rear license plate light. A I initiated a traffic stop with the vehicle.

Yanez
A A A On 02/24/2016 at 0331 hours, I (Officer Yanez) visually observed MN Plate:701RWG near the intersection of Roselawn Ave./Snelling Ave. with no rear license plate light illuminating. A Routine checks on the license plate revealed the RO (Pathee Dymia Tinsely) A had a suspended MN DL Status. A I could not see who the driver of the vehicle because it was dark. A I began to follow the vehicle.

Yanez
A A A On 02/24/2016 at 0331 hours, I (Officer Yanez) visually observed MN Plate:701RWG near the intersection of Roselawn Ave./Snelling Ave. with no rear license plate light illuminating. A Routine checks on the license plate revealed the RO (Pathee Dymia Tinsely) A had a suspended MN DL Status. A I could not see who the driver of the vehicle because it was dark. A I began to follow the vehicle.

Yanez
A A A On 02/27/2016 at 2225 hours, I (Officer Yanez) visually observed a silver BMW, bearing MN Plate:138TGA, A SB Old Hwy. 8 at 31st Ave. Ne. A The vehicle crossed over the double solid yellow center lines and drove in the opposing lane of traffic. A I also observed the vehicle had a thick film of dust or dirt covering his rear license plate and registration sticker. A The inside of his vehicle also had personal belongings blocking his view to the rear of his vehicle. A I then initiated a traffic stop with the vehicle.

Yanez
A A A On 2/28/16 at 2015 hours, I (Officer Yanez) visually observed a matte black Audi (2 door) with no front license plate. A I also observed non-transparent stickers on the front and rear windows. A I got behind the vehicle at the intersection of Larp. Ave. W./Eustis St. The rear license plate had an obstructing border over it and the registration stickers were not placed in the correct area of the license plate. A I initiated a traffic stop with the vehicle.

Yanez	<p>Â Â Â On 03/02/2016 at approximately 2100 hours, I (Officer Yanez) was on a traffic stop (in the eastbound lane; southern lane) on 37th Ave. Ne./Chandler Dr. Ne.Â I had my emergency lights illuminating and directional arrows advising upcoming traffic to switch to the north lane of eastbound 37th Ave. Ne. traffic.Â Â</p>
Yanez	<p>Â Â Â On 3/3/16 at 0304 hours, I (Officer Yanez) visually observed MN Plate:031TEN fail to signal it's lane change near the intersection of Larp. Ave. W./Malvern St.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 03-07-16 at 1130 hours, I (Officer Yanez) visually observed a silver Ford Fusion at the intersection of Larp. Ave. W./Malvern St.Â The vehicle had an object suspended from the rearview mirror and the window tint on the vehicle was below 50%.Â I initiated a traffic stop with the vehicle when it was in a safe location.</p>
Yanez	<p>Â Â Â On 3/8/16 at 1113 hours, I (Officer Yanez) visually observed MN Plate:958LVP at the intersection of Roselawn Ave./Cleveland Ave.Â Routine checks on the MN Plate revealed the RO (Michael Johnathan O'Phelan) had a suspended MN DL Status.Â The driver of the vehicle matched the RO's physical description and DVS Photo.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 3/11/16Â at 1329 hours, I (Officer Yanez) visually observed MN Plate:540RED at the intersection of Larp. Ave. W./SE 33rd Ave. with an object suspended from the rearview mirror and the top center brake light was not illuminating/functioning properly.Â Routine checks on the MN Plate revealed the RO's (Eneisha Lavon Kennedy)Â MN DL Status was revoked.Â I was unable to see who was driving the vehicle.Â I then initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 3/12/16 at 0936 hours, I (Officer Yanez) visually observed MN Plate:046AVX at the intersection of Snelling Ave. N./Dan Patch Ave.Â Routine checks on the MN Plate revealed the RO (Michael Smith) had a revoked MN DL Status.Â I was unable to see the driver because he was traveling NB Snelling Ave. N. and I was traveling SB Snelling Ave. N.Â When it was safe to do so, I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 3/13/16 at 1454 hours, I (Officer Yanez) visually observed a black Dodge Neon at the intersection of Snelling Ave. N. and Roselawn Ave. with blue spray paint covering the rear tail lights and an obstructed rear license plate.Â The rear license plate appeared to have mud or spray paint obstructing the registration sticker and lettering for the plate.</p>
Yanez	<p>Â Â Â On 3/17/16 at 0946 hours, I (Officer Yanez) visually observed MN Plate:671TYM NB Hwy. 280 from Larp. Ave. W.Â Routine checks on the MN Plate revealed the RO (Deangelo J Martel Buffington) had a revoked MN DL Status.Â The driver of the vehicle matched the physical description and DVS Photo.Â I initiated a traffic stop with the vehicle.</p>

Â Â Â On 3/17/16 at 1322 hours, I (Officer Yanez) visually observed MN Plate:669LHY at the intersection of Como Ave. W./33rd Ave. SE.Â with an objects suspended from the rearview mirror and blankets covering the backseat side windows obstructing her view to the sides/rear.Â I initiated a traffic stop with the vehicle.

On 03-21-16 at 1058 hours, Officer Lazenberry and I (Officer Moore) responded to back up Officer Yanez on a traffic stop on Ryan and Fernwood.

Â Â Â On 03/22/2016 at 1116 hours, I (Officer Yanez) visually observed a black Honda Accord travelling WB Larp. Ave. W. at SE 33rd Ave.Â The vehicle/violator had a 21-day temporary license in the top left hand corner of the rear window.Â The information on the temporary license was difficult to read and it appeared to have been faded out.Â I believed the vehicle's 21-day temporary license was expired.Â I was unable to see what the issued date (later found to be 02/29/2016) and expiration date (later found to be 03/20/2016).Â I could not see any of the VIN written out in the top left corner of the 21-day temporary license.Â This made me think that this vehicle could potentially be a stolen car.

Â Â Â On 3/26/16 at 0834 hours, I (Officer Yanez) visually observed MN Plate:43SLVR at the intersection of Larp. Ave. W./Snelling Ave. N. with a nontransparent sticker on the driver's side "B-pillar" window and an object suspended from the rearview mirror.Â I initiated a traffic stop with the vehicle.

Â Â Â On 3/26/16 at 1334 hours, I (Officer Yanez) visually observed MN Plate:697TXU at the intersection of Snelling Ave. N./Roselawn Ave. W.Â Routine checks on the MN Plate revealed the RO (Clare Adams Blume) had a revoked MN DL Status.Â I could not see who the driver was because I was behind the vehicle.Â I initiated a traffic stop with the vehicle.

Â Â Â On 3/27/16 at 1356 hours, I (Officer Yanez) visually observed a green Chevrolet Trailblazer with only one operating/illuminating brake light (passenger's side brake light).Â I initiated a traffic stop with the vehicle.Â Â

Â Â Â On 04/04/2016 at approximately 1557 hours, I (Officer Yanez) was traveling northbound Silver Lk. Rd. Ne. and approaching Co. Rd. E.Â I was going to turn westboundÂ Co. Rd. E. from Silver Lk. Rd. Ne.Â Â

Â Â Â On 04/05/2016 at 0919 hours, I (Officer Yanez) visually observed MN Plate:772LKU at the intersection of Eustis St. and Como Ave. W.Â The rear plate on the vehicle was obstructed by a black plasticÂ license plate bordering that was screwed on top of the license plate.Â Routine checks on the MN Plate revealed the RO (Brett Curtis Ramsbacher, DOB:03/24/1982) had a felony warrant for his arrest (WNO via Scott Co.:2016001209).Â The driver of the vehicle appeared to match the RO's physical description.Â I was unable to get a DVS photo generated at that time.Â I initiated a traffic stop with the vehicle.

Â Â Â On 4/8/16 at 1515 hours, I (Officer Yanez) visually observed MN Plate:603EGG at the intersection of Como Ave. W./Snelling Ave.Â Routine checks on the MN Plate revealed the RO (Christian Ryan Lopez) had a suspended MN DL Status.Â The driver matched the RO's physical description and DVS photo.Â I initiated a traffic stop with the vehicle.

Â Â Â On 04/09/2016 at 1105 hours, I (Officer Yanez) visually observed IL Plate:Z582970 fail to signal it's lane change at the intersection of St. Anthony Blvd. Ne./Hwy. 88.Â The vehicle/violator was travelling SB St. Anthony Blvd. Ne. and turning onto NB Hwy. 88.Â It turned into the outer lane without signaling.Â I initiated a traffic stop with the vehicle.Â Â

Â Â Â On 4/10/16 at 0913 hours, I (Officer Yanez) visually observed MN Plate:328TEP at the intersection of Larp. Ave. W./St. Marys St.Â Routine checks on the MN Plate revealed the RO (Destin Bernard Logan) had a cancelled MN DL Status.Â I saw the driver and he matched the physical description and DVS Photo of the RO.Â I initiated a traffic stop of the vehicle.

Â Â Â On 4/18/16 at 0931 hours, I (Officer Yanez) was performing moving speed radar for eastbound Larp. Ave. W. traffic on the 1600 block while I was traveling westbound in my fully marked squad.Â I visually observed a green Chevrolet Trailblazer (no plates) traveling eastbound and gaining distance on the vehicles trailing it.Â I visually estimated the vehicle to be traveling at approximately 55-60 mph.Â The speed zone in that area is 35 mph and is clearly marked as you approach Fry St.Â I activated my squad speed radar and it revealed the vehicle was traveling at 60 mph.Â I locked the speed and the vehicle increased speed as it passed my squad.

Â Â Â On 4/18/16 at 1100 hours, I (Officer Yanez) visually observed MN Plate:239PMT traveling at a slow rate of speed and abruptly braking while traveling eastbound Larp. Ave. W./St. Mary's St.Â The vehicle eastbound and was weaving within the lane of traffic.Â The vehicle/violator crossed over the centerline and fog line, of the southern lane of eastbound Larp. Ave. W., multiple times.Â I got behind the vehicle and noticed there was an object suspended from the rearview mirror.Â Routine checks on the MN Plate revealed the RO (Melissa Faye Poolaw) had a suspended MN DL Status.Â The vehicle/violator then failed to signal their turn 100 ft prior to making the turn to southboundÂ Snelling Ave. N.Â The driver appeared to match the physical description and DVS photo of the RO.Â I initiated a traffic stop with the vehicle.

A A A On 4/23/16 at 1004 hours, I (Officer Yanez) visually observed MN Plate:386MCM at the intersection of Hwy. 280/Larp. Ave. W. The vehicle had a large crack in the windshield on the passenger's side. I initiated a traffic stop with the vehicle.

Yanez
A A A On 04/27/2016 at 1100 hours, I (Officer Yanez) visually observed MN Plate:463JLR with a swinging front license plate (not horizontal to the ground) and object obstructing the registration stickers of the rear license plate as it passed by me at the intersection of Larp. Ave. W./Snelling Ave. N. I initiated a traffic stop with the vehicle.

Yanez
A A A On 4/28/16 at 1330 hours, I (Officer Yanez) visually observed MN Plate:859JTW at the intersection of Snelling Ave. N./Roselawn Ave. with white light emitting to the rear. The driver (later identified as Clifton Donnell Vaughn via MN ID only) would apply the brakes and white light would illuminate from the passenger's side taillight. It was also raining and windy out and the vehicle did not have its light activated. I initiated a traffic stop with the vehicle.

Yanez
A A A On 5/2/16 at 2336 hours, I (Officer Yanez) visually observed MN Plate:151RWG at the intersection of Larp. Ave. W./Pascal St. The violator vehicle had an object suspended from the rearview mirror. Routine checks on the vehicle plate revealed the RO (Moe Moe Aye) had a revoked MN DL Status and Instruction Permit only. At that time, I was unable to see if the RO was operating the vehicle. I initiated a traffic stop with the vehicle.

Yanez
A A A On 5/6/16 at 2140 hours, Officer Kausar and Kukowski were dispatched to 3810 Silver Lk. Rd. Ne. for a drunk person wearing a tie die shirt laying in the middle of the parking lot. I was currently at another call for service when this one was dispatched. I arrived shortly after.

Yanez
A A A On 5/6/16 at 2140 hours, Officer Kausar and Kukowski were dispatched to 3810 Silver Lk. Rd. Ne. for a drunk person wearing a tie die shirt laying in the middle of the parking lot. I was currently at another call for service when this one was dispatched. I arrived shortly after.

Yanez
A A A On 05/07/2016 at 0450 hours, I (Officer Yanez) visually observed MN Plate:460RMN on the 2600 Blk. of Kenzie Terrace with no taillights illuminating. I initiated a traffic stop with the vehicle.

Yanez
A A A On 5/8/16 at 0200 hours, I (Officer Yanez) visually observed MN Plate:459UJH at the intersection of Larp. Ave. W./Hamline Ave. with only one illuminating headlight. I initiated a traffic stop with the vehicle.

Yanez	<p>Â Â Â On 5/12/16 at 0251 hours, I (Officer Yanez) visually observed MN Plate:050UGZ at the intersection of Larp. Ave. W./Hwy. 280 with a non-transparent sticker on the back window of the vehicle.Â Routine checks revealed the RO (Mark Merwyn Fleischacker) had a revoked MN DL Status.Â It was dark and I was unable to see who was operating the vehicle.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 5/12/16 at 1958 hours, I (Officer Yanez) was dispatched to 1720 Larp. Ave. W. #2L for a domestic assault. Dispatch notes advised the neighbor (private) called 911 to report that her neighbors (Jennifer Lachenmayer McNattin and Adam Paul Balak) were involved in a domestic altercation. Dispatch notes also advised the female half (Jennifer) was requesting that police were needed. I arrived and made contact with the RP and Jennifer who were standing outside of the apartment building.</p>
Yanez	<p>Â Â Â On 5/26/16 at 2158 hours, I (Officer Yanez) visually observed MN Plate:483UNE at the intersection of Larp. Ave. W./Hamline Ave. W.Â The driver's side brake light was not working properly, there was white light emitting from it, and the RO (Lamonte Antoine Logan) had a revoked MN DL Status.Â I initiated a traffic stop with the vehicle.</p>
Yanez	<p>Â Â Â On 5/30/2016 at 1935 hours, I (Officer Yanez) visually observed MN Plate:552BYM turn NE Hwy. 88 from SB St. Anthony Blvd. NE.Â The vehicle turned into the outer lane with out signaling lane change.Â The rear license plate on the vehicle was also obstructed.Â I initiated a traffic stop with the vehicle/violator and they continued NB Hwy. 88.Â They were slow to stop and exited Hwy. 88 to EB 29th Ave. Ne.</p>
Yanez	<p>Â Â Â On 5/31/2016 at 1828 hours, I (Officer Yanez) visually observed MN Plate:236GZB at the intersection of Stinson Blvd. Ne./St. Anthony Blvd. Ne. with tinted rear taillights.Â I initiated a traffic stop with the vehicle.Â Â</p>
Yanez	<p>Â Â Â On 05/31/2016 at 2333 hours, I (Officer Yanez) visually observed MN Plate:139HHH at the intersection of 29th Ave. Ne./Stinson Blvd. Ne. traveling westbound.Â The vehicle did not make a complete stop at the stop sign and when it accelerated, the exhaust was loud.Â I initiated a traffic stop with the vehicle.Â Â</p>
Yanez	<p>Â Â Â On 05/31/2016 at 2333 hours, I (Officer Yanez) visually observed MN Plate:139HHH at the intersection of 29th Ave. Ne./Stinson Blvd. Ne. traveling westbound.Â The vehicle did not make a complete stop at the stop sign and when it accelerated, the exhaust was loud.Â I initiated a traffic stop with the vehicle.Â Â</p>
Yanez	<p>Â Â Â On 05/31/2016 at 2333 hours, I (Officer Yanez) visually observed MN Plate:139HHH at the intersection of 29th Ave. Ne./Stinson Blvd. Ne. traveling westbound.Â The vehicle did not make a complete stop at the stop sign and when it accelerated, the exhaust was loud.Â I initiated a traffic stop with the vehicle.Â Â</p>

Yanez	<p> Å Å Å On 6/3/16 at 2009 hours, I (Officer Yanez) visually observed MN Plate:536UMH at the intersection of Como Ave./SE 33rd Ave. Å Routine checks on the MN Plate revealed the RO (Sholanda Denise Wilson) only had a ID only status and no driver's license. Å I initiated a traffic stop with the vehicle. Å I was unable to see who was driving the vehicle Å because the window tint was dark. Å Å </p>
Yanez	<p> Å Å Å On 6/3/16 at 2120 hours, I (Officer Yanez) visually observed MN Plate:516PMU at the intersection of Larp. Ave. W./SE 33rd Ave. Å Routine checks on the MN Plate revealed the RO (Jacob Michael Heidkamp) Å had a revoked MN DL Status. Å I initiated a traffic stop with the vehicle because I was unable to determine if the driver was the RO. Å Å </p>
Yanez	<p> Å Å Å On 6/4/16 at 2055 hours, I (Officer Yanez) visually observed MN Plate:035UJX at the intersection Snelling Ave. N./Roselawn Ave. Å with Å illegally tinted windows. Å I initiated a traffic stop with the vehicle. Å Å </p>
Yanez	<p> Å Å Å On 06/08/2016 at 2015 hours, I (Officer Yanez) visually observed MN Plate:178REA at the intersection of 37th Ave. Ne./Edward St. Ne. with an object suspended from the rearview mirror. Å I initiated a traffic stop with the vehicle. </p>
Yanez	<p> Å Å Å On 6/9/16 at 2036 hours, Officer Kauser and I (Officer Yanez) were dispatched to 1700 Malvern St. for a neighbor problem involving Rachel (RP) Å and Joshua Lawson and Mark Novotny. Å Dispatch Å notes advised that Mark was upset about an issue with their property line. Å We arrived and met with Rachel and Joshua. </p>
Yanez	<p> Å Å Å On 6/9/16 at 2105 hours, I (Officer Yanez) visually observed MN Plate:483HPD at the Å intersection of Hwy. 280/Broadway St. with a large crack on the driver's side of the front windshield. Å Routine checks on the plate revealed the RO (Lucas Jon Ische) had a suspended MN DL Status. Å The driver of the vehicle matched the RO's physical description and DVS Photo. Å I initiated a traffic stop with the vehicle. </p>
Yanez	<p> Å Å Å On 6/14/16 at 0206 hours, I (Officer Yanez) visually observed MN Plate:719LGL at the intersection of Arona St./Larp. Ave. W. with it's high beam lights illuminating. Å I then initiated a traffic stop with the vehicle. Å Å </p>
Yanez	<p> Å Å Å On 6/14/16 at 0231 hours, I (Officer Yanez) visually observed MN Plate:532RCC at the intersection of Snelling Ave./Roselawn Ave. with a non-transparent sticker on the back window. Å Routine checks revealed the registration on the vehicle was expired from May 2016. Å I then initiated a traffic stop with the vehicle. </p>

Yanez
On 6/18/16 at 2011 hours, I (Officer Yanez) visually observed a white Toyota Camry traveling at a high rate of speed southbound Hwy. 280 from Larp. Ave. W. The vehicle was by itself in a construction workzone and the speed limit posted in the area is 40 mph. I activated my same-way squad speed radar and it revealed the vehicle was traveling at 59 mph. I initiated a traffic stop with the vehicle.

Yanez
On 6/18/16 at 2029 hours, I (Officer Yanez) visually observed MN Plate:558UCE at the intersection of Broadway St./Hwy. 280. Routine checks on the MN Plate revealed the RO (Thomas John Andres Meany) had a revoked MN DL Status. The driver of the vehicle matched the RO's physical description and DVS photo. I initiated a traffic stop with the vehicle.

Yanez
On 6/23/16 at 2005 hours, I (Officer Yanez) visually observed MN Plate:604RPZ at the intersection of 37th Ave. Ne./Foss Rd. Ne. I was behind the vehicle (traveling EB 37th Ave. Ne.) and could smell the pungent odor of burning Marijuana coming from that vehicle. I observed two other vehicles that were traveling in the same direction but none of the occupants were smoking. Routine checks on the plate revealed the RO (Christopher Turon Starr) had a revoked MN DL Status. The driver appeared to match the RO's physical description and DVS Photo. The registration on the vehicle had been expired since May of 2016. I initiated a traffic stop with the vehicle.

Yanez
On 06/23/2016 at 2045 hours, I (Officer Yanez) visually observed MN Plate:806LNP at the intersection of Highcrest Rd. Ne./33rd Ave. Ne. Routine checks on the MN Plate revealed the RO (Jarvis Ramone Dulaney) had an ID Only Status. The driver of the vehicle matched the physical description and DVS Photo. I initiated a traffic stop with the vehicle.

Yanez
On 6/28/16 at 0225 hours, I (Officer Yanez) visually observed MN Plate:101TCA at the intersection of Snelling Ave. N./Larp. Ave. W. Routine checks on the MN Plate revealed the RO (Nasser Abdullah Alabbas) had a suspended MN DL Status. The vehicle also had an object suspended from the rearview mirror. I initiated a traffic stop with the vehicle.

Yanez
On 6/28/16 at 2150 hours, I (Officer Yanez) visually observed a red Chevrolet Suburban with no license plates and a faded out temporary permit. The vehicle also had a non-transparent sticker on the back window and the back of the vehicle was cluttered, obstructing the view of the driver to the rear. I initiated a traffic stop with the vehicle.

Narrative begins on the following page.

On 08/02/2016 SA Frascone and SA Henning interviewed former St. Anthony Police Chief John Ohl. The interview was recorded and will be placed on a CD, acquisition of exhibit 2016-433/70.1. The audio recording will be transcribed and attached to this report as well.

Agents started the interview by obtaining biographical information. Ohl provided his full name as John Ohl, DOB: [REDACTED]. Agents were advised that a contact telephone number for Ohl was [REDACTED].

Agents asked Ohl to explain his current employment. Ohl said that he was the Chief of Police at the St. Anthony Police Department until 06/03/2016. Ohl explained to agents that he is still currently employed by St. Anthony using some of his leave time. Ohl said that he was contacted by the current Chief, Jon Mengseth on 07/06/2016 and asked to come in and support the department immediately after the shooting in Falcon Heights.

Ohl said he came in to the police department. Ohl told agents that he had conversations with Officer Yanez. Ohl said that he had talked to Yanez about his psychological wellbeing as well as what the process would be for Yanez going forward. Ohl was asked if he spoke with Yanez about the details of the shooting. Ohl told agents that he hadn't spoken with Yanez about the specifics of the shooting.

The interview was concluded at about 3:56 PM. This report is only a synopsis of this interview, for full detail please see attached transcript.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	August 2, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	John [REDACTED] Ohi (JO)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:			

DH ...corder now.

JO Okay.

DH Recorder is going. And my name is Doug Henning I'm a Special Agent for the Minnesota Bureau of Criminal Apprehension. With me is my partner Michelle Frascone also a Special Agent. The date today is 8-2-2016. Uh the time right now is 3:52 P.M. Uh this will be in reference to BCA case number 2016-433. And I'm gonna read your name in. I'm just gonna ask you if I have uh spelled it correctly. First name John, J-O-H-N, middle name [REDACTED] last name is spelled O-H-L is that correct?

JO That's correct.

DH And your date of birth is [REDACTED] of [REDACTED]

JO That's correct.

DH And for the purposes of this interview the address we'll use is 3301 Silver Lake Road, St. Anthony, Minnesota 55418. Is that correct?

JO That's correct.

DH And a contact phone number for you would be [REDACTED]

JO That's correct.

DH Um, I'm gonna call you Chief cuz, cuz that's your position so...

JO (inaudible)

DH ...Chief can you tell me what you do for the City of St. Anthony?

JO Yeah well I was a employed as the Chief of Police for the City of St. Anthony and on June 3rd I, um retired uh from service there but uh was in the process of still maintaining uh some employment in regards to burning up some uh vacation time that I had saved.

DH Okay. Um, just drawing your attention to July 6th of this year, did you end up being notified of an incident in the city? Or in, in Falcon Heights?

JO I did, acting Chief uh Jon Mangseth uh contacted me and indicated that Officer Jeronimo Yanez was involved in an officer involved shooting.

DH Okay did you respond to the uh the shooting or the uh police department?

JO I responded directly to the police department.

DH Okay. While you were at the police department did, did you have any conversations with uh Officer Yanez?

JO I did.

DH Okay can you tell me what the content of those conversations were if you recall?

JO Yes sir um we uh at the time when I responded I was mostly uh there for some uh support to the current administration to make sure that things were in place, the BCA was uh started, blood tests were gonna be drawn etcetera, etcetera. Just acting as a resource and uh while doing that I had a conversation with Officer Yanez about his psychological wellbeing and about what type of uh things to expect. The process that we are gonna follow.

DH Okay so you basically said this is what's gonna happen. This is most likely where we're gonna go from here. Just kinda giving him an idea, going forward the things that he'd experience?

JO Yeah in my, in my experience as a, as a police officer and as the Chief uh there's uh a lot of consternation from the officer that's involved in this kind of thing. I just wanted to settle him down with regards to what the process was. I think most people appreciate knowing what the process is. And in addition just uh you know calming him down psychologically by saying things are gonna be okay and we're gonna work through this and um you know we're gonna get a thorough investigation and uh and, and letting him know what the process was gonna be uh as we work through the investigation.

DH At any point when you had these conversations with the officer did you discuss the details of the shooting?

JO No we did not.

DH Okay. Um, anything that I haven't asked you that you think is important Chief?

JO Um (sigh) the only other uh conversations we had was uh assisting uh Officer Yanez in contacting or advising him that he could contact his attorney. And uh we, I also at that time uh let him know that you know his firearm was going to be taken from him. A blood tests were gonna be taken and that the department would be replacing that firearm for him so other than uh those very peripheral administrative details, that's all we discussed.

DH Okay thank you Chief. Um I'm gonna conclude the interview then. The time right now is 3:56 P.M.

END OF RECORDING.

Title: AOA

Created By: Justin Gunderson

On 08/06/14 at approximately 1939 hours I heard SAPD squad 6921 request help on the RAMCO Main radio channel. 6921 followed up his first transmission a few seconds later advising he and 6920 were actively fighting with one near 1491 California.

RAMCO Main requested a status check over the air two separate times with no response from 6920 and 6921. RPD squads responded to the area as it was apparent SAPD Officers needed assistance. As I arrived, SAPD Officers advised on the Main they had one in custody and they were now code 4. I exited my squad and was flagged down by the homeowner of 1485 California. As all SAPD Officers were still actively engaged in the call I spoke with the homeowner who verbally ID'd himself as Richard Seifert. Seifert told me he had seen the suspect assault the SAPD Officers.

While speaking with Seifert, a second witness walked up. This witness verbally ID'd himself a David Joyslin (1484 California). I asked the witnesses if they would provide a recorded statement of what they saw and they said they would. The following is a synopsis of their statements.

Seifert: Seifert stated the two b/ms had approached his front door holding a large box of microwave popcorn. The males stated they were selling popcorn for their church Seifert and his wife declined purchasing any. As the males were walking away, Seifert saw the SAPD squad approaching. Seifert stated he saw one of the SAPD Officers patting down one of the males and the next thing he heard/saw was the Officers screaming and fighting with the male in the white t-shirt in the street. Seifert said the male in the white t-shirt was actively fighting with Officers including pushing and kicking them.

Joyslin: Stated he was watching the incident from his front door. He said when he started watching both males were seated on the curb speaking with the SAPD Officers. At this point, the male in the white shirt stood up. A SAPD Officer told him to sit back down, but the male started to run. He was quickly taken down to the grass by a SAPD Officer at which point he started fighting with Officers. Joyslin stated he could clearly hear the Officers yelling "Stop Fighting us" Joyslin also stated the Officers were in full uniform and had arrived in fully marked squads; it was very apparent they were police Officers.

Nothing further.

channel radio they were fighting with one outside of 1491 California Avenue. I responded from the police department. While enroute, Dispatch asked for 6920 and 6921's status, receiving no answer. A minute or so later, 6921 advised they were code four with one in custody. I still responded and arrived.

Officer Yanez and Kauser both were sweating and were red in the face. Sgt Spiess then arrived on scene. I spoke with the resident of 1503 California Avenue, Richard Carlson. I asked Carlson if he witnessed any altercation between the officers and the male. Carlson stated he did and would complete a written witness statement. Carlson stated the following: He was standing in his kitchen and noticed two SAPD squad cars and two young men were sitting on the curb three houses to the east. He walked to the door to look and came back to the kitchen. At this time he heard a loud noise and went back to the front door. He stated two officers were on the ground in the boulevard with the suspect and all three were grappling. He stated the two officers were having a very difficult time. The suspect was resisting mightily. He observed one of the officer punch the suspect in the stomach. He advised the other male sat quietly on the curb during the altercation. See attached written statement for further.

I used the IBIS to identify the other male. The male verbally stated his name was Anthony Lamont Campbell (02/27/96). Campbell stated he has never had a state identification card. IBIS registered his fingerprints but came back not on file. Campbell stated he was fingerprinted at Lino Lakes when he was 17. Campbell stated he lives at 2618 Irving Ave N, MPLS MN 55411. Checks on Campbell came back not on file. Campbell's mother, Frances Miller, displayed the same address on MY BCA website. Campbell provided a telephone number for the pastor of End TIME GOSPEL, the church they were volunteering for and selling the popcorn. Campbell advised Isaac could be reached at 612-221-8406. I made contact with Isaac Moore. I asked him who was selling popcorn for him. He stated he only knew the two males were named Tony and Kim. Isaac Moore stated he did not pull a permit with the City of Falcon Heights and didn't think he needed to because the church is a non profit organization and has all the necessary paperwork.

I transported Kim Kavon Edmondson to the Ramsey County LEC where he was booked for Felony 4th Degree Assault and the Felony Cook County Illinois Drug Warrant (#W1418533).

Title: Assault

Created By: Jeff Spiess6905

On 8/9/2014 at approximately 1940 hours, I (Sgt. Spiess) heard via Officer Yanez on the Ramsey County dispatch main that he was fighting with one outside of 1491 California Avenue in Falcon Heights. I immediately started to his location and arrived a few minutes later. Upon my arrival, one subject (the aggressor) was in the back of Officer Yanez's squad, while the other was handcuffed and sitting on the curb. I immediately checked the statuses of Officer Yanez and Officer Kauser. Officer Yanez stated that he was okay, but had a cut to his lip and some scrapes. He later noted that his radio earpiece was broken. Officer Kauser had scrapes to his face and hands. He also had a broken name plate and a rip to his pants. All of injuries and damaged items were photographed and included with this report.

Officer Yanez provided me with the details of the event, including that the subject, Kim Edmondson, had actively fought with he and Officer Kauser and had attempted to take his (Officer Yanez's) firearm from his holster. Please see Officer Yanez's and Officer Kauser's reports for further details.

There were several neighbors outside that had witnessed the altercation. Officer Schlingman spoke to some and received a witness statement. Please see his report for further details. Another group of neighbors had been talking to Roseville PD Officer Gunderson when I had arrived. Upon speaking to Officer Gunderson and the neighbors, I learned that he had obtained a recorded statement from each of the residents. I obtained their names, but did not reinterview them. Please see the attached Roseville PD case number for the uploaded audio and Officer Gunderson's supplement.

At 2013 hours, I interviewed Mr. Edmondson as he was in the backseat of the squad car. It was digitally recorded. I read him his Miranda warning, at which time he stated that he understood and would speak to me. He stated that he and "Anthony" were selling popcorn for a nonprofit organization. He was stopped by officers and told to sit on the curb. At one point, he decided to stand up. He claimed that one of the officers (he described Officer Yanez) began wrestling with him. He stated that he was not actively resisting, but that his hand may have brushed Officer Yanez's gun when he was attempting to put his hands behind his back. He stated that the other officer (Officer Kauser) punched him several times. I advised him that several witnesses observed him actively resisting. He explained that they are probably racist. The interview was concluded at 2019 hours.

It was realized that Mr. Edmondson had an extraditable warrant out of Cook County, Illinois. Mr. Edmondson was ultimately transported to the Ramsey County LEC, where he was booked on 4th degree assault and the warrant. Additional charges are listed on this report.

Title: suspicious activity

Created By: Joseph Kauser

On 8/6/14 at 1914 hours, Officer Yanez and I, Officer Kauser responded to the 1400 block of California for suspicious activity. A caller observed 2 black males soliciting, and believed that they may be casing the neighborhood for burglaries.

Squads arrived to the area, and located the males at 1491 California. As Officer Yanez approached the males, I was flagged down by Robert (reporting party). Robert stated that he believed that the males had attempted to turn the door handle on residences, where they did not receive an answer at the door.

I turned my attention to Officer Yanez, and the suspects; whom were now sitting on the curb. They identified themselves verbally as Anthony Campbell and Arsenio Dodson. Both parties stated that they did not have a photo ID, and had never had one. They stated that they were in the area giving away popcorn, and asking for donations for their church.

As Officer Yanez returned to his squad to perform routine checks, the male whom identified himself as Arsenio was overly polite, and just wanted to leave the area. Arsenio smelled of alcoholic beverage, and had admitted to drinking earlier in the day. Arsenio kept stating that he was very sorry to trouble the police, and just wanted to leave.

Officer Yanez exited his squad and informed me that both males were coming back "not on file." Officer Yanez then asked the males to confirm the spelling of their names and dates of birth, to ensure that there was not an error. While I was speaking with Anthony and Arsenio, Arsenio stated that they were dropped off by a pastor, whom was out asking for donations in another area. When I asked Anthony about the pastor, he stated that the pastor does not solicit door to door. I informed both males that they had given me different answers, and were increasing suspicion.

Officer Yanez exited his vehicle, and advised that both males were still coming up "not on file." Officer Yanez asked if there was an IBIS tool in my squad. I located one in my squad, and prepared the tool for use in identifying the males. As I was setting up the tool, Officer Yanez was explaining to the males that we were going to fingerprint them in order to find out their identities.

As I exited my squad with the IBIS, the male identified as Arsenio stood up, and began to run NB through a yard. In the process of attempting to get away, Arsenio dropped a clear plastic bag that contained Marijuana. Officer Yanez was able to get a hold of Arsenio's shirt, but was punched in the face. I dropped the IBIS in the front yard, and made contact with Arsenio and Officer Yanez; as they were falling to the ground.

Once on the ground, I grabbed Arsenio's legs; to prevent him from standing or getting on his back. Officer Yanez informed Ramsey County Dispatch that we were fighting with one of the males. Loud commands were being yelled by Officer Yanez, to "stop fighting." I determined that I had a clear shot at Arsenio's face, and attempted to use my OC spray. When activated, the can did not provide a stream as intended; but misted Arsenio, Officer Yanez, and myself. I reholstered the OC spray, and began striking Arsenio's midsection with a closed right hand.

While fighting with Arsenio, Anthony was instructed to stay on the curb.

As I was striking Arsenio's midsection, Officer Yanez yelled that Arsenio was attempting to grab his firearm. I then focused my strikes to the right side of Arsenio's head. After a few strikes to the head, Arsenio turned to his back, and continued to struggle.

Officer Yanez and I were able to roll Arsenio to his stomach, where I used both hands to pull Arsenio's left hand behind his back. Once I had Arsenio's left hand on his back, Officer Yanez placed a handcuff on it. Arsenio was not listening to verbal commands to give us his other hand, and continued to actively resist. I then placed Arsenio's right arm in a Kimura arm lock, and forced it to his lower back, where it was placed in the other handcuff.

Officer's Cheng, Eckert, Christianson, and others from Roseville PD arrived to assist, along with Officer Schlingman of SAPD. I advised Dispatch that we had one in custody, were code 4, and to start medics to our location. Arsenio was searched for weapons, none were located. Officer Cheng and I then placed Arsenio in the back of Officer Yanez' squad.

Assisting squads began collecting witness statements, while Officer Yanez and I spoke with Sgt. Spiess.

St. Paul Ambulance arrived on scene, and determined that the male now verbally identified as Kim was not in need of any further medical attention (run #23913, medic #23).

Checks revealed that Kim had a felony warrant out of Cook County, IL.

I collected Kim's belonging's, and placed them in a clear plastic bag. Kim was interviewed, and transported to Ramsey County LEC for booking.

It was discovered that my uniform pants had ripped, my name plate had broken, and I had sustained 3 scrapes to my hands. Also, the green doors on my spare taser cartridge had popped off. Photographs were taken of my uniform, and scrapes to my hands.

Anthony was clear of any warrants, and was given a courtesy transport to Snelling and County Rd B.

Title: Felony Obstruct

Created By: Jeronimo Yanez

On 08/06/2014 at 1915 hours, Officer Kauser and myself (Officer Yanez) were dispatched to 1440 California St. for two males selling popcorn and "trying" door handles to houses they were walking up to. The caller was in fear they maybe casing the neighborhood for burglaries. Dispatch notes advised that one of the males was wearing a white t-shirt and blue jeans and the other male was wearing a blue shirt and blue jeans. Upon arrival, we met with both subjects described near 1491 California Ave. Both males matched the dispatch notes and were carrying a box full of popcorn packages.

It should be noted that Officer Kauser and myself arrived in our fully marked police squads and were wearing our fully marked police uniforms. In the city of Falcon Heights, city ordinance advises that a solicitor also needs permit to sell or go door to door advertising their services.

I addressed Kim Kavon Edmondson (DOB:10/19/1988) and Anthony Lamont Campbell (02/27/1996) and asked them to come towards the street so we could talk. Officer Kauser was flagged down by the caller. Edmondson and Anthony walked over to the street willingly. I asked what they were doing and Edmondson told me they were giving away popcorn for their church. I immediately detected the strong odor of an alcoholic beverage coming from Edmondson's breath. I asked Edmondson how much he had to drink and he told me a shot but it was earlier in the day. I knew this was a lie because the odor of alcoholic beverage was strong and I was standing 3-4 feet away from him. I asked them if they had any identification and they both told me they did not. At that point, I became suspicious about who both parties were and chose to search them for weapons.

I then asked for their names. Anthony gave me the name of "Anthony Lamont Campbell" (spelled out) with a DOB of 02/27/1996. Edmondson gave me a name of "Arseneo Dodson" (spelled out) with a DOB of 02/27/1988. I asked both parties if they have ever had a state ID and they both told me they did not.

I asked Edmondson to come to the front of my squad and he did so willingly. I told him that I was going to be searching him for weapons and for officer safety. He stated that was fine. I gave him specific instructions to place his hands on the hood of my squad, move his feet apart, and look into the squad camera. As I began to search Edmondson, I noticed that he became nervous as I was patting down his left leg and saw him watching my pat search. I advised him to keep looking forward and he complied. I began to pat down his waist band and he began to watch me and I told him to keep looking forward. I began to pat down his right leg and he look down to see what I was doing. Again, I told him to keep looking at my squad camera. Throughout the whole pat down, Edmondson could not keep still and was watching my every move. I searched Anthony and found his person to be clear of weapons. Anthony was compliant throughout the whole weapons search. I then went back to my squad.

Officer Kauser stayed with both subjects while I went to my squad to perform routine checks. Checks revealed that Anthony and "Arseneo Dodson" did not come back on file. See Officer Kauser's report for details about his interaction with both parties while I was performing checks.

While I was in my squad, I asked both parties to spell out their names again. Anthony gave me the same spelling and DOB. Edmondson spelled out his first name as "A-r-s-e-n-i-o" and gave me the same spelling for his last name with the same date of birth. I told Edmondson that he did not give me the same spelling for his first name as the first time.

Edmondson became very nervous. I heard him tell Officer Kauser that he and his partner would leave the area multiple times. This raised my suspicion that Edmondson was lying about his name and that he could have warrants for his arrest or holds from another police department. I asked Edmondson what state he was from and he told me Illinois. I performed checks on Edmondson through the state of Illinois with negative results.

I asked Officer Kauser to get the "IBIS" so we could ID Anthony and Edmondson properly and make sure we were not dealing with a violent criminal. I asked Anthony what his current address was and he told me "2618 Irving Ave. N., Minneapolis, MN". I asked Edmondson what his current address was and he told me "2931 S. Bryant Ave. N." I had Edmondson repeat his address again because there is no address like that in Minneapolis. Again, he gave me the same address and I knew Edmondson was not being honest about who he was.

I explained what the "IBIS" machine was to Anthony and Edmondson. Edmondson became even more nervous. He was constantly moving his hands and head in a annoyed manner. I explained to both individuals that it is suspicious that they are going door to door with alcoholic beverage on their breath and in a distant city selling popcorn. Edmondson agreed with me and stated that his pastor (Isaac Moore) dropped him off in the area. I noticed Edmondson to be scanning his surroundings, which is a indicator that a person is preparing to find an escape route. I then told both parties that the "IBIS" would let us know if they have ever been booked in jail or have any warrants out for their arrest. Edmondson began to stand up then bolted towards a residence.

I gave loud verbal commands for Edmondson to stop and get on the ground but he failed to do so. He threw a small baggy of Marijuana from his hands. I was unable to see what pocket it came from. I grabbed onto the right side of his shirt and Edmondson punched me in the right side of my mouth. This resulted in a bloody and cut bottom lip. I gave loud verbal commands for Edmondson to stop fighting but he continued to throw punches at me. Officer Kauser ran to where we were fighting as we fell to the ground. I was delivering punches to Edmondson's midsection and back but it was not affecting him. Officer Kauser and myself were unable to control him at this point. I attempted to advise dispatch that we were fighting with one but my radio kept being batted away by Edmondson. I was finally able to get the transmission out and dispatch called out a "10-1" for us.

Throughout this time, I was in fear for our safety and feared that one of us was going to be injured.

We aggressively grappled Edmondson in attempt to subdue but he kept fighting. Edmondson continued to throw punches and kick his feet at us. We wrestled around in the front yard and ended up on the boulevard near my squad. I was trying to reach for his left hand and it slipped through my grip. All three of us were sweaty and breathing heavily. I continued to give loud verbal commands for Edmondson to stop fighting.

My loud verbal commands were loud enough to have neighbors in the area come out of their residence.

After Edmondson's hand slipped from my grip, he began to reach for my firearm. He was able to take the top cover off but I was able to shift my waist away from his body. I feared for Officer Kauser's life and my own. I yelled to Officer Kauser that Edmondson was going for my gun.

After sometime, Edmondson began to scream, "Help me!" and "Stop hitting me!" but he was still actively resisting as he was saying that. I continued to give him loud verbal commands to stop fighting. Officer Kauser then deployed his O.C. Spray into Edmondson's face but it did not affect him. Officer Kauser and myself received a dose of O.C. Spray into our eyes, face, and throat.

We gave loud verbal commands for Edmondson to turn over onto his stomach. He continued to pull away and almost escape from us. He was yelling that he could not turn over because we were on top of him. It was clear that he was not going to turn onto his stomach because he was squirming to get on his hands and knees to run from us. He told us to stop hitting him but he was still throwing fists and kicks at us.

Officer Kauser and I were eventually able to turn him onto his stomach and handcuff him. We called for St. Paul Paramedics. Roseville squads, Officer Schlingman, and Sgt. Spiess arrived a short time later.

I felt the right side of my face swelling and burning from the O.C. Spray. The right side of my bottom lip was cut and bleeding, I cut my right hand, I lost my radio in the midst of the fight (it was wrapped around Edmondson's body), and I scraped my elbows and knees. I began to feel sore throughout my body. See Officer Kauser's supplement for his details about the fight.

Edmondson was placed in the back of my squad and advised that he was under arrest. St. Paul Paramedics cleared Edmondson medically. Edmondson complained that he was knocked unconscious at some point in the fight which was not true. Throughout the whole fight he was screaming and actively resisting. I asked Edmondson for his real name. He told me it was "Kim Kavon Edmondson" with a DOB of 10/19/1988.

Routine checks revealed that Edmondson had a fully extraditable warrant for his arrest out of Cook County, Illinois for drugs. The warrant described him as armed, dangerous, and will fight with police. The warrant was confirmed via Ramsey County Data.

I photographed the scene, Marijuana that he threw from his hands, and damaged taser cartridge from Officer Kauser's Taser. Sgt. Spiess interviewed Edmondson as Kauser and I photographed our injuries and caught our breath. All photos were entered into the case and the Marijuana was entered into evidence.

Edmondson was placed in the backseat of Officer Schlingman's squad and transported to the Ramsey County L.E.C. He was booked on the charges of felony disarming a police officer, 4th degree assault on a police officer, and his drugs warrant. He should also be charged with gross misdemeanor obstruct and misdemeanor giving a false name to police.

Narrative begins on the following page.

On August 9th, 2016 Special Agent Michelle Frascone conducted an interview with Hennepin County Medical Center (HCMC) Registered Nurse Heidi Anne Carter (01/31/1974). Carter advised she is a registered nurse who currently works at HCMC in the Emergency Department. On the night of July 6th, 2016 she was working at HCMC and assigned to the Emergency Room. Carter stated she was not involved in the care of patient, Philandro Castile until after he died. Carter said she did not remove any of the patients clothing, and was not involved in the collection of evidence on the patient.

This interview was audio recorded, transcribed and attached to this report. For exact words and verbiage, please refer to the recording and/or transcript. As a result of this activity exhibit 2016-433/74.1 was obtained.

INTERVIEW DATE:	August 9, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	HCMC RN Heidi Anne Carter (HC)	INTERVIEWED BY:	SA Michelle Frascone (MF)
REVIEWED BY:			

MF The recording's going. My name is Special Agent Michelle Frascone. This interview is with Heidi Carter. It's in relation to case number 2016-433. Today is August 9th, 2016 at 0735 hours. Heidi your first name is spelled H-E-I-D-I, middle name Anne, A-N-N-E last name Carter, C-A-R-T-E-R with a date of birth of 1-31 of 74. Is that correct?

HC Correct.

MF Okay. For the purposes of this report your address is 701 Park Avenue, Minneapolis, Minnesota 55415 with a phone number of 612-347-7777. Is that correct?

HC Yes.

MF Okay. And you're currently employed with HCMC is that correct?

HC Yes.

MF And how are you employed with them?

HC Um as a registered nurse.

MF Okay. How long have you worked for them?

HC Nine years I believe. (inaudible)

MF And are you assigned to a specific department?

HC Yes the emergency department.

MF Okay. And were you employed with HCMC on July 6th, 2016?

HC Yes.

MF Do you recall a gunshot wound patient um being admitted to your emergency department?

HC Sure (inaudible) on the 6th yeah, sure.

MF Okay. Were you working on the 6th?

HC Is that a Wedne, was that Tues oh was it Tuesday to Wednesday or Wednesday to Thursday? I don't have my calendar right in front of me.

MF That's alright. It was a Wednesday.

HC Eh I do believe so.

MF Okay. Um, and do you recall um a gunshot patient coming in?

HC There was one that did come in.

MF Okay. Do you know, who he was transported in by?

HC I believe, St Paul Fire.

MF Okay.

HC We get more than one, it's, this is what I, I mean, what I'm uh then it was St Paul Fire the case that we're talking about.

MF Okay. And when that patient was um brought in what were your responsibilities?

HC Um when he came in or the patient, when they came in um I was not in charge of that patient at that time. I took over after um there was another charge nurse that was um kind of involved with that particular patient.

MF Okay.

HC And then I took over, um at I think 10:20 or so, P.M. 2220.

MF Okay.

HC 2230-ish

MF And...

HC I don't know who specific you want me to get.

MF Hm well uh no that's perfect. Um was the patient clothed at the time you took over care for him/

HC (sigh) I believe that the HCA that was on that case was already removing and bagging clothes. I didn't have any involvement with the undressing or um evidence collection of that patient.

MF Okay. And do you know who would have had that responsibility?

HC It would have been the HCA's before I t(sigh) I don't know who, was on that cuz I didn't take over until it was done.

MF Okay.

HC That case was finished.

MF Okay.

HC And wrapping up so I don't um, the charge nurse that was before me might have more of that information or the, our one of our (inaudible)CS's who had um like the schedule of who was where.

MF Sure.

HC They should have that information.

MF Okay. Were you told any information about um the shooting victim at the time?

HC I did not find out about it until after um the fact when the patient was pronounced.

MF Okay.

HC Like way after the patient was announced.

MF Okay.

HC So,

MF And was all protocol followed as far as you know for the care of the patient?

HC As far as I know, yes.

MF Okay. Is there any other things that you think I should know that I didn't ask you Heidi?

HC I, don't believe so.

MF Okay. We're gonna end out interview at 0739 hours.

END OF RECORDING.

Narrative begins on the following page.

On 08/08/2016 at about 2:19 PM SA Frascione and SA Henning interviewed HCMC Emergency Room (ER) Dr. Robert Rivard over the telephone. Numerous attempts to interview Dr. Rivard were unsuccessful because of schedules. The interview was recorded and will be transcribed. The transcript of the interview will be attached to this report. A copy of the audio recording will be placed on a CD and held as evidence, acquisition of exhibit 2016-433/75.1.

The interview of Dr. Rivard began by agents obtaining biographical data for the doctor. Dr. Rivard told agents that he is employed as an Emergency Room Doctor. Dr. Rivard said that he was working in the ER on 07/06/2016 and recalled providing care for a patient he later found to be Philando Castile. Dr. Rivard told agents that ER staff received pre-notice of a patient being transport to the ER by St. Fire Department with multiple gunshot wounds.

Dr. Rivard said that he and other ER staff tended to Castile but said that Castile came into the ER pulseless. Dr. Rivard said that he pronounced Castile dead in the ER after some medical intervention/care.

Agents asked Dr. Rivard if he was involved in removing clothing from the patient. Dr. Rivard said that he was not. Dr. Rivard said that Nurses or Medical Technicians would be responsible for removal of clothing and cataloging a patient's property as evidence.

Dr. Rivard said that he had received conflicting information regarding the details of this shooting. Dr. Rivard said that one fireman had told him that the shooting had not been police involved and another fireman had said that the police were the ones that had shot the patient. The doctor had no further information and the interview was ended at 2:26 PM.

This report is a synopsis of the interview. For full detail please review the attached transcript.

TRANSCRIPT

INTERVIEW DATE:	August 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Dr. Robert Laurend Rivard (RR)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:			

DH ...recorder then.

RR Okay.

DH Recorder is running. My name is Doug Henning. I am a Special Agent with the Minnesota Bureau of Criminal Apprehension. Uh with me is my partner Michelle Frascone. This will be an interview reference case number 2016-433. The date today is August 8th, 2016. The time right now is 2:19 P.M. Uh this will be an interview with Doctor Robert, R-O-B-E-R-T middle name Laurend, L-A-U-R-E-N-D last name Rivard, R-I-V-A-R-D and your date of birth is 8-8 of 1984. Is that correct Doctor?

RR That's all correct.

DH Okay and a contact address for you for the purposes of this report is 701 Park Avenue South, Minneapolis, Minnesota 55415. Is that correct?

RR Yes.

DH And phone number 612-873-3041?

RR Yes.

DH Okay. Um, Doctor can you tell me how you're employed?

RR Uh yes I, I work as an Emergency uh Medicine Resident Doctor at Hennepin County Medical Center.

DH And how long have you worked there?

RR Uh I have been here a little over two years.

DH Okay. Um, were you working on July 6th of this year?

RR Yes I was.

DH Do you recall a patient being transported into the emergency room by St Paul Fire Department with gunshot wounds that day?

RR Yes I do.

DH Can you tell me what you recall Doctor?

RR Uh I can uh so we received a pre-notice uh we have a kind of a paging system. Um via an I phone of a um male who had multiple gunshot wounds to the chest and arm. And uh we were notified that uh he did not have a pulse before he arrived. Uh when the patient arrived um there were uh there was a lucas device uh performing mechanical CPR. And um I believe the fire department I actually didn't remember that it was St Paul but what I do, I do

remember it was a fire department as opposed to an EMS group uh who brought the patient in and said that uh he was coming from the scene of a shooting.

DH Okay. And then what?

RR Uh (clears throat) so then we uh you know essentially, uh and, and I'm sorry I just want to ask do, do you kinda want me to get into, to, to the medical decision making on this or?

DH Um, no I guess I'll specifically ask you was if, if you recall was the patient fully clothed when he was brought in?

RR Uh, you know I can't completely answer that. I do remember uh I do remember that he had a white t-shirt and it stands out to me because there was a the, the t-shirt was mostly covered in red blood.

DH Okay.

RR Um I do not remember anything about um pants, shoes, socks etcetera but I do remember a t-shirt.

DH Okay so, sss-standard protocol for the uh ER when you have a patient that's coming in with a wound of this nature would you as a doctor be responsible for removing that patient's clothing?

RR Uh me as a doctor, no. That task would fall to uh either uh generally one of the nurses or uh or one of the um one of the techs uh also known as HCA's, health care assistants that we have working here. Um sometimes perhaps a, a junior resident uh may end up uh kinda cutting the clothing off. Um but one thing that we always do in this scenario would, would be to remove the clothing. So somebody did it but that was not my role. And uh and I did not do it on this patient.

DH Okay do you recall who did?

RR Uh no I do not.

DH Okay. Whose responsibility would it be to uh catalog any items that are found in the clothing?

RR Uh boy you know I, I don't know if I can give you an honest answer on that. Um cuz again that's a, that's a real outside my department.

DH Okay that's fine.

RR I, I could make a guess uh if you want which would be either one of the techs or as we talked about the techs or HCA's or possibly actually security.

DH Okay. Okay um so then you provided uh care for this patient until he was, he was declared deceased then?

RR That's correct.

DH Okay and you don't uh you didn't have uh any type of opportunity or occasion to uh go through this person's, belongings?

RR Um no, no and that's, that's uh standard I, I can't remember a patient uh whose belongings I've ever gone through.

DH Okay. Um, were you ever advised of the, of the details of this shooting?

RR Uh, no I was not. Um it, it came to my knowledge after um but certainly not before or during the um the patient uh had been pronounced dead by the time I, I learned of the details of the shooting.

DH Okay. And, was that you that pronounced the patient dead or was that uh was that Doctor Loge?

RR Uh (sigh) I believe that, that was me.

DH Okay. And, he was, he died due to his gunshot injuries is that correct?

RR Uh I do believe so.

DH Okay. Michelle do you have any questions?

MF I don't.

DH Is there anything Doc, I don't have any more questions for you but one thing I will say is there anything that I haven't asked you that you think is important I should know about?

RR Um,

DH As it relates to this patient.

RR No I, I, I don't, I don't believe so. You know I, I will say there was, there was one thing um that was a little odd. You know I was, I was trying to kinda nail down the details with um with Fire who brought the patient in. Of um ba eh basically for, for medical reasons and uh I was trying to figure out how long had this patient been without a pulse um by their you know by their medical um care of the patient. And uh I do remember one of the fire department members shout up and or excuse me um uh spoke up and said uh well cuz I, I think my, my question initially was when police arrived did the patient have a pulse. And the response to that um from the uh Fire from the one of the Fire uh members was uh he said uh I remember him saying well they're the ones who shot him. Um and then somebody else said, another member of the Fire team spoke up and said no that's not true. Um I'm not...

DH So you got...

RR ...if that's...

DH Okay so you got conflicting information initially?

RR A little bit yeah and uh, uh you know I'm editorializing a little bit here I don't, I don't think it made a difference in any way um but it is something that kinda stands out to me.

DH Okay.

RR Uh about, about the care of this patient.

DH Okay. Um, I don't have any other questions then. I am going to uh stop the recording. The time right now is 2:26 P.M.

END OF RECORDING.

Narrative begins on the following page.

On 08/09/2016 2:52 PM SA Frascone and SA Henning interviewed Hennepin County Medical Center (HCMC) Dr. Chris Logue. SA Henning recorded the interview; the recording of the interview will be transcribed and attached to this report. SA Henning will place a copy of the audio recording on a CD and hold it as evidence, acquisition of exhibit 2016-433/76.1.

Agents began the interview by obtaining biographical information for Dr. Logue. Dr. Logue told agents that he is employed by Hennepin County Medical Center as a Physician in the Emergency Room (ER) and the Center for Hyperbaric Medicine. Dr. Logue said that he was working on 07/06/2016 and recalled treating a patient who was later identified as Philando Castile. Dr. Logue said that ER staff received advanced warning of a critical patient with multiple gunshot wounds being transport to the ER by St. Paul Fire Department.

Dr. Logue told agents that he assisted with medical care of the patient. Dr. Logue said he recalled the patient was not wearing a shirt when he arrived. The doctor said that he didn't have involvement in processing the patient's property or removing the clothing. Dr. Logue said that nursing staff would be responsible for the patient's clothing and other property. Dr. Logue said that the patient was treated like any other gunshot wound patient. The interview was completed at about 2:56 PM.

OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Dr. Christopher John Logue (CL)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:			

DH I am going to start the recorder then. Uh...

CL Okay.

DH ...the date today is August 9th, 2016. The time right now is 2:47 P.M. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. Also here is my partner Michelle Frascone. This will be in reference to BCA case number 2016-433. This'll be, this will be an interview with Christopher spelled C-H-R-I-S-T-O-P-H-E-R middle name John, J-O-H-N last name spelled L-O-G-U-E. Is that correct?

CL That's correct.

DH Your date of birth is 10-13 of 1969? Is that correct?

CL That's, that's correct.

DH And for the purposes of this report your address is 701 Park Avenue South, Minneapolis, Minnesota 55415. Is that correct?

CL Yes.

DH And a good contact telephone number for you is 612-873-7420.

CL That's correct.

DH Okay. Um, Mr. Logue can you tell me what your profession is?

CL I'm a physician.

DH Okay and, and how are you employed?

CL I'm employed uh at Hennepin County Medical Center.

DH Are you assigned to any specific uh unit at the uh at the medical center?

CL I'm assigned to the emergency department and the center for hyperbaric medicine.

DH Okay. Were you working in the emergency room on July 6th of this year?

CL Yes I was.

DH Okay. Do you recall uh what time you were working or what shift you typically work in the ER?

CL I was on the 3:00 to, 3:00 P.M. to 11:00 P.M. shift.

DH Okay. Eh do you recall a patient being transported in with uh gunshots by St Paul Fire Department?

CL I do. Yes.

DH Can you tell me about that?

CL Um a, about it um uh we...

DH Just generally, you know what you recall (inaudible)

CL Generally?

DH Yeah.

CL Uh we, we didn't get much of a heads up. We, we um we, we get we carry a phone that alerts us when critically ill patients are coming. It was only a few minutes of a warning that we got that a patient was coming with multiple gunshot wounds and was in cardiopulmonary arrest. Um, uh so I immediately went to the stabilization room where I needed to be to receive the patient. And then we provided medical care to the patient once, once uh he arrived.

DH Okay. Do you recall when the patient arrived was he fully clothed?

CL Um I do not recall. I know that he wasn't wearing a shirt.

DH Okay. Um who would be responsible for re, removing the clothing of a patient?

CL Um it would either be nursing staff or nursing assistant staff. Um or whoever what or whoever needs to to provide the medical care necessary.

DH Okay so basically all hands on, on deck. You just get it done?

CL Yeah. Yep.

DH Who would be responsible once that...

(dog barking)

DH ...that uh um that eh that clothing comes off who's responsible for processing that clothing?

CL Uh boy I'm not sure of exactly the policies and procedures. I assume it's nursing staff.

DH Okay. Did you have an opportunity with this patient to ever go through any of his clothing?

CL I did not.

DH Okay. And did you or do you recall ever seeing any, any type of identification on the patient?

CL I don't recall ever seeing any identification.

DH Okay. Did you do anything differently with this patient that, uh that you would do with, with any other gunshot patient?

CL No.

DH Do you have any other questions Michelle?

MF I don't.

DH I don't have any questions either. Um is, is there anything that I haven't asked you Doc that you think I should know about in regards to this, this incident or this patient?

CL No not that I know of.

DH Okay. I'm gonna end the interview right now then the time is 2:52 P.M.

END OF RECORDING.

Narrative begins on the following page.

On July 7th, 2016 SSA O'Donnell was requested to draft a search warrant for Facebook accounts belonging to Diamond Laraye Reynolds DOB: 07/14/1989.

SSA O'Donnell learned that Diamond Reynolds had three Facebook profile names or id's:

<https://www.facebook.com/search/top/?q=100007611243538>

<https://www.facebook.com/search/top/?q=100012841890549>

<https://www.facebook.com/search/top/?q=lavish%20reynolds%205>

On July 7th, 2016 SSA O'Donnell had a preservation request uploaded to the Facebook portal for Diamond Reynolds Facebook accounts.

On July 8th, 2016 SSA O'Donnell drafted a search warrant that was signed by the Honorable Judge Thomas Gilligan. This search warrant was uploaded on the Facebook portal.

SSA O'Donnell learned that Facebook had talked with SAIC Mueller regarding the Non-Disclosure or delayed disclosure written in the search warrant. SAIC Mueller and Facebook decided to redraft a search warrant. See attached email correspondence.

A sealing and non-filing order and was obtained for this search warrant. The original warrant and sealing order was given to SA Henning.

433-77

RECEIPT, INVENTORY AND RETURN 3-1

STATE OF MINNESOTA, COUNTY OF Ramsey District COURT

RECEIPT, INVENTORY AND RETURN

I, SSA Bill O'Donohue, received the attached search warrant issued by the Honorable Judge Gilligan, on July 9, 2016, and have executed it as follows:

Pursuant to said warrant, on July 8, 2016, at _____ o'clock __ m., I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) Sealed

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

This was uploaded to Facebook,
The warrant was never executed by Facebook
per conversation w/ SAIC Mueller + FB.

Nothing received

(Strike when appropriate:)

~~I left a receipt for the property and things listed above with a copy of the warrant.~~

None of the items set forth in the search warrant were found.

I shall (retain) or (deliver) custody of said property as directed by Court order.

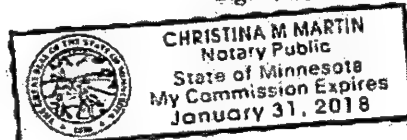

Bill O'Donohue, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

Subject: MN BCA Facebook Search Warrants

Mr. Corn,

After numerous conversations with you concerning Facebook's stance on our non-disclosure order in our search warrant, we will be rescinding our search warrants until further conversation and legal consideration. Please take this email as a formal request to rescind the two warrant served upon Facebook by the MN BCA related to Philando Castile and Diamond Reynolds. Please send the warrant back to me at the MN BCA, 1430 Maryland Ave. St. Paul, MN, 55106 (Attn: SAIC Scott Mueller). Please continue the preservation on both accounts for the full 90 days. The legal entity that the MN BCA is working with is the Ramsey County Attorney's Office, Criminal Division P.O. Box 100 Richard Dusterhoft (651) 266-3055.
Thank you, Scott Mueller

Subject: Re: One more call

Scott,

Yes, we would oppose delayed notice as well as that would prevent the users/next of kin/attorneys from filing any challenge to the warrants.

The sooner you can tell us whether you will be rescinding the warrants the better as we are preparing legal filings now.

Thank you,

Gavin

On Jul 19, 2016, at 6:31 PM, Gavin Corn <gavincorn@fb.com> wrote:

Hi Scott. Preservations are for 90 days.

Our current concern is that we are obligated to respond to your warrant by tomorrow per MN law. If you are willing to extend that period, it should be possible but we will want to lock that down quickly or we will have to file a motion to quash the warrant. Do you have a position on this? If so, do you have an attorney we could deal with on this issue?

Subject: Re: One more call

Gavin, I'll give you a call in the morning. How long will you preserve the account contents per our preservation letter? And what do you need to extend that timeframe?

From: Gavin Corn [<mailto:gavincorn@fb.com>]
Sent: Monday, July 18, 2016 8:13 PM
To: Mueller, Scott D (DPS) <scott.d.mueller@state.mn.us>
Subject: Re:

Dear SAC Mueller,

I write to follow up on our multiple telephone conversations over the past week concerning the referenced search warrants and nondisclosure orders that you obtained for Facebook user data.

We note that the Governor of Minnesota has publicly announced your agency's investigation of this matter, as well as a referral to the U.S. Department of Justice. We have preserved all data that would be responsive to these warrants.

Nevertheless, these warrants purport to indefinitely prohibit Facebook from disclosing the existence of these warrants to anyone, including the accountholders, on the grounds that evidence could be destroyed and that your investigation would be jeopardized.

As we have discussed, we believe that these indefinite non-disclosure orders are unwarranted under the facts of this case (the investigation is public and data has been preserved), and we believe they constitute an unlawful prior restraint under the Constitution, and violate the Stored Communications Act.

Accordingly, we respectfully request that you seek to formally remove or strike the nondisclosure orders included with the warrants. Facebook then intends to provide notice to the users (including the deceased user's next of kin and legal representative(s)) and to allow the users a minimum of 10 days to submit any objections they may have to the Court over the basis for, or scope of, these warrants.

As we have discussed several times, we would also like to discuss this legal matter with an attorney from the Minnesota Attorney General's Office, a prosecutor from the Ramsey County Attorney's Office, or an attorney with the U.S. Department of Justice. We would appreciate if you would provide us with a contact after receiving this note.

Thank you for your time, and I am available at your convenience.

STATE OF MINNESOTA

COUNTY OF RAMSEY

In Re the Search Warrant for:
Any and all information retained by
Facebook in reference to user
Diamond Laraye Reynolds or
Lavish Reynolds.

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.

3. The specific nature of and details about the homicide are contained in the affidavit and application for the search warrant. The homicide has been of considerable interest in the local and national media.

4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.

5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.

6. That the documents referred to above be sealed pending:

a. The filing of charges against any defendant, or

b. The completion of the investigation and closure of the case.

FURTHER YOUR AFFLIANT SAYETH NAUGHT.

Special Agent Bill O'Donnell
Minnesota Bureau of Criminal Apprehension

Special Agent Bill O'Donnell

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND DISTRICT COURT

STATE OF MINNESOTA)

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

) SS.

COUNTY OF RAMSEY

Senior Special Agent Bill O'Donnell, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true, of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Any and all information retained by Facebook in reference to users:

-Diamond Laraye Reynolds DOB: 07/14/1989 or Lavish Reynolds with Facebook Profile id's:

- <https://www.facebook.com/search/top/?q=100007611243538>
- <https://www.facebook.com/search/top/?q=100012841890549>
- <https://www.facebook.com/search/top/?q=lavish%20reynolds%205>

•Including content and attachments, email originating from, or being sent to, free and paid services, chat logs that include this screen name/address, and billing information; profile contact information, status update history, shares, notes, wall postings, user photoprint, group contact info for the time period of July 4, 2016 until July 8, 2016.

•Private messages including those found in the Inbox, Trash, and Sent mail including any and all blogging and/or text all messaging from the mobile app "Facebook Messenger". Any videos or texts using "Facebook Live" for the time period of July 4, 2016 until July 8, 2016.

• Also any photographs sent, received, or posted to include any metadata produced by the photographs that would include when the photos were taken and by what device. Also any location services that Facebook may offer to show a location of the above user for and or any IP addresses kept for the user when they logged in for the time period of July 4, 2016 until July 8, 2016.

•Your Affiant requests that the court order Facebook not to notify any person (including the subscribers or customers of the account(s)) listed in the search warrant of the existence of the search warrant until further order of the court. Facebook is a provider of electronic communications service, as defined in 18 U.S.C. 2510(15) and Minn. Stat. 626A.01, subd. 17, and/or a remote computer service, as defined in 18 U.S.C. 2711(2) and Minn. Stat. 626A.34. This Court has authority under

18 U.S. Code § 2705 (b) and Minn. Stat. 626A.30 subd. 2 to issue an order commanding a provider of electronic communications service or remote computing service to whom a warrant, subpoena, or court order is directed, for a period as the court considers appropriate, not to notify any other person of the existence of the warrant, subpoena, or court order. Such an order shall be entered if the court determines there is reason to believe that the notification of the existence of the warrant, subpoena, or court order will result in: (1) endangering the life or physical safety of an individual; (2) flight from prosecution; (3) destruction of or tampering with evidence; (4) intimidation of potential witnesses; or (5) otherwise seriously jeopardizing an investigation or unduly delaying a trial. Therefore, your Affiant requests the Court to order Facebook not to disclose the existence or content of the search warrant, except that Facebook may disclose the warrant to an attorney for Facebook for the purpose of receiving legal advice.

will be at the premises, described as:

Facebook, Inc.
1601 South California Avenue
Palo Alto, California 94304

A corporation that regularly conducts business providing electronic email services or wireless telephone services to residents and the general public in the State of Minnesota.

This search warrant is being executed on a foreign corporation in a different state than Minnesota pursuant to Minn. Stat. 626.18, Subd. 1 (e)

located in the City of Palo Alto, County of Santa Clara, and State of California.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

Your affiant is Bill O'Donnell; a Senior Special Agent with the Minnesota Bureau of Criminal Apprehension (BCA) and has been employed in this capacity since 2006. Prior to this time, your affiant worked as a Rosemount Police Officer and Detective for 18 years. Your affiant is currently assigned as a supervisor in the Criminal Information and Operations section. Your affiant has conducted numerous successful felony level criminal investigations including violent crimes, homicides, and Officer Involved Shootings and has had extensive training in the area of criminal investigation.

Your Affiant is assisting other agents with the Minnesota Bureau of Criminal Apprehension with an officer involved shooting on July 6th, 2016 in the City of Falcon Heights, Minnesota.. Your affiant knows the following information from reviewing reports, consulting with other law enforcement officers/agents and believes the following information to be true. The following information is not all information known to your affiant about this case, but rather facts that tend to establish probable cause.

On July 6th 2016, at approximately 9pm, St Anthony Police Department (SAPD) Officer Yanez initiated a traffic stop on a white 1997 Oldsmobile 88, with Minnesota license plate 203TTM, for a defective vehicle issue. During Officer Yanez's interaction with the driver of the car, later identified as 32 year-old Philando Divall Castile, DOB:07/16/1983 Officer Yanez discharged his police issued firearm. Philando Castile was shot multiple times. The shooting was witnessed by Officer Kauser and two occupants of Castile's car, Diamond Laraye Reynolds, DOB: 07/14/1989 and her 4 year-old child.

First aid was given to Philando Castile at the scene and he was then transported to the Hennepin County Medical Center where he ultimately died from his gunshot wounds. Diamond Reynolds began sending a live feed of the shooting aftermath from "Facebook Live". SAPD Officers took the phone from Diamond Reynolds after the shooting for evidentiary purposes.

Your Affiant learned that Diamond Reynolds has three Facebook profile names/id's:

- <https://www.facebook.com/search/top/?q=100007611243538>
- <https://www.facebook.com/search/top/?q=100012841890549>
- <https://www.facebook.com/search/top/?q=lavish%20reynolds%205>

Your Affiant is aware through training and experience that individuals frequently call and/or text messages to each other regarding criminal activity during and/or after an event has occurred. The Affiant is aware that often information is exchanged via social networking sites such as: Facebook and text messages and chats will show a particular person has or has not had contact with specific persons. The Affiant is also of the belief that a review and analysis of text messages and chats regarding the individuals involved in this incident may in fact assist in corroborating or refuting statements made by the individual involved in this investigation. The Affiant is also of the belief that the data sought may generate additional information that may be used as investigative leads to gather further information related to this investigation.

Your affiant knows that Facebook is a free online social networking website. This service allows its users to create their own profiles, which can include biological information as well as personal interests. The server also permits its users to send and receive private messages with other Facebook users. These users are also allowed to set their sites to private, restricting the viewing of their sites for those that are personally invited. Each user is provided a specific "Profile ID Number" to identify their Facebook account.

The remote computing service known as Facebook is located at 1601 South California Avenue in Palo Alto, California. This company provides access to the internet to individuals and/or users who have subscriptions, memberships and/or affiliation with their company.

Your affiant knows that Facebook provides computer storage space in order to maintain and/or save the information created in the user's accounts. Items contained in this storage space can include electronic communications (emails) between subscribers and other parties, graphics images and/or text file, internet history and/or internet hyperlinks, file transfer protocol logs, website access logs, IP logs, programs and other types of data stored electronically.

Your affiant knows that Facebook also maintains records pertaining to the individuals and/or other users who have accounts with their companies. This information can include account application information, user logon information, account usage reports, email transaction information, news group access and posting information both electronically kept and handwritten that records the activates of these accounts relating to the subscribers use of this service.

It should be noted that Facebook, Inc. is a foreign corporation located outside the State of Minnesota in the State of California. The Court has jurisdiction to issue a Minnesota State Search Warrant for records held by the above corporation pursuant to Minnesota State Statute 626.18 Subd. 2 (a), which allows a search warrant for records that are in actual or constructive possession of a foreign corporation that provides electronic communication services or remote computing services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer, the customer's usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those messages.

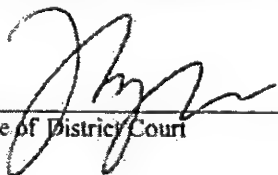

Your affiant knows that Facebook is willing to take all legal compliance via fax. Your affiant seeks the permission of the court to serve the search warrant on the corporation via fax.

Your Affiant believes that the records retained by Facebook will assist law enforcement in completing a thorough investigation. WHEREFORE, Affiant requests a search warrant be issued, commanding **SSA Bill O'Donnell**, (a) peace officer(s), of the State of Minnesota, **and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m.** only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Subscribed and sworn to before me this

Affiant: Special Agent Bill O'Donnell

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND DISTRICT COURT

TO: Special Agent Bill O'Donnell (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, Special Agent Bill O'Donnell has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

Facebook, Inc.
1601 South California Avenue
Palo Alto, California 94304

A corporation that regularly conducts business providing electronic email services or wireless telephone services to residents and the general public in the State of Minnesota.

This search warrant is being executed on a foreign corporation in a different state than Minnesota pursuant to Minn. Stat. 626.18, Subd. 1 (e)

located in the City of Palo Alto, County of Santa Clara, STATE OF CALIFORNIA for the following described property and things:

Any and all information retained by Facebook in reference to users:

-Diamond Laraye Reynolds DOB: 07/14/1989 or Lavish Reynolds with Facebook Profile id's:

- <https://www.facebook.com/search/top/?q=100007611243538>
- <https://www.facebook.com/search/top/?q=100012841890549>
- <https://www.facebook.com/search/top/?q=lavish%20reynolds%205>

•Including content and attachments, email originating from, or being sent to, free and paid services, chat logs that include this screen name/address, and billing information, profile contact information, status update history, shares, notes, wall postings, user photoprint, group contact info for the time period of July 4, 2016 until July 8, 2016.

•Private messages including those found in the Inbox, Trash, and Sent mail including any and all blogging and/or text all messaging from the mobile app "Facebook Messenger". Any videos or texts using "Facebook Live" for the time period of July 4, 2016 until July 8, 2016.

• Also any photographs sent, received, or posted to include any metadata produced by the photographs that would include when the photos were taken and by what device. Also any location services that Facebook may offer to show a location of the above user for and or any IP addresses kept for the user when they logged in for the time period of July 4, 2016 until July 8, 2016.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

•Your Affiant requests that the court order Facebook not to notify any person (including the subscribers or customers of the account(s)) listed in the search warrant of the existence of the search warrant until further order of the court. Facebook is a provider of electronic communications service, as defined in 18 U.S.C. 2510(15) and Minn. Stat. 626A.01, subd. 17, and/or a remote computer service, as defined in 18 U.S.C. 2711(2) and Minn. Stat. 626A.34. This Court has authority under 18 U.S. Code § 2705 (b) and Minn. Stat. 626A.30 subd. 2 to issue an order commanding a provider of electronic communications service or remote computing service to whom a warrant, subpoena, or court order is directed, for a period as the court considers appropriate, not to notify any other person of the existence of the warrant, subpoena, or court order. Such an order shall be entered if the court determines there is reason to believe that the notification of the existence of the warrant, subpoena, or court order will result in: (1) endangering the life or physical safety of an individual; (2) flight from prosecution; (3) destruction of or tampering with evidence; (4) intimidation of potential witnesses; or (5) otherwise seriously jeopardizing an investigation or unduly delaying a trial. Therefore, your Affiant requests the Court to order Facebook not to disclose the existence or content of the search warrant, except that Facebook may disclose the warrant to an attorney for Facebook for the purpose of receiving legal advice.

WHEREAS, the application and supporting affidavit of Special Agent Bill O'Donnell was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises.

NOW, THEREFORE, YOU Special Agent Bill O'Donnell THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

O'Donnell, William (1328 / SRO - Crime Scene / Minnesota Bureau of Criminal Apprehension)		OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)	10/13/2016

Narrative begins on the following page.

On July 7th, 2016 SSA O'Donnell was requested to draft a search warrant for Facebook account(s) belonging to Philando Divall Castile DOB: 07/16/1983. .

SSA O'Donnell learned that Philando Castile had one Facebook profile names or id:

<https://www.facebook.com/search/top/?q=philando%20castile>

On July 7th, 2016 SSA O'Donnell had a preservation request uploaded to the Facebook portal for Philando Castile's Facebook account.

On July 8th, 2016 SSA O'Donnell drafted a search warrant that was signed by the Honorable Judge Thomas Gilligan. This search warrant was uploaded on the Facebook portal.

SSA O'Donnell learned that Facebook had talked with SAIC Mueller regarding the Non-Disclosure or delayed disclosure written in the search warrant. SAIC Mueller and Facebook decided to redraft a search warrant. See attached email correspondence.

A sealing and non-filing order and was obtained for this search warrant. The original warrant and sealing order was given to SA Henning.

RECEIPT, INVENTORY AND RETURN 3-1

STATE OF MINNESOTA, COUNTY OF Ramsey District COURT

RECEIPT, INVENTORY AND RETURN

I, Bill O'Donnell, received the attached search warrant issued by the
Honorable Judge Gilligan, on July 8 2016, and have executed it as
follows:

Pursuant to said warrant, on July 8th, 2016 at — o'clock — m., I searched the
(premises) (~~motor vehicle~~) (~~person~~) described in said warrant, and left a true and correct copy of said warrant (with) (in)
(at) Sealed, did not leave

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

nothing, Facebook + SAIC much
have agreed on re-writing search warrant, this
was now executed by Facebook once it was
uploaded.

(Strike when appropriate:)

~~I left a receipt for the property and things listed above with a copy of the warrant.~~

~~None of the items set forth in the search warrant were found.~~

~~I shall (retain) or (deliver) custody of said property as directed by Court order.~~

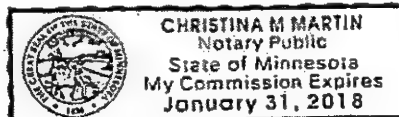

Dredd, being first duly sworn, upon oath, deposes
and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as
to such matters stated therein on information and belief, and as to those, he believes them to be true.

Subscribed and sworn to before me this

Subject: MN BCA Facebook Search Warrants

Mr. Corn,

After numerous conversations with you concerning Facebook's stance on our non-disclosure order in our search warrant, we will be rescinding our search warrants until further conversation and legal consideration. Please take this email as a formal request to rescind the two warrant served upon Facebook by the MN BCA related to Philando Castile and Diamond Reynolds. Please send the warrant back to me at the MN BCA, 1430 Maryland Ave. St. Paul, MN, 55106 (Attn. SAIC Scott Mueller). Please continue the preservation on both accounts for the full 90 days. The legal entity that the MN BCA is working with is the Ramsey County Attorney's Office, Criminal Division P.O. Box 660 - Richard Dusterhoft (651) 266-3055. Thank you, Scott Mueller

Subject: Re: One more call

Scott,

Yes, we would oppose delayed notice as well as that would prevent the users/next of kin/attorneys from filing any challenge to the warrants.

The sooner you can tell us whether you will be rescinding the warrants the better as we are preparing legal filings now.

Thank you,

Gavin

Hi Scott. Preservations are for 90 days.

Our current concern is that we are obligated to respond to your warrant by tomorrow per MN law. If you are willing to extend that period, it should be possible but we will want to lock that down quickly or we will have to file a motion to quash the warrant. Do you have a position on this? If so, do you have an attorney we could deal with on this issue?

Gavin, I'll give you a call in the morning. How long will you preserve the account contents per our preservation letter? And what do you need to extend that timeframe?

From: Gavin Corn [<mailto:gavincorn@fb.com>]
Sent: Monday, July 18, 2016 8:13 PM
To: Mueller, Scott D (DPS) <scott.d.mueller@state.mn.us>
Subject: Re:

Dear SAC Mueller,

I write to follow up on our multiple telephone conversations over the past week concerning the referenced search warrants and nondisclosure orders that you obtained for Facebook user data.

We note that the Governor of Minnesota has publicly announced your agency's investigation of this matter, as well as a referral to the U.S. Department of Justice. We have preserved all data that would be responsive to these warrants.

Nevertheless, these warrants purport to indefinitely prohibit Facebook from disclosing the existence of these warrants to anyone, including the account holders, on the grounds that evidence could be destroyed and that your investigation would be jeopardized.

As we have discussed, we believe that these indefinite non-disclosure orders are unwarranted under the facts of this case (the investigation is public and data has been preserved), and we believe they constitute an unlawful prior restraint under the Constitution, and violate the Stored Communications Act.

Accordingly, we respectfully request that you seek to formally remove or strike the nondisclosure orders included with the warrants. Facebook then intends to provide notice to the users (including the deceased user's next of kin and legal representative(s)) and to allow the users a minimum of 10 days to submit any objections they may have to the Court over the basis for, or scope of, these warrants.

As we have discussed several times, we would also like to discuss this legal matter with an attorney from the Minnesota Attorney General's Office, a prosecutor from the Ramsey County Attorney's Office, or an attorney with the U.S. Department of Justice. We would appreciate if you would provide us with a contact after receiving this note.

Thank you for your time, and I am available at your convenience.

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND DISTRICT COURT

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY

**APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.**

Senior Special Agent Bill O'Donnell, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as too such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Any and all information retained by Facebook in reference to users:

-Philando Divall Castile DOB: 07/16/1983 or Philando Castile with Facebook
Profile id:

<https://www.facebook.com/search/top/?q=philando%20castile>

- Including content and attachments, email originating from, or being sent to, free and paid services, chat logs that include this screen name/address, and billing information. profile contact information, status update history, shares, notes, wall postings, user photoprint, group contact info for the time period of July 4, 2016 until July 8, 2016.

- Private messages including those found in the Inbox, Trash, and Sent mail including any and all blogging and/or text all messaging from the mobile app "Facebook Messenger". Any videos or texts using "Facebook Live" for the time period of July 4, 2016 until July 8, 2016.

- Also any photographs sent, received, or posted to include any metadata produced by the photographs that would include when the photos were taken and by what device. Also any location services that Facebook may offer to show a location of the above user for and or any IP addresses kept for the user when they logged in for the time period of July 4, 2016 until July 8, 2016.

- Your Affiant requests that the court order Facebook not to notify any person (including the subscribers or customers of the account(s)) listed in the search warrant of the existence of the search warrant until further order of the court.** Facebook is a provider of electronic communications service, as defined in 18 U.S.C. 2510(15) and Minn. Stat. 626A.01, subd. 17, and/or a remote computer service, as defined in 18 U.S.C. 2711(2) and Minn. Stat. 626A.34. This Court has authority under 18 U.S. Code § 2705 (b) and Minn. Stat. 626A.30 subd. 2 to issue an order commanding a provider of electronic communications service or remote computing service to whom a warrant, subpoena, or court order is directed, for a period as the court considers

appropriate, not to notify any other person of the existence of the warrant, subpoena, or court order. Such an order shall be entered if the court determines there is reason to believe that the notification of the existence of the warrant, subpoena, or court order will result in: ~~(1) endangering the life or physical safety of an individual;~~ ~~(2) flight from prosecution;~~ (3) destruction of or tampering with evidence; ~~(4) intimidation of potential witnesses;~~ or (5) otherwise seriously jeopardizing an investigation or unduly delaying a trial. Therefore, your Affiant requests the Court to order Facebook not to disclose the existence or content of the search warrant, except that Facebook may disclose the warrant to an attorney for Facebook for the purpose of receiving legal advice.

will be at the premises, described as:

Facebook, Inc.
1601 South California Avenue
Palo Alto, California 94304

A corporation that regularly conducts business providing electronic email services or wireless telephone services to residents and the general public in the State of Minnesota.

This search warrant is being executed on a foreign corporation in a different state than Minnesota pursuant to Minn. Stat. 626.18, Subd. 1 (e)

located in the City of Palo Alto, County of Santa Clara, and State of California.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

Your affiant is Bill O'Donnell; a Senior Special Agent with the Minnesota Bureau of Criminal Apprehension (BCA) and has been employed in this capacity since 2006. Prior to this time, your affiant worked as a Rosemount Police Officer and Detective for 18 years. Your affiant is currently assigned as a supervisor in the Criminal Information and Operations section. Your affiant has conducted numerous successful felony level criminal investigations including violent crimes, homicides, and Officer Involved Shootings and has had extensive training in the area of criminal investigation.

Your Affiant is assisting other agents with the Minnesota Bureau of Criminal Apprehension with an officer involved shooting on July 6th, 2016 in the City of Falcon Heights, Minnesota.. Your affiant knows the following information from reviewing reports, consulting with other law enforcement officers/agents and believes the following information to be true. The following information is not all information known to your affiant about this case, but rather facts that tend to establish probable cause.

On July 6th 2016, at approximately 9pm, St Anthony Police Department (SAPD) Officer Yanez initiated a traffic stop on a white 1997 Oldsmobile 88, with Minnesota license plate 203TTM, for a defective vehicle issue. During Officer Yanez's interaction with the driver of the car, later identified as 32 year-old Philando Divall Castile, DOB:07/16/1983 Officer Yanez discharged his police issued firearm. Philando Castile was shot multiple times. The shooting was witnessed by Officer Kauser and two occupants of Castile's car, Diamond Laraye Reynolds, DOB: 07/14/1989 and her 4 year-old child.

First aid was given to Philando Castile at the scene and he was then transported to the Hennepin County Medical Center where he ultimately died from his gunshot wounds. Diamond Reynolds began sending a live feed of the shooting aftermath from "Facebook Live". SAPD Officers took the phone from Diamond Reynolds after the shooting for evidentiary purposes.

Your Affiant learned that Philando Castile has a Facebook profile names/id:

<https://www.facebook.com/search/top/?q=philando%20castile>

Your Affiant is aware through training and experience that individuals frequently call and/or text messages to each other regarding criminal activity during and/or after an event has occurred. The Affiant is aware that often information is exchanged via social networking sites such as; Facebook and text messages and chats will show a particular person has or has not had contact with specific persons. The Affiant is also of the belief that a review and analysis of text messages and chats regarding the individuals involved in this incident may in fact assist in corroborating or refuting statements made by the individual involved in this investigation. The Affiant is also of the belief that the data sought may generate additional information that may be used as investigative leads to gather further information related to this investigation.

Your affiant knows that Facebook is a free online social networking website. This service allows its users to create their own profiles, which can include biological information as well as personal interests. The server also permits its users to send and receive private messages with other Facebook users. These users are also allowed to set their sites to private, restricting the

viewing of their sites for those that are personally invited. Each user is provided a specific "Profile ID Number" to identify their Facebook account.

The remote computing service known as Facebook is located at 1601 South California Avenue in Palo Alto, California. This company provides access to the internet to individuals and/or users who have subscriptions, memberships and/or affiliation with their company.

Your affiant knows that Facebook provides computer storage space in order to maintain and/or save the information created in the user's accounts. Items contained in this storage space can include electronic communications (emails) between subscribers and other parties, graphics images and/or text file, internet history and/or internet hyperlinks, file transfer protocol logs, website access logs, IP logs, programs and other types of data stored electronically.

Your affiant knows that Facebook also maintains records pertaining to the individuals and/or other users who have accounts with their companies. This information can include account application information, user logon information, account usage reports, email transaction information, news group access and posting information both electronically kept and handwritten that records the activates of these accounts relating to the subscribers use of this service.

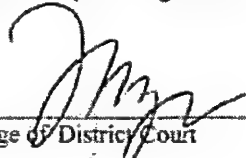

It should be noted that Facebook, Inc. is a foreign corporation located outside the State of Minnesota in the State of California. The Court has jurisdiction to issue a Minnesota State Search Warrant for records held by the above corporation pursuant to Minnesota State Statute 626.18 Subd. 2 (a), which allows a search warrant for records that are in actual or constructive possession of a foreign corporation that provides electronic communication services or remote computing services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer, the customer's usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those messages.

Your affiant knows that Facebook is willing to take all legal compliance via fax. Your affiant seeks the permission of the court to serve the search warrant on the corporation via fax.

Your Affiant believes that the records retained by Facebook will assist law enforcement in completing a thorough investigation. WHEREFORE, Affiant requests a search warrant be issued, commanding SSA Bill O'Donnell, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: Special Agent Bill O'Donnell

Subscribed and sworn to before me this 8th
day of July, 2016

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND DISTRICT COURT

TO: Special Agent Bill O'Donnell (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, Special Agent Bill O'Donnell has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises. :

Facebook, Inc.
1601 South California Avenue
Palo Alto, California 94304

A corporation that regularly conducts business providing electronic email services or wireless telephone services to residents and the general public in the State of Minnesota.

This search warrant is being executed on a foreign corporation in a different state than Minnesota pursuant to Minn. Stat. 626.18, Subd: 1 (e)

located in the City of Palo Alto, County of Santa Clara, STATE OF CALIFORNIA for the following described property and things:

Any and all information retained by Facebook in reference to users:

-Philando Divall Castile DOB: 07/16/1983 or Philando Castile with Facebook
Profile id:

<https://www.facebook.com/search/top/?q=philando%20castile>

- Including content and attachments, email originating from, or being sent to, free and paid services, chat logs that include this screen name/address, and billing information, profile contact information, status update history, shares, notes, wall postings, user photoprint, group contact info for the time period of July 4, 2016 until July 8, 2016.
- Private messages including those found in the Inbox, Trash, and Sent mail including any and all blogging and/or text all messaging from the mobile app "Facebook Messenger". Any videos or texts using "Facebook Live" for the time period of July 4, 2016 until July 8, 2016.
- Also any photographs sent, received, or posted to include any metadata produced by the photographs that would include when the photos were taken and by what device. Also any location services that Facebook may offer to show a location of the above user for and or any IP addresses kept for the user when they logged in for the time period of July 4, 2016 until July 8, 2016.
- Your Affiant requests that the court order Facebook not to notify any person (including the subscribers or customers of the account(s)) listed in the search warrant of the existence of the search warrant until further order of the court.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

Facebook is a provider of electronic communications service, as defined in 18 U.S.C. 2510(15) and Minn. Stat. 626A.01, subd. 17, and/or a remote computer service, as defined in 18 U.S.C. 2711(2) and Minn. Stat. 626A.34. This Court has authority under 18 U.S. Code § 2705 (b) and Minn. Stat. 626A.30 subd. 2 to issue an order commanding a provider of electronic communications service or remote computing service to whom a warrant, subpoena, or court order is directed, for a period as the court considers appropriate, not to notify any other person of the existence of the warrant, subpoena, or court order. Such an order shall be entered if the court determines there is reason to believe that the notification of the existence of the warrant, subpoena, or court order will result in: ~~(1) endangering the life or physical safety of an individual;~~ ~~(2) flight from prosecution;~~ (3) destruction of or tampering with evidence; ~~(4) intimidation of potential witnesses;~~ or (5) otherwise seriously jeopardizing an investigation or unduly delaying a trial. Therefore, your Affiant requests the Court to order Facebook not to disclose the existence or content of the search warrant, except that Facebook may disclose the warrant to an attorney for Facebook for the purpose of receiving legal advice.

WHEREAS, the application and supporting affidavit of Special Agent Bill O'Donnell was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises.

NOW, THEREFORE, YOU Special Agent Bill O'Donnell THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

Dated : July 8, 2016

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:

Any and all information retained by Facebook
in reference to user Philando Divall Castile.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILING OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

Special Agent Bill O'Donnell, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the records of Facebook Inc. for any and all information retained by Facebook in reference to user Philando Divall Castile. Castile was shot by police in Ramsey County and died of his injuries. The Bureau of Criminal Apprehension is investigating this homicide.
3. The specific nature of and details about the homicide are contained in the affidavit and application for the search warrant. The homicide has been of considerable interest in the local and national media.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

Narrative begins on the following page.

On July 7th, 2016 SSA O'Donnell was requested to draft a search warrant for phone records belonging to Diamond Laraye Reynolds DOB: 07/14/1989.

SSA O'Donnell learned that Diamond Reynolds had a cell phone with a phone number of 651-529-4475. The phone number belongs to Sprint.

On July 7th, 2016 SSA O'Donnell had a preservation request faxed to Sprint for Diamond Reynolds phone records.

On July 8th, 2016 SSA O'Donnell drafted a search warrant that was signed by the Honorable Judge Thomas Gilligan. This search warrant was uploaded on the Sprint L-Site.

SSA O'Donnell did receive phone records from Sprint. Those records are attached to this report. SSA O'Donnell also received a CD containing voicemail recordings from Diamond Reynolds cell phone saved on the Sprint server. This CD contained six voicemails. CD was labeled as item #79.1. This item was signed over to SA Henning's custody on August 11, 2016.

A sealing and non-filing order was obtained for this search warrant. The original warrant and sealing order was given to SA Henning.

STATE OF MINNESOTA, COUNTY OF RAMSEY

2ND JUDICIAL DISTRICT COURT

STATE OF MINNESOTA)

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

COUNTY OF RAMSEY) SS.

Senior Special Agent Bill O'Donnell, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good-reason to believe, and does believe, that the following described property and things, to wit:

- Call Detail Records including cell site data for Cell Phone number 651-529-4475 from 07/04/2016 to 07/07/2016.
- All PCMD data or historical data including latitude/longitude for Cell Phone number 651-529-4475 from 07/04/2016 to 07/07/2016.
- Any Voicemails.
- Any texts (SMS & MMS) content available.
- Subscriber information
- Tower information including latitude /longitude of tower location as well as azimuth for each sector
- Key or Records explanation Form

will be at the premises, described as:

**Sprint/Nextel
Sprint Corporate Security – Legal Compliance
6480 Sprint Parkway
Overland Park, KS 66251**

Located in the City of Overland Park, State of Kansas.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your affiant is Bill O'Donnell; a Senior Special Agent with the Minnesota Bureau of Criminal Apprehension (BCA) and has been employed in this capacity since 2006. Prior to this time, your affiant worked as a Rosemount Police Officer and Detective for 18 years. Your affiant is currently assigned as a supervisor in the Criminal Information and Operations section. Your affiant has conducted numerous successful felony level criminal investigations including violent crimes, homicides, and Officer Involved Shootings and has had extensive training in the area of criminal investigation.

Your Affiant is assisting other agents with the Minnesota Bureau of Criminal Apprehension with an officer involved shooting on July 6th, 2016 in the City of Falcon Heights, Minnesota. Your affiant knows the following information from reviewing reports, consulting with other law enforcement officers/agents and believes the following information to be true. The following information is not all information known to your affiant about this case, but rather facts that tend to establish probable cause.

On July 6th 2016, at approximately 9pm, St Anthony Police Department (SAPD) Officer Yanez initiated a traffic stop on a white 1997 Oldsmobile 88, with Minnesota license plate 203TTM, for a defective vehicle issue. During Officer Yanez's interaction with the driver of the car, later identified as 32 year-old Philando Divall Castile, DOB:07/16/1983 Officer Yanez discharged his police issued firearm. Philando Castile was shot multiple times. The shooting was witnessed by Officer Kauser and two occupants of Castile's car, Diamond Laraye Reynolds, DOB: 07/14/1989 and her 4 year-old child.

First aid was given to Philando Castile at the scene and he was then transported to the Hennepin County Medical Center where he ultimately died from his gunshot wounds. Diamond Reynolds began sending a live feed of the shooting aftermath from "Facebook Live". SAPD Officers took the phone from Diamond Reynolds after the shooting for evidentiary purposes.

Your affiant learned that the iPhone belonging to Diamond Laraye Reynolds has the phone number of 651-529-4475. Your affiant learned that phone number is on the Sprint Network. Sprint has confirmed this information.

Your Affiant is aware through training and experience that individuals frequently call and/or text messages to each other regarding criminal activity during and/or after an event has occurred. The Affiant is aware that often information is exchanged via cellular telephone calls and text messages that will show a particular person has or has not had contact with specific persons. The Affiant is also of the belief that a review and analysis of text messages and call detail records regarding the individuals involved in this incident may in fact assist in corroborating or refuting statements made by the individual involved in this investigation. The Affiant is also of the belief that the data sought may generate additional information that may be used as investigative leads to gather further information related to this investigation. The Affiant is also aware that cellular telephone records can often verify the particular cellular telephone tower that the telephone was

communicating with and therefore establish that a person is near a specific location at a specific time.

Your Affiant is aware that Sprint /Nextel is a foreign corporation located outside the State of Minnesota in the State of Kansas. Your Affiant is aware that the Court has jurisdiction to issue a Minnesota State search warrant for records held by the above corporation pursuant to Minnesota State statute 626.18, subd. 2.2, which allows a search warrant for records that are in actual constructive possession of a foreign corporation that provides electronic communication services or remote computing services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer, the customers usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those messages.

Your affiant knows that Sprint/Nextel conducts business in the State of Minnesota. Furthermore, your Affiant is aware that Sprint/Nextel offers wireless communication contacts and/or service agreements to residents of the State of Minnesota.

The Affiant has spoken with representatives of the Sprint/Nextel Wireless Corporation and has learned that they are willing to accept facsimile and /or L-Site service of the court order. L-Site is a Law Enforcement web based tool to expedite Legal Process.

Your affiant respectfully requests that the Court grant said search warrant. Your Affiant further requests permission from the Court to fax or upload on Sprint/Nextel L-Site said search warrant to Sprint/Nextel.

WHEREFORE, Affiant requests a search warrant be issued, commanding Special Agent Bill O'Donnell, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Subscribed and sworn to before me this

day of Subst, 2016

Affiant: SSA Bill O'Donnell

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY 2ND JUDICIAL DISTRICT COURT
TO: Special Agent Bill O'Donnell (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, Bill O'Donnell has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

Sprint/Nextel
Sprint Corporate Security – Legal Compliance
6480 Sprint Parkway
Overland Park, KS 66251

located in the City of Overland Park, STATE OF KANSAS for the following described property and things:

- Call Detail Records including cell site data for Cell Phone number 651-529-4475 from 07/04/2016 to 07/07/2016.
- All PCMD data or historical data including latitude/longitude for Cell Phone number 651-529-4475 from 07/04/2016 to 07/07/2016.
- Any Voicemails.
- Any texts (SMS & MMS) content available.
- Subscriber information
- Tower information including latitude /longitude of tower location as well as azimuth for each sector
- Key or Records explanation Form

WHEREAS, the application and supporting affidavit of Special Agent Bill O'Donnell was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises.

NOW, THEREFORE, YOU Special Agent Bill O'Donnell, THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

BY THE COURT:

JUDGE OF DISTRICT COURT

Dated : July 8, 2016
11:10

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

STATE OF MINNESOTA

DISTRICT COURT

COUNTY OF RAMSEY

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:
Sprint records related to
651 529-4475
07-04-2016 to 07-07-2016.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILED OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

Special Agent Bill O'Donnell, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the records of Sprint for various information related to cell phone number 651 529-4475 from 07-04-2016 to 07-07-2016.
3. This number is assigned to an iPhone that belongs to Diamond Reynolds. Reynolds was in a vehicle with Philando Castile when, on 07-06-2016, they were stopped by a police officer and Castile was shot and killed by the officer. Reynolds used the iPhone to live-stream her interaction with the officer immediately after the shooting. The shooting is being investigated by the BCA and details of the investigation are contained in the search warrant, application, and affidavit.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by influencing witnesses to the homicide itself, or to the activities of those involved, both before and after the homicide.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

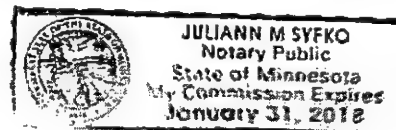

FURTHER YOUR AFFLIANT SAYETH NAUGHT.

Dated: August 3, 2016

RECEIPT, INVENTORY AND RETURN 3-1

STATE OF MINNESOTA, COUNTY OF Ramsey District COURT

RECEIPT, INVENTORY AND RETURN

I, Bill O'Donnell, received the attached search warrant issued by the Honorable Judge Gilligan, on July 8, 2016, and have executed it as follows:

Pursuant to said warrant, on July 8th, 2016, at _____ o'clock am, I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) warrant was sealed

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

- Records from Sprint
- CD from Sprint w/ voice mails

(Strike when appropriate:)

~~I left a receipt for the property and things listed above with a copy of the warrant.~~

None of the items set forth in the search warrant were found.

I shall (retain) or (deliver) custody of said property as directed by Court order.

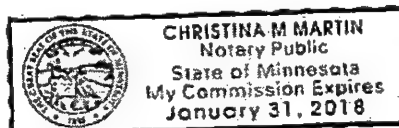

Bill O'Donnell, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

Subscribed and sworn to before me this

Narrative begins on the following page

On Wednesday, August 10, 2016, at about 1950 hours, SSA Olson received two CD's containing the squad video from two Minnesota State Trooper squads that responded to the scene in Falcon Heights on July 6, 2016. The responding Troopers were identified as Lt. Travis Schaap, Trooper Tyler Uthe and Trooper Lisa Lorenzen (in training). SSA Olson received both squad videos for Schaap and Uthe from Lt. Steve Fischer near the intersection of Hwy 169 and Anderson Lakes Parkway, Bloomington, MN. SSA Olson understood the CD's were generated by Lt. Jason Bartel at SSA Olson's request. The CD's have been preserved as items 80.1 (Lt. Travis Schaap) and 80.2 (Trooper Uthe).

SSA Olson reviewed both videos and determined Schaap and Uthe responded to the scene after receiving requests to block and divert motor vehicle traffic from the scene. SSA Olson was not able to observe any specific details related to the scene based on the distance from the scene and the direction of the squad cameras.

SSA Olson received the Computer Aided Dispatch (CAD) report associated with this call and attached that to this report.

Both squad video CD's were later transferred to SA Henning for preservation (see attached custody report).

End report.

Chris,

Doesn't look like MSP pulled a case # for this assist, thus no reports written. I spoke with Lt. Schaap who said, "I was there after the fact and never got up to the actual scene, I have nothing."

Below is the CAD entry information. I'll let you know if I learn of any reports.

Minnesota Bureau of Criminal Apprehension
ACISS Investigative Supplement 2016-433/81

Report Date: 08/11/2016

Primary Information

Description: Photographs of Lab Item 16
Occurrence From: 08/11/2016 00:00
Occurrence To: 08/11/2016 00:00
Reporting LEO: HODAPP, Philip Jakob (1396 / BRO - SOD / Minnesota Bureau of Criminal Apprehension)
Approval Status: Approved
Approved Date: 08/16/2016
Approved By: Museus, Chad (1356 / BRO - Narcotics / Minnesota Bureau of Criminal Apprehension)

Synopsis

On 8/11/2016, SA Jake Hodapp met with Forensic Scientist Nat Pearlson at the BCA forensic laboratory in Bemidji to photograph contents of Lab Item 16, which contained Castile's clothing. SA Hodapp took photographs of the items as they were received by FS Pearlson and the contents of all the items.

SA Hodapp downloaded the photographs and created BCA Item 81.1 Master disc of photos of Lab item 16. SA Hodapp processed the photos and created copy discs to be distributed to the lab and to law enforcement.

Re: BCA Request for Email Data from the City of Saint Anthony

Dear Captain Spiess and SA Henning:

Enclosed please find one CD with emails to or from Officer Yáñez and Officer Kauser from July 6 to July 7, as requested by the BCA. The CD contains 25 documents. We removed exact duplicates, when the metadata revealed that the two files were identical. Note that there are a few files in this set that appear to be junk files. We have confirmed that there was no error when burning these onto the CD; they appear as junk files in our system as well.

The CD is encrypted, and I will send you the password by separate email.

I will explain our search methods, in case you find this information useful. First, we ran a search of all emails within the two officers' email boxes during that time frame. After removing exact duplicates, we identified the 25 documents provided on the CD. Second, to double check that these results were complete, we ran searches across all of the other custodians' email boxes loaded into our system to ensure that there are no non-duplicative emails in those other email boxes. For example, if Officer 1 sent an email to Officer 2, our searches would uncover that email in the sent folder for Officer 1 and the inbox of Officer 2. If, for example, Officer 2 deleted the email from his inbox but the email still existed in Officer 1's sent folder, our follow-up searches would have identified this as a new email. We did not find any new (non-duplicative) emails in our follow-up searches.

Captain Spiess & SA Henning
August 12, 2016
Page 2

We are still loading additional emails from additional email custodians into our system, and expect that process to be completed by the middle of next week. Once the new emails are loaded, we will run another series of follow-up searches. If we identify any new, non-duplicative emails, we will provide them at that time. Please do not hesitate to contact me if you have any questions.

Sincerely,

Shannon L. Bjorklund

Case Type: Officer Involved Shooting/with a Death County: Ramsey

Principals: Jeronimo Yanez; Joseph [REDACTED] Kauser; Philando Divall Castile

Description of Submitted Evidence:

Item	Type and Packaging	Description/Source
1	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
2	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
3	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
4	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
5	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the road
6	One cardboard box containing evidence classified as a pistol	Diamondback Model DB FS Nine 9x19 (9mm Luger) caliber bearing serial number FB6884 and a magazine with ammunition
6C	One manila envelope containing evidence classified as test specimens	test fired bullets and cartridge cases from Item 6 (NJP - 8/15/2016)
15	One plastic bag containing evidence classified as a pistol	SIG Sauer model P220 bearing serial number 37A008090 with cartridge from the chamber and magazine
15D	One manila envelope containing evidence classified as test specimens	test fired bullets and cartridge cases from Item 15 (NJP - 8/13/16)
16	One cardboard box containing evidence classified as an item of evidence	property and clothing from Philando Castile in multiple sealed paper bags
17	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the floor in front of the driver's seat inside Item 11
18	One manila envelope containing evidence classified as cartridge case(s)	"Federal 45 AUTO" from the front passenger's seat inside Item 11
19	One manila envelope containing evidence classified as bullet fragment(s)	from the front passenger seat/seatback inside Item 11
24	One manila envelope containing evidence classified as bullet fragment(s)	from the center console lid inside Item 11
25	One manila envelope containing evidence classified as bullet(s)	from beneath the metal under the rear seat inside Item 11
30	One brown paper bag containing evidence classified as	partial box of Federal Premium Law

	ammunition	Enforcement 45 Auto caliber 230 grain HST Tactical Ammunition
33	One brown paper bag containing evidence classified as a duty belt	from Jeronimo Yanez
44	One manila envelope containing evidence classified as projectile(s)	from the "left forearm" of Philando Castile
45	One manila envelope containing evidence classified as projectile(s)	from the "end of gunshot wound C" from Philando Castile
46	One manila envelope containing evidence classified as projectile(s)	from the "end of gunshot wound A" from Philando Castile
47	One manila envelope containing evidence classified as projectile(s)	from the "end of gunshot wound B" from Philando Castile
48	One manila envelope containing evidence classified as projectile(s)	from the "end of gunshot wound M" from Philando Castile
49	One manila envelope containing evidence classified as projectile(s)	"just deep to skin of wound L" from Philando Castile
50	One manila envelope containing evidence classified as projectile(s)	from "wound L of the left arm" of Philando Castile

Results of Laboratory Examination:

Examinations and test firing of Item 15 (a SIG Sauer Model P220 45 Auto caliber pistol bearing serial number 37A008090, a magazine and ammunition) showed the firearm and the safety mechanisms to be functional. The trigger pull was measured and found to be from 4 to 4½ pounds (single action) and from 9 to 9½ pounds (double action).

Two cartridges from Item 30 (a partial box of ammunition) were used for testing Item 15.

Item 15 fired Items 1 through 5, 17 and 18 (seven 45 Auto caliber cartridge cases), Items 25 and 45 through 48 (five bullets), and the bullet jacket of 49 (a bullet jacket and two metal fragments).

Item 19 (one metal fragment), Item 24 (one bullet core), Item 44 (three metal fragments), the two metal fragments of Item 49 and Item 50 (one bullet core fragment) are unsuitable for comparative examinations.

Examination and test firing of Item 6 (a Diamondback Model DB FS Nine 9mm Luger caliber pistol bearing serial number FB6884, a magazine and ammunition) showed the firearm and the safety mechanisms to be functional. The trigger pull was measured and found to be from 7½ to 8 pounds.

Images of a test fired cartridge case from Item 6 will be entered into the Minnesota firearms database. The results of a search of the database will be addressed in a subsequent report.

The results of gunshot residue testing for muzzle to target distance determination on Item 16 (said to be clothing from Philando Divall Castile) and ejection pattern determination on Item 15 will be addressed in a subsequent report.

Item 33 (said to be a duty belt) was not examined.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Nathaniel J. Pearlson
Forensic Scientist 3

Disposition of Evidence:

Lab will hold all evidence until exams completed.

Narrative begins on the following page.

On August 26th, 2016 at approximately 1107hrs, Senior Special Agent (SSA) Chris Olson and Special Agent (SA) Michelle Frascione conducted a recorded interview with Hennepin County Medical Center Registered Nurse Tuladi NMN Ramodi (01/25/1976).

Ramodi stated she currently works as a registered nurse for HCMC, and has done so for the past 15 years. Ramodi said she occasional is given the responsibility of charge nurse. Ramodi advised she was working on the evening of July 6th, 2016 in the role of charge nurse. Ramodi said she received a call of a male victim with multiple gunshot wounds to the left chest who would be arriving in the Emergency Department via St. Paul Fire Department.

Ramodi said when the patient arrived "they started working on him immediately." Ramodi said the patient's pants were removed, and she checked the pants for identification. Ramodi said she located a wallet and identification in the patients rear pants pocket. Ramodi then stated she could not be one hundred percent sure where the wallet was located, but said she did not observe any other items in the pocket. Ramodi said the patient's wallet and pants were turned over to the "HCA" for property documentation purposes. Ramodi believed the HCA to be "Bill," but was not certain.

Ramodi said she also spoke with security (Melissa) because she did not know the circumstance surrounding the shooting and wanted security to be aware in case there became an issue at the hospital. Ramodi stated she was then told by an unknown Roseville Police Officer and a St. Anthony Police Officer that the patient was involved in an officer-involved shooting. Ramodi advised she turned over her charge nurse status to Heidi Carter at 2200hrs.

Ramodi told agents she also spoke to a "cousin" of the patient who had a small child. Ramodi said she did not get or have the "cousin's" information and stated the female cousin kept saying "they shot him, they shot him." Ramodi said she told the cousin that the patient died, and Ramodi described the cousin as leaving the hospital quickly.

SSA Olson asked Ramodi if she cut off the patient's pants and Ramodi stated she could not recall. Ramodi advised she "vaguely" remembered picking the pants off the floor in an attempt to retrieve identification.

This interview was audio recorded, transcribed and later attached to this file. As a result of this activity exhibit 2016-433/86.1 was obtained.

INTERVIEW DATE:	8-26-2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Tuladi Ramadit 1-25-1976	INTERVIEWED BY:	SA Michelle Frascone (MF) SSA Chris Olson (CO)
REVIEWED BY:			

MF Alright we're on the record. Today is August 26th, 2016 at 11:07 hours. This interview is in regards to BCA Case number 2016-433. Ah, with me today is my partner ah, Senior Special Agent Chris Olson, as well as myself ah, Special Agent Michelle Frascone and we're conducting an interview with Tuladi T-U-L-A-D-I, last name spelled R-A-M-O-D-I-T, no middle name with a date of birth of 1-25 or 76. Is that correct?

TR Um-hm.

MF For the purposes of this report your address is 701 Park Avenue South?

TR Um-hm.

MF In Minneapolis, Minnesota, 55415, with a phone number of 612-873-3000. Is that correct?

TR Yes.

MF Tuladi we're currently at Hennepin County Medical Center and what, you're currently employed with them?

TR Yes.

MF And what is your um, role at HCMC?

TR Registered nurse.

MF And how long have you worked for them?

TR Fifteen years.

MF Okay. And do you have additional responsibilities um, at HCMC?

TR Um, just intermittently charge nurse.

MF Okay. Were you working on the evening of July 6th, 2016?

TR I was.

MF Do you recall a, um patient being transported here with gunshot wounds?

TR Yes.

MF Can you tell me about that?

TR Um, it, call came through our iPhones that there was a 20-something male with multiple gunshot wounds to the left chest. So as of that point, the stab room team gathers in the stab room and they called additional nurses to help because of these cases (inaudible) from the gunshots wounds. Um, that was, do you want everything?

MF Yes.

TR Um, patient comes in and they start working on him immediately. Pants were removed. I um, one of the things as charge nurse, we try to identify the patient so we can look at the chart to see if ah, any identification so we can pull up their demographics, look into family members, people we can contact. Um, so I did that. Got his wallet out, got this I.D. Tried to find him in the system. I don't think he'd been in our system, I can't remember but there was no phone number to call so I didn't call anybody. Um, I also talked to our security because of the shooting and not knowing what, how or why the shooting occurred. It was um, for safety and possible lock-down precautions. I spoke to our security to try and establish what we were gonna do as far as keeping staff, patients, safe, and visitors safe out in the emergency department. Um, when St. Paul, (inaudible) okay when St. Paul Police arrived I asked what kind of, what had happened or do we know anything, and, a St. Paul Fire um, told me it, that it was two cars, one, there were shots fired into the other vehicle and that was the victim that they had brought in.

Um, and later it was Roseville Police officer that showed up and said you know he was here for support. Um, and (inaudible) had no idea that it was actually a police-involved shooting until I got a call maybe ten minutes later from St. Anthony and I can't remember his name or his title. Um, he said he was sending down his own officer from St. Anthony, um because it was a officer-involved shooting and that was when I knew that um, so then I spoke to our security again. Um just because now if it was gonna turn into a officer-involved shooting I was expecting you know lots more people and maybe possible issues out in the waiting area. So um, talked to them. At some point, I mean I was only charge from 3 PM to 10 PM. So I was gonna give up the charge (inaudible) I wanna say it was 10 PM. I was gonna give us charge role to Heidi Carter at that point. So and this I think he came in around 9:20 PM. So at that point I was giving up responsibilities um, and right before that occurred security called and said there was a cousin out front. Um, and so I had security with me and we took her into Urgent Care 'cuz that, they were closed at the mo-, at the time so we used their waiting room to speak to the cousin and she was with a small child and she said that she, you know, all she kept on saying was they shot him, they shot him, you know (inaudible) and I was telling her that you know he didn't make it and, and she said she's leaving. She had to leave, she couldn't stay I mean it was kinda frantic and I was like, I don't know what's going on. But that was the only thing I remember I encountered...

MF Okay.

TR ...that night. And it was kind of handed over charge nurse responsibilities to Heidi at that...

CO (inaudible)

TR ...after so I didn't encounter any other family members.

MF Okay.

CO Do you remember the name of that person that you were talking...

TR I don't. I'm guess-, um, maybe um, Melissa? She's security supervisor. She may.

CO Okay.

TR Have written down the name but I...

CO Melissa's security supervisor.

TR She, I think she's I, I wanna say she's like a security...

CO Okay.

TR But I'm not positive.

CO Alright. You didn't have occasion to write that person's name down for anything as part of...

TR No, no.

CO (inaudible) responsibilities, okay.

TR Sometimes it is um, like if it's an immediate family member I'll write that so we can put that in the chart but I did not get her name and write that on the chart.

CO (inaudible)

MF Okay. Just going back, um, do you know about what time the patient arrived?

TR (sigh) gosh um, I can't even remember what ti-, ah I wanna say that he came in around 9:15, 9:20 the page that we were getting (inaudible) I'm guessing 9:30? But...

MF Okay.

TR Honestly I would have to look back at the times but (inaudible).

MF Approximately 9:30?

TR Yeah.

MF You received the call that he was coming? And then um, you talked about the pants removal to look for a wallet I.D. ...

TR Um-hm.

MF ...for notification and...

TR Right.

MF ...identification of the patient. Do you recall which pants pocket or where the wallet was in the pants?

TR I think it was back pocket.

MF Okay.

TR But that's, I don't, I can't say a hundred percent positive on that.

MF Did you observe or notice anything else in the pocket?

TR No I was just looking for I.D. so I opened the wallet. I ca-, I think it was the first card in that and I, the rest of the wallet I gave to our HCA that deals with property.

MF And who was that?

TR I believe it was Bill, that was the HC. Sorry. (inaudible). I can't remember (inaudible).

MF Okay.

TR Sorry.

MF No, that's okay. But that would their typical role then...

TR Yes.

MF ...is logging property when someone...

TR Yes.

MF ...who's come in.

TR Yes.

MF Do you know approximately what time you um, transferred your responsibilities over to Heidi?

TR Probably about 10:15.

MF Okay. And what was the status of the patient at 10:15?

TR He was deceased.

MF Okay. Did you assist with um, any of his care after that time?

TR No.

MF No.

CO Did, what you physically the pants that were off him?

TR Um-hm.

CO You reached into what you recall is that back pocket, you retrieved the wallet. Did you have occasion to go into any, any other pockets for anything? Did you, could you note if anything was in the other pockets that you ignored?

TR No.

CO Okay.

TR I, like that's all was my focus (inaudible) I mean not knowing assuming this was just like a drive-by shootin. It was tryin' to I.D. knowing the severity of the case, um, tried to I.D. 'em and get family, and, was my...

CO So then these uh, pants, this garment gets handed over to who we think is Bill, uh, and then Bill's responsibility would be then to go through the pockets and do the inventory.

TR Absolutely.

CO Okay. Alright. Uh, you were handed uh, this garment by somebody or did you cut 'em off?

TR I did cut 'em off, if, if I recall correctly, either I helped take them off, um, 'cuz ever (inaudible) coming into trauma you take everything off so you can...

CO Yup.

TR ... or I don't remember if it was, I'm guessing it was cut off, um, but there were so many like hands and in (inaudible) and everybody was in there so I was just trying to expedite and get him you know undressed so we could...

CO Okay.

TR ...do our cares um. All I, I vaguely remember it being on the floor picking it up so I don't know if I actually pulled it off but I don't think I did (inaudible) too many hands...

CO Okay.

TR ...in there already so.

CO Alright.

MF Anything else?

CO Is there anything else uh, that's important um, that that we haven't asked you that might be relevant to this investigation?

TR I don't think so. I think my time with that case was very short. I mean it was so brief. It was at the end of my shift and it was, I can't remember (inaudible) sorry it feels like it was so long ago. Um,.

CO Have you been provided any information about the case uh, either that evening by police officers or I mean I know the firefighters briefed you...

TR Yeah.

CO ...to some extent.

TR Yeah. Um no, I was not aware that it was an officer-involved shooting until I got that call from St. Anthony and this was after they had um, already called the case.

CO Okay.

TR That's kinda when I knew and then, then next day on the news. But other than that I just (inaudible) what I knew from being in the stab room.

CO Okay. Well Tuladi I thank you, I know it's been hard ta, uh ta phone tag and everything about...

TR Yeah.

CO ...catch up to you but I appreciate your patience and we both left you our business card so if there's something else that's relevant don't hesitate to call.

TR Okay.

CO Okay.

MF I'm gonna end our interview at 11:17.

End of recording

Narrative begins on the following page.

On 08/31/2016 SA Murphy and Henning met with Eric David Winter at his residence in Falcon Heights, MN and conducted an interview. Winter lives at 1683 Larpenteur Ave West. Winter's home is almost directly in front of where the officer involved shooting of Philando Castile occurred on 07/06/2016.

Agents advised Winter that they had received his information from the Roseville Police, which he had given them the night of this incident. Winter told agents that he was inside the front of his house watching television with his wife Randi. Winter told agents that he and his wife heard a noise from outside their home but initially didn't pay much attention to it. Winter said a short time later they noticed squads outside. Winter said that he and his wife went outside their home and saw several police cars and two officers doing chest compressions (CPR) on an individual in the street.

Winter said that he heard someone yelling expletives. Winter was asked specifically what he heard and said he heard a male yelling "shit/oh shit." Winter told agents that he and his wife watched a video of the shooting that was posted on the internet later that night. Winter said it was then that he figured out that the male he heard yelling was one of the officers on the scene.

SA Henning asked Winter if there was anything else that he hadn't told agents that he felt they should know. Winter said that he is a hunter and didn't recognize the sound outside his house a gunshot. Winter described the noise as a hammer hitting plywood. Winter told agents that he felt there was no urgency in the EMS personnel, he thought they were moving slowly. Winter also said that several of the officers had met on the state fair side of Larpenteur. The interview was recorded and the recording will be transcribed and attached to this report.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	August 31, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Eric David Winter (EW)	INTERVIEWED BY:	SA Doug Henning (DH) SA Joseph Murphy (JM)
REVIEWED BY:			

DH Recorder is going. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. The date today is uh August 31st, 2016. The time right now is 6:39 P.M. Uh this will be reference case number 2016-433. And it'll be an interview with Eric, E-R-I-C middle name David, D-A-V-I-D last name Winter, W-I-N-T-E-R. Date of birth is 3-16 of 1985. Is that correct?

EW Yes it is.

DH And your address is 1683 Larpenteur Avenue West, Falcon Heights, Minnesota 55113. Is that correct?

EW Yes.

DH And a good contact number for uh telephone number for you is 612-810-1185?

EW Yes.

DH Okay. Also with me is Special Agent Joe Murphy. Mr. Winter the reason that uh we're here tonight is that uh, on July 6th there was an incident in front of your house and you approached the Roseville, police or somehow made contact with them.

EW Yeah.

DH And said that you had made some observations of this incident.

EW Correct. Yeah.

DH Okay can you, can you tell me what you saw?

EW Yeah so uh my wife and I were at the, in the front of our house watching a TV show on a laptop. Uh...

DH So you're in the house?

EW We were inside the house.

DH Okay.

EW Um we heard a noise and we didn't think anything of it. We didn't realize at the time that it was uh a gunshot. Um and then a couple minutes later we looked out the window and saw a bunch of uh cars outside, police cars, sirens going. And we stepped out the front door. Um we saw someone on the ground outside of a car with chest compressions being done on them by a police officer. Um, and you know from there we just kinda watched things unfold. Um we also heard um yelling. Um we saw a group of officers on the opposite side of the street.

DH Who was yelling?

EW Uh, it was a, man who was yelling. Like, expletives um we figured out later it was the officer who was involved in the shooting.

DH Okay.

EW Um, but we heard you know some yell...

DH What do you mean you figured out later?

EW Well we just assumed, you know when we first went out there we were thinking like, this is a drug bust or something else going on. We had no idea what it was. So we just heard a male, voice and we heard yelling and we just went oh it's probably you know someone who's being apprehended by the police who's angry. Um and then later, you know we just kinda realized there was no one else who it could be. You know who was yelling besides that officer. Um, plus we also saw the, oh sorry go ahead.

DH No-no-no go ahead.

EW Well we also saw the video, that was put online.

DH Okay.

EW We saw it that evening just maybe a couple hours after the, actual shooting took place. Um, and you know on the video the officer was yelling and we could tell it was the same person, who was yelling.

DH (inaudible) could tell it was the same voice?

EW Yeah the same voice and just the same types of things. (laugh) being yelled ya know.

DH And what was, do you recall what it was? That you heard?

EW You know I don't, remember exact words but I think...

DH That's alright.

EW ... (inaudible) yelled ya know it was like (laugh) yelling things like shit and ya know just like oh shit and there wasn't much I think that like the most part you know it seemed like, when we walked out that was sort of ending but we just heard the tail end of that so.

DH Okay.

EW Yeah.

DH Um, so at the time she you hear this, swearing the only people that were out were, were officers that you could see?

EW Yes. So we saw, there were you know a couple officers who was attending to the man who was on the ground.

DH Okay.

EW By the car. Um, I saw at some point I can't remember how shortly thereafter there was like another officer who was kinda, jogging to back to another car to like go get something or I don't know what but they were kinda going back to the car. And there were maybe, like five or six officers. We couldn't even really see who they were. Um but then after a few minutes they walked back. But they were on the far side of Larpenteur on the State Fair side.

DH Okay.

EW Kinda, over the you know there's a bit of a knoll or something but they were just kind of far enough outta sight we couldn't, see who they were other than we just kinda saw that there were people back there.

DH Okay.

EW Um and then you know after a few minutes they kinda walked up towards the police cars that were parked on the street.

DH Okay. So let me take you back to uh where you heard this noise when you were watching, could you tell how many, shots that you heard or if it was, one or more than one or you can't?

EW Um ya know I, it was funny cuz that was the thing uh ya know that my wife and I heard differently. Cuz she like specifically remembered hearing like a few uh noises. And you know I had thought it was just one. You know in my recollection. It sounded to me like a hammer hitting a piece of plywood or...

DH Okay.

EW ...something like that ya know.

DH Okay.

EW But um like I said I wasn't paying attention...

DH (inaudible)

EW ...cuz it didn't seem...

DH Like a sharp noise you're trying to say?

EW Yeah. Yeah.

DH Okay.

EW Um it's ya know, I'm a hunter and I (laugh) I never put together that it was a gunshot.

DH Okay.

EW It didn't sound like that to me. Probably just cuz its, not what...

DH (inaudible)

EW ...you're expecting to hear when you're...

DH And you were inside the house?

EW Yeah and I was inside the house so.

DH Okay.

EW Yeah.

JM Sorry, were the windows open? Closed? Do you remember?

EW Windows were closed.

JM Okay.

EW Yeah.

DH Okay. Um, anything I haven't asked you that you think is important I should know about?

EW Um, not really. Um, you know we were just kinda, surprised as we were watching and then finding out later what happened just like how, sort of slowly (laugh) everything unraveled and it was like it's clear by the time the paramedics got there. They were moving very slowly. There was certainly no, didn't seem to be any hurry there. Ya know so it just ya know we got the impression after we knew what happened just from the pace the officers and the ambulance crew were moving at that there was no hurry and that, you know I can only assume that they didn't think there was much chance of actually, uh saving you know, his life...

DH Okay.

EW ...at that point.

DH Okay but when you went outside there was, a couple a officers that were doing (inaudible)

EW Yeah so they were doing chest...

DH (inaudible) or giving him medical aid?

EW Right, there were. Yeah and then...

DH Okay.

EW ...there was someone else who was hurrying like I said to do something but for the most part it was just kind of like, ya know (laugh) a lot of people just kinda milling around. And then at some point after, maybe fifteen, after the ambulance left I don't know how long that was after the fact but then they just kinda cordoned off the area and everyone stayed away. I mean no one went close to that spot.

DH Okay.

EW You know until we saw you know someone who was clearly an investigator later show up and start, ya know looking around but that's kinda all we saw.

DH Okay. Um, if you don't have anything else I'm gonna end the interview then.

EW Sure.

DH The time right now...

EW Yeah.

DH ...is 6:47.

END OF RECORDING.

Narrative begins on the following page.

On 08/31/2016 SA Henning and Murphy interviewed Randi Joy Winter, DOB: 08/22/1985 at her home located at 1683 Larpenteur Ave W. in Falcon Heights, MN. Winter told agents that she was inside her home at about 9:00 PM on 07/06/2016 she heard loud noises outside her home. Winter described the noise as someone knocking on the storm windows of her house. Winter said that she and her husband had been watching a show on their laptop computer in the front of the house. Winter said that they looked outside after hearing the noise but didn't see anyone so they went back to watching their show.

Winter said that a short time later she heard multiple squad cars in front of her home. Winter said that she and her husband watched from inside the house. Winter said they couldn't hear anything from inside because all of their windows had been closed. Winter said that she observed a white car that police appeared to have stopped on Larpenteur Ave in front of their home. Winter said that she saw about five squad cars on the street after looking back outside. Winter told agents that she and her husband Eric Winter watched from inside the house for a short time. Winter said they then went outside and watched what was going on. Winter told agents that she took two short videos with her telephone, one from inside and one from outside their home. Winter provided copies of both videos to SA Henning via e-mail, acquisition of exhibit 2016-433/89.2.

Winter continued the interview by telling the agents she saw a couple officers attempting to handcuff someone outside the car. Winter said that after watching for a short time she found that the officers were doing chest compressions (CPR). Winter said that after she was outside she heard someone yelling expletives, specifically saying the word Fuck, which she indicated she heard once or twice.

Winter told agents that as she watched the officers doing CPR they didn't appear to have any urgency. Winter went on to say that after the ambulance arrived they also didn't display any rush in their treatment and transport of the patient.

Winter said that she observed a group of officers walk away from the scene towards the state fair ground and stand around for a short time. The group returned to the street and two of the officers got into a squad car and drove away. The interview was completed a short time later at 7:04 PM, the audio recording will be transcribed and attached to this report. The audio recording was placed on a DVD and will be held as evidence, acquisition of exhibit 2016-433/89.1

TRANSCRIPT

INTERVIEW DATE:	8-31-2016	BCA CASE	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Randi Joy Winter (RW) 8-22-85	INTERVIEWED BY:	SA Doug Henning (DH) SA Joe Murphy (JM)
REVIEWED BY:			

DH Okay the recorder's going. My name is Doug Henning. I'm a special agent with the uh Minnesota Bureau of Criminal Apprehension. Uh, the date today is August 31st, 2016, the time right now is 6:54 PM. This will be reference case number 2016-433. Uh with me is Special Agent Joe Murphy. Uh, this will be an interview with Randi, spelled R-A-N-D-I, middle name Joy, J-O-Y, last name is Winter, W-I-N-T-E-R. Your date of birth is 8-22 of 1985 is that correct?

RW That's correct.

DH Uh, your home address is 1683 Larpenteur Avenue West, Falcon Heights, Minnesota, 55113?

RW Correct.

DH And a good contact telephone number for you is 612-859-8085?

RW Correct.

DH Okay. Um, we talked briefly before I, I started the recorder um, you had um, talked to a Roseville officer or or one had approached you um, on July 6th. There was an incident in front of your house. Um, and I just would like to hear about what you saw and heard so if you could just just tell me where you were, if you were inside, outside.

RW Sure. Um, I was inside with my husband. It was about 9 o'clock. We had um, we were, had been in the kitchen area and we decided to watch some television on a laptop in our sun room which is on the front side of the house. That would be the south side of the house.

DH Okay.

RW Um, shortly after about 9 o'clock we heard some loud noises outside. I now know in hindsight it was gun shots but at the time it didn't sound like that to me.

DH Okay.

RW Um, I processed it as it sounded like rapping on a storm window and I actually because it was so loud and close turned and looked at the window that we were sitting next to because I thought maybe someone was at our front door. Because the window's right at the front door. Um, no one was there and then we just turned back to watching TV, uh, and within a few minutes realized there were loud sirens and a lotta police cars in front of the house. Um, again didn't really put the two together uh because there are frequently um, people pulled over and police activity on this road.

DH Okay.

RW Um, lotsa speeding stops I think and so didn't really pay much attention until I realized how many cars there were.

DH Okay.

RW When I realized there were four, five, or six cop cars out there I thought maybe this is something a little bit more serious. Um, and so we of course out of curiosity started watching out the front window.

DH Okay.

RW Uh and within a few minutes then, um went out the front door and started watching from the front steps.

DH Okay so when you started looking out the front window lemme start with this, were all your windows and doors closed?

RW Yes.

DH Okay so, up til the point that you went outside you couldn't I mean really hear anything, I mean any talking or anything like that?

RW Not from inside.

DH Just this loud rapping.

RW Just the loud rapping.

DH That you figured out later was gun shots. Okay. So then you went out or, then you started to watching from inside the house. What did you see initially?

RW Aw well initially what I just saw was lots of squad cars, and some officers outside the squad cars as well and that there was a white car um, pulled over slightly diagonally in front of the house. Um, and that there was a person on the ground in front of the car outside the driver's side door.

DH Okay.

RW Uh, I don't think I really processed much more than that until we went outside.

DH Okay.

RW Um, and I should tell you too just be transparent, I took, I started taking a video inside that I can give you if you want.

DH Love it.

RW Um, not knowing what was happening and frankly (laughs) I thought it was um, a like just a normal probable cause search maybe that someone had been pulled out of the car.

DH Yeah.

RW Search the car. I, so I wasn't taking it very seriously. We went out to the front steps to just see what was happening from there. Um, and at that point saw, I initially saw it, there was an officer or two who were perhaps trying to handcuff a person on the ground, but after a few moments realized they were doing chest compressions on that person.

DH Okay.

RW And that's when I think I processed that there may have been gun shots and it had been a shooting. Uh meanwhile there, I did, once we were outside you could hear some conversation, not a lot, but a little bit. I heard person shouting expletives.

DH Like what?

RW The only one I specifically recall is fuck.

DH Okay.

RW Fuck, and I don't remember it more than once or twice maybe.

DH Okay.

RW Um, by the way the chest compressions were being done on the person outside of the car I could tell that they were probably already deceased in the sense that it didn't seem like things were very urgent like there a big attempt to try to save the person.

DH Okay.

RW Um and there is a bit of a delay before the ambulance arrived, and even then once that person was being loaded into the ambulance it just the sense of it was like this person is probably deceased. There's not that rush to get the ambulance off.

DH Okay.

RW Um, the only other things really that I observed during all of this was there was a group of officers that walked down from the road area to the back fence line towards the fairgrounds and were down there for awhile together as a group. Maybe 5, 10 minutes I can't tell you really total amount of time. And then sort of walked back up together and then I believe one or two of them got into one of the squad cars and left.

DH Okay.

RW Um, I don't remember timing wise how that occurred in context with when the ambulance arrived and took the victim away from the scene.

DH So when you heard, when you heard all these expletives...

RW Um-hm.

DH could you tell who was sayin' 'em?

RW No.

DH No. Okay.

RW No. I mean I know now. But I did not know...

DH Okay.

RW ...then.

DH Right. Okay.

RW Um, I ac-, I thought (inaudible) at the time what I thought happened was maybe there was a passenger or something in the car that was being processed separately and it was that person that was yelling the expletives.

DH Okay. Okay.

RW Uh, but then did see it was two, think it was two officers that go in one of the squad cars and left the scene.

DH Okay.

RW Um, from there, we started still I I still didn't realize it was an officer-involved shooting and even when the Roseville officer came over and asked if we had heard or seen anything,...

DH Um-hm.

RW ...didn't know what was happening, um, and just sort of told him I think really that we heard the gun shots not knowing they were gunshot and then we came outside. He was very uh, I have to say, I was very impressed with his uh composure and the way he sort of explained to us, that this, he didn't tell us what had happened but he said obviously this is very serious, it's (inaudible) in our neighborhood very often, can I get your name, is case somebody wants to call you later.

DH Okay.

RW And he alluded to the BCA would be the BCA.

DH Okay.

RW So in my head I'm starting to think I know what happened. Um, but from there we really started watching as (inaudible) if it was, all the remaining officers on the scene, once the ambulance left were very good about staying away from the car.

DH Okay.

RW They didn't go near that. Um every so often you could hear someone in the back of this, one of the squad cars, sort of yelling or wailing. And that's really it. I mean from there it sort of watching as people started to gather at the scene on our end, you know, people just observing and then as the police started processing the scene, and the eventually the BCA Van arriving.

DH Okay. How long did you record for?

RW Not very long at all. Maybe like 30 seconds and then one video outside (inaudible) shorter maybe 20. I'll got get 'em if you...

DH You...

RQ ...you can see 'em now if you want.

DH Be perfect. Do you have 'em on a computer or are they on your phone.

RW Yeah my phone. But I can email them or whatever.

DH Perfect.

RW One's 34 seconds and 1 is 10 seconds.

DH Okay. Why don't you just hold off and we'll take a look at those when we're done.

RW Sure.

DH Um, is there anything that I haven't asked you from, I mean, your observations of the night.

RW Yeah.

DH Is there anything that I haven't asked you that you think is important we should know about?

RW No.

DH No? Okay, um, I am gonna end the interview. Time right now is 7:04

End of recording

Narrative begins on the following page.

On 09/01/2016 SA Kaneko and Henning interviewed Sarah Marie Fagerness DOB:11/04/1996. Agents met with Fagerness at Minneapolis Technical and Community College. Fagerness was identified as part of the medical staff at Hennepin County Medical Center HCMC that provided care to Philando Castile on 07/06/2016.

Fagerness told agents that she is employed by the Hennepin County Medical Center (HCMC). Fagerness said she is a medical technician in the emergency room. Fagerness said she was working on 07/06/2016 and recalls caring for Philando Castile. Fagerness said that she remembered castile being brought in by EMS and Fire. Fagerness told agents that he had multiple gunshot wounds. When Castile was brought in EMS was performing CPR/chest compressions. Fagerness said she observed the medical team attempt to resuscitate the patient.

Fagerness said that she was in training that day in the "Stabe Room." Fagerness told agents that she was being trained that day by Nina Fateyenko. Fagerness said she picked up the property near the desk and recalled that there was a pair of dark jeans that were very bloody, a shirt, and a holster which was just sitting in a pocket. Fagerness said that she was unsure of which pocket the holster had come from. Fagerness also told agents that she was unsure of who had removed the holster, Fateyenko or herself. Fagerness said that the property was placed into paper bags and sealed in those bags for law enforcement to pick up at a later time. The interview was completed a short time later at 2:12 PM.

This report is only a synopsis of the interview, for full detail please The interview was recorded and placed on a DVD to be held as evidence, acquisition of exhibit 2016-433/90.1. The interview was transcribed and also attached to this report.

INTERVIEW DATE:	9-1-2016	BCA CASE	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Sara Marie Fagerness 11-4-96.	INTERVIEWED BY:	SA Doug Henning (DH)
REVIEWED BY:			

DH Recorder's going. My name is Doug Henning. I'm a special agent with the Minnesota Bureau of Criminal Apprehension. The date today is 9-1 of 2016. The time right now is 2:02 PM. Uh with me is my partner Mike Kaneko. He's also a special agent. Uh, the case number is 2016-433. This will be an interview with Sarah, first name spelled S-A-R-A-H, middle name Marie M-A-R-I-E, last name is Fagerness, spelled F-A-G-E-R-N-E-S-S and your date of birth is 11-4 of 96. Is that correct?

SF Correct.

DH And for the purposes of this report, your address is gonna be 701 Park Avenue, Minneapolis, Minnesota, 55404. And a good contact phone number for you is 612-873-2102. Is that correct?

SF Yes.

DH Okay. Um, can you tell me where you're employed?

SF Hennepin County Medical Center.

DH Okay. And what is your, your job title or duties at?

SF I'm a health care assistant in the ER.

DH Okay. And then what does that entail. What do your duties entail in the ER.

SF Ah, I take vital signs, I get patient's arrived, I help nurses with whatever they need. I draw blood, do some clerical work, take property, make sure the patients are comfortable. I'm basically the groundhog of the department.

DH Okay. Okay.

SF A little bit of everything.

DH So as, as part of that you said you take properties. So if somebody, like if a patient came in that was critical, um, and they remove their clothing in a rush which they do sometimes...

SF Right.

DH You catalog or or process in that property.

SF Yes.

DH Okay. Um, were you working on July 6th, of this year.

SF Yes.

DH Okay were you specifically working in the ER and recall a patient coming in with gun shot wounds?

SF Yes.

DH Do you recall the name of the patient. It as uh, Castile I can't remember if it was the first or the last name but I remember it was Castile.

DH Okay. Okay.

SF (laughs)

DH And can yo99u tell me about that what you remember from that incident.

SF Uh yeah, so he was brought in by EMS and Fire and um, basically he had gun shot wounds all over his abdomen um, and a couple in his arm. And they were already yeah they were already performing um, chest compressions when he was coming in.

DH Okay.

SF I believe. Um, and basically watched the medical team try to resuscitate him. Um the property got cut off like we talked about, ended up a in a giant heap and then I was actually training in the ro-, in ah the stab room that day so.

DH Okay so who's training you?

SF Nina.

DH Nina, do you know Nina's last name?

SF (inaudible)

DH Okay.

SF (laughs)

DH Close enough.

SF Yeah (laughs)

DH Okay so tell me about that. What, what was your involvement then?

SF Ah so...

DH Do you remember where you got the property initially? Or where it was?

SF On the ground.

DH But where on the ground?

SF It was um, so there's there's that health care assistant's little desk area.

DH Okay.

SF And then a wall right behind it.

DH Yup.

SF And it was kind of the property got thrown in between the wall and the desk.

DH Okay. Do you know who brought it there?

SF Who brought the property?

DH Yeah who put the property there?

SF Oh ah, the nurses working on the case.

DH Do you remember which nurse specifically.

SF Oh it was (inaudible) I don't remember the other nurse. I know the one as just Flo.

DH Ok. So you found the property there.

SF Um-hm.

DH And you guys found the property there and then and then tell me about what property you found. If you remember.

SF It was a pair of pants, a shirt, a um,...

DH Do you remember what kind of pants?

SF A jean, like dark jeans.

DH Okay.

SF uh and they were pretty bloody and then a school employee ID badge with his picture on it ...

DH Okay.

SF ...and his name.

DH Okay.

SF And then there was a ho-, like a holster in one of the pockets, I don't remember which pocket.

DH Okay. Was there anything else in the pants pockets?

SF Not that I recall.

DH Do you remember who took the holster out of the pocket?

SF It was either me or Nina.

DH Okay.

SF But we working as a team.

DH Okay.

SF So I can't... I don't know.

DH Okay. So it coulda been either one of you?

SF It, yeah.

DH Okay. Do you remember, if you can specifically recall when the holster came out of the pocket was there anything else in that same pocket. Or if it was just the holster.

SF I believe it was just the holster. But I can't say for certain.

DH Okay. Okay. Um, can you describe the holster for me?

SF Uh, it was black, and can I use my hands...

DH Yeah, yeah.

SF (inaudible) shaped like this.

DH I'll try to describe it for ya so.

SF Like 4 inches long.

DH Okay.

SF Maybe an inch and a half, two inches wide.

DH Okay.

SF Um, (inaudible)

DH So do you remember if it was just sitting in the pocket or if it was clipped on the pocket.? Was there a clip on it or anything?

SF It was just...I don't know if there a clip on it, but it wasn't clipped on.

DH It was just stuffed in there.

SF It was just in there, yeah.

DH Okay. Um, I've had the opportunity to go through the pants...

SF Uh-huh.

DH ...and there's front pocket and back pockets.

SF Um-hm.

DH The, the front pockets are fairly deep. Do you recall if that holster came out of a deeper pocket or a shallower pocket.

SF Umm, I don't, (laughs).

DH You don't remember.

SF I don't know.

DH Okay. That's all right. If you don't remember uh...

SF Yeah I don't wanna say anything that...(inaudible).

DH So what other (inaudible) right, and, and, and I understand that. I'm only asking you what you recall specifically.

SF Um-hm.

DH And if you don't remember that's okay. Um, so the pants, the shirt, the holster, and ID badge for the s-, like an employment or school you said.

SF Yeah.

DH Um, and then do you remember anything else like a wallet or anything.

SF I don't. So.

DH Was there a gun at all with the holster or was it just the holster.

SF There was no gun.

DH Okay. Um, so then, so and once you process, processed this property what did you do with it?

SF Oh we uh, put it in paper bags and then we label um, the things that were inside each bag and then we put red tape over them, the evidence tape.

DH Okay did you if you recall uh when you label stuff do you saw where it came from? So like does the pants and the holster everything go in one bag?

SF Um, it should. Uh, I know that now but like I said I was training and so I don't uh we would've written on the bag...

DH Okay.

SF ...everything that was in each bag but I don't remember if it got separated or not.

DH Okay. Um, so then you put it in the bag...

SF Um-hm.

DH Then you sealed it?

SF Um-hm.

DH Sealed the bag? And then what happened to it do you know?

SF Um, we record it on the computer what he had and then we uh I think we just, I think we left it in the room because police were supposed to come and pick it up.

DH Okay.

SF After we bag it, the police is responsible (inaudible) come and...

DH Okay.

SF (inaudible)

DH Okay. Is there anything else that I haven't asked you that you think is important I should know about what happened with that patient or the property or anything?

SF Mm, no.

DH Okay. Um, time right now is 2:12 PM and I'm going to end the interview.

Narrative begins on the following page.

On 08/31/2016 SA Frascone and Henning met with Nina Fateyenko at the Hennepin County Medical Center in Minneapolis. Agents met with Fateyenko and conducted a second interview. The interview was recorded and SA Henning produced a DVD containing the recording, acquisition of exhibit 2016-433/91.1.

The interview was started at about 2:35 PM. SA Henning started the interview by reviewing the details of Fateyenko's previous interview on 07/09/2016. Fateyenko told SA Henning that she recalled advising SA Henning she had located a holster and wallet in Castile's front left pant pocket. Fateyenko also recalled calling SA Henning after the interview and telling SA Henning that she wasn't sure which pocket the holster and wallet had come out of and that it may have been the right front pocket. SA Henning asked if Fateyenko if she recalled directing SA Henning to obtain the video from the "stabe" room where Castile was treated, Fateyenko said she did. SA Henning advised Fateyenko that he had reviewed the video and was unable to determine which pocket the gun came out of.

Fateyenko told agents what she knew for sure was that the holster and the wallet were in the same pocket when she was cataloging castile's property. Fateyenko said that she was unable to determine which pocket the holster and wallet had come out of because the pants had been cut off the patient. When Fateyenko received the pants they are basically a sheet. Fateyenko said she did recall that the holster and wallet came out of one of the front pockets because the front pockets were deeper than the back pockets of the pants. Fateyenko told agents that she was unable to identify if the holster and wallet was in the left or right front pocket. Fateyenko said that it would only be speculation if she said left or right.

The interview was completed a short time later at 2:36 PM. The interview was transcribed and attached to this report. It should be noted that this report is a synopsis of this interview, for full detail please see the transcript.

TRANSCRIPT

INTERVIEW DATE:	August 31, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
2 nd INTERVIEW OF:	Nina Fateyenko (NF)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:			

DH Okay the recorder is going. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. With me is my partner Michelle Frascone she's also an agent. Um the date today is August 31st, 2016. The time right now is 2:35 P.M. Uh case number is 2016-433. Uh this'll be an, an interview with Nina spelled N-I-N-A middle name is O, Olegovna?

NF Yes.

DH Oh, I'm sorry I butchered it.

NF (laughs)

DH It's, it's O-L-E-G-O-V-N-A last name is Fateyenko, F-A-T-E-Y-E-N-K-O. Date of birth 11-9 of 86. Is that correct?

NF Yes.

DH Address for the purposes of this report are 701 Park Avenue South, Minneapolis, Minnesota 55415. Phone number is 612-873-2102. Um, prior to today we had, I conducted one interview with you. And uh that was in relationship to um your involvement in the treatment of a patient on uh July 6th of Philando Castile do you recall that?

NF Yes.

DH Do you recall talking to me before?

NF Yes.

DH Um during that interview I asked you about the location of certain items, being a wallet, a holster and other things. Is that correct?

NF Yes.

DH Um part of your duties um you work in the emergency room at, at HCMC. So Hennepin County Medical Center is that correct?

NF Yes.

DH And your duties involved uh cataloging property and so forth after a patient has been treated?

NF Correct.

DH Um relative to Mr. Castile, do you recall cataloging his property?

NF Yes.

DH Um, the last time we talked um I asked you if you recalled, if you knew where his wallet and um a holster had come out of, what, which pockets.

NF Um-hm.

DH And, the last time we talked you said that it had come out of his front left pocket. Is that correct?

NF Correct.

DH And then after we completed that interview you called me back a short time later but the same day.

NF Um-hm.

DH Saying that after you thought about it, you weren't exactly sure which, which pocket but they had both been in the same pocket. Is that correct?

NF Correct.

DH Um, you also directed me to retrieve some video.

NF Um-hm.

DH Um which I did. Um (clears throat) and I was able to look at that video. Um, that video does not show you going through, basically you're out of camera.

NF Okay.

DH As, as you're doing your job.

NF Um-hm.

DH Um as we sit here today do you recall, when you called me back you said you're not sure. And we, I tried to ascertain which one it was so we could sit here and look at it but you're off, video as you do your job.

NF Um-hm.

DH Um, do you recall, which or where they, the wallet and the holster had come from?

NF Came out of the long pocket but I'm not sure which one it is.

DH Okay. Is there a reason that you might not know which, which one it was?

NF Well the pants were cut up so it's hard to figure out which pocket it came from. Cuz they're all the same.

DH Ssss-so when you say cut up when those pants are taken off a patient.

NF Correct they cut 'em with shears alongside the pant line so or the front, side of the pant leg so when you take them off it's just one big sheet with pockets everywhere.

DH Okay. Um so your recollection is, is that the holster and the wallet came from the same pocket?

NF Correct.

DH Which would be a long pocket?

NF Correct.

DH But you're not sure left or right?

NF Right.

DH Okay. Were there other pockets in these, in his, the pants he was wearing like...

NF Eh, there, I believe there were two back pockets and two front pockets.

DH (inaudible)
NF They were like cargo, shorts I believe.
DH Okay. And then your recollection is, is the front pockets were longer and the back pockets were shorter?
NF Right. Um-hm.
DH Okay. Um, anything else?
NF I don't think so.
DH Thinking here now is, is there anything else that could help you determine which, which pocket those would have come out of? I mean short of us having you on camera which unfortunately we do not have cuz it's...
NF Right.
DH ...it's just out of...
NF I mean anything that I would say would be speculation.
DH Okay. So it would be you guessing?
NF Right.
DH Um, okay. Do you have anything else?
MF Um-um.
DH Okay. I am going to uh well let me say this. Is there anything that I haven't asked you that you think would help me or is, important me, important to me to help me to determine where these, which, which pocket these uh items came out of? I mean other than what we've discussed.
NF I, yeah I don't think so.
DH Okay. I'm gonna end the interview then. The time right now is 2:41 P.M.

END OF RECORDING.

Narrative begins on the following page.

On 09/06/2016 at 2:11 PM SA Frascone and SA Henning interviewed James Paul Diehl, DOB: 11/25/1976. The interview was conducted at the Capitol One building in St. Cloud, located at 30 7th Ave South. Diehl was interviewed because he instructed the permit to carry a concealed firearm class which Philando Castile attended 2015.

Diehl told agents that he has been instructing permit to carry classes since 2000/2001. Diehl said he was trained by Christine Blount. Diehl also said he has received an NRA pistol certification, both of which are his foundation to instruct these classes. Diehl said that he currently teaches these classes for Total Defense. Total Defense is owned and operated by Dan Wellman and operated out of Ramsey, MN. Diehl told agents that he has taught classes for Wellman and Total Defense since 1/2015. Agents asked Diehl if he recalled Castile in one of his classes. Diehl said that the classes are normally quite large and an individual student don't stick out.

SA Henning asked if all instructors with Total Defense teach the same material. Diehl told agents that they do teach from the same Power Point presentation. Diehl told agents that when he started with Total Defense all of the instructor taught from their own materials. Diehl said that he produced the Power Point which is currently in use. Diehl said he produced the Power Point shortly after starting with Total Defense in 2015.

Agents asked Diehl to give them an overview of what students are taught when they attend his class. Diehl said that the class is starts with instruction on basic safety instruction. Diehl said that he moves into legal aspects. Diehl said he next takes students through shoot and don't shoot exercises. Diehl next told agents that instructs the students about where they may and may not carry their concealed firearm. The last portion taught by Diehl is how to interact with law enforcement.

Diehl advised agents that students are taken through three separate real life interactions with law enforcement. Diehl said each of the situations involved one of the instructors. Diehl told agents that he tells students that they should do three things when interacting with law enforcement, be up front about concealed firearm, be courteous and honest. Diehl stated that he stresses during his classes that the timing of when you inform an officer that you have a permit to carry a concealed firearm and are carrying that firearm is very important. Diehl said he tells students that when and how they inform officers dictates whether you have a good interaction or the officer's gun pointed at you. Diehl said he tells students that they need to attempt to make their interaction with law enforcement the best possible. Diehl tells students that they don't know what that officer has been involved with prior to the student's interaction, so make it the best that they can.

Diehl was asked if students have shared any negative encounters with the police. Diehl said that he has, he said the students typically share these stories after class. Diehl said that he has listened to stories from students where officers have taken purses away from woman that contain the firearm, an instance where an officer takes people out of their car and removed the firearm. Diehl told agents that he didn't view this as negative. Diehl said that in his opinion the officers have done these things for officer safety.

The interview was completed at 2:25 PM. SA Henning produced a DVD containing the audio recording of this interview, acquisition of exhibit 2016-433/92.1. The audio recording of this interview was transcribed and is attached to this report.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	September 6, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	James Paul Diehl (JD)	INTERVIEWED BY:	SA Doug Henning (DH) SA Michelle Frascone (MF)
REVIEWED BY:			

DH The recorder is going. This is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. With me is my partner Michelle Frascone. She's also an agent. Uh the case number is 2016-433. The date today is September 6th. Uh year is 2016. The time right now is 2:11 P.M. We are actually um up in St. Cloud at the Capital One building. This'll be an interview with James, J-A-M-E-S, middle Paul, P-A-U-L, last name Diehl, spelled D-I-E-H-L. Is that correct?

JD That's correct.

DH Your date of birth is 11-25 of 1976?

JD Correct.

DH And your address is 1409 Roosevelt Road, St. Cloud, Minnesota 56301?

JD Correct.

DH Uh and, and telephone numbers for you are 763-432-6134 and an alternate contact number for you is 320-493-2365?

JD Correct.

DH Um and you are currently a, a permit to carry instructor for Total Defense in Ramsey, Minnesota?

JD Correct.

DH Okay. Um, and you taught a class a while back with an individual by the name of Philando Castille?

JD Yes.

DH Do you recall that class?

JD No I don't. Uh the classes are fairly large and I would not recall an individual in that class.

DH Okay. Um, how long have you been teaching the permit to carry courses?

JD Uh since at least 2001 if not 2000.

DH So 2000, 2001 you started teaching?

JD Correct.

DH Where did you get your training to be able to teach?

JD Uh I was trained in by uh Christine Blount, another instructor here in St. Cloud.

DH Okay and what, what kind of formal uh training did you get? Um who is, what kinda sss-sponsorship or certificate did you get?

JD Uh I do have an NRA's uh pistol certification.

DH Okay.

JD Uh which was the basis of the training. And then uh beyond that uh Christine and I did uh numerous classes I was basically apprenticing for the first few classes and then after that I was assisting with the teaching.

DH And, her last name is that spelled B-L-O-U-T?

JD B-L-O-U-N-T.

DH Okay. But you, prior to starting the recorder you had, you had indicated to me that she had passed away?

JD She is deceased, correct.

DH Okay. How long ago did you start working for Total De, Total Defense?

JD Uh I started working for them um in an official capacity uh January of 2015.

DH How many classes do you think you've taught for, Total Defense?

JD Um, probably 70, 75.

DH Okay. And, who is your boss?

JD Dan Wellman.

DH Okay. And have you discussed this class with Dan?

JD Yes.

DH Specific class? And, do you remember exactly when it was?

JD When the class was?

DH Yeah.

JD No I don't.

DH Okay.

JD I have not seen a class roster or anything like that.

DH Okay.

JD So I don't, I don't know the exact date.

DH Okay. When you teach this class what materials do you use to uh teach off of?

JD We follow a power point that's a standard pow, power point that all of the instructors use.

DH Okay. And how many different instructors is there?

JD There's three.

DH Okay. Who are they?

JD Uh Dan Wellman, myself and Curt Oaks.

DH And you all teach off the same power point. Is that correct?

JD Correct.

DH Okay. Who built the power point?

JD I did.

DH Okay. And how long ago did you do that?

JD Uh when I started in 2015.

DH Okay.

JD And it was an effort to standardize the class.

DH Okay.

JD So that we were all teaching the exact same thing.

DH And, and that's been, to your knowledge that's been going on ever since?

JD Yes.

DH How many instructors are in each class?

JD There's one instructor per class.

DH Okay so you taught this specific class?

JD Yes.

DH By yourself?

JD Yes.

DH Okay. Can you tell me in the class, just kinda generally kinda go over with me, what is taught in the class?

JD Uh, we teach uh we, we start the class with basic uh safety firearms handling. Then we start discussing uh legal aspects of conceal/carry. Um we spend a fair amount of time discussing um kind of a shoot don't shoot scenario. We, we use the scenarios to back up the actual instruction. Get practical application. Uh then we cover uh where you can and cannot carry a firearm. We talk about interacting with law enforcement. Um, and we, we do a final scenario where we, we actually get the students into a scenario where they should not shoot but we, we do get them to the point where they are willing to shoot and then instruct them why that was not correct.

DH Okay. Um, can we go back to specifically how, how the students are taught by your comp, you and your company, the company you work for on how to interact with law enforcement? And can you tell me about that?

JD Okay. We go through three scenarios where uh two of the instructors, myself and Curt Oaks have been uh stopped by the police while carrying firearms.

DH Okay.

JD Uh we go through those scenarios and once we go through the scenarios uh we elicit feedback from the students on what, what all three scenarios have in common.

DH Okay.

JD And then once you do that you go down the power point of what the, the scenarios all have in common. Scenarios have in common um courtesy, honesty uh being upfront with all information and um we discuss how to uh inform law enforcement that you are carrying a firearm. Uh and you actually we, we do make kind of a joke about it that it is, it's important that you let the officer know that you have a conceal/carry permit and you have a loaded firearm and where it is located. And the timing of that notification is very important because if you, if you start with I have a gun the situation turns, very different than if you start with I have a carry permit. And then, let them know where you have the firearm.

DH Can you tell me about the three scenarios that you, you teach the students with?

JD Uh yeah it's three traffic stops. The first one is uh Curt was stopped on his way home with a burnt out headlight. And how that interaction went and basically he pulled over. Turned the vehicle off. Rolled the windows down and interacted with the officer. Uh as soon as the officer came up asked the question do you know why I pulled you over. Yes sir, I think I do. I've got a headlight out. Uh officer asks for his information. Curt hands over the three pieces of information. Driver's license, carry permit and uh insurance card.

DH Um-hm.

JD Uh and then the officer inquires about where his firearm is located. Curt lets him know. Okay thank you. Not an issue. And then goes back and um, checks his uh does whatever they do in the car. Comes back up, hands Curt his information, tell him have a nice night.

DH Okay.

JD Drive safe. Second interaction very similar. Curt's pulled over for speeding. Same thing, hands at ten and two until the officer gets to the window. Let the officer know what's going on. Um, hands over the same three pieces of information. Uh lets the officer know what's going on. Officer goes back, comes back, another warning given. My interaction um I actually pull over, state trooper comes up to my passenger window. Um asks why I do, do I know. Yes sir. Just want to let you know I have a conceal/carry permit. I have a loaded firearm, it's in my center console. I'll grab my driver's license and permit it's in my, wallet on my left hip if it's all right with you I'll grab that now. Reach back, grab it, pull it out, hand it to him and he looks at it. Does notice that my uh insurance card is expired. And um, talks about that. Uh I do have to look for my updated insurance card so I let him know I'm gonna go into the glove compartment if that's alright. Says go ahead. Look in there. I don't have it. Close it up I said I do have to go in to my center console where the firearm is located. Officer puts his hands on his gun and says, okay that's fine please move slowly and carefully. Look around in there. Don't have it. Close it back up. I don't have it. Said okay thank you. Goes back to his squad car. Comes back a short time later with a, warning citation and um lets me know that he could actually have verified my insurance but uh couldn't because his cell phone wouldn't work. Lets me go with a warning. So, we point out to the students that, that all three of those interactions have the same thing. Courtesy, up front, honesty um hands on the steering wheel, hands at ten and two. Uh keep your hands in plain sight. Move slowly. Announce all your movements. And compliance, above all else.

DH Okay and this is what you teach the students?

JD Yes.

DH So specifically you tell them keep your hands up where they can be seen?

JD Yes.

DH Uh, be informative, explain to the officers where your firearm is?

JD Um-hm.

DH Or actually first tell them that you've got a permit to carry...

JD Correct.

DH ...concealed?

JD Yes.

DH Where the firearm is?

JD Yep.

DH And then allow the officer to direct you from there?

JD Correct.

DH Is there anything else that, that you teach your students about, about interacting with law enforcement?

JD Um, we mention that even if you are pulled over for something you didn't do or you don't even know about, the side of the road is not the time to argue with the officer. You can take it to court. Compliance above all else on the side of the road because you have no idea where this officer just came from. You have no idea their state of mind. Comply with them right now. He's going to control the situation. He or she, and you need to comply with them at that time. There is a time and a place for, arguing this and that's this new place called court. Just do it there. You have no idea if that officer just came from a shooting. From a robbery. From, whatever so try to make this interaction with them the best interaction you have all, they have all day.

DH Okay. Um, have you ever, have the students ever shared any, or, or have you discussed with any former students any interactions with law enforcement that have been negative with, with a permit to carry?

JD It's very rarely brought up by students. And usually um usually it's after class so it's not even an instructional moment.

DH Okay.

JD It's just, it's just questions after the class.

DH Okay.

JD For the individual.

DH Okay. So I mean anything that comes to mind where somebody had a horrific experience?

JD I, I have heard stories of officers um taking people out of the car. Um, and putting them in the back of the squad car. Disarming them. Uh taking purses that have the firearm in it, away. Things like that. But, on the whole...

DH The officer...

JD ...as a negative it's I don't really even see it as a negative it's an officer safety thing.

DH Okay. So, moving the firearm away from the person or the person away from the firearm?

JD Correct.

DH During the course of the traffic stop?

JD Correct.

DH Okay. Um, anything else?

MF (no audible response)

DH Um and you said that the, you taught off a power point or you teach...

JD Um-hm.

DH ...off a power point.

JD Correct.

DH Uh the power point is the same that, the same one that Dan provided our partner?

JD Correct.

DH Okay. And that's still in use?

JD Correct with a minor alteration that we moved the range portion which was at the very end we moved it to the front because we're shooting first now.

DH So the slides are the same?

JD The slides are...

DH Just the...

JD ...exactly the same.

DH ...order of the slides are different?

JD Correct.

DH Perfect. I don't have anything else.

JD Okay.

DH Is there anything that I haven't asked you that you think is important I should know about?

JD No.

DH As it relates to this whole...

JD No I don't believe so.

DH Okay. I'm gonna end the interview. The time right now is 2:25 P.M.

END OF RECORDING.

Narrative begins on the following page.

On 09/01/2016 SA Kaneko and Henning met with FBI SA Kane and Kane in Minneapolis. SA Kevin Kane provided SA Henning with two CD/DVDs, (acquisition of exhibit 2016-433/93.1) that contain enhanced audio of the Castile traffic stop. The video had been previously given to the FBI for review by their Audio/Video Lab. The items will be held as evidence.

Narrative begins on the following page.

On Thursday, September 08, 2016, at about 0748 hours, SSA Olson interviewed Minnesota State Trooper Renee Adrian (SP224) at the MN State Patrol Headquarters, District 2500, located at 2005 N. Lilac Drive, Golden Valley, MN. The interview was audio recorded and concluded at about 0755 hours. SSA Olson later transferred the digital interview to CD for preservation and safekeeping, and assigned evidence item 2016-433/95.1.

Prior to the interview SSA Olson received information that Trooper Adrian initiated a traffic stop and issued a citation to Philando Castile on July 3, 2015. A copy of the citation and associated notes are attached. The squad camera video from the traffic stop has been preserved as item 2016-433/95.2. The citation listed a seat belt violation. It should be noted that Trooper Adrian did not initially have her audio microphone on until she made a second trip the vehicle while delivering the citations. She attributed that to inadvertently forgetting to attach her lapel microphone.

During the interview with SSA Olson, Trooper Adrian was not able to recall definitively whether Castile informed her he possessed a firearm, but stated that normally when she learns that type of information she would, as a matter of normal protocol, make a notation of that. There was no such notation and by virtue of that she did not believe he made any statements to her about possessing a firearm.

Trooper Adrian reported she also issued a citation to Castile's sister who was in the right front passenger seat of the vehicle.

The interview transcript has been attached.

End report.

BUREAU OF CRIMINAL APPREHENSION

TRANSCRIPT

INTERVIEW DATE:	September 8, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Trooper Renee Adrian (RA)	INTERVIEWED BY:	SA Christopher Olson (CO)
REVIEWED BY:			

CO This is a statement uh between myself, Chris Olson with the BCA and State Trooper Renee Adrian. The date is September 8, 2016. Time now is 0748 hours. This is regarding case number 2016-433. And we are currently at uh Headquarters for West Metro uh State Patrol. The address is 2005 (inaudible)

RA North Lilac Drive.

CO North Lilac Drive. And uh Trooper, Renee is uh R-E-N-E-E is that right?

RA That's correct.

CO And Adrian is A-D-R-I-A-N?

RA Yes.

CO And your uh badge number is 224?

RA Yes.

CO Okay. And you've been employed with the Minnesota State Patrol for a period of uh what time?

RA Uh just a little over ten years.

CO Okay. And earlier I spoke with you on the phone or a few days before today is that right about, specifically about a traffic stop you made of a Castile. Is that right?

RA That's correct.

CO And you don't have a lot of vivid recollection about that stop but you do vaguely or generally have a, some recollection of that stop. Is that right?

RA That's correct I don't remember specifics but um I watched the video I did make the stop.

CO Okay. When were you first aware uh of the connection between uh what happened in uh with the St. Anthony Police and your traffic stop?

RA Um it was I think a few days after. A week after one of the district investigators told me that I had stopped, Philando and that they had sent all my, my video and the um traffic stop notes over to I think the Ramsey County Attorney. And then also the news had asked for the videos.

CO Okay.

RA And all the information.

CO And I haven't seen the news but apparently your traffic stop uh at some point was a, a broadcast on a news channel is that right?

RA It was I think it was about a week after.

CO Okay.

RA On channel 4 I think. I think. Can't remember for sure but I know it was on the news. I saw it.

CO And I have in my hand here it looks like a copy of a citation uh written out to Philando Castile. Uh do you recognize, uh stand by, do you recognize that document?

RA Yes.

CO Alright and was that generated by you?

RA Yes it was.

CO And that's a citation for what?

RA Seatbelt.

CO Okay. Um, and you indicated to me on the phone that there was a passenger in, in this vehicle at that time. And that's based on what you saw in your notes. Is that right?

RA That's correct.

CO And do you remember who that passenger was? Or who they identified themselves as?

RA Uh from looking at my notes it was Alyssa Castile.

CO Okay. And your understanding from your conversation at that time and according to your notes was that was uh Philando's sister?

RA I didn't know at that time but I know now.

CO Okay.

RA Just from the news.

CO Okay so (inaudible)

RA That it was his sister. That's how I know it was his sister.

CO Did she also receive a citation?

RA She did.

CO Okay. And, specifically uh the location of the traffic stop was on Highway 100 and France is that right?

RA That's correct. Northbound 100 at France.

CO Okay. Do you uh I watched the video and you watched the video and, and I noted that there's no audio um initially on the traffic stop. Is that accurate?

RA That's correct.

CO Okay. And that's due to what?

RA I'm assuming I don't know for sure but I'm assuming that I, this is my, it was the first event of the day or I think when I looked at the stop I looked through my notes I think it was my only event of the day. And I had indicated to you before I don't know, if I was doing reports that day or what was going on that day why I didn't have a whole lot of activity but um, if it's my sometimes if it's the first one I'll forget I won't have my mic on and then when I get back to the car I'll realize oh I don't have the mic and then I'll grab it and turn it on which is what I did at this time.

CO Okay. So it was uh, in all likelihood just an oversight?

RA That's correct.

CO Okay. And, do you recall any of the dialogue that uh the exchange between you and the driver Philando Castile?

RA Only what's on my notes I don't remember.

CO Okay. So specifically if I asked you if you had any awareness whether or not he possessed a firearm um, do you, is it possible that uh some dialogue occurred between the two of you about a...

RA I don't, I don't remember if it did or didn't.

CO Okay. Normally in that situation, you've been a trooper for ten years, normally in that situation if someone uh and this is probably I'm guessing has happened to you in your career someone has, informed you that they have a permit to carry is that right?

RA That's correct.

CO And what, how do you normally respond to that?

RA My typical the way that I would handle that is I'd ask them if they're carrying and where it is. Um and then I will put the notes in the call...

CO Okay.

RA ...a you know loaded pistol in the glove box or on his hip or, that kind of thing. Um, that's usually what I'll do.

CO Okay. So here if, you don't have a specific memory of this but based upon your past uh practices and procedures if that conversation takes place on a traffic stop you would make a notation of it is that right?

RA Yes.

CO Okay. Is there anything else that was uh remarkable about this traffic stop um do you remember uh for example the probable cause for the traffic stop? Was it...

RA Just that you could see clearly through the back window that both traf the, the belt straps were hanging straight down and then from the notes um I saw that they put it on after I turned my lights on. And so I know that particular vehicle from watching the, the um video is that I mean you can see clearly through you can even see it on the traf, on the video that its, you know you can see the angle of the belt is this way or if its straight down.

CO Okay.

RA So, I make a lot of, seat belt stops. That's one of my big things I've gotten, last two years in a row I've gotten um the chiefs commendation award for traf, for seat belts. So I think two years ago I had three hundred citations I issued. Last year I had two hundred. People are starting to wear 'em which is good so my numbers have gone down. But um my general practice is, ninety percent of the time I'll issue a ticket unless if there's a really good reason. Like a medical reason or something like that or um if it's on under their arm you know that, that'll be a warning if it's you know if, under the arm and I see the strap straight down then I'll just warn 'em for improper use. But um I give almost everyone tickets.

CO Okay so this was uh, one of hundreds of traffic stops uh that you would make uh as a part of your normal responsibilities and uh there's nothing else that was uh, memorable about this event is that right?

RA That's right.

CO Okay. I'm gonna end this statement now and the time is 0755 hours.

END OF RECORDING.

Minnesota Bureau of Criminal Apprehension
ACISS Investigative Supplement 2016-433/96

Report Date: 09/09/2016

Primary Information

Description: Search warrant for Verizon IP records
Occurrence From: 08/11/2016 00:00
Occurrence To: 09/09/2016 00:00
Reporting LEO: Henning, Doug (1361 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Approval Status: Approved
Approved Date: 09/12/2016
Approved By: Mueller, Scott (1305 / Metro Regional Office / Minnesota Bureau of Criminal Apprehension)

Synopsis

On 08/11/2016 SA Henning served a search warrant on Verizon Wireless for records. On 09/09/2016 SA Henning received an e-mail from Verizon Wireless containing the information requested in the search warrant. SA Henning placed the information on a DVD, acquisition of exhibit 2016-433/96.1.

Subject #1 - BUSINESS #1 - Celco Partnerships DBA Verizon Wireless

Primary Information

Subject Name: Celco Partnerships DBA Verizon Wireless
Record Type: BUSINESS
Juvenile: NO

Addreses

<u>Relationship</u>	<u>Address</u>
BUSINESS LOCATION	180 WASHINGTON VALLEY RD, Bedminster, New Jersey 07921 , United States

Subject #2 - MENTION IN REPORT #1 - Castile, Philando Divall

Primary Information

Subject Name: Castile, Philando Divall
Record Type: Person
Bio: 33 yr. old, Black, Male
Birth Date: 07/16/1983
Juvenile: NO

Personal Information

Ethnicity: American
Height: 511
Weight: 170
Eye Color: Brown
Hair Color: Black

Narrative begins on the following page:

On 08/11/2016 SA Henning presented a search warrant to Ramsey County District Court Judge Kyle for records held by Verizon Wireless. Judge Kyle reviewed and signed the search warrant. SA Henning served the search warrant via email to Verizon Wireless. SA Henning received the information requested by the search warrant on 09/09/2016. SA Henning placed that information on a DVD, acquisition of exhibit 2016-433/96.1.

SA Henning reviewed the information returned by Verizon Wireless. The return showed that 256 subscribers had been connected to the IP (70.197.238.70) during the time SA Henning requested records for. All the information returned by Verizon as well as the search warrant has been attached to this report.

STATE OF MINNESOTA

DISTRICT COURT

COUNTY OF RAMSEY

SECOND JUDICIAL DISTRICT

In Re the Search Warrant for:
Cellco Partnership, DBA Verizon Wireless,
IP address 70.197.238.70, on 07-08-2016.

**AFFIDAVIT IN SUPPORT OF REQUEST
FOR ORDER DIRECTING SEALING
AND NON-FILING OF SEARCH WARRANT**

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY)

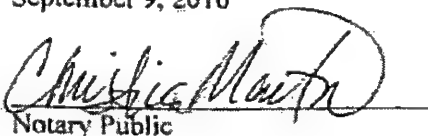

Special Agent Douglas Henning, being first duly sworn states as follows:

1. That he is a Peace Officer in the State of Minnesota and that he is assigned as an investigator with the Bureau of Criminal Apprehension.
2. That he made Application for a Warrant to search the records of Cellco Partnership, DBA Verizon Wireless, for information related to an IP address (70.197.238.70), on 07-08-2016.
3. This IP address was used to breach an Apple iCloud account that belongs to Philando Castile. On 07-06-2016, Castile was stopped by a police officer and shot and killed by the officer. The shooting is being investigated by the BCA and details of the investigation are contained in the search warrant, application, and affidavit.
4. If the content of this search warrant were to become public, it could seriously jeopardize the ongoing investigation of this homicide by making the scope of the investigation known, by making the breach of Castile's stored electronic information known, and could lead the person or persons responsible to take steps to destroy evidence or hide their involvement. It could also cause other persons to attempt to access and alter or destroy other potential stored sources of electronic information related to this investigation that have not yet become known to investigators.
5. That he makes this Affidavit in Support of Request that the Application, Warrant, and Return to Search Warrant, along with all documents related to the Request to Seal these documents, be sealed and not filed until further Order of the Court.
6. That the documents referred to above be sealed pending:
 - a. The filing of charges against any defendant, or
 - b. The completion of the investigation and closure of the case.

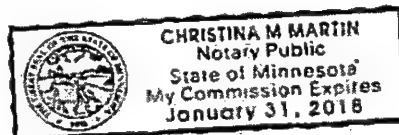

FURTHER YOUR AFFIANT SAYETH NAUGHT.

RECEIPT, INVENTORY AND RETURN

I, Special Agent Douglas Henning, received the attached search warrant issued by the Honorable Richard Kyle, on 8-11, 20 16 and have executed it as follows:

Pursuant to said warrant, on 8-11, 20 16, at 4:01 o'clock P m., I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) Celco Partnership, LLP DBA Verizon Wireless
180 Washington Valley Road Bedminster, NJ 07921

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

One DNS containing information received by Verizon via Email on
9/9/2016

(Strike when appropriate:)

☒ I left a receipt for the property and things listed above with a copy of the warrant.

None of the items set forth in the search warrant were found.

I shall (retain) or (deliver) custody of said property as directed by Court order.

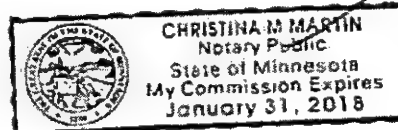

Douglas Henning, being first duly sworn, upon oath, deposes and says that he has read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, he believes them to be true.

DISTRICT COURT

STATE OF MINNESOTA

)

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

) SS.

COUNTY OF RAMSEY

)

Special Agent Douglas Henning, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, hereinafter described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

Any and all subscriber information, transaction history, activation information attributed to Internet Protocol (IP) numbers:

- IP address 70.197.238.70 on 07/08/2016 at 10:38:38.037 (PDT),
- IP address 70.197.238.70 on 07/08/2016 at 10:38:38.027 (PDT), and
- IP address 70.197.238.70 on 07/08/2016 at 10:38:37.981 (PDT)

To include but not limited to name, date of birth, Social Security Number, mailing address, billing address, associated telephone numbers, GPS location information, forms of payment, e-mail addresses, and other accounts associated with the subscribers account that utilized the above listed IP on the above date and times.

will be at the premises, described as:

CELLCO PARTNERSHIP, LLP DBA VERIZON WIRELESS

180 Washington Valley Road

Bedminster, NJ 07921

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your Affiant, Doug Henning, is a Special Agent employed by the MN Bureau of Criminal Apprehension and a licensed peace officer in the State of Minnesota. Your Affiant has been employed by the MN BCA for over ten years. Your Affiant was employed by the Chisago County Sheriff's Office and the Lindstrom Police Department for approximately 12 years prior to working for the MN BCA. Your Affiant has had several assignments while employed with the MN BCA. These assignments have included investigating Narcotics, Financial crimes and General investigations which include death investigations; officer involved shootings, conflict investigations as well as other investigations as assigned. Your Affiant has received training related to investigations which include: Crime Scene Processing, Interview and Interrogation, Drafting or Search Warrants and other court documents, Photography, Narcotics related training which has been provided by the Drug Enforcement Administration (DEA), The Bureau of Alcohol, Tobacco and Firearms (ATF) and the Federal Bureau of Investigations (FBI). Your Affiant has been investigating felony level crimes for the last 12 years. During the last 12 years your affiant as has many cases prosecuted at both the State and Federal level, all of which have resulted in convictions.

On 07/06/2016 at approximately 9:30 PM, the Bureau of Criminal Apprehension (BCA) was contacted by the St. Anthony Police Department after an officer-involved shooting in the City of Falcon Heights, MN. Your affiant and other agents have been tasked with conducting the investigation of this officer involved shooting.

On the above date at about 9:00 PM, St. Anthony Police Officer Jeronimo Yanez conducted a traffic stop on a 1997 Oldsmobile 88, white in color, bearing MN license plate 203TTM. Officer Yanez has provided a statement to the MN BCA regarding his actions as they relate to this incident. Officer Yanez has told agents that he stopped the car because the driver fit the description of a person who was involved in an armed robbery at a nearby convenience store. Officer Yanez stopped this vehicle with the assistance of Officer Joseph Kauser, also with the St. Anthony Police Department. The traffic stop occurred on Larpenteur Avenue, just west of Underwood Steet. Prior to stopping the car Officer Yanez reported the vehicle had a tail light out.

Officer Yanez made contact with the driver of the vehicle. The driver was later identified as Philando Castile. Officer Kauser stood by, on the passenger side of the vehicle while Officer Yanez spoke with Castile at the driver's door of the car. Officer Yanez told agents that the driver (Castile) told him that he had a firearm. Officer Yanez told agents that the driver reached down to his right side and Yanez said he saw a pistol in the driver's hand. Officer Yanez said he fired his duty pistol at the driver because he was in fear for the life of his partner (Kauser), the other occupants of the car Diamond Reynolds and her juvenile daughter, as well as his own life. The driver (Castile) later died as a result of the gunshot wounds he received after being shot by Officer Yanez.

During the course of this investigation your affiant requested the Apple iCloud records associated with Philando Castile. Your affiant received a return from Apple Inc. on 08/04/2016. The return from Apple Inc. included only a business certification, internet protocol (IP) history and subscriber information. The Apple iCloud contained no other information. The Apple iCloud is an internet based storage service provided by Apple Inc. that allows its subscribers to store data from wireless telephones, and other electronic devices that utilize the internet.

Your affiant reviewed the IP log provided by Apple Inc. for Philando Castile's Apple iCloud. The IP log shows three (3) separate entries into the Apple iCloud associated with Philando Castile on 07/08/2016. Castile died at the Hennepin County Medical Center shortly after he arrived there for treatment for his gunshot wounds on 07/06/2016.

Your affiant is requesting the records and information associated with this IP address listed on this warrant in an attempt to identify the individual or individuals associated with the breach of this Apple iCloud account on 07/08/2016. Your affiant knows that to access an Apple iCloud account one would need the email address and the unique password associated with the account to gain access.

WHEREFORE, Affiant requests a search warrant be issued, commanding Special Agent Douglas Henning, (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: Special Agent Douglas Henning

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY DISTRICT COURT
TO: SPECIAL AGENT DOUGLAS HENNING, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, SPECIAL AGENT DOUGLAS HENNING has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises. :

CELLCO PARTNERSHIP, LLP DBA VERIZON WIRELESS

180 Washington Valley Road

Bedminster, NJ 07921

located in the City of St. Paul, County of Ramsey STATE OF MINNESOTA for the following described property and things:

Any and all subscriber information, transaction history, activation information attributed to Internet Protocol (IP) numbers:

- IP address 70.197.238.70 on 07/08/2016 at 10:38:38.037 (PDT),
- IP address 70.197.238.70 on 07/08/2016 at 10:38:38.027 (PDT), and
- IP address 70.197.238.70 on 07/08/2016 at 10:38:37.981 (PDT)

To include but not limited to name, date of birth, Social Security Number, mailing address, billing address, associated telephone numbers, GPS location information, forms of payment, e-mail addresses, and other accounts associated with the subscribers account that utilized the above listed IP on the above date and times.

WHEREAS, the application and supporting affidavit of Special Agent Douglas Henning was/were duly presented and read by the Court, and being fully advised in the premises,

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises.

NOW, THEREFORE, YOU SPECIAL AGENT DOUGLAS HENNING THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. Narrative begins on the following page.

On Sunday, September 11, 2016, SSA Olson interviewed Officer William Persell. The interview occurred at the Orono Police Department and was in regard to a traffic stop he initiated on November 1, 2015, wherein he stopped Philando Castile in Minneapolis. The interview began at 0949 hours and concluded at 0956 hours. The interview was audio recorded and later transferred by SSA Olson to CD and preserved as item 2016-433/97.1. An interview transcript is attached.

Officer Persell indicated he was working a Safe and Sober detail which began on October 31, 2015. Officer Persell could not recall whether Castile made any comments about whether he was armed or had a permit to carry a firearm. He stated that he would normally make a notation in his citation notes if a vehicle occupant made a disclosure about possessing a firearm, and stated that he reviewed his notes on this citation and did not note any documentation of that. Officer Persell stated he made 28 traffic stops during that shift and he had no specific recall from the stop with Castile.

SSA Olson previously received the squad video from this traffic stop from the Ramsey County Attorney's Office. The video will be preserved and maintained as item 2016-433/97.2.

A copy of the issued citation (#271515201603 - failure to provide insurance) related to this traffic is attached.

End report.

Payable Citation/Method of Payment

To find out if your citation is payable without a court appearance, how much to pay, or to pay your fine, choose one of the following methods:

- Online: Using MasterCard, VISA, or E-Check access www.mnscs.gov/online.
- By Phone: Using MasterCard or VISA, call 612-348-2040. Have your citation number available. Discontinue pay toll-free on E-Spend.
- By Mail: Check or Money Order payable to Court Administration. Send to: District Court - Hennepin County Government Center, 300 S. 6th St. Minneapolis, MN 55407-0014. Include a copy of your citation or indicate the citation number on the check or money order.

You have the right to appear in court. If no court date is noted, you must pay the amount owed or pay your fine within 21 days from the date the citation was issued. If you fail to pay or appear, a warrant will be issued for your arrest. If you have a court date, you must appear on the date and time specified. If you fail to appear, a warrant will be issued for your arrest. If you have a court date, you must appear on the date and time specified. If you fail to appear, a warrant will be issued for your arrest.

BY PAYING THIS FINE(S), YOU ARE ENTERING A PLEA OF GUILTY to this offense(s) and voluntarily waive your rights to the following: (Minn. R. Crim. P. 23.03)

1. To a court trial, if the offense is a petty misdemeanor, or a court or jury trial for a felony offense.
2. To be represented by counsel.
3. To be present at the trial.
4. To confront and cross-examine all witnesses, and
5. To offer testimony in your own defense.

A plea of guilty will result in a conviction. If convicted, you must pay a statute imposed surcharge under Minn. Stat. § 169.14 sub 6. The current amount of the required state surcharge is \$12 for parking related offenses and \$75 for all other offenses. (Minn. Stat. § 169.14). Additionally, a law library fee will be assessed. These surcharges and fines are included in the total payable amount provided to you by phone or web.

Under Minn. Stat. § 169.14, subd. 105, unpaid fines may be referred for collections. You have the right to contest the referral. If you wish to contest the referral, you must file a written notice of contest with the court within 30 days of the date the citation was issued. If you fail to file a written notice of contest, you will be deemed to have accepted the referral. If you wish to contest the referral, you must file a written notice of contest with the court within 30 days of the date the citation was issued. If you fail to file a written notice of contest, you will be deemed to have accepted the referral.

If a Court Appearance is Required

Certain offenses require you to appear in court. To verify if the charge(s) you have received require a court appearance, please call 612-348-2040 and refer to the front of this citation. If you must appear in court, a Notice to Appear indicating a court date will be mailed to the address on the citation. If this address is not correct, you must immediately notify the court at the number noted above of your change of address. Failure to appear may result in a bench warrant being issued for arrest. If you have questions regarding this citation, call the number noted above.

Penalties for Failure to Respond

Failure to respond as required for a Misdemeanor may result in:

- The Department of Public Safety will suspend your license for failing to appear.
- A warrant may be issued for your arrest.
- Late fees may be assessed.

Failure to respond to a Petty Misdemeanor will be considered a plea of guilty and waiver of the right to trial unless the failure to appear is due to circumstances beyond the person's control (Minn. Stat. § 169.14; Minn. Stat. § 609.49). In addition, the Department of Public Safety and Department of Natural Resources will be notified of your failure to appear and conviction, depending on the offense charged. These agencies may suspend your other's license or DNR licenses for failing to appear.

TRANSCRIPT

INTERVIEW DATE:	September 11, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Officer William Persell (WP) Orono PD	INTERVIEWED BY:	SSA Christopher Olson (CO)
REVIEWED BY:			

CO Today's date is September 11th, 2016. The time is 0949 hours. This is a statement between myself uh Chris Olson of the BCA and Bill Persell uh, Officer with the uh oh Orono Police Department. And this is pertaining to case number 21, correction 2016-433. Bill uh for the record can you spell your last name for me?

WP P as in Peter, E-R-S-E-L-L.

CO Okay. And I'm assuming your name is William but you go by Bill is that right?

WP William.

CO Okay.

WP Middle name is Ray, R-A-Y.

CO And a phone number at work here is, best way to get a hold of you what's that?

WP 952-

CO Okay.

WP 249-4700.

CO Alright and you have been employed with the Orono Police Department for a period of how many years?

WP About twenty-four.

CO Okay. And, that entire uh duration has been in a part time capacity is that right?

WP Correct.

CO Okay. And you've been uh, an officer for twenty-four or longer than that?

WP Long than that.

CO Okay (inaudible)

WP Started in '84.

CO '84.

WP So approximately thirty years.

CO In what other departments?

WP Uh Oak Park Heights Police Department.

CO Okay.

WP Bayport Police Department.

CO Okay.

WP A reserve officer in New Brighton.

CO Okay.

WP That was well before, '84.

CO So previous life?

WP Right.

CO And I spoke with you on the phone last week uh and asked if you would be willing to meet with me and talk about the citation you issued on November 1st of 2015 is that correct?

WP Correct.

CO And specifically that's a citation you uh issued to uh Philando Castile. Is that right?

WP Yes sir.

CO And I brought a video with me today. Uh you indicated that you don't necessarily need to review it or watch it. Or have no desire to but as I talk to you today do you have any, any kinda recol, let me, clarify have you seen the video from that traffic stop?

WP I have not.

CO Okay. Do you have any uh recall from that event or that traffic stop based upon uh the review of this citation and your notes?

WP No sir.

CO Okay. Do you, prior to my phone call were you made aware of the fact that you stopped Mr. Castile uh on November 1st by anyone?

WP Yes.

CO And who...

WP By Kelly, our secretary.

CO Okay she brought that to attention or your attention and uh what specifically did she say or not?

WP She said she was requested by Ramsey County.

CO Okay.

WP For the paperwork.

CO Okay.

WP The citation and I believe uh my log for that night.

CO Okay. And I'm showing you a citation and what's probably your log from that night. Is that right?

WP That's the citation.

CO Okay.

WP Yes. Yeah this part of the log there was I think...

CO Okay.

WP ...two or three pages.

CO And the question I have for you specifically is do you have any knowledge that during that traffic stop whether or not Mr. Castile was armed?

WP I do not.

CO Okay. And you've over your career I'm guessing made uh hundreds if not thousands of traffic stops is that right?

WP Correct.

CO And do you have a pro, well let's go back a little bit. That, specific night you were in Minneapolis. You were an Orono Officer but uh you were working a special detail called safe and sober?

WP Correct.

CO And, as part of that is that normally an eight or a ten hour shift? Is that...

WP Eight hour shift.

CO Okay. And you've worked those uh many times previously?

WP Uh about six or eight times total.

CO Okay and that's when you...

WP Not just Minneapolis though.

CO Alright. And then you get a, a collection of agencies that, that uh focus on one area is that right?

WP Uh they focus wherever we're instructed and it's usually downtown. South, north, northeast it's like a, a square or if they're looking for a DWI's they uh ask to go on the freeways.

CO Okay.

WP 35, 94.

CO Okay. And this is uh as far as you're concerned specifically um an effort by the, government to concentrate on, on de, drunk drivers right?

WP Correct.

CO Alright. And, you've researched before my meeting with you today how many traffic stops you made during this particular shift is that right?

WP Correct.

CO And how many is that?

WP Twenty-eight.

CO Alright and the shift start time and end time, do you remember that?

WP I believe it was 1800 to 0200 or 1900 to 0300.

CO Okay.

WP We usually have an option.

CO Okay.

WP And we have a half hour where we have to go report to the agency.

CO Alright.

WP For instructions.

CO At the end of the shift or the beginning?

WP Prior to.

CO Okay. And specifically, uh now getting back to your normal procedures and protocols. When you make a traffic stop have you had occasion where someone has told you they have a permit to carry? Has that ever happened to you?

WP I, don't recall that.

CO Okay. Have you...

WP I've had officers tell me that they have a loaded weapon in the car and they show their ID.

CO Okay this is a, an officer that you'd be pulling over for a violation and then they...

WP Speed or whatever.

CO Okay.

WP Yeah.

CO But in this case, if I were to ask you if, if this driver of this car made any mention of being armed would you have made a notation of that in your estimation or do you...

WP I would have.

CO Okay.

WP Yeah.

CO So as you talk to me today do you feel confident in saying that he didn't volunteer the fact that he was carrying a firearm or uh had a permit to carry or anything, would you have, would you have likely made a notation of that if that occurred?

WP I would have sir.

CO Okay. And you don't have any memory or recollection and your notes don't reflect that that happened is that correct?

WP That's correct.

CO Alright. And you (coughs) remember the, specific violation that he was pulled over for is that because you read your notes or because you remembered uh...

WP I read the notes.

CO Okay. And that was I think an equipment violation or...

WP Right.

CO Okay.

WP Headlight out.

CO And did he get uh is that what the citation was for?

WP No. It was for no proof.

CO Okay no proof of insurance?

WP Correct. No proof driver.

CO Okay. Alright. And do you remember anything about uh Mr. Castile's disposition? His affect um...

WP None whatsoever.

CO Okay. So you would describe that as unremarkable because if there was something, that stood out you maybe would have made a notation of that?

WP I would have.

CO Okay.

WP Or I would have asked, for an assist through Minneapolis.

CO Okay. OR, maybe some other safe and sober car nearby?

WP Correct.

CO Alright. Alright do you have anything else about that November 1st, 2015 contact uh that uh I'm trying to learn as much as I can about it that you can tell me either from memory or from your notes?

WP No sir.

CO Okay.

WP There were just, there were twenty-eight stops. And the reason I know that is I looked at the, traffic uh zero death uh log sheet it's called roar, R-O-A-R.

CO Okay.

WP We have to log that in.

CO Okay.

WP So,

CO So there's a permanent record of that?

WP Yes.

CO Alright I have uh no more questions. You have nothing else to add is that correct?

WP That's correct.

CO Alright the time now is 0956 hours.

END OF RECORDING.

Narrative begins on the following page.

On 09/13/2016 SA Henning obtained exhibits 2016-433/98.1-2 from SAIC Mueller. These exhibits were acquired at the direction of the Ramsey County Attorney's Office. Exhibit 2016-433/98.1 is a Diamondback FS Nine pistol, serial number FB8027. This exhibit is a replica of the pistol found in the possession of Philando Castile on 07/06/2016 after an officer involved shooting in Falcon Heights, MN. Exhibit 2016-433/98.2 is a pair of men's, navy blue, Polo shorts, in waist size 38, these shorts are a replica of the shorts worn by Philando Castile at the time he was in an officer involved shooting. The shorts worn by Castile during this incident were removed by medical staff at Hennepin County Medical Center (HCMC) by cutting them off.

On 09/13/2016, SA Henning provided these items to Richard Dusterhoft who is the criminal chief at the Ramsey County Attorney's Office. The change of custody form for the transfer of the above listed items has been attached to this report.

TOPICS COVERED:

- DEFINITION OF SELF-DEFENSE
- STATE RECIPROCITY
- INTERACTING WITH LAW-ENFORCEMENT
- WHERE YOU CAN AND CANNOT CARRY A FIREARM
- FIREARMS IN THE HOME- CASTLE DOCTRINE, PROPER STORAGE
- ALCOHOL AND CARRYING A FIREARM
- SHOOTING BASICS & SAFETY

100% FIREARM-SAFE PROPERTY

WHAT THE PERMIT IS FOR.

- CARRY OF A WEAPON
- CONCEALED WEAPON?
- OPEN CARRY?

OPEN CARRY

- WHAT ARE THE ADVANTAGES?
- EASY ACCESS
- DETERRENT
- WHAT ARE THE DISADVANTAGES?
- LESS SECURE
- YOU WILL BE TARGETED

WHICH WILL CARRY DAILY'S

- CAN YOU SCHEDULE THE CRITICAL INCIDENT?
- DO YOU WEAR A SEATBELT EVERY TIME YOU GET IN A CAR?

WHY GET THE PERMIT?

- EXERCISE YOUR SECOND AMENDMENT RIGHTS?
- CONCERNED ABOUT SAFETY?
- SELF DEFENSE?
- BE EMPOWERED TO PROTECT YOURSELF AND FAMILY?

WHAT IS SELF-DEFENSE?

- WHAT ARE THE IMPLICATIONS?
- WHAT ARE THE LEGAL RAMIFICATIONS?

HANDGUNS IN NON-PERMITTED STATES

- PRIOR TO ENTERING THE STATE GUN MUST BE CASSED WITH THE AMMUNITION SEPARATE
- PLACE THE GUN IN THE MOST INACCESSIBLE PLACE IN THE VEHICLE
- TRANSPORT MODE

NON-PERMIT PERSON DRIVING WITH A GUN

- OPERATOR OF VEHICLE IS RESPONSIBLE FOR THE CONTENTS
- FIREARM IN THE VEHICLE IS CONSIDERED CONCEALED

INTERACTING WITH LAW ENFORCEMENT

- TRAFFIC STOP
- GIVE BOTH PERMIT AND LICENSE/INSURANCE CARD
- KEEP INTERIOR LIGHT ON
- CAR OFF (IF SAFE TO DO SO)
- BE UP FRONT, HONEST
- KEEP HANDS IN SIGHT AND MOVE SLOWLY
- ANNOUNCE YOUR MOVEMENTS

WHERE YOU CAN'T CARRY

- SCHOOLS, SCHOOL GROUNDS
- GOVERNMENT BUILDINGS
- AIRPORTS
- ANYWHERE THAT'S POSTED

SIGNS BANNING FIREARMS

- WHAT IS A LEGAL SIGN?
- 187 SQ. IN.
- WRITTEN ON A CONTRASTING BACKGROUND
- BLACK ARIAL TYPEFACE
- LETTERS AT LEAST 1 1/2" TALL
- PLACED AT EVERY ENTRANCE TO THE FACILITY
- AT LEAST 4 FEET HIGH, NO HIGHER THAN 6'
- PROMINENTLY AND READILY DISPLAYED

BANNING AS A CONDITION OF EMPLOYMENT

- EMPLOYERS CAN MAKE RULES ABOUT FIREARMS A CONDITION OF YOUR EMPLOYMENT.

- CAN TERMINATE EMPLOYMENT BUT IT IS NORMALLY NOT A CRIMINAL OFFENSE.
- CAN'T FORBID YOU FROM KEEPING A PISTOL IN YOUR CAR.

SCENARIO: GOING TO APPLEBEE'S

- STOW THE GUN IN THE CAR?
- GO IN WITHOUT STORING IT?
- ORDER YOUR FOOD TO GO?
- PAY WITHOUT GETTING FOOD.

MAPLE OF AMERICA

- SIGNS
- 10 FEET ABOVE THE FLOOR
- PAST THE SECOND ENTRANCE
- NOT PROMINENTLY DISPLAYED
- INCONSISTENT POSTING

CASTLE DOCTRINE

- ALSO KNOWN AS 'STAND YOUR GROUND'
- DUTY TO RETREAT WHEN SAFE TO DO SO
- PROTECTING OTHERS

TELEVISION SCENARIO

- 3AM - DOOR SMASHED OPEN
- A MAN IS STANDING IN YOUR LIVING ROOM HOLDING YOUR TV.
- WARN UNTIL A THREAT.
- AS SOON AS THEY APPROACH THEY ARE A THREAT

FIREARMS IN THE HOUSE

- SAFES
- CHILDREN AND FIREARMS
- EDUCATION
- HOW TO MAKE THE GUN SAFE
- REMOVE THE MYSTERY
- EFFECTIVE HOME DEFENSE: SHOTGUN WITH WHATEVER SHELLS YOU HAVE.
- SUPPLEMENTAL LIGHT SOURCE

PSYCHOLOGY

- LT. COL. DAVID GROSSMAN

- ON COMBAT

- ON KILLING

TRAINING SOLDIERS

- CIVIL WAR
- SIMPLISTIC TRAINING - HOW TO LOAD THE GUN.
- NO MARKSMANSHIP
- THOUSANDS OF MUSKETS RECOVERED LOADED.
- ONE RECOVERED LOADED WITH 13 CHARGES

WORLD WAR I

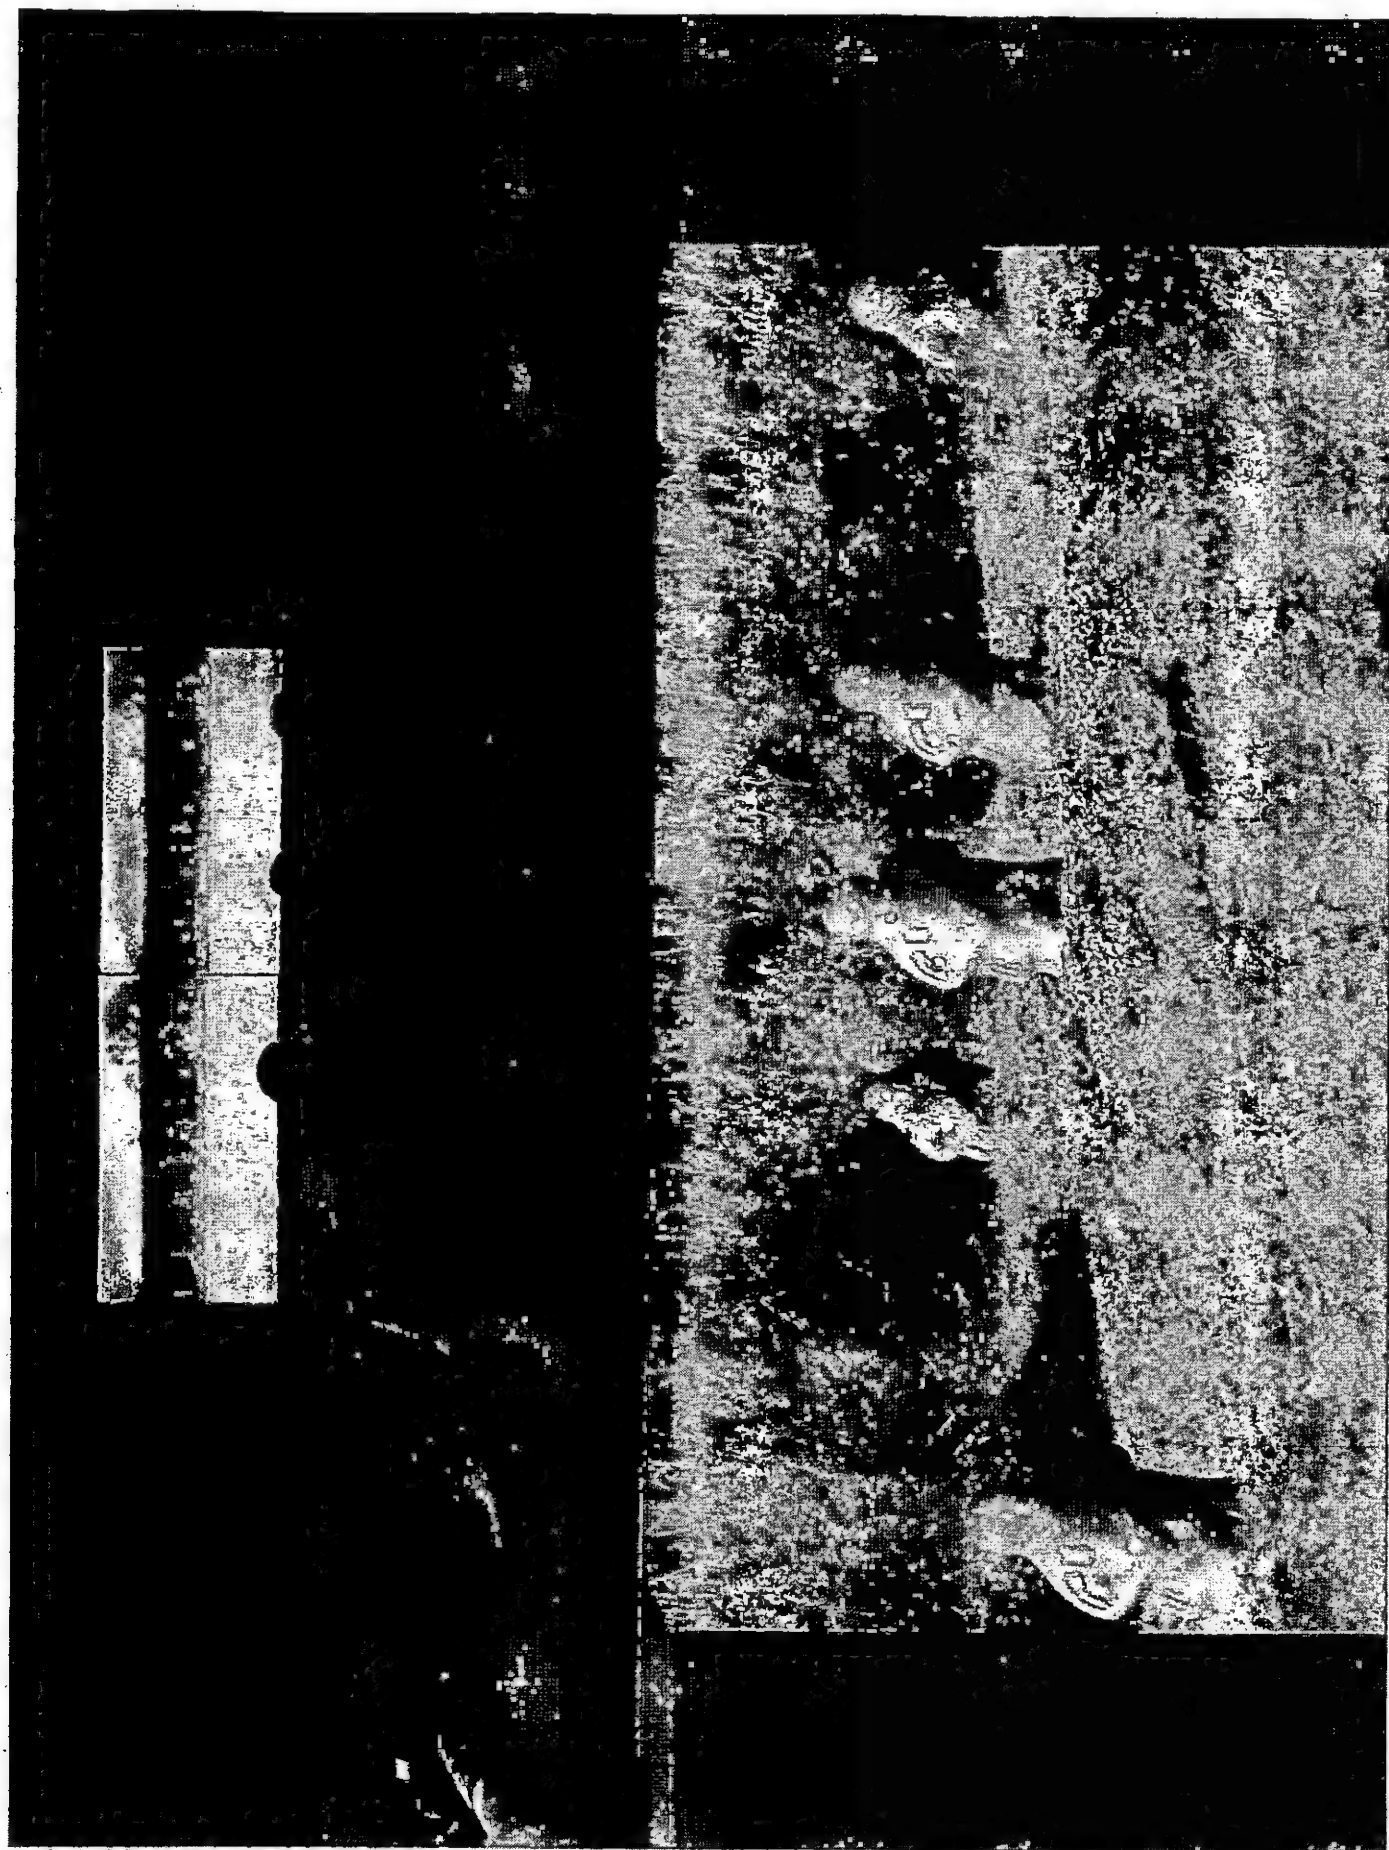

- BETTER TRAINING
- SHOT AT BULLEYES
- BULLEYES DO NOT STORM THE TRENCHES
- PERCENTAGE OF SOLDIERS THAT FIRED?

WORLDEVENTR II

- BETTER TRAINING
- SOLDIERS SHOT AT SILHOUETTES
- PERCENTAGE THAT SHOT?

MODERN SOLDIERS

- VERY ADVANCED TRAINING
- ELECTRONIC AND SIMUNITION TRAINING AIDS
- MANNED-LIKE, REACTIVE POP-UP TARGETS

ADDITIONAL PSYCHOLOGY

- GAVIN DEBOECKER
- GIFT OF FEAR
- DR. GARBORINO
- TERMINAL THINKING

FINAL SCENARIO

- 3 WEEKS WITHOUT FOOD
- 3 DAYS WITHOUT WATER
- 3 HOURS OF EXPOSURE TO AN EXTREME
- 3 MINUTES WITHOUT AIR
- 3 SECONDS TO REACT TO A STIMULUS

LEAST INTRUSIVE METHOD

• UNWILLING PARTICIPANT

SHOOTING BASICS

- VIDEO –
 - WORLD CHAMPION TODD JARRET ON PISTOL SHOOTING
 - THE MECHANICS OF HOLDING A PISTOL FOR PROPER AIM, POINTABILITY, AND CONTROLLING RECOIL
 - HOW TO PROPERLY PULL THE TRIGGER
 - SLIDE BITE
 - EMPHASIS ON SAFETY
 - NO THUMBS BEHIND SLIDES – IT'S UNSAFE, AND PROVIDES LESS CONTROL THAN A PROPER GRIP
 - HOW TO LOAD A MAGAZINE
 - HOW TO LOAD AND CLEAR A PISTOL
 - SIGHT ALIGNMENT
- HEARING PROTECTION – A BOEING 747 AT TAKEOFF IS ~145 DB – PISTOLS IN THE RANGE ARE AROUND 160 DB. KEEP YOUR HEARING PROTECTION ON!

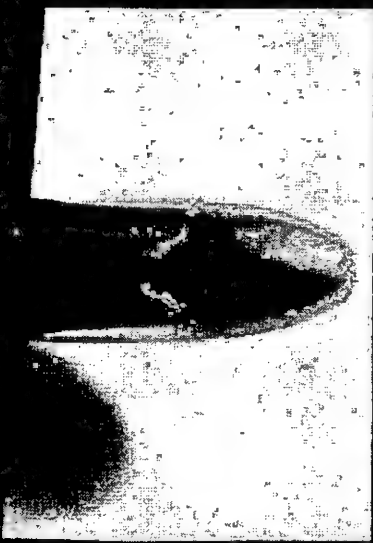

CLEARING JAMS

• COMMON FIREARMS MALFUNCTIONS -

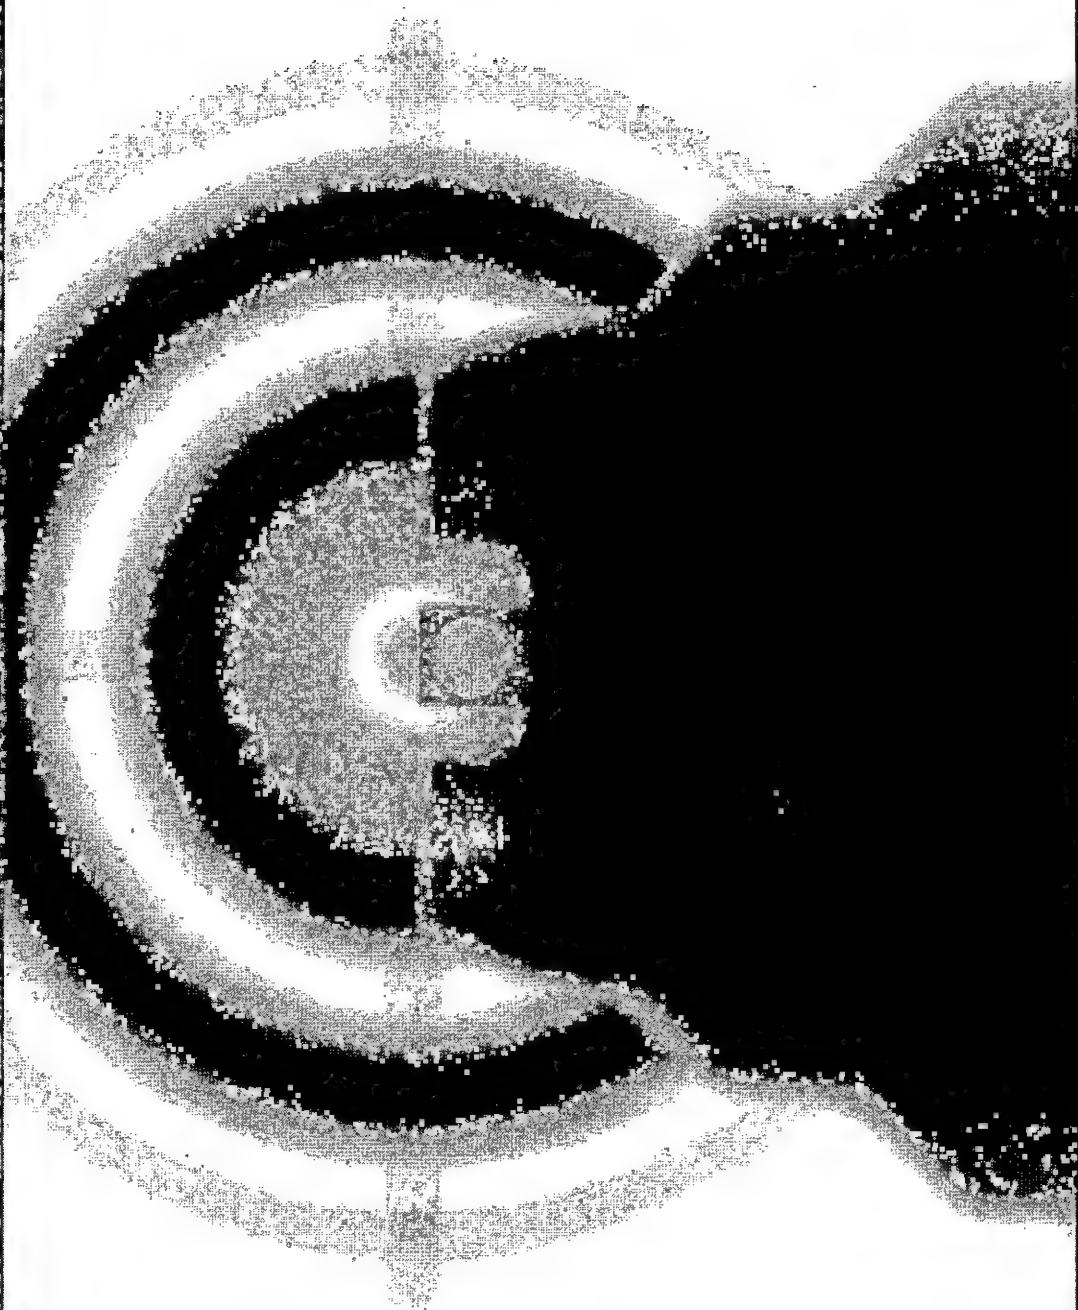

- STOVEPIPE
 - USUALLY CAUSED BY WEAK GRIP
- DOUBLE-FEED
 - USUALLY CAUSED BY WEAK GRIP, USER ERROR IN LOADING, OR FIREARM'S EXTRACTOR BEING WEAK OR BROKEN
- SQUIB
 - CAUSED BY AMMUNITION FAILURE
 - BULLET LODGES IN BARREL
- ONE OF THE MOST DANGEROUS MALFUNCTIONS!

• CLEARING A JAM

- REMOVE MAGAZINE
- LOCK ACTION REARWARD
- CLEAR OUT LOOSE CASINGS OR ROUNDS
- REINSERT MAGAZINE AND RECHARGE FIREARM

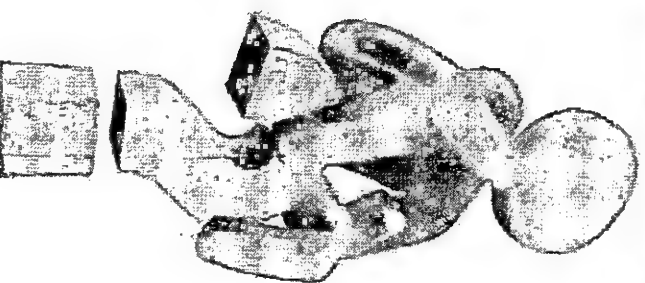

SIGHT ALIGNMENT

Narrative begins on the following page.

On Thursday, September 15, 2016, SSA located an article initially published by the Washington Post (attached) wherein Diamond Reynolds reportedly indicated she had recorded previous traffic stops involving Castile using her cellular telephone.

End report.

NEWS

After Philando Castile's shooting, Diamond Reynolds' composure was tested again

Diamond Reynolds shows off the tattoos she received at the Minnesota State Fair on August 26 — one honoring her daughter, left, the other honoring her slain boyfriend, Philando Castile. Reynolds is trying to piece her life back together following the fatal shooting of Castile, by a police officer. (Washington Post: Jahi Chikwendiri)

By ELI SASLOW/THE WASHINGTON POST

PUBLISHED: September 11, 2016 at 8:04 pm | UPDATED: September 12, 2016 at 11:57 am

Two police cruisers had just pulled up to the apartment building, their second visit of the day, but this time Diamond Reynolds barely bothered to look up. "Always something," said Diamond, 27, as she shoved the contents of her closet into a cardboard box. She had six hours left to move out or risk eviction.

Her short-term lease expired at 5 p.m., and the last several weeks had convinced her that her East Side St. Paul neighborhood was no longer a safe place to stay.

Maybe the police had been called to break up another dice game at the loading dock or to investigate the latest tenant complaints of black mold. Maybe they had come because of the neighborhood fight that culminated with someone trying to set the apartment building on fire that morning, forcing Diamond and her 4-year-old daughter, Dae'Anna, to evacuate their home at 4 a.m.

"Why are the police out there?" a neighbor asked, stopping by the open doorway of Diamond's apartment.

"Who knows?" she said. "They're here enough to pay rent. It's trauma or drama every day."

She had been feeling the impact of policing on every moment of her life since July 6, the day an officer pulled over her boyfriend, Philando Castile, in the north suburb of Falcon Heights for at least his 48th minor traffic stop in the last 13 years. "Again?" Diamond remembered saying to Castile that day, as the officer asked to see his license and registration. Castile reached down toward his waistband, where he kept not only his wallet but also a gun that he was licensed to carry. The officer shot him four times, and then Diamond took out her phone to record, just as she had done during a few of Castile's other traffic stops. "Stay with me," she told him, as blood spread across his white T-shirt and she started to live-stream on Facebook.

For those next 10 minutes of video, she had become both the emotional catalyst and the clear-eyed narrator in the debate over American policing: somehow composed, somehow cordial, continuing to live-stream even as the officer aimed his gun in her direction and screamed profanities, telling him "yes, sir," and "I will, sir," and "no worries" while she spoke into the camera and contradicted his version of the shooting in real time.

The governor of Minnesota had called her actions "heroic" and blamed the shooting on racism. President Barack Obama had posted his own Facebook message in response to say the country had a "serious problem" with "racial bias, year after year." There were retaliatory shootings of police officers in Dallas and Baton Rouge, and peaceful demonstrations in 37 cities, during which protesters marched and demanded consequences.

HER APARTMENT RANSACKED

Diamond had gone to New York a few days later to appear on "Good Morning America," leaving behind an apartment that was ransacked and robbed while she was away, and so far the main consequence she noticed in her own life was how one crisis spiraled immediately into the next. No more boyfriend to watch her daughter while she worked nights at the dollar store. No more paycheck to help cover her rent. No more roommate with a pistol to make her feel secure in St. Paul's most dangerous neighborhood. No more car to go searching for a new apartment, because the car was Castile's and had been seized as part of the investigation. No one left to help her move except for a social worker who said the only place available for a single mother with limited income and a previous eviction on her record was a dingy two-bedroom across town in a neighborhood that was almost as bad.

Every day took her further from those 10 minutes that had come to define her. She was the one who millions of viewers remembered as dignified, as unafraid, as somehow calm at the center of an American crisis. But now her life was becoming ever more frantic, and her composure was giving way to insomnia and panic attacks. The one thing she hoped might bring some relief was to move.

"I seriously need to get out of here," said Diamond, now on the phone with the social worker. "Can I please get some help? His stuff is everywhere, and it's way too much."

The social worker told her not to worry. She said she would be helping coordinate the move by phone.

"So it's just me?" Diamond said. "Are you serious?"

She hung up and started to fold Castile's clothes into a large cardboard box labeled "Rest in Peace!" A few days earlier, she had taken some of his outfits to a laundromat for the first time since the shooting, hauling six loads onto the city bus. But some of the shirts still smelled like his cologne, so she had brought a few outfits back home unwashed to store away for herself.

Almost everything in the apartment belonged to him. They had been dating on and off for four years as Diamond's life went up and down, and recently they started to talk about marriage and decided to move in together. She and Dae'Anna had come to the apartment directly from a homeless shelter in Red Wing, Minn., their ninth move in less than a year, and by then their possessions fit into one suitcase each. Diamond was a high school dropout with no savings and two jobs at a motel and a dollar store; Castile was a supervisor in a school cafeteria, with a steady salary and a 401(k). He had bought their big-screen TV and their new bed. Diamond had always fallen for extroverts more like her, but Castile preferred to play Xbox and go to bed by midnight. "Isn't it boring dating a mute button?" some of Diamond's friends had teased her, but in Castile's case she was ready for boring. He bought her gifts. He remembered what time to pick Dae'Anna up from daycare.

Her phone rang again. "Bad news," the social worker said and then explained that she had just spoken to the property manager at Diamond's new apartment, and the unit was not ready as promised. The walls still needed painting. The carpets hadn't been cleaned. The property manager wanted Diamond to delay her move by at least a few days.

"Oh, hell no," Diamond said. "We got fights happening over here. We're being evacuated, and now it's the weekend and these people are fitting to go crazy. I'm out. I'm not staying here no more nights."

The social worker asked her to try to calm down, but Diamond interrupted.

"That's all I've been hearing: 'Stay calm. Be patient. It's going to get better. Just visualize, visualize, visualize' — but all I'm seeing is the same exact ghetto."

PLENTY OF ADVICE

In the first week after the shooting, more than 6,000 people had called, emailed or left her Facebook messages, and most of them had offered not only their condolences but also their own version of a solution. The governor suggested an independent investigation conducted by the Justice Department. A U.S. senator suggested a town hall to discuss race. Local mayors suggested new police training protocols. The top civil rights lawyer she hired from Chicago said she should file a lawsuit. The Black Lives Matters protesters said she should lead a march. The Rev. Al Sharpton said do more interviews, more TV, bring in the national spotlight.

Her cousin said start an online fundraiser. Her bosses at the dollar store said take two months off to grieve and clear her head. Her family said move out of state, maybe to be with her mother in Indianapolis. A counselor said try a therapy dog, so now she had Cheddar, just 8 weeks old and not yet housebroken, peeing everywhere and always yapping at her feet.

The shared assumption behind all of their advice was that her trauma would lead to something more. Here came healing, here came justice, and as nice as all of that sounded, Diamond soon began ignoring messages and staying off her Facebook page. It had never been her experience that suffering or inequity led to anything.

"Nobody was worrying about me before all this, and nobody's going to be fixing it all up now," she said, and so instead of waiting for her caseworker to call back about the condition of the apartment, she decided to see it for herself. She painted her toenails blue and wore eyelash extensions and a pink bow in her hair. She grabbed a small motivational sticker that she always moved with her from one apartment to the next: "Nothing beats a failure but a try," it read.

HOMELESS IN ST. PAUL

The only employee she could find at the new building was a woman from the rental agency, who looked at Diamond for a long minute and then clapped her hands. "Mrs. Reynolds, from the video?" she said, and Diamond nodded, because she was used to being recognized a few times each day. "Wow," the agent said. "I mean, I'm sorry. Oh, God. That was horrible. It felt like I was sitting there right beside you."

"Thank you," Diamond said, and she followed the agent up the stairs toward the second floor.

"You were so calm," the agent said. "All those bullets? It must have been horrifying. I can't imagine."

"Thank you," Diamond said again, and now they were at her apartment door.

"So dignified," the agent said, and now they were finally inside the apartment, which smelled of mildew and sweat and smoke. Two window screens were torn. The walls were covered in greasy handprints. The toilet was missing its seat. "Sorry. We'll get this all fixed up before you move in," the agent said, shielding her nose with her sleeve as they walked from the living room toward the back bedroom. The agent handed Diamond a checklist of things to inspect in the apartment and asked her to mark whatever items needed to be fixed. Diamond walked off by herself with the clipboard.

"Floor: Mop dog crap," she wrote.

"Ceiling: Clean spider webs."

"Refrigerator: Broken." "Windows: Need all new." "Lights: missing." "Painting: Bad." "Woodwork: Horrible."

She took out her phone, clicked on the camera and began streaming a video. Her lawyer had recommended that she avoid posting on social media after the shooting to protect her privacy, so she had closed her Instagram account and dismantled her Facebook page when the original video surpassed 3 million views. But she had always found it cathartic to broadcast her life, so she had taken over a friend's Snapchat account for a few weeks while he was in jail, since he wouldn't be using it.

"Hey everybody," she said, live-streaming the dark crust on the bathroom sink to an audience of a few dozen strangers. "Anybody got bleach?"

"They said this place would be ready," she said, turning the camera back on herself. "Don't think I'm sleeping here tonight."

She turned off the camera and sat down on the floor to consider her options. For the first time in her life, she had access to some money: \$60,000 from an online fundraiser that a friend had started for her and Dae'Anna, but she was reluctant to even touch it. The money had caused a misunderstanding between her and Castile's mother, who was directing donors to a separate family account. Diamond thought the best way to avoid tension and honor Castile was to stash her money away and save it all for Dae'Anna. She had been using food stamps and trying to spend as little as possible until Dae'Anna would start school and she could go back to work.

Now she picked up the phone to call a friend who lived a few blocks away. Diamond had been forced to move a few times each year since dropping out of high school at 17, and by now she knew all the protocols of being homeless in St. Paul. The shelters were typically full at the last minute. The cheap motels wanted a week's deposit upfront. She could think of only one other option as she waited for maintenance to repair her apartment.

"Looks like I'm going to be couch surfing for a minute," she said when her friend picked up. "Can I stay?"

Diamond Reynolds, center, the girlfriend of Philando Castile, is comforted during a demonstration outside the governor's residence in St. Paul, Minn. on July 11. Castile was shot and killed after a traffic stop by police in Falcon Heights on July 6. A video shot by Diamond Reynolds of the shooting went viral. (Washington Post/Jatin Botsford)

WHAT TO TELL A 4-YEAR-OLD

As chaotic as her days were becoming, her nights were always the same: She lay awake and fought against her brain, willing herself to think about anything other than that day, until insomnia gave way to fatigue, and fatigue turned into despair and suddenly she was back inside the same recurring flashback. They were driving in Castile's white Oldsmobile. They were being pulled over again into the right lane on Larpenteur Avenue, except this time it was different. In the flashbacks, Diamond was rarely looking at the man bleeding next to her in the front seat. She was looking behind her, into the back seat, where her daughter had the window rolled halfway down and a small bottle of juice in her hand. She had ribbons in her hair, and she was buckled into a pink car seat to witness it all.

"We need to seriously blow out this birthday party," Diamond was saying to Dae'Anna now, back at the new apartment, as they continued to wait for maintenance to begin repairs. "Five is a big birthday," she said. "Five is huge."

"I want a whole table of different kinds of candy," Dae'Anna said. "No limits. I get as much as I want."

"A candy table," Diamond agreed. "Maybe with some party favor bags, so our friends can take candy home, too."

This had been their main topic of conversation since the shooting: a late-August birthday party for Dae'Anna that seemed to grow in size every day. It had started as a get-together for a small group of friends at a neighborhood park, but in the weeks since the shooting it had built into a massive carnival staffed by a dozen volunteers. Diamond thought maybe she could rent out a couple of bouncy castles. Maybe she could get a photo booth, a live band, pinatas and a cotton-candy maker to crowd out the other images she feared were taking root inside her daughter's head.

"I was thinking about a clown cake," Dae'Anna said.

"Can't have a clown cake without a clown cake topper," Diamond said, adding that to their long-running shopping list.

They had barely discussed the shooting since that day — not with each other and not with a professional — and Diamond thought maybe that was for the best. But she had gone back over her Facebook video in an attempt to understand exactly what Dae'Anna had witnessed from the back seat, expecting to be unnerved by her daughter's screams. Instead, for the first four minutes of video, Dae'Anna had said nothing, and so Diamond began to wonder: How was that possible? How could anyone, much less a 4-year-old, keep quiet during those four minutes? The force of four bullets fired from point-blank range shook the car, and Dae'Anna was quiet. Castile rolled his head back between the seats and gasped, "I can't breathe," and Dae'Anna was quiet. The officer screamed, "Keep your hands where they are!" and she was quiet. The gun, still aimed inside the car, began to shake in the officer's hand, and she was quiet. Diamond said, "Please don't tell me he's dead," and she was quiet. Castile gripped his bleeding stomach, moaned, slid back between the seats and dropped his head right toward Dae'Anna's lap, and she was quiet.

Diamond had taught her daughter to react that way. They had been practicing what Diamond called "survival skills" since before her daughter turned 2. Duck at the sound of gunfire. Make yourself small whenever you feel threatened. Never touch guns or needles. The more scared you are, the less noise you should make. These were some of the lessons Diamond had passed along from one generation to the next, and her daughter had learned them well. "It's okay, Mommy. I'm right here with you," Dae'Anna had said that day, as they sat together in the back of the police car and the video continued, and Diamond was still trying to understand why that was the one sentence in 10 minutes of archived terror that always made her catch her breath.

"Candles, glitter sticks, lipstick, carnival games, temporary tattoos, face paint," Diamond said, reading her way down the list.

Dae'Anna had brought up Castile's name only a few times since the shooting — to ask what had happened to his car or to say that she missed him. Diamond thought Dae'Anna understood he was dead. But mostly she looked happy playing with the toys strangers kept sending her in the mail: princess outfits, angel statues, Legos and action figures. Once, a few weeks after Castile's death, Diamond had overheard Dae'Anna playing with the action figures and saying something to them about how policemen shoot to kill. She had thought about going in to explain what it meant to be poor and black in Minnesota, but how could she tell a 4-year-old a story with no moral and no solution — a story with no apparent end? Maybe Dae'Anna was too young to understand, or maybe she already understood well enough. Either way, Diamond had left her alone to play.

"The one rule at the party is everyone brings you a present," Diamond said. "Have you thought about what you want?"

"Yes. I've got a lot of ideas," Dae'Anna said.

"Then tell me," Diamond said, and for the next few minutes she sat next to her daughter and listened.

Diamond Reynolds, center, the girlfriend of Philando Castile, and Valerie Castile, left, the mother of Philando, march during a demonstration in St. Paul, Minn., on Thursday July 27. (Washington Post: Jabin Botsford)

TRYING, AGAIN, TO REMAIN CALM

Again she took out her phone. Again she clicked on the camera. "Okay, everybody. It's finally happening," she said, zooming in on a truck as it pulled up to her new apartment. "We're moving in. Fresh start. This is it."

She live-streamed as two professional movers hauled boxes up to her entryway. She filmed as her sister and daughter helped unpack. One of the movers recognized her from the video and asked how she had managed to stay so calm. "I just try to be strong," Diamond said, and then she turned on music and began placing furniture in the living room. She arranged the couch so it would hide stains on the wall and taped a motivational quote from Gandhi over a hole in the woodwork. She bleached the sink, scrubbed the bathtub and lit candles in the kitchen, and after a few hours the place smelled of cleaning supplies and lemon. Cheddar was quiet and happy in his crate. Dae'Anna came rushing down the hall and did somersaults in the living room.

"This place is huge!" she said. She had never lived in a two-bedroom before.

"It's almost starting to look like a place where you'd want to live," Diamond agreed. "We can work with this."

The movers finished their work, and then her sister went home on the bus. Diamond continued to unpack until her back started to ache and the only boxes left to open were the ones labeled "Rest in Peace!" and then she sat down on the couch. She tried to turn on Castile's TV, but she didn't know how to set it up. She wanted to go lie down, but she didn't know how to rebuild his bed. The apartment was quiet except for the sounds out the window of a car backfiring, distant sirens, and now a dog just beginning to bark in its crate. "Can you help me get Cheddar?" Diamond asked Dae'Anna. Diamond got the leash and opened the crate, but before they could make it to the door Cheddar was peeing on the floor. "Damn it!" Diamond said. She dragged Cheddar back into the kitchen. The floor felt sticky. The sink was covered with grime. The windows were missing their screens. Outside the sirens sounded as if they were coming closer.

"How long do they expect me to live like this?" Diamond said. She went downstairs to find maintenance, and one of the workers was standing outside the main entrance with a cigarette.

"Windows, mirrors, walls — come on now. Let's go," Diamond told him. "You promised me you'd get this done."

"Sorry. We've been extra busy today," the maintenance worker said.

"I'm trying to give y'all a chance," Diamond said. "I was expecting more."

"It's not usually like this," he told her, and when she continued to press, he began to explain the reason for the delay. Residents had been complaining about a tenant who lived down the hall from Diamond, he said. There had been reports of people coming and going with \$20 bills and vacant stares, and the St. Paul police had sent an undercover officer to investigate possible drug activity. Now two maintenance workers were busy helping the officer gain access to the suspect's apartment.

"The police are up there right now," he said.

Diamond shook her head in disbelief. "This is what I was trying to get away from," she said.

She stood there while he finished his cigarette, waiting for him to offer some kind of a solution. He stared back at her and shrugged.

"Sounds like I've found the right place," she said, and then, trying to remain calm, she went back to the boxes upstairs.

Narrative begins on the following page.

On September 16th, 2016 Special Agent Michelle Frascone conducted an interview of Bryan Thomas Hooshang Darouie (10/31/1990) who was described as a witness by Roseville Police Department. Darouie stated on July 6th, 2016 he was at his sister's apartment located at 1687 Fry Street in the City of Falcon Heights. Darouie said he and his sister were sitting in her vehicle while he had a cigarette when they observed a traffic stop "parallel" for where they were parked.

Darouie said he witnessed the officer approach a vehicle he described as a white Oldsmobile, late to early 90's. Darouie said he found it odd because he believed the officer's hand was on his gun as he approached the vehicle. Darouie said he believes the officer was at the vehicle for approximately twenty-second when he heard "yelling" and then four or five gunshots.

Darouie said the officer "seemed like he was panicking and just started yelling fuck over and over again." Darouie said he then heard the officer say "I told him not to go for it once or twice." Darouie said the passengers of the vehicle were removed after the shooting. Darouie said he then witnessed the officer pacing back and forth on the hill where the traffic stop and shooting took place.

SA Frascone asked Darouie if he recalled hearing the officer say anything as he approached the vehicle. Darouie stated "it was so close, but at the same time it was so far away too where you can't really hear anything." Darouie described the traffic at the time of the shooting as "medium light."

Darouie admitted to taking a "snap chat" of the events after the shooting, but said it has since been deleted.

The interview was audio recorded, transcribed and attached to this report. For exact words and verbiage, please refer to the recording and/or transcript. As a result of this activity exhibit 2016-433/102.1 was obtained.

TRANSCRIPT

INTERVIEW DATE:	September 16, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Bryan Thomas Hooshangh Darouie (BD)	INTERVIEWED BY:	SA Michelle Frascone (MF)
REVIEWED BY:	SA Frascone		

MF Today's date is September 16th, 2016 at 3:31 P.M. This is an interview conducted with Bryan, B-R-Y-A-N middle name Thomas, T-H-O-M-A-S second middle name is H-O-O-S-H-A-N-G-H last name spelled D-A-R-O-U-I-E. Is that correct Bryan?

BD That's correct.

MF And your date of birth is 10-3-1990 with a current address of 9061 Woodhill Drive. That's in Savage, Minnesota 55378. And a current cell number of 952-452-2931. I'm Special Agent Michelle Frascone and this in relation to BCA case number 2016-433. Bryan can you tell me um about an incident that was on July 6th, 2016?

BD Yeah.

MF Okay. Can you tell me what you know about that incident?

BD Um so my power was out and my son was just born and I was, not my power my girlfriend's power was out. We are, currently a weird situation. She lives in a place and she's tied down by her lease until this upcoming month here I'm, I just got a house so we're getting into that. But her power was out for a day or so and the cat was there and she was at her parents with a newborn because she needed power and all that. So I was over at her apartment taking care of that and letting her know if the power came back on. And I stepped outside to have a cigarette around 8:00 or 9:00 whenever it happened at that, time that night.

MF Um-hm.

BD And we were in my sister's car in the parking lot eh of the apartment complex. We were in the spot closest to the street so we had a view of everything. And, we saw a car get pulled over. Lights went on and they stopped right across the street. Pretty much diagonally from us. Or parallel I should say. And um, I didn't think too much of it cuz a lotta cars get pulled over on Larpenteur. And I looked over for a brief second and I saw the officer walking over. I can't recall if it was two squads at the time or if the other squad showed up right away but I know when the shooting happened there was two squads there at that point...

MF Okay.

BD ...and time. But I saw the officer walking up to the car and instantly when he got out of his car I thought this was kinda odd but once again I didn't think too much of it cuz I don't know police protocol. He had his hand on his gun, when he was walking up to the car and like I said didn't think too much of it. So I continued doin' my thing. Within a matter of probably twenty seconds after that happened I heard yelling for like maybe half a second and then four or five shots, go off. And then the officer seemed like he was panicking and just started yelling fuck over and over again and then said I told him not to go for it once or twice, after it happened. And then at that point I don't know I, not much more happened that's, what I saw besides after the fact. He went then out of the passenger side of the car after all the

passengers were taken out of the car and he was on the hill over there just walking back and forth yelling over and over to himself and...

MF The officer was?

BD Correct.

MF Okay. Do you, so you explained to me in the parking lot do you know the address of the parking lot that you were in?

BD 1687 Fry Street. So its, it's on the corner of Fry Street and Larpenieur there.

MF Okay. And you and your sister were seated in the vehicle?

BD Correct.

MF Was there anybody else in the vehicle with you?

BD No

MF Okay. And you watched this um vehicle get pulled over. Do you remember what the vehicle looks like? Or looked like?

BD White Oldsmobile. I think it was an Oldsmobile it was, an American car an early 90's maybe late 90's or somethin' like that bigger body sedan.

MF Okay. And you, do you remember or did you hear anything that the officer said when he walked up?

BD It was so close but at the same time it was so far away too where you can't really hear anything.

MF Sure.

BD And there's traffic on that road as well so, no.

MF Okay. Was it heavy traffic? Medium? Light? How would you describe the traffic?

BD Medium light.

MF Okay.

BD And now that you do ask, I did take a snapchat after the fact. However, I didn't save that snapchat.

MF Okay. Do you recall what your snapchat said?

BD What is said?

MF Yep.

BD Didn't say anything it was just a video of, all the officers just coming up and right when they shut down the street.

MF Did you...

BD I'm pretty sure Yanez was in there yelling fuck, too but I didn't save that video it's not something I really wanted to save I deleted it right away after too.

MF Okay.

BD Off of my snapchat timeline

MF Did you send it to anybody? Or timeline it or...

BD I put it on my story.

MF Is it still on your story?

BD No.

MF Okay.

BD No stories only last for twenty-four hours then they're gone and you can't get 'em back if you didn't save 'em.

MF Okay. And then um, you uh noted, have you ever met Officer Yanez before?

BD No.

MF Okay. Have you ever had any involvement or contact with the St. Anthony Police Department?

BD I have not.

MF Okay.

BD No I have not. I'm trying to think I have a car that gets flagged it's kinda low and loud so officers will pull me over but I've never been pulled over in Falcon Heights or St. Anthony.

MF Okay. Bryan is there anything you think I should know that I haven't asked you?

BD Not really.

MF If I have any follow up questions would it be okay if I gave you a call on the cell number you provided?

BD Yes.

MF Perfect. Um I'm gonna go ahead and, and just to confirm before I end our interview you don't have any, recordings of the event of um associated with the event?

BD I do not I believe my sister does but, I do not.

MF Okay. Bryan I'm gonna end our interview at 3:37.

END OF RECORDING.

Narrative begins on the following page.

On 09/16/2016 SA Henning interviewed Nicole Eileen Darouie, DOB: 07/13/1987. The interview took place at Caribou Coffee, located at 2111 Snelling Ave, Roseville, MN. SA Henning recorded the interview, acquisition of exhibit 2016-433/103.1. The recording will be transcribed and attached to this report.

Nicole Darouie had spoken with Roseville Officers on 07/06/2016 after an officer involved shooting in Falcon Heights. Darouie told SA Henning that she was in the parking lot of her brother Bryan's apartment building located at 1687 Fry St. in Falcon Heights.

Darouie advised SA Henning that she was sitting in her vehicle with her brother Bryan smoking a cigarette. Darouie said that she observed the police stop a car on Larpenue Ave and about 20-30 seconds later somebody got shot. SA Henning asked Darouie how far away she was from the incident. Darouie told SA Henning that she was not very good estimating distances. Darouie told SA Henning that the incident occurred across a double lane street. Darouie recalled the vehicle the police had stopped was light colored. Darouie told SA Henning that she believed that there had been two squads that had stopped the lite colored car.

Darouie advised SA Henning that after she had heard the gunshots she observed one of the officers with a baby. Darouie was asked if she had been watching the traffic stop, she said that she had not been watching and looked back after hearing the gunshots. Darouie said she and her brother walked to the street for a better view. She told SA Henning that she observed a female being removed from the car that had been stopped. Darouie said that she stayed around until about 11:00 PM. Darouie showed SA Henning a photograph she had taken of the scene from the parking lot across the street from the incident. The photograph showed several squads on scene including St. Anthony and Roseville Police. Darouie attempted to send the photographs to SA Henning. SA Henning has not received the photographs as of the time of this report. SA Henning has attempted to reconnect with Nicole Darouie but she has not returned telephone calls as of yet.

Darouie told SA Henning that she heard an officer yelling Fuck during the incident, Darouie said she felt something bad had just happened. Darouie advised that she had observed the officers take a person from the lite colored car and give him CPR. Darouie said that she felt this took a long time. She said an ambulance showed up and transported the person receiving medical attention shortly thereafter. The interview was concluded at this point.

This report is a synopsis of this interview, for full detail please see the transcript.

TRANSCRIPT

INTERVIEW DATE:	September 16, 2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Nicole Eileen Darouie (ND)	INTERVIEWED BY:	SA Doug Henning (DH)
REVIEWED BY:			

DH Okay the recorder is going. My name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. I'll just turn that towards you cuz I talk pretty loud so, um the date today is uh September 16th, 2016. Uh this is in reference to case number 2016-433. This'll be an interview with Nicole spelled N-I-C-O-L-E, middle name is Eileen spelled E-I-L-E-E-N, last name is Darouie spelled D-A-R-O-U-I-E. Is that correct?

ND Yep.

DH Your date of birth is 7-13 of 87?

ND Correct.

DH Uh and then your current address is 3100 Virginia Avenue South, Apartment 206, St Louis Park, Minnesota 55426?

ND Correct.

DH And a good contact telephone number for you is 612-300-8078.

ND Correct.

DH Okay. And the reason that I'm sitting here talking to you today is because you witnessed a either a portion or some of uh an incident with an officer involved shooting in Falcon Heights.

ND Yeah.

DH On July 6th, is that correct?

ND Yes.

DH Can you tell me where you were that day?

ND I was across the street in the parking lot from where the shooting happened.

DH Okay and, and were you by yourself or were you with anybody?

ND I was with my brother.

DH Okay what's your brother's name?

ND Bryan.

DH Same last name?

ND Yeah.

DH Okay and then uh just go ahead and tell me what you saw.

ND I pretty much was just sitting in the car. We were smoking a cigarette and um they, the police pulled somebody over and then like twenty, thirty seconds later somebody got shot.

And I told my brother we should go inside there's shooting you know I don't know what's going on. Like this isn't safe he had a one week old baby.

DH Yeah.

ND And then a whole bunch of people started walking up and we heard a bunch a yelling coming from the um where it happened and that's pretty much, my what I saw of it.

DH Okay so about how far away were you from...

ND I'm not really good at the whole feet (inaudible)...

DH Okay so...

ND ...yards uh maybe from where we're sitting...

DH So we're outside and we're sitting outside a restaurant. Um in, in Roseville. So I'm just if you could guess...

ND Maybe to that...

DH Across the parking lot or out in the street maybe?

ND Probably to, across the parking lot.

DH Across the parking lot?

ND Yeah I would, maybe a little bit more than that. (inaudible) street.

DH Maybe on the street?

ND Um, yeah probably to the street.

DH Okay so maybe four or five car lengths away?

ND More than that cuz there was, it was it, it was across the street from where it happened.

DH (inaudible) divided too wasn't it?

ND There, it there was probably like...

DH Concrete divider?

ND ...two lanes. No there's not a divider out there.

DH Okay. There's not?

ND But um, maybe, probably to the street right there yeah.

DH Okay so out into the traffic so...

ND No not into the traffic into this first street.

DH Okay in...

ND It wouldn't be that far.

DH ...in the frontage road?

ND Yeah.

DH Along Snelling Avenue there?

ND Yeah.

DH Okay. Um, and then you said you saw a car being stopped. You remember what color it was?

ND Um like a lighter color. Not, no not really. Maybe like gold-ish, grey-ish.

DH Okay but you're not sure you don't remember?

ND I don't remember exactly no.

DH Okay. Do you recall how many squad cars were there when the car got stopped?

ND I think there was two.

DH Okay.

ND Um and I know that after the shooting happened the one police officer had the baby and he was backing up and to me it just, it I don't, I don't even know.

DH Okay so did you, so did you hear gunshots or?

ND Yeah.

DH Or were you watching?

ND No. We heard.

DH So you were talking to your brother and you...

ND Yeah.

DH ...heard gunshots?

ND Yeah.

DH So at the time of the gunshots you weren't watching anything that was going on?

ND No.

DH So you saw the car being stopped and were like oh it's another car being stopped

ND Yeah

DH And then kinda went back to your conversation?

ND Yeah.

DH And then what drew you back was the sound of, of...

ND Gunshot

DH ...gunfire?

ND Yeah.

DH And then you watched from that time forward?

ND After that, yeah.

DH So, you mentioned that you told your brother we should go inside?

ND Yeah.

DH But you didn't go inside? You stayed out?

ND Yeah cuz there were people walking up from like I don't know what's going on I just...

DH Okay so then what did you do?

ND We walked out to the side of the road where...

DH Okay

ND ...everything happened and we were watching and...

DH Okay. Just tell me what you saw.

ND Um the one police officer had the kid.

DH Okay.

ND And then they made the girl get out of the car and she backed up.
DH Okay.
ND Um and they put her on her knees and then they, arrested her or whatever and...
DH Okay.
ND ...put her in the back of the car.
DH And then what happened?
ND Um and then a whole bunch more police officers came and then like...
DH Okay
ND ...the BCA came and...
DH Okay.
ND ...a whole bunch of people came.
DH So how long did you stay?
ND Um probably 'til like 11:00.
DH Oh so you stayed 'til like 11:00 at night?
ND Yeah they told...
DH Stood there and watched?
ND ...me they really needed me to talk, they really needed to talk to me and that...
DH Okay.
ND ...I should stick around and...
DH Okay.
ND ...I stuck around and then I finally, they closed off the road so then I had to like, drive out to get out to go home cuz I had, you know (inaudible)
DH Did you make any video recordings or anything?
ND Um I might have.
DH Do you still have 'em?
ND Hmm, possibly in my Google backup.
DH In your Google backup?
ND Yeah.
DH Can you check?
ND Yeah.
(pause)
(recording playing, sirens "they just shot somebody")
DH Can I see it?
?M I don't know he just pulled him over. Went out there (inaudible/sirens)
DH And that's the only recording you have?
ND I have a well I just have like pictures, yeah.
(pause)

DH So can you send those to me?

ND Yeah I can send 'em to you but they don't, yeah...

DH Like an email?

ND Yeah.

DH Or, or a text whatever you want to do.

ND Yeah that's fine.

DH So those were all made well after the shooting occurred right?

ND Yeah they weren't...

DH Cuz there's, it seems like there's...

ND (inaudible)

DH ...there's quite a few squad cars there.

ND Yeah this is after (inaudible)

DH So how many pictures and recordings do you have?

ND Um I just, there you go, I have one, two pictures. Three, four picture, five pictures. And then like three recording, one, two... four recordings. One of 'em is only like one's like two seconds long. One of 'em is like six seconds. I think I just...

DH That's alright go ahead and send 'em to me anyway. Just in case I have (inaudible)

(pause)

ND ...see

DH (inaudible) I don't. Is it easier to send 'em to email or just...

ND Or...

DH ...or just text 'em.

ND Just text 'em.

DH Okay. That's fine.

ND Is it 612, 651?

DH 651-

ND Um-hm

DH 239-9101. And they're all short recordings?

ND Yeah there's, that's weird it only shows one recording.

(pause)

DH So and then you mentioned earlier that you sss-said you heard somebody swearing or yelling?

ND Yeah he was, the officer was yelling.

DH What was he saying do you remember?

ND Um I know when he walked off he screamed fuck, fuck like he just, you know something bad had just really happened. Something really bad had just happened.

(dog barking)

(pause)

DH I got 'em. Okay but there's only one, there's only one recording?

ND Um that's all it sent to you I have uh let me see

DH Try sending the other ones.

ND I can sure, I maybe it just put 'em all into one I'm not sure cuz it has this weird little... or maybe it was two.

DH So did you stand there when they took the guy out of the car and everything and (inaudible)

ND Yeah I mean, it took 'em a long time to like try to give him CPR.

DH Okay.

ND Or anything like that.

DH Okay so...

ND And I'm like...

DH ...what...

ND Not CPR or tried to like relieve him or see if he...

DH Okay so what did, what did you see then? Tell me about that.

ND Um they had him on the ground and then finally the ambulance pulled up.

DH Okay.

ND Um, took a while.

DH And nobody was giving him any first aid until the ambulance showed up?

ND No it was like right before it.

DH Right before?

ND I'm pretty sure it was right before it.

DH Okay.

ND It was a while ago so I'm not, you know.

DH You know that's alright.

ND Um it, yeah it I think they were giving him CPR not like or whatever they were doing you know.

DH Okay.

ND I should know this I'm going to school to be a nurse but I'm...

DH Okay.

ND ...newly in my program.

DH Yeah, yeah.

ND Um, they uh it took 'em a while.

DH Okay.

ND I know that he sat in the car for a while and then you know a whole bunch of police car, officers pulled up and, yeah.

DH Okay. Is there anything I haven't asked you that you think is important?

ND Not really.

DH Okay. Did your brother make any recordings that you're aware of?
ND Um I think he snapchatted I don't think he saved it.
DH Okay (inaudible)
ND Cuz I asked him if he did.
DH And that disappears right away right?
ND Yeah.
DH Okay. Um...
ND Cuz I know he sent me a snapchat of it.
DH So anything...
ND After it happened.
DH ...I haven't asked you...
ND No.
DH ...that you think is important?
ND No.
DH Okay.
ND Not really.
DH Okay.
ND I just, I know a lot of his coworkers were up there and, the guys I don't, know if that really...
DH Okay. Well I will uh I'm gonna, I'm gonna end the interview then.
ND Okay.
DH The time right now is 3:40.

END OF RECORDING.

Narrative begins on the following page.

On 09/23/2016 SA Henning met with Steve Rogers with Vista Companies to obtain a GunMate holster. Rogers is employed by Vista which is the parent company of Uncle Mike's. Uncle Mike's produces GunMate holsters. Rogers had been contacted by SSA Olson prior to this date. SSA Olson had requested a copy of the holster found in Philando Castile's property at HCMC when he was treated on 07/06/2016. Rogers gave SA Henning a GunMate holster model 21312, acquisition of exhibit 2016-433/105.1. SA Henning provided the holster to Rick Dusterhoft with the Ramsey County Attorney's Office to be used in conjunction with other replica evidence.

EXPEDITED RESPONSE INTAKE SHEET

T-Mobile Law Enforcement Relations (LER) receives thousands of requests for customer information each year. The only fair method for production is to respond in the order received. We recognize that on occasion, however, our requestors need expedited processing in non-emergency situations. Working requests out of order generally leads to duplication of work, additional delays for some requests and more phone calls due to those delays. All of this involves significant cost and risk to T-Mobile. To meet the needs of our requestors, we are pleased now to offer paid expedited service. The turnaround time for most expedited responses is one (1) business day or less after receiving payment and the legal demand. This is a premium service and not subject to the confines of 18 USC §2706 as we are not charging for the records but for the premium expedited service. T-Mobile will only release expedited records upon payment in full for the service. We will verify the existence of records prior to any charges being incurred. T-Mobile reserves the right to refuse expedited service and change any and all policies or prices regarding such service.sha

ERT Requests are "all or nothing" requests. This means that if a legal demand requests more information than the party seeking the expedite desires, s/he must submit a new legal demand limiting their request or accept the expedited portion as a full response to the original legal demand. A request for limited production must be made explicitly and in writing.

We will not do civil case expedites. We will do criminal defense expedites but NOT in California. Please call LER between 10:00am and 4:00pm ET for more details.

\$50 minimum charge.
\$50 per number charge on CDR requests (past 30 days).
Additional Charges: \$15 for each additional billing cycle (bills - pdf format) or month (xls format; available for up to 90 days) following the most recent 30 days of records.
For Subscriber Info only requests: \$50 Fee (allows for production of 1 number). \$10 for each additional number.
Cell site records with CDR: \$10 extra per number per month (xls format; available for up to 90 days) over normal CDR pricing.
Cell tower dumps: Standard fee is \$100/hr plus \$50 expedites (minimum charge of \$150). If subscriber info is requested on all numbers, the charge will be \$150/hr plus \$50 expedite plus \$50 for every ten subs (minimum charge of \$250).
Criminal Defense expedites will be charged per the normal cost structure plus the \$50 expedite fee.
Any fees that would normally be charged in the normal course of business will have to be prepaid upfront and are in addition to the expedite fee of \$50.

EXPEDITED RESPONSE INTAKE SHEET

T-Mobile Law Enforcement Relations (LER) receives thousands of requests for customer information each year. The only fair method for production is to respond in the order received. We recognize that on occasion, however, our requestors need expedited processing in non-emergency situations. Working requests out of order generally leads to duplication of work, additional delays for some requests and more phone calls due to those delays. All of this involves significant cost and risk to T-Mobile. To meet the needs of our requestors, we are pleased now to offer paid expedited service. The turnaround time for most expedited responses is one (1) business day or less after receiving payment and the legal demand. This is a premium service and not subject to the confines of 18 USC §2706 as we are not charging for the records but for the premium expedited service. T-Mobile will only release expedited records upon payment in full for the service. We will verify the existence of records prior to any charges being incurred. T-Mobile reserves the right to refuse expedited service and change any and all policies or prices regarding such service.sha

ERT Requests are "all or nothing" requests. This means that if a legal demand requests more information than the party seeking the expedite desires, s/he must submit a new legal demand limiting their request or accept the expedited portion as a full response to the original legal demand. A request for limited production must be made explicitly and in writing.

We will not do civil case expedites. We will do criminal defense expedites but NOT in California. Please call LER between 10:00am and 4:00pm ET for more details.

\$50 minimum charge.
\$50 per number charge on CDR requests (past 30 days).
Additional Charges: \$15 for each additional billing cycle (bills - pdf format) or month (xls format; available for up to 90 days) following the most recent 30 days of records.
For Subscriber Info only requests: \$50 Fee (allows for production of 1 number). \$10 for each additional number.
Cell site records with CDR: \$10 extra per number per month (xls format; available for up to 90 days) over normal CDR pricing.
Cell tower dumps: Standard fee is \$100/hr plus \$50 expedites (minimum charge of \$150). If subscriber info is requested on all numbers, the charge will be \$150/hr plus \$50 expedite plus \$50 for every ten subs (minimum charge of \$250).
Criminal Defense expedites will be charged per the normal cost structure plus the \$50 expedite fee.
Any fees that would normally be charged in the normal course of business will have to be prepaid upfront and are in addition to the expedite fee of \$50.

Narrative begins on the following page.

On 08/10/2016 SA Henning requested an Administrative subpoena be sent to AT&T for records related to cellular telephone number [REDACTED] (Joseph Kauser). This information was made due to the request for these records from the Ramsey County Attorney's Office. SA Henning received the records and placed them on a DVD which will be held as evidence, acquisition of exhibit 2016-433/109.1. SA Henning has also attached the records to this report.

AT&T has queried for records using Central Time Zone. AT&T's records are stored and provided in UTC.

You are hereby commanded, pursuant to Minn. Stat. Sec 8.16, to produce, forthwith, the following records, at the MINNESOTA BUREAU OF CRIMINAL APPREHENSION (BCA), 1430 E Maryland Ave, Saint Paul, MN 55106, (651) 793-7000, these records being relevant to an official felony criminal investigation being conducted by the BCA:

DESCRIPTION OF RECORDS

TT - 1 [REDACTED]

Please provide:

- (1) Current or last known subscriber's address, birth date & SSN. (2) any additional names or telephone numbers associated with this subscriber (3) phone numbers IMEI, IMSI & ESN (4) beginning & ending service dates (5) any account notes (6) log of Incoming & outgoing calls and log of Incoming & outgoing MMS/SMS message calls from

Date Range - 07/06/2016 at 2100 hrs through 07/07/2016 at midnight

If date range is left blank provide the most current information

WARNING: Minn. Stat. Sec. 8.16, Subd. 4, You are required not to disclose the existence of this request to your subscriber. Any such disclosure could impede the investigation being conducted and thereby interfere with the enforcement of the law.

WARNING: Minn. State. Sec 8.16 Subd. 4, You may not disclose to any other person the fact that this subpoena has been issued or the fact that the requested records have been produced except:

- (1) Insofar as the disclosure is necessary to find and produce the records, or
(2) pursuant to court order.

WARNING: Minn. Stat. Sec 8.16, subd. 5, provides that the willful failure to produce the records is a crime.

You may comply with this subpoena by E-Mail Megan.McClellan@state.mn.us

to Special Agent Doug Henning via Criminal Analyst Megan McClellan

or you may mail information to the BCA or fax (651) 793-1067

You may submit an itemized bill for reasonable expenses incurred in producing the records.

Date: 08/11/2016

Case #: 2016-433

Case #: OIS

Subpoena #16-01217

I hereby certify that the records
requested are relevant to a
legitimate ongoing law
enforcement investigation.

INTERVIEW DATE:	July 6, 2016 @ 21:06:33	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Squad Video	INTERVIEWED BY:	Tressa Sunde
REVIEWED BY:	SA Frascone		

TS- Tressa Sunde
JY- Jeronimo Yanez
JA- Joe Adams
JK- Joe Kauser
BA- Bryan Anderson
JS- Jeff Speiss

JA Hey Tressa
TS Hey.
JA You want, you want to replace me?
TS (inaudible)
UO Ready, I am going (inaudible) Ready?
JA I don't know anything about this but... So for the officer's statement or whatever there are going to be a certain amount of questions (inaudible) ask.
TS Okay
JA So just ask him if he accounts for everybody, and which direction he fired his weapon, if there's any outstanding suspects. I wouldn't ask him anything else.
TS Okay. Where is he now?
JA He is (inaudible) over there.
(walking)
TS I gotta talk to Mo just quick
(walking/sirens/inaudible voices in background)
TS You okay?
JY I'm fucked up right now.
TS Ok. I need you just to breathe, okay, breathe. Which direction did you fire your weapon?
JY Right at the driver, I had it right out.
TS Okay
JY I had it pointed down, I don't know how many rounds I let out or anything.
TS Okay So you were? I just need to know which one is your car. Right here?
JY Mine is the one that was pulling him over

TS Okay. So you pointed just directly ahead of...

JY Just directly at him, I had it at my waist

TS Was his sitting in the car? Was he...

JY He was sitting in the car, seat belted. I told him, can I see your license. And then, he told me he had a firearm. I told him not to reach for it and (sigh) when he went down to grab, I told him not to reach for it (clears throat) and then he kept it right there, and I told him to take his hands off of it, and then he (sigh) he had his, his grip a lot wider than a wallet

TS Okay

JY And I don't know where the gun was, he didn't tell me where the fucking gun was.

TS Okay

JY And then it was just getting hinky, he gave, he was just staring straight ahead, and then I was, gettin' fucking nervous, and then, I told him, I know uh I know fucking I told him to get his fucking hand off of his gun.

TS Okay, Okay is everybody, is everybody...

JY (sigh) Fuck!

TS Shh, Is everybody in custody? Do we have everybody?

JY Yeah

TS Were there...

JY There was just...

TS ...two people in the car?

JY Three people in the car.

TS Three people in the car.

JY There was a female, the front seat passenger and the (sigh) little girl in the back...

TS Breathe, breathe

JY Dude... (inaudible)

JA From having been through this before (inaudible)

JY (inaudible)

TS Okay just listen, listen. Okay.

JA So I know, I know you want to talk about this.

JY (heavy breathing)

JA But there's things we need to know.

TS Yep.

JA If there's any...

JY (heavy breathing)

JA ...other suspects. You said no.

TS Yep.

JA Which direction...

JY (heavy breathing)

JA ...did you fire your weapon?
TS Yep.
JY I had it down at the hip, I had it pointed down.
JA (inaudible)
JY At a diagonal.
JA Okay, no so where did (inaudible)
JY Into the car.
JA Okay.
JY All the rounds are in the car.
JA Okay, okay...
TS Okay.
JA Good work... And there's no other outstanding suspects and nobody else is injured that you know of?
JY Nobody else is injured that I know of. (sigh)
JA Okay,
TS Okay. Let's...
JA Let's get you out of here buddy.
TS Yep. Joe you're his okay, take him to the office, and we got people comin' okay
JY (inaudible) let me just catch my...
TS Okay.
JY ...fucking breath (inaudible)
TS Nope it's Okay
JY I got to...
TS You got time, you got nothing but time
JK I've got the passengers in my car right now.
JY How is the little girl?
JK She's okay
JY And the lady?
JK They're fine...
JY Fuck
JK They're fine
TS Just breath, okay.
JY (sigh)
TS We got you here, alright?
JK Is this your blood or his blood Mo?
JY This is my fucking blood
TS Where are you hurt?

JY Fuckin', I didn't get both my hands on my gun.
JK So pinched into the slide?
JY Yeah
TS Okay, alright.
JY (heavy breathing).
TS When you're ready, when you're ready.
JK Do you want to put the passengers in your car then?
TS Yep, um, yep. And then we'll have you just take him to the office and stay with him.
BA I have an open car too,
TS Yep.
TS Okay why don't we put him in yours for now.
JA You guys have anyone else on?
JY (heavy breathing) I'm sorry.
TS No.
JY I fuckin' I don't mean to hold you guys up
TS No-no-no-no
JA Mo, Jeronimo, you did a great job buddy.
TS Yep.
JA You did a good job. Okay
TS Billy can you go with him
JK Do you want to have me take him in my car? Or do you want to have him drive himself and me follow?
TS No, he's not driving
JK Okay
TS Uh he's not driving. Maybe, do you have somebody that can go with?
JA With you?
TS Um-hm.
JA Yeah, absolutely
TS I'm not, I'm going stay here just for a little...
JA Bryan do you want to go with Mo? You can take Bry's car if you guys want to
TS Why don't we do that um because I think we're, we might need his when the BCA comes
JK Yeah...I was there, I saw the whole thing
TS Yeah.
JA Yeah so go ahead and go back with these guys
JA um did uh, do you want him (inaudible) for legal purposes (inaudible) anybody else is (inaudible), anybody else is injured. I think that (inaudible)
TS Yeah

JA Um if you need anybody else just let us know obviously you are gonna have Mo sit in the front seat.

TS Yeah

JA Yeah we'll just have him, do you want him to ride with Bry?

TS Yeah.

JA Okay.

TS If that's okay.

UO Yeah that's (inaudible)

JK That's okay and then I'll just follow you guys out or you guys can me out, whatever

TS Okay

JA So it'll be you cuz you have the people out of your car that you need out of your car.

JK Uh they're in my car right now.

TS They're in your car but...

JA Do you want to take Tressa's car?

TS Yeah I think, he...

JK Do you want to put them in your car because my, my camera wasn't on.

JA It was or was not?

JK Was not.

JA (inaudible)

TS I would just... My, my thoughts are, his car is involved they might want to know where the cars were during this.

JA Yep. So,

TS So, let me grab my phone that I'm gonna need out of my car and you just take my car

JK Okay, I'll grab, I'll grab my bag out of my car. I'll just switch with your stuff from the car

JA (inaudible)

JK Okay I'm gonna grab my bag.

JA Okay, Bry did you grab your squad

(pause/background noise/radio traffic)

TS Not, not yet hun, not yet.

(inaudible/multiple voices and background noise)

(Telephone Call)

TS Hey.

JS What's going on?

TS Officer Involved shooting

JS With who?

TS Mo and some guy that on a, on a traffic stop

JS Is Mo okay?

TS Uh he's going to the office I've got him with Joe and a Roseville Cop going with him

JS Is there a weapon that you have recovered?

TS (Inaudible)

JS (Inaudible)

TS Uh...

(static/occasional background noise)

END OF RECORDING.

Yanez audio Squad151

At approx. 00:30 on recording background noise/static

Approx. 01:03 on recording:

JY Hello sir.

PC (inaudible), how are you?

JY Good. Uh reason I pulled you over do you, your brake lights are out. So you only have one activated, active brake light and that's gonna be your passenger side one. Your third brake light which is up here on top...

DR (inaudible)

JY ...and then this one back here is gonna be out.

PC (inaudible)

JY You have your license and insurance?

(pause/background noise)

PC Sir I, I have to tell you I do have a...

JY Okay.

PC ...firearm on me.

JY Okay.

PC I (inaudible)

JY Don't reach for it then.

PC I'm, I, I was reaching for...

JY Don't pull it out.

PC I'm not pulling it out.

DR (inaudible)

JY Don't pull it out.

(gunshots)

DR You just killed my boyfriend
CH (crying)
DR (inaudible) you just killed my boyfriend (inaudible) he wasn't reaching...
JY Don't pull it out!
DR He wasn't
JY Don't move! Fuck.
DR Oh man I can't believe you just did that
JY Fuck. Fuck!
DR Oh my God.
JY Don't move!
DR Oh my (inaudible)
JY Don't move!
DR Oh my God I'm shaking
JY Don't move!
DR Don't move baby.
JY Code 3. Get the baby girl outta here. Oh fuck.
DR Don't, don't (inaudible) sir.
JY Don't move!
DR Don't move baby, please
JY Fuck.
DR Stay with me.
JY 69-21 get a, medic here code 3. Shots fired. Oh fuck! (heavy breath)
DR Stay with me.
JY Medics code 3!
DR we got pulled over for a busted tail light in the back. And the police fucking
JY Fuck.
DR ...he, he (inaudible)
JY (deep breath) Fuck!
DR ...my boyfriend. He's licensed. He's carries cuz he's licensed to carry. He was trying to get out his ID in his wallet out his um, pocket and he let the officer know, that he was...
JY (heavy breathing)
DR ...(inaudible) he had a firearm...
JY (heavy breathing)
DR ...(inaudible) wallet. And the officer (inaudible)
JY Ma'am just keep your hands where they are.

DR I will sir. I will sir
JY (heavy breathing) Fuck!
DR He shot his arm off.
JY (heavy breathing)...
DR ...on Larpenteur and (inaudible)
JY I told him not to reach for it. I told him to get his hand off it.
DR He had to get his ID sir his driver's license. Oh my God please don't tell me he's dead.
JY (heavy breathing) oh fuck.
DR Please don't tell me my boyfriend is dead.
JY Just keep your hands where they are please.
DR Yes I will sir I'll keep my hands where they are.
JY (heavy breathing)
DR Please don't tell me he's dead.
JY (heavy breathing)
DR Please don't tell me that he's gone. (inaudible)
JY (heavy breathing)
DR You shot four bullets into him sir.
JY (heavy breathing)
DR He was just getting his license and his registration sir.
JY (heavy breathing)
JK (inaudible)
JY Get the female passenger out.
JK Ma'am exit the car right now with your hands up. Let me see your hands. Exit now.
JY (heavy breathing)
JK Keep 'em up. Keep 'em up.
DR Where is my daughter? Who's got my daughter?
JK Keep listening to me, walk backwards.
JY (heavy breathing)
JK Walk backwards towards me. Keep walking. Keep walking.
JY (heavy breathing)
JK (inaudible)
JY 69 10, one adult (sigh) 69 21 I'm sorry one adult female been taken into custody. Driver, (heavy breathing) at gunpoint. (sigh) juvenile female, child is with 69 20. May....couple other squads block off intersections (sirens) (inaudible) get supervisor is here. Uh page them out

OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Diamond Reynolds (DR) Philandro Castile (PC) Officer J. Yanez (JY) Dae-Anna Reynolds (CR) Ofc. J. Kauser (JK)	INTERVIEWED BY:	
REVIEWED BY:	SA Frascone		

DR Stay with me. We got pulled over for a busted tail light in the back. And the police just he's, he's, he's covered. He, they just killed my boyfriend.

JY Fuck

DR He's licensed. He's carried, he is licensed to carry

PC (moaning)

DR He was trying to get out his ID in his wallet out his um pocket and he let the officer know that he was, reach he had a firearm and he was reaching for his wallet and the officer just shot him in his arm. We're waiting for a backup....

JY Ma'am please keep your hands where they are.

DR I will sir. No worries. I will.

JY Fuck!

DR He just shot his arm off. We got pulled over...

JY fuck

DR ...on Larpenteur.

JY I told him not to reach for it. I told him to get his hand up out

DR He had, you told him to get his ID sir and his driver's license. Oh my God please don't tell me he's dead.

JY (heavy breathing) Oh fuck

DR Please don't tell me my boyfriend just went like that.

JY Keep your hands where they are please.

DR Yes I will sir. I'll keep my hands where they are.

JY (heavy breathing)

DR Please don't tell me this Lord, please Jesus don't tell me that he's gone. Please don't tell me that he's gone. Please officer don't tell me that you just did this to him. You shot four bullets, into him sir. He was just getting his license and registration sir.

JY Get the female passenger out.

JK Ma'am exit the car right now with your hands up. Let me see your hands. Exit now! Keep 'em up. Keep 'em up! Face away...

DR Where is my daughter. You got my daughter?

JK Face away from me and walk backwards. Walk backwards towards me. Keep walking. Walk backwards. Keep walking. Keep walking. Keep walking. Get on your knees. Get on your knees.

DR (inaudible)

CR (crying in background)

(clicking noise-handcuffs)

DR (inaudible) why am I being arrested?

JK Ma'am you're just being detained right now until we get this all sorted out, okay?

DR They threw my phone Facebook.

(sirens)

DR Please don't tell me, please don't tell me lord...

JK (inaudible)

(sirens continuing)

DR Okay please...

JK do you have any weapons or anything?

DR No please don't tell me that my (inaudible), here take it off my hands.

(sirens continuing)

DR Please don't tell me he's gone.

(sirens)

DR Please Jesus no, please noooooo, please no...

JK stand up and walk over with me

DR ...don't let him be (inaudible)

(inaudible/multiple voices)

JY Fuck!

(inaudible/multiple voices)

DR ...he tried to shoot him, he tried to shoot him for no reason

JK okay

DR (inaudible) shoot him for no reason.

(engine running/inaudible voices)

JY Fuck you. Fuck!

(sirens)

(inaudible/multiple voices/engine running)

JY Fuck, fucking A...

DR (inaudible) his wallet, his license and registration you told him to get it sir. You told him (inaudible) and he was gonna take it off. Please don't tell me my boyfriend's gone.

DR He don't deserve this. Please. He's a good man he works for St. Paul Public Schools. He doesn't have no, records of anything. He never been in jail. Anything. He's not a gang member, anything. (inaudible) please don't (inaudible) please Lord make sure that he's okay and he's breathing Lord. Please, please (inaudible) just kill these people like this Lord just spare him (inaudible). Please Lord you know I'm right Lord you know we are innocent people Lord. We are innocent people. We are innocent people (inaudible). We are innocent my four year old and (inaudible)

(inaudible/multiple voices/sirens)

JK I'll talk to my supervisor (inaudible)

DR Can you get my purse it's on the floor....

JK Could you stand right here sweetie I'm just gonna (inaudible)

CR uh, I want to get my mommy's purse

JK I'll get it, I'll, I'll take care of that okay can you just stand right here for me?

DR Stand right here, don't (inaudible)

JK Can you, can you search her before (inaudible)

(inaudible/multiple voices/engine running)

JK I can't it's gotta be processed okay. (inaudible)

(inaudible/multiple voices/background noise)

JK Is that your, is that your phone?

DR We in the back seat of the police car.

(radio traffic/inaudible)

DR Phil's sister call me. The police just shot my boyfriend for no apparent reason. My phone is about to die. They shot him. He shot him three times cuz we had a busted tail light. He asked him for license and registration. He told him that man that it was in his wallet. But he had a lic, a, a pistol on him because he's licensed to carry. And the officer told him don't move and as he was putting his hands back up the officer shot him in his arm about four or five times.

(radio traffic)

DR I'm on Larpenteur and Fry. Whoever can come to Larpenteur and Fry that's where I'm at. I'm gonna need a ride home. We is on Larpenteur and Fry. Allisay if you can come to Larpenteur and Fry we right here in Roseville. We got the Roseville Police they got me handcuffed. My phone is about to die. I'm on Larpenteur and Fry. This the, the Roseville Police Department just shot my boyfriend.

(radio traffic)

DR They shot him four times. He's licensed to carry. We had a busted tail light.

(radio traffic)

DR And we had some weed in the car, that's about it.

(radio traffic)

DR It was a Chinese police officer that shot him. He's Chinese. He's about five, five – five, six and a half. Heavy set guy. He asked him for his license and registration which was in the back of his pocket cuz he keeps his wallet in his pocket. And as he went to reach he let the officer know, before he was, reaching that he had a firearm on him. And before he can let the officer know anything the officer took off shots. About four or five rounds was shot. And,

my boyfriend I don't know what condition he's in. I don't know if he's okay or if he's not okay. I'm in a backseat of the police hand car in the backseat of the police car, handcuffed. I need a ride. I'm on Larpenteur and Fry. They got machine guns pointed...

CR I'm scared mommy..

DR Don't be scared. My daughter just witnessed this. The police just shot him for no apparent reason. No reason at all. They asked for license and registration. That's the police officer over there that did it. With the black on him. I can't really do shit cuz they got me handcuffed.

CR It's okay mommy.

DR I can't believe they just did this. I'm fuckin', FUUCCKK(yelling)

CR It's okay I'm right here with you.

DR (crying)

(radio traffic)

DR Ya all please pray for us Jesus please ya all. I asked everybody on Facebook, everybody that's watching, everybody that's tuned in please pray for us. Sister I know I just dropped you off but I need to be picked up. I need Allisay to call my phone.

REPORT ON THE EXAMINATION OF PHYSICAL EVIDENCE

Firearms 08/24/2016

Laboratory Number: S16-07434
Section Reporting: Firearms
Case Type: Officer Involved Shooting/with a Death
Requesting Agency: BCA St. Paul
Agency Case Number: 2016433
County: Ramsey

Principals: Jeronimo Yanez; Joseph [REDACTED] Kauser; Philando Divali Castile

Description of Submitted Evidence:

Item	Type and Packaging	Description/Source
6	One cardboard box containing evidence classified as a pistol	Diamondback Model DB FS Nine 9x19 (9mm Luger) caliber bearing serial number FB6884 and a magazine with ammunition
6C	One manila envelope containing evidence classified as test specimens	test fired bullets and cartridge cases from Item 6 (NJP - 8/15/2016)

Results of Laboratory Examination:

Images of a test fired cartridge case from Item 6 (a Diamondback Model DB FS Nine 9mm Luger caliber pistol bearing serial number FB6884, a magazine and ammunition) were entered into the Minnesota firearms database. A search of the database failed to reveal any items that matched Item 6. If future searches of the database reveal a potential match with Item 6, your agency will be notified and further comparisons can be made.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Erica A. Henderson

Erica Henderson
Forensic Scientist

Disposition of Evidence:

Evidence will be held in the lab pending analysis. Item 6C will be retained by the laboratory.

Lab No. S16-07434
Report No. 11

Attention: SA Doug Henning

REPORT ON THE EXAMINATION OF PHYSICAL EVIDENCE

Firearms 09/21/2016

Laboratory Number: S16-07434
Section Reporting: Firearms
Case Type: Officer Involved Shooting/with a Death

Requesting Agency: BCA St. Paul
Agency Case Number: 2016433
County: Ramsey

Principals: Jeronimo Yanez; Joseph [REDACTED] Kauser; Philando Divall Castile

Description of Submitted Evidence:

Item	Type and Packaging	Description/Source
15	One plastic bag containing evidence classified as a pistol	SIG Sauer Model P220 bearing serial number 37A008090 with cartridges from the chamber and magazine
16	One cardboard box containing evidence classified as an item of evidence	property and clothing from Philando Castile in multiple sealed paper bags
30	One brown paper bag containing evidence classified as ammunition	partial box of Federal Premium Law Enforcement 45 Auto caliber 230 grain HST Tactical Ammunition

Results of Laboratory Examination:

Ten holes and one group of holes were observed in the left side of Item 16B (a T-shirt said to be the exterior layer of clothing on the upper body of Philando Castile), which were identified as A through K for examination purposes. The areas around these holes were visually examined and chemically processed for the presence of gunshot residues.

A pattern of residues was found around Hole J, in the lower left side of Item 16B. Using Item 15 (a SIG Sauer Model P220 45 Auto caliber pistol bearing serial number 37A008090) and six cartridges from Item 30 (ammunition), the pattern of residues was reproduced at a distance of between 6 inches and 24 inches.

Residues were found in the area of Hole B, in the left arm of Item 16B, which are consistent with the passage of a bullet. Because of the location and distribution of the residues, the results of the examination were inconclusive.

Residues were found around Hole D, in the left arm of Item 16B, which are consistent with the passage of a bullet. However, without a discernible pattern of residues, a muzzle-to-target distance could not be determined.

Residues were found around the holes of area I (a group of small holes), in the upper left side of Item 16B, which are consistent with the passage of bullet fragments. However, without a discernible pattern of residues, a muzzle-to-target distance could not be determined.

The presence of residues was indicated in the area of Holes C, F and H, in the left arm of and upper left side of Item 16B. However, without a discernible pattern of residues, a muzzle-to-target distance cannot be determined.

No residues were found around Holes A, G and K, in the left arm and upper left side of Item 16B.

The remaining clothing of Item 16 was not examined.

Per BCA Special Agent Doug Henning, no ejection pattern determination on Item 15 is needed at this time.

I hereby certify that the above report is true and accurate and represents my opinions and interpretations.

Nathaniel J. Pearlson
Forensic Scientist 3

Disposition of Evidence:

Please pick up your evidence.

Title: Animal Complaint

Created By: Elliot Erdman

On 5/3/15, I (Erdman) received a radio call of an animal complaint at 3001 Armour Terrace. The RP reported that they were having problems with loose dogs in the area. I believed the call to not be in progress at that time. Due to unrelated priority calls, and minimum staffing, I had not responded to the area.

I attempted to call the RP immediately following one of the priority calls. There was no answer. I left a message for the RP, apologizing for the delay, stating that I would follow up with her the following day. A short time later, I received a return radio call for the address, stating that the dog was still loose in the area.

I responded to the scene and made contact with the RP by telephone. The RP (Anderson) advised that she had seen two strange dogs outside of her home, earlier in the day. She stated that she had never seen them before and did not know who the owners were. She advised that she attempted to approach one of the dogs, which attempted to nip at her. She stated that both dog's have collars that made a jingling noise, but that she was not able to see any

identification. The dogs were described as possibly Beagle mixes; one taller and one smaller grey colored dog.

Anderson stated that while we were speaking, she also wanted information documented regarding her neighbor's at 3101 Bell Ln. Anderson stated that the occupants are renters and that the home is owned by Wade Skarsten. Anderson advised that the neighbor's dogs have been coming in to her yard and garden to use the bathroom. She also stated that they are loud, excessively barking. Anderson stated that approximately one week earlier, she confronted a female neighbor about her dog using her yard. Anderson stated that the conversation was civil. Anderson stated that the following day, the neighbors dog was back in her yard, defecating on the lawn. She advised that she wanted the information documented and that multiple police contacts regarding the issue were in violation of the tenant's lease.

At that time, I did not witness any audible barking or loose dogs in the area. Clear / Assisted.

Anderson requesting a phone call from an officer reference an ongoing issue with the neighbor at 3105 Bell Ln allowing her dogs to roam freely, going to the bathroom in her yard. She has contacted the police several times and the problem persists. Stated the dogs were in her back yard yet again last night. Advised her to call when dogs are loose and be specific about addresses so responding officer can try to observe the violation. After researching this

situation, I found that Anderson has contacted our department several times and that the owner of the dog was spoken to by Officer South. I requested that our city staff mail a dog-at-large letter to Zaccardi.

On 09-03-15 at roughly 1205 hours, Antonia Zaccardi came into our police department with the dog-at-large letter in hand. He told me that their dog has wandered into the complainant's yard once, ever, and the police were called. He stated that she has been verbally threatening to his wife and that the dogs stay in their yard. He wanted to clarify that point and stated that they are doing their best to be good neighbors but the complainant seems to have issues with several of her neighbors. I told him that every citizen reserves the right to contact police and that he, too, can call if the complainant gets threatening. I told him our department's policy of sending letters prior to any citations being issued. He says that they are living in their dream home and plan on buying it next year and don't want any trouble. I told him that we haven't received any calls from the complainant since the letter was sent. He wanted our conversation documented.

Title: Animal Complaint

Created By: Jim South

On 5-8-15 at approximately 1800 hrs, Squad 6910 (Officer South) received a call via radio in regards to an animal complaint at 3001 Armour Terrace. The caller stated there was an unleashed beagle with no collar in her back yard.

Upon my arrival I made contact with the RP, Deanna Anderson. Anderson stated that she had called and filed a report in regards to this same dog on 5-4-15 (CN 15004262). Anderson advised that she is aware of the owners are (3105 Bell Ln). She stated she has spoken to the owners as well as the landlord of the property at 3105 Bell LN. Anderson stated that today she came out into her back yard and found the dog in her garden and that the dog had dug up her new tomato plants and urinated in several different places in her back yard. She stated she took photos and that the landlord has been made aware. I advised her that I would go to the residence and speak with the tenants and

advised them of the ordinances within the city.

I then went to 3105 Bell Ln and spoke with the female resident who identified herself as Elizabeth Zaccardi. Zaccardi stated that they have lived there since April 1st. I then asked her if she was aware of the animal ordinances and she stated she thought she was. I then advised her about dogs at large, barking dogs and unlicensed dogs. She stated that the last house they lived at they had a backyard. Se said that today her 4 year old daughter let the dogs out without her knowing. I then spoke with the daughter and advised her as well. Zaccardi stated that it would not happen again and I advised her that any such future complaints could result in a citation.

Title: Animal Complaint

Created By: Jeronimo Yanez

On 09/10/2015 at 2119 hours, I (Officer Yanez) was dispatched to 3001 Armour Terrace for a dog

bite. Dispatch notes advised that Deanna Kay Anderson was at North Memorial Urgent Care being treated for a dog bite from her neighbor's (Elizabeth and Antonio Zaccardi; 3105 Bell Ln.) dog (Lulu; adult Beagle).

I called Deanna and asked her what happened. Deanna told me that on 09/10/2015 between 1815-1830 hours, she was trimming her tree in her backyard and her neighbor's Beagle dog (Lulu) ran straight towards her and bit her on the left upper ankle without being provoked. Deanna stated that she wanted the vaccination records for the dog for the doctor. She stated that she was at North Memorial Urgent Care (1955 Co. Rd. B2 W., Roseville, MN.). She then told me that she was meeting with the doctor (Jeffery Flynn; MD) about her wound. Deanna then asked me if I could go speak with the Zaccardis because she was too afraid to tell them about the dog bite and ask them for the dog's vaccination records. I asked Deanna to describe the dog that bit her. Deanna told me that it was a larger type dog that looked like a typical beagle. She described the dog to have a black, white, and brown colored coat and that was it. I hung up and went over to 3105 Bell Ln.

I knocked on the front door and Elizabeth answered. She was confused as to why I was there and greeted me very nicely. I observed her beagle (Lulu) waddling around the corner and come to the front door. I observed Lulu and she appeared to be healthy. I told her that I was meeting with her because her neighbor reported that Lulu bit her at about 1815 hours. Elizabeth became very upset and began to cry. Immediately after, she told me that the dog bite could not have happened because nobody was home during that time. Elizabeth told me that she will have witnesses come in to report that she was at Grumpy's in Northeast during that time. She began to vent about how much stress Deanna has put their family through because she thinks Elizabeth's dogs are a problem. Elizabeth also told me that Antonio and herself are the only people that are able to get in and out of the house.

Elizabeth continued to tell me they have been having neighbor issues with Deanna because she does not like the dogs. Elizabeth states they never go into her yard and always stay in theirs.

I told Elizabeth that she needed to bring copies of Lulu's dog vaccines to the police department tomorrow. Elizabeth stated the vaccinations are up to date and she will bring them in even though the bite did not happen. I also told her she needs to watch her dog in a quarantine type of environment. She was told to call the police department with any changes in her dogs behavior or health.

After speaking with Elizabeth, I went to meet Deanna at urgent care in Roseville. I was greeted by the doctor (Flynn) and Deanna. I asked the doctor if he believed the bite marks were consistent with a dog bite and he stated they were. I asked if they could remove the bandage on Deanna's wounds and the bandage was removed. I observed two puncture wounds. The wounds appeared to be clean. There were no other marks, scrapes, or bruising around the puncture wounds. I took photos of the wounds and entered them into the case. The bandage was put back on the puncture wounds. I asked Deanna if she saw the dog bite her and she stated that she did not. She stated that she just felt a sharp pain. I then asked Deanna if I could speak to her in private, so we walked outside to the front of my squad.

I asked Deanna what exactly happened. Deanna told me that she was trimming a tree near the property lines between her home and the Zaccardi's home between 1730-1830 hours. (At this time, I began to detect the strong odor of an alcoholic beverage coming from Deanna's breath.) Deanna continued to tell me she was bitten by Lulu between 1800-1815 hours. She described the dog as a larger Beagle. Deanna also told me that Elizabeth was out with the dogs during that time. She continued to say the dog ran around one of the bushes she was near and may have become scared or startled by her being there and that is why she was bitten. After Deanna was bitten by the dog, she told me that she saw the dogs run to the back door and Elizabeth gathering them up to bring them

inside. I told Deanna that Elizabeth told me she was not home during the time she was bitten. Deanna told me she had an email that she sent to thier landlord to tell me the exact time that it happened.

I asked Deanna why she didn't call 911 and she told me because she was in so much pain, she wanted to speak with her clinic. Deanna told me during this time, she was emailing an update to their landlord about what she was doing. The email she sent to their landlord was sent at 1833 hours. I asked Deanna if she was sure about everything she was telling me and she told me that she sure.

I asked if she has been having problems with the Zaccardi's and she told me that she is having problems. She states that she is concerned for her neighbors well being because they are elderly and she dislikes when they go to the bathroom in her yard. I asked Deanna if she was sure about the time frame of when she was bitten and she began to say she was unsure. Deanna told me there have been a few confrontations between her and Elizabeth about the dogs but it has all been verbal disputes.

I asked Deanna if she had been drinking and she immediately began to chew a lemon scented type candy to mask the odor of alcohol on her breath. She then stumbled over her words told me that she had a cold and she took cold medicine. I asked her again if she had been drinking and she told me she had been coughing.

I asked Deanna if she needed anything else from me and she told me she just wanted the vaccination records.

I went back over to the Zaccardi's home and photographed Lulu's teeth. While Elizabeth and I were doing this, the dog was calm and did not even growl. The dog did not show any signs of frustration. The pictures of the dog's teeth were entered into this case.

Supplemental Report

ICR: 15008705

Last Modified: 09-21-2015 1223

Title: Animal Complaint

Created By: Dale Moore

On 09-11-15 at approximately 1000 hours, the dog owners (Elizabeth and Antonio) came to the police department to discuss the incident. They denied their dog was even outside the time of the alleged bite.

I (Officer Moore) obtained the current vaccination records and added a copy to the case file. The dog is current with the rabies vaccination and does not expire until 09-17-17.

At 1050 hours, Det. Briski and I met with Deanna at her residence. She gave the following account: She was doing yard maintenance and tending to the back yard near her property line. The dogs were let out of the back door by Elizabeth and were not restrained. The "Beagle-type" dog, "Lulu," ran into her yard and collided with her left leg. She just thought the dog ran into her and did not know or think she had been bitten until later. Her leg continued to hurt so she looked at the back of her leg and noticed two marks on the bottom of her calf above her ankle (see attached photos).

I viewed her left leg and observed they were 2 marks parallel with the ground. The wound was clean and well maintained. I could not tell if the marks were puncture wounds or surface abrasions. I took photos of the injury with a ruler to mark the distance (less than an inch - 13/16th's inch apart).

I brought up the fact of the marks being so close together with Deanna, but she claimed the doctor told her it was a bite from both the upper and lower jaws of the dog. I did not view any medical records at that time.

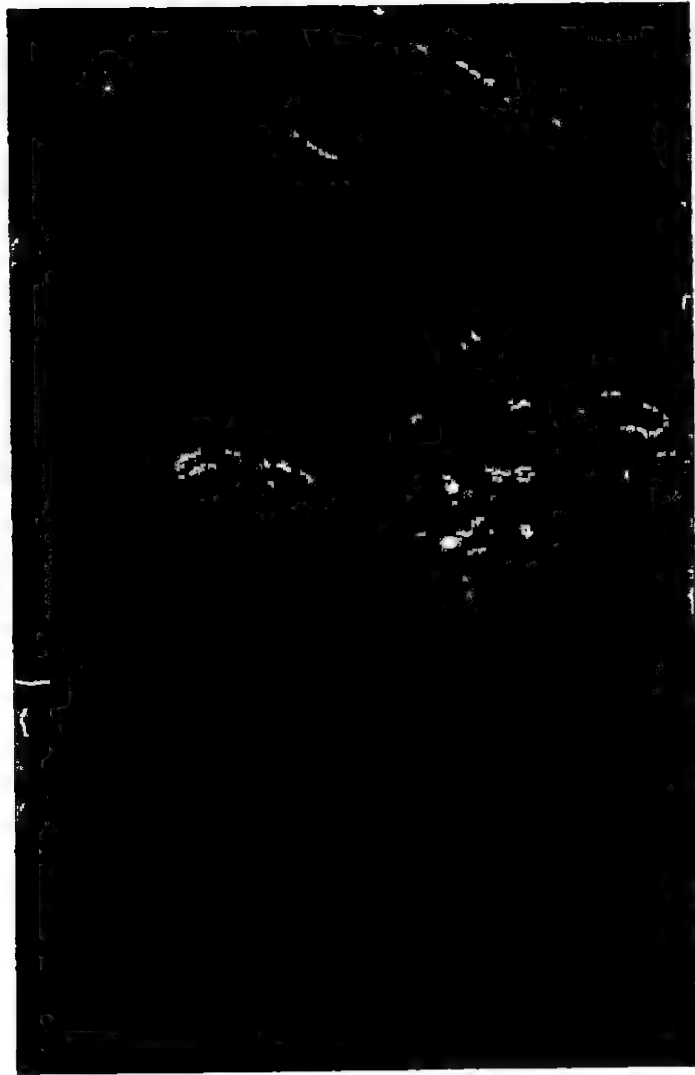

I told Deanna I had the dog's vet records and that it was current on the rabies vaccine. I explained the home quarantine and that I would follow up with her after 10 days.

I then followed up with Tony and advised him about the quarantine process and what his requirements are. I did not view the dog as Officer Yanez had the previous day.

On 09-21-15 at 1030 hours, I met with Antonio and viewed the dog. Antonio advised there has been no change in health or eating habits. The dog appeared to be healthy and had a playful demeanor.

I then called Deanna and advised her of my findings.

SAPD Use of Force 2016

Determination of "Objective Reasonableness"

(Graham v. Connor)

- Totality of the circumstances
- Officer/Subject factors
- Recognizes an officers use of force decision is made in a *tense, uncertain and rapidly evolving situation*
- No hindsight scrutiny (Use of *minimal force* is only capable with use of hindsight scrutiny.)

CHANGES!

• P & P Definitions

- ~~Contact Weapons~~ Impact Weapons: all objects and instruments which are used or designed to be used, to apply force to the person of another by coming into physical contact with that person.
- ~~Chemical Agents~~ Aerosol Subject Restraint (ASR): a chemical agent such as, chemical mace, tear gas, and pepper mace.

P & P

- Great Bodily Harm: Bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ, or other serious bodily harm.

P & P

- Active Aggression: Behavior initiated by a subject that may or may not be in response to police efforts to bring the person into custody or control. A subject engages in active aggression when presenting behaviors that constitute an assault or the circumstances reasonably indicate that an assault or injury to any person is likely to occur at any moment.

P & P

- Active Resistance: A response to police efforts to bring a person into protective custody, control for detainment or arrest. A subject engages in active resistance when engaging in physical actions (or verbal behavior reflecting an intention) to make it more difficult for officers to achieve actual physical control.

- **Passive Resistance:** A response to police efforts to bring a person into protective custody, control for detainment or arrest. This is behavior by a subject, when the subject does not comply with verbal or physical control efforts, yet the subject does not attempt to defeat the officer's control efforts.

P & P

- Reasonable use of force options to include: presence/dialogue, soft hands, aerosol subject restraint (ASR), less lethal force options (hard hands/Taser/ASP, 12 Gauge Bean Bag), and deadly force.

Taser Changes

- Fourth Circuit Court of Appeals (North Carolina)
- Estate of Armstrong v. Village of Pinehurst, NC
- Case synopsis...

Taser Changes

- The officers had "qualified immunity" from prosecution, because they had not obtained sufficient guidance about how the Taser should have been used in this situation.

Taser Changes

The court provided guidance for the future:

- Taser may only be deployed when an officer is confronted with an exigency that creates an immediate safety risk and that is reasonably likely to be cured by using the Taser.

Taser Changes

- The court distinguished between the force being used when a subject is actively attacking or creating a dangerous situation (active aggression/resistance) versus passive resistance when someone only poses a risk to themselves and/or is verbally non-compliant.

Ruling Interpretation

- Whether an unarmed subject is mentally ill or not, and the unarmed subject exhibits behavior that will only harm themselves and no one else, other uses of force, other than the Taser probe mode or drive-stun, should be considered and reasonably used if feasible.

Taser P & P Updates

- The Taser may be used in situations where force is justified to control an individual who is actively resisting or exhibiting active aggression, thereby reducing the likelihood of injury to officers and others.

Taser P & P Updates

- CEW's may be used when force is legally justified to prevent the reasonably foreseeable threat or actual attempted assault and/or injury to officer(s), other person (s), and/or the subject

Taser P & P Updates

- CEWs may be used in cases where officer/subject factors reasonably indicate that the officer(s), offender, and/or other person(s) may likely be endangered by the use of passive and/or active force by the subject

Taser P & P Updates

- CEWs may be used to display the CEW "arc display" or "laser display" ~~"test arc" or "painting the subject with the ECD's (CEW) laser"~~ in attempting to gain compliance of the subject where resistance, assault, and/or violence is reasonably anticipated.

Taser P & P Updates

- CEWs may be used during Department authorized training programs and/or demonstrations.

- The Taser ~~shall~~ should not be used on restrained individuals, emotionally disturbed people (EDP) or those subject to a transport hold (protective custody) unless the actions of the person cause a potential threat of bodily harm to themselves or any other person.

Taser P & P Updates

- Officers shall consider the level of crime when considering the use of a Taser. (?)

Taser P & P Updates

- The Taser shall not be used when the presence of flammable fumes, liquids or gases are known or likely
- The Taser should not be used on women known to be pregnant, ~~the elderly~~ * the infirm or juveniles ~~unless all other lesser means, short of lethal force, have been used.~~ unless other attempts at subject control have been or would likely be ineffective.

Taser P & P Updates

- The Taser should not be used on passively resisting individuals, unless situations exist where officer/subject factors reasonably indicate that the officer(s), offender, and/or other person(s) may likely be endangered by the use of passive and/or active force by the subject.

Reference Materials

- Constitutional Law -- 4th Circuit use of Taser can be unconstitutionally excessive force by Lorelei Laird
- Court Ruling Restricts Police Use of Tasers by Christopher L. McFarlin
- De-escalation Training: Learning to Back Off by David Griffith
- Police Officers could be sued over unconstitutional Taser use, court finds by Baltimore Sun
- Fourth Circuit Court of Appeals Attempts to Limit Use of Electronic Control Devices by Karen Kruger
- US Court of Appeals Distinguishes Use of Force (Taser) on Person of Diminished Capacity by Jack Ryan

CHANGES!

- PERF, Case Law, P & P...
- Recognition of EDP (emotionally dependent/disturbed person) v. Criminal
- Combination of both?

EDP v. Criminal

EDP:

Welfare check, suicidal,
Protective
custody, 72 hour
transport hold,
mentally unstable,
unable to care, harm
to themselves or
others

Criminal:

Detain, arrest,
investigating...

Recognizing EDP

- How do recognize that we are dealing with an EDP incident?
- Pre-Practiced Plan

SAPD Force Continuum (OLD)

1. Presence/Dialogue

(talking, gesturing, appearance)

2. Soft Hands

(escorting, joint manipulation, wrist lock)

3. Aerosol Subject Restraint/Taser

(hands off?)

4. Hard Hands

(check, redirect, takedown)

5. Intermediate Weapon

(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6. Deadly Force

(Firearm, ASP, Squad)

(Lethal force)

Graham Factors

What force options are available?

Force Options:
presence/dialogue, soft hands,
aerosol subject restraint (ASP),
less lethal force options
(hard hands/taser/ASP/Kenale
Energy Impact Device),
and deadly force.

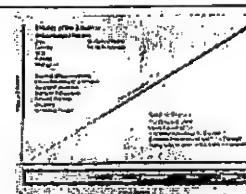

EDP or Criminal?

Control v. Injury

What is a Reasonable Force Option?

Subject determines force option.

(NEW)

Graham Factors

(An officer's use of force decision during a tense,
uncertain and rapidly evolving situation...)

- Severity of the crime
- Immediate threat to officers/others
- Actively resisting and/or attempting to evade by flight

(Not all 3 need to be present)

(Report Writing)

Myth vs. Reality

- Myth: a suspect must cause harm to an officer or another person before an officer can use force.
- Reality: An officer may proactively use force to respond to impending harm to a person.
- Bad Reality: complacency
(threat recognition/body language/contextual cues of assault...Don't get "task oriented" by ignoring signs of imminent assault.)

Myth vs. Reality

- **Myth:** A subject's known mental defect precludes officers from using deadly force, or at a minimum requires officer to try options other than deadly force.
- **Reality:** No such prohibition exists. A subject's known mental defect is a factor the court will consider in determining whether the application of force was reasonable.

- MN Statute 609.066
- Subd. 2. Use of deadly force.
- Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:
- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.
- No mention of EDP, mental defect...

Prepared for Deadly Force, Assault???

- Having a pre-practiced plan...self-visualization of being assaulted, confronting deadly force, using deadly force
- Subconscious Mind vs. Conscious Mind
real experience, imagery, simulation
- W. I. T. (Whatever it takes.)

Recognition of threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward
- Clenching Fists
- Breathing is fast, shallow
- Sweating
- Looking through you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people and/or property

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of *Deadly Force*, when practical.

Definitions 609.02

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

Definitions 609.02

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

Definitions 609.02

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

9-16 Use of Deadly Force (MN Statute 609.066)

- Use of deadly force by a peace officer in the line of duty is justified only when necessary:
- To protect himself/herself or another from apparent death or great bodily harm.
- To effect the arrest or capture, or prevent the escape of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force, or;

9-16 Use of Deadly Force

- To effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if his/her apprehension is delayed.

9-16 Use of Deadly Force

- A police officer may also discharge a weapon under the following circumstances:
- a. During range practice or competitive shooting events.
- b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured.

9-16 Use of Deadly Force

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

629.32 Minimum Restraint

- A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

- If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 Use of Force to Arrest

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

Terry Vs. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.
- (documentation, W.I.T.)

9-18 Use of Force - General Rules

- a. Officers shall use the reasonable force necessary to accomplish the intended goal without impairing the safety of others. This provision shall not be construed, however, to require officers to first attempt using types and degrees of force which reasonably appear to be inadequate to accomplish the intended objective.

9-18 Use of Force - General Rules

- b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed reasonable for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture quickly under control.

Aerosol Subject Restraint

- MK-3 First Defense Stream/Oleoresin Capsicum (O.C.)

Main Ingredients

- * Propellant: nitrogen
- Active Ingredient: oleoresin capsicum
- (3% capsaicin/500,000 Scoville Heat Units)

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- * burning of the eyes, nose, skin and throat
- * involuntary coughing, choking, gagging, excessive mucous production
- * eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- * disorientation, helplessness, aggressiveness

9-21 Aerosol Subject Restraints

- Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of mace. Chemical mace shall never be used indiscriminately.

9-21 Aerosol Subject Restraints

- Officers shall deploy their department authorized aerosol subject restraint at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with a chemical agent as soon as reasonably possible.

Positional Asphyxia:

death that occurs because the position of a person's body interferes with respiration, causing the inability of the lungs to fill with oxygen, and the person cannot get out of that position. Death occurs due to the person's inability to breathe anymore.

(prone position, 800 lbs., 4 minutes)

Excited Delirium:

From a medical perspective is a state of mental and physiological arousal, agitation, hyperpyrexia (106 degree or greater body temp.) with epiphora (overflow of tears), and hostility.

Excited Delirium (L.E.):

From a law enforcement operational perspective is a term used by law enforcement indicating that a person whom officer(s) are dealing with exhibits abnormal behavior(s) that may result in their death.

*****COMMUNICATE*****

Excited Delirium Recognition

- Bizarre behavior
- Physical exertion (prior to or during officer's presence)
- Unresponsive to verbal commands
- Super human strength and endurance
- Decreased in responsiveness to pain
- Multiple officers needed for control
- Aggressive behavior
- Hyperactive
- Incoherent/nonsensical shouting
- Paranoia
- Grunting, animal-like primitive sounds during struggle

Excited Delirium Recognition

- Sweating or lack thereof
- Foaming at the mouth
- Hallucinations
- Clothing removal
- Broken glass involvement
- Traffic
- Hot, humid environment
- Fight vs. FLIGHT
- Personal space

Excited Delirium Deceased Victim Profile

- Male (97%)
- Average age 34 to 36 (most deaths 20-39)
- History of mental illness and/or history of chronic stimulant abuse (80% were drug abusers; cocaine most common; not necessarily recent use...)
- 63% exhibit bizarre behavior
- 12% OC used
- 9% impact weapon used
- 30% Taser used
- 100% handcuffed
- 70% struggled with officers

PERF
Taking Policing to a Higher Standard
2016
(30 Principles)

PERF

- Police Executive Research Forum
- Authority in research to provide recommendations for policy, operation and training in law enforcement in the USA
- Agreeing with and implementing some or all recommendations?

PERF

- Example: The Critical Decision Making Model/UK. Goes beyond the "Objective Reasonableness" standard. (public perception)
- Example: The "Duty to Intervene"/witnessed excessive or unnecessary use of force by other officer(s)...(Video/Audio recording)

Currently at SAPD

- Our on-duty performance exhibits much of what PERF is calling for...
- Emphasizing some of the topics already being practiced and recognizing the need for future changes.

Sanctity of Human Life

- Mission statement, policies, training
- The "sanctity of life" should be considered in all we do...
- The general public, street contacts and other officers should be treated with dignity and respect.

SAPD P & P 1-1

- Mission Statement: To proactively arrest offenders and prevent crime, while working with the community to solve problems and improve the overall quality of life for all we serve.
- Vision Statement: Exceptional law enforcement service, creating a safe and secure community that is a desirable place in which to live, learn, work, and play.

SAPD P & P 1-1

- The basic objective of the St. Anthony Police Department is the maintenance of Social Order within carefully prescribed ethical and constitutional restrictions, and includes prevention of criminality, repression of crime, apprehension of offenders, recovery of property, regulation of non-criminal conduct and the performance of miscellaneous services. While each of these is important and necessary to the operation of any police agency, individual communities differ as to the importance placed on each segment of service.

SAPD P & P 1-1

- Since we are a service oriented entity, we must be aware of the social pressures existing in our particular community and modify or adapt our techniques in response to these pressures. The sanctity of human life should be at the heart of everything this agency does. We must constantly attune our goals to our community's concerns and seek to find/elicit those concerns. We are law enforcement oriented and must constantly strive for uniformity amongst officers, in addition to professionalism on an individual and department level.

SAPD P & P 1-1

- Our department places an added emphasis on public service, public relations, juvenile relations and crime prevention. This emphasis must be present in all our police activities on a day-to-day basis, and apply equally to all citizens. We must seek to provide a personalized service to our residents in the interest of effective public and juvenile relations.

SAPD P & P 1-1

- While larger communities enjoy the luxury of specialization among its officers, our department members must be proficient in all phases of police service.

SAPD P & P 1-1

- We must constantly strive to accomplish our mission on an individual basis and as a team member of the department and let us do it in a manner that will bring credit to the police profession, our department, and our community

Handling Potential Use of Force/Critical Incidents

- Continue to use the Constitution, Case Law, State Law, and department principles and practices in Use of Force/Critical Incidents

Handling Potential Use of Force/Critical Incidents

- Continue to recognize, train and implement on duty that Officer Subject Factors, Special Circumstances and Graham v. Connor is the basis of our decision making in Use of Force/Critical Incidents
- "Objective Reasonableness" in our decision making

Handling Potential Use of Force/Critical Incidents

- Acknowledge that our practices in Use of Force/Critical Incidents need to be not only monitored but adjusted, based on changes in the interpretation of the Constitution, Case Law, State Law, and department principles and practices
- The appropriate training should accompany any changes

Handling Potential Use of Force/Critical Incidents

- Continue to recognize (Graham v. Connor) that the conditions of a Use of Force/Critical Incident likely result in officers making split-second judgements/decisions in circumstances that are tense, uncertain and rapidly evolving

Handling Potential Use of Force/Critical Incidents

- Constantly reassess /Control v. Injury
- Totality of the circumstances
- Officer subject/special circumstances
- De-escalate or escalate our force option appropriately

Handling Potential Use of Force/Critical Incidents

- De-escalate v. de-escalate

2 Types of De-Escalating

De-escalate: (traditional)

- Use a force option is lessened when "reassessment" has determined that a force option being used is no longer reasonable per laws, policy, etc.

De-escalate: (PERF)

- Diffusing a situation to lessen the likelihood that "force" will be needed to gain compliance from an individual
- (continued)

De-Escalate: (PERF)

- Consider non-force options in situations when time and safety allow
- Delaying the need to use "force" to appropriate resources
- Delaying and diminishing the need for "force", while attempting to gain compliance with effective communication strategies

De-Escalate: (PERF)

- Delaying or diminishing the need to use "force" by using tactics that create an increase of physical distance
- Delaying or diminishing the need to use "force" by recognizing and using physical barriers

De-Escalate: (PERF)

- Distance + Cover = Time
- "21 foot rule"
- Work as a 2 officer team (communicate possible "force" options)

Duty to Intervene

- Officers have an obligation (case law) to intervene when they believe another officer is using excessive or unnecessary force
- Officers should try to recognize warning signs that another officer is going to move toward excessive or unnecessary force and intervene appropriately

Duty to Render Medical Care

- Officers are obligated to provide appropriate medical care to subjects that are under control that have been injured as a result of "force" being used on them
- Appropriate, higher level medical assistance should be summoned as soon as possible...

Shooting at/from Moving Vehicles

- Principles and practices...
- inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

Shooting at/from Moving Vehicles

- Officers should attempt to not put themselves in physical positions that could result in them being run over by a vehicle
- Stay out of the passenger compartment without control of occupants
- Vehicle running? Block the vehicle?

Reference

Center Mass of the Body

Closed Mode Combination

Weapon Strike followed
by Reaction Strike

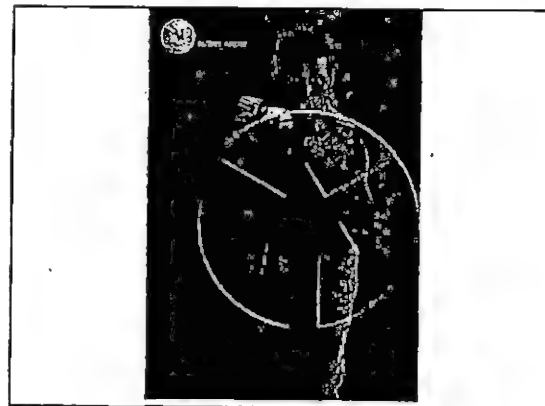

*ASP Strikes are Forgiving Techniques. They can be effective even when not performed completely correct.

*In *open mode strikes*, the last 3 inches of the ASP should make contact with the subject.

Open Mode Target Areas

Center Mass of:

- *Arm
- *Leg
- *Body

***NEVER Target Strikes to
the Head, Neck, Spine,
Sternum or Groin**

**Unless Deadly Force is justified.*

OPEN MODE WEAPON STRIKE

**Rapid Response
Weapon Strike**

OPEN MODE WEAPON STRIKE

OPEN MODE WEAPON STRIKE

**Open Mode
Combinations**

**Weapon Strike followed
by Reaction Strike**

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

3. Bend at ready position

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 ½ Position for interview
- #2 Position for escort approach
- #2 ½ Position for escort
- #3 Position for pressure

#3 Position/
Pressure Points

#2 ½ Position/
Escort

#2 Position/
Escort Approach

#1 Position/
Avoid

#1 ½ Position/
Interview

*Safe Separation=
6 feet or 2 arm lengths

<u>Motor Skills</u>	
<u>Gross</u>	<u>Fine</u>
<ul style="list-style-type: none"> • Large muscle groups • High level of retention under stress • Running 	<ul style="list-style-type: none"> • Small muscle groups • Low level of retention under stress • Playing the piano

Handcuffing

- *Nomenclature

- *ID your cuffs

- *Proper ratcheting, lubrication

- *Proper locking, double locking and unlocking

- *Tightness check

- *Complaints of tightness

- *Keys

- *Swapping cuffs

- *Hinge, chain, leg shackles, TARP belt

- *Latex gloves

- *Practical

 - solo?

 - Determine position of suspect...size (multiple cuffs, shackles, injury, cooperative only, front vs. back (jail))

 - Good positioning

 - Tightness, doublelock, pat down search

- *Transport, comfort

St. Anthony Police Department Use of Force Exam
05-10/12-2016 SAPD Use of Force Training

J.Y. #151

1. T or F. If a subject is showing active aggression, an assault is occurring or likely to occur at any moment.
2. (9-1) An officer must base his/her conduct and action in each use of force situation upon the totality of the circumstances as they reasonably appear.
3. (9-15.1) An Approved weapon means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties.
4. (9-18a) Officer shall use the amount of force that is reasonably necessary to accomplish the intended goal without impairing the safety of others.
5. (9-22) If feasible, an officer should give verbal warnings before using or attempting to use deadly force.
6. (9-16) An officer's use of deadly force can be justified when protecting himself/herself or another from apparent death or great bodily harm.
7. (9-17a) Reasonable force by an officer may be used in effecting a lawful arrest.
8. Officers are not required to attempt using force options which reasonably appear to be unlikely to accomplish the intended objective.
9. (9-18e) Under no circumstances may an officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.
10. In an officer's use of the ASP, the officer shall not intentionally strike the individual above the shoulder unless such action would be justified under the use of deadly force guidelines.
11. T or F The Taser CEW can be used on an emotionally disturbed person, if the EDP is exhibiting active aggression, while an officer attempts to control him/her.
12. (9-26) Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.
13. (9-21) Aerosol Subject Restraint is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful & necessary use of force and which is best accomplished by the use of mace.
14. In the 1985 Supreme Court case Tennessee v. Garner, the court ruled that it is a violation of the Fourth Amendment for police officers to use excessive force to stop a fleeing felon if the officer does not believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.
15. In the 1989 US Supreme Court case Graham v. Connor, the court took into consideration factors such as whether the suspect posed an imminent threat, whether the suspect was actively resisting arrest, etc.

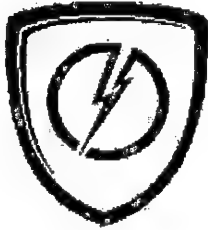

St. Anthony Police Department Use of Force Exam
05-10/12-2016 SAPD Use of Force Training

J.Y.#151

16. In the 1968 Supreme Court case Terry v. Ohio, the court ruled that an officer is justified in conducting a pat down or weapons search of person whom he/she reasonably suspects to be dangerous in order to discover any weapons which might be used to assault him/her or another nearby.
17. According to MN Statute 609.06, an officer may use reasonable force in effecting a lawful arrest, or in execution of legal process, or in enforcing an court order, or in executing any other duty imposed upon the officer by law.
18. MN Statute 629.30 allows an officer to make an arrest with or without a warrant.
19. According to MN Statute 629.32, an officer may not subject the person to any more restraint than is necessary for the arrest & detention.
20. According to MN Statute 629.33, after an officer informs the suspect that he/she is under arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized by 609.066, the deadly force statute.
21. MN Statute 609.066 allows deadly force by an officer in the line of duty only when necessary to: protect the officer or another from death or great bodily harm; effect the arrest or capture, or prevent the escape, of a person whom the officer knows has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; effect the arrest or capture, or prevent the escape, of a person whom the officer know has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's detention is delayed.
22. Tor F. In dealing with an EDP that is passively resisting, an officer should consider using force options other than the Taser.
23. The reasonableness of an officer's action in an incident is based on the "totality of the circumstances."
24. The Suspect determines what level of force an officer uses.
25. A normally non-lethal type of force does have the possibility of becoming lethal through intent or misuse.
26. Tor F. SAPD Reasonable Use of Force Options are: Dialogue/Presence, ASR, Less Lethal (ASP, Hard Hands, Taser, 12 Gauge Bean Bags), Soft Hands, Deadly Force

St. Anthony Police Department Aerosol Subject Restraint/MK-3/Oleoresin Capsicum
Exam/05-10/12-2016 SAPD Use of Force Training J.V. #151

1. Three physiological effects of exposure to Oleoresin Capsicum (O.C.) are:
burning eyes, coughing, choking.
2. The intended target of O.C. versus the resulting target may decrease or increase the O.C.'s effects.
3. The physiological effects of exposure to O.C. usually disappear in about 4-5 minutes.
4. O.C./aerosol subject restraint is between soft hands and on the SAPD Force Continuum.
5. Officer Special factors and special Circumstances should be taken into consideration prior to deployment of O.C.
6. If a subject is exposed to O.C., the responsible officer should reassure the subject and move them to fresh air.
7. Upon booking a subject after having been exposed to O.C., the officer should notify Tu personnel of the exposure.
8. The target of O.C. should be the face.
9. Prior to and during the deployment of O.C., the officer should use strong Verbal commands.
10. Upon obtaining control of a subject after O.C. exposure, an officer should do not escalate force appropriately.
11. One environmental factor that may affect an officer's decision in whether or not to deploy O.C. is wind

TASER

TRAINING ACADEMY

VERSION 20

TASER® Conducted Electrical Weapons (CEWs)

Part 1: End User Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

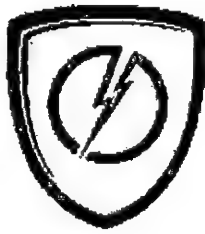

Name: Jerónimo Yáñez New Certification ☐ / Recertification ☒
Agency: St. Anthony PD
Training Date: 5/10/16 Location: St. Anthony Police Dept.

1. The Nervous System consist of the following:
 - a) Central Nervous System - Command Center (brain and spinal cord)
 - b) Motor Nervous System - Carries commands from the brain to muscles (NMI systems affect BOTH the Sensory and motor Nerves)
 - c) Sensory Nervous System - Brings information into the brain (effected by stun systems)
 - d) All of the above
2. In considering the use of a CEW:
 - a) Do not use for verbal defiance
 - b) Do not use for belligerence
 - c) Do not use for punishment
 - d) Do not use for horse play
 - e) All of the above
3. The preferred target areas (with the exception of sensitive CEW target areas) for CEW exposure:
 - a) Lower center mass (below chest or area of the heart) and legs for front exposure
 - b) Below the neck area for back exposures
 - c) Anywhere on the person's body
 - d) a and b
 - e) a and b (with the back being the most preferred area)
4. True/False As with any use of force, the longer the CEW exposure the greater the risk of potential cumulative physiologic, metabolic, and other effects.
5. True/False The officer should avoid intentionally targeting the CEW on sensitive areas of the body such as the head, throat, breast, chest or area of the heart, genitals, or known pre-existing injury areas without legal justification.
6. True/False Probe deployments are usually more desirable/effective than drive stuns.

7. ~~True~~/False The further a CEW exposure is away from the heart and the lower the delivered electrical charge the greater the safety margin for the CEW affecting the person's heart.
8. ~~True~~/False The need for multiple 5-second cycles, or extended or prolonged CEW exposures, may be avoided or reduced by "controlling/cuffing under power" during the "window of opportunity".
9. ~~True~~/False TASER CEWs are serious weapons and are to be treated as such at all times.
10. When deploying probes to the front of a person's body, the CEW should generally be aimed:
- At the face
 - At the chest or area of the heart
 - ☒ At the waist area to split the beltline
 - At the throat
 - At the head
11. The risk (or probability) of a CEW causing or contributing to a person's cardiac arrest is:-
- Zero (to Infinity)
 - Very high
 - High
 - Higher than the risk of death or serious injury from a firearm
 - ☒ Very low
12. ~~True~~/False Force decision must reasonably consider (as time and circumstances reasonable permit): Officers' reasonable perception of subject's actions or behaviors the officer is attempting to stop, thwart, or control and the foreseeable risks of injuries or harm to subject resulting from force to be use.
13. When considering the use of force, when reasonable:
- Use the minimum force necessary to accomplish lawful objectives
 - Use force only on those "actively resisting" or higher
 - Give a verbal warning before the use of force
 - ☒ All of the above
14. Experts have identified the following key factors related to CEW cardiac risks:
- Dart (or electrode)-to-heart ("DTH") distances
 - Amount of delivered electrical charge
 - Probe (or dart or electrode) anywhere on a person's body
 - ☒ A and B
15. The term (currently) used by TASER for describing the incapacitating effects of a CEW is:
- Electro-muscular disruption (EMD)
 - ☒ Neuro-muscular incapacitation (NMI)
 - Neuro-muscular disruption (NMD)
 - Electro-muscular incapacitation (EMI)
16. When using the CEW in Drive-Stun Mode:
- For maximum effectiveness, drive the CEW into certain pressure points
 - Use care when applying the drive stun to the neck or groin
 - ☒ Stay away from the trachea, the back of the neck and the genitals
 - ☒ All of the above

17. During CEW voluntary exposures which of the following are required safety rules?
- a) Always use two spotters when volunteer is standing
 - b) Spotters must hold volunteers closely under the armpit to stabilize the shoulder and upper arm and avoid twisting their shoulder
 - c) The volunteer should be safely supported and carefully lowered to the ground
 - ☒ d) All of the above
18. The handheld electronic weapons manufactured by TASER are referred to as:
- ☒ a) Electronic Control Weapons
 - b) Shock devices
 - ☒ c) Conducted Electrical Weapons
 - a) Conducted Energy Weapons
19. The standard CEW cycle if the trigger is pulled and released is:
- a) 10 seconds
 - ☒ b) 5 seconds
 - c) 4 seconds
 - d) The cycle always stops as soon as the trigger is released
20. A daily 5-second CEW spark/functionality test is recommended to:
- ☒ a) Ensure the CEW is sparking and functioning properly
 - b) Create muscle memory
 - c) Practice drawing and holstering the CEW
 - d) Teach proper CEW safety
21. TASER does not establish, recommend or endorse:
- a) Use of force procedures, policies, or general orders
 - b) Department policies, procedures, or general orders
 - c) Tactics
 - ☒ d) All of the above
22. Activated CEWs can ignite:
- a) Gasoline and gasoline vapors
 - b) Butane
 - c) Some personal defense sprays
 - d) Some hair sprays or gels
 - ☒ e) All of the above
23. A CEW application on a person can cause physiologic or metabolic effects, including, but not limited to, changes in:
- a) Blood Chemistry
 - b) Heart rate, and rhythm
 - c) Blood pressure
 - d) Respiration
 - e) Adrenaline and Stress hormones
 - f) Other effects
 - ☒ g) All of the above
24. Examples of persons who are at an elevated risk of secondary effects from a CEW exposure include:
- a) Running persons
 - b) Persons in elevated positions
 - c) Persons in a flammable environment
 - ☒ d) All of the above

25. When considering the use of force, when reasonable:
- a) Give subjects a reasonable opportunity to comply before force is used
 - b) Use pain compliance regardless if pain is reasonably foreseeably ineffective
 - c) Immediately cease any force once a subject has surrendered or is captured, handcuffed, and controlled
 - d) Continue to use force once a subject has surrendered or is captured, handcuffed, and controlled
- ☒ e) a. & c.
26. True/False When using a CEW avoid multiple, repeated, prolonged, extended, or continuous CEW exposures unless necessary to counter reasonably perceived threats(s) and it is justifiable.
27. If a person is not an immediate threat or flight risk:
- a) Do not immediately resort to CEW without first attempting to use negotiation, commands, or physical skills
 - b) Avoid using CEW on person who is actually or perceived to be mentally ill
 - c) Avoid using CEW on elevated risk population member, unless necessary and justifiable
 - ☒ d) All of the above
28. TASER does NOT require a CEW exposure for instructor or user certification.
- ☒ a) True
 - b) False
29. Evidence Sync is a free program offered by TASER International that allows agencies to:
- a) Access CEW firing data
 - b) Update firmware on CEWs
 - c) Assigning CEWs to individual users, etc. in conjunction with your agencies Evidence.com account
 - ☒ d) All of the above
30. True/False To avoid extended durations: Use the shortest duration of CEW exposure objectively reasonable to accomplish lawful objectives, and reassess the subject's behavior before initiating or continuing the exposure.

Part 2: X2 Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

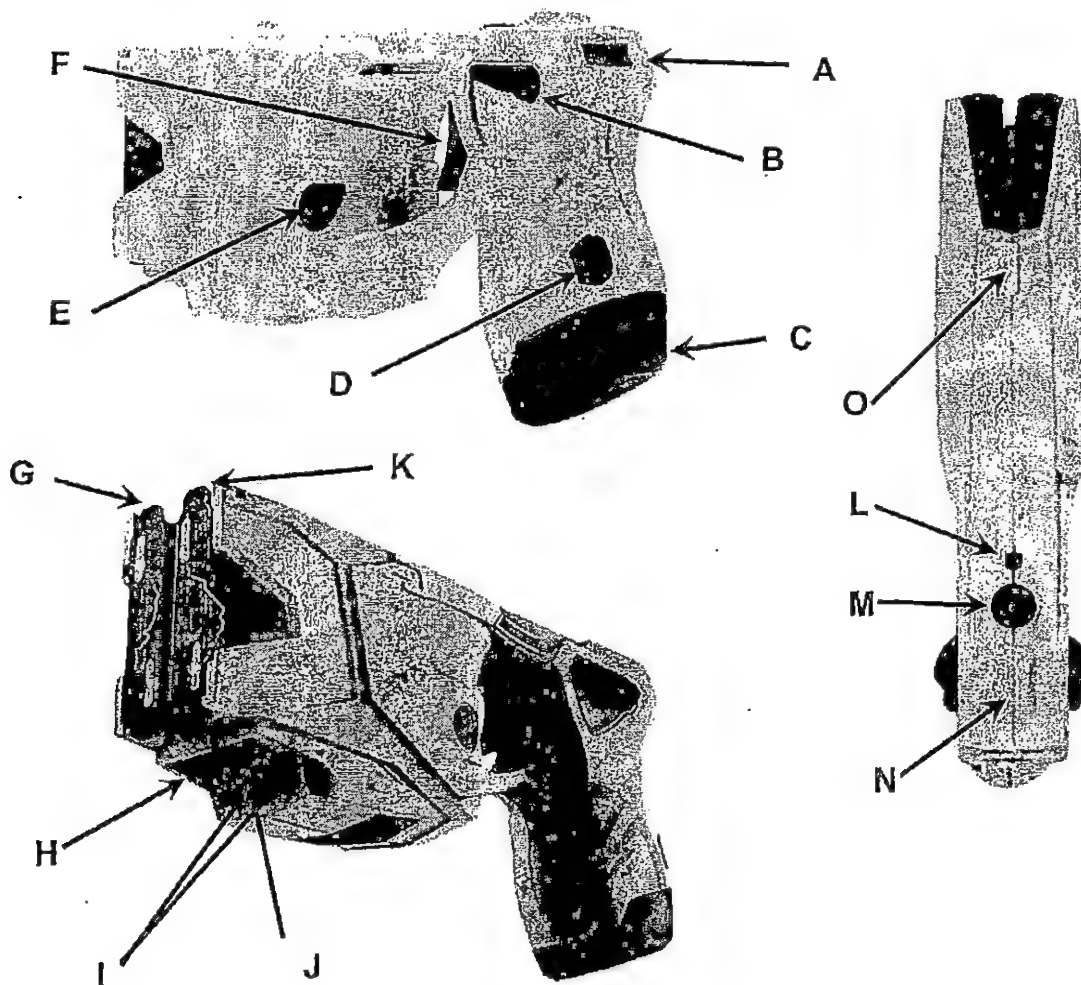

Name: Jermine Yim New Certification ☐ / Recertification ☒

Agency: St. Anthony Police Dept.

Training Date: 5/10/16 Location: St. Anthony PD

1. The ARC switch can be used to:
 - A. Initiate the warning arc
 - B. Toggle between cartridges
 - C. Re-energize deployed cartridges
 - ☒ D. All of the above
2. A warning arc can be displayed on the X2 without discharging loaded cartridges.
 - ☒ A. True
 - B. False
3. The Automatic-Shutdown Performance Power Magazine (APPM) automatically stops the TASER cycle after 5 seconds even if the trigger is held down.
 - ☒ A. True
 - B. False
4. An X2 set to semi-automatic mode will advance to the next live cartridge once a cartridge is deployed and the trigger is released. A second trigger pull will discharge the second cartridge.
 - A. True
 - ☒ B. False
5. If an X2 has a PPM, TPPM, or TASER Cam (without auto-shutdown) for a power source, and the trigger is held down beyond the 5-second cycle, the X2 will continue to cycle until the trigger is release or the batteries (PPM) drains.
 - ☒ a. True
 - b. False

TASER® Conducted Electrical Weapons (CEWs)

Part 2: X26 Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

Name: Jermaine Vance New Certification ☐ / Recertification ☒

Agency: St. Anthony PD

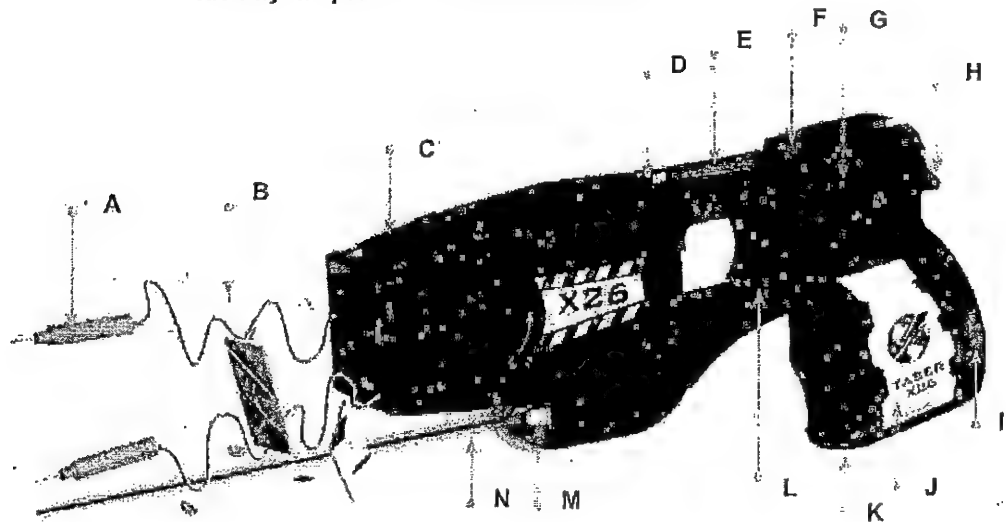

Training Date: 5/10/16 Location: St. Anthony PD

1. If the trigger on an X26 is held down beyond 5 seconds:
 - ☒ A. The electrical discharge will continue until the trigger is released
 - B. The electrical discharge will stop after 5 seconds regardless if the trigger is held down or not.
 - C. The electrical discharge will continue until the trigger is released and the safety switch is moved to the down (SAFE) position.
 - D. None of the above
2. With the safety switch of the X26 in the up (ARMED) position, a single trigger pull and release will initiate:
 - ☒ A. a 5 second cycle
 - B. a 10 second cycle
 - C. a 15 second cycle
 - D. short cycle that will stop as soon as the trigger is released
3. If the safety switch of the X26 is put in the down (SAFE) position during the discharge cycle:
 - A. The cycle will continue for 5 seconds
 - ☒ B. The cycle will stop immediately
 - C. The cycle will stop unless the trigger is held down
 - D. None of the above
4. If you see a "P" on the CID of an X26:
 - A. Immediately pull the DPM out
 - B. Turn on the CEW and spark test it
 - C. Pull the DPM out during the boot up sequence
 - ☒ D. Leave the X26 alone until it has completed the boot up sequence
5. When the X26 system "sleeps" after being armed for 20 minutes:
 - A. Helps avoid accidental battery depletion
 - B. CID screen will go blank and will not fire
 - C. Re-arm by flipping safety switch down and then flipping back up
 - D. This includes an X26 with TASER CAM installed
 - ☒ E. All of the above

6. 400 megahertz (MHz) radios can interfere with proper X26 operation:

- A. When they are in close proximity to each other
- B. When the safety switch is in the up (ARMED) position
- C. When the radio is keyed
- D All of the above

TASER® Conducted Electrical Weapons (CEWs)

Part 2: X26P Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

Name: J. Vanez New Certification ☐ / Recertification ☒
Agency: St. Anthony PD
Training Date: 3/16/16 Location: St. Anthony PD

1. The X26P power source is called a Performance Power Magazine or PPM. There are several versions of the PPM available.
☒ a. True
b. False
2. The Automatic-Shutdown Performance Power Magazine (APPM) automatically stops the TASER cycle after 5 seconds even if the trigger is held down.
☒ a. True
b. False
3. When the X26P CID displays a Critical Fault icon, the X26P must be removed from service immediately and returned to TASER for repair.
☒ a. True
b. False
4. The X26P constantly measures its output, pulse-by-pulse, to optimize the delivered charge and increase the likelihood of Neuro Muscular Incapacitation (NMI).
☒ a. True
b. False
5. The Positive Safety Lock is designed to keep the safety switch on the X26P from being accidentally left on and draining the PPM.
☒ a. True
b. False
6. When conducting a daily spark/functionality test, in addition to visually inspecting the arc you should:
☒ a. Check the CID for any fault icons
b. Remove and reinsert the PPM
c. None of the above
d. All of the above

7. The program required to download the firing records from the X26P is called:
- SkyNet
 - The X26P download software.
 - ☒ EVIDENCE Sync
 - iTunes
8. The X26P uses TASER cartridges.
- ☒ True
 - False
9. If an X26P has a PPM, TPPM, or TASER Cam (without auto-shutdown) for a power source, and the trigger is held down beyond the 5-second cycle, the X26P will continue to cycle until the trigger is released or the batteries drain.

ASP BASIC CERTIFICATION WRITTEN EXAMINATION

For each question below, circle the option that is the most correct.

1. A defensive tactic is evaluated by its ability to:
 - a) ☒ Control v Injure
 - b) Maim v Destroy
 - c) Threaten v Control
 - d) React v Act
 - e) Demonstrate the officer's skill
2. The primary striking surface of an open ASP Baton is the:
 - a) Cap
 - b) Center of the Shaft
 - c) ☒ Last 3" of the Baton
 - d) Baton Tip
 - e) Handle
3. The hand using the service firearm is the:
 - a) Weak Hand
 - b) Contact Hand
 - c) ☒ Weapon Hand
 - d) Reaction Hand
 - e) Support Hand
4. The ASP should not be opened:
 - a) To the sky
 - b) To the ground
 - c) ☒ During a Strike
 - d) To the side
 - e) Towards the threat
5. The two Baton modes are:
 - a) ☒ Open and Closed
 - b) Interview and Combat
 - c) Weapon and Reaction
 - d) Concealed and Loaded
 - e) Ready and Extended
6. Which is not an ASP Target area:
 - a) Center mass of the Arms
 - b) Center mass of the Legs
 - c) ☒ Abdominal Area
 - d) Groin or Sternum
 - e) The Weapon Delivery System
7. Targeting specific points violates which training principle:
 - a) ☒ Forgiving Techniques
 - b) Fine motor skills
 - c) Spaced practice
 - d) Static Training
 - e) Complex techniques
8. The ASP is always carried:
 - a) On the right side
 - b) In the front
 - c) On the Reaction Side
 - d) ☒ Tip down
 - e) On the left side
9. The Reaction Strike is primarily a:
 - a) Strong strike
 - b) Closed strike
 - c) ☒ Clearance strike
 - d) Offensive strike
 - e) Initial strike
10. The most frequently used ASP strike is the:
 - a) Reaction Strike
 - b) ☒ Weapon Strike
 - c) Straight Strike
 - d) Clearance Strike
 - e) Reverse Strike
11. When performing an Open Straight Strike, the Reaction Hand is:
 - a) ☒ Palm up on the shaft
 - b) Maintaining distance
 - c) Guarding the face
 - d) Palm down gripping the shaft
 - e) Executing a downward block
12. If the baton opens too easily:
 - a) Make the Retaining Clip smaller
 - b) Replace the O-ring
 - c) ☒ Widen the Retaining Clip
 - d) Remove the Retaining Clip
 - e) Lubricate the baton
13. The most common problem in opening the baton is:
 - a) Grip of the baton
 - b) Loose O-ring
 - c) Broken Retaining Clip
 - d) ☒ Operator error
 - e) Loose Handle Cap
14. Officer-Subject Factors do not include:
 - a) Age
 - b) Size
 - c) ☒ Weapon proximity
 - d) Skill level
 - e) Multiple officers
15. ASP Weapon Side Strikes are intended to be performed at a:
 - a) ☒ 45 degree angle
 - b) 180 degree angle
 - c) Horizontal angle
 - d) 90 degree angle
 - e) Vertical angle
16. When striking, the ASP is gripped with:
 - a) The index finger and thumb
 - b) A loose flexible grip
 - c) Two fingers and the thumb
 - d) ☒ Full hand grip
 - e) Both hands
17. Special circumstances do not include:
 - a) Special knowledge
 - b) Imminent danger
 - c) Injury or exhaustion
 - d) ☒ Size
 - e) Officer on the ground
18. Safety is the ultimate responsibility of the:
 - a) Student
 - b) Training partner
 - c) Course coordinator
 - d) ☒ Instructor
 - e) Administrative officer
19. The ASP is designed to be:
 - a) An Offensive Weapon
 - b) A Comealong Device
 - c) ☒ A Defensive Weapon
 - d) A Deadly Force Option
 - e) A Restraining Device
20. The principle goal of any arrest or physical confrontation is:
 - a) ☒ Establishing control
 - b) Superior officer skill
 - c) Subject safety
 - d) Documentation
 - e) Punishment

Each question is worth five (5) points. Minimum acceptable score is 80% (16 correct).

FINAL SCORE: 100 GRADED BY: _____

ASP WRITTEN EXAM: ACCEPTABLE ☒ NOT ACCEPTABLE ☐

INSTRUCTOR JAC DATE 5/10/16

ASP BASIC CERTIFICATION TECHNIQUE PROFICIENCY CHECKLIST

The following checklist is designed to assist you and the ASP Instructor in evaluating your performance of ASP Techniques. Those components of the technique that are acceptable are checked.

- 1) Check

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Target

2) Re-Direction

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Target

3) Closed Mode Weapon Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Angle
 - Target

4) Closed Mode Reaction Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Angle
 - Target

5) Closed Mode Straight Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Target

6) Opening the Baton

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Target

7) Open Mode Weapon Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Angle
 - Target

8) Open Mode Reaction Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Angle
 - Target

9) Open Mode Straight Strike

 - Balance
 - Movement
 - Verbalization
 - Technique
 - Target

10) Closing the Baton

 - Balance
 - Movement
 - Technique

- A check mark indicates an acceptable observed action.
- Three of the components must be acceptable for a passing score.
- Each technique must have a passing score for certification.
- The minimum passing score is 100% (10 techniques).

City St. Anthony State MN Zip 55418

Employing Agency St. Anthony Police Dept.

Agency Address *Same as home address*

City _____ State _____ Zip _____

Duty Status: ☒ Full Duty ☐ Restricted Duty

Has your agency adopted or authorized the use of the ASP Baton? Yes

How many officers are in your agency? 23

Telephone: Home (_____) _____ Office (612) 782-3350

Height [REDACTED] Weight [REDACTED] lbs. Age 28 Date of Birth [REDACTED]

Have you been exercising? Yes

Do you have any knee, back or health problems? No

Are you on any medication? No

Person to be notified in case of emergency:

Name [REDACTED]

Phone [REDACTED] Alternate (_____) _____

Relationship [REDACTED]

Briefly describe any health problems:

Injury Check: ☐ 1A ☐ 1P

WAIVER

Release from Liability and Assumption of Risk Agreement

1) Intending that this Agreement be legally binding upon me, my heirs, executors, administrators, and assigns, I hereby waive, release, and forever discharge Armament Systems and Procedures, INC, and all of their agents, representatives, heirs, executors, administrators, successors and assigns, of and from any and all claims, demands, rights and causes of action of whatsoever kind and nature, arising from, and by reason of any and all known and unknown, foreseen and unforeseen physical and mental injuries and consequences thereof, suffered by me during any and all ASP Expandable Baton Certification Training activities.

2) In signing this Release, I assert that (a) I am presently in good physical and mental health; (b) I have no reason to believe that I am not in good physical and mental health; (c) I am fully aware of, and do acknowledge and assume all risk of injury inherent in my participation in this training seminar; (d) I have read and fully understand the terms and conditions of this Agreement.

This program is competency based. Mere participation does not automatically assure successful completion.

St Anthony Police Training Summary of Officer Jeronimo Yanez

Date of Hire: 11-21-11

Year 2011

November 21, Department Use of Force, 8 hours

November 22, Department Firearms, 8 hours

December, E-Charging, 1.5 hours

2011 One POST Shoot (see firearm records), 1 hour

Year 2012

March 15, Completed Field Training

March 22 and 23, EMS-1st Responder, 16 hours

April 10, LIDAR, 4 hours

April 28, Use-of-Force, 8 hours

May 23, OPUE/DTID, 10 hours

May 31, June 01, Officer Survival, 20 hours

August, Dept Shoot, 1 hour

2012 Four POST Shoots (see firearm records), 4 hours

Year 2013

January, Active Shooter, 1 hour

April 09, SFST, 4 hours

April 30, Use-of-Force, 8 hours

May 29, Advanced Patrol, 10 hours

July, OSHA, 2 hours

August, Dept Shoot (see firearm records) 1 hour

August 13, Defensive Driving (EVOC), 8 hours

August 19 and 20, Street Survival, 16 hours

September 24, 1st Responder, 8 hours

September, RADAR, 4 hours

December 10 and 11, DMT (breath test) 24 hours

December 20, Writing, 8 hours

2013 Four POST shoots (see firearm records), 4 hours

Year 2014

March 4, Active Shooter, 2 hours

March 10-14, Crime Prevention, 32 hours

April 8, Use-of-Force, 8 hours

April 28-Mar 01, IPMBA (Bike), 36 hours

May 21 and 22, Bullet Proof Mind, 20 hours

July, OSHA, 2 hours

September 03, Dept Shoot, 1 hour

September, 1st Responder, 8 hours

2014 Two POST Shoots (see firearm records), 2 hours

Year 2015

February 02, Active Shooter, 1.5 hours

April 22, NARK Instructor, 4 hours

April 28, Use-of-Force, 8 hours

August, Dept Shoot (see firearm records) 1 hour

September, OSHA, 2 hour

September 28, 1st Responder, 8 hours

December 15, DMT breath test, 3 hours

2015 Four POST shoots (see firearm records), 4 hours

Year 2016 (first half)

January 28, Active Shooter, 2 hours

March 03, Webinar, 1 hour

April 19, Driving/PIT, 8 hours

May, Role of Supervisor, 1 hour

May 10, Use-of-Force (see records) 6 hours

May 10, De-escalation, (see records) 2 hours

Two POST Shoots (see firearm records) 2 hours

Certificate of Attendance

for

Jeronimo Yanez

2 hour De-escalation Training:
Managing the Mental Health Crisis

May 10, 2016

Saint Anthony, Minnesota, Police Department

Instructor: Jim South, BSF CIT Trainer;

Learning objectives: 1. Describe trauma and associated symptoms and behaviors; 2. Understand the de-escalation model for responding to a mental health crisis. 2 Contact Hours.

Jim South, Trainer

Jeff

My records seem better in some years and not great in others...Hopefully this will suffice.

The current Taser PP presentation (version 20) is now pulled from the internet. The older versions, I only have on CDR.

Below are a few videos that I referenced in the 2014 file. Many videos that I have used in training, I had just pulled from the internet and didn't refer to them in my records. Additionally, many that we saw in training were in the Taser Powerpoint presentations.

Excited delirium

On 04-28-15, Officer Moore advised that he had back issues that would prevent him from participating in any physical exercises in the Use of Force Training. The issue was discussed with Lt. Scholl, and it was determined that the physical training would be provided to Officer Moore at a later date in the coming months.

Officer Moore did complete the non-physical portions of the training on this day.

JS jam

Determination of "Objective Reasonableness"
(Graham v. Connor)

- Totality of the circumstances
- Officer/Subject factors
- Recognizes an officers use of force decision is made in a *tense, uncertain and rapidly evolving situation*
- No hindsight scrutiny (Use of *minimal force* is only capable with use of hindsight scrutiny.)

4 Graham Factors

(An officer's use of force decision during a *tense, uncertain and rapidly evolving situation...*)

- Severity of the crime
 - Immediate threat to officers/others
 - Actively resistance
 - Attempting to evade by flight
- (Not all 4 need to be present)

(Report Writing)

Myth vs. Reality

- Myth: a suspect must cause harm to an officer or another person before an officer can use force.
- Reality: An officer may proactively use force to respond to impending harm to a person.
- Bad Reality: complacency
- W. I. N. (What's Important now?)
(threat recognition/contextual cues of assault...Don't get "task oriented" by ignoring signs of imminent assault.)

Myth vs. Reality

- Myth: A subject's known mental defect precludes officers from using deadly force, or at a minimum requires officer to try options other than deadly force.
- Reality: No such prohibition exists. A subject's known mental defect is a factor the court will consider in determining whether the application of force was reasonable.

Definitions 609.02

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

Definitions 609.02

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

Definitions 609.02

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

- MN Statute 609.066
- Subd. 2. Use of deadly force.
- Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:
- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.
- No mention of EDP, mental defect...

Prepared for Deadly Force, Assault???

- Having a pre-practiced plan...self-visualization of being assaulted, confronting deadly force, using deadly force
- Subconscious Mind vs. Conscious Mind
real experience, Imagery, simulation
- W. I. T. (Whatever it takes.)

SAPD Force Continuum

Why is the Use of Force Continuum Beneficial to Police Officers?

- Operationalizes use of force (teachable, learnable and retainable)
- Flexible, yet consistent
- Allows escalation, de-escalation and disengagement
- Based on reasonableness
- Allows formulation of a plan/pre-practiced plan
- Evaluates *reasonable force*/"totality of the circumstances"/no armchair quarterbacking (officer/subject, special circumstances...)
- Allows the subject to determine what level of force officer uses

SAPD Force Continuum

1-Presence/Dialogue
(talking, gesturing, appearance)

2-Soft Hands
(escorting, joint manipulation, wrist lock)

3-Aerosol Subject Restraint/Taser
(hands off?)

4-Hard Hands
(check, redirect, takedown)

5-Intermediate Weapon
(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6-Deadly Force
(Firearm, ASP, Squad)

(Lethal Force)

- *The force continuum is not always linear.
- *Our goal is maintain control with the least amount of injury to the officer or subject.

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of use of *Deadly Force*, when practical.

9-16 Use of Deadly Force (MN Statute 609.066)

- Use of deadly force by a peace officer in the line of duty is justified only when necessary:
- To protect himself/herself or another from apparent death or great bodily harm.
- To effect the arrest or capture, or prevent the escape of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force, or;

9-16 Use of Deadly Force

- To effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if his/her apprehension is delayed.

9-16 Use of Deadly Force

- A police officer may also discharge a weapon under the following circumstances:
- a. During range practice or competitive shooting events.
- b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured.

9-16 Use of Deadly Force

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

629.32 Minimum Restraint

- A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

- If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 Use of Force to Arrest

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

Terry Vs. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.
- (documentation, W.I.T.)

9-18 Use of Force - General Rules

- a. Officers shall use the least amount of force reasonably necessary (reasonable force?) to accomplish the intended goal without impairing the safety of others. This provision shall not be construed, however, to require officers to first attempt using types and degrees of force which reasonably appear to be inadequate to accomplish the intended objective.

9-18 Use of Force - General Rules

- b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed reasonable for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture quickly under control.

Aerosol Subject Restraint

- MK-3 First Defense Stream/Oleoresin Capsicum (O.C.)

Main Ingredients

- * Propellant: nitrogen
- Active Ingredient: oleoresin capicum
- (3% capsaicin/500,000 Scoville Heat Units)

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- * burning of the eyes, nose, skin and throat
- * Involuntary coughing, choking, gagging, excessive mucous production
- * eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- * disorientation, helplessness, aggressiveness

9-21 Aerosol Subject Restraints

- Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of mace. Chemical mace shall never be used indiscriminately.

9-21 Aerosol Subject Restraints

- Officers shall deploy their department authorized aerosol subject restraint at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with a chemical agent as soon as reasonably possible.

Positional Asphyxia:

death that occurs because the position of a person's body interferes with respiration, causing the inability of the lungs to fill with oxygen, and the person cannot get out of that position. Death occurs due to the person's inability to breathe anymore.

(prone position, 800 lbs., 4 minutes)

Excited Delirium:

From a medical perspective is a state of mental and physiological arousal, agitation, hyperpyrexia (106 degree or greater body temp.) with epiphora (overflow of tears), and hostility.

Excited Delirium (L.E.):

From a law enforcement operational perspective is a term used by law enforcement indicating that a person whom officer(s) are dealing with exhibits abnormal behavior(s) that may result in their death.

*****COMMUNICATE*****

Excited Delirium Recognition

- Bizarre behavior
- Physical exertion (prior to or during officer's presence)
- Unresponsive to verbal commands
- Super human strength and endurance
- Decreased in responsiveness to pain
- Multiple officers needed for control
- Aggressive behavior
- Hyperactive
- Incoherent/nonsensical shouting
- Paranoia
- Grunting, animal-like primitive sounds during struggle

Excited Delirium Recognition

- Sweating or lack thereof
- Foaming at the mouth
- Hallucinations
- Clothing removal
- Broken glass involvement
- Traffic
- Hot, humid environment
- Fight vs. FLIGHT
- Personal space

Excited Delirium Deceased Victim Profile

- Male (97%)
- Average age 34 to 36 (most deaths 20-39)
- History of mental illness and/or history of chronic stimulant abuse (80% were drug abusers; cocaine most common; not necessarily recent use...)
- 63% exhibit bizarre behavior
- 12% OC used
- 9% Impact weapon used
- 30% Taser used
- 100% handcuffed
- 70% struggled with officers

Visualization

- Preparation for Use of Force
- Goal is winning/control always
- Pre-practiced plan
- Training, experience, fitness level, winning mental attitude...
- 8 hours of annual training?
- Visualization

Visualization

- Visualization as training...Winning a UOF encounter, self injury or another officer .
- "What's important now?" apply it to all situations...We instinctively and routinely follow the path of priorities... (tunnel vision)

Visualization

- PI Accident
- Get to scene safely
- Summon appropriate help
- Scene safe?
- Make scene safe
- provide care
- Investigate accident/report

Visualization

- UOF encounters are a small fraction of incidents dealt with, so...
- Handling of UOF encounters can be less instinctive, less routine and higher stress

Visualization

- Officer down
-
- 1. get to scene safely, fight the feeling that I can't get to the scene fast enough (most officer injuries and deaths)
- 2. Obtain further information
- 3. Summon appropriate help
- 4. is threat still present? (tunnel vision)
- 5. eliminate threat
- 6. provide aid

Visualization

- "What's important now?"

Visualization

- http://www.policeone.com/officer-survival/articles/7041191-Video-Woman-stabs-cop-with-scissors-during-traffic-stop/?utm_source=newsletter&utm_medium=email&utm_campaign=featuredNews&nid=?utm_source=newsletter_70422741878057&utm_medium=email

St. Anthony Police Department

Aerosol Subject Restraint/MK-3

1

MK-3 First Defense Stream/O.C.

Main Ingredients

- Propellant: nitrogen
- Active ingredient: oleoresin capsicum
- (3% capsaicin/500,000 Scoville Heat Units)

2

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- burning of the eyes, nose, skin and throat
- involuntary coughing, choking, gagging, excessive mucous production
- eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- disorientation, helplessness, aggressiveness

3

Effects of O.C.

Varying Degrees of Effects

- tolerance for pain
- drugs, alcohol use, EDP
- intended target vs. resulting target

Longevity of Effects

- eyes/2-40 minutes
- respiratory/2-30 minutes
- burning/2-40 minutes

4

A.S.R./Department Policy

Policy 2-845/Use of A.S.R.

Aerosol subject restraint is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. A.S.R. is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of A.S.R. shall never be used indiscriminately.

Officer shall deploy their department authorized A.S.R. at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with A.S.R. as soon as reasonably possible.

5

A.S.R./Department Policy

Use of Force Continuum

1. Presence/dialogue
2. Soft hands
3. A.S.R./Taser
4. Hard hands
5. Intermediate weapons
6. Deadly force

6

Factors Considered

(Prior to Deployment of A.S.R.)

Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

7

Factors Considered

- Environment
Indoors/Outdoors?
Unintended victims?
Weather-wind, rain, ice

8

Factors Considered

Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you. Eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9

Practical Deployment of A.S.R.

Placement on Duty Belt

- Weapon side
- Reaction side

Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

10

Practical Deployment of A.S.R.

Target Pattern

- Eyes
- Nose
- Mouth
- Circle/X
- Horizontal

Deployment

- 2-10 feet
- 1-2 second spurts
- Strong verbal commands
- Tactically move
- Escalate, de-escalate

11

Decontamination/First Aid

Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

12

Practical Exercise

- Combat stance
- Verbal commands
- Removal from holster into deployment hand
- Proper grip and arm extension
- Guard hand up
- 1-2 second spurts
- Tactically move
- Escalate, de-escalate

13

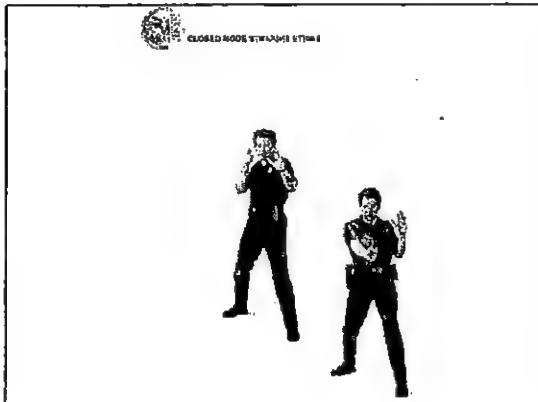

ASP STRIKES

Closed Mode
Target Area

Center Mass of the Body

Closed Mode Combination

Weapon Strike followed
by Reaction Strike

*ASP Strikes are Forgiving Techniques. They can be effective even when not performed completely correct.

*In *open mode strikes*, the last 3 inches of the ASP should make contact with the subject.

Open Mode Target Areas

Center Mass of:

- *Arm
- *Leg
- *Body

***NEVER Target Strikes to
the Head, Neck, Spine,
Sternum or Groin**

**Unless Deadly Force is justified.*

OPEN MODE WEAPON STRIKE

**Rapid Response
Weapon Strike**

OPEN MODE WEAPON STRIKE

OPEN MODE WEAPON STRIKE

**Open Mode
Combinations**

**Weapon Strike followed
by Reaction Strike**

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

1. Stand in ready position

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 1/2 Position for interview
- #2 Position for escort approach
- #2 1/2 Position for escort
- #3 Position for pressure

#3 Position/
Pressure Points

#2 1/2 Position/

SAPD Principles and Practices

Taser

SAPD Principles and Practices 9-22 Taser/Electronic Control Device

APPLICATION:

The Taser may be used in situations where force is justified to control aggressive and or combative/non-compliant subjects, thereby reducing the likelihood of injury to officers and subjects.

(Policy change? Conducted Electrical Weapon)

SAPD Principles and Practices 9-22 Taser/Electronic Control Device

- **Dart Deployment:**
- The deploying officer shall inform officers of the presence and/or planned use of the Taser so the Taser deployment is not mistaken for a gun shot.
- Unless prevalent circumstances suggest otherwise ECD use should not exceed fifteen seconds.
- The Taser should not be used when the subject is in danger of falling from a significant height.
- The Taser should not be used when a subject is in water where drowning is a possibility.
- Officers are to make every effort to avoid dart placement to the head, neck, groin, or chest.

SAPD Principles and Practices 9-22 Taser/Electronic Control Device

- The Taser will cycle for a period of 5 seconds, but may be turned off sooner as the situation warrants. Officers should evaluate Taser effectiveness at the end of each 5 second cycle. Each cycle shall be detailed in the narrative per 9-23.
- When feasible, officers should give verbal warning prior to ECD deployment.
- Officers are authorized to remove darts from the subject if the darts are in an area of the body not considered to be soft tissue.
- Used darts are considered a biohazard and must be handled appropriately. This includes the use of gloves and designated biohazard sharps evidentiary containers by department personnel. Darts can be inverted and placed back into the cartridge from which they were deployed.

SAPD Principles and Practices 9-22 Taser/Electronic Control Device

• **Drive Stun Deployment**

Taser deployment in the drive stun mode is a pain compliance technique occupying the same position as other ECD use in the Use of Force Continuum.

SAPD Principles and Practices 9-22 Taser/Electronic Control Device

• **Medical Treatment:**

- For the purpose of this policy, soft tissue areas are considered to be the head, eyes, neck, and groin/genital area.
- When the Taser has been used on a subject, he/she shall be evaluated by emergency medical responders.
- A subject that has been exposed to prolonged application, over 15 second, shall be transported to a hospital for evaluation. Personnel conducting the evaluation should be aware that the subject has experienced the prolonged ECD application.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- Medical personnel must remove darts that may have penetrated soft tissue areas.
- An officer/individual of the same sex shall remove the darts from the subject in cases where darts have penetrated areas which involve the breast, buttocks, genitals, or inner thigh.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- **Restricted Uses:**
- The Taser shall not be used on restrained individuals unless the actions of the person cause a potential threat of bodily harm to themselves or any other person.
- The Taser shall not be used when the presence of flammable fumes, liquids or gases are known or likely.
- The Taser should not be used on women known to be pregnant unless all other means short of lethal force have been used (policy change?).

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- **Documentation:**
- Depending on the penetration and the location of the darts and the sex of the subject, officers must make every reasonable effort to have any dart impact areas on the subject's person photographed. If the subject is of the opposite sex of the officer and taking of the photographs would require removal of clothing that would expose the breast, buttocks, inner thigh, or genital area, the same sex arrangements must be made.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- Officers are required to fully document the use of the Taser in the narrative per policy 9-23.
- Officers shall properly inventory expended cartridge(s) into evidence.
- Officers shall take the unit out of service until information stored in the unit can be downloaded.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- **Portation:**
- When available, all officers shall carry the department issued Taser weapon while on duty.
- Officer will be required to carry the Taser on their reactionary side.
- Officers will be required to secure the Taser in a department approved duty belt holster or leg style holster.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- **Training:**
- A certified Taser Instructor must train all officers who carry and deploy the Taser.
- Taser users must be recertified on an annual basis.

SAPD Principles and Practices 9-22
Taser/Electronic Control Device

- **Force Continuum:**

Taser shall come under the same force continuum as aerosol subject restraints.

Police Officer's Reasonable Use of Force

Case Law, Myths and Realities

Myth vs. Reality

- Myth: The officer must use the minimal amount of force necessary to affect their lawful objective.
- Reality: The officer may use that force which is "objectively reasonable" based on the totality of the circumstances.

Determination of "Objective Reasonableness" (Graham v. Connor)

- Totality of the circumstances
- Officer/Subject factors
- Recognizes an officers use of force decision is made in a *tense, uncertain and rapidly evolving situation*
- No hindsight scrutiny. (Use of *minimal force* is only capable with use of hindsight scrutiny.)

4 Graham Factors

(An officer's use of force decision during a *tense, uncertain and rapidly evolving situation...*)

- Severity of the crime
 - Immediate threat to officers/others
 - Actively resistance
 - Attempting to evade by flight
- (Not all 4 need to be present)

(Report Writing)

Report Writing

Do not use conclusions to describe subject behavior...

- "When I advised him that he was under arrest, he actively resisted, so I..."

VS.

Be specific...

+ "When I advised him that he was under arrest, he pulled his arms away from me, clenched his fists, bladed his stance and leaned toward me, so I..."

Myth vs. Reality

- Myth: Force may only be used to affect a custodial arrest.
- Reality: Reasonable force may be used to affect any lawful seizure. The right to make an arrest or investigatory stop necessarily carries with it the right to use some degree of physical coercion or threat thereof to effect it. (Terry v. Ohio)

Myth vs. Reality

- Myth: An officer must use the "least intrusive or "best" option when using force.
- Reality: An officer must use a "reasonable" force option.
(The "best" option might have been discovered after the incident, using hindsight scrutiny.)

Myth vs. Reality

- Myth: a suspect must cause harm to an officer or another person before an officer can use force.
- Reality: An officer may proactively use force to respond to impending harm to a person.
- Bad Reality: complacency
- W. I. N. (What's Important now?)
(threat recognition/contextual cues of assault...Don't get "task oriented" by ignoring signs of imminent assault.)

Myth vs. Reality

- Myth: A subject's known mental defect precludes officers from using deadly force, or at a minimum requires officer to try options other than deadly force.
- Reality: No such prohibition exists. A subject's known mental defect is a factor the court will consider in determining whether the application of force was reasonable.

- MN Statute 609.066
- Subd. 2. Use of deadly force.
- Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:
- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.
- No mention of EDP, mental defect...

Prepared for Deadly Force, Assault???

- Having a pre-practiced plan...self-visualization of being assaulted, confronting deadly force, using deadly force
- Subconscious Mind vs. Conscious Mind
real experience, imagery, simulation
- W. I. T. (Whatever It takes.)

FBI Uniform Crime Report

- <http://www.fbi.gov> 2013

9-15 Use of Force Definitions

1. *Approved Weapon* means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties, and for which the officer has: A) obtained training in the technical, mechanical, and physical aspects of the device; and B) has developed a knowledge and understanding of the law, rules, and regulations regarding the employment of such weapon.

9-15 Use of Force Definitions

- 2. *Contact Weapons* mean all objects and instruments which are used or designed to be used, to apply force to the person of another by coming into physical contact with that person.
- 3. *Chemical Agents* mean chemical mace, tear gas, and pepper mace.

9-15 Use of Force Definitions

- 4. *Deadly Force*. Force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing death or great bodily harm.
- 5. *Non-Deadly Force*. Force actually used by an officer which does not have the purpose of causing, nor create a substantial risk of causing, death or great bodily harm.

9-15 Use of Force Definitions

- 6. *Use of Force Continuum*. A guideline that describes a police officers reasonable use of force options to include: Presence/Dialogue; soft hands; aerosol subject restraint/taser; hard hands; intermediate weapons; and deadly force

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of use of *Deadly Force*, when practical.

9-16 Use of Deadly Force (MN Statute 609.066)

- Use of deadly force by a peace officer in the line of duty is justified only when necessary:
- To protect himself/herself or another from apparent death or great bodily harm.
- To effect the arrest or capture, or prevent the escape of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force, or;

9-16 Use of Deadly Force

- To effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if his/her apprehension is delayed.

9-16 Use of Deadly Force

- A police officer may also discharge a weapon under the following circumstances:
 - a. During range practice or competitive shooting events.
 - b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured.

9-16 Use of Deadly Force

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

9-17 Use of Non-Deadly Force (MN Statute 609.06)

- It shall be the policy of this Department to accord officers discretion in the use of non-deadly force to the extent permitted by Minnesota Statute 609.06 which permits police officers to use reasonable force:
 - a. In effecting a lawful arrest; or
 - b. In the execution of legal process; or
 - c. In enforcing an order of the court; or
 - d. In effecting any other duty imposed on the officer by law. (add next slide to policy?)

(MN Statute 609.06)

- (9) when used to restrain a person with a mental illness or a person with a developmental disability from self-injury or injury to another or when used by one with authority to do so to compel compliance with reasonable requirements for the person's control, conduct, or treatment;
- http://www.policeone.com/officer-survival/articles/7041191-Video-Woman-stabs-cop-with-scissors-during-traffic-stop/?utm_source=newsletter&utm_medium=email&utm_campaign=featuredNews&nlid=?utm_source=newsletter_70422741878057&utm_medium=email

MN Statute 629.30 Who May Arrest?

- Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.
- An arrest may be made:
 - 1. by an officer under a warrant;
 - 2. by an officer without a warrant;
 - 3. by an officer in the US Customs...
 - 4. by a private person.
- A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

- A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

- If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 Use of Force to Arrest

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

Terry Vs. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.
- (documentation, W.I.T.)

9-18 Use of Force - General Rules

- a. Officers shall use the least amount of force reasonably necessary (reasonable force?) to accomplish the intended goal without impairing the safety of others. This provision shall not be construed, however, to require officers to first attempt using types and degrees of force which reasonably appear to be inadequate to accomplish the intended objective.

9-18 Use of Force - General Rules

- b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed reasonable for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture quickly under control.

9-18 Use of Force - General Rules

- c. Officers shall carry and use only approved weapons, as that term is defined in Section 9-23, unless circumstances exist which pose an imminent threat to the safety of the public or the officer requiring the immediate use of non-approved weapon to counter such a threat.

9-18 Use of Force - General Rules

- d. No officer shall modify, alter, or cause to be altered an approved weapon in his/her possession or control. This provision shall not be construed to prohibit officers from modifying grips on approved firearms in the officer's possession or control.
- e. Under no circumstances may any officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.

9-19 Contact Weapons- Expandable Baton

- Contact weapons shall be used only where efforts involving the use of less force have failed, or where it reasonably appears that such methods would be ineffective if attempted. Contact weapons may be used only in the following manner:
 - a. To ward off blows or kicks from another person; or
 - b. To strike another for the purpose of rendering that person temporarily incapacitated; or
 - c. to restrain persons; or

9-19 Contact Weapons- Expandable Baton

- d. In appropriate crowd control situations, to direct and control the movements of people or persons, or as a barricade.
- e. officer shall not intentionally strike an individual above the shoulders unless such action would be justified under the use of deadly force guidelines.

9-22 Firearms as Last Resort

- An officer is equipped with a firearm to use as a last resort in effecting the arrest of a dangerous felon. When a firearm is used by an officer, it must be with the realization that the death of some person may occur, not necessarily with the intent that such will be the result.

9-22 Firearms as Last Resort

- It is the policy of this Department that members exhaust all other reasonable means of apprehension and control before resorting to the use of firearms. It is also the policy of this Department that members shall not unnecessarily or unreasonably endanger themselves in applying the firearms regulation to actual situations.
- If feasible, an officer should give warning before using or attempting to use deadly force.

9-26 Firearms - Justification Limited to Facts Known to Officers

- Justification for the use of firearms must be limited to what reasonably appear to be the facts known or perceived by an officer at the time he/she decides to shoot. Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.

Aerosol Subject Restraint

- MK-3 First Defense Stream/Oleoresin Capsicum (O.C.)

Main Ingredients

- * Propellant: nitrogen
- Active Ingredient: oleoresin capsicum
- (3% capsaicin/500,000 Scoville Heat Units)

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- * burning of the eyes, nose, skin and throat
- * Involuntary coughing, choking, gagging, excessive mucous production
- * eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- * disorientation, helplessness, aggressiveness

Effects of O.C.

Varying Degrees of Effects

- tolerance for pain
- drugs, alcohol use, EDP
- Intended target vs. resulting target

Longevity of Effects

- eyes/2-40 minutes
- respiratory/2-30 minutes
- burning/2-40 minutes

9-21 Aerosol Subject Restraints

- Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of mace. Chemical mace shall never be used indiscriminately.

9-21 Aerosol Subject Restraints

- Officers shall deploy their department authorized aerosol subject restraint at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with a chemical agent as soon as reasonably possible.

9-21 Aerosol Subject Restraints

- Use of Force Continuum

1. Presence/dialogue
2. Soft hands
3. A.S.R./Taser
4. Hard hands
5. Intermediate weapons
6. Deadly force

9-21 Aerosol Subject Restraints

- Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

- Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

9-21 Aerosol Subject Restraints

- Environment
- Indoors/Outdoors?
- Unintended victims?
- Weather-wind, rain, ice

9-21 Aerosol Subject Restraints

- Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you, Eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9-21 Aerosol Subject Restraints

- Placement on Duty Belt

- Weapon side
- Reaction side

- Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

9-21 Aerosol Subject Restraints

- Decontamination/First Aid

- Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

SAPD Force Continuum

Why is the Use of Force Continuum Beneficial to Police Officers?

- Operationalizes use of force (teachable, learnable and retainable)
- Flexible, yet consistent
- Allows escalation, de-escalation and disengagement
- Based on *reasonableness*
- Allows formulation of a plan/pre-practiced plan
- Evaluates *reasonable force* "totality of the circumstances"/no armchair quarterbacking (officer/subject, special circumstances...)
- Allows the subject to determine what level of force officer uses

Control V. Injury (Damage)

(ASP Handbook)

The goal of a law enforcement officer in a confrontation is control of the subject. It is imperative that this control cannot be a 50/50 balance. The officer must win and not just 50% of the time. If half the confrontations result in a failure to control the subject, the officer and the general public are put in critical danger.

An officer needs to maintain control. Each technique employed in a confrontational situation must be evaluated in terms of its likelihood to gain control compared to its likelihood to cause damage. Those techniques, which offer a high degree of control and a limited potential for damage, are preferred options.

SAPD Force Continuum

1-Presence/Dialogue

(talking, gesturing, appearance)

2-Soft Hands

(escorting, joint manipulation, wrist lock)

3-Aerosol Subject Restraint/Taser

(hands off?)

4-Hard Hands

(check, redirect, takedown)

5-Intermediate Weapon

(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6-Deadly Force

(Firearm, ASP, Squad)

(Lethal force)

*The force continuum is not always linear.

*Our goal is maintain control with the least amount of injury to the officer or subject.

Recognition of threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward
- Clenching Fists
- Breathing is fast, shallow
- Sweating
- Looking through you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people and/or property

MN State Statutes Regarding Use of Force

609.02 Definitions

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

609.02 Definitions

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

609.02 Definitions

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

609.06 Authorized Use of Force

Reasonable Force May be used upon or toward the person of another without the other's consent when the following circumstances exist or the actor *reasonably believes* them to exist:

- (1) When used by a public officer or one assisting a public officer under the public officer's direction:
 - a. in effecting a lawful arrest; or
 - b. in execution of legal process; or
 - c. in enforcing an order of the court; or
 - d. in executing any other duty imposed on the public officer by law
- (9) When used to restrain a person who is mentally ill or mentally defective from self-injury to another or when used by one with authority to do so to compel compliance with reasonable requirements for the person's control, conduct, or treatment.

629.30 Who May Arrest?

Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.

An arrest may be made:

1. by an officer under a warrant;
2. by an officer without a warrant;
3. by an officer in the US Customs...
4. by a private person.

A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

A peace officer making an arrest may not subject the person arrested to any more restraint than is necessary for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 (cont.)

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

609.066 Deadly Force

Deadly Force: force which the actor uses with the purpose of causing, or the actor should reasonably know creates a substantial risk of causing, death or great bodily harm.

The use of deadly force by a peace officer in the line of duty is justified only when necessary:

1. To protect the officer or another from apparent death or great bodily harm;
2. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
3. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.

609.065 Justifiable Taking of Life

The intentional taking of a life of another is not justified by 609.06, except when necessary in resisting or preventing an offense which the actor reasonably believes exposes the actor or another to great bodily harm or death, or preventing the commission of a felony in the actor's place of abode.

9-15 Use of Force Definitions

1. *Approved Weapon means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties, and for which the officer has: A) obtained training in the technical, mechanical, and physical aspects of the device; and B) has developed a knowledge and understanding of the law, rules, and regulations regarding the employment of such weapon.*

9-15 Use of Force Definitions

- 2. *Contact Weapons mean all objects and instruments which are used or designed to be used, to apply force to the person of another by coming into physical contact with that person.*
- 3. *Chemical Agents mean chemical mace, tear gas, and pepper mace.*

9-15 Use of Force Definitions

- 4. *Deadly Force. Force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing death or great bodily harm.*
- 5. *Non-Deadly Force. Force actually used by an officer which does not have the purpose of causing, nor create a substantial risk of causing, death or great bodily harm.*

9-15 Use of Force Definitions

- 6. *Use of Force Continuum. A guideline that describes a police officers reasonable use of force options to include: Presence/Dialogue; soft hands; aerosol subject restraint/taser; hard hands; intermediate weapons; and deadly force*

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of *Deadly Force*, when practical.

609.02 Definitions

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

609.02 Definitions

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

609.02 Definitions

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

9-16 Use of Deadly Force (MN Statute 609.066)

- Use of deadly force by a peace officer in the line of duty is justified only when necessary:
- To protect himself/herself or another from apparent death or great bodily harm.
- To effect the arrest or capture, or prevent the escape of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force, or;

9-16 Use of Deadly Force

- To effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if his/her apprehension is delayed.

9-16 Use of Deadly Force

- A police officer may also discharge a weapon under the following circumstances:
- a. During range practice or competitive shooting events.
- b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured.

9-16 Use of Deadly Force

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

9-17 Use of Non-Deadly Force (MN Statute 609.06)

- It shall be the policy of this Department to accord officers discretion in the use of non-deadly force to the extent permitted by Minnesota Statute 609.06 which permits police officers to use reasonable force:
- a. In effecting a lawful arrest; or
- b. In the execution of legal process; or
- c. In enforcing an order of the court; or
- d. In effecting any other duty imposed on the officer by law.

MN Statute 629.30 Who May Arrest?

- Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.
- An arrest may be made:
- 1. by an officer under a warrant;
- 2. by an officer without a warrant;
- 3. by an officer in the US Customs...
- 4. by a private person.
- A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

- A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

- If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 Use of Force to Arrest

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

Terry Vs. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.
- (documentation, W.I.T.)

9-18 Use of Force - General Rules

- a. Officers shall use the least amount of force reasonably necessary to accomplish the intended goal without impairing the safety of others. This provision shall not be construed, however, to require officers to first attempt using types and degrees of force which reasonably appear to be inadequate to accomplish the intended objective.

9-18 Use of Force - General Rules

- b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed reasonable for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture quickly under control.

9-18 Use of Force - General Rules

- c. Officers shall carry and use only approved weapons, as that term is defined in Section 9-23, unless circumstances exist which pose an imminent threat to the safety of the public or the officer requiring the immediate use of non-approved weapon to counter such a threat.

9-18 Use of Force - General Rules

- d. No officer shall modify, alter, or cause to be altered an approved weapon in his/her possession or control. This provision shall not be construed to prohibit officers from modifying grips on approved firearms in the officer's possession or control.
- e. Under no circumstances may any officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.

9-19 Contact Weapons- Expandable Baton

- Contact weapons shall be used only where efforts involving the use of less force have failed, or where it reasonably appears that such methods would be ineffective if attempted. Contact weapons may be used only in the following manner:
 - a. To ward off blows or kicks from another person; or
 - b. To strike another for the purpose of rendering that person temporarily incapacitated; or
 - c. to restrain persons; or

9-19 Contact Weapons- Expandable Baton

- d. In appropriate crowd control situations, to direct and control the movements of people or persons, or as a barricade.
- e. officer shall not intentionally strike an individual above the shoulders unless such action would be justified under the use of deadly force guidelines.

9-22 Firearms as Last Resort

- An officer is equipped with a firearm to use as a last resort in effecting the arrest of a dangerous felon. When a firearm is used by an officer, it must be with the realization that the death of some person may occur, not necessarily with the intent that such will be the result.

9-22 Firearms as Last Resort

- It is the policy of this Department that members exhaust all other reasonable means of apprehension and control before resorting to the use of firearms. It is also the policy of this Department that members shall not unnecessarily or unreasonably endanger themselves in applying the firearms regulation to actual situations.
- If feasible, an officer should give warning before using or attempting to use deadly force.

9-26 Firearms - Justification Limited to Facts Known to Officers

- Justification for the use of firearms must be limited to what reasonably appear to be the facts known or perceived by an officer at the time he/she decides to shoot. Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.

Aerosol Subject Restraint

- MK-3 First Defense Stream/Oleoresin Capsicum (O.C.)

Main Ingredients

- * Propellant: nitrogen
- Active Ingredient: oleoresin capsicum
- (3% capsaicin/500,000 Scoville Heat Units)

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- * burning of the eyes, nose, skin and throat
- * Involuntary coughing, choking, gagging, excessive mucous production
- * eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- * disorientation, helplessness, aggressiveness

Effects of O.C.

Varying Degrees of Effects

- tolerance for pain
- drugs, alcohol use, EDP
- intended target vs. resulting target

Longevity of Effects

- eyes/2-40 minutes
- respiratory/2-30 minutes
- burning/2-40 minutes

9-21 Aerosol Subject Restraints

- Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of mace. Chemical mace shall never be used indiscriminately.

9-21 Aerosol Subject Restraints

- Officers shall deploy their department authorized aerosol subject restraint at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with a chemical agent as soon as reasonably possible.

9-21 Aerosol Subject Restraints

- Use of Force Continuum
 1. Presence/dialogue
 2. Soft hands
 3. A.S.R./Taser
 4. Hard hands
 5. Intermediate weapons
 6. Deadly force

9-21 Aerosol Subject Restraints

Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

9-21 Aerosol Subject Restraints

- Environment
Indoors/Outdoors?
Unintended victims?
Weather-wind, rain, ice

9-21 Aerosol Subject Restraints

Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you. Eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9-21 Aerosol Subject Restraints

Placement on Duty Belt

- Weapon side
- Reaction side

Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

9-21 Aerosol Subject Restraints

Decontamination/First Aid

Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

Taser Case Law

During the tense, uncertain, rapidly evolving situation, with the "totality of the circumstances" in mind, courts have used what is referred to as the "quantum of force" to determine what appear to be the reasonably foreseeable effects and injuries that may result from the force option used.

(Scott v. Harris)

Taser Case Law

- Example: Force option chosen is CEW in dart mode, Officers quantum of force would be greater if the subject was standing on concrete as opposed to grass.

Taser Case Law

- Then the Quantum of Force is compared to ("In light of...") the government's interest in seizing the subject. Which brings us to the Graham v. Connor 4 prong analysis...Tense, uncertain, rapidly evolving situation.
- In documentation...Officers should articulate an immediate threat, which is specific and avoid using possible threat which tends to be vague and subjective. (descriptive vs. conclusive)

Taser Case Law

- In weighing the Quantum of Force and the government interest in seizure of a subject (Graham vs. Connor 4 prong...), if the quantum of force outweighs the government interest in seizure, the officer's chosen force option would be considered unconstitutional.

Taser Case Law

- Courts recognize CEW in dart mode to be an intermediate (significant) level of force and needs to be justified by a strong government interest in seizing the subject. Pepper spray and baton are also considered to be intermediate...(SAPD Continuum-weapon)

(Bryan v. Macpherson)

Taser Case Law

- Courts have ruled that it is an excessive and unreasonable use of force for a police officer repeatedly to administer electrical shocks with CEW on an individual who no longer is armed, has been brought to the ground, has been restrained physically by several other officers and no longer is actively resisting arrest. (de-escalate)

(Meyers v. Baltimore County)

Taser Case Law

- A Taser application to a non-violent misdemeanor who appears to be no threat and who was given no warning, could be considered to be excessive force; Although it is not always required or advisable, if a verbal warning is reasonable, the courts have preferred that one be used prior to application of CEW.
- Taser PP Slide 59, 60/Female w/Bat 

Taser Case Law

- Courts consider whether or not a subject is capable of complying with officers' commands. Examples: physically/disability, emotionally, language, psychologically...
(Cavanaugh v. Woods City)

Taser Case Law

- With the application of CEW, each trigger pull involves an individual application of force, meaning each must be reasonable. Similar to each strike w/baton, punch... Avoid multiple, repeated, prolonged CEW exposure (dept. Policy).

Taser Case Law

When additional applications of force are necessary...

- Is the subject able to comply?
- Are there conflicting commands by officers on scene? (Communication)
- Should/could another force option be chosen?
(Beaver v. City of Federal Way)

In Custody Death

In-Custody Death:

deaths of persons who have been arrested or otherwise detained by the police. It also includes deaths occurring while a person is being arrested or taken into custody. The death may have taken place on police, private or medical premises, in a public place or in a police or other vehicle.

In-Custody Death

Deaths in the following circumstances are amongst those covered by the definition:

- * the person dies in or on the way to hospital (or some other medical premises) following or during transfer from police detention;
- * the person dies after leaving police detention and it is alleged there may be a link between that detention and the cause of death;
- * the person is being detained for the purposes of exercising a power to stop and search;
- * the person is in the care of the police having been detained under 72 hour hold;
- * the person is in police custody having been arrested by officers

In-Custody Death

*estimated that this occurs 50 to 150 times per year in USA

Positional Asphyxia:

death that occurs because the position of a person's body interferes with respiration, causing the inability of the lungs to fill with oxygen, and the person cannot get out of that position. Death occurs due to the person's inability to breathe anymore.

(prone position, 800 lbs., 4 minutes)

Causes of In-Custody Death

- Positional Asphyxia
- Cardiac respiratory difficulty, multiple medical problems
- Mental Illness/Psychiatric Meds
- Stimulant Abuse (hyperactivity, poor circulation...)
- Device Induced contributing? (pepper spray, impact weapons, Taser)
- Trauma Induced- head injury, chest injury, significant physical exertion...
- Excited Delirium

Excited Delirium:

From a medical perspective is a state of mental and physiological arousal, agitation, hyperpyrexia (106 degree or greater body temp.) with epiphora (overflow of tears), and hostility.

Excited Delirium (L.E.):

From a law enforcement operational perspective is a term used by law enforcement indicating that a person whom officer(s) are dealing with exhibits abnormal behavior(s) that may result in their death.

*****COMMUNICATE*****

Excited Delirium Recognition

- Bizarre behavior
- Physical exertion (prior to or during officer's presence)
- Unresponsive to verbal commands
- Super human strength and endurance
- Decreased in responsiveness to pain
- Multiple officers needed for control
- Aggressive behavior
- Hyperactive
- Incoherent/nonsensical shouting
- Paranoia
- Grunting, animal-like primitive sounds during struggle

Excited Delirium Recognition

- Sweating or lack thereof
- Foaming at the mouth
- Hallucinations
- Clothing removal
- Broken glass involvement
- Traffic
- Hot, humid environment
- Fight vs. FLIGHT
- Personal space

Excited Delirium Video

- <https://www.youtube.com/watch?v=k8eyWHf1y50>
- <https://www.youtube.com/watch?v=HfEepVOQrpE>

Excited Delirium

*Hospital or Jail?

*Medical or Criminal?

Excited Delirium Deceased Victim Profile

- Male (97%)
- Average age 34 to 36 (most deaths 20-39)
- History of mental illness and/or history of chronic stimulant abuse (80% were drug abusers; cocaine most common; not necessarily recent use...)
- 83% exhibit bizarre behavior
- 12% OC used
- 9% Impact weapon used
- 30% Taser used
- 100% handcuffed
- 70% struggled with officers

Visualization

- Preparation for Use of Force
- Goal is winning/control always
- Pre-practiced plan
- Training, experience, fitness level, winning mental attitude...
- 8 hours of annual training?
- Visualization

Visualization

- Visualization as training...Winning a UOF encounter, self injury or another officer
- "What's important now?" apply it to all situations...We instinctively and routinely follow the path of priorities... (tunnel vision)

Visualization

- PI Accident
- Get to scene safely
- Summon appropriate help
- Scene safe?
- Make scene safe
- provide care
- Investigate accident/report

Visualization

- UOF encounters are a small fraction of incidents dealt with, so...
- Handling of UOF encounters can be less instinctive, less routine and higher stress

Visualization

- Officer down
-
- 1. get to scene safely, fight the feeling that I can't get to the scene fast enough (most officer injuries and deaths)
- 2. Obtain further information
- 3. Summon appropriate help
- 4. is threat still present? (tunnel vision)
- 5. eliminate threat
- 6. provide aid

Visualization

- "What's important now?"

ASP STRIKES

Closed Mode
Target Area

Center Mass of the Body

Closed Mode Combination

Weapon Strike followed
by Reaction Strike

*ASP Strikes are *Forgiving Techniques*. They can be effective even when not performed completely correct.

*In *open mode strikes*, the last 3 inches of the ASP should make contact with the subject.

Open Mode Target Areas

Center Mass of:

- *Arm
- *Leg
- *Body

***NEVER Target Strikes to
the Head, Neck, Spine,
Sternum or Groin**

**Unless Deadly Force is justified.*

**Rapid Response
Weapon Strike**

**Open Mode
Combinations**

**Weapon Strike followed
by Reaction Strike**

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

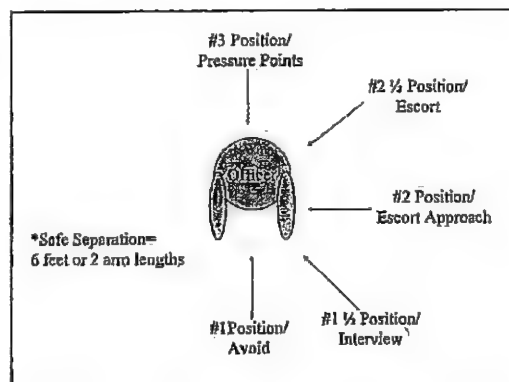

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 ½ Position for interview
- #2 Position for escort approach
- #2 ½ Position for escort
- #3 Position for pressure

<u>Motor Skills</u>	
<u>Gross</u>	<u>Fine</u>
<ul style="list-style-type: none"> • Large muscle groups • High level of retention under stress • Running 	<ul style="list-style-type: none"> • Small muscle groups • Low level of retention under stress • Playing the piano

Case Law

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of *Deadly Force*, when practical.

Graham vs. Connor

- * *Objective Reasonableness Standard* is used in determining if level of force used was appropriate. It considers the *totality of the circumstances*...
1. The severity of the crime?
 2. Immediate threat?
 3. Active resistance?
 4. Evading arrest by flight?
- Split-second decisions
 - No hindsight scrutiny

Terry v. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.

Police Officer's Reasonable Use of Force

Case Law, Myths and Realities

Myth vs. Reality

- Myth: The officer must use the minimal amount of force necessary to affect their lawful objective.
- Reality: The officer may use that force which is "objectively reasonable" based on the totality of the circumstances.

Determination of "Objective Reasonableness" (Graham v. Connor)

- Totality of the circumstances
- Officer/Subject factors
- Recognizes an officers use of force decision is made in a *tense, uncertain and rapidly evolving situation*
- No hindsight scrutiny (Use of *minimal* force is only capable with use of hindsight scrutiny.)
- Shreeveport PD shooting 2003
<http://www.youtube.com/watch?v=YGtNug8gvpk>

4 Graham Factors

(An officer's use of force decision during a *tense, uncertain and rapidly evolving situation...*)

- Severity of the crime
 - Immediate threat to officers/others
 - Actively resistance
 - Attempting to evade by flight
- (Not all 4 need to be present)

(Report Writing)

Report Writing

- Do not use conclusions to describe subject behavior... "When I advised him that he was under arrest, he actively resisted, so I..."
- Be specific... "When I advised him that he was under arrest, he pulled his arms away from me, clenched his fists, bladed his stance and leaned toward me, so I..."

Myth vs. Reality

- Myth: Force may only be used to affect a custodial arrest.
- Reality: Reasonable force may be used to affect any lawful seizure. The right to make an arrest or investigatory stop necessarily carries with it the right to use some degree of physical coercion or threat thereof to effect it. (Terry v. Ohio)

Myth vs. Reality

- Myth: An officer must use the "least intrusive or "best" option when using force.
- Reality: An officer must use a "reasonable" force option.
(The "best" option might have been discovered after the incident, using hindsight scrutiny.)

Myth vs. Reality

- Myth: a suspect must cause harm to an officer or another person before an officer can use force.
- Reality: An officer may proactively use force to respond to impending harm to a person.
<http://www.policeone.com/Patrol-Video/articles/6012882-Video-of-man-slapping-Philly-officer-goes-viral/>
- Good Reality: In the U. S., under 2% of police contacts contain the threat of force or use of force on an officer.
- Bad Reality: complacency
- W. I. N. (What's Important now?)
(threat recognition/contextual cues of assault...Don't get "task oriented" by ignoring signs of imminent assault.)

Myth vs. Reality

- Myth: A subject's known mental defect precludes officers from using deadly force, or at a minimum requires officer to try options other than deadly force.
- Reality: No such prohibition exists. A subject's known mental defect is a factor the court will consider in determining whether the application of force was reasonable.

- MN Statute 609.066
- Subd. 2. Use of deadly force.
- Notwithstanding the provisions of section 609.06 or 609.065, the use of deadly force by a peace officer in the line of duty is justified only when necessary:
- (1) to protect the peace officer or another from apparent death or great bodily harm;
- (2) to effect the arrest or capture, or prevent the escape, of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
- (3) to effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.
- No mention of ED?, mental defect...

Prepared for Deadly Force, Assault???

- Having a pre-practiced plan...self-visualization of being assaulted, confronting deadly force, using deadly force
<http://www.youtube.com/watch?v=Iw4aSXhvgUM>
- Subconscious Mind vs. Conscious Mind
real experience, imagery, simulation
- W. I. T. (Whatever It takes.)

FBI Uniform Crime Report

- <http://www.fbi.gov/about-us/cjis/ucr/leoka/2011>

- Subconscious Mind vs. Conscious Mind
 - *real experience, imagery, simulation
- W. I. T. (Whatever it takes.)

MN State Statutes Regarding Use of Force

609.02 Definitions

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

609.02 Definitions

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

609.02 Definitions

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

609.06 Authorized Use of Force

Reasonable Force May be used upon or toward the person of another without the other's consent when the following circumstances exist or the actor *reasonably believes* them to exist:

- (1) When used by a public officer or one assisting a public officer under the public officer's direction:
 - a. In effecting a lawful arrest; or
 - b. In execution of legal process; or
 - c. In enforcing an order of the court; or
 - d. In executing any other duty imposed on the public officer by law
- (2) When used to restrain a person who is mentally ill or mentally defective from self-injury to another or when used by one with authority to do so to compel compliance with reasonable requirements for the person's control, conduct, or treatment.

629.30 Who May Arrest?

Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.

An arrest may be made:

1. by an officer under a warrant;
2. by an officer without a warrant;
3. by an officer in the US Customs...
4. by a private person.

A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

A peace officer making an arrest may not subject the person arrested to any more restraint than is necessary for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 (cont.)

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

609.066 Deadly Force

Deadly Force: force which the actor uses with the purpose of causing, or the actor should reasonably know creates a substantial risk of causing, death or great bodily harm.

The use of deadly force by a peace officer in the line of duty is justified only when necessary:

1. To protect the officer or another from apparent death or great bodily harm;
2. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
3. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.

609.065 Justifiable Taking of Life

The intentional taking of a life of another is not justified by 609.06, except when necessary in resisting or preventing an offense which the actor reasonably believes exposes the actor or another to great bodily harm or death, or preventing the commission of a felony in the actor's place of abode.

SAPD Force Continuum

Why is the Use of Force Continuum Beneficial to Police Officers?

- Operationalizes use of force (teachable, learnable and retainable)
- Flexible, yet consistent
- Allows escalation, de-escalation and disengagement
- Based on *reasonableness*
- Allows formulation of a plan/pre-practiced plan
- Evaluates *reasonable force* totality of the circumstances/no armchair quarterbacking (officer/subject, special circumstances...)
- Allows the subject to determine what level of force officer uses

Control V. Injury (Damage)

(ASP Handbook)

The goal of a law enforcement officer in a confrontation is control of the subject. It is imperative that this control cannot be a 50/50 balance. The officer must win and not just 50% of the time. If half the confrontations result in a failure to control the subject, the officer and the general public are put in critical danger.

An officer needs to maintain control. Each technique employed in a confrontational situation must be evaluated in terms of its likelihood to gain control compared to its likelihood to cause damage. Those techniques, which offer a high degree of control and a limited potential for damage, are preferred options.

SAPD Force Continuum

1-Presence/Dialogue
(talking, gesturing, appearance)

2-Soft Hands
(escorting, joint manipulation, wrist lock)

3-Aerosol Subject Restraint/Taser
(hands off?)

4-Hard Hands
(check, redirect, takedown)

5-Intermediate Weapon
(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6-Deadly Force
(Firearm, ASP, Squad)

(Lethal force)

*The force continuum is not always linear.

*Our goal is maintain control with the least amount of injury to the officer or subject.

Recognition of threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward
- Clenching Fists
- Breathing is fast, shallow
- Sweating
- Looking through you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people and/or property

Minimizing Liability Through Documentation

Police Officer Liability

- Civil
- Criminal
- Departmental
- Licensure

*Police Officers are expected to be well-trained.

Documentation of Use of Force

- Use terminology that is recognized by non-law enforcement
- Get out state statute and dept. policy
- Better to be too wordy than not wordy enough
- Be chronological
- "under arrest"
- Number of people involved
- Officer/Subject factors, special circumstances
- What was said
- Subject demeanor
- Subject action
- Witness information, especially neutral
- Detailed report on injuries

Physical and Psychological Reactions to Critical Incidents

Reactions

- Tunnel Vision/hearing
- High Respirations
- High Blood Pressure
- Fatigue
- Stress
- Tension
- Time Distortion

Coping

- Diet
- Exercise
- Sleep
- Communicate/therapy

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

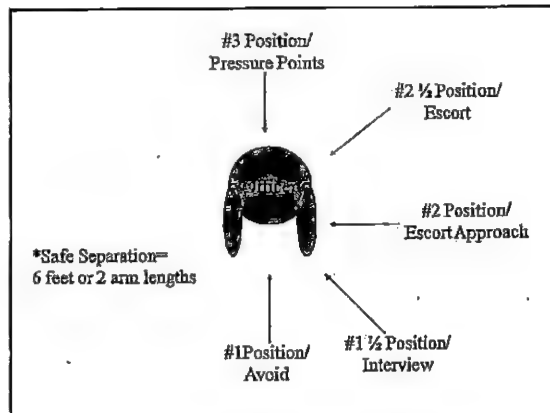

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 ½ Position for interview
- #2 Position for escort approach
- #2 ½ Position for escort
- #3 Position for pressure

Motor Skills

Gross

- Large muscle groups
- High level of retention under stress
- Running

Fine

- Small muscle groups
- Low level of retention under stress
- Playing the piano

ASP STRIKES

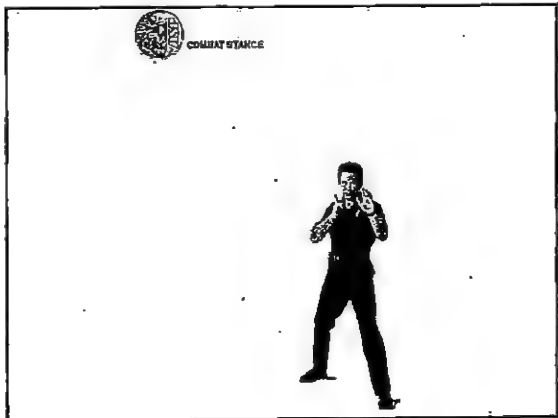

Closed Mode
Target Area

Center Mass of the Body

ASP STRIKES

Closed Mode
Target Area

Center Mass of the Body

***NEVER Target Strikes to
the Head, Neck, Spine,
Sternum or Groin**

**Unless Deadly Force is justified.*

OPEN MODE WEAPON STRIKE

**Rapid Response
Weapon Strike**

OPEN MODE REACTION STRIKE

OPEN MODE STRIKE

**Open Mode
Combinations**

**Weapon Strike followed
by Reaction Strike**

St. Anthony Police Department

Aerosol Subject Restraint/MK-3

1

MK-3 First Defense Stream/O.C.

Main Ingredients

- Propellant: nitrogen
- Active ingredient: oleoresin capsicum
- (3% capsicum/500,000 Scoville Heat Units)

2

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- burning of the eyes, nose, skin and throat
- involuntary coughing, choking, gagging, excessive mucous production
- eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- disorientation, helplessness, aggressiveness

3

Effects of O.C.

Varying Degrees of Effects

- tolerance for pain
- drugs, alcohol use, EDP
- intended target vs. resulting target

Longevity of Effects

- eyes/2-40 minutes
- respiratory/2-30 minutes
- burning/2-40 minutes

4

A.S.R./Department Policy

Policy 2-845/Use of A.S.R.

Aerosol subject restraint is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. A.S.R. is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of A.S.R. shall never be used indiscriminately.

Officer shall deploy their department authorized A.S.R. at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with A.S.R. as soon as reasonably possible.

5

A.S.R./Department Policy

Use of Force Continuum

1. Presence/dialogue
2. Soft hands
3. A.S.R./Taser
4. Hard hands
5. Intermediate weapons
6. Deadly force

6

Factors Considered

(Prior to Deployment of A.S.R.)

Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

7

Factors Considered

- Environment
 - Indoors/Outdoors?
 - Unintended victims?
 - Weather-wind, rain, ice

8

Factors Considered

Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you. Eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9

Practical Deployment of A.S.R.

Placement on Duty Belt

- Weapon side
- Reaction side

Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

10

Practical Deployment of A.S.R.

Target Pattern

- Eyes
- Nose
- Mouth
- Circle/X
- Horizontal

Deployment

- 2-10 feet
- 1-2 second spurts
- Strong verbal commands
- Tactically move
- Escalate, de-escalate

11

Decontamination/First Aid

Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

12

Practical Exercise

- Combat stance
- Verbal commands
- Removal from holster into deployment hand
- Proper grip and arm extension
- Guard hand up
- 1-2 second spurts
- Tactically move
- Escalate, de-escalate

13

Handcuffing (practical)

- *Nomenclature

- *ID your cuffs

- *Proper ratcheting, lubrication

- *Proper locking, double locking and unlocking

- *Tightness check

- *Complaints of tightness

- *Keys

- *Swapping cuffs

- *Hinge, chain, leg shackles, TARP belt

- *Latex gloves

- *Practical

 - solo?

 - Determine position of suspect...size (multiple cuffs, shackles, injury, cooperative only, front vs. back (jail))

 - Good positioning

 - Tightness, doublelock, pat down search

- *Transport, comfort

In Custody Death

In-Custody Death:

deaths of persons who have been arrested or otherwise detained by the police. It also includes deaths occurring while a person is being arrested or taken into custody. The death may have taken place on police, private or medical premises, in a public place or in a police or other vehicle.

In-Custody Death

Deaths in the following circumstances are amongst those covered by the definition:

- * the person dies in or on the way to hospital (or some other medical premises) following or during transfer from police detention;
- * the person dies after leaving police detention and it is alleged there may be a link between that detention and the cause of death;
- * the person is being detained for the purposes of exercising a power to stop and search;
- * the person is in the care of the police having been detained under 72 hour hold;
- * the person is in police custody having been arrested by officers

In-Custody Death

*estimated that this occurs 50 to 150 times per year in USA

Positional Asphyxia:

death that occurs because the position of a person's body interferes with respiration, causing the inability of the lungs to fill with oxygen, and the person cannot get out of that position. Death occurs due to the person's inability to breathe anymore.

(prone position, 800 lbs., 4 minutes)

Excited Delirium:

From a medical perspective is a state of mental and physiological arousal, agitation, hyperpyrexia (106 degree or greater body temp.) with epiphora (overflow of tears), and hostility.

Excited Delirium (L.E.):

From a law enforcement operational perspective is a term used by law enforcement indicating that a person whom officer(s) are dealing with exhibits abnormal behavior(s) that may result in their death.

*****COMMUNICATE*****

Causes of In-Custody Death

- Cardiac respiratory difficulty, multiple medical problems
- Mental Illness/Psychiatric Meds
- Stimulant Abuse (hyperactivity, poor circulation...)
- Device Induced contributing? (pepper spray, impact weapons, Taser)
- Trauma induced- head injury, chest injury, significant physical exertion...

Excited Delirium Recognition

- Bizarre behavior
- Physical exertion (prior to or during officer's presence)
- Unresponsive to verbal commands
- Super human strength and endurance
- Decreased in responsiveness to pain
- Multiple officers needed for control
- Aggressive behavior
- Hyperactive
- Incoherent/nonsensical shouting
- Paranoia
- Grunting, animal-like primitive sounds during struggle

Excited Delirium Recognition

- Sweating or lack thereof
- Foaming at the mouth
- Hallucinations
- Clothing removal
- Broken glass involvement
- Traffic
- Hot, humid environment
- Fight vs. FLIGHT
- Personal space

Excited Delirium

*Hospital or Jail?

*Medical or Criminal?

Excited Delirium Deceased Victim Profile

- Male (97%)
- Average age 34 to 36 (most deaths 20-39)
- History of mental illness and/or history of chronic stimulant abuse (80% were drug abusers; cocaine most common; not necessarily recent use...)
- 63% exhibit bizarre behavior
- 12% OC used
- 9% impact weapon used
- 30% Taser used
- 100% handcuffed
- 70% struggled with officers

Incident #1 of In-Custody Death

Laramie (WY) police officers responded to a complaint that a man, later identified as Cruz, was running around naked. The first officer to arrive on the scene found Cruz on an exterior landing of an apartment building. Cruz was naked, jumping up and down yelling and kicking his legs in the air. He was yelling continuously about swarm insects and was attempting to swat away invisible objects. (next)

Incident #1 In-Custody Death

One of the first officers to arrive called for an ambulance. The officers spoke to Cruz, got him to calm down, and persuaded him to come down the steps. Cruz tried to get past officers when he reached the bottom of the steps. The officers wrestled Cruz to the ground and handcuffed him face down. Cruz continued to yell and flail about. Another officer used a nylon restraint to attach Cruz's wrists and ankles. (next)

Incident #1 In-Custody Death

After being restrained in this matter, Cruz calmed down considerably. Just before the ambulance arrived, one of the officers noticed that Cruz's face had lost its color. The restraints were removed. Immediately upon reaching the scene, the ambulance personnel initiated CPR. Cruz was pronounced dead on arrival at the hospital.

Court decided the restraint was excessive per 4th amendment, but officers were not liable because no law was clearly established at the time...

Incident #2 In-Custody Death

(2007 case) Andrew Sallenger was mentally ill. His sister called 911 and reported Sallenger was completely naked and yelling at the rest of the family. She reported Sallenger was "schizophrenic bipolar manic depressive" and she had gone to the state's attorney that day to ask about having him committed. (next)

Incident #2 In-Custody Death

Officers arrived on the scene and found the family had left the house and was waiting outside. The sister told officers that Sallenger was naked, throwing things around the house, chasing the cat and other family members. Officers found Sallenger in his bedroom. He was sitting on the floor completely naked. He did not immediately appear to be aware the officers were present. (next)

Incident #2 In-Custody Death

Sallenger got up and lunged at one of the officers and then stood in a boxing position. One officer sprayed Sallenger with OC. The officers then attempted to handcuff Sallenger. He kept tucking his arms underneath him. With all of the officers trying to control him, he was still able to get up on his hands and knees. (next)

Incident #2 In-Custody Death

After a lengthy struggle that included punches with closed fists and strikes with a flashlight, the officer eventually got Sallenger handcuffed. He was then positioned with his torso against the bed and his knees on the floor. Once handcuffed, the officers applied a hobble that attached Sallenger's wrists to his ankles. It was secured such that Sallenger's toes were no longer on the ground. (next)

Incident #2 In-Custody Death

The Sgt. On scene indicated he knew it was important to turn a person restrained in a hobble position on his side to make sure they could breathe properly. Sallenger, however, was left with his torso leaning against the bed. Some time later, the officers discovered Sallenger had no pulse. The officers performed CPR. (next)

Incident #2 In-Custody Death

Sallenger was declared brain dead within a couple of days.

M.E. determined cause of death was "cardio-respiratory arrest during prone police restraint due to excited or agitated delirium. Also contributing was mental illness, enlarged heart and obesity.

Court determined that once hogtied, there is a necessity of placing subject on his side.

Medical Determination...

- Communication (dispatch, responding officers, paramedics...)
- Containment (multiple officers, limit the struggle...)
- Attempting Control...
 - *Pepper Spray? agitation, respiratory...
 - *Less lethal shot gun or ASP? pain tolerance, further physical, brute trauma...
 - *Taser? allows respirations, allows cuff under control in prone position... (next)

Medical Determination

- Hogtied? TARPed? breathing, circulation, positioning
 - *allow wiggle room
- Secure to ambulance gurney
- **Obtain body temperature ASAP** (core)
- Transport to hospital (officer ride with...)
- If death is result, call 1-800-UMBRAIN.

SAPD Principles and Practices

Taser

SAPD Principles and Practices Taser

Electronic Control Device

The Taser is a hand held, laser aimed, battery operated, less lethal, electronic control device (ECD) defined as a contact weapon for purposes of this policy. Voltage is applied to a subject by two darts connected to conducting wires propelled from a charged cartridge, or from direct contact. The unit uses an Electro-Muscular Disruptive system, which overrides the central nervous system and effects the sensory and motor nervous system resulting in temporary, involuntary muscle contractions. The contractions will incapacitate a subject so they can be placed under the control of law enforcement officers.

SAPD Principles and Practices Taser

APPLICATION:

The Taser may be used in situations where force is justified to control aggressive and or combative/non-compliant subjects, thereby reducing the likelihood of injury to officers and subjects.

SAPD Principles and Practices Taser

- **Dart Deployment:**
- The deploying officer shall inform officers of the presence and/or planned use of the Taser so the Taser deployment is not mistaken for a gun shot.
- Unless prevalent circumstances suggest otherwise ECD use should not exceed fifteen seconds.
- The Taser should not be used when the subject is in danger of falling from a significant height.
- The Taser should not be used when a subject is in water where drowning is a possibility.
- Officers are to make every effort to avoid dart placement to the head, neck, groin, or chest.

SAPD Principles and Practices Taser

- The Taser will cycle for a period of 5 seconds, but may be turned off sooner as the situation warrants. Officers should evaluate Taser effectiveness at the end of each 5 second cycle. Each cycle shall be detailed in the narrative per 9-23.
- When feasible, officers should give verbal warning prior to ECD deployment.
- Officers are authorized to remove darts from the subject if the darts are in an area of the body not considered to be soft tissue.
- Used darts are considered a biohazard and must be handled appropriately. This includes the use of gloves and designated biohazard sharps evidentiary containers by department personnel. Darts can be inverted and placed back into the cartridge from which they were deployed.

SAPD Principles and Practices Taser

• Drive Stun Deployment

Taser deployment in the drive stun mode is a pain compliance technique occupying the same position as other ECD use in the Use of Force Continuum.

**SAPD Principles and Practices
Taser**

- **Medical Treatment:**
- For the purpose of this policy, soft tissue areas are considered to be the head, eyes, neck, and groin/genital area.
- When the Taser has been used on a subject, he/she shall be evaluated by emergency medical responders.
- A subject that has been exposed to prolonged application, over 15 second, shall be transported to a hospital for evaluation. Personnel conducting the evaluation should be aware that the subject has experienced the prolonged ECD application.
- Medical personnel must remove darts that may have penetrated soft tissue areas.

**SAPD Principles and Practices
Taser**

- An officer/individual of the same sex shall remove the darts from the subject in cases where darts have penetrated areas which involve the breast, buttocks, genitals, or inner thigh.

**SAPD Principles and Practices
Taser**

- **Restricted Uses:**
- The Taser shall not be used on restrained individuals unless the actions of the person cause a potential threat of bodily harm to themselves or any other person.
- The Taser shall not be used when the presence of flammable fumes, liquids or gases are known or likely.
- The Taser should not be used on women known to be pregnant unless all other means short of lethal force have been used.

**SAPD Principles and Practices
Taser**

- **Documentation:**
- Depending on the penetration and the location of the darts and the sex of the subject, officers must make every reasonable effort to have any dart impact areas on the subject's person photographed. If the subject is of the opposite sex of the officer and taking of the photographs would require removal of clothing that would expose the breast, buttocks, inner thigh, or genital area, the same sex arrangements must be made.

**SAPD Principles and Practices
Taser**

- Officers are required to fully document the use of the Taser in the narrative per policy 9-23.
- Officers shall properly inventory expended cartridge(s) into evidence.
- Officers shall take the unit out of service until information stored in the unit can be downloaded.

**SAPD Principles and Practices
Taser**

- **Portation:**
- When available, all officers shall carry the department issued Taser weapon while on duty.
- Officer will be required to carry the Taser on their reactionary side.
- Officers will be required to secure the Taser in a department approved duty belt holster or leg style holster.

SAPD Principles and Practices
Taser

- **Training:**
- A certified Taser Instructor must train all officers who carry and deploy the Taser.
- Taser users must be recertified on an annual basis.

SAPD Principles and Practices
Taser

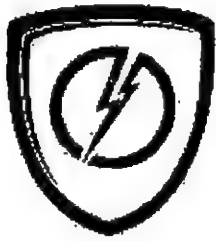

- **Force Continuum:**
- Taser shall come under the same force continuum as aerosol subject restraints.

St. Anthony Police Department Use of Force Exam
04-23-13/04-30-13 Officer Yanez

1. (9-15.5) Non deadly Force that may be used by an officer which does not have the purpose of causing, nor creating a substantial risk of causing, death or great bodily harm.
2. (9-1) An officer must base his/her conduct and action in each use of force situation upon the totality of the circumstances as they reasonably appear.
3. (9-15.1) An approved weapon means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties.
4. (9-18a) Officer shall use the least amount of force reasonably necessary to accomplish the intended goal without impairing the safety of others.
5. (9-22) If feasible, an officer should give verbal warning before using or attempting to use deadly force.
6. (9-16) An officer's use of deadly force can be justified when protecting himself/herself or another from apparent death or great bodily harm.
7. (9-17a) Reasonable force by an officer may be used in effecting a legal arrest.
8. (9-18a) Officers are not required to first attempt using types and degrees of force which reasonably appear to be unnecessary to accomplish the intended objective.
9. (9-18e) Under no circumstances may an officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.
10. (9-19e) In an officer's use of a contact weapon, the officer shall not intentionally strike the individual above the shoulders unless such action would be justified under the use of deadly force guidelines.
11. (9-20 ECD) The Taser shall not be used on restrained individuals unless the actions of the person cause a potential threat of bodily harm to themselves or any other person. (True or False)
12. (9-26) Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.
13. (9-21) Chemical Mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful & necessary use of force and which is best accomplished by the use of mace.
14. In the 1985 Supreme Court case Tennessee v. Garner, the court ruled that it is a violation of the Fourth Amendment for police officers to use deadly force to stop a fleeing felon if the officer does not believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.
15. In the 1989 US Supreme Court case Graham v. Connor, the court took into consideration factors such as whether the suspect poses an imminent threat, whether the suspect is actively resisting arrest, etc.

St. Anthony Police Department Use of Force Exam
04-23-13/04-30-13 Officer Vand

16. In the 1968 Supreme Court case Terry v. Ohio, the court ruled that an officer is justified in conducting a put down search of person whom he/she reasonably suspects to be dangerous in order to discover any weapons which might be used to assault him/her or another nearby.
17. According to MN Statute 609.06, an officer may use reasonable force in effecting a lawful arrest, or in execution of legal process, or in enforcing an order of court or in executing any other duty imposed upon the officer by law.
18. MN Statute 629.30 allows an officer to make an arrest with or w/out a warrant.
19. According to MN Statute 629.32, an officer may not subject the person to any more restraint than is necessary for the arrest and detention.
20. According to MN Statute 629.33, after an officer informs the suspect that he/she is under arrest, the officer may use all necessary & lawful means to make the arrest but may not use deadly force unless authorized by 609.066, the deadly force statute.
21. MN Statute 609.066 allows deadly force by an officer in the line of duty only when necessary to: protect the officer or another from death or great bodily harm; effect the arrest or capture, or prevent the escape, of a person whom the officer knows has reasonable grounds to believe has committed or attempted to commit a Felony involving the use or threatened use of deadly force; effect the arrest or capture, or prevent the escape, of a person whom the officer know has reasonable grounds to believe has committed or means to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's arrest is delayed.
22. An officer's use of the Force Continuum allows escalation and de-escalation of force and disengagement.
23. The reasonableness of an officer's action in an incident is based on the "totality of the circumstances."
24. The subject determines what level of force an officer uses.
25. (9-15.6) List the levels of the SAPD Force Continuum, starting with the least:
1. Presence / Dialogue
 2. Soft hands
 3. Aerosol / Taser
 4. Hard hands
 5. Intermediate weapon
 6. Deadly force

TASER® Conducted Electrical Weapons (CEWs)

Part 2: X2 Certification Test

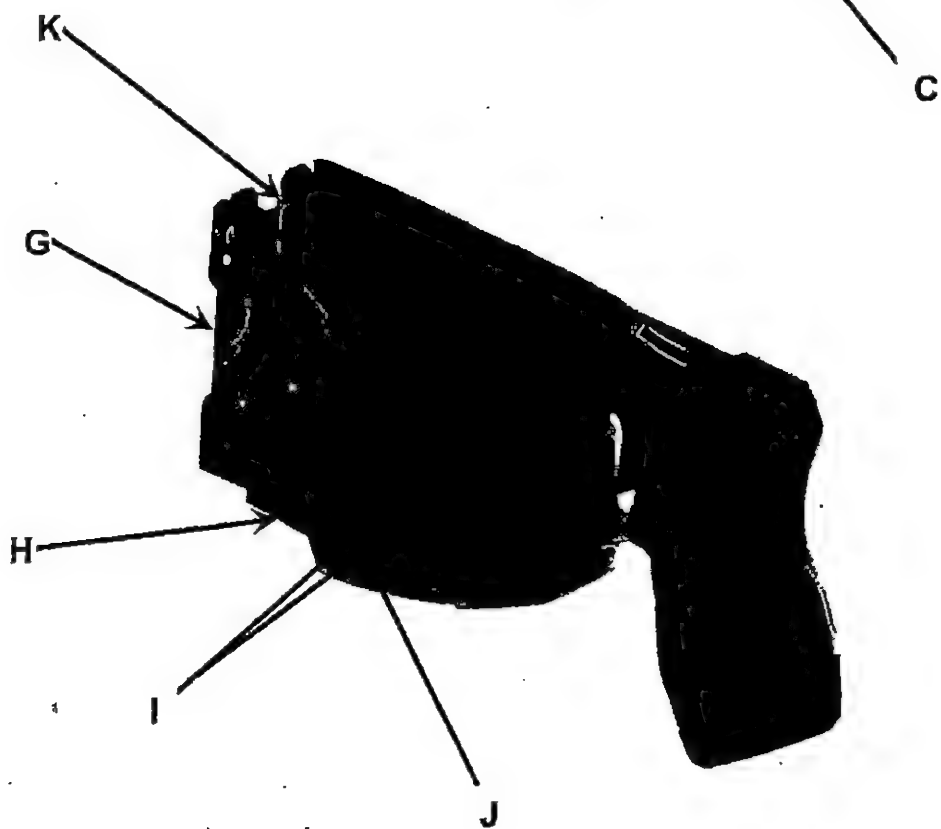

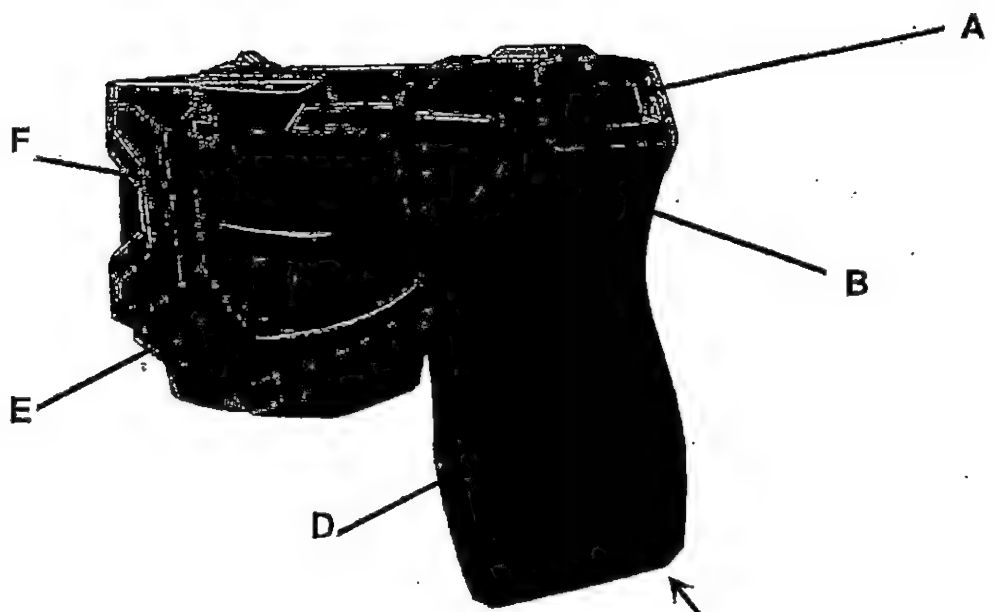

PRINT LEGIBLY AND CLEARLY PLEASE!

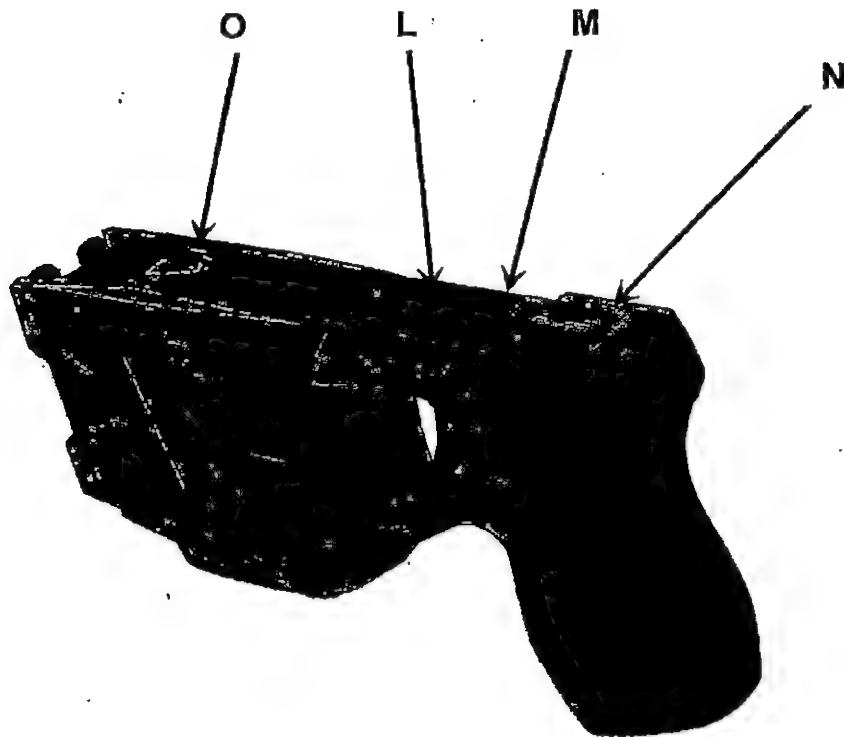

Name: Jeremiah Yanez New Cert Recert (circle one)

Agency: SAPD

Training Date: 4/30/13 Location: SAPD

1. The ARC switch can be used to:
 - A. Initiate the warning arc
 - B. Toggle between cartridges
 - C. Re-energize deployed cartridges
 - ☒ D. All of the above
2. A warning arc can be displayed on the X2 without discharging loaded cartridges.
 - ☒ A. True
 - B. False
3. The Automatic-Shutdown Performance Power Magazine (APPM) automatically stops the TASER cycle after 5 seconds even if the trigger is held down.
 - ☒ A. True
 - B. False
4. An X2 set to semi-automatic mode will advance to the next live cartridge once a cartridge is deployed and the trigger is released. A second trigger pull will discharge the second cartridge.
 - ☒ A. True
 - B. False
5. If an X2 has a PPM, TPPM, or TASER Cam (without auto-shutdown) for a power source, and the trigger is held down beyond the 5-second cycle, the X2 will continue to cycle until the trigger is release or the batteries drain.
 - ☒ A. True
 - B. False

6. Central Information Display (CID)

TRAINING ACADEMY

VERSION 19

TASER® Conducted Electrical Weapons (CEWs)

Part 1: User Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

Name: Jermaine Vane

Agency: SAPD

Training Date: 9/30/13 Location: SAPD

1. According to the Version 19 TASER International, Inc. (TASER) training program, how long before presenting a user (or other) TASER Conducted Electrical Weapon (CEW) course is a CEW instructor required to check the TASER website to ensure he/she is using the most current version of the training and warning materials:
 - a) 6 months
 - b) 1 month
 - c) 1 week
 - ☒ d) 72 hours
2. In deploying a CEW the officer should:
 - ☒ a) Use the least number of CEW discharges to accomplish lawful objectives
 - b) Keep pulling the CEW trigger until the person submits
 - c) Hold the trigger back (continuous CEW discharge) as long as it takes until the person submits to the officer's commands
 - d) Use the CEW as a torture device to gain the person's complete compliance
3. When deploying or using a CEW sensitive CEW target areas of the body to be avoided when practicable or possible include:
 - a) Head
 - b) Throat
 - c) Chest/breast
 - d) Chest area near the heart
 - e) Genitals
 - f) Known pre-existing injury areas
 - ☒ g) All of the above

4. The preferred target areas (with the exception of sensitive CEW target areas) for CEW deployment are:
- a) Lower center mass (below chest or area of the heart) and legs for front shots
 - b) Below the neck area for back shots
 - c) Anywhere on the person's body
 - d) a and b
 - ☒ e) a and b (with the back being the most preferred area)
5. ☒ True/☐ False As with any use of force, the longer the CEW exposure the greater the potential cumulative physiologic or metabolic effects.
6. Officers should attempt to minimize the total or cumulative CEW exposure duration by:
- a) Using the window of opportunity
 - b) Cuffing under power
 - c) Observing the person during breaks in the CEW exposure
 - ☒ d) All of the above
7. When deploying probes to the front of a person's body, the CEW should generally be aimed:
- a) At the face
 - b) At the chest or area of the heart
 - c) So as to split the hemispheres (the beltline)
 - d) At the throat
 - ☒ e) At the head
8. The risk (or probability) of a CEW causing or contributing to a person's cardiac arrest is:
- a) Zero (to Infinity)
 - b) Very high
 - ☒ c) High
 - d) Higher than the risk of death or serious injury from a firearm
 - ☒ e) Very low
9. ☒ True/☐ False Under the 4th Amendment to the U.S. Constitutional standard: In judging whether [an officer's] actions were reasonable, we must consider the risk of bodily harm that [the officer's] actions posed to [the person] in light of the [person's] threat to the public that [the officer] was trying to eliminate.
10. ☒ True/☐ False CEW use against a non-violent misdemeanor who appears to pose no immediate threat and who is given no warning is unconstitutional excessive force.
11. ☒ True/☐ False It is an excessive and unreasonable use of force for an officer to repeatedly administer electrical shocks with a CEW on a person who is no longer armed, has been brought to the ground, has been restrained physically by several other officers, and is no longer actively resisting arrest.
12. Experts have identified the following key factors related to CEW cardiac risks:
- a) Dart-to-heart ("DTH") distances
 - b) Amount of delivered electrical charge
 - c) Probe (or dart) anywhere on a person's body
 - ☒ d) A and B

13. As with any use of force tool or technique used by an officer:
- a) Any use of force has a risk of death or serious body harm
 - b) The lower the number of force applications to accomplish lawful objectives the better
 - c) Nothing works 100 percent of the time and contingencies should be considered.
 - d) The use of force must be in compliance with appropriate legal, policy, and training directives, standards, and requirements
 - ☒ e) All of the above
14. Factors courts may consider in determining the reasonableness of an officer's use of force include, but are not limited to;
- a) The availability of (less injurious) alternative methods of capturing, controlling, restraining, or subduing a person
 - b) What officers knew about the person's health, mental condition, or other relevant frailties
 - c) Whether officers warned the person that a certain type of force was about to be used, if possible
 - ☒ d) All of the above
15. If the person is not an immediate threat or a flight risk from a serious event, then, courts have stated that a CEW should not be used:
- a) When the person is passively resisting
 - b) When the person is actually or perceived to be mentally ill
 - c) Without the officer first attempting to use negotiation, commands, or physical skills
 - ☒ d) All of the above
16. The term (currently) used for describing the incapacitating effects of a CEW is;
- a) Electro-muscular disruption (EMD)
 - b) Electro-muscular incapacitation (EMI)
 - c) Neuro-muscular disruption (NMD)
 - ☒ d) Neuro-muscular incapacitation (NMI)
17. Deploying the CEW probes into the person, even at close or point blank range, is often a better option than a drive stun with the cartridge removed because;
- e) It allows the person deploying the CEW to disengage and still deliver some effects of the CEW
 - f) It allows the person deploying the CEW to drive stun away from the probes with the cartridge still attached and increase the effects if needed
 - g) A drive stun with a cartridge removed will usually result in more significant "signature" marks than a probe deployment
 - ☒ h) All of the above
18. A drive stun is sometimes not very effective because:
- a) It is usually difficult to maintain contact with a combative person
 - b) The spread of the contact points on the person is generally not large enough to cause NMI
 - c) A pressure point application on a combative person may be difficult to achieve
 - ☒ d) All of the above
19. ☒ True ☐ False The more electrode pairs on a CEW applied to a person during a drive stun the greater the foreseeable quantum of force.

20. During CEW voluntary exposures which of the following are required safety rules?
- a) Always use two spotters when volunteer is standing
 - b) Spotters must hold volunteers under the armpit to stabilize the shoulder and upper arm and avoid twisting their shoulder
 - c) The volunteer may be held up or carefully lowered to the ground
 - ☒ d) All of the above
21. The handheld electronic weapons manufactured by TASER are referred to as:
- a) Electronic Control Weapons
 - b) Shock devices
 - ☒ c) Conducted Electrical Weapons
 - d) Conducted Energy Weapons
22. When a violent person is incapacitated by the effects of the CEW and it is reasonably safe to do so, cover officer(s) should attempt to control/cuff the person under power. Doing so may;
- a) Reduce the need for additional cycles, exposure, or cumulative exposures
 - b) Reduce the likelihood the person will roll during the cycle
 - c) Reduce the potential of injury to the officer(s) while the person is incapacitated only during the cycle
 - ☒ d) All of the above
23. Why is a cartridge deployment, even at close range, often more desirable than a drive stun?
- a) Both probes make contact for the full 5 seconds.
 - b) Less chance of multiple "signature marks" on the person.
 - c) NMI can be achieved if a drive stun is applied over 12" from the darts.
 - ☒ d) All of the above
24. The standard CEW cycle if the trigger is pulled and released is:
- a) 10 seconds
 - ☒ b) 5 seconds
 - c) 4 seconds
 - d) The cycle always stops as soon as the trigger is released
25. A daily CEW spark test is recommended to:
- ☒ a) Verify the CEW is operating
 - b) Create muscle memory
 - c) Practice drawing and holstering the CEW
 - d) Teach proper CEW safety
26. When using spent TASER cartridges for drills, it is important to:
- a) Visually inspect each cartridge to verify there are no probes in it
 - b) Visually inspect each cartridge to verify there are no wires in it
 - c) Load the cartridge, point in a safe direction and discharge one cycle to ensure it is empty
 - ☒ d) All of the above

27. Courts have ruled that:

- a) The use of a CEW on a person involves the application of force
- b) Each CEW application involves an additional use of force
- c) Multiple CEW applications cannot be justified solely on the grounds that a person fails to comply with a command
- ☒ d) All of the above

28. Activated CEWs can ignite:

- a) Gasoline and gasoline vapors
- b) Butane
- c) Some personal defense sprays
- d) Some hair sprays or gels
- ☒ e) All of the above

29. Targeting the person's back is usually preferable because:

- a) The back of the body has larger muscles
- b) Reduced risk of hitting a sensitive body part
- c) Clothing usually fits tighter across the back
- d) Surprise factor
- ☒ e) All of the above

30. Examples of persons who are at an elevated risk of secondary effects from a CEW exposure include:

- a) Running persons
- b) Persons in elevated positions
- c) Persons in a flammable environment
- ☒ d) All of the above

TASER® Conducted Electrical Weapons (CEWs)

Part 2: X26 Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

Name: Training Yunker New Cert. Recert. (circle one)

Agency: SARD

Training Date: 4/30/13 Location: SARD

1. If the trigger on an X26 is held down beyond 5 seconds:
 - A. The electrical discharge will continue until the trigger is released
 - B. The electrical discharge will stop after 5 seconds regardless if the trigger is held down or not.
 - ☒ C. The electrical discharge will continue until the trigger is released and the safety switch is moved to the down (SAFE) position.
 - D. None of the above
2. With the safety switch of the X26 in the up (ARMED) position, a single trigger pull and release will initiate:
 - ☒ A. a 5 second cycle
 - B. a 10 second cycle
 - C. a 15 second cycle
 - D. short cycle that will stop as soon as the trigger is released
3. If the safety switch of the X26 is put in the down (SAFE) position during the discharge cycle:
 - A. The cycle will continue for 5 seconds
 - ☒ B. The cycle will stop immediately
 - C. The cycle will stop unless the trigger is held down
 - D. None of the above
4. If you see a "P" on the CID of an X26:
 - A. Immediately pull the DPM out
 - B. Turn on the CEW and spark test it
 - C. Pull the DPM out during the boot up sequence
 - ☒ D. Leave the X26 alone until it has completed the boot up sequence
5. The X26 data download records:
 - A. The date and time of discharge
 - B. The remaining battery strength
 - C. The duration of the discharge
 - D. The internal temperature of the X26
 - ☒ E. All of the above

megahertz (MHz) radios can interfere with proper X26 operation:
When they are in close proximity to each other

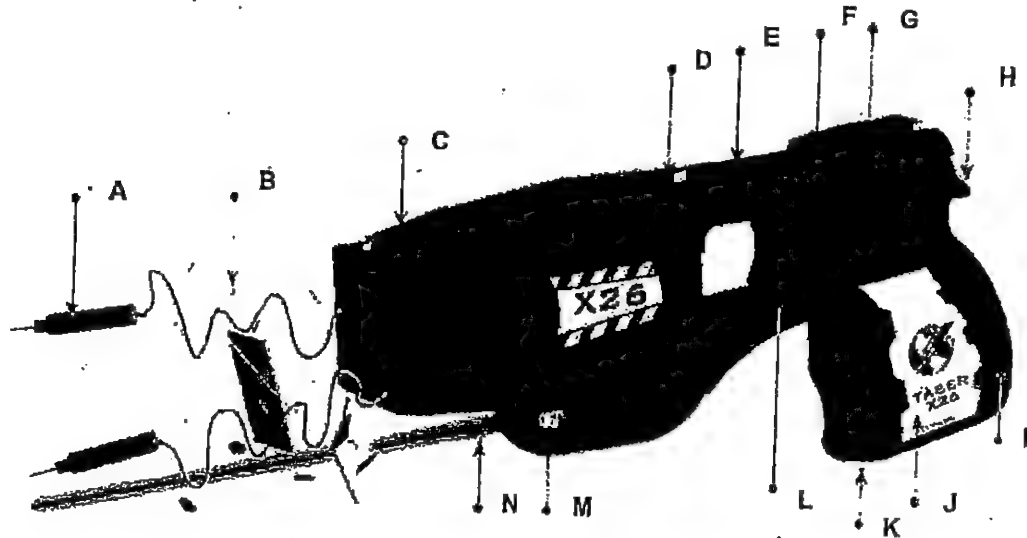

When the safety switch is in the up (ARMED) position

When the radio is keyed

☒ All of the above

St. Anthony Police Department Use of Force Training Outline/April 24/May 1 2012
8 Hours

1. Case Law

- *Tennessee v. Garner
- *Graham v. Connor
- *Terry v. Ohio

*Instructors
Mangseth & Soga*

2. MN State Statutes

- *609.06 Authorized Use of Force
- *629.30 Who is authorized to arrest?
- *629.32 Minimum Restraint
- *629.33 Use of force to arrest
- *609.066 Deadly Force

3. Department Policy

- *2-305 Use of Force
- *2-801 Nature of the task
- *2-826 Definitions
- *2-827 Firearms as last resort
- *2-828 Deadly Force
- *2-829 Reasonable Force
- *2-830 Rules governing use of force
- *2-831 Contact Weapons
- *2-835 Fleeting Misdemeanants
- *2-836 Justification limited to the fact known by officer
- *2-844 Use of chemical agents
- *2-845 Use of Chemical Mace
- *SAPD Use of Force Continuum

4. SAPD Force Continuum

- *Benefits of Continuum
- *Officer/subject factors, special circumstances
- *Recognition of threat
- *SAPD Force Continuum Model
- *Not always linear

- *Intentional and non-intentional outcomes

- *Control v. Injury

5. Minimizing Liability Through Documentation

- *Liability

- *Documentation

6. Physical and Psychological Reactions to Critical Incidents

- *Reactions

- *Coping

7. Body Mechanics

Case Law

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of *Deadly Force*, when practical.

Graham vs. Connor

* *Objective Reasonableness Standard* is used in determining if level of force used was appropriate. It considers the *totality of the circumstances*...

1. The severity of the crime?
 2. Immediate threat?
 3. Active resistance?
 4. Evading arrest by flight?
- Split-second decisions
 - No hindsight scrutiny

Terry v. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.

MN State Statutes Regarding Use of Force

609.02 Definitions

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

609.02 Definitions

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

609.02 Definitions

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

609.06 Authorized Use of Force

Reasonable Force May be used upon or toward the person of another without the other's consent when the following circumstances exist or the actor *reasonably believes* them to exist:

- (1) When used by a public officer or one assisting a public officer under the public officer's direction:
 - a. in effecting a lawful arrest; or
 - b. in execution of legal process; or
 - c. in enforcing an order of the court; or
 - d. in executing any other duty imposed on the public officer by law
- (9) When used to restrain a person who is mentally ill or mentally defective from self-injury to another or when used by one with authority to do so to compel compliance with reasonable requirements for the person's control, conduct, or treatment.

629.30 Who May Arrest?

Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.

An arrest may be made:

1. by an officer under a warrant;
2. by an officer without a warrant;
3. by an officer in the US Customs...
4. by a private person.

A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 (cont.)

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

609.066 Deadly Force

Deadly Force: force which the actor uses with the purpose of causing, or the actor should *reasonably know* creates a substantial risk of causing, death or great bodily harm.

The use of deadly force by a peace officer in the line of duty is justified only when necessary:

1. To protect the officer or another from apparent death or great bodily harm;
2. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has *reasonable grounds* to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
3. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has *reasonable grounds* to believe has committed or attempted to commit a felony if the officer *reasonably believes* that the person will cause death or great bodily harm if the person's apprehension is delayed.

609.065 Justifiable Taking of Life

The intentional taking of a life of another is not justified by 609.06, except when necessary in resisting or preventing an offense which the actor *reasonably believes* exposes the actor or another to great bodily harm or death, or preventing the commission of a felony in the actor's place of abode.

SAPD Force Continuum

Why is the Use of Force Continuum Beneficial to Police Officers?

- Operationalizes use of force (teachable, learnable and retainable)
- Flexible, yet consistent
- Allows escalation, de-escalation and disengagement
- Based on *reasonableness*
- Allows formulation of a plan/pre-practiced plan
- Evaluates *reasonable force*/*totality of the circumstances*/*no armchair quarterbacking (officer/subject, special circumstances...)*
- Allows the subject to determine what level of force officer uses

Control V. Injury (Damage)

(ASP Handbook)

The goal of a law enforcement officer in a confrontation is control of the subject. It is imperative that this control cannot be a 50/50 balance. The officer must win and not just 50% of the time. If half the confrontations result in a failure to control the subject, the officer and the general public are put in critical danger.

An officer needs to maintain control. Each technique employed in a confrontational situation must be evaluated in terms of its likelihood to gain control compared to its likelihood to cause damage. Those techniques, which offer a high degree of control and a limited potential for damage, are preferred options.

SAPD Force Continuum

1-Presence/Dialogue
(talking, gesturing, appearance)

2-Soft Hands
(escorting, joint manipulation, wrist lock)

3-Aerosol Subject Restraint/Taser
(hands off?)

4-Hard Hands
(check, redirect, takedown)

5-Intermediate Weapon
(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6-Deadly Force
(Firearm, ASP, Squad)

(Lethal force)

*The force continuum is not always linear.

*Our goal is maintain control with the least amount of injury to the officer or subject.

Recognition of threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward
- Clenching Fists
- Breathing is fast, shallow
- Sweating
- Looking through you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people and/or property

Minimizing Liability Through Documentation

Police Officer Liability

- Civil
- Criminal
- Departmental
- Licensure

*Police Officers are expected to be well-trained.

Documentation of Use of Force

- Use terminology that is recognized by non-law enforcement
- Get out state statute and dept. policy
- Better to be too wordy than not wordy enough
- Be chronological
- "under arrest"
- Number of people involved
- Officer/Subject factors, special circumstances
- What was said
- Subject demeanor
- Subject action
- Witness information, especially neutral
- Detailed report on injuries

Physical and Psychological Reactions to Critical Incidents

Reactions

- Tunnel Vision/hearing
- High Respirations
- High Blood Pressure
- Fatigue
- Stress
- Tension
- Time Distortion

Coping

- Diet
- Exercise
- Sleep
- Communicate/therapy

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

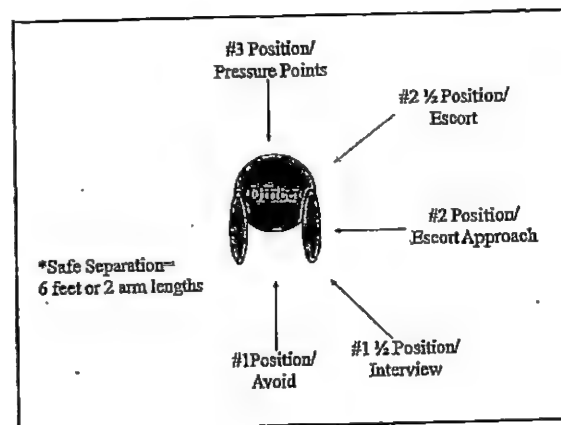

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 ½ Position for interview
- #2 Position for escort approach
- #2 ½ Position for escort
- #3 Position for pressure

Motor Skills

Gross

- Large muscle groups
- High level of retention under stress
- Running

Fine

- Small muscle groups
- Low level of retention under stress
- Playing the piano

ASP STRIKES

Closed Mode Target Area

Center Mass of the Body

ASP STRIKES

by Reaction Strike**

St. Anthony Police Department

Aerosol Subject Restraint/MK-3

1

MK-3 First Defense Stream/O.C.

Main Ingredients

- Propellant: nitrogen
- Active Ingredient: oleoresin capsaicin
- (3% capsaicin/500,000 Scoville Heat Units)

2

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- burning of the eyes, nose, skin and throat
- involuntary coughing, choking, gagging, excessive mucous production
- eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shudding
- disorientation, helplessness, aggressiveness

3

Effects of O.C.

Varying Degrees of Effects

- tolerance for pain
- drugs, alcohol use, EDP
- intended target vs. resulting target

Longevity of Effects

- eyes/2-40 minutes
- respiratory/2-30 minutes
- burning/2-40 minutes

4

A.S.R./Department Policy

Policy 2-845/Use of A.S.R.

Aerosol subject restraint is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. A.S.R. is intended primarily for use in those cases wherein the members are attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of A.S.R. shall never be used indiscriminately. Officer shall deploy their department authorized A.S.R. at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with A.S.R. as soon as reasonably possible.

5

A.S.R./Department Policy

Use of Force Continuum

1. Presence/dialogue
2. Soft hands
3. A.S.R./Taser
4. Hard hands
5. Intermediate weapons
6. Deadly force

6

Factors Considered

(Prior to Deployment of A.S.R.)

Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

7

Factors Considered

- Environment
 - Indoors/Outdoors?
 - Unintended victims?
 - Weather-wind, rain, ice

8

Factors Considered

Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9

Practical Deployment of A.S.R.

Placement on Duty Belt

- Weapon side
- Reaction side

Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

10

Practical Deployment of A.S.R.

Target Pattern

- Eyes
- Nose
- Mouth
- Circle/X
- Horizontal

Deployment

- 2-10 feet
- 1-2 second spurts
- Strong verbal commands
- Tactically move
- Escalate, de-escalate

11

Decontamination/First Aid

Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

12

Practical Exercise

- Combat stance
- Verbal commands
- Removal from holster into deployment hand
- Proper grip and arm extension
- Guard hand up
- 1-2 second spurts
- Tactically move
- Escalate, de-escalate

13

Handcuffing (practical)

*Nomenclature

*ID your cuffs

*Proper ratcheting, lubrication

*Proper locking, double locking and unlocking

*Tightness check

*Complaints of tightness

*Keys

*Swapping cuffs

*Hinge, chain, leg shackles, TARP belt

*Latex gloves

*Practical

-solo?

-Determine position of suspect...size (multiple cuffs, shackles, injury, cooperative only, front vs. back (jail))

-Good positioning

-Tightness, doublelock, pat down search

*Transport, comfort

In Custody Death

In-Custody Death:

deaths of persons who have been arrested or otherwise detained by the police. It also includes deaths occurring while a person is being arrested or taken into custody. The death may have taken place on police, private or medical premises, in a public place or in a police or other vehicle.

In-Custody Death

Deaths in the following circumstances are amongst those covered by the definition:

- * the person dies in or on the way to hospital (or some other medical premises) following or during transfer from police detention;
- * the person dies after leaving police detention and it is alleged there may be a link between that detention and the cause of death;
- * the person is being detained for the purposes of exercising a power to stop and search;
- * the person is in the care of the police having been detained under 72 hour hold;
- * the person is in police custody having been arrested by officers

In-Custody Death

*estimated that this occurs 50 to 150 times per year in USA

Positional Asphyxia:

death that occurs because the position of a person's body interferes with respiration, causing the inability of the lungs to fill with oxygen, and the person cannot get out of that position. Death occurs due to the person's inability to breathe anymore.

(prone position, 800 lbs., 4 minutes)

Excited Delirium:

From a medical perspective is a state of mental and physiological arousal, agitation, hyperpyrexia (106 degree or greater body temp.) with epiphora (overflow of tears), and hostility.

Excited Delirium (L.E.):

From a law enforcement operational perspective is a term used by law enforcement indicating that a person whom officer(s) are dealing with exhibits abnormal behavior(s) that may result in their death.

*****COMMUNICATE*****

Causes of In-Custody Death

- Cardiac respiratory difficulty, multiple medical problems
- Mental Illness/Psychiatric Meds
- Stimulant Abuse (hyperactivity, poor circulation...)
- Device Induced contributing? (pepper spray, impact weapons, Taser)
- Trauma induced- head injury, chest injury, significant physical exertion...

Excited Delirium Recognition

- Bizarre behavior
- Physical exertion (prior to or during officer's presence)
- Unresponsive to verbal commands
- Super human strength and endurance
- Decreased in responsiveness to pain
- Multiple officers needed for control
- Aggressive behavior
- Hyperactive
- Incoherent/nonsensical shouting
- Paranoia
- Grunting, animal-like primitive sounds during struggle

Excited Delirium Recognition

- Sweating or lack thereof
- Foaming at the mouth
- Hallucinations
- Clothing removal
- Broken glass involvement
- Traffic
- Hot, humid environment
- Fight vs. FLIGHT
- Personal space

Excited Delirium

*Hospital or Jail?

*Medical or Criminal?

Excited Delirium Deceased Victim Profile

- Male (97%)
- Average age 34 to 36 (most deaths 20-39)
- History of mental illness and/or history of chronic stimulant abuse (80% were drug abusers; cocaine most common; not necessarily recent use...)
- 63% exhibit bizarre behavior
- 12% OC used
- 9% impact weapon used
- 30% Taser used
- 100% handcuffed
- 70% struggled with officers

Incident #1 of In-Custody Death

Laramie (WY) police officers responded to a complaint that a man, later identified as Cruz, was running around naked. The first officer to arrive on the scene found Cruz on an exterior landing of an apartment building. Cruz was naked, jumping up and down yelling and kicking his legs in the air. He was yelling continuously about swarm insects and was attempting to swat away invisible objects. (next)

Incident #1 In-Custody Death

One of the first officers to arrive called for an ambulance. The officers spoke to Cruz, got him to calm down, and persuaded him to come down the steps. Cruz tried to get past officers when he reached the bottom of the steps. The officers wrestled Cruz to the ground and handcuffed him face down. Cruz continued to yell and flail about. Another officer used a nylon restraint to attach Cruz's wrists and ankles. (next)

Incident #1 In-Custody Death

After being restrained in this matter, Cruz calmed down considerably. Just before the ambulance arrived, one of the officers noticed that Cruz's face had lost its color. The restraints were removed. Immediately upon reaching the scene, the ambulance personnel initiated CPR. Cruz was pronounced dead on arrival at the hospital.

Court decided the restraint was excessive per 4th amendment, but officers were not liable because no law was clearly established at the time...

Incident #2 In-Custody Death

(2007 case) Andrew Sallenger was mentally ill. His sister called 911 and reported Sallenger was completely naked and yelling at the rest of the family. She reported Sallenger was "schizophrenic bipolar manic depressive" and she had gone to the state's attorney that day to ask about having him committed. (next)

Incident #2 In-Custody Death

Officers arrived on the scene and found the family had left the house and was waiting outside. The sister told officers that Sallenger was naked, throwing things around the house, chasing the cat and other family members. Officers found Sallenger in his bedroom. He was sitting on the floor completely naked. He did not immediately appear to be aware the officers were present. (next)

Incident #2 In-Custody Death

Sallenger got up and lunged at one of the officers and then stood in a boxing position. One officer sprayed Sallenger with OC. The officers then attempted to handcuff Sallenger. He kept tucking his arms underneath him. With all of the officers trying to control him, he was still able to get up on his hands and knees. (next)

Incident #2 In-Custody Death

After a lengthy struggle that included punches with closed fists and strikes with a flashlight, the officer eventually got Sallenger handcuffed. He was then positioned with his torso against the bed and his knees on the floor. Once handcuffed, the officers applied a hobble that attached Sallenger's wrists to his ankles. It was secured such that Sallenger's toes were no longer on the ground. (next)

Incident #2 In-Custody Death

The Sgt. On scene indicated he knew it was important to turn a person restrained in a hobble position on his side to make sure they could breathe properly. Sallenger, however, was left with his torso leaning against the bed. Some time later, the officers discovered Sallenger had no pulse. The officers performed CPR. (next)

Incident #2 In-Custody Death

Sallenger was declared brain dead within a couple of days.

M.E. determined cause of death was "cardio-respiratory arrest during prone police restraint due to excited or agitated delirium. Also contributing was mental illness, enlarged heart and obesity.

Court determined that once hogtied, there is a necessity of placing subject on his side.

Medical Determination...

- Communication (dispatch, responding officers, paramedics...)
- Containment (multiple officers, limit the struggle...)
- Attempting Control...
 - *Pepper Spray? agitation, respiratory...
 - *Less lethal shot gun or ASP? pain tolerance, further physical, brute trauma...
 - *Taser? allows respirations, allows cuff under control in prone position... (next)

Medical Determination

- Hogtied? TARPed? breathing, circulation, positioning
 - *allow wiggle room
- Secure to ambulance gurney
- **Obtain body temperature ASAP** (core)
- Transport to hospital (officer ride with...)
- If death is result, call 1-800-UMBRAIN.

SAPD Principles and Practices

Taser

SAPD Principles and Practices Taser

Electronic Control Device

The Taser is a hand held, laser aimed, battery operated, less lethal, electronic control device (ECD) defined as a contact weapon for purposes of this policy. Voltage is applied to a subject by two darts connected to conducting wires propelled from a charged cartridge, or from direct contact. The unit uses an Electro-Muscular Disruptive system, which overrides the central nervous system and effects the sensory and motor nervous system resulting in temporary, involuntary muscle contractions. The contractions will incapacitate a subject so they can be placed under the control of law enforcement officers.

SAPD Principles and Practices Taser

APPLICATION:

The Taser may be used in situations where force is justified to control aggressive and or combative/non-compliant subjects, thereby reducing the likelihood of injury to officers and subjects.

SAPD Principles and Practices Taser

- **Dart Deployment:**
- The deploying officer shall inform officers of the presence and/or planned use of the Taser so the Taser deployment is not mistaken for a gun shot.
- Unless prevalent circumstances suggest otherwise ECD use should not exceed fifteen seconds.
- The Taser should not be used when the subject is in danger of falling from a significant height.
- The Taser should not be used when a subject is in water where drowning is a possibility.
- Officers are to make every effort to avoid dart placement to the head, neck, groin, or chest.

SAPD Principles and Practices Taser

- The Taser will cycle for a period of 5 seconds, but may be turned off sooner as the situation warrants. Officers should evaluate Taser effectiveness at the end of each 5 second cycle. Each cycle shall be detailed in the narrative per 9-23.
- When feasible, officers should give verbal warning prior to ECD deployment.
- Officers are authorized to remove darts from the subject if the darts are in an area of the body not considered to be soft tissue.
- Used darts are considered a biohazard and must be handled appropriately. This includes the use of gloves and designated biohazard sharps evidentiary containers by department personnel. Darts can be inverted and placed back into the cartridge from which they were deployed.

SAPD Principles and Practices Taser

• Drive Stun Deployment

Taser deployment in the drive stun mode is a pain compliance technique occupying the same position as other ECD use in the Use of Force Continuum.

**SAPD Principles and Practices
Taser**

- **Medical Treatment:**
- For the purpose of this policy, soft tissue areas are considered to be the head, eyes, neck, and groin/genital area.
- When the Taser has been used on a subject, he/she shall be evaluated by emergency medical responders.
- A subject that has been exposed to prolonged application, over 15 second, shall be transported to a hospital for evaluation. Personnel conducting the evaluation should be aware that the subject has experienced the prolonged ECD application.
- Medical personnel must remove darts that may have penetrated soft tissue areas.

**SAPD Principles and Practices
Taser**

- An officer/individual of the same sex shall remove the darts from the subject in cases where darts have penetrated areas which involve the breast, buttocks, genitals, or inner thigh.

**SAPD Principles and Practices
Taser**

- **Restricted Uses:**
- The Taser shall not be used on restrained individuals unless the actions of the person cause a potential threat of bodily harm to themselves or any other person.
- The Taser shall not be used when the presence of flammable fumes, liquids or gases are known or likely.
- The Taser should not be used on women known to be pregnant unless all other means short of lethal force have been used.

**SAPD Principles and Practices
Taser**

- **Documentation:**
- Depending on the penetration and the location of the darts and the sex of the subject, officers must make every reasonable effort to have any dart impact areas on the subject's person photographed. If the subject is of the opposite sex of the officer and taking of the photographs would require removal of clothing that would expose the breast, buttocks, inner thigh, or genital area, the same sex arrangements must be made.

**SAPD Principles and Practices
Taser**

- Officers are required to fully document the use of the Taser in the narrative per policy 9-23.
- Officers shall properly inventory expended cartridge(s) into evidence.
- Officers shall take the unit out of service until information stored in the unit can be downloaded.

**SAPD Principles and Practices
Taser**

- **Portation:**
- When available, all officers shall carry the department issued Taser weapon while on duty.
- Officer will be required to carry the Taser on their reactionary side.
- Officers will be required to secure the Taser in a department approved duty belt holster or leg style holster.

SAPD Principles and Practices
Taser

- **Training:**
- A certified Taser Instructor must train all officers who carry and deploy the Taser.
- Taser users must be recertified on an annual basis.

SAPD Principles and Practices
Taser

- **Force Continuum:**
- Taser shall come under the same force continuum as aerosol subject restraints.

Case Law

Tennessee vs. Garner

- Officer's use of *Deadly Force* on fleeing/resisting felon is limited to *MN Statute 609.066*.
- Officer should use a verbal warning prior to use of *Deadly Force*, when practical.

Graham vs. Connor

* *Objective Reasonableness Standard* is used in determining if level of force used was appropriate. It considers the *totality of the circumstances*...

1. The severity of the crime?
 2. Immediate threat?
 3. Active resistance?
 4. Evading arrest by flight?
- Split-second decisions
 - No hindsight scrutiny

Terry v. Ohio

- A police officer has the right to detain and pat down any individual, without a warrant, or even probable cause, as long as he/she can justify a reasonable suspicion that the individual may be armed.
- A reasonable pat down search can lead to probable cause for arrest.

MN State Statutes Regarding Use of Force

609.02 Definitions

- "Bodily harm" means physical pain or injury, illness, or any impairment of physical condition.

609.02 Definitions

- "Substantial bodily harm" means bodily injury which involves a temporary but substantial disfigurement, or which causes a temporary but substantial loss or impairment of the function of any bodily member or organ, or which causes a fracture of any bodily member.

609.02 Definitions

- "Great bodily harm" means bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

609.06 Authorized Use of Force

Reasonable Force May be used upon or toward the person of another without the other's consent when the following circumstances exist or the actor *reasonably believes* them to exist:

- (1) When used by a public officer or one assisting a public officer under the public officer's direction:
 - a. in effecting a lawful arrest; or
 - b. in execution of legal process; or
 - c. in enforcing an order of the court; or
 - d. in executing any other duty imposed on the public officer by law
- (9) When used to restrain a person who is mentally ill or mentally defective from self-injury to another or when used by one with authority to do so to compel compliance with reasonable requirements for the person's control, conduct, or treatment.

629.30 Who May Arrest?

Arrest means taking a person into custody that the person may be held to answer for a public offense. "Arrest" includes actually restraining a person or taking into custody a person who submits.

An arrest may be made:

1. by an officer under a warrant;
2. by an officer without a warrant;
3. by an officer in the US Customs...
4. by a private person.

A private person shall aid an officer in executing a warrant when requested to do so by the officer.

629.32 Minimum Restraint

A peace officer making an arrest may not subject the person arrested to any more restraint than is *necessary* for the arrest and detention. The peace officer shall inform the defendant that the officer is acting under a warrant and shall show the warrant if requested. An arrest by a peace officer acting under a warrant is lawful even though the officer does not have the warrant in hand at the time of the arrest, but if it is requested, the warrant must be shown as soon as possible and practical. A peace officer may lawfully arrest a person when advised by any other peace officer in the state that a warrant has been issued for that person.

629.33 Use of Force to Arrest

If a police officer has informed a defendant that the officer intends to arrest the defendant, and if the defendant then flees or forcibly resists arrest, the officer may use all necessary and lawful means to make the arrest but may not use deadly force unless authorized to do so under section 609.066. After giving notice of the authority and purpose of entry, a police officer may break open an inner or outer door or window of a dwelling house to execute a warrant if: (next)

629.33 (cont.)

1. the officer is refused admittance;
2. entry is necessary for the officer's own liberation; or
3. entry is necessary for liberating another person who is being detained in the dwelling house after entering to make an arrest.

609.066 Deadly Force

Deadly Force: force which the actor uses with the purpose of causing, or the actor should *reasonably know* creates a substantial risk of causing, death or great bodily harm.

The use of deadly force by a peace officer in the line of duty is justified only when necessary:

1. To protect the officer or another from apparent death or great bodily harm;
2. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has *reasonable grounds* to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; or
3. To effect the arrest or capture or prevent the escape of a person whom the officer knows or has *reasonable grounds* to believe has committed or attempted to commit a felony if the officer *reasonably believes* that the person will cause death or great bodily harm if the person's apprehension is delayed.

609.065 Justifiable Taking of Life

The intentional taking of a life of another is not justified by 609.06, except when necessary in resisting or preventing an offense which the actor *reasonably believes* exposes the actor or another to great bodily harm or death, or preventing the commission of a felony in the actor's place of abode.

SAPD

Policy 2-305

Use of Force

St. Anthony PD

Policy Regarding Use of Force

In a complex urban society, officers are daily confronted with situations where control must be achieved through advice, warnings and persuasion. The use of reasonable physical force may be necessary in situations which cannot be otherwise controlled. Officers are permitted to use whatever force is reasonable and necessary to protect others or themselves from bodily harm in accordance with law.

SAPD Policy 2-801

Nature of the Task

Law enforcement operations consist of many diverse activities which are directed toward the attainment of department objectives. Activities such as patrolling, conducting field interviews and issuing traffic citations are not objectives in themselves; rather, they are methods of achieving the real objectives of preventing and deterring crime, arresting criminal offenders and preventing traffic accidents. (cont.)

2-801 (cont.)

Decisions in law enforcement operations frequently must be made in an instant, and the lives of officers and others may depend upon the quality of those decisions. An officer is confronted in stressful situations with both criminal and non-criminal behavior, and he/she must be capable of making a reasonable response in both cases. An officer must base his/her conduct and action in each instance upon the facts of the situation as they reasonably appear, at the time they are occurring, relying upon his/her judgment to guide him/her toward morally justified and lawful decisions and actions.

SAPD Policy 2-826

Definitions

1. *Approved Weapon* means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties, and for which the officer has: a) obtained training in the technical, mechanical, and physical aspects of the device; and b) has developed a knowledge and understanding of the law rules and regulations regarding the employment of such weapon. (next)

2-826 (cont.)

2. *Contact Weapons* mean all objects and instruments which are used or designed to be used, to apply force to the person of another by coming into physical contact with that person.
3. *Chemical Agents* mean chemical mace, tear gas, and pepper mace. (next)

2-826 (cont.)

4. **Deadly Force:** force which the actor used with the purpose of causing, or which the actor should reasonably know creates the risk of causing death or great bodily harm.
5. **Non-Deadly Force:** force actually used by an officer which does not have the purpose of causing, nor creates a substantial risk of causing, death or great bodily harm.

SAPD Policy 2-827 Firearms as a Last Resort

An officer is equipped with a firearm to use as a last resort in effecting the arrest of a dangerous felon. When a firearm is used by an officer, it must be with the realization that the death of some person may occur, not necessarily with intent that such will be the result.

It is policy of the Department that members exhaust all of *reasonable* means of apprehension and control before resorting to the use of firearms. It is also the policy of this Department that members shall not unnecessarily or (cont.)

2-827 (cont.)

unreasonably endanger themselves in applying the firearms regulation to actual situations.

If feasible, an officer should give verbal warning before using or attempting to use deadly force.

SAPD Policy 2-828 Deadly Force

Use of deadly force by a peace officer in the line of duty is justified only when necessary:

- To protect himself/herself or another from apparent death of great bodily harm, or;
- To effect the arrest or capture, or prevent the escape of a person who the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use of threatened use of deadly force, or; (next)

2-828 (cont.)

- To effect the arrest or capture, or prevent the escape of a person whom the officer knows or has *reasonable grounds* to believe has committed or attempted to commit a felony if the officer *reasonably believes* that the person will cause death or great bodily harm if his/her apprehension is delayed. (next)

2-828 (cont.)

- A police officer may also discharge a weapon under the following circumstance:

- a. During range practice or competitive shooting events.
- b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured. (next)

2-828 (cont.)

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

SAPD Policy 2-829 Reasonable Force

It shall be the policy of this Department to accord discretion in the use of non-deadly force to the extent permitted by MN Statute 609-06 which permits officers to use reasonable force:

- a. In effecting a lawful arrest; or
- b. In execution of legal process; or
- c. In enforcing an order of the court; or
- d. In effecting any other duty imposed on the officer by law.

SAPD Policy 2-830 Rules Governing Use of Force

- a. Officers shall use the least amount of force *reasonably necessary* to accomplish the intended goal without impairing the safety of other. This provision shall not be construed, however, to require officers to first attempt using typed and degrees of force which *reasonably appear* to be inadequate to accomplish the intended objective. (next)

2-830 (cont.)

- b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed *reasonable* for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture, quickly under control. (next)

2-830 (cont.)

- c. Officers shall carry and use only approved weapons, as that term is defined in 2-826, unless circumstances exist which pose an imminent threat to the safety of the public or the officer requiring the immediate use of a non-approved weapon to counter such threat.

2-830 (cont.)

- d. No officer shall modify, alter or cause to be altered an approved weapon in his/her possession or control. This provision shall not be construed to prohibit officers from modifying grips on approved firearms in the officer's possession or

2-830 (cont.)

e. Under no circumstances may an officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.

SAPD Policy 2-831 Contact Weapons

Contact weapons shall be used only where efforts involving the use of less force have failed, or where it reasonably appears that such methods would be ineffective if attempted. Contact weapons may be used only in the following manner: (next)

2-831 (cont.)

- a. To ward off blows or kicks from another person; or
- b. To strike another for the purpose of rendering that person temporarily incapacitated; or
- c. To restrain person; or
(next)

2-831 (cont.)

- d. In appropriate crowd control situations, to direct and control the movements of people or persons, or as a barricade.
- e. Officer shall not intentionally strike an individual above the shoulders unless such action would be justified

Fleeing Misdemeanants

Officers may not intentionally use firearms to effect the arrest or prevent the escape of a misdemeanor. However, should the misdemeanor situation suddenly change to a felony situation, and the officer is suddenly face with a situation covered under 2-828. He/she is then justified in the

to facts known to officer

Justification for the use of firearms must be limited to what *reasonably appear* to be the facts known or perceived by an officer at the time he/she decides to shoot. Facts known to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.

SAPD Policy 2-844 Use of Chemical Agents

To minimize injury to suspects, officers, and others or to avoid property damage, the use of a chemical agent such as CN/CS gas or vegetable products such as oleoresin capsicum may be necessary in circumstances where officers are confronted with uncooperative subjects, and other methods of control or apprehension would likely be ineffective or more dangerous.

SAPD Policy 2-845 Use of Chemical Mace

Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by use of mace. (next)

2-845 (cont.)

Chemical mace shall never be used indiscriminately.

Officers shall deploy their department authorized aerosol subject restraint at the manufacturers recommended target areas. First aid shall be provided to all person sprayed with chemical agent as soon as reasonably possible.

St. Anthony PD Force Continuum

- 1-Presence/Dialogue**
- 2-Soft Hands**
- 3-ASR/Taser**
- 4-Hard Hands**
- 5-Intermediate Weapons**

Non-Lethal Force

Lethal Force

- 6-Firearms**

SAPD Force Continuum

Why is the Use of Force Continuum Beneficial to Police Officers?

- Operationalizes use of force (teachable, learnable and retainable)
- Flexible, yet consistent
- Allows escalation, de-escalation and disengagement
- Based on *reasonableness*
- Allows formulation of a plan/pre-practiced plan
- Evaluates *reasonable force** totality of the circumstances*/no armchair quarterbacking (officer/subject, special circumstances...)
- Allows the subject to determine what level of force officer uses

Control V. Injury (Damage)

(ASP Handbook)

The goal of a law enforcement officer in a confrontation is control of the subject. It is imperative that this control cannot be a 50/50 balance. The officer must win and not just 50% of the time. If half the confrontations result in a failure to control the subject, the officer and the general public are put in critical danger.

An officer needs to maintain control. Each technique employed in a confrontational situation must be evaluated in terms of its likelihood to gain control compared to its likelihood to cause damage. Those techniques, which offer a high degree of control and a limited potential for damage, are preferred options.

SAPD Force Continuum

1-Presence/Dialogue

(talking, gesturing, appearance)

2-Soft Hands

(escorting, joint manipulation, wrist lock)

3-Aerosol Subject Restraint/Taser

(hands off?)

4-Hard Hands

(check, redirect, takedown)

5-Intermediate Weapon

(ASP, 12 gauge sock rounds)

(Non-Lethal Force)

6-Deadly Force

(Firearm, ASP, Squad)

(Lethal force)

*The force continuum is not always linear.

*Our goal is maintain control with the least amount of injury to the officer or subject.

Recognition of threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward
- Clenching Fists
- Breathing is fast, shallow
- Sweating
- Looking through you, eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people and/or property

Minimizing Liability Through Documentation

Police Officer Liability

- Civil
- Criminal
- Departmental
- Licensure

*Police Officers are expected to be well-trained.

Documentation of Use of Force

- Use terminology that is recognized by non-law enforcement
- Get out state statute and dept. policy
- Better to be too wordy than not wordy enough
- Be chronological
- "under arrest"
- Number of people involved
- Officer/Subject factors, special circumstances
- What was said
- Subject demeanor
- Subject action
- Witness information, especially neutral
- Detailed report on injuries

Physical and Psychological Reactions to Critical Incidents

Reactions

- Tunnel Vision/hearing
- High Respirations
- High Blood Pressure
- Fatigue
- Stress
- Tension
- Time Distortion

Coping

- Diet
- Exercise
- Sleep
- Communicate/therapy

Body Mechanics

Pyramid

1. Wide Base (Shoulder-width/side-to-side stability)
2. Deep Base (45 degree angle/Linear stability)
3. Low Center (Bend knees/Relax)
4. Head Over Center (Balance head/Base stability)
5. Hands at Ready Position (Above waist, guard/ward off)

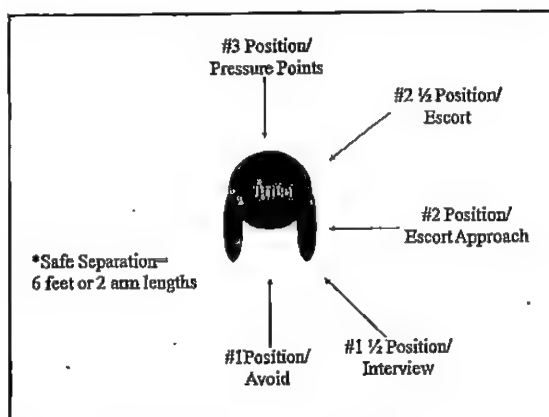

Relax in the Pyramid Stance

- Be comfortable/verbalize
- Less energy is used/delay fatigue
- Tension should be used when completing a strike/*Fluid Shock*

Positioning in the Pyramid

- Maintain a strong pyramid
- Reactionary Gap/2 arm lengths (6 feet)
- Check/redirect to keep safe separation
- Avoid #1 position
- #1 ½ Position for interview
- #2 Position for escort approach
- #2 ½ Position for escort
- #3 Position for pressure

Motor Skills

Gross

- Large muscle groups
- High level of retention under stress
- Running

Fine

- Small muscle groups
- Low level of retention under stress
- Playing the piano

ASP STRIKES

Closed Mode
Target Area

Center Mass of the Body

ASP STRIKES

Closed Mode
Target Area

Center Mass of the Body

***NEVER Target Strikes to
the Head, Neck, Spine,
Sternum or Groin**

**Unless Deadly Force is justified.*

OPEN MODE WEAPON STRIKE

**Rapid Response
Weapon Strike**

OPEN MODE REACTION STRIKE

OPEN MODE REACTION STRIKE

**Open Mode
Combinations**

**Weapon Strike followed
by Reaction Strike**

St. Anthony Police Department

Aerosol Subject Restraint/MK-3

1

MK-3 First Defense Stream/O.C.

Main Ingredients

- * Propellant: nitrogen
- * Active ingredient: oleoresin capsicum
- * (3% capsaicin/500,000 Scoville Heat Units)

2

Possible Effects to O.C. Exposure

- Inflammatory Agent (color code orange)

Physiological and Psychological Effects

- * burning of the eyes, nose, skin and throat
- * involuntary coughing, choking, gagging, excessive mucous production
- * eyes dilate, blurred vision, temporary blindness, tearing, blinking, twitching, shutting
- * disorientation, helplessness, aggressiveness

3

Effects of O.C.

Varying Degrees of Effects

- * tolerance for pain
- * drugs, alcohol use, EDP
- * intended target vs. resulting target

Longevity of Effects

- * eyes/2-40 minutes
- * respiratory/2-30 minutes
- * burning/2-40 minutes

4

A.S.R./Department Policy

Policy 2-845/Use of A.S.R.

Aerosol subject restraint is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. A.S.R. is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of A.S.R. shall never be used indiscriminately.

Officer shall deploy their department authorized A.S.R. at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with A.S.R. as soon as reasonably possible.

5

A.S.R./Department Policy

Use of Force Continuum

1. Presence/dialogue
2. Soft hands
3. A.S.R./Taser
4. Hard hands
5. Intermediate weapons
6. Deadly force

6

Factors Considered

(Prior to Deployment of A.S.R.)

Officer Subject Factors

- Age
- Size
- Skill level
- # of officers/subjects

Special Circumstances

- Proximity to a weapon
- Prior knowledge
- Injury, exhaustion, disability
- Weather, time, location

7

Factors Considered

- Environment
Indoors/Outdoors?
Unintended victims?
Weather-wind, rain, ice

8

Factors Considered

Recognition of Threat

- Head back, shoulders back
- Face is red, twitching, jerking
- Lips pushed forward, showing teeth
- Breathing is fast, shallow
- Sweating
- Looking through you, ignores you. Eyes glazed, empty stare
- Belligerent, challenging, yelling, cursing
- Exaggerated movements, pacing, turning, pointing, pounding fists
- Fluctuates from cooperative to uncooperative
- Acts intoxicated, gives a false sense of security
- Aggression is taken out on other people or property

9

Practical Deployment of A.S.R.

Placement on Duty Belt

- Weapon side
- Reaction side

Removal from Belt Holster and Grip

- Cross-over
- Same side
- Thumb
- Index finger

10

Practical Deployment of A.S.R.

Target Pattern

- Eyes
- Nose
- Mouth
- Circle/X
- Horizontal

Deployment

- 2-10 feet
- 1-2 second spurts
- Strong verbal commands
- Tactically move
- Escalate, de-escalate

11

Decontamination/First Aid

Responsible Officer Should

- Call for an ambulance if necessary
- Fresh, moving air
- Reassure, comfort
- Change clothes
- Wash hands, put on rubber gloves
- Advise other officers, jailers about exposure
- Position asphyxia/Excited Delirium

12

Practical Exercise

- Combat stance
- Verbal commands
- Removal from holster into deployment hand
- Proper grip and arm extension
- Guard hand up
- 1-2 second spurts
- Tactically move
- Escalate, de-escalate

13

Handcuffing (practical)

- *Nomenclature

- *ID your cuffs

- *Proper ratcheting, lubrication

- *Proper locking, double locking and unlocking

- *Tightness check

- *Complaints of tightness

- *Keys

- *Swapping cuffs

- *Hinge, chain, leg shackles, TARP belt

- *Latex gloves

- *Practical

 - solo?

 - Determine position of suspect...size (multiple cuffs, shackles, injury, cooperative only, front vs. back (jail))

 - Good positioning

 - Tightness, doublelock, pat down search

- *Transport, comfort

St. Anthony Police Department Use of Force Exam /November 21, 2011

1. (2-305) Officers are permitted to use whatever force is reasonable and necessary to protect others and themselves from bodily harm in accordance with law.
2. (2-801) An officer must base his/her conduct and action in each use of force situation upon the facts of the situation as they reasonably appear.
3. (2-826) An approved weapon means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties.
4. (2-827) It is the policy of this department that officers exhaust all reasonable means of apprehension and control before resorting to the use of firearms.
5. (2-827) If feasible, an officer should give verbal warning before using or attempting to use deadly force.
6. (2-828) An officer's use of deadly force can be justified when protecting himself/herself or another from apparent death or great bodily harm.
7. (2-829) Reasonable force by an officer may be used in effecting a lawful arrest.
8. (2-830) Officers are not required to first attempt using taser and degrees of force which reasonably appear to be necessary to accomplish the intended objective.
9. (2-830) Under no circumstances may an officer continue to use force except mere physical restraint against an individual who has ceased to resist.
10. (2-831) In an officer's use of a contact weapon, the officer shall not intentionally strike the individual above the shoulders unless such action would be justified under the use of deadly force guidelines.
11. (2-835) When an officer is involved in a misdemeanor situation, which suddenly changes into a situation covered in Policy # 2-828, deadly force can be applied.
12. (2-836) Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.
13. (2-844) The use of O.C. (oleoresin capsicum) by an officer may be necessary in circumstances where the officer is confronted with uncooperative subject(s) and other methods of control or apprehension would likely be ineffective or more dangerous.
14. In the 1985 Supreme Court case Tennessee v. Garner, the court ruled that it is a violation of the Fourth Amendment for police officers to use deadly force to stop a fleeing felon if the officer does not believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.
15. In the 1989 US Supreme Court case Graham v. Connor, the court took into consideration factors such as whether the suspect poses an immediate threat, whether the suspect is actively resisting arrest, etc.

St. Anthony Police Department Use of Force Exam /November 21, 2011

16. In the 1968 Supreme Court case Terry v. Ohio, the court ruled that an officer is justified in conducting a Pat down search of person whom he/she reasonably suspects to be dangerous in order to discover any weapons which might be used to assault him/her or another nearby.
17. According to MN Statute 609.06, an officer may use reasonable force in effecting a lawful arrest, or in execution of legal process, or in enforcing an execution of legal process, or in executing any other duty imposed upon the officer by law.
18. MN Statute 629.30 allows an officer to make an arrest with or without a warrant.
19. According to MN Statute 629.32, an officer may not subject the person to any more restraint than is necessary for the arrest & detention.
20. According to MN Statute 629.33, after an officer informs the suspect that he/she is under arrest, the officer may use all necessary & lawful means to make the arrest but may not use deadly force unless authorized by 609.066, the deadly force statute.
21. MN Statute 609.066 allows deadly force by an officer in the line of duty only when necessary to: protect the officer or another from death or great harm; effect the arrest or capture, or prevent the escape, of a person whom the officer knows has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force; effect the arrest or capture, or prevent the escape, of a person whom the officer know has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if the person's apprehension is delayed.
22. An officer's use of the Force Continuum allows escalation and de-escalation of force and disengagement.
23. The reasonableness of an officer's action in an incident is based on the "totality of the" circumstances.
24. The Subject determines what level of force an officer uses.
25. A normally non-lethal type of force does have the possibility of becoming deadly through intent or misuse.
26. List the levels of the SAPD Force Continuum, starting with the least:
 1. Presence / Verbal Dialogue
 2. Soft empty hand
 3. O.C. Spray / A.S.R. / Tazer
 4. Hard empty hand
 5. Intermediate Weapons
 6. Deadly Force

St. Anthony Police Department Aerosol Subject Restraint/MK-3/Oleoresin Capsicum
Exam/November 21, 2011

1. Three physiological effects of exposure to Oleoresin Capsicum (O.C.) are:
burning of the eyes, nose, skin, throat, coughing, choking, gagging
2. The intended target of O.C. versus the resulting target may decrease or increase the O.C.'s effects.
3. The physiological effects of exposure to O.C. usually disappear in about 40 minutes.
4. O.C./aerosol subject restraint is between soft hands and hard hands on the SAPD Force Continuum.
5. Officer subject factors and special circumstances should be taken into consideration prior to deployment of O.C.
6. If a subject is exposed to O.C., the responsible officer should reassure the subject and move them to Fresh air.
7. Upon booking a subject after having been exposed to O.C., the officer should notify jail personnel of the exposure.
8. The target of O.C. should be the face.
9. Prior to and during the deployment of O.C., the officer should use strong verbal commands.
10. Upon obtaining control of a subject after O.C. exposure, an officer should de-escalate force appropriately.
11. One environmental factor that may affect an officer's decision in whether or not to deploy O.C. is a building area/crowds.

TASER

TRAINING ACADEMY

VERSION 17

TASER® X26 Electronic Control Device (ECD) User Certification Test

PRINT LEGIBLY AND CLEARLY PLEASE!

Name: Jerónimo Vázquez Dept. / Company: St. Anthony

Rank: _____ Email: _____

Phone: _____ Fax: _____

Address: _____

Training Date: 11/2/11 Location: St. Anthony Police Dept.

1. In deploying an ECD, the law enforcement officer should:
 - ☒ a) Use the least number of ECD discharges to accomplish lawful objectives
 - b) Keep pulling the trigger until the subject submits
 - c) Hold the trigger back (continuous ECD discharge) as long as it takes until the person submits to the officer's commands
 - d) Use the ECD as a torture device to gain the subject's complete compliance
2. Officers using an ECD are expected to know, understand, and adhere to:
 - a) The current law in the officer's jurisdiction
 - b) The officer's department policies on use of force and ECDs
 - c) TASER's current training program
 - d) TASER's current ECD warnings, instructions, and information
 - ☒ e) All of the above
3. When deploying an ECD, sensitive ECD target areas of the body to be avoided when practicable include:
 - a) Head
 - b) Throat
 - c) Chest/breast
 - d) Known pre-existing injury areas
 - ☒ e) All of the above

4. The preferred target areas for ECD deployment are:
- a) Lower center mass (below chest) and legs for front shots
 - b) Below the neck area for back shots
 - c) Anywhere on the subject's body
 - ☒ d) a and b
5. An ECD application on a subject can cause physiologic or metabolic effects, including, but not limited to, changes in:
- a) Acidosis
 - b) Heart rate and rhythm
 - c) pH
 - d) Respiration
 - e) Stress hormones or other biochemical neuromodulators (e.g., catecholamines).
 - ☒ f) All of the above
6. The risk (or probability) of an ECD causing or contributing to a subject's cardiac arrest is:
- a) Zero
 - b) Very high
 - c) High
 - d) Higher than the risk of death or serious injury from a firearm
 - ☒ e) Very low
7. As with any use-of-force tool or technique used by an officer:
- a) Any use of force has a risk of death or serious body harm
 - b) The lower the number of force applications to accomplish lawful objectives the better
 - c) Nothing works 100 percent of the time and contingencies should be considered.
 - d) The use of force must be in compliance with appropriate legal and policy standards and requirements
 - ☒ e) All of the above
8. What do the green blast doors indicate on a TASER cartridge?
- a) 21 ft of wire, extended probe needle
 - b) 25 ft of wire, regular probe needle
 - ☒ c) 25 ft of wire, extended probe needle
 - d) 21 ft of wire, regular probe needle
9. Electricity generally follows;
- a) The path of most resistance
 - b) From top to bottom following gravity
 - ☒ c) The path of least resistance between the probes
 - d) Or flows to any metal in contact
10. If you see a "P" on the CID of a TASER X26 ECD;
- a) Immediately pull the DPM out
 - b) Turn on the ECD and spark test it
 - c) Pull DPM out during boot up sequence
 - ☒ d) Leave it alone until after it has finished the boot up sequence

11. The proper term to describe TASER ECDs is:
- a) Propelled Energy Device
 - b) Conducted Energy Weapon
 - ☒ c) Electronic Control Device
 - d) Extended Stun Device
12. Firing the probes into the subject, even at close or point blank range, is often a better option than a drive stun with the cartridge removed because;
- a) It allows the person deploying the ECD to disengage and still deliver the effects of the ECD
 - b) It allows the person deploying the ECD to drive stun away from the probes with the cartridge still attached and increase the effects if needed
 - c) A drive stun with a cartridge removed will usually result in more significant "signature" marks than a probe deployment
 - ☒ d) All of the above
13. A drive stun is sometimes not very effective because:
- a) It is usually difficult to maintain contact with a combative suspect
 - b) The spread of the contact points on the suspect is generally not large enough to cause NMI
 - c) A pressure point application on a combative subject may be difficult to achieve
 - ☒ d) All of the above
14. The human nervous system has three main components that work together as a system. Which of the three components is affected by stun systems?
- a) Central nervous system
 - b) Motor nervous system
 - ☒ c) Sensory nervous system
 - d) Century nervous system
15. The term used for describing the incapacitating effects of a TASER ECD is;
- a) Electro-muscular disruption (EMD)
 - b) Electro-muscular Incapacitation (EMI)
 - c) Neuro-muscular disruption (NMD)
 - ☒ d) Neuro-muscular incapacitation (NMI)
16. Which part of the human nervous system functions as the Command Center?
- a) Nerve Expressway
 - b) Motor nervous system
 - c) Sensory nervous system
 - ☒ d) Brain and Spinal cord (central nervous system)
17. The TASER X26 ECD operates at a peak open gap voltage of 50,000 volts. A typical electrical wall outlet in the USA operates at about 110 volts. The typical electrical wall outlet can be dangerous to a human. What is the main reason the electrical output of the TASER ECD is safer than the household electrical wall outlet?
- ☒ a) Because the average delivered amperages of the ECD is very low
 - b) Because the amperes are extremely high
 - c) Because the wall outlet is pulsed energy
 - d) Because the joule output of the ECD is 300 times greater

18. When a violent subject is incapacitated by the effects of the TASER ECD and it is reasonably safe to do so, cover officer(s) should attempt to control/cuff the subject under power. Doing so may;
- a) Reduce the need for additional cycles
 - b) Reduce the likelihood the subject will roll during the cycle
 - c) Reduce the potential of injury to the officer(s) while the subject is incapacitated only during the cycle
 - ☒ d) All of the above
19. During TASER ECD voluntary exposures which of the following are required safety rules?
- a) Always use two spotters when volunteer is standing
 - b) Spotters must hold volunteers under the armpit to stabilize the shoulder and upper arm and avoid twisting their shoulder
 - c) The volunteer may be held up or carefully lowered to the ground
 - ☒ d) All of the above
20. Why is a cartridge deployment, even at close range, more desirable than a drive stun?
- a) Both probes make contact for the full 5 seconds.
 - b) Less chance of multiple "signature marks" on the suspect.
 - c) NMI can be achieved if a drive stun is applied over 4" from the darts.
 - ☒ d) All of the above
21. The TASER X26 ECD is designed to effect the:
- a) Motor nervous system only
 - b) Sensory nervous system only
 - ☒ c) Sensory and motor nervous systems
 - d) Cardiac system
22. The "TASER-Wave" electronic signals of the TASER X26 ECD can be effective:
- a) Through up to approximately two inches of clothing
 - b) Through some types soft body armor
 - c) Through lightweight clothing
 - ☒ d) All of the above
23. When using the TASER X26 ECD with chemical sprays, the following must be considered
- ☒ a) Type of propellant and base of chemical or pepper spray (for flammability)
 - b) If the threat has been sprayed in the eyes
 - c) Whether the chemical spray was O.C. or C.S.
 - d) All of the above
24. The TASER X26 ECD will store what information for each trigger pull?
- a) Time, Date, Cartridge Number
 - b) Time, Date, Duration, Body Temperature
 - c) Date, Duration, Body Temperature, Temperature
 - ☒ d) Time, Date, Duration, Battery Life, Temperature

25. The 21 foot standard TASER cartridge has:

- a) Yellow blast doors
- ☒ b) Silver blast doors
- c) Green blast doors
- d) Orange blast doors

26. When deploying probes to the front of the body, the TASER ECD should generally be aimed:

- a) At the face
- ☒ b) So as to split the hemispheres (the beltline)
- c) At the throat
- d) At the head

27. The standard cycle for the TASER X26 ECD if the trigger is pulled and released is:

- a) 10 seconds
- ☒ b) 5 seconds
- c) 4 seconds
- d) The cycle always stops as soon as the trigger is released

28. A daily spark test on the TASER X26 ECD is recommended to:

- ☒ a) Ensure the ECD is sparking
- b) Create muscle memory
- c) Practice drawing and holstering the ECD
- d) Teach proper ECD safety

29. When using spent TASER cartridges for drills, it is important to:

- a) Visually inspect each cartridge to verify there are no probes in it
- b) Visually inspect each cartridge to verify there are no wires in it
- c) Load the cartridge, point in a safe direction and discharge one cycle to ensure it is empty
- ☒ d) All of the above

30. The two-piece full body conductive training targets offered by TASER are beneficial because:

- a) Students can become accustomed to the preferred target zones
- b) The auditory feedback for hits and misses is consistent with field performance
- c) Students can target the legs
- ☒ d) All of the above

31. According to the TASER training program, how long before presenting a user course should a TASER instructor check the TASER website to ensure he/she is using the most current version of the training material:

- a) 6 months
- b) 1 month
- c) 1 week
- ☒ d) 72 hours

32. If an ADVANCED TASER M26 ECD or a TASER X26 ECD is completely submerged, you should:

- a) Let it sit for 24 hours and return to duty
- b) Destroy it
- c) Pull the trigger and see if it works
- ☒ d) Return the ECD to TASER

33. TASER ECDs can ignite:

- a) Gasoline vapors
- b) Butane
- c) Some personal defense sprays
- ☒ d) All of the above

34. Targeting the back is usually preferable because:

- a) The back of the body has larger muscles
- b) Reduced risk of hitting a sensitive body part
- c) Surprise factor
- ☒ d) All of the above

35. Examples of subjects who are at an elevated risk from an ECD exposure include:

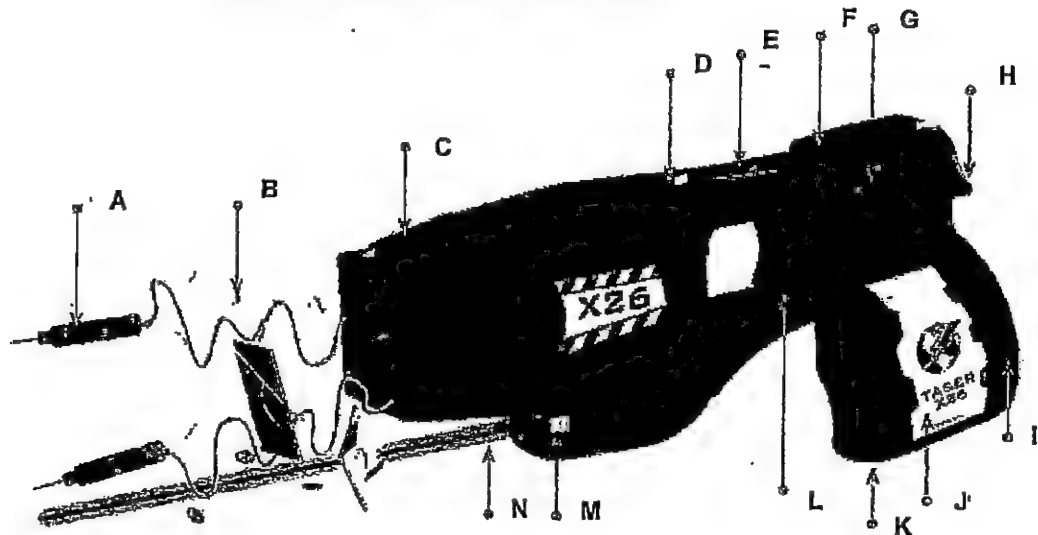

- a) Running subjects
- b) Subjects in elevated positions
- c) Subjects in a flammable environment
- ☒ d) All of the above

36. Which of the following is a warning sign that a subject might be at risk for an arrest related death:

- a) Bizarre or violent behavior
- b) Disrobing
- c) Unusual strength and/or endurance
- ☒ d) All of the above

ASP BASIC CERTIFICATION (ABC) EXPANDABLE BATON TRAINING

Information Sheet

(Please Print)

Date 11/21/11

☒ Initial Certification

☐ Recertification

First Name Jerome D Last Name Vaner

Home Address _____

City _____ State _____ Zip _____

Employing Agency _____

Agency Address _____

City _____ State _____ Zip _____

Duty Status: ☐ Full Duty ☐ Restricted Duty

Has your agency adopted or authorized the use of the ASP Baton? _____

How many officers are in your agency? _____

Telephone: Home (_____) _____ Office (_____) _____

Height _____ Weight _____ Age _____ Date of Birth _____

Have you been exercising? _____

Do you have any knee, back or health problems? _____

Are you on any medication? _____

Person to be notified in case of emergency:

Name _____

Phone (_____) _____ Alternate (_____) _____

Relationship _____

Briefly describe any health problems:

Injury Check: ☐ 1A ☐ 1P

WAIVER

Release from Liability and Assumption of Risk Agreement

1) Intending that this Agreement be legally binding upon me, my heirs, executors, administrators, and assigns, I hereby waive, release, and forever discharge Armament Systems and Procedures, INC, and all of their agents, representatives, heirs, executors, administrators, successors and assigns, of and from any and all claims, demands, rights and causes of action of whatsoever kind and nature, arising from, and by reason of any and all known and unknown, foreseen and unforeseen physical and mental injuries and consequences thereof, suffered by me during any and all ASP Expandable Baton Certification Training activities.

2) In signing this Release, I assert that (a) I am presently in good physical and mental health; (b) I have no reason to believe that I am not in good physical and mental health; (c) I am fully aware of, and do acknowledge and assume all risk of injury inherent in my participation in this training seminar; (d) I have read and fully understand the terms and conditions of this Agreement.

This program is competency based. Mere participation does not automatically assure successful completion.

ASP BASIC CERTIFICATION TECHNIQUE PROFICIENCY CHECKLIST

The following checklist is designed to assist you and the ASP Instructor in evaluating your performance of ASP Techniques. Those components of the technique that are acceptable are checked.

- | | |
|--|--|
| <p>1) Check</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Target | <p>6) Opening the Baton</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Target |
| <p>2) Re-Direction</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Target | <p>7) Open Mode Weapon Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Angle <input checked="" type="checkbox"/> Target |
| <p>3) Closed Mode Weapon Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Angle <input checked="" type="checkbox"/> Target | <p>8) Open Mode Reaction Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Angle <input checked="" type="checkbox"/> Target |
| <p>4) Closed Mode Reaction Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Angle <input checked="" type="checkbox"/> Target | <p>9) Open Mode Straight Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Target |
| <p>5) Closed Mode Straight Strike</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Verbalization <input checked="" type="checkbox"/> Technique <input checked="" type="checkbox"/> Target | <p>10) Closing the Baton</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Balance <input checked="" type="checkbox"/> Movement <input checked="" type="checkbox"/> Technique |

- A check mark indicates an acceptable observed action.
- Three of the components must be acceptable for a passing score.
- Each technique must have a passing score for certification.
- The minimum passing score is 100% (10 techniques).

Minnesota Bureau of Criminal Apprehension
ACISS Investigative Supplement 2016-433/119

Report Date: 10/24/2016

Primary Information	
Description:	Request to obtain video recordings from James Diehl
Occurrence From:	10/24/2016 00:00
Occurrence To:	10/24/2016 00:00
Reporting LEO:	Henning, Doug (1361 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Approval Status:	Approved
Approved Date:	11/09/2016
Approved By:	OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)

Synopsis
On 10-24/2016 SA Henning received a request from the Ramsey County Attorney's Office to obtain video of the permit to carry class taught by James Diehl should it exist. No evidence generated by nature of this report.

Subject #1 - WITNESS #1 - Diehl, James Paul
Primary Information
Subject Name: Diehl, James Paul
Record Type: Person
Bio: 39 yr. old, White, Male
Birth Date: 11/25/1976
Juvenile: NO

Record Status Information	
Record Origination Operator:	Henning, Doug (1361 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Record Origination Date:	11/02/2016 17:06
Last Update Operator:	OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Last Update Date:	11/09/2016 19:39

Reporting LEO	Date	Supervisor	Date
Henning, Doug (1361 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)	6/19/2017

On 10/24/2016 SA Henning was contacted by Rick Dusterhoft with the Ramsey County Attorney's Office. Dusterhoft asked SA Henning to obtain video of the Permit to Carry class taught by James Diehl should it exist.

SA Henning contacted James Diehl by telephone and asked if he or the other instructors in his group had ever recorded their training classes. Diehl said that they hadn't. SA Henning relayed this information to Dusterhoft on or after 10/25/2016.

No evidence generated by nature of this report.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

action will he/she display any partiality toward either of the parties involved. The officer will maintain a courteous, but firm attitude in the performance of his/her duties.

The purpose of a peaceful, orderly labor dispute shall be deemed to be legal, unless advice is received to the contrary from the courts or other competent authority.

9-14 **Necessity that Officers be Armed**

As long as members of the public are victims of violent crimes and officers in the performance of their duties are confronted with deadly force, it will remain necessary for police officers to be properly armed for the protection of society and themselves

9-15 **Use of Force Definitions**

1. *Approved Weapon* means a device or instrument which an officer has received permission from the Chief of Police to carry and use in the discharge of that officer's duties, and for which the officer has: A) obtained training in the technical, mechanical, and physical aspects of the device; and B) has developed a knowledge and understanding of the law, rules, and regulations regarding the employment of such weapon.

2. *Contact Weapons* mean all objects and instruments which are used or designed to be used, to apply force to the person of another by coming into physical contact with that person.

3. *Chemical Agents* mean chemical mace, tear gas, and pepper mace.

4. *Deadly Force*. Force which the actor uses with the purpose of causing, or which the actor should reasonably know creates a substantial risk of causing death or great bodily harm.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

5. *Non-Deadly Force.* Force actually used by an officer which does not have the purpose of causing, nor create a substantial risk of causing, death or great bodily harm.

6. *Use of Force Continuum.* A guideline that describes a police officers reasonable use of force options to include: Presence/Dialogue; soft hands; aerosol subject restraint/taser; hard hands; intermediate weapons; and deadly force

9-16 **Use of Deadly Force**

Use of deadly force by a peace officer in the line of duty is justified only when necessary:

- To protect himself/herself or another from apparent death or great bodily harm.
- To effect the arrest or capture, or prevent the escape of a person whom the peace officer knows or has reasonable grounds to believe has committed or attempted to commit a felony involving the use or threatened use of deadly force, or;
- To effect the arrest or capture, or prevent the escape, of a person whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony if the officer reasonably believes that the person will cause death or great bodily harm if his/her apprehension is delayed.
- A police officer may also discharge a weapon under the following circumstances:
 - a. During range practice or competitive shooting events.
 - b. To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

- Firing a weapon from or at a moving vehicle is inherently dangerous to both the involved officer and innocent third parties. Therefore, officers should avoid firing weapons from or at a moving vehicle except in circumstances permitting the use of deadly force and after careful consideration of the possibility of collateral injury or death.

9-17 **Use of Non-Deadly Force**

It shall be the policy of this Department to accord officers discretion in the use of non-deadly force to the extent permitted by Minnesota Statute 609.06 which permits police officers to use reasonable force:

- a. In effecting a lawful arrest; or
- b. In the execution of legal process; or
- c. In enforcing an order of the court; or
- d. In effecting any other duty imposed on the officer by law.

9-18 **Use of Force - General Rules**

a. Officers shall use the least amount of force reasonably necessary to accomplish the intended goal without impairing the safety of others. This provision shall not be construed, however, to require officers to first attempt using types and degrees of force which reasonably appear to be inadequate to accomplish the intended objective.

b. Protracted hand-to-hand combat may be harmful to the public safety, the safety of law enforcement personnel, and the safety of the person being arrested or captured. Accordingly, it shall be deemed reasonable for officers to use that type and degree of non-deadly force necessary to bring a subject whom the officer intends to arrest or capture quickly under control.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

c. Officers shall carry and use only approved weapons, as that term is defined in Section 9-23, unless circumstances exist which pose an imminent threat to the safety of the public or the officer requiring the immediate use of non-approved weapon to counter such a threat.

d. No officer shall modify, alter, or cause to be altered an approved weapon in his/her possession or control. This provision shall not be construed to prohibit officers from modifying grips on approved firearms in the officer's possession or control.

e. Under no circumstances may any officer continue to use force (except mere physical restraint) against an individual who has ceased to resist.

9-19 **Contact Weapons- Expandable Baton**

Contact weapons shall be used only where efforts involving the use of less force have failed, or where it reasonably appears that such methods would be ineffective if attempted. Contact weapons may be used only in the following manner:

- a. To ward off blows or kicks from another person; or
- b. To strike another for the purpose of rendering that person temporarily incapacitated; or
- c. to restrain persons; or
- d. In appropriate crowd control situations, to direct and control the movements of people or persons, or as a barricade.
- e. officer shall not intentionally strike an individual above the shoulders unless such action would be justified under the use of deadly force guidelines.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

9-20 **Less-Lethal Impact Devices**

Purpose

To establish guidelines and training in the use of department authorized less-lethal devices.

Policy

The police department recognizes that combative, non-compliant, armed and/or violent subjects cause handling and control problems that, in limited and controlled circumstances, may be addressed by less lethal weapons. This policy is designed to assist officers with the de-escalation of potentially violent confrontations.

Nothing in this policy shall be construed to mean that an officer must use less lethal means when confronted with a deadly force situation.

Intentional discharge of a firearm loaded with less lethal munitions, used by a police officer within the scope of his or her official duties, does not constitute deadly force.

Definitions

Less Lethal Force Philosophy – A concept of planning and force application, which meets operational objectives, with less potential for causing death or serious physical injury than conventional police tactics.

Kenetic Energy Impact Projectiles – Flexible or non-flexible projectiles, which are intended to incapacitate a subject with minimal potential for causing death or serious physical injury, when compared to conventional projectiles.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Electronic Control Device

The Taser is a hand held, laser aimed, battery operated, less lethal, electronic control device (ECD) defined as a contact weapon for purposes of this policy. Voltage is applied to a subject by two darts connected to conducting wires propelled from a charged cartridge, or from direct contact. The unit uses an Electro-Muscular Disruptive system, which overrides the central nervous system and effects the sensory and motor nervous system resulting in temporary, involuntary muscle contractions. The contractions will incapacitate a subject so they can be placed under the control of law enforcement officers.

Safety Priorities – The department's safety priorities are established as follows:

- Non-subject civilians
- Police officers
- Subject(s)

Less Lethal Extended Range Devices

There are many projectiles considered "less lethal." The primary type used by the St. Anthony Police Department is the flexible baton – 12 gauge.

The authorized 12 gauge less lethal rounds are manufactured by CTS Ballistics (or a similar product). These rounds are referred to as the "Super Sock Bean Bag."

The standard round is a two and three quarter inch plastic 12 gauge cartridge.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Evaluation of Projectiles

Kenetic Energy Impact Projectiles will be evaluated on the following criteria:

- Accuracy
- Effectiveness
- Potential for causing death or serious physical injury

Accuracy

- This is the primary consideration since proper shot placement greatly assists in controlling the other two evaluation criteria.
- This will be evaluated based on the anticipated ranges of deployment.
- Super Sock Projectile is in its deployed state immediately upon exiting the weapon barrel. It does not require a minimum range to unfold or stabilize. Optimal ranges are between 5 and 20 yards. However, it is stressed that shot placement, rather than deployment range, is the critical factor in determining the extent of injury caused. Shots to the head, neck, thorax, heart, or spine, can result in fatal or serious injury. Subsequently, care should be taken to not target these areas.

Effectiveness

- This is the potential of the round to cause incapacitation and reduce the subject's ability to continue their (non-compliant) behavior. The level of energy to cause incapacitation creates the potential for injury, but when properly deployed,

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

with a low probability for causing serious physical injury or death.

- The potential for causing death or serious physical injury with such projectiles is a reality. The potential is greatly reduced when impacts to the head and neck are avoided, and when appropriate medical examination is provided in cases where the subject is struck in an area that might conceal a closed injury, including such areas as the chest, back, thoracic, and abdominal cavities and the groin.
- When engaging a target, the officer should evaluate the effectiveness of each round during the volley. Compliance and/or incapacitation is the desired goal, and alternative target areas/response should be considered when rounds are not effective. Alternative target area/response considerations will be based on the circumstances the officer is encountering and the established department safety priorities.

Deployment Areas

- The less lethal projectiles will be delivered to suspect target areas based on the circumstances, the established safety priorities, and the level of force authorized.
- The ASP Training Chart is the recognized department model for determining contact areas for Kinetic Energy Impact Weapons, based on potential for injury.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Force Continuum

- The St. Anthony Police Department recognizes six distinct levels of force. The use of Kinetic Energy Impact Projectiles are considered a level 5, when deployed to areas of the suspect's body that are considered unlikely to cause death or serious injury.
- The uses of Kinetic Energy Impact Projectiles are considered deadly force if intentionally deployed at the head or neck.

Deployment Techniques

Transition – When a qualified officer transitions the weapon from lethal to less lethal ammunition the following procedures shall be performed. **The officer is solely responsible for the condition of the weapon (lethal vs less lethal rounds):**

- All duty ammunition will be removed from the weapon and remain under the control of the officer.
- *The officer will visually and physically inspect the chamber and magazine to insure that all duty ammunition is removed from the shotgun.
- *The officer will then load the less lethal rounds into the shotgun, visually inspecting each round prior to insertion, insuring that each round is, in fact, a less lethal round.

***When possible these steps should be witnessed by a second officer**

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Before transition to less lethal ammunition, the officer shall consider:

- The level of force being confronted
- The proximity/access of subject to officer
- The department's safety priorities.

The officer will then determine if lethal cover is necessary and appropriate. Special consideration of lethal cover should be made in all cases involving subjects with firearms.

Handling of Injured Suspects

Suspects who are struck by a less lethal round shall be transported to a medical facility for evaluation/examination.

Investigation:

An investigation will be conducted into any situation involving the firing of a less lethal round at a suspect. The depth of the investigation will be decided by the duty commander (rank of Sergeant or above) and will be based on the extent of the suspect's injuries.

The operational use of a Kenetic Energy Impact Projectile will be documented in the same manner as an impact weapon per department principles and practices 9-23.

Training

The training in the use of Extended Range Kenetic Energy Impact Projectiles will consist of the approved department end-user program and annual recertification.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Electronic Control Devices (Taser)

APPLICATION:

The Taser may be used in situations where force is justified to control aggressive and or combative/non-compliant subjects, thereby reducing the likelihood of injury to officers and subjects.

Dart Deployment:

- The deploying officer shall inform officers of the presence and/or planned use of the Taser so the Taser deployment is not mistaken for a gun shot.
- Unless prevalent circumstances suggest otherwise ECD use should not exceed fifteen seconds.
- The Taser should not be used when the subject is in danger of falling from a significant height.
- The Taser should not be used when a subject is in water where drowning is a possibility.
- Officers are to make every effort to avoid dart placement to the head, neck, groin, or chest.
- The Taser will cycle for a period of 5 seconds, but may be turned off sooner as the situation warrants. Officers should evaluate Taser effectiveness at the end of each 5 second cycle. Each cycle shall be detailed in the narrative per 9-23.
- When feasible, officers should give verbal warning prior to ECD deployment.
- Officers are authorized to remove darts from the subject if the darts are in an area of the body not considered to be soft tissue.
- Used darts are considered a biohazard and must be handled appropriately. This includes the use of gloves and designated

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

biohazard sharps evidentiary containers by department personnel. Darts can be inverted and placed back into the cartridge from which they were deployed.

Drive Stun Deployment

- Taser deployment in the drive stun mode is a pain compliance technique occupying the same position as other ECD use in the Use of Force Continuum.

Medical Treatment:

- For the purpose of this policy, soft tissue areas are considered to be the head, eyes, neck, and groin/genital area.
- When the Taser has been used on a subject, he/she shall be evaluated by emergency medical responders.
- A subject that has been exposed to prolonged application, over 15 second, shall be transported to a hospital for evaluation. Personnel conducting the evaluation should be aware that the subject has experienced the prolonged ECD application.
- Medical personnel must remove darts that may have penetrated soft tissue areas.
- An officer/individual of the same sex shall remove the darts from the subject in cases where darts have penetrated areas which involve the breast, buttocks, genitals, or inner thigh.

Restricted Uses:

- The Taser shall not be used on restrained individuals unless the actions of the person cause a potential threat of bodily harm to themselves or any other person.

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

- The Taser shall not be used when the presence of flammable fumes, liquids or gases are known or likely.
- The Taser should not be used on women known to be pregnant unless all other means short of lethal force have been used.

Documentation:

- Depending on the penetration and the location of the darts and the sex of the subject, officers must make every reasonable effort to have any dart impact areas on the subject's person photographed. If the subject is of the opposite sex of the officer and taking of the photographs would require removal of clothing that would expose the breast, buttocks, inner thigh, or genital area, the same sex arrangements must be made.
- Officers are required to fully document the use of the Taser in the narrative per policy 9-23.
- Officers shall properly inventory expended cartridge(s) into evidence.
- Officers shall take the unit out of service until information stored in the unit can be downloaded.

Portation:

- When available, all officers shall carry the department issued Taser weapon while on duty.
- Officer will be required to carry the Taser on their reactionary side.
- Officers will be required to secure the Taser in a department approved duty belt holster or leg style holster.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Training:

- A certified Taser Instructor must train all officers who carry and deploy the Taser.
- Taser users must be recertified on an annual basis.

Force Continuum:

- Taser shall come under the same force continuum as aerosol subject restraints.

9-21 **Aerosol Subject Restraints**

Chemical mace is classified as protective equipment and its use, as in the use of all other police equipment, must be exercised with discretion and care. Chemical mace is intended primarily for use in those cases wherein the member is attempting to subdue an attacker or a resisting suspect or under other circumstances where the rule of law permits the lawful and necessary use of force and which is best accomplished by the use of mace. Chemical mace shall never be used indiscriminately.

Officers shall deploy their department authorized aerosol subject restraint at the manufacturer's recommended target areas. First aid shall be provided to all persons sprayed with a chemical agent as soon as reasonably possible.

9-22 **Firearms as Last Resort**

An officer is equipped with a firearm to use as a last resort in effecting the arrest of a dangerous felon. When a firearm is used by an officer, it must be with the realization that the death of some person may occur, not necessarily with the intent that such will be the result.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

It is the policy of this Department that members exhaust all other reasonable means of apprehension and control before resorting to the use of firearms. It is also the policy of this Department that members shall not unnecessarily or unreasonably endanger themselves in applying the firearms regulation to actual situations.

If feasible, an officer should give warning before using or attempting to use deadly force.

9-23 Use of Force Reporting Requirements

a. Whenever an officer discharges a firearm outside the firing range or is involved in a citizen contact that results in death, great bodily harm, or serious bodily harm (as defined by Minnesota State Statute), he/she shall immediately notify an on-duty or on-call supervisor.

b. Whenever an officer is involved in any use of force situation (beyond routine escort procedures to control a resisting combative subject), a comprehensive written report shall be generated by the involved officer(s). An arrest, offense, or supplement report detailing the use of force shall suffice for this requirement. See 9-28 for procedures to be followed in officer involved shootings.

9-24 Firing Warning Shot

Warning shots shall not be fired.

9-25 Firearms - Minimizing the Risk of Death

In the extreme stress of a shooting situation, an officer does not have the opportunity or ability to direct his/her shot to a non-fatal area. To

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

require the officer to do so increases the risk of harm to himself/herself or others.

9-26 **Firearms - Justification Limited to Facts Known to Officers**

Justification for the use of firearms must be limited to what reasonably appear to be the facts known or perceived by an officer at the time he/she decides to shoot. Facts unknown to an officer, no matter how compelling, cannot be considered in later determining whether the shooting was justified.

9-27 **Firearms - Preparation for Use**

Nothing in this policy shall be construed as preventing an officer from drawing his/her weapon or being prepared to use it, if the officer feels it is a threatening situation.

9-28 **Officer Involved Shooting**

The St. Anthony Police Department shall ensure that an investigation is conducted of all incidents that are of a critical nature where the involved employee acted within the course and scope of employment and which included, but are not limited to:

1. Officer involved use of deadly force through the discharge of a firearm.
2. Any incident that has caused or is likely to have caused great bodily harm to death to any person to include St. Anthony Police Department employees.
3. Any incident deemed critical by the Chief or his designee.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Purpose

The purpose of this policy is to provide guidelines and procedures that shall be uniformly applied following critical incidents to ensure that a thorough and objective investigation is conducted. It is also the purpose of this policy to provide guidelines and procedures to ensure that appropriate action is taken after critical incidents to safeguard the well being of all involved personnel.

Definitions

Detective: The investigator(s) from the agency which is conducting the investigation of the critical incident.

Equipment: This term includes but is not limited to: firearms, taser, magazine, ammunition, baton, flashlight, uniform, boots, etc.

Escort: An officers assigned by the First Responding Supervisor to stay with involved employee(s) and/or witness employee(s) until the escort is relieved. Escorts shall be of the rank of sergeant or above whenever possible.

First Responding Assisting Employees: The first employees who respond to a critical incident.

First Responding Supervisor: The First St. Anthony Police Department supervisor responding to a critical incident who was not involved in the incident as neither an involved person nor involved witness.

Great Bodily Harm: Bodily injury which creates a high probability of death, or which causes serious permanent disfigurement, or which causes a permanent or protected loss or impairment of the function of any bodily member or organ or other serious bodily harm.

SAPD Incident Commander: The first POST licensed St. Anthony Police Department supervisor responding to a critical incident after the First Responding Supervisor.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Investigating Entity: The Hennepin County Sheriff's Department or Bureau of Criminal Apprehension that may be conducting the critical incident investigation.

Investigation Headquarters: The St. Anthony Police Department or other location designated by the lead detective at which involved employees and witness employees gather immediately following a critical incident to meet with legal counsel, detectives and to surrender equipment.

Involved Employee: Any employee who appears to have engaged in conduct constituting a critical incident. This also includes an employee who is a victim of a critical incident.

Lead Detective: The lead investigator of the critical incident or their designee. The lead detective shall be from the investigating entity.

Report: Any written documentation from any reporting system used by the St. Anthony Police Department.

Witness Employee: An employee who witnesses a critical incident, but did not engage in any conduct constituting a critical incident.

Procedure

Whenever an employee of the St. Anthony Police Department is involved in a critical incident, they shall immediately notify a supervisor. If the incident occurs outside of St. Anthony the employee shall immediately notify the responsible law enforcement agency with jurisdiction and their supervisor.

Employees involved in critical incidents can be profoundly affected by the incident. **Anyone dealing with an employee involved in a critical incident shall follow these guiding principles:**

- Do not leave employee alone or ignore them

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

- Do not take an involved employee's firearm unless a supervisor has reason to believe that the involved employee poses a threat to themselves or to others, or unless directed by the lead detective.
- Do not allow employee(s) to talk about the incident to anyone at the scene, except to provide sufficient information to enable the primary responders or detective to ensure public safety, officer safety, and to preserve the scene.
- Unless there is an identifiable reason for doing so, i.e. destroying obvious evidence such as washing blood off hands, do not deny an employee who requests access to:
 - Food and drink
 - Restroom facilities
 - Telephone to contact family and/or significant person
 - A union or labor representative
 - A chaplain or other clergy
 - Legal counsel

Responsibilities

The Chief or his Designee

- Determine whether the St. Anthony Police Department or an outside agency will become the investigating entity.
- Determine whether a criminal investigation is necessary
- Direct the Public Information Officer, if appropriate, to contact the media and coordinate all media inquiries on the critical incident.

St. Anthony Police Department Incident Commander

- Notify the following persons:
 - The Chief or his designee

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

- The Hennepin County Sheriff's Office and/or the BCA to conduct the investigation. The BCA should be used for all incidents occurring outside the Hennepin County portion of St. Anthony.
- Assume command of the scene upon arrival.
- Ensure that the First Responding Supervisor has carried out all duties.
- Determine when the involved employee(s) and witness employee(s) may leave the scene for drug testing and/or transport to Investigation Headquarters.
- Inform the Chief or his designee of the facts so they can determine if the incident requires a criminal investigation, and if so, who the investigating entity will be.
- If the Chief or his designee has determined there will be a criminal investigation, ensure the investigating entity has assumed command of the critical incident.

First Responding Supervisor

- Identify involved employee(s) and witness employee(s).
- Obtain from the involved employee(2) only the information needed to ensure public safety, officer safety, and to preserve the scene.
- Reveal no information given to you by the involved employee(s) except what is necessary to protect public safety, officer safety, and to preserve the scene.
- Keep the involved employee(s) and witness employee(s) separated from each other when possible.
- Set up scene boundaries and keep the scene secure.
- Request additional resources and personnel as necessary.

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

- Assign a POST licensed officer to accompany any injured persons to the hospital.
- Assign an escort(s) to accompany the involved employee(s) to the hospital for alcohol and drug testing and/or to investigation headquarters with instructions not to discuss the incident with each other or other person(s).
- Determine whether an escort will be assigned to the witness employee(s).
- Allow involved employee(s) and witness employee(s) a reasonable opportunity to contact family members and/or significant persons unless contra-indicated.
- If the involved employee(s) or witness employee(s) have requested legal representation; they shall be allowed to consult in a private setting.
- **The first responding supervisor shall not take or prepare any detailed statements or reports, written or verbal, from the involved employee(s).**
- If directed by the investigating entity, complete a supplemental report documenting supervisory actions taken including times, specific assignments made, and the identities of all personnel involved in the critical incident.

Involved Employee(s)

- Remain at the scene.
- Do not speak to other employees about the critical incident, except to ensure public safety, officer safety, and to preserve the scene.
- Participate in alcohol and drug testing as soon as practical after the incident.

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

- Upon arrival at investigation headquarters the involved employee(s) must surrender equipment and any other pertinent item(s) needed when requested by a detective.
- After having an opportunity to consult with legal counsel, the legal counsel will inform the lead detective or designee if the involved employee(s) is willing to give a voluntary statement. Involved employee(s) who are able and willing to be interviewed shall be interviewed at investigation headquarters or such other location and time chosen by the lead detective and the involved employee(s).
- May meet with a designated psychologist within 72 hours for critical incident debriefing.

Witness Employee(s)

- Do not speak to other employees about the critical incident, except to ensure public safety, officer safety, and to preserve the scene.
- Provide a brief verbal account of the incident to the first responding supervisory. The account should include, but is not necessarily limited to, identifying and locating suspects, reporting approximate number and trajectory of rounds fired or exchanged, and any other information deemed pertinent to public or officer safety.
- Prepared an incident report or provide a question and answer statement after being directed to do so by a detective and after consulting with legal counsel, if desired.
- Meet with an answer any questions from a detective.
- May request to meet with a designated psychologist within 72 hours fro critical incident debriefing.

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

Escort

- Assume control of the involved employee or witness employee as directed by the first responding supervisor.
- Take the involved employee from the scene to the alcohol and drug testing site when directed by the St. Anthony Police Department incident commander.
- After test samples are obtained; the escort shall transport the involved employee to investigation headquarters.
- Advise the involved employee or witness employee to remain separate from other involved employee(s) and witness employee(s).
- Remain with the involved employee or witness employee when they are brought to the investigation headquarters and until they are turned over to other supervisory personnel.
- Advise the involved employee or witness employee not to discuss the incident with anyone except an attorney, union representative, or detective.
- Write a report detailing his/her actions, including who had access to the involved employee or witness employee and specifically documenting whether the involved employee or witness employee spoke with anyone about the incident while in the escort's presence.

First Responding Assisting Employee(s)

- Secure the scene until arrival of the first responding supervisor.
- Ensure the witness employee(s) and the involved employee(s) do not discuss the incident.

Relief from Duty

**ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES**

- The involved employee shall be relieved from active duty as soon as possible and may be placed on paid administrative leave.
- Opportunity will be provided for the employee to meet with necessary individuals for critical incident debriefing.
- No involved employee will return to duty status without authorization of the Chief or his designee.
- No involved employee shall be rearmed without the authorization of the Chief or his designee.
- A loaner handgun will be given to the involved employee at the authorization of the Chief or his designee.

Notification

The Chief shall notify the Commissioner of Public Safety within 30 days of whenever a peace officer discharges a firearm in the course of duty, other than for training purposes or the killing of an animal that is sick, injured, or dangerous per Minnesota State Statute 626.553.

9-29 Officers Surrendering Weapon

An officer or partner may be at the mercy of an armed suspect who has the advantage, but he/she must consider that the danger is not necessarily reduced by giving up his/her gun upon demand. Surrendering his/her weapon might mean giving away the only chance for survival; therefore, an officer should use every tactical tool at his/her disposal to avoid surrendering his/her weapon.

9-30 Possession of Weapons in Courthouse or Certain State Buildings

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

Officers shall not be armed in any courthouse complex or in any state building within the capitol area (described in Minnesota Statute 15.50), unless performing official duties within the scope of their employment for the City of St. Anthony.

9-31 Barricaded Suspects

A barricaded suspect poses an extreme danger not only to officers who seek to arrest him/her, but to other persons as well. Good judgment demands that a tactical plan be developed rather than immediately rushing a barricaded suspect.

Officers should seal avenues of escape and call for assistance. Once the suspect is isolated, time is to the benefit of the officers, and the full resources of the Department are available to assist officers in removing the suspect from his/her location. To minimize the possibility of injury to officers and others, appropriate special equipment and trained personnel should be requested. If possible, an effort should be made to contact the suspect in an attempt to persuade him/her to voluntarily surrender before force is used.

In situations which develop from radio calls or spontaneous activities, the ranking officer is in command until relieved by a supervisor or chief.

9-32 Hostages

Criminals who use hostages to effect their escape are desperate individuals, who, if allowed, will pose a continuing threat to their hostage and to the public at large. Assurance that a hostage will be released unharmed is a meaningless promise. The Department does not have the ability to protect the safety of a hostage who is allowed to be removed from the presence of officers. The safety of hostages

ST ANTHONY POLICE DEPARTMENT
PRINCIPLES AND PRACTICES

can be best assured by keeping them in the presence of officers and by preventing their removal by the suspect. Officers should use every verbal and tactical tool at their disposal to secure the arrest of the suspect without harming the hostage. However, officers should realize that exceptional situations could arise where considered judgment might dictate allowing removal of a hostage such as where there is imminent and probable danger to a large group of persons.

9-33 **Uniformed Officers at Planned Arrest and Search Warrant Service**

During the planning stage for the service of a search warrant or an arrest operation which primarily involves plain clothes personnel, consideration should be given to the deployment of at least one uniformed officer, whenever tactically feasible, in a highly visible position to reduce the possibility of mistaken identity.

9-34 **Traffic Enforcement Objective**

The traffic enforcement objective of the Department is to reduce traffic accidents and injuries and to facilitate the safe and expeditious flow of vehicular and pedestrian traffic through the public's voluntary compliance with traffic regulations. The Department seeks to achieve this objective through a combination of education and enforcement.

The Department seeks to educate the public regarding traffic regulations through programs aimed at exposing specific problems, by publishing traffic accident and injury statistics, and by giving notice and warnings of changes in regulations prior to taking enforcement action.

The Department will take enforcement action upon the detection of an illegal and potentially hazardous act without regard for such factors as

TRANSCRIPT

INTERVIEW DATE:	BCA CASE	2016-433
OFFENSE:	EXHIBIT #:	
INTERVIEW OF:	Off. Jeremy Sroga (JS)	INTERVIEWED BY: SSA Chris Olson (CO) SA Doug Henning (DH)
REVIEWED BY:		

DH Okay the recorder's going. This is Doug Henning. I'm a special agent with the Minnesota Bureau of Criminal Apprehension. This will be an interview reference BCA Case # 2016-433. Uh, Date is 11-8-2016, the time right now is 10:01 AM. Uh, this will be an interview with Officer Jeremy, first name spelled J-E-R-E-M-Y, last name name Sroga?

JS Yup.

DH S-R-O-G-A.

JS Correct.

DH Badge number 134.

JS Yes.

DH St. Anthony Police Department?

JS Yes.

DH Uh, for the purposes of this report, your address 3301 Silver Lake Road in St. Anthony, Minnesota, 55418?

JS Yes.

DH Um, and a good contact phone number for you would be 612-782-3350?

JS Yes.

DH Um, and your POST number is 13604 is that correct?

JS Yes.

DH Okay and you are represented today for this interview by Counsel Kim Sobiech?

JS Correct.

DH With uh, Law Enforcement Labor Services?

JS Correct.

DH Also present with me is Senior Special Agent Chris Olson, BCA, and then Jeff Paulsen from the U.S. Attorney's Office, Kevin Kane from the FBI, Rick Dusterhoft from Ramsey County Attorney's Office, Clayton Robinson from Ramsey County Attorney's Office.

JS Okay.

DH Um, and we did not talk prior to this but I spoke with your chief and asked to speak with the use of force instructors.

JS Okay.

DH And, and you are one of those for St. Anthony Police Department?

JS Yes.

DH Aw, can you, we went through the Criminal Investigative Warning already. You reviewed it with your attorney.

JS Correct.

DH Signed it.

JS Yes.

DH You understand that this is a voluntary interview.

JS Yes.

DH Okay. And you're here voluntary, nobody's twisting your arm? Your chief didn't order you here. Correct?

JS Correct.

DH Okay. Um, can you tell me about how long you've been a police officer?

JS I have been a police officer since December 2nd of 1996.

DH Has all that experience been with St. Anthony?

JS Yes.

DH Okay. Uh, during that time, what positions have you been assigned to at the police department?

JS Um, mostly a patrol officer.

DH Okay.

JS Um, answering calls in, in normal um, street activity. Um, I also am one of our department's use of force instructors. Have been for approximately 14 or 15 years if I remember correctly. Um, I've also partaken in some investigations um, duties along the way also at certain times.

DH Okay.

JS And I've been a field training officer for new hires, new officers on our department for approximately 8 or 9 years I believe.

DH Okay. How many field training officers are there?

JS 5 or 6.

DH Okay. Who runs that program?

JS Uh, Sergeant Bignell. Dan Dignell.

DH Okay. And he keeps all the records and everything for the trainings?

JS For the training yes.

DH Okay. Were you one of the field training officers for uh, for Officer Yanez?

JS Yes.

DH Okay. Um, s-, just because, 'cuz I'm aware of how a general FTO program works were you the primary?

JS I, I was. Yes.

DH Okay so you were his primary field training officer?

JS Correct.

DH Are you, did he work through all of the field training officers or is it one or two that he was assigned to?

JS The way...

DH That you're aware.

JS ...the way it normally works and I believe it was, it was a normal field training process, you're assigned to your primary FTO and then for Phase 1, and then you have a different one for Phase II, a different one for Phase III, and then 4 you're back to your primary FTO.

DH Okay. And as far as you're aware nothing...

JS And that was the process for Yanez.

DH Okay. What is your role in the use of force training program?

JS Um, my, my role in the use of force training program has been to offer our annual use of force training.

DH Okay.

JS Which typically is an 8 hour day for our officers. Um, we for the past several years have been conducting it in the springtime, and we basically split the department in half just due to the schedule and what-not. Have one day with half of the department, another day for the other half of the department (inaudible). Up until this year, 2016, I have co-taught the class with our now chief Mangseth. Um, who has been the leader in the program I guess, if you had to give anybody that, that role, um, since it, the beginning of when I entered in.

DH Okay.

JS Um, because of new responsibilities and what-not for then Sergeant Mangseth um, we pursued another person to get involved with use of force, use of force training and Officer Joe Kauser became aware of the position and had a desire to be in that position um so this, so he actually took a couple classes regarding use of force training and he participated in our use of force of training this past spring. So 2016 it was Joe and I taught our use of force training.

DH Okay. How many use of force instructors are there for St. Anthony?

JS Well if, minus (inaudible)...

DH As it sits right now, without Mangseth.

JS Minus? Without Mangseth, Joe Kauser and I.

DH Okay so what's Officer South's role?

JS Officer South has now taken some um, classes regarding de-escalation um, and I'm tryin' to think of what else he's certified in. He's a negotiator I believe.

DH Okay.

JS So. He actually participated in our use of force training this year, um, providing some de-escalation training for us in our class this year.

DH Okay so his role would be limited to the de-escalation?

JS Correct.

DH And...

JS And it, it was very, I, I don't wanna say minimal but it was a short period of time during our training, um, this year with the hope that possibly next year he would probably have his own day of training regarding de-escalation techniques and role, role usage and what-not.

DH Okay.

JS So.

DH Okay but this year was just two hours?

JS Yes.

DH I mean if the records reflect...

JS Yes.

DH ...it was two hours...

JS Yes.

DH ...that would've been, that'd been accurate?

JS Correct.

DH And that was provided in that one day as part of that 8 hour block?

JS Correct.

DH Okay. Um, if there's any changes, so I went, we've went through you're uh, from, from 2011 up 'til current...

JS Um-hm.

DH ...there's change in the uh, power point and...

JS Um-hm.

DH ...in outline.

JS Um-hm.

DH Who changes those if, if you determine that changes need to be made and then who authorizes the changes?

JS Um, I make the changes, um, I do kinda the record-keeping um, and have and some years it's been better record-keeping than others but, but nonetheless I make the changes. Who okays the changes woulda been Sergeant Mangseth at the time. Um, prior to the it woulda been Chief Ohi, I guess.

DH Okay.

JS He participated in some of that.

DH Okay.

JS Yes.

DH So before it goes to the officers it's a-, approved by somebody above you?

JS Yes.

DH Okay so. Okay. Um, who determines what outside training other than this use of force is authorized to, by your department.

JS Who did, uh Lt. Jeff Scholl is in charge of our training I guess.

DH Okay.

JS The record-keepings and, and what-not for that.

DH Okay, so...

JS He, he determines you know, if I ask to go to a class for something.

DH Correct.

JS Ultimately he knows where to find the money and decides whether or not I can go to that class. Not, not just me specifically but everybody.

DH And how to you spell his last name?

JS S-C-H-O-L-L.

DH Okay. Um, can you describe for me your interactions um, as it relates to Officer Yanez' use of force training?

JS Um, I guess, can you be more specific I guess?

DH Um.

JS (laughs) just in general terms of use of force or...

DH In general terms um, does he appear to pay attention during class?

JS Certainly. Yes.

DH Um, does he appear engaged in what you're teaching?

JS Yes.

DH Um, you as his FTO would've watched him apply what he was taught.

JS Um-hm.

DH Have you seen him act outside of policy or outside of what he's been taught?

JS Not one time that I can think of.

DH Okay. Um, has there ever been anybody on the department that's been chastised for like not paying attention during use of force or anything like that. I don't need a name...

JS No.

DH ...but generally.

JS No, not really.

DH You're officers are...

JS Not for not paying attention, no.

DH Officers are, are engaged?

JS Officers are engaged yes.

DH Okay. Um, during use of force training do you teach anything about how a traffic stop should be conducted?

JS Specifically regarding stopping cars?

DH Yes.

JS Um, there's normally discussion about traffic stops. I guess just because traffic stops can be s-, can vary so much...

DH Right.

JS ...I guess you don't specifically you know, a lo-, a lotta times during our training when we're covering whatever topic, um, things will come up at a tangent to whatever topic it is, and we'll kind of elaborate from there.

DH Okay, so tangents brought up by officers, or tangents brought up by instructors or both?

JS both?

DH Okay. Um, so it's more or less an open dialogue training, it isn't...

JS Absolutely.

DH Okay.

JS Absolutely.

DH Um, can you tell me as the u-, the use of force instructor and FP-, and FTO, what a, a new officer at St. Anthony would be taught about traffic stops or, how to conduct 'em.

JS Certainly. Can I tell you how?

DH Absolutely. Yeah.

JS Um, like I said, traffic stops can vary so much..

DH Um-hm.

JS ...but just a, I mean, you mean the fundamentals or what do you mean, I guess?

DH Yeah, yeah I would say the fundamentals. And fundamentally how do you conduct a traffic stop and then I would say even going a step further, how would, how has, you taught Officer Yanez how to conduct a, a felony stop. Or, or anything in between.

JS Okay. Um...

DH So we can start with a basic if you want and then we'll just, 'cuz it'll probably be easier to keep you on point.

JS (laugh) Well I gue-, I mean it's, it's, it's really kinda hard to, to lay out the exact, you know how, how we train traffic stops but um, I mean there's so much leading up to that. I mean of course when, when I have somebody in field training, at the beginning they're not, they're not able to make a traffic stop.

DH Right.

JS Um, you know so...

DH Well explain that.

JS Well, I mean I can even go before that and, and I've been involved in our interview and our hiring process and, and uh, with our officers and we're looking for, for officers that can communicate well. Um, are gonna present well to the public, and, and be able to handle themselves. I mean just in that initial interview process. And that's what we're looking for. Um, you know it all kinda translates into how this person's gonna hopefully deal with people and the public and handle themselves. In field training process I guess, and just the training in general, safety is our biggest concern.

DH Okay.

JS Um, we, and then communication is huge. I mean that, through our, our given day of, of the use of, use of force training or even in the field training process we talk about communication being big. You know, we're looking for that. We, we take pride in our officers being able to communicate with people. Um, and from a use of force standpoint, you know, I, I want this guy to talk to the people, tell 'em what you want 'em to do. Um, create witnesses and just keep that officer breathing in a possible tense situation. Um, you know, that, that's kinda where, my, my base.

DH Okay.

JS You know taking into account um, you know different statutes and case law and what-not, but uh, from a, I'm getting off on a tangent here, but from traffic stop point of view, um...

CO What, what are...

JS ...like I said safety is (inaudible).

CO ...What are the critical components of a traffic stop as you're training uh, officers in terms of positioning of the squad...

JS Okay.

CO ...related to the vehicle stop, positioning of the officer, all sort of safety things that are um, you would probably consider as a (inaudible).

JS (inaudible) the actual traffic stop itself?

CO ...to be vitally important? Yeah.

JS Okay. Um, I, I guess our location, you know if we can, we, we don't always have that decision because people tend to stop where they want sometimes but location.

CO So that's somethin' you teach.

JS Certainly.

CO Okay.

JS Certainly. You know, uh, we, we try to dictate that as much as we can. 'Cuz we can you know we have knowledge of the area and what-not so we dictate, we try and dictate um where a stop happens. Um, usually you know, in a, in a traffic stop we're tryin' to, you know like I said safety's important. We're tryin' to shut down a lane if needed. So we have a good avenue to, to approach that vehicle. Um, which of course we typically if a violator will stop on the right side of the road, we'll position our squad a reasonable distance behind that. Kinda depends on the circumstances but usually 30 feet behind the car. Somethin' like that.

DH So one to two car lengths?

JS Yeah.

DH Okay.

JS And off-set a little bit so in other words, kinda taking up a lane, um, and making our approach. Um.

DH You quickly talked about location, what kinda things would you um, tell a new officer as far as attempting to choose a location if it's up to you know him or her?

JS Well like I said earlier, safety is a big concern so if we're, we're on a road that happens to be windy you know we wanna try and avoid you know a position where cars are gonna be all of a sudden on you and not realize it 'til the last second. We're on a straight roadway um, you know, hopefully we can do it in, in a spot that doesn't have a lotta traffic but that's not always the case. Um,...

DH If it's at night.

JS Maybe well lit, if it's at night, um, we try and avoid parking lots and things like that just because there's a little bit more unknown there. We'd rather be kind of out in the, in the eye of street lights, and the public and...

DH Okay.

JS ...what-not, in, in conducting those. Um, does that answer your question? (laughs)

CO Yeah. It helped provide some clarification, thank you.

JS Okay. Okay.

DH So is, is there anything that you teach the officers specifically like when you uh, you do a felony stop versus something less than that?

JS The difference between a, like a high risk stop and a basic stop?

DH Yeah like okay, say I was, I was driving down the street. You were gonna stop me. I came back with a felony check forgery warrant.

JS Um-hm.

DH Would that be a felony stop?

JS Check forgery?

DH Yeah.

JS It depends on the circumstances but possibly.

DH So either is, okay.

JS Possibly. I would say.

DH Okay. (inaudible) if it's a warrant for check forgery....

JS Versus...

DH ...but I've got a long list of assaultive history.

JS Correct.

DH Then you might (inaudible).

JS Or maybe I know this guy and I know he has weapons.

DH Okay.

JS I know he's assaultive toward police.

DH Okay.

JS I mean it's the, the totality of circumstances.

DH Okay, and that's what the officers are taught.

JS Correct.

DH You take into everything at the time and...

JS Absolutely.

DH ...determine what is the best course.

JS Absolutely.

DH Okay. Um, have you ever attended any training specifically um, as it relates to the Bullet Proof Mind?

JS Um...

DH By Lt. Grossman?

JS Yes, I believe so.

DH Can you tell me what you recall about that training?

JS Um, what I r-, if I'm pretty sure it's what I'm thinking of, um, he is very um, into the Tennessee versus Garner, or I'm sorry, not Tennessee, Graham versus Connor case law.

DH Okay.

JS Um, he really hits hard at the totality of the circumstances um, that encompass the officer at the time of a, um, a critical incident. Um, and then just you know relying on what state laws are and things like that in regards to our use of force decision-making process.

DH Okay. So, so now you brought it up, can you tell me, lemme see here, it's on page, page 1 of you're uh, it'd be your power point that you use to teach the officers.

JS Okay.

DH You take a look at that and just tell me if that appears to be your power point, or, or the power point that you guys use at St. Anthony.

JS (inaudible) okay.

DH Yup.

JS Yeah.

DH Does, does this appear to be your power point?

JS Yeah I mean I, I make the power point.

DH Okay. Now you brought up the uh, the Graham versus Connor court decision. Can you tell me specifically what you teach um, you know my experience with, with, with power point is, is this is a uh, an outline for you to teach from.

JS Right.

DH With some teaching points.

JS Yup.

DH Can you tell us specifically what you, you teach the officers on Graham versus Connor.

JS We talk about as, as I mentioned earlier was Graham versus Connor um, we talk about totality of the circumstances is, is a big thing. And, and, what, what is that to an officer.

DH Right.

JS Um, and we, we actually, we teach um, the use of the ASP baton, and uh, um, in the ASP, ASP training they offer um, some ways of creating that totality of the circumstances which include officer/subject factors is what we term them in special circumstances. Officer/subject factors um, are factors that are related to the officer, whatever the totality of the circumstances is bringing. How many officers are there.

DH Okay.

JS How many people are we dealing with. What, what uh, um, you know how many suspects? How many by-standers. Um, how many you know cars are we dealing with. How many um, what type of skills do I have in a situation. Um, what type do they have? Have I you know, when I encounter a use of force situation did I just, you know, run a mile chasing this person and now I need to make a decision? You know that factors in to our you know.

DH What kind of shape...

JS Decision-making process.

DH ...the officer's in?

JS well right. But, but just our decision making process you know.

DH Okay.

JS Um, you know what, and, and special circumstances can be um, proximity to a weapon or environment um, special knowledge. We get called ta, to incidents where you know possibly the dispatch gives a, some information and we get to a scene it's completely the opposite or it's, it just doesn't, it, it, it's the call but it just got lost in translation when (inaudible)...

DH Right.

JS ...the 9-1-1 call was uh processed. Um.

DH I think what you're tryin' to say is when you go to these, things aren't always what they appear to be.

JS Correct. Correct. Yup.

DH Okay.

JS So um, we let's see, so as far, just getting back to Graham versus Connor specifically (inaudible) um, that case law we're taking into account you know what type of, uh, what level of crime are we dealing with. You know. Um, and that, and that's where you know sometimes things change quickly. Um, Graham versus Connor um, the severity of the crime at hand, you know. Am I dealing with somebody that just stole a pack of gum, or am I dealing with somebody that just robbed a bank.

DH Okay.

JS At gunpoint. You know, I mean that, that factors into our use of force decision making process. Um, is the person resisting? Are they actively resisting. Are they fleeing? Um, and that sorta thing um. Is that?

DH Anything else?

CO No I'm covered on Graham. I got some follow-up questions but I'll wait 'til the end.

DH Okay. Um, is, is this Bullet Proof Mind training, is it mandatory at your department or it is a...

JS The Bullet Proof Mind? No. Um, I think that was just something that I requested to go to. I, I'm, I'm tryin' to remember that was. It musta been 6 or 7 or 8 years (inaudible).

DH Okay. On page 6, the uh slide in the middle here, says prepared for deadly force, assault.

JS Um-hm.

DH Can you tell me what you're trying to teach the students?

JS Okay. Um, we, over the years, as I said I co-, co-taught with Sergeant now Chief Mangseth. We, we talk about pre-practice plan a lot 'cuz you know in law enforcement we recognize that um, any given situation can change so much, can be perceived differently from officer to officer. But nonetheless, um, you know I always relate back to I was, I was did a lotta sports as a kid and uh, you know, the night before a big event or what have you, I was um, formulated in my head how I wanted things to go. So relating that to the pre-practice plan in law enforcement I guess, it's just a way um, that, when I have a field training officer, when I'm training somebody, I tell 'em hey, look. Listen to radio calls. You know, we're, we're not that busy of an agency, okay? So listen to the radio calls. Think about how you would respond to that call. You know do I need additional assistance, do I need another, do I need to go code 3, um, you know what, what is my thought process. Have a pre-practice plan you know, pay attention to these things that are going around so you can use 'em as kinda practice to yourself. So you can prepare. So when you get called to that call, you can already have these decisions made for yourself. And uh, so we talk about pre-practice plan a lot. Um, and as I mentioned, the self-visualization. You know we talk, one of us haven't assaulted.

DH Right.

JS You know I mean in, in our jobs. And some of us have, some of us haven't but uh, imagine what it's like to be in, to be assaulted by somebody. Imagine what it's like to be shot by somebody. You know. To, to not have use of your leg 'cuz you got shot in your leg. Imagine yourself in that position. And think about you know, how, how would you react and try and develop that winning attitude. Get them to think that hey, we gotta get outta this. We gotta survive. We need ta, it's a deadly force situation. We need to use deadly force or you know whatever. Um, and specifically in deadly force think about hey, if I'm involved in a deadly force situation, (inaudible) think it, think it through. Um, we, 'cuz we ultimately don't know.

If we're confronted with a deadly force situation, we don't know if we, we're gonna be able to pull the trigger. You know. (inaudible) we're just simply, we train and train and train regarding firearms and what not but until we're put in that position we don't know if we're gonna be able to pull the trigger. So, so imagine. Uh, so that, that's kinda what we talk about.

DH Okay.

JS So.

DH We go to, it's a little farther back, tryin' to...

JS Okay.

DH ...the de-escalation.

JS All right.

DH And the PERF slides.

JS Um-hm.

DH Actually go all the way...

JS And the, in the PERF thing was, that, of course that was an addition this year. Um, and we prior to the class um, Sergeant Mangseth well actually Chief Ohl at the time, talks about the PERF um, review and (inaudible) the kinda guidelines that they were putting forth and uh, talked about how a lot of it, we were talking about how, a lot of what they're suggesting we already do.

DH Um-hm.

JS So hey, great. Um, and we were actually this year we were in the process of trying to figure out how that info made in to department policy. Hey we alr-, we already do these things. Let's somehow put some of the things that they bring up into our department policy and that's kinda what I did this year.

DH Okay.

JS Um, but nonetheless we wanted to go to something specific on this.

DH Yeah. On page 4.

JS All right.

DH On the, the de-escalation.

JS Yup.

DH Can you talk to us about that up, in the upper left hand corner?

JS Okay.

DH It's actually...

JS Well.

DH ...the two top slides.

JS Yup. And my, my big reason in, in um, in, in the slides regarding de-escalation...

DH (inaudible) page 3 before is where it starts (inaudible).

JS Okay. Yup. Um my big thing with de-escalation is in, in the past, usually we've always talked about de-escalation of course, you know, per state statute. Once we've got control of somebody we need to de-escalate our force, and bring that to a minimum. Um.

DH Now is it something new for this year that you taught de-escalation or is that...

JS No.

DH ...something that's been taught the whole time.

JS Well, well and that's the thing is de-escalation to us was always your de-escalation of force.

DH Okay.

JS So now I've, I've hit somebody with my ASP. And now they, hey, you know I'm, I'm compliant at that, at this point. You know they're, the person's compliant. They go into handcuffs and what not so I've de-escalated my for-, they're saying you know I'm, I'm o-, I'm not gonna fight anymore. You know here are my hands, they're, we get the control of them so we need to de-escalate our force. That's what we've traditionally taught. Okay. So now I...

DH So it's been the same, somewhat the same thing but using different terms.

JS Correct. So, so what I wanted to clarify was with PERF because their, their definition of de-escalation is different than what we've used in the past.

DH Okay.

JS That word de-, de-escalating force you know so...

DH Right.

JS ...if we, if we have um, our force options, you know maybe we're going down from you know like I said the ASP to handcuffing or we've minimized that force, so we're acting as a reasonable officer. Now with PERF it's changed. De-escalation is more of a defusing of a situation so, if, if that's practical.

DH Okay.

JS You know. So we're dealing with a subject out in the field and they um, are you know, saying that they're gonna assault me or what, I guess I can imagine many things that might happen, but we're gonna try and defuse that situation. We're gonna try and buy time so we get other officers to come and help. (inaudible) so hopefully we won't have to use you know whatever level of force and we can um, minimize our use of force and (inaudible) nothing else. So I, I wanted to just differentiate what we've always taught de-escalation was and then it was different then PERF's so that's what I, kinda what I was doing there. (inaudible)

DH Okay. So PERF wants you, it's more of a de-fusing situation.

JS Right.

DH Bringing, you use the example bringing more officers in so you would have to use less force...

JS Yup.

DH ...to gain compliance.

JS Yup.

DH Okay. Um, go to the next page, it talks about delaying...

JS Yup.

DH ...use of force.

JS Okay.

DH Can you explain that?

JS Well and that was part of the de-escalation that PERF was, was providing is to, you know when practical, we're gonna try and, and, and delay it ta appropriate those resources (inaudible) so you know, if, if I can just um, talk to this person, communicate him, commu-

communicate to them and hopefully delay my need to use force against them to get control of them, until I've got other resources there to hopefully minimize the use of force that I, I may need to use.

DH Okay.

JS That's what delaying, buying time, we talk about buying time I guess in training (inaudible) make sense?

DH Right. It does. In most cases though who dictates the amount of force an officer would use?

JS The subject dictates the amount of, of force that we use.

DH Okay.

JS Or the type of force that we use.

DH Okay.

JS Yes.

DH And that's, and that's based on the circumstances at the time.

JS Totality of the circumstances yes.

DH Okay. Also with the de-escalation you said, you said getting more officers there? You also referenced separation? In your, in your slides?

JS Okay.

DH Can you tell me what you mean by that?

JS Um, can I, see if I can reference a slide.

DH Yup.

JS And what context that is. I'm tryin' to remember where I got it from.

?? I'll be right (inaudible).

DH So you can use (inaudible)...

JS Yeah when...

DH ...to increase physical...

JS I think uh, I think what I was in that, in that example I would just in dealing with somebody you know, we talk about reactionary gap and what not. We were dealing with somebody that's potentially assaultive toward us or what have you. Um, we want a certain distance. The situation does dictate but in a lotta times we can't, you know if we're in close quarters or you know or maybe on a traffic stop we just can't um, we have to be within proximity to be able to communicate with the person. You know to see things, and and what-not so.

DH What type of things?

JS What do ya mean?

DH You said you need to see things.

JS Um, we need to see non-verbal behavior for example.

DH Okay.

JS We need to see weapons. We need to see um, whether or not a person's reachin' for somethin'. Hiding something.

DH Okay.

JS Those sorts of things.

DH So you're, and officer's observations of a motorist.

JS Yeah.

DH Does that start when they're at the window of a car?

JS Absolutely. When we're, we've approached and we're at the window?

DH You're already at the window.

JS Our observa-, no our observations have began before that.

DH Okay. When do they start?

JS Um...

DH Say you're gonna stop me. I'm dirvin' down the road. What're you looking for me before ya even turn the lights and sirens on?

JS Looking for number of occupants in the car. Um, maybe the location. Um, and day, environment. You know is it raining out? Is this somebody I've dealt with before? Um, are the vehicles windows tinted you know where I can't see the occupants? Um, does that answer your question?

DH Yeah it does.

JS Okay.

DH There's also one of the, one of the PERF slides. It's actually number 1, can you explain to me the sanctity of life slide and what you're trying to teach the uh, the officers?

JS A-, as I mentioned earlier, we had looked at the PERF um, standards, the principles that they had offered and we were tryin' to figure out how to put 'em in our, our policy, 'cuz like I said earlier, we felt a lot of the uh, the principles that PERF offered um, we, we are already doing.

DH Okay.

JS So taking the sanctity of life into account in any situation we felt that, that's, that's what we're doing anyway. So we wanted to implement (inaudible) department policy. Um, and we haven't put it into department policy as of yet. We have been working on this. This is, basically what I did was, and Sergeant Mangseth at the time, we wanted to discuss the PERF principles with our officers.

DH Okay.

JS Um, and decide you know kinda how what things we're doing that already that kinda relate to the, the PERF principles and we were gonna just tell 'em hey look, we're looking at putting some of this stuff into department policy.

DH Um-hm.

JS What do you think? You know if, if we put this in there.

DH And that was done...

JS So we talked about.

DH ... during your training this year?

JS Yes. Yes.

DH Can you tell me about that? About how that conversation went?

JS Our officers were receptive to that. I think they recognized that a lot of what the, the principles are, are kind of asking of agency we were, we're already doing.

DH 'Kay.

JS So, the officers were perceptive to it and I think they agreed with it. With that specific one.

DH Oh... Number nine.

CO Which slide is it?

DH It's the uh, firearms as a last resort.

JS Uh yeah (inaudible). Was that, the beginning.

(background noise)

JS Able to find it?

(background noise)

JS I think, I mean are you, you're referring to something from department policy?

DH No, uh.

JS Is that was you were... talking about or.

DH No, there was a slide. Okay. That's alright. We can come back to it. Can you talk to us about what you teach the officers on threat recognition?

JS Yes. We, let me see here we got, do you mind if I reference...

DH No, go ahead. Yep.

JS I think there is... a slide in here somewhere.

(inaudible voice in background)

JS Threat recognition. Okay. A-and it, we talk to our, our officers about you know is an assault imminent. You know and, and what, what are cues that, that, that signify that. You know so when we're dealing with a suspect and we're dealing with whoever um, are they giving us possibly non-verbal communication that says that they're gonna be assaultive toward me, toward another officer, toward another person. And I, specifically to that slide these are just some things that they might um, see in a person that would make them think that.

DH Okay.

JS And so we talk about these, these items um, with the officers.

DH So when you go over the threat recognition do you, but you said this is interactive training.

JS Um-hm.

DH Do you talk about times when you've, you've, you dealt with a threat or, or do you have the officers talk about uh, specific instances where, where they've dealt with a threat during the year to kinda drive this home?

JS Yeah, I mean uh a lot (inaudible) we'll go through this and sometimes people will say well you know maybe this is something that I saw in this situation this year and kinda go off on maybe a little bit of tangent there and talk about that, but yeah. Specific to incidents yes.

DH Okay.

JS Um.

DH Okay. Um, now specifically I wanna talk to you about, so officer, this Officer Yanez has had ah, some significant trainings during his, his time there.

JS Okay.

DH Um. Is, is this, is this training that all your officers go to or is this all individual? Like specifically in 2012 he went, uh, to officer survival and he had twenty hours of it.

JS It's not, it, it's, I would guess that there probably other officers that went to it. It's not, I wouldn't say it's mandatory. It's kind of you know did I, maybe I get an email and I see that there's this officer survival training and it, it looks like something that interests me, I would then talk to Lieutenant Scholl and say hey is it possible that I can go to this class.

DH Okay. Are you aware of the officers ever going to trainings outside, outside what's approved for the department?

JS Um.

DH Or anybody paying for their own training?

JS Uh...

DH If you're not, it's okay.

JS It, I mean, related to relating to um, use of force, I mean I know Officer Kauser's into Jujitsu.

DH 'Kay.

JS You know. And I think he's had some training in lateral vascular neck restraints.

DH Okay.

JS And I mean but you know other than that, no I can't really think of any.

DH Okay.

JS Other than classes that pop up like this that people go to.

DH Okay and street survival...

JS Um-hm.

DH ...Bulletproof Mind, those are all trainings where, where the officer would of of uh put in a request...

JS Correct.

DH ...to the lieutenant.

JS Yeah.

DH Lieutenant then evaluates the request?

JS Evaluates it um, maybe the timing, he's gotta check the schedule, the budget...

DH Yeah.

JS ...you know, maybe maybe he thinks oh maybe it's better send two people to that.

DH Okay.

JS And then he asks is anybody else interested, and maybe it's cheaper to send more than one person some times.

DH Okay. Um, and then in 2016 there's two hours of de-escalation.

JS Um-hm.

DH That was the training that was offered by Officer South?

JS Correct.

DH Did Officer?

JS Yeah, Officer South.

DH Okay. Um, okay. Have, have you viewed the video of uh, Officer Yanez's traffic stop of Philando Castile?

JS No.

DH Um, have you spoken with Officer Yanez?

JS Certainly. Yes.

DH Okay. Have you discussed this incident with him?

JS No.

DH Um... (inaudible) wanna go back to uh, uh, training question.

JS Okay.

DH Do you or are you aware the other instructors or FTO's have they taught any of your officers or trainees um, about what to do when stopping a driver that is armed or notifies the officer they have permit to carry?

JS In my wha...

DH So.

JS (inaudible) are you asking me are other officers training that?

DH No, no, no.

JS Is what you're saying, what he...

DH Are the FTO's...

JS Okay.

DH ...or any of the use of force instructors training the officers either whether they are as a trainee or how to deal with a, a person that has a permit to carry and says hey...

JS I mean I...

DH ...I'm armed.

JS ...can speak for myself from a field training perspective.

DH Okay.

JS I've...

DH Please do.

JS ... I've talked about, I mean I certainly talk about that with, with my guys that I've had.

DH Okay.

JS Um... all specific to permit to carry we also um, e-e-each year we try and bring up you know one prevailing topic.

DH Okay.

JS This year was the PERF Principles.

DH Okay.

JS And we talked about um, in 2015 I believe or 2014 I guess I'd have to check the, the records, he brought up the topic of permit to carry.

DH Okay.

JS He just, in in the initial discussion was because it went off on a tangent from there, um, was if we deal with a person, 'cuz I wanted everybody to kinda be in on what our line of thinking should be.

DH Okay.

JS So if we deal with somebody that is openly carrying a, a firearm.

DH Okay.

JS Walking down the sidewalk um, potentially they are a person that is just trying to provoke the police into, encountering them.

DH 'Kay.

JS I wanted to be clear um, with our officers regarding that specifically so I brought it up and at the time Chief Ohi said, what my question was and I want our guys to know this if I deal with that guy. That's openly carrying, can I identify that person. You know.

DH Okay.

JS Hey, check, check if he's got a per, permit.

DH 'Kay.

JS Can I do that? And you know if it's just the the random guy that's ju, walking down the sidewalk, it's an abnormal situation.

DH And what was taught in, in the first case?

JS What do you mean?

DH What, what uh was the conclusion of that?

JS What...

DH Did you guys come to the point...

JS ...what we came to conclusion that if it's just that....

DH Yep.

JS ...one guy walking down the street um, which is completely abnormal for the area um, maybe you don't know the person...

DH Um-hm.

JS ...and can I stop that guy, check for his permit and what not.

DH Yep.

JS And the answer was yes.

DH Okay.

JS You can.

DH So did you go farther and do any type of discussion on okay, you do a traffic stop and the motorist says I've got, I've got a gun...

JS Yep.

DH ...or I've got a permit to carry.

JS And that's come up over the years too and just in kinda the prevailing thought on it is no, no specific situation is gonna be the same as any other.

DH Okay.

JS So it's really, it's hard to say well, this is, this is one, two, three, four, five, and six what I would do if somebody has a permit to carry and they say they, they have a gun.

DH Okay.

JS You know it depends on the totality of circumstances um, where is the gun. Is this, does this, is this a person I know. You know Graham versus Conner, what's the severity of crime, the severity of the crime at hand.

DH Yep.

JS You know am I dealing with an armed robbery suspect or a ya know somebody that just robbed a bank or robbed a subway or what have you um, where is the gun, is it on the, you know maybe they're telling and maybe they're not. It's maybe it's in the glove box. Is it loaded, you know there are a lot of different circumstances that I could probably point out that would just differ, you know um, in specifically dealing with that. So...

DH Have you ever stopped anybody that's said they've had a permit to carry?

JS Yes.

DH Can you tell me about that and how you handled it?

JS Um, I, how I've handled it? Um... the fairly recently just made a traffic stop for speeding and the gentleman had a permit to carry.

DH Okay.

JS He told me.

DH 'Kay.

JS He told me he had and I just said just keep your hands on the steering wheel and you know. I'm gonna go about my business and I'm na and and come back and and uh, yeah.

DH Did he listen to you during...

JS Yep.

DH ... that encounter?

JS Yep.

DH He followed your direction?

JS Yep.

DH And you wrote him a citation.

JS Ticket or wha, I can't remember if it was a ticket or verbal warning or...

DH Okay.

JS ...what have you. Yeah.

DH Okay.

JS And no, no problem.

DH Okay.

JS You know.

DH Um... Any questions Chris?

CO Couple follow-up questions. Um, have ta do with the traffic stops going back to the beginning...

JS Okay.

CO ... of this conversation. So, we talked a little bit about the safe positioning of a squad car um, for both the person being stopped and officer uh, how about or do you train specifically on how to approach a vehicle, where to stand in relation to the vehicle as you're talking to the occupant. Um, if there are more than one officer present what are the protocols that are taught. Can you talk a little bit about that?

JS Yeah.

CO Okay.

JS And, and I mean sometimes it does depend on the environment but an average traffic stop um, where a person pulls off to the right side of the road, there's not a lot of traffic, the the officer approach would be to the driver's side of vehicle. Okay. So you've created somewhat of an avenue because you're offset a little bit with that vehicle. Approach the vehicle always maintaining visual contact with it um, and uh.

CO And specifically do you uh, teach your officers about where to stand and for example relation to the V-Pillar or um, you know where on that vehicle is the best ideal place to...

JS Right.

CO ...stand.

JS And we're communicating with people um, I guess uh eh, I hate to use average but typically where we're gonna stand you know just behind the, the opening of the window, the driver's window. Um, but of course it might depend on occupants too. (inaudible) occupants you might adjust that maybe stand back further um, or maybe because of the, the way the vehicle is situated, window tint, and what not maybe that position doesn't offer the good visibility. Maybe it's somebody that you, you know and is known to carry weapons and maybe I wanna get a better look in that car, make sure I can keep an eye on the person's hands or passenger's hand or what have you and that might change. So I mean, but typically yes, behind the V-pillar, just beyond, behind the uh, the driver's window.

CO Okay. Uh, are you uh we talked about training uh, outside the scope of what was approved by uh Lieutenant Scholl, do you know of any training that uh, Officer Yanez has had uh that would be on the scope of what's been documented? Uh, any kinda specific training that he may have attended or possess?

JS I don't know of any.

CO Okay. When uh, is there any discussions in the part of your use of force training at traffic stops about when felony stops are justified or is that on a case by case basis or there's certain thresholds where you will uh, make a felony stop, are there any kind of thresholds or lines like that?

JS I mean I hate to keep bringing up the totality of the circumstance but it does depend. I mean it, as um, Investigator Henning offered earlier um, if we're stopping somebody with a felony for check forgery, you might handle that differently than somebody that's got a felony warrant for armed robbery. You know we're, we're likely gonna take that person out on a felony stop. Um, where as the check forger maybe not.

CO Okay.

JS So, it it really depends on the circumstances.

CO Where did you um, so you're a use of force instructor, right?

JS Um-hm.

CO Okay. Um, you get any specific training for that?

JS Um, yeah over the years I have um, I've become a Taser instructor an ASP instructor. Um, I've taken a couple just use of force instructor classes um, in the past and um, where um, I think specifically to a use of force instruction I think the last one was, was ANS training if I remember right. It was quite a few years ago that uh...

CO We uh, at some point, is there anything that we haven't asked you at this juncture that uh, you think is important for us to know as investigators relative to this event.

JS I guess I can't think of any questions that I have at this point.

CO So what, I think we would like to do.

DH Just take a quick break.

CO Talk a quick caucus, we'll turn the tape recorder off, we'll state the time and then uh, we may or may not return with uh some additional questions if that's okay?

JS Okay.

?F You did start down the, the road about firearms as a last resort? Are you going ta?

?? (inaudible) that, that's...

?? Yeah we, we'll...

?F Gonna (inaudible) aft-, afterwards?

CO Yup.

(inaudible, everyone talking)

DH Okay. I'm gonna turn off the recorder. Time right now is 10:55.

DH Okay the recorder's back on. The time right now is 11:12 AM. Um, so a, a, a couple things specifically at, I wanna go back over the um, what is specifically taught or what do you teach your trainees or, or the other officers how to handle some guy that says 'hey I've got a gun' or 'I've got a permit to carry'?

JS Okay.

DH What specifically do you tell them?

JS What's, I mean I don't know if there's anything specifically that we tell them. It's more of discussion I guess. But um, I, an example of when we brought up the uh, permit to carry in our, in our training last year, um, pulled out the statute.

DH Right.

JS You know, these are, this is what he, this, permit to carry, this person that has a permit to carry needs to do.

DH Okay.

JS They need ta show identification. They need to show that permit to carry. You know, it's a, it's an offense if they, they don't.

DH Okay.

JS You know, it's minimal as it can be. They need to have it with them. Once they prove that they have a permit to carry, um, they can get the occupants um, relinquished or what have you but uh.

?? Officer talk about the, the law regarding it I guess.

CO So that the legal aspect is what you guys articulate in training?

JS Um-hm.

CO Okay.

JS Yeah, I mean I specifically brought that statute up on the pow-, or on our power point.

CO So (inaudible).

JS Not power point but on the, the uh smart board.

CO How about officer safety? Uh, so kinda parallel to that what are the officers being told with respect to the best practices, uh, if that's happening.

JS And I g-, the....

CO Maybe your traffic stop would be a good example if you could just walk us through that. 'Cuz the guy had his hands on the wheel right?

JS Um-hm.

CO I mean, you keep an eye on the hands, but at some point you have the challenge of getting a driver's license. You have the challenges associated with the traffic stop, and the continuation of the traffic stop.

JS Um-hm.

CO What, what is being taught with respect to those issues?

JS Um, I guess from a field training officer myself, it, I mean, I ha-, hate to keep going back on the totality of the circumstances but it depends on you know do I know this person. Do they have, for some reason do they a propensity to have a weapon. Do I, are there other occupants in the vehicle. Um, have they told me that they have a permit to carry. You know sometimes people when they identify themselves, they'll give you their driver's license and permit to carry and don't really say anything. You know, so once that, that happens, are you carrying? You know. Ask questions about it and you suspect that somebody's carrying a gun, um, whether they've told you or whether, whether you think that maybe they are, ask questions, you know communicate with them. Get them to do what they want. Get them to hopefully cooperate with you. Hands on the steering wheel. Maybe put your hands out, outside of the vehicle. Depends on the circumstances. Um.

DH So specifically, your traffic stop that you just had recently that you talked to us about.

JS Um-hm.

DH Tell us, you walked up.

JS Um-hm.

DH And this person had their hands on the wheel.

JS Um-hm.

DH Is that correct?

JS Um-hm.

DH Um, what happened from that point forward? What did you do to obtain the driver's license? What did you do to get through the traffic stop. Can you t-, walk us through the whole thing?

JS And I don't remember where that guy had his gun. He told me, I can't remember where. Um, and, and I guess I don't recall where he got his driver's license from. But I think I told him to keep your hands on the steering wheel initially as I said but uh, um, guess I don't recall specifically but I think I wanted to know where he's getting his driver's license from.

DH Okay.

JS Related to where that, that weapon might be.

DH Okay, and then I'm guessing...

JS Then...

DH ...he told you.

JS ...and then he told me, yup. Okay. And then, I told 'em, well if you're reaching, whatever, I can't remember where it was. Where his driver's license was. \

DH Okay.

JS If it was in his back pocket or front pocket or what have you but I told him that uh, um, okay that's, that's where I'm okay with you reaching there but you know, that's the only place I want you to be reaching, and then...

DH So once he told you he had a gun, did that make you more cautious or less cautious.

JS More cautious.

DH (inaudible) okay.

JS Yeah.

DH Um, did you do anything at that point that you recall?

JS What do you mean I guess?

DH Did you reach down and index your firearm, did you pull it out and check it?

JS I guess when I approach a car, I'm kind of um, in, in that position where I'm able ta, ta grab my firearm if I need it.

DH Yup.

JS Just, and I lean in and it's kinda there where my hand is...

DH Okay.

JS ...'cuz my hands are kind of always up anyways.

DH Right.

JS So I don't know if...

DH Is that something you were taught?

JS ...I don't know that it cha-...

DH That's something you've been taught ta have your hands up in front of you and...

JS Certainly.

DH ...like an interview stance?

JS Yup. Yeah. Yeah, just more of a defensive-type position.

DH Okay.

JS (inaudible) your hands are, we call it at-ready position.

DH Okay.

JS You know your hands are up. You're not, they're not in your pockets, um, so yeah.

DH In a position to...

JS Possibly.

DH ...react?

JS To react, to ward off blows, ta acess whatever you have on your belt.

DH Okay

JS You know, communicate, ta take notes ta, you know your hands are, hands are kind of up at a ready position.

DH In case. So kind of a follow-up question now to your, so, I'm not gonna walk away from this for a second but we'll go back to that. So to get through this traffic stop...

JS Um-hm.

DH ...you needed to get a driver's license.

JS Yup.

DH Well would it be fair to say that he, he immediately said 'I've got a permit to carry'? Or did he say 'I've got a gun in the car'? Do you recall?

JS Aw I don't remember if he said, he said one of the two. I, I believe the guy said that he has a permit to carry.

DH Okay, so once he said that to you...

JS Um-hm.

DH ...your intent was to what?

JS Ta go, move on with the, the traffic stop.

DH Right.

JS Ge-, make myself safe. Make myself in my head feel that now I'm safe.

DH (inaudible)

JS Safe enough to return to my squad car and do whatever I need to do. And then re-approach.

DH Okay. Um...

JS And I felt comfortable doing that I guess.

DH Based on...his actions?

JS Based on his actions, based on his willingness to you know, be honest with me, where he put his hands, always cooperative.

DH Okay.

JS So yeah.

DH For him to, to get what you needed, proof of insurance, driver's license?

JS I don't even know if I got proof of insur-, I guess I don't remember specifically.

?? (inaudible)

JS Yeah, driver's license, permit yeah.

DH Okay so, you would have to give him some pretty clear commands.

JS Right.

DH I want you to, I want you to get your driver's license.

JS Yes. Right. If I would, if I decided that yeah, in that instance yes.

DH Could there ever be an instance where you're like, this guy's acting weird. I don't even want him to reach anywhere?

JS Um-hm.

DH Okay, but that didn't happen on this...

JS Correct.

DH ...this case.

JS Correct.

DH Okay. Um.

?? How, how wouldja do that? (inaudible) acting weird (inaudible).

JS If I felt that so, so now he's in your ex-, so he's told me that he has a permit to carry. He's armed. Um, he's semi-cooperative but I've got, maybe I have some prior knowledge of him and think that he has the propensity to be assaultive toward me, how would I handle that? Might depend on the circumstances but I might consider you know having him put his hands outside of the vehicle. Might consider handcuffing him. Um, I might consider the, the location of the weapon. Maybe I can secure it myself without him reaching for it. Um, it really depends.

?? Those are all options. Um, suppose there's another officer (inaudible) passenger side.

JS Um-hm.

?? What would you do (inaudible).

JS If there's another officer there, I'd, I'd try and communicate to him you know what I'm dealing with. Um.

?? Why would you do that?

JS Um, getting back to Graham versus Connor the severity of the crime, you know. Um, you know now, now we're dealing with somebody that has a gun. I just want that other officer to know.

DH Is there, is there traffic stop protocols that you teach specifically like okay, you, before you stop this guy that said he had a permit. Are there things that, that you did before you even activated your emergency lights to initiate the stop?

JS There, do you mean in relation to calling out a traffic stop.

DH Yup all of that.

JS (inaudible)

DH It's like okay what I mean is calling out a traffic stop, running the plate. Running the potential registered, the owner if, it it's...

JS Yeah. Um, I mean there's no specific you know like this is what you need to do every time and don't stray from this. There's nothing like that.

DH Is that common that...

JS But is it common?

DH ...that officers do that?

JS It's common for us to observe a violation (inaudible).

DH Yup.

JS It's common for us ta not necessarily stop the vehicle right away.

DH Okay.

JS Common for us to communicate to another officer that 'hey I'm gonna make a traffic stop on this vehicle' just on our car-to-car channel.

DH Okay.

JS Um, most of the time might not even communicate why you're, you're stopping the car.

DH Okay.

JS I, I work day shift a lot. So i...

DH (inaudible)

JS ...more stopping your people going to and from work and you know um, my, so, so nonetheless, do we communicate yes. Do we run a license plate if we can? It's not always practical but yes. You know, 'cuz I, I hate to go up to a car and not realize it was a stolen car.

DH Right. Is there um, before you stop a car can you check the driver or the registered owner for warrants?

JS We, when we run a license plate on a vehicle, it, it, and it, it runs properly, assuming the computer's working properly, whether or not the vehicle's stolen, it'll give you the, the registered owner's driver's license information; the first registered owner's driver's license information. Maybe if they're valid or revoked or whatever. Um, it also give MINCIS, Minnesota warrants, warrant checks, and then NCIC warrants...

DH (inaudible)

JS ...(inaudible) the first registered owner on the vehicle.

DH Okay.

JS So those are things, and, and sometimes maybe I'll, before I approach the vehicle I'll just additionally take dr, run the driver's license of that registered owner, assuming the driver is possible (inaudible) then I, I know. He's been arrested for DWI five times so that might be another additional check (inaudible) but not always.

DH Okay. So back to the, the permit to carry. There's no standard practice is there, that you teach? This is exactly how you deal with somebody...

JS No.

DH ...when they have a permit?

JS I wish there was but there isn't.

DH Okay.

JS Wish there was.

DH Okay. Um, now I referenced earlier about firearms as a last resort, I found it.

JS Okay.

DH It's in the 2014...

JS Okay.

DH ...there it is right there.

JS Okay.

DH Um, can you talk to us about that?

JS An officer is...

DH What those teaching points are? Now they were in, this is in 2014 but it's been removed it looks in 2015...

JS Okay.

DH ...and 2016.

JS And what I, I have these power points and what I do a lot of the time especially now that our department policy isn't actually on-line...

DH Um-hm.

JS ...I'll li-, literally pull-it up on line and go from there just so it's not in this, it's more in the, this is how I'm gonna look it up if I need to look it up...

DH Right.

JS ...kind of thing. If I'm gonna study our, our (inaudible) policy, I'm gonna go on-line and look at it. So um, specific to this...

DH Yes. Specific to that. What did you teach the officers and then uh, secondly why was it removed?

JS Okay.

(inaudible, whispering)

JS I don't think it was removed for any specific reason. Um, uh, I, I can't think of any reason why it was removed.

DH Okay. Um, we t...

JS (inaudible) I'm sorry.

DH No go ahead.

JS I was just gonna say and we you know, in, in addition to covering department policy we also talk about state statutes specifically our deadly force statutes for police officers.

DH So you talk about...

JS (inaudible)

DH ...the use of force, which is one statute, and also the use of deadly force...

JS Correct.

DH ...which is another statute, and how that applies to the officers...

JS Right.

DH ...daily work and interaction with people.

JS Correct.

DH Okay. Um, anything else? I've got the one, got the one last question but anything else?

CO Let me see here.

?? (inaudible)

JS Oh.

?? (inaudible)

CO Yeah.

DH Are you aware of who would pay for that like, like when Officer Yanez went? Is that something the department would pay for? Or has paid for?

JS As far as I know, the department would pay for it.

DH Like when you went.

JS Yeah. I, I...

DH (inaudible)

JS ...don't recall ever paying for...

DH For training?

JS ...training since I...

DH Since you've been there?

JS (laughs) yeah. So I, I guess it's possible that somebody could pay for it but i...

DH But that's not normal.

JS ...I don't know. I can't speak to that I guess. I don't think that happens.

DH You say then it's more the norm when these guys go to training outside what you provide it's paid for by the department.

JS Correct.

DH Okay. Um, what's your relationship with uh, Officer Yanez?

JS My relationship with him?

DH Yup.

JS Um, co-workes slash friend I guess (inaudible).

DH Okay you guys hunt together, fish together?

JS No.

DH Play ball together?

JS We happened to play softball together once this year but no.

DH Okay.

JS Not I mean, I gue-, since, since this incident have I been socially with Officer Yanez? Yes.

DH Okay.

JS As a supportive friend as I would be with any other department member.

DH Okay. In the same situation?

JS Yeah.

DH Okay.

?? You guys ever show when police, you know you've seen those videos of police officer being shot at the side of a car. Have you ever seen those videos?

JS Um-hm.

?? Do you show any of those as part of the training for your officers?

JS We do. We do. I don't, unfortunately I don't do a good job of documenting videos but I do run videos. Um, maybe prevailing videos that have been on the news or, or recently here what have you, but yes.

?? I'm sorry, I mean we do the same thing.

JS Yeah.

?? Any time something new or out of the ordinary comes up.

JS Yup.

?? That's shown at firearms...

JS Yup.

?? ...to let people know, hey this is how it goes down, this is what this guy (inaudible) what somebody else did.

?? Yes.

?? Traditionally when you watch those videos, and that officer's shot at the side of the car, how does that go down? Is it something that happens quickly or is it something that happens over a drawn-out period. And I know...

JS Usually it...

?? ...(inaudible) many different ones.

JS Yeah (inaudible).

?? (inaudible) what you've seen.

JS I would say it happens pretty quickly.

?? Have you ever seen in any of those videos that someone says 'hey I have a gun' and then it happens?

JS I guess I can't specifically recall any...

?? Okay. I'm not tryin' ta pin you down...

JS No I know, I (inaudible)...

?? (inaudible) 'cuz I, I would say that personally that I've never seen it. But I'm not it doesn't. 'Cuz there might be (inaudible).

JS Yeah.

?? I'm just askin' what you've seen traditionally.

JS I guess I, I can't answer that. I don't know.

?? Okay.

JS I, I can't think...

DH So one of the videos that you provided us, that, that you've shown was a, a clip from Police 1...

JS Okay.

DH ...where it, I don't remember the department but it was, it was down south. An officer was conducting, conducting a traffic stop...

JS Um-hm.

DH ...and a lady walked from across the street, walked up behind the officer, stabbed him with a scissors. Do you recall that?

JS Yes.

DH That was shown to the officers?

JS Yes.

DH Okay. Um, and how did that go down? If you recall the video?

JS I recall the video. How it went down as in, what do you mean?

DH Was it, was the officer at the side of the car talking to the driver? Was...

JS Oh.

DH Yeah.

JS Yeah.

DH (inaudible)

JS Mean that, that I was...

DH What happened in the clip

(inaudible both talking)

JS (inaudible) kind of your...

DH (inaudible) everybody (inaudible).

JS That was kind of your average traffic stop. I think it was in front of, if I recall correctly some kinda factory or something was in the background, so the officer's approaching the vehicle, and the factory or whatever is behind him. And all of a sudden, a woman appears and tries to stab the officer in the back or the shoulder or something like that. And I think maybe his vest stopped the knife, or (inaudible).

DH Okay.

JS And uh, I think what, if I remember correctly what I was thinking anyway, was wow, that's potentially a deadly force situation. And he was fortunate to be able to Tase the woman and (inaudible) and, and get (inaudible).

DH Correct. He didn't use deadly force, he used his Taser, correct?

JS Right.

DH Okay. Um, anything, anything else? I don't have anything further. I'm going to uh, end the recording then. Time right now is 11:31.

MINNESOTA DEPARTMENT OF PUBLIC SAFETY

Bureau of Criminal Apprehension

TRANSCRIPT

INTERVIEW DATE:		BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	James South (JS)	INTERVIEWED BY:	SA Doug Henning (DH) SSA Chris Olson (CO)
REVIEWED BY:	SSA Olson		

CO 'Kay. Today's date is ah 11-8-2016. Time is 11:41 hours. We're currently at the BCA ah interviewing, is it Officer James South?

JS Yes.

CO Okay. And present in the room are the following individuals ah from the Ramsey County Attorney's Office Clayton Robinson, Rick Dusterhoft, uh Kevin Kane is present uh from the FBI Special Agent, and Counselor uh Paulson from the US Attorney's Office at the request of the Ramsey County Attorney's uh office. Those folks are here in an advisory role. This is in regards to BCA Case number 42, correction 2016-433. Jim ah, I appreciate you coming down.

JS Um-hmm.

CO I'm gonna show this to you and ah counselor it's ah uh, criminal investigation warning I'd like ya ta, just I just kinda wanna reiterate to you that we are conducting a criminal investigation warning ah that your presence here is voluntary. Um, and if you wouldn't mind just taking a moment or so to review that with counsel and then if you agree with it, would you sign it and I'll have your counselor uh, sign it as a witness.

(background noise)

CO I'll leave those with you.

JS Okay alright.

CO Thank you. So I'm just gonna go through some biological information. Uh, Officer James South ah 3301 Silver Lake Road, um Saint Anthony, Minnesota 55418. Is that address for the police department?

JS Yes.

CO Okay. And the phone number of the PD is 6-1-2-7-8-2-3-3-5-0, is that correct?

JS That's correct.

CO What is your POST number?

JS 1-8-3-5-4.

CO Okay. And your badge number?

JS 1-4-3.

CO And you've been employed ah with the Saint Anthony Police Department since...

JS October of 2005.

CO Continuously?

JS Yes.

CO Prior to that were you employed with any other law enforcement agencies?

JS No, I was not.

CO Okay. We're gonna go through this interview will be shorter than last one in case you're wondering.

JS Um-hmm.

CO Um, but I we've got some questions that we're gonna ask you um, my partner and I and uh, maybe Agent Kane might chime in ah with an occasional question here. Before I get started do you have any questions for me about this process?

JS Not that I...

CO Okay.

JS ...have at this point in time now.

CO Okay. You've read, you understood the warning, you signed it um, and are you, it's my understanding you're not a use of force instructor, is that right?

JS That's correct, I am not.

CO Okay. You do provide some training, is that correct?

JS Ah yes I do.

CO To the department?

JS Yes.

CO Okay. What is your specific role uh, in that?

JS I am a uh, I'm, I'm a CIT Trainer so um training in de-escalation techniques.

CO Okay. And can you uh, articulate for me what, what that entails or what does that involve?

JS Well crisis intervention training, it's uh it's kinda based um, mostly for mental hel, people in mental health crisis.

CO Um-hm.

JS Um, so you go to a situation and some of you could definitely tell somebodies not in their right state of mind and it's a way of tryin' ta get them to the point where you can get them to the hospital and get them the help, help that they need. That's the, that's the core of the, of the CIT Model is crisis intervention training. Um, and but it can be used you know outside of just people with, with mental health issues.

CO Okay, so it has applications to um, other non-diagnosed mentally ill.

JS I use them with my daughter.

CO Okay.
(everyone laughs).

JS She's fifteen. Sometimes it's, comes in helpful.

CO Have you been te—, what period of time have you been uh, teaching that uh?

JS Um, to be honest I just got certified in in uh, April of this year.

CO Okay, so 2016.

JS Yes, April of 2016 I uh completed my um train the trainer um training through the Barbara Schneider Foundation.

CO Okay.

JS And um so this was actually the first training I did and it was, it wasn't a full, full on um CIT training uh full CIT training is 40 hours.

CO Correct.

JS Uh, I only did uh, uh two hour presentation on just kind of the bare bones basics of de-escalation.

CO I don't wanna put words in your mouth but was that just sort of an overview then? Is that uh...

JS Uh, a very small, yeah, yeah it was a quick kind of this is kind of the nuts and bolts of what this is about um and then you know obviously we're working towards getting more fully involved training in the future here.

CO And I'm just curious is this something uh that was brought forward by you or is this uh a need that the department uh did they send you to become certified in this uh?

JS Yes, this has been uh um something that's been on the radar for a while and um when the opportunity came around for me to become a trainer um we jumped on that. I was originally gonna go um back in November but because of my family schedule and things going on I couldn't go to that training in November to be certified in that point in time so I had to push I back to push it back to April.

CO This is something you volunteered for and uh as supposed to being ordered to do?

JS Yes, absolutely.

CO I understand. Do you recall uh during this year's training, cuz you've only done it once, right?

JS Um-hm.

CO Look at some training record it appears as though Officer Yanez was present in the class uh is that right? Do you have any memory of that?

JS Uh, I believe so, yeah.

CO Okay.

JS (inaudible)

CO Is there anything uh let's go back a little bit. The two hour overview, what, without going into the entire two hours can you just in detail, in bullet point form kind a tell me what you shared with uh the trainees.

JS Sure, um uh I started off with uh just kind of a basic overview of, of trauma and what, what trauma is. Um, you know kind of life events, you know different life events can cause people to have trauma in their life um and cause them to, their personalities to change and what not, especially sometimes if you mental illness it kind a heightens things and makes things

worse. Um, so that I was kind of the that was the short part, portion of it um just kind of do that overview of trauma and then I went into um kind of de-escalation strategies and how you go about um getting somebody to the point where you get them cooperative and, and get them possibly go to the hospital or whatever part of that is um part of that is the if you sell your behavioral change scale which is um you know your active listening skills and then um showing empathy and then building rapport and then um you know eventually getting to the behavioral change and all the different steps in each one of those categories that you need to do in order to get to the point where you can get the person to, to get some behavioral change.

CO So did you talk about those steps and how to get uh how to initiate uh those steps or?

JS Yes um I did and um I also advised everybody that's not always a hundred percent. You can't always do it and depending on the situation it's, sometimes you don't have time to do it sometimes the person isn't gonna be willing to um you know or in the in state of mind to do it. I just had a situation two weeks ago, a guy was high on acid and pcp and I went in there and tried to start having conversation with him and he was to the point where I mean he wasn't hearing anything I was saying and anything that was coming out of his mouth wasn't making any sense and he was so out of control that, that it wasn't an option.

CO He was incoherent?

JS Yeah, I mean so it's not a hundred percent, you can't you know use it in every situation, every situation it's not applicable to.

CO Okay.

JS But it's, it's another tool that we can have in our tool belt to use.

CO Okay. Want to talk about department training uh just a little bit here.

JS Okay.

CO You've been uh with this department since 2005, is that right?

JS That's correct.

CO Okay. Have you attended uh specific training uh labeled as bullet proof mind training?

JS I have not.

CO Okay. Can you speak to what that is?

JS I don't have any knowledge of it at all.

CO Okay.

JS I never looked into it, never read about it.

CO Okay.

JS I don't know anything about it.

CO Have you uh received any training uh officer survival, street survival?

JS I did go to a street survival school, yeah.

CO Okay.

JS I don't remember what year that was.

CO It wasn't recent?

JS No.

CO Okay. Can you speak uh do you recall any of what was taught?

JS Um, very, very sketchy to me, I, I to be honest I really don't remember a lot of it.

CO Sure.

JS Um, that was a big giant room with probably a hundred different people in it.

CO Okay.

JS Um, you know just I, I guess it was just being you know um vigilant more than anything it's kind of what I got out of it.

CO Okay.

JS Making sure you're vigilant with everything that you're doing and seeing things, paying attention to you know different officers other factors.

CO So, I realize you're not a use of force trainer and, and uh but I do have a couple questions about that training you've received.

JS Um-hm.

CO Uh specifically with regard to uh initiating traffic stops um do you recall any specific training you've uh received from while you were at St Anthony PD with respect to either squad positioning or the positioning of the officer once the stop is made or uh protocols prior to a traffic stop?

JS Um, you know prior to traffic stop we always call out on it our channel, um we let our partners know hey this is where we're at, this is where we're gonna stop the vehicle uh just so they know where we are uh cuz we are one man squads. Um, as far as the training goes and FTO I mean when I went through skills you know I had a, a traffic stops portion of my skills program and um when I got into FTO I used those things that I learned in skills and nobody corrected me and said no this is the way we do it or you know uh as far as squad positioning goes that was kind of they were okay with how I was doing it based on how I learned it when I was in skills. So I, nobody's ever corrected me as to you know how to position my squad for a traffic stop.

CO And that's not, as far as you can remember not incorporated uh as a big component in the training from St Anthony. I mean beyond the FTO this isn't something that is taught annually, uh?

JS No, no.

CO Alright. Uh have you had a chance to uh view the traffic stop, traffic uh video from Officer Yanez' stop?

JS I have not seen it.

CO Okay. Have you had occasion to speak with Yanez uh about this event or incident?

JS Nope.

CO Okay. Have you spoken with Yanez uh since the event?

JS I have spoken to him yes.

CO Okay.

JS (inaudible) about this.

CO Not about (inaudible)

JS Absolutely not.

CO Okay. Go ahead.

DH Are you one of the FTOs? Are you a Field Training Officer?

JS I am not a FTO.

DH You're not. Um, when you went through FTO or since the time that you went through field training which was the first year, right, that you got hired?

JS Yeah, well the first, yeah four months (inaudible)

DH Or since then have you had any or has the department given you any formal training on how to deal with a person that has a permit to carry or?

JS Uh, no formal training, no.

DH Has there been formal training?

JS Um, there may have been you know it's hard for me to remember if there was any informal training or not you know by a you know sometimes we do what you know watch web videos and stuff like that.

DH Yeah.

JS That makes you know get from a supervisor hey watch this or whatever but I can't remember specifically um any training as I said there wasn't or maybe there was I, I, I don't specifically remember anything.

DH Okay. Um, have you ever stopped anybody that's told you that they've got a permit to carry?

JS Yes.

DH Can you tell me about that?

JS Sure, um you know it happens, it doesn't happen all the time but does happen occasionally um it, it depends on the person that you're, you're stopping. I've had people that say, hey just so you know I'm armed. They already have their id and their, you know permit to carry in their hand on the steering wheel.

DH Okay.

JS They hand that to me and I say okay where, where's your weapon and they'll tell me and uh the two incidents that I can remember you know vividly in my head both of the people in the car said, sir if it'll make you feel safer you can go ahead and disarm me. Um, and then we can go about the traffic stop um and I was totally okay with that. Uh I do remember one situation where the guy had the, had his weapon in his center console.

DH Yep.

JS And so at that point in time I said um it make me feel more comfortable if you'd mind stepping out and walking to the back of the car that way we can separate you from your weapon and we won't have any issues and he's like absolutely no problem um so it, I guess it just kinda depends on the situation um but all the situations that I've had they've been pretty compliant always have their ID and their permit to carry ready and waiting for me when they...

DH Okay.

JS ...when, when I walk up to the car.

DH Okay but, but that you can recall there's been no formal training on how to handle that?

JS No.

DH Okay. U

JS Not that I can remember anyway.

DH Okay. I don't have anything else. Do wanna, can you give us a minute.

CO Yeah, just need to caucus for a minute and if you guys uh...

?? Yeah.

CO ... would be so kind I'll call you back here in just a couple minutes. (inaudible) time now is uh 1157.

CO Okay we're back on the record now. Time is uh 1201. Welcome back. A couple follow up questions Jim.

JS Sure.

CO Um, so we noticed some of the uh training slides um some of these PERF slides are comingled with de-escalate uh is that a part of what you're teaching and I got you queued up to the right spot here. Actually, no, yeah so here's a PERF slide uh that talks about de-escalation. Are these materials that you're familiar with or part of the...

JS This isn't part of my training...

CO Okay.

JS ...that I give, no.

CO Okay, which...

JS I think you guys should have a copy the training...

CO Right.

JS ... that I did, right?

DH So.

JS This isn't anything that I've um.

DH So this is all stuff that was done by the Use of Force instructors? Cuz this is actually their power point.

JS Yeah this doesn't, this is nothing that I've put together nor this is has anything to do with um, with what I, what I teach.

CO Okay. So if we uh if there was a slide in there that talked about the sanctity of life um as it relates to de-escalation perf that's not really in your purview.

JS Thats no.

CO Okay. And it's your uh sounds like your training is, is very specific to mental health and has applications maybe in other situations but it's predominately directed towards mentally ill people?

JS Correct. I mean that's, that's kind of the basis of the whole uh idea of the of the, of the CIT model.

CO Okay.

JS Um however you know it does have some other applications.

CO Alright and you're, you received the training, the 40 hours and the certification to teach. Is that right?

JS Correct.

CO That's additional training?

JS Yep and I'm also um I'm also certified coach which wasn't, in the additional trainings so when they have trainings um they do um scenario based training so they have a professional actors come in who train to um kind of mirror what mental health people in crises look like so when they do these trainings I'm a coach so when the, when the student goes in to kind a do the scenario I'm there to kind of assist them and help teach them how to better um use the skills that they're learning in class.

CO Okay.

JS Um...

CO Perfect. What is your uh relationship with Officer Yanez? How would you characterize it?

JS My co-worker.

CO Okay.

JS Um I would consider him my friend. Um I don't spend a lot of time with him.

CO Okay.

JS Um, he lives in one area of the metro I live way far away so I mean there's not really an opportunity to get together outside the home. I think we've gone fishing a couple times in the middle of the night but.

CO Okay.

JS You know he's a, he's a friend but not somebody that I'm really close to.

CO Okay. So you have seen him socially just not with any regularity or frequency?

JS No.

CO Okay. Alright um have you gone out socially with him since this uh incident?

JS No.

CO Okay.

JS I had him, I had him and his wife and child over my house for dinner one night. My wife and I did.

CO Okay. Since the event or?

JS Yeah.

CO Okay.

JS Since the event and that was it.

CO Alright. I think I asked you this earlier but I just want to be clear. You have not discussed any of the details of the event with him?

JS No, no my family's around I, no, there's no way I'm gonna do that and plus I, it's just not ethical.

CO I understand.

DH I don't have anything else.

CO Alright, no more questions?

JS No.

CO Alright I appreciate you coming in we're gonna end this statement now, it is 1204 hours.

TRANSCRIPT

INTERVIEW DATE:	November 8, 2016	BCA CASE	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	Off. Joseph Kauser (JK)	INTERVIEWED BY:	SSA Chris Olson (CO) SA Doug Henning (DH) Agent Kevin Kane (KK) ATTY Jeff Paulson
REVIEWED BY:	SSA Olson		

CO Today's date is uh, November 8, 2016. The time is 12:10 hours. We're currently at the BCA, uh, interviewing Officer uh, it's pronounced Kauser right?

JK Yes.

CO Joe Kauser?

JK Yes.

CO K-A-U-S-E-R. And you're uh with St. Anthony. We've interviewed you once before. This will be a subsequent interview with respect to your, your use of force instruction. Also present in the room uh, is counsel with Joe, Kim Sobieck with Law Enforcement Labor Services. Um, we've got two individuals from Ramsey County Attorney's Office here. Rick Dusterhoft, Clayton Robinson. Clayton Robinson. U.S. Attorney's Office is present, uh, Paulsen and Kevin Kane from the FBI. These gentlemen are here, Joe, just to let you know at the request of the Ramsey County Attorney's Office, in a role that's assisting with this investigation, just to provide some clarity for you on that topic. Okay? Before I get into the interview do you have any questions for me?

JK Not at this time.

CO Okay. You understand why you're here?

JK I have a general idea.

?? Yup.

CO Um, so what I'd like to do if you take a moment and uh, I think, just read over this form. Counsel this just is telling you that this is a voluntary uh, visit. We're conducting a criminal investigation. If you agree with that I would ask that you sign it and put today's date, November 8, 2016 and that you're counsel would witness that.

(pause)

CO Thank you counselor uh, just ta, just to reiterate again, it's a voluntary interview. I'm gonna forgo the uh, biographical information since we've done that once already uh, length of service and that sorta thing. Uh, but I will ask you some questions about your use of force instruction and, and uh, in fact we can start right into that. Uh, you are one of how many u-, uh use of force instructors at St. Anthony?

JK Uh, I am one of two.

CO Okay. Who is the other use of force instructor?

JK Officer Sroga.

CO Okay. And you've been designated in that role for, since when?

JK Aw, just over two years now, since fall of 2014.

CO Okay. Did you receive any specific training, uh, to become a use of force instructor and if so what was, what was that training?

JK Um, I've been certified as an instructor in Taser, and Asp.

CO Okay.

JK As far as what is applied with our department.

CO Okay. And is your training specific to those two areas?

JK Yes it is.

CO Okay. Do you have any role in uh, uh, being a firearms instructor or uh, defensive tactics or anything else or is it just limited to those two?

JK Uh, defensive tactics as well but not firearms.

CO Okay. All right. And we have uh, several years of uh, use of force training materials as a part of this investigation, and we've noted that occasionally there's modifications or changes that occur from one year to the next. Um, what is your role, if any, in that process?

JK Officer Sroga is the lead use of force instructor. He puts together all the materials. Um, and I pretty much teach just based off of Taser's materials and Asp's materials.

CO Okay. All right. So you wouldn't be making any changes unless it was specific to those two categories?

JK Correct, and that would still go through Officer Sroga.

CO All right. He would have to give it the final blessing?

JK Correct.

CO All right. So for two years uh, your officers that received training sign-off as being present, usually put their POST or something like that.

JK Signature, sign in date, yeah.

CO Okay. All right. So with respect to uh, training, have you received any training on traffic stops, specifically. Uh, either positioning protocols um, uh, at, while at St. Anthony PD. And I'm sure you did in skills, um.

JK I did in skills and then through the FTO process in St. Anthony.

CO Okay.

JK So and that's approximately 12 to 16 weeks of training.

CO So uh, do you, uh, who was your FTO? Your primary FTO?

JK My primary FTO was Officer Sroga.

CO Okay. And is, can you articulate the training you received with respect to traffic stops um, both with the positioning of vehicles and uh, officer, uh, as it related to that training your received.

JK Okay. Um, you know we're taught to initiate a traffic stop when we feel it's in a safe area to do so. Position the squad just kind of offset to the uh, subject vehicle. Approach and typically stand behind what's called the B-pillar which is the pillar right behind the, right in between the driver's door and rear passenger's door if there is one. Um, make contact with the driver. Identify why you stopped the driver and so on.

CO Okay. And then with respect to the traffic stop or the location, you're, you're cognizant of the following uh safety concerns right (inaudible).

JK Correct.

CO What, what are the things that are contemplated when picking a position to stop a vehicle?

JK Vehicle over all safety for the person and the officer as far as not getting struck by another vehicle.

CO Okay. And with respect to where you're standing, in relation uh, uh, where you're physically standing, uh what are the considerations uh, that you're contemplating in picking that position behind the B-pillar.

JK Uh, we're taught in skills primarily that's where most of the stuff was kinda ingrained in ya, to stand behind the B-pillar just for officer safety if someone does decide to grab at ya or has a weapon it's generally a safe area for you.

CO Okay. And just ta, just so I'm clear, there's no specific training that you can recall that you received at St. Anthony PD with respect to um, traffic stops?

JK Not how ta, not how to exactly do a traffic stop. It's, it's all kind of, you watch specific officers and you pick things that you like from so-and-so and so-and-so and you make it your own.

CO Okay. Personalized your approach is what you're saying.

JK Correct.

CO Have you uh, you attended a fair amount of training since, you've been in St. Anthony is that right?

JK Correct.

CO And uh, have you attended anything called Bullet Proof Mind?

JK Not that I can recall.

CO Okay. So I'm guessing uh, you can't speak to what that training consists of or can you?

JK I cannot, no.

CO Okay. All right. Have you attended um, training specifically called Officer Survival?

JK Not ringin' any bells.

CO It's a 20 hour course.

JK Uh, I don't, I don't think so. Not that I recall.

CO Okay. Street Survival?

JK I don't believe so.

CO You have attended something internally here at St. Anthony, de-escalation uh, uh, as part of your use of force training right?

JK Correct.

CO Okay. Can you recall what that consisted of?

JK Uh, just to be clear, is that um, are we speaking to what Officer South...

CO Yes.

JK ...teaches? Okay. Um, it speaks about take into consideration um, EDP calls, emotionally disturbed persons, and how to de-escalate situations. How to you know, build rapport with people, and empathize and try to find out as much as you can and not just jumping to conclusions about why they're acting the way they are.

CO Okay. How 'bout uh, the other de-escalation uh, have you received any training uh, by someone other than South with respect to de-escalation?

JK Um, I think we talked about it, you know, generally during use of force. I, I can't recall specifics.

CO Okay.

JK Um, and I also did a, a course in college that was an entire semester on pol-, police emergency response procedures.

CO Okay.

JK So and that touched on de-escalation (inaudible).

CO And is that, once force has been initiated or approaching a situation that force may be required or both?

JK It's um, while approaching a situation and determining you know whether or not you're gonna have to use force and try to de-escalate things prior to using force.

CO Okay. But you haven't provided any specific training to your department uh, on, on the topic or course work from college.

JK I have not, no.

CO Okay. Have you uh, spoke with Officer Yanez since this incident?

JK I have.

CO Okay. Several times?

JK Uh, yes.

CO Okay. Have you and he spoken uh specifically about the event or the details of the event?

JK Officer Yanez and I had a debriefing, an official debriefing.

CO Okay.

JK And uh, we have spoken about events during the debriefing.

CO Okay. When did that take place?

JK Um, I can't, I can't give you an exact date, um, it was with a, a licensed psychologist or psychiatrist.

CO Okay.

JK And that was set up by uh, uh, Sergeant Brian Casey with St. Paul.

CO Yes. Okay. That was sorta contemporaneous to the event or was it months later?

JK An estimate, maybe 4 to 6 weeks, I don't recall exactly.

CO Okay. All right.

JP There was just the two of you there or?

JK Just (inaudible) just uh, Yanez, myself, and the, the psychologist or psychiatrist.

CO So Sergeant Casey didn't participate, he helped uh facilitate it.

JK Correct. He recommended um, a psychologist that he had become familiar with through his profession and his career and he recommended one to me and that's who I sought out.

CO Okay.

DH So you, you do some training or assist with the uh, the defensive tactics?

JK Yes.

DH What certification have you got for doing that training?

JK I'm certified as a, a ground control tactics instructor.

DH Okay and who gave you that training.

JK Uh it would've been done through uh, I, I'd have to look at my, my certification um, but it's a POST, it's 156 hour POST-accredited course.

DH Okay. Is that here in Minnesota or...

JK Yes.

DH ...outside?

JK It is here in Minnesota.

DH Okay. Was it, was it done, do you remember who put it on?

JK It's, it's held by where I do Jujitsu. Um...

DH Okay.

JK ...the instructor is Damian Hertz.

DH Okay.

JK So. And I'm also instructed in vascular neck restraint but we don't teach that. (inaudible)

DH And that's not something approved that, that's approved for use in St. Anthony?

JK It's not, no. We haven't approved it. It's not in our, it's not in our use of force policy or anything like that.

CO Is it neither forbidden or is it even addressed or?

JK To be honest with ya, I'd have to look at our, our, our policy in general. Um, I've tried to find, I've tried to search key words like choke, neck restraint, vascular, and I can't find it in our policies and procedures. So I thought it was in there but I haven't, I haven't been able to locate it so.

DH Okay. Um, just a couple questions then.

JK Um-hm.

DH Have you received any specific training or, either formal or informal, about how to handle a traffic stop with somebody with a firearm?

JK Uh, other than skills, and just discussing it and going through scenarios in, in FTO, no. No like classes on it. Or certi-, you know no like POST-accredited courses on it that I can recall.

DH Could you recall what they taught you in skills?

JK Uh, you know safe spot to pullover vehicle you know, approach, where to stand, and that's, that's pretty much it so, observe and that's it.

DH Specifically a person with a permit to carry?

JK No.

DH No, no, no.

JK No.

DH Okay.

JK Not that I can recall.

DH Okay.

CO You personally had uh train or through your experience had occasion to pull someone over uh with a permit to carry that you can recall?

JK Um, I've never been on a, a traffic stop where I've asked somebody. I mean I've...

CO Has anybody volunteered a, an occupant of a vehicle uh either driver or passenger did they have permit to carry?

JK Not that I can recall.

CO Okay.

JK No.

CO In your experience has anyone ever um said that they were possessing a firearm, for example if you pulled over an officer?

JK Um, I pulled over a couple cops. I don't remember if they've told me that they were armed or not.

CO Okay.

DH But they told you they were cops right away?

JK I just, I could tell they were wearing their uniform while they were driving home so.

DH That's a, that's a clear sign.

JK Yeah, usually, usually that helps.
(laughing)

?? (inaudible)

JK That's what I do.

DH You also mentioned that there was some informal training about the permit to carry stuff in FTO? Do you remember what that consisted of?

JK Um, I don't recall specifics. Um, just um if somebody does say that they're possessing a firearm just keep their hands in view, you know don't touch the firearm.

DH Okay.

JK And that's, that's pretty much all.

CO Uh I have nothing further, Agent Kane do you have anything?

KK Naw just I guess I just have one about verbal commands when you're talking to, to somebody that you stopped. How do you go about giving commands (inaudible)?

JK Um, as far as like high risk stops or just regular traffic stops and just kind a going with the flow?

KK I guess, I know that there's always like a difference, about the totality of the circumstances.

JK Yeah.

KK (inaudible) how would you, if you were requesting somebody to do something for you how would you go about doing that?

JK Uh, usually I'll, it's hard to say like specifically without like running through a scenario um I typically just walk up and tell somebody the reason I stopped 'em, ask for their id and proof

of insurance and then surprisingly people will say, do you mind if I reach for my insurance in the glove box or you know my wallets in my back pocket um they reach for it and that's pretty much, that's pretty much it unless you're on a high risk stop or you're calling someone out at gunpoint for a stolen car or something.

KK Okay. So are your commands pretty clear when you give 'em or do you?

JK I, I would think so. I haven't been, I haven't been questioned a bunch on it so.

KK Alright. I'm not trying to lead you somewhere I just in order to what's the most effective way to get somebody to do what you're asking them?

JK Ask 'em politely I guess.

KK Okay. And they seem to understand when you ask 'em for a, to do a task?

JK Yeah, yep, I don't, I don't have a whole lot of incidents where people have been um...

DH Uncooperative?

JK Uncooperative, yeah I mean almost everybody gives me there, there stuff upon request.

KK If somebody told you that they had a gun, I know that you said that you haven't had it come up yet but if somebody told you, hey I have a gun, you stopped me and I said I'm not law enforcement right now I'm just a person and I said I got a CPL what would, how would you handle that incident?

JK I would probably ask 'em where it is um tell 'em to keep their hands on the steering wheel wear I can see 'em and then you know if they are gonna, if they have to reach for an item that I requested, ask 'em to do it slowly you know keep the other hand on the wheel or whatever just move slowly and make sure I can see your hands so I don't feel threatened at all.

KK That's another one of those I'm sure that it depends on the circumstances, night, day...

JK Absolutely.

KK ...highway, street and stuff but.

JK Absolutely.

KK Is that something that you just probably just do the safest way possible? Is that...

JK Yep. I mean it's all kinda um your comfort level I guess and visibility and how many people are in the car and how many things are you watching so reason for the stop.

KK Do you ever do anything before a stop in order to increase or decrease your comfort level with somebody?

JK Um, occasionally I'll req-, I'll request assistance I mean if I see somebody swerving I anticipate I'm gonna be on field sobriety I'll have another officer there if it's uh, a warrant or um you know somebody we know is uncooperative with police, yeah I'll typically request another car.

DH Do you run, and maybe what he was getting into run a license plate or...

JK Yeah.

DH ...registered owner.

JK Oh yeah absolutely.

KK This is one of those things that I'm sure it's probably standard so you don't even think about it when asked but do you do things like that in order to get kind of a background on who you're about to face or (inaudible)?

JK I don't know if it's so much background I mean I don't, I don't run people driving records typically prior to approaching the vehicle um but yeah I'll run the license plate to find out you know do they have a warrant, is it a stolen car, um you know sometimes we'll get an alert saying they're uh hostile towards law enforcement so yeah I mean the more you know approaching a vehicle the safer in my, my opinion the safer you are.

CO Uh Joe one question...

JK Yeah.

CO ...I neglected to ask, have you had an occasion to review any of the squad car video from this date, July 6th?

JK Not the squad car video, no.

CO Have you seen any video with respect to this event?

JK I've seen uh portions of on Diamond Reynold's is that her name, I've seen portions of the cell phone video.

CO Okay. You probably saw the same place we all saw it, right?

JK Uh.

CO On the news or?

JK Yeah on the news and...

CO Okay.

JK People have sent it to me so.

CO Um, do you have any knowledge of anyone uh that may have a been able or has anyone viewed that squad car video to your knowledge?

JK Not that I'm aware of when I, when I was brought back to the PD that day I was pretty much segregated so I don't, I know that um a couple, couple brass members I don't even know which ones pulled the memory card from the squad and I don't know if they provided it to you or one of the other, one of the other agents there so.

CO Alright. So what I'd like to do right now Joe is just caucus a momentarily with the group here if you wouldn't mind you and Kim can step out and I'll call you back in here in a few minutes.

JK Sure.

CO Okay. The time now is 1230.

CO Alright. We're back on the record here. The time is 1236 hours. Thank you for returning. Just a couple clarific -, uh clarification questions Joe um this de, de-briefing occurred uh with a psychiatrist or...

JK Psychologist or psychiatrist, mental health professional.

CO Do you recall who that person was?

JK Um, I just called her doctor Susan. I don't...

CO Okay.

JK I think it's in... Minnetonka maybe.

CO Okay.

JK I don't, I don't recall exactly.

CO Um, I'm assuming it was a female doctor.

JK Yes.

CO Um...

DH Was at her office?

JK I believe so.

DH Okay.

CO Was that, was that both of you gentlemen talking individually or collectively uh at the same time or?

JK It was um, we were both in the room at the same time.

CO Okay.

JK Um, talking about you know the after effects of it you know how we feel, how it's affected us how it's affected our families all that stuff.

CO It was the topic then were uh kind of more the emotional component of this. Did you talk about any details uh about this specific event?

JK We talked about the observations that day. Um, talked about what I observed being the uh the backup officer on it.

CO Okay.

JK And um my partner discussed what he observed.

CO Okay. And before I forget did um so its Doctor Susan uh you gave a statement to the BCA. Have you given any sort of formal account or informal account of this event to anyone besides those two?

JK I wouldn't say, I wouldn't say a whole lot other than just you know a lot of people see me and ask me. Um, I say I'm pretty much just a witness I didn't really have anything to do with of what transpired other than being a witness and standing on the passenger side of the car, so.

CO Okay. Did you provide any details to anyone?

JK No.

CO Uh, okay.

JK Nope I mean everybody seen everything on-line, usually people are asking me or providing me with details so.

CO Okay.

JP Do you know if the thing with Doctor Susan was recorded in anyway or memorialized in anyway?

JK Not that I recall, I don't recall an audio recorder or anything. I don't even think she takes notes.

JP Did she, was the purpose to write a report or something or?

JK No, she works, she works um, not primarily with law enforcement but um with a lot of law enforcement officers and critical incidents. Um so I think it was Brian Casey, Sergeant Brian Casey was uh I don't know how he was put in charge of kind of helping the department with the after-effects of everything um but he was the one that coordinated it so.

JP Did the department pay for it I suppose?

JK I would assume so. I don't know. I didn't, no I didn't get billed, no.

JP And (inaudible) there was not video or anything like that?

JK No there was no video camera unless she has hidden cameras. There was no audio recorder out that I was aware of and she doesn't even take notes so.

JP I guess I think it was asked but other than talking to the BCA and today and Doctor Susan, have you given any sort of debriefed anybody else?

JK No, like I said I mean I, my, my people will ask me and I'll say pretty much my, my whole involvement was being a witness and standing on the passenger side of the car. You know I have no communication with the driver. I had no physical interaction with the driver. So my, my involvement was that of a witness so.

CO Alright, I've exhausted my questions. Do you have anything?

DH Yeah, can you tell us about what your personal relationship is or your relationship with Officer Yanez?

JK Sure, um uh Officer Yanez and I attended Mankato University. Um, I guess we had class together in fall of 2006 or 2006 I'm sorry um I can tell you the class but I don't remember him being in the class. Um, and then we kind a became acquainted through just the general classes in the law enforcement program. We probably had I don't know maybe four or five classes together maybe more. It's hard to recall.

DH Okay.

JK Um, became good friends and after graduating skills in 2010 we stayed in touch. We contacted each other probably I don't know a few times a year, saw each other maybe once or twice a year and then it was actually him that called me and told me St Anthony was hiring so.

DH Okay.

JK We, I mean we're still good friends to this day.

DH Okay.

CO You see each other socially and?

JK Yeah, I mean he lives up in the north metro and I live in the south metro but we get together maybe twice a year.

CO Okay and it's been that way continuously since you've met him?

JK Yeah, yep.

CO Okay. I uh think we're ready to conclude. Do you have any questions for me at this time? .

JK No, I do not.

CO Alright. Thank you again for coming in. The time now is uh 1241.

CRIMINAL INVESTIGATION WARNING

You are hereby advised that you are being interviewed by a Special Agent of the Bureau of Criminal Apprehension as part of an official criminal investigation. This investigation is separate from any internal investigation that may have been conducted by your employer. You may already have been interviewed pursuant to an internal investigation. If so, you may have been told that your statements could not be used against you in any criminal proceeding. It should therefore be clarified that any statements you give to BCA agents as part of this criminal investigation can be used against you in a subsequent criminal proceeding. If any representation has been made to you that you must or should answer to questioning by BCA agents as part of an internal investigation, you should disregard that representation.

ACKNOWLEDGMENT

This statement is given by me voluntarily. I am not making this statement because of threats made or pressure exerted on me by my employer, anyone associated with my employer, or any other individual. No consideration or reward has been promised to me in exchange for my agreement to make a statement.

I HAVE READ THIS DOCUMENT AND FULLY UNDERSTAND ITS CONTENTS.

TRANSCRIPT

INTERVIEW DATE:	11-11-2016	BCA CASE #:	2016-433
OFFENSE:		EXHIBIT #:	
INTERVIEW OF:	PC Jon Mangseth (JM)	INTERVIEWED BY:	SSA Chris Olson (CO) SA Doug Henning (DH)
REVIEWED BY:			

DH Okay the recorder is going, my name is Doug Henning. I'm a Special Agent with the Minnesota Bureau of Criminal Apprehension. The date today is November 11th, 2016. The time right now is 9:17 A.M. We're at the BCA. This will be uh reference to BCA case number 2016-433. This'll be an interview with St. Anthony Police Department Chief Jon, spelled J-O-N, middle name [REDACTED], last name Mangseth, M-A-N-G-S-E-T-H. Is that correct?

JM That's correct.

DH Uh your address for the purposes of, of uh this interview is 3301 Silver Lake Road, St. Anthony, Minnesota 55418. Is that correct?

JM That's correct.

DH And a contact number for you is 612-782-3350.

JM Yes that's correct.

DH And you represented here by counsel John Marti and Shannon Bjorklund. Uh also present with me is Senior Special Agent Chris Olson also with the BCA, um Rick Dusterhoft with Ramsey County Attorney's Office, uh Jeff Paulsen with the US Attorney's Office, Kevin Kane with the FBI. Um Mr. Paulsen and Mr. Kane are here at the request the Ramsey County Attorney's Office um and we just wanna make sure that you understand this is a voluntary statement on your part.

JM I do.

DH Okay. Um then we'll get started. I, I talked to you before we scheduled this. I told you that we wanted you to come in because in the past you've been the lead of thee uh Use of Force program at St. Anthony.

JM That's correct.

DH And you're now the current lead; the chief?

JM Yes.

DH So you would make any kinda decisions as to your department's training?

JM Yes.

DH Okay. And before we even started I, I provided you with a, a criminal investigative warning?

JM Yes.

DH Which you are able to review with your counsel and you understand that?

JM I do understand that.

DH And you signed it?

JM I did sign it.

DH Okay. Um, can you just tell us about your experience and then your current position and what other positions that you've held with St. Anthony?

JM Want me to start from...

DH Sure.

JM ...day one?

DH Yes.

JM I was hired back in January of 1995 with my starting date was January 9th and I started as Patrol Officer working night shift and as I proceeded through field training and, and through uh my first year I was uh I eventually got into that second year and became a Crime Prevention Officer so I was dedicated as a Patrol Officer but I went to the BCA's week long Crime Prevention School and became a Crime Prevention Officer. I was assigned to uh be that police department liaison with the city of Falcon Heights cuz the contract for Falcon Heights actually started in January of that year as well.

DH Okay.

JM In '95 and uh roughly a year after that I uh began uh was selected to be one of the uh department's next uh Use of Force instructors. So I became that, I uh started that process. One of my first classes was a week-long instructor and development class. That was actually put on by uh then Chief Scott Bechthold with I believe it was Brooklyn Center and then uh Special Agent Jeff Luther with the, with the BCA.

DH 'Kay.

JM Uh I actually ended up having two one-week Instructor Development classes with those two gentlemen over the, over that first five years of I'd s' I'll call it Instructor Development With Defensive Tactics Use of Force instruction. Um there were some other classes that I ended up attending as well with all ultimately uh I became, I took over the do' the roll of uh Use of Force Instructor from Ben, was he at the time Lieutenant? If not, no not the captain at the time but Lieutenant Jeff or J' John Ohl.

DH Okay.

JM So the former chief.

DH Okay.

JM So I began, I-I picked up that program where he had left off with it which was, it was very, very ground floor.

DH So at that time were you the Lone Ranger then? You...

JM Yeah.

DH ...you did all the training?

JM I developed the training. I paid particular attention to uh the Post Board mandates for Use of Force and what we, what, what targets, what we needed to hit.

DH Okay.

JM Um...

DH What the mandates were?

JM ...and are yearly were, yep I paid attention to you know how I uh, how that instructional process could be delivered; whether it was via watching videos or giving homework

assignments or, or actual classroom instruction or, or um you know uh roll playing type exercises whatever.

DH Yeah.

JM You know whatever everything that was detailed in there I, I paid particular attention to uh what those, what those uh requirements were and then I developed a program to where you know, where I left it as I, as I promoted to chief uh...

DH 'Kay.

JM ...and I left it in the hands of the Officer Jeremy Sroga.

DH Okay.. Um so what year did Jeremy take over as the uh, the lead instructor I guess.

JM Let's, you know that, that's a real soft my, m' my best answer is that's kind of a, there's not real, one real hard date that okay you you're it, I'm done.

DH Okay.

JM It was a, it was a transition period there uh from the time he started taking his first entry level class and Use of Force. You know it, one thing I recognized through my uh, my progression through being a Use of Force instructor is that just because you go through that first, that first ah one-week Use of Force Instructor Development class you're just not, you're, you're not all of a sudden the guy. It takes not only time ah in, in those types of classes; those in, in development classes, but it also takes time honing in those auxiliary classes whether it's let say you know something that wouldn't necessarily entail a week long instructor class environment. Maybe it's a two-day class and asks certification.

DH 'Kay so I think what you're telling me is that you, over a period of time a new instructor coming in would not be just giving the, the leash and said so here you go?

JM Wouldn't be given the keys...

DH 'Kay.

JM ...on one day and say that you're it so.

DH 'Kay.

JM It was a, it was, it's been a progression in transition to the point where of uh Officer Joe Kauser is transitioned in to be with Jeremy...

DH Okay.

JM ...and then I ultimately transitioned out.

DH Okay.

JM When I became the chief.

DH Okay so if there's, if there's any changes that get made to the training; any, any additions, subtractions, now I wanna go all the way back to when you were doing it, did you run that by anybody?

JM Yeah. That was run by the, that was run by the command staff.

DH Okay so the changes...

JM Ultimately with the chief.

DH And has that changed now or is that still the same process?

JM Same process.

DH So Jeremy wants to change something, add something, take something out, that still has to be approved by you?

JM Right.

DH For, for your entire staff?

JM Yeah.

DH Okay. So how does that happen? Can you tell me that? If, if say I wanna take out s' slide so and so and add something'?

JM That, that the free reign for that type of decision making is provided with that, the uh the person that is instructing that particular part of whatever is being taught.

DH Okay. Um, okay. If, if there's any, any outside training that the officers wanna go to, can you explain to me how that is um handled?

JM Um-hm.

DH What, what procedure 'eh, you know if I was one of your officers and I wanted to go some outside stuff, how would I go about doing that?

JM Well that request would go to Lt. Jeff Scholl who runs our training program.

DH Okay.

JM What I mean by running the training program he, he takes into consideration the training that officers wanna go to, the schedule, the training budget and he's got a better idea of what the schedule is like and what the long term training budget is going out for the year so that he be the ultimate gate keeper you know. I need to send Officer X, Y and Z in you know August of this year to these classes so I've got to be very, very careful of what uh what I allow officers to do you know. He's he he's really the one that's really massaging the budget and, you know. He'll also take into account what need is there out there. What uh like you know what mandatory training?

DH Okay.

JM You know what's, what mandatory training did do we need to? What, you know, what did the legislature say this year.

DH Okay.

JM No so he's really making those types of decisions and then you know ultimately bringing them up the chain of, the chain a command; to me or.

DH Is there ever a time where the officers are said or, or, or told you can't go to some this?

JM Yes

DH Okay. Um specifically uh some training called Bullet Proof Mind.

JM Right.

DH Have you ever been to that?

JM (pause) I, I believe I have been to that training.

DH Okay.

JM Lt. Colonel Grossman.

DH Yes.

JM Yeah.

DH Can you tell me about that what you recall from it?

JM Well it's, it's been awhile since I...

DH 'Kay.

JM ...was in that training so I can, you know I don't recall much of that training. I re', I recall more of his personal stories.

DH Okay.

JM Um, and what I remember it, it was just 'eh the training the it was, it was training the mindset of an individual that had to engage in high risk encounters and things like that.

DH Okay.

JM Engaging that, that mind that, that thought process what you need to have or what you, what you should be considering when you're involved and let's say high s' high stress situation.

DH Okay.

JM Is what I can recall.

DH Okay. Um is that something that's mandatory with your department?

JM No.

DH So that's something that an officer would have to ask for?

JM Correct.

DH Okay. Um are you aware if anybody's ever been turned down to go to that, that training?

JM Yes.

DH You do recall?

JM Yeah. I can't remember who that person was but I know that people have been turned down for that training due to, more than anything probably due to scheduling and other types of issues.

DH Okay but it wouldn't be the training itself? It'd be just scheduling or...

JM Not necessarily.

DH ...budgetary issues? Okay. Um, can you describe your, your interactions as a Use of Force instructor with the Officer Yanez?

JM Well he came out of department I don't know, somewhere in neighborhood four years ago and at that time I w' I would have to say Jeremy Sroga was, was doing more of the lion share of the training.

DH Okay.

JM Uh Jeremy would articulate at the beginning of when we were, when we were set to, we when we l', we identified our two training days in the spring. We would uh kinda go over what, what are, what we were gonna be doing and then he would kinda would let me know where he would like me to take the lead on certain aspects of training. Uh so I normally as, as we transitioned I believe, you know when I trained, when we trained Yanez and as I know I did not, I know I did not and do his initially Use of Force training when he went, so the first two days he came on the department and...

DH Yep.

JM ...field training, I didn't do that training. And that any of the training environments that Jeremy and I would've taught our department and I woulda, it woulda been my, I woulda been secondary roll there.

DH And it, would that of been a group, a group environment like classroom?

JM Yeah. Classroom environments where we were instructing uh we were doing our recertifications I should say cuz they were basically, that eight hour day was recertifications.

They weren't, you know we weren't certifying anybody. We at most we were recertifying and refreshing uh but yeah been at a training environment slash class room environment.

DH Okay. UM can you tell us how officers are trained with your department to conduct traffic stops; either uh low risk or high risk, um either in your yearly trainings or as an FTO or in a, in that training period?

JM I've never been a Field Training Officer.

DH Okay.

JM So I, they, the particulars and the in's and out's I, I can't tell you it. I can't tell you what those might be.

DH Okay.

JM Um, you know, officers need to come in, officers come in to department with a, with a, with a skill set from their skills training.

DH Okay.

JM From what, what they're required to obtain.

DH Okay.

JM You know, to become post eligible to be licensed.

DH Okay.

JM So I guess I don't really know what they got through for skills other than I can recall 23 plus years ago when I went through skills.

DH Yeah.

JM So they would come in with those hard skills and then going through field training...

DH Okay.

JM ...they would learn those uh those nuances maybe through the field training program.

DH Okay so it would be fair to say that the, the FTO's will observe and change behavior or, or dictate how your department does things. Cuz every, every department does things a little different (phone vibrating sound), would that be a fair statement?

JM Yeah.

DH Okay. So who runs the FTO program?

JM Sgt. Dan Diegnau.

DH Okay. And when a n', a new officer comes in, and I was an FTO, so are they assigned a, a primary FTO?

JM Yes.

DH So will, so during this process does the Sergeant ever come back to you and kinda give you updates on how the officers are doing?

JM The uh yeah the Sergeant w' will the, the F' the Field Training Officers will write a, will write the do their daily observation reports; those field training officers will write a report reflective of their, that training period is four phase training programs...

DH Um-hm.

JM ...so let's say I've had so and so officer for phase II...

DH 'Kay.

JM ...this is my end evaluation.

DH Okay.

JM This is my recommendation to the Sergeant. Sergeant would take that recommendation onto the chief as far as let's say passing them on to the next phase...

DH Yep.

JM ...or whether they're gonna extend them in that phase.

DH Are you aware when Officer Yanez went through field training if there was any, any reservations for him moving forward?

JM I'm not aware of any reservations.

DH Okay. Um, so for quite a while Graham vs. Connor has been part of our as, as cops in every department, has been part of our teachings. Can you tell me what is taught to your department about that court decision?

JM That, that uh, the references to that court case in our, in our field training manual.

DH Yep. Um...

JM That's suffice to say you know that's one of the things when I went through my first instructor development class, that was, that was a, that was a strong foundation and that, and that was a strong, that was a s' uh s', that was it that, that, that's what I brought back to my department and that's what s' immediately started training off of. Is Graham vs. Connor of the, the Graham factors.

DH Okay so what is, what are those factors? What are the officers taught?

JM Severity of the crime and you know we're looking at uh there'll be no arm chair quarterbacking in regards to that Use of Force decision making uh officers will be found to uh ta make to, based on what they knew at the time that incident occurred.

DH 'Kay.

JM That type a thing.

DH 'Kay. And one thing I didn't say to you before we started, there's right in front of you is a room copy of training materials...

JM Yes.

DH ...we didn't really...

JM The elephant on the table right?

DH So anytime you wanna go through this if you want to um yeah as we move forward s' some of things I'm gonna be referencing and asking are s' are specific to slides in there and if, you know we can go in and I'll tell you where they are if you want to look at 'them because I'm, I mean really as far as I know but I'll ask you when you teach off of a power point is, is, is everything in that slide what you're gonna say or are those more teaching points?

CO Let...

DH Teaching points, so being an outline for your speaking as you, as you instruct the department or, or the other Use of Force instructors?

JM That'd be fair to say, yes.

DH Okay. Um, can you, if you wanna, if you wanna just this, just this top one there it's page four of this—I wanna talk about the de-escalation, will wanna go back a little. There's a couple page fours (sound of pages turning) think it's a little bit farther (sound of more pages

turning). Right here. (pause) Can you ex' explain to us that these are all slides about de-escalation on Use of Force.

JM Right.

DH Can you s' just start at the top and work through those and kinda tell us what is, is being taught to the officers as you use these slides and talk about de-escalation? And what PERF is? You wanna start with what PERF is.

JM PERF is the Police Executive Research Forum.

DH 'Okay.

JM And they publish a document with what 30 guiding principles containing text, explanation for those guiding principles.

DH As it relates to police departments and law...

JM Right.

DH ...enforcement?

JM Right.

DH 'Okay.

(pause)

DH And are these principles that you've adopted at St. Anthony or are these principles that you using as guidelines or?

JM Well there, there were, there things that we you know earlier, well that we may you know we are, we're trying to look at uh incorporating maybe into our, into our Use of Force Policy. I that and going back to January of this year I'll, I'll, I'll tell you that you know one of my first tasks that ah I went way, I was going to undertake us, Police Chief was going to be taking a look at our principles practices. You know um and looking where you know what we need to do in terms of you know overhauling them. Uh make you know, taking a look into make sure that they are the best practices so you know I did take a look at that PERF document and I am aware of other you know, other court cases that have come, come, come, you know I can't put my fingers on him right now, I just started diving into all that and starting to reformulate some of our own and then trying to also evaluate whether you know that was something that I wanted to shoulder with the s' my staff or whether we were gonna look at uh an outside uh um service to assist us with uh, with uh doing that policy procedure review.

DH Okay. So really what did, what are these slides?

JM These slides were...

DH What was told to the officers and...

JM ...these, these slides were, were, weren't crafted by me. They were crafted by Officer Sroga...

DH Okay

JM ...and these were, these are...

DH (inaudible)

JM ...these are things to help you know, for this dialog let's say among...

DH Yep.

JM ...our group when we were in you know whatever group you know we've fell in on that (inaudible) two training days just ta' to talk about these things. Just talk about uh these, these concept, these subjects and, and you know so we can help guide our training and

guide how we are going to act as a unit when we're out on the, when we're out on patrol working.

DH 'Kay. What if, if you know, what is taught specifically in a, in a, a use of, a Use of Force encounter about separation or working with your partner, you recall?

JM Well I can recall is communication. Try to be you know be situationally aware where everybody is. That's not always easy and use of force encounters because we're also taught that you know use and, use of force encounters are, are, can be intense. Can be rapidly involving. Can be unpredictable. Can be the need for split second decision making. I know those are certain of back to Graham versus Connor, but those are those things that are taught to us any is in any, a lot of Use of Force classes that we go to. Not just our in-house ones.

DH Okay.

JM Yeah.

(pause)

DH If we wanna go back a couple pages, these uh (pages turning) slide on Sanctity of Life.

JM Alright.

DH So I just have one more question. So when this was being taught most recently, were you taking it as a student or, or as an instructor or, or both this?

JM I was in, I w' this go around I was a student.

DH Okay.

JM I was in one class. I didn't attend both. Um I had to fight back the urge sometimes maybe to add my two cents but you know, it was Officer Sroga's and Officer Kauser's you know training.

DH So is it fair to say your role has really changed or is it, is in transition here?

JM It's, it, it was in transition, it's now changed.

DH Then now changed?

JM I mean it I uh this year it, it was changed yes.

DH Okay. So what do you recall on the uh the PERF slide on Sanctity of Life? Do you remember what officers or whoever taught the department?

(pause)

JM Well, the second one here, the Sanctity of Life should be considered in all we do. I, I remember him specifically making reference to that. Um you know, the first thing that jumps out at me when I, when I read that too and when even in that class I can recall that you know, those types of Sanctity of Life in quotes is does not appear in our policy procedure manual but it, it's a tone that is carried in, in our policy and procedure...

DH 'Kay.

JM ...different points in our policy and procedure.

DH Okay is...

JM I'd have to go through the document but I recall as a Use of Force instructor having that feeling in my head.

DH Okay.

JM And that's a feeling I had when I or thought I had in my head when he brought this up.

DH And it's, so just to paraphrase, it would be more of a general tone of your policy?

JM Absolutely.

DH Okay um in the second bullet point, the general public street contacts and officers should be treated with dignity and re' respect. Do you remember 'em teaching that?

JM I don't recall him actually specifically saying that.

DH Okay.

JM Other than it being on a slide again.

DH Okay. And again these are, this is an outline and these are teaching points.

JM Um-hm.

DH Okay.

(pause)

DH So in, apologize here. I'm gonna go back to, this is and instead of digging through that whole pile of paper, I'm just gonna show you I've got marked here, this is the uh, this is the 2014 Use of Force...

JM 'Kay.

DH ...power point and this is got uh this Officer Sroga and, and yourself...

JM Right.

DH ...as the instructors and then one of the, actually two of the slides that we wanted to talk, I just want you to talk about how they pertain to what you taught was the uh firearms as the last resort.

JM Um-hm.

DH Can you tell me what was meant then? What you and uh Officer Sroga taught the group?

JM Well the general spirit of having these in slides is to re-acquaint or refresh officers every year with what's in our policy and procedure manual and then you know generally speaking the and they're in a slide Jeremy will pretty much read them off...

DH Okay.

JM ...like to, to the audience. If there is you know, if something elicits evac from, from the class we, we would discuss it. I can't recall that uh anything in relation to these two actually listed any conversation.

DH Okay.

JM So it woulda more than likely have been read.

DH Okay.

JM And then if there was nothing, nothing uh no, no con' no conversation in suit then we would've moved on.

DH S' so your trainings that you're aware of are more interactive?

JM Yes.

DH So the officers if they have question in the middle of the training they're open to ask?

JM Yes.

DH And, and ask for clarification if they don't understand something?

JM Yes.

DH It isn't uh like they sit in a classroom like robots? There's, this is (inaudible)...

JM (inaudible)

DH ...meant to be interactive?

JM This is interactive. This is meant to be an eight hours of interactive training. The you know our, our, at no time is our, is, did I ever mean to have our training be cookie cutter.

DH Okay.

JM Um training has to be evolving. We're given eight hours a year with these officers as, as Use of Force instructors. We're given eight hours. It's not eight hours. There's bathroom breaks. There's breaks, there's lunch, there's um you know uh there's things...

DH It's an eight hour day.

JM It's not mu', really it's n' that's not a lotta time.

DH Yeah.

JM When I, when I, when I, when I look at it from a, from a training instructor's uh eyes.

DH Okay.

JM So we have to be interactive. We have to have uh our participants interactive. They have questions let's hear 'em. That's been something that's been re-enforced over and over again for, for all the years I've been doing it.

DH Have you ever had an officer that really hasn't been engaged in the, in these trainings?

JM Really the, the days are long gone of that uh that old timer on patrol...

DH Yep.

JM ...that sits in the back of the room with his feet up and his arms crossed for eight hours.

DH Okay.

JM Yeah. We don't have that case.

DH Specifically now I wanna ask you about Officer Yanez. Um the four years that he's been in Use of Force is he engaged?

JM To my, to my observation yes.

DH 'Kay so he's, he's interactive?

JM Yes.

DH Okay. Um can you tell me and I'm just gonna w', I'm all done unless you have anything else that you wanna add on those.

JM No.

DH Okay. Can you tell me what is taught? What you've taught in the past and what is, what is currently being taught to the officers on threat recognition?

JM Well, I've had a slide, many years ago I had a slide that it was, it was called recognizing a threat.

DH 'Kay.

JM So we would go over those, there were, there was a list of bullet points that I brought back from a some class I went to and that was meant to be just another training slide and, and food for discussion in the group of here's what should be looking at when we are approaching a, an individual.

DH And what kinda things, how were they?

JM We're looking at the, the clenched fist. The, the, you know the clenched teeth the, you know the are they sweating, are they, what is their general appearance? What is there, what are they saying? You know it's all those recognizable uh things that you, you can, you can do while you're approaching the situation.

DH Okay.

JM I don't have to be this close to you to start developing. You know my, my uh perspective on what I'm walking into.

CO So is this the slide you're referring to on page 6 of the 2016 turn?

JM Yes.

CO Okay. Alright.

DH Is it, is that pretty much the same it was, it was as, as when you inserted it or are there changes to it?

JM It might be, there, there may have been changes and maybe some, just some were taken out just for, just for ease of going through training.

DH Okay.

JM Mean do we need a list of 50 or can we have a list like this? I remem', I recall my original list to be a little bit bigger than that.

DH Okay.

JM Yeah.

DH So these are, and again these are just talking points.

JM These are talking points for class discussion.

DH Okay and an, if an officer had a, something they dealt with during the year where they felt that wow this is weird and this guy acts weird that they'd be free to bring that up?

JM (No audible response)

DH Okay. Can you—I wanna talk a little bit about specifically about ah officer you began as this training...

JM Um-hm.

DH ...the four years and I'll just show you in, in 2012 he attended 20 hours of officer survival. Do you know what that is?

JM Can I see?

DH Yes.

JM I recall there were maybe there's I've I just recall in, in the past that there's a couple different officer survival type, the classes with those words as...

DH Yep.

JM ...the title...

DH Yep.

JM ...one us I think sponsored by St. Paul PD there were where they had trainers come in. I, so no I can't tell you that specific what specifically that was.

DH Okay how 'bout the next in 2013?

JM Not like when...

DH Need the street survival for 16 hours?

JM Again no I don't. I, you know, I, just, just due the fact that one's 16 and one's 20 it, it's telling me that's a, a, different venue.

DH Okay so, so maybe a two day course and maybe two and a half?

JM Right.

DH Okay. And, and we already discussed the bullet proof mind.

JM Right.

DH Okay. And how 'bout in 2016 he had two hours of it, of de-escalation?

JM Um-hm.

DH What, if, if you recall, was it something that your whole department attended?

JM That was something our, it, it appears our whole department attend and just, and I'm just based on the fact that I've 2016 Officer South did two hours of de-escalation training in our, in, in our, during our eight-hour in-house training day.

DH Okay and was that specific to, I guess was that specific to any, any kind of situation? That training or was it general?

JM Well I, I believe it was more in tuned to uh mentally ill or the not in say it's see...

DH (inaudible) in crisis?

JM ...people in crisis...

DH 'Kay.

JM Yeah. Took the words out of my mouth there.

DH Okay.

JM People in crisis but I, but I found the in that and that two that those two hours that there were principles that were taught there that are you know they don't just stay, you know just stay with that one side person in crisis if you know, they can be used.

DH Okay. So it wasn't really training geared towards like de-escalation in a use of force situation? It was more towards uh crisis, how ta, how t', how to de-escalate people in crisis.

JM More towards but I, I, I do believe that that yeah the training was meant for that but I do believe that in that training there was you know things were I, I perceived things in that training that could be used...

DH Universally?

JM Universally, yes.

DH Okay. Um have you viewed the video of Officer Yenaz's traffic stop with Philando Castile?

JM No.

DH Okay. Have you spoken with Officer Yenaz?

JM In relation to the video or?

DH Generally.

JM No I, yes I have.

DH Okay.

JM (inaudible)

DH Have you talked to him specifically about this incident?

JM No.

DH So no details? Didn't discuss the details of the incident other than some type of public safety statement which you may or may not have taken?

JM In terms of the, yeah public safety statements that I've made.

DH At the time of the incident.

JM Um, I, I did put him, I did bring him back in off of administrative leave and then have to put him back on administrative leave so I had, I talked to him in terms of having to do that.

DH Okay. So but not about this incident?

JM No.

DH Okay. Um, I wanna go back quick. On your Use of Force training when you were the, the lead instructor and then again now in a different, do you guys use a role playing or scenarios during your training?

JM Scenario based training, yeah.

DH Okay. So during that training um is, is every situation a use of deadly force situation?

JM No.

DH Can you describe to me an incident where or a scenario that you've done in the past where um it first explain one that's been used in the past where it wasn't a deadly force situation and then if you recall another one where deadly force was expected to be used by the officers, if you recall.

JM Well, situational based training in regards to um let's say recognizing that an individual is uh there's something going on. They're not, they're, they're a threat maybe to the, to the those around them but there's, there's an underlying, we're getting the sense through the scenario, the scenario is setup so that maybe this, that the subject of the scenario is uh, is, is uh feeling what we've been trained to observe are the effects of excited delirium.

DH Okay.

JM Where you know yes it could be a deadly force encounter here due to just due to the way the, the events unfold.

DH Okay.

JM But you know the event, the, the, the, the scenario itself is setup to ultimately have that officer recognize that this individual maybe um succumbing to the effects of excited delirium.

DH Okay.

JM And then you know maybe make proper radio notifications for EMS and, and, and additional um help, additional partners to the scene.

DH Okay.

JM Because other tactic, tactics are gonna have to be employed so that uh this doesn't become uh deadly force due to how, how we let's say react to that individual.

DH Okay.

JM If you force that individual, you know things could go bad quickly.

DH Okay.

JM So we have to take other tactics here. So yes we've had those types of scenarios before and then we've had other types of scenarios where you know that the subject was uh or the let's say the, the actor, so our bad guy actor you know was going to use, was gonna use deadly force.

DH Okay.

JM Based on the responses from those officers that were engaging.

DH Okay.

JM You know we tried to have our instructors when, when were in our red man suit or where were in that type of a roll we try to elicit certain responses out of officers.

DH Okay.

JM We try to you know tailor that training to the best of our abilities so that we're you know we're keeping those, we're keeping the officers mindful of what they just went through throughout the course of 8 hours or you know let's say 6 hours cuz 2 hours maybe scenario based training.

DH So let me ask you this if your, if your, you mention the red man suit.

JM Right.

DH If, have you ever worn the red man suit?

JM I have.

DH And, and as, so people that don't know what that is, that's a suit that's all made out of padding.

JM Yeah.

DH And your, so you would able, so you would be able to withstand strikes and other things from the officer as you work through this scenario.

JM Right.

DH Um, do you change your responses during those, those role playing activities based on the officer you know what the officer does?

JM Yeah, I mean I'm not a formally trained actor but I do try to act and, and be as realistic as I can be as a trainer or as a person as to how, how would I react if I got, just got struck in the leg with a extend, expandable baton.

DH Okay.

JM Or who would I feel based on my training and experience how would I feel if I, I got, if I got two good darts placed in my upper back and my buttock, you know.

DH Darts...

JM (inaudible)

DH ...being darts from a taser?

JM Yes.

DH And then elect, electronic was it ES is it ESW? What's the acronym for electronic stun weapon or electric stun weapon?

JM Electronic conductive device.

DH Elect, that's what it is.

JM They changed it actually in the last couple of years they changed that ECD...

DH Okay.

JM ...a couple but at least two times.

DH The acronyms.

JM Yeah, yeah they changed to word of the acronym. The acronym still stayed the same ECD with (inaudible)

DH Okay. Um, are you aware or what is taught by your departments to officers about either conducting traffic stops or, or having contact with, with people that are uh have firearms on them, permit to carry holders?

JM We don't have a formal class on that.

DH Okay.

JM No, we don't. We, it's more you know officer uh educating ourselves on, on, on those types of encounters.

DH Okay.

JM Um, and then talking about it among, amongst, amongst ourselves:

DH Okay.

JM And how, how, you know my theme has always been is to you know the less, less is more approach for this I mean the individual has a permit to carry.

DH Um-hm.

JM Um, we can, they have rights that go along with that permit to carry.

DH Okay.

JM That we need to be mindful of that when we have encounters.

DH Okay.

CO Is that specifically uh taught at Use of Force training?

JM No.

CO Okay.

JM Not specifically, maybe I didn't, I, that's a bullet point somewhere in any of the training that I've ever delivered though.

CO Okay. So there's not uh, a protocol that exists. This is somebody identifies themselves as having a permit to carry we're gonna follow the following protocol. That doesn't exist.

JM Yeah, no.

CO Okay. Alright.

DH Can you tell me, I wanna go back to your Use of Force training again, what, what specifically are the officers...

JP So there is not a policy for permit to carry?

JM I specifically can't recall when in this, in our rules and regulations, our policy, principles and practices manual per se.

JP So what does that mean in terms of the officer's reaction or responses to that situation?

JM Could you...

JP If there's no policy or procedure, what is an officer supposed to do when the motorist says I have a firearm on me?

JM You, you, you caught me off guard here. I mean I just, I'm not recalling a policy right now on it. What is an officer supposed to do?

JP What...

JM What would I, are you asking me what I would do or what an officer should do?

JP As a trainer what would you advise officers to do when a motorist pulled over for whatever reason says officer um I have a firearm on me or I have a permit to carry.

Marti This is a hypothetical question. It doesn't deal with a particular situation or any training that he's conducted in the past or is it, are you asking for what he would advise in the future as compared to what the training advice was in the past?

JP I'm not asking for what you advise in the future. I'm asking for what uh what you would tell a patrol officer prior to this incident.

JM Well I...

Marti Just a moment, if we could focus on what he did do and not hypothetically about situations um that looking back on thinking about what he might have done.

Marti Were there situations where you advised or trained?

JM I, no I don't, I never trained officers on what to do on traffic stops when they encounter an individual with a permit to carry.

CO And have you in your occasion while you're working on a patrol capacity had occasion to pull someone over with a conceal and carry permit?

JM Not to my knowledge.

CO Okay.

JM I'm not saying that didn't happen.

CO I, but not...

JM Not that naïve but...

CO (inaudible) this interview?

JM No.

CO Okay.

DH So can you tell me, I apologize. Um, can you tell me what is, what is taught to the off, what you have taught the officers in the past when you were the lead instructor or a instructor and what the officers are taught now about the use of deadly force?

JM What I've taught them is what uh what would appear on slides that uh that are directly reflect the uh state statute.

DH Okay.

JM Regarding deadly force and then that stat, that language is mirrored in our policy so that's what we'd go over and that's what I would teach.

DH Okay.

CO And that's 609.066?

JM Right.

CO Okay.

DH So do you or have you ever in the past, in the past let's say four and a half years, ever use any type of FATS training which is which is a uh Firearm Simulator?

JM Yeah, Officer Schrowvan of uh obtaining that the software, laptop, etcetera from I think it was Columbia Heights Police Department.

DH Okay.

JM So we did do that training and we did uh...

DH Do you remember when (inaudible).

JM Not necessarily as depart, uh as defensive tactics trainers I mean we were, we were in the room but we also had our firearms instructors there as well at least one I believe it was.

DH So did you go to Columbia Heights and do it then?

JM No, we brought, we had this was, this is simply a laptop.

DH Right.

JM That is able to load software with a projector and then uh props so to speak so let's say an OC canister or an old you know our pepper spray uh canister uh I believe there was a uh there was a taser and then there was a, there was a firearm. There was some issues with the software that I, that I remember and with the props that I think the firearm was the only thing that was interactively responsive with the, with the uh, with the training uh examples that were provided officers. That was...

DH Do you remember when you did that? Was it this year?

JM Two if not three years ago.

DH Okay.

JM I'd have to, I'd have to refer to the training logs or.

DH Okay.

CO With respect to that training, did all of those scenarios end with the uh officer's applying deadly force or was the whole purpose of that, what's the purpose of the FATS training in your estimation?

JM The purpose of the FATS training was to give had, do some other type of of uh scenario based training outside of having the, the physical actors you know like for example somebody in a red man suit or whatever involved. It was just another way to, to do some scenario based training.

CO Just for the benefit to those that will maybe reviewing this later. FATS training is involves a person that control the outcome of the scenario that's being displayed uh and change it uh, uh.

JM The, that might be accurate but the, what we had I don't know that it was necessarily FATS, the FATS product.

CO Okay.

JM The product we had, there were, there were only, there were limited things we could do in response to the training video per se with the actors in there. For example, I could push a button when the officer decided they were gonna de, deploy OC and that was supposed to cue the video but there were certain things that weren't working with that software so we couldn't necessarily you know really to my knowledge or recollection change the outcomes per se.

CO Okay. So it wasn't a great training experience due to some software glitches?

JM It, it's, it, it there was room for improvement, yeah.

CO But the purpose of that type of training is uh to provide ongoing quick responses to changing situations and, and having the officer try to uh learn and improve their ability to, to use a certain level of force?

JM Right.

CO And do you use any de-escalation um as a part of that process is the de-escalation um is that incorporated into that training?

JM Well de-escalation in terms of uh you know teaching our officers I mean I know for a fact, me personally teaching our officers when we look at our, our use of force continuums and things like that, you know dialogue and presence are the first two items on those what we call continuums you know um I've always prided our department in, in having uh higher than average communications skills (inaudible) and so just in general you know we should be while we're moving, while we're transitioning into a call we should be, just by our mere presence we're having an effect and were modifying the environment. When we start with verbal, when we say hello or when we do anything we you know we need to sustain a dialogue and we need to find out what is happening and what is going on and people start getting hostile and people start getting upset we need to use those, that, those skills, those present, our presence and our verbal skills to help de-escalate that individual so we can get at that root of what the problem is.

CO Okay, thank you.

JM That, to me, I want to add that's the, you know that's, that's an overshadowing uh that overshadows every training that I've ever been and not only our department training but training I go to in other venues.

CO That's kind of at the core of everything your officers do?

JM Absolutely.

CO (inaudible) component.

JM All officers, not just my officers, all officers do.

DH So talking with de-escalation a little bit more um and I just wanna go back to the red man suit.

JM Um-hm.

DH Um, as a trainer, as an actor in the past if you, example would there ever be a time where you would present a threat to the officers while you were in the red man suit?

JM Yes.

DH Okay. Um, how would that go forward? If, if the officers gave you the proper commands, would you then...

JM Comply?

DH Yeah comply?

JM Yes.

DH Okay. And then as you complied their force would, would de-escalate?

JM That would be our target and result, yes.

DH Okay. Is there ever a time that you can recall that you were in the red man suit working with uh Officer Yanez that he didn't, he didn't comply or do what he was, what would've been a customary or appropriate for that situation?

JM No.

DH Okay. Is there ever a time where, and this is training, where were any of your officers have, have done something that you have to council them on, in their, their use of force?

JM That, the counseling per se would come more than likely in that refreshment, the refreshment stage where we're, we're just refreshing the skill.

DH Yep.

JM So we're doing straight strikes you know, reactionary strikes, those, you know and we're going, we're, we're in the drill floor so to speak...

DH Okay.

JM Going through the drills. That's where the time for, for, for that would've, would've been done I mean I don't really recall being in a training environment either as the officer that's on over watch over this, over the red man interaction.

DH Yep.

JM Other than you know maybe correcting somebody's form.

DH Okay.

JM So, no.

DH Okay. So I'll move on. In those scenarios or, or in your training, have you ever used any, any traffic ty-, traffic stop type training with the officers?

JM The only thing that I've used ever is um you know attempting to safely extract somebody out of a vehicle.

DH Okay.

JM Um...

DH And that...

JM And we've employed the vehicle.

DH Okay.

JM There's been other times on the firing range where our officers uh and our out department outdoor shoot that we do once a year we've been able to you know exit a vehicle or maybe shoot through a window, those types of things but uh that would be about the extent of where we've used, I've used the vehicle per se or been involved in that type of training.

DH Just so I'm clear, at the range you're parking a squad?

JM Right, we're rolling up as the officer...

DH And they're reacting to some type of threat?

JM Right. So we're either let's say we're, we're disengaging a long gun out of a, out of a secured gun lock.

DH Yep.

JM You know normally you know officers don't practice doing that so that one time of year we can get that exposure for officers with their long guns to okay let's get it out of the, this lock. Does everybody remember where the locks are first off you know that type of stuff and then uh yeah but as far as deploying the weapon, no.

DH Okay. Chris?

CO I've got a couple follow up questions and just we didn't state this in the beginning but I think what we have been doing is uh adjourning the meeting temporarily and then we're gonna caucus briefly and maybe invite you back for a couple follow up questions if that's okay.

?? (inaudible)

CO Okay. And uh before we do that uh when, when were you a chief or when was when did that transition take place? Is there a date?

JM That was a soft draw transition I'll tell you that was uh

CO Handing over....

JM When I realized I was chief versus when the city manager realized I was chief, the hard date was set to be September 1st.

CO Okay.

JM That, that didn't happen. Um, you know the, the transition was setup between the former chief and the city manager and I'll let them speak to what that transition was supposed to be. I was set to be chief on September 1st.

CO Okay so at the time of this event you were acting?

JM I was acting um I became formally became chief and I I'd have to get, you'd have to get me a calendar out. I'd have to look. It was, it was, it was uh I want to say right around the week in, whatever those dates were, August 15-16th-17 range, that week.

CO Okay.

JM It was a Tuesday I remember that because I was having some rather uh heavy discussions with some of my staff, my sergeants and I had just realized at that point that you know I, I uh I need to reconnoiter with the, with the chief, with the, with the city manager here and ultimately the a, the, I was, I was, I was made chief at that point.

CO Okay, that's okay I just was just trying to verify you were acting.

JM I was act.

CO Okay thank you, the exact date actually isn't...

JM Yeah.

CO ...not that important to me. Thank you. Uh do you have any concerns uh, w' but first of all what kind of relationship do you have with uh Officer Yanez? Um can you articulate that?

JM Well it be you know relationship with Officer Yanez was Sergeant Officer...

CO Supervisor?

JM ...supervisor...

CO (inaudible)

JM ...so yeah.

CO Um for four, four and a half years or however long it's been. So you, you've always been a Sergeant since he came on with the department?

JM Yes.

CO So you've always been (inaudible)?

JM I wa' I've always been a s' a supervisor to him yes.

CO D' do you have any kind of personal relationship with him outside the scope of work?

JM No.

CO Okay. Ah do you have any concerns uh with Yanez with respect to uh during his FTO as Patrol Officer uh during your Use of Force uh instruction period, do you have any concerns in capacity?

JM Well if, no. You know. I, I w' I, I provided an interview to the MPR uh to uh, to uh no wait was it to, which one of uh and in, I did anyway, I did a, I-I did a, I did a in person interview.

CO Um-hm.

JM Where that very same question was asked of me yeah.

CO Okay.

JM Up to this point I've had no, I've had no reservations at all.

CO Okay. And do you, you're not aware of? You would be aware of if there's any (inaudible) disciplinary action uh for Officer...

JM To my knowledge there is not.

CO Okay. There's a slide I wanna talk about briefly that's on ah page 6 (inaudible).

JM Of which?

CO And it's uh Prepare for Deadly f' Force comma Assault question mark. Um yeah which page 6 is the question, yeah it's right here. This is what I'm lookin' at. Uh this from the 2016 uh training materials that we received, give you a chance to review that briefly. (pages turning) There's a, at the very, the very last bullet is W-I-T uh and then parentheses it says whatever it takes. Can you just articulate or expound on that? Uh...

JM Uh...

CO ...give some context maybe.

JM Well you're in the, when you're in the heat of a deadly force encounter and I'm, and I'm, I'm speaking to what it means to be up close and personal, and now it's either, it's, it, it's, it, you're life is going to be taken from you if you don't do whatever it takes. You've gotta do whatever it takes.

CO Okay.

JM Because you know, I've ultimately have an obligation to myself as a police officer to that you know and, and a family at home that I'm gonna come home at the end of the shift. That if that, I'm (inaudible), I'll put it in contacts for...

CO Um-hm.

JM ...for me. And as a training officer whatever it takes in terms of being in the heat of that. encounter and it, if your life is going to be taken from you.

CO So this slide is addressing a critical life and death event? Um and it's a, I don't wanna put words in your but...

JM Well I uh if you're speaking to the whole, if you're speaking to w' whatever it takes that's what it, that's what I'm speaking to. If you're speaking to this slide and having a pre-practice plan, which you brought up before that, I mean that's been a training Muttra for me as an instructor and as a police officer having pre-practice plans. You know, I don't know how every encounter is going to shake out, but what I've used this in explanation to officers it that I've taught is that you know, the location of uh the uh gas station at the corner of 33rd and Stinson, it's not moving. It's not changing. We called to a robbery in progress so to speak, we're gonna approach that based on what our dispatcher's able to tell us. There's only a few ways we can approach that building. Right? So we, we can have pre-practice plans for those, for those types of involvements, but we can also have pre-practice plans set up in our minds of how we're we are going to react if somebody pulls a gun out of their pocket or a knife out of their pocket, or is walking towards us with a tree branch in their hand. How are we gonna react to those? We should start mulling that over in our heads cuz we should have you know, with physical training comes mental training and you see Olympic athletes

doing that and now I'm saying I'm bringing that type of training into our, into our police department but we should all be taught this end of the fact that we, we have to have a, we should be having pre-practice plans.

CO Vis' it, visualization.

JM Yeah visualization.

CO Okay.

JM As a training aid.

CO Alright thank you. Uh, just can you articulate to the extent that you can uh Yanez's temperament? Uh his, his disposition at work, uh, uh both in terms of—there are different personality types in law enforcement and uh and just as there all in all professions, just to the extent that you can, how would you describe Yanez's temperament?

JM Easy going. Uh I, I would remark at the, the young men that I had working on my crew. Uh he, he being one of 'em at in different rotations and how well they got along together, the ease at which they got along together ya know.

CO Yeah.

JM They're very e' even tempered individuals.

CO And uh how uh treated citizens uh whether they be suspects or victims or what's his?

JM As I also indicated in that uh, in that uh, Associated Press Interview that I gave was one of the reasons why he was accepted into that Crime Prevention Program as, a Crime Prevention Officer, is his ability to interact.

CO Well uh I'm jumping all over and I appreciate ya following along with me but we talked briefly about threat recognition (inaudible) at one point those were your bullets and, and modified, what's the purpose of teaching threat recognition? What's?

JM Well the purpose of teaching threat recognition is because we all would, we do 'em as police officers, as officers in general, we do not know what we're walking into.

CO Alright. So it's an officer safety?

JM Yes it's officer safety and also you know getting to that excited delirium and other things I, I, I'll, I feel I need to expound on a little bit is that there are so many more things that officers maybe we should chan' change this recognize the threat to recognizing what's going on. I don't know what, what we could better term that as because w' were not training to recognize the threat as much to as where now we're training much more broadly to recognize okay what are we dealing with? Is this excited delirium? Is this, yes this is a threat but what type a threat is it? You know, is the medical issue? Is this a, uh you know, uh, a, a chemically induced issue that we're, we're having to manage here? Or is this just somebody that's heck bent on hurting somebody? You know, because they want to.

CO There's several bullets listed there and uh one of multiple whatever present uh you train our officers uh to respond differently.

JM Yeah.

CO Okay. That response, that different response would involve uh, what? If you, if you, what would that?

JM It involve training and experience. Is that fair to say?

CO I think so. Um cuz video...

DH I just...

CO Oh go ahead.

DH ...just ask one thing. In a use of force encounter, who, who typically will, will determine the amount of force used?

JM The subject is gonna, is gonna dictate that.

DH Okay. Chris.

CO And I think maybe we asked this uh already but there's no specific training that St. Anthony offers with respect to squad positioning on traffic stops. Uh I mean maybe during an FTO process but not during a formal training.

JM Hard formal training no not that I'm aware of.

CO Squat positioning, officer positioning, with respect to the (inaudible) of the car, the window, that's, to your recollection that's not...

JM To my recollection that was field training 101 that was uh skills...

CO ...skills.

JM ...101 before I got into the police department.

CO Okay. Does anyone—I know you haven't viewed the video, uh has do you have anyone else, have anyone uh from your department that viewed the Yanez...

JM No.

CO ...squad video?

JM No (inaudible).

CO Alright. So (inaudible) at this time Agent Kane?

DH Just wanna...

KK (inaudible), the break here.

CO Okay. Alright.

DH We could just, and then we'll just take a break.

CO Sure. Alright.

DH The time right now is 10:22. I'm gonna stop the recording.

(Break)

DH We're back on the record. Ah everybody that was uh originally identified is, is present again in the room. The time right now is 10:40 am and we will uh continue this, this interview. Um the first thing I'd like to go back over is, does your department have a s' a standard for traffic stops? I mean how the officers are taught to do a traffic stop. So if you hire a guy that you know has went through skills and had the basics but, is doing something wrong or unsafe, how are they taught to do traffic stop?

JM There a policy and procedure in the manual related to traffic stops, but you know again that gets back to the hard skills are taught or are gonna be uh accessed and developed in field training.

DH Okay. So what, what would an officer be taught on how to do a traffic stop like...

JM Pre-exit activity let's say.

DH Okay and what that include?

JM For the time you observe, let's say that traffic violation you have pre-exit or you know pre-stop things that you're gonna have to think about and I'm only...

DH Right.

JM ...I'm only going back c' now this is my perception here of it...

DH Okay.

JM ...is that you know, where am I at? I've gotta safely move this vehicle, this squad car I'm driving...

DH Um-hm.

JM ...either around on that vehicle or position it with that vehicle in traffic and safely stop on the side of the road.

DH Okay.

JM Okay. What are all those considerations that go into it? You know you gotta have your head, it's gotta be a 360.

DH 'Kay.

JM You've observed the violation. You've made a successful safe stop. You positioned your squad on the side of the road, you know maybe some officers may choose the squad; canting it. Some may do less of that, you know ah maybe position it farther in on the should you know, who knows.

DH And the reason for canting it would be to create a safe lane.

JM Safe zone.

DH Safe zone...

JM Safe zone.

DH ...for the officer to approach correct?

JM Now pre-, pre-stop, pre-exit would be you know let's say either notifying partners via radio or maybe notifying dispatch and thus notifying partners that you're making this stop, where you're at, what you're doing and then recording license, running a license plate, trying to ascertain who is in that vehicle, how many occupants are there. Lotta times when vehicles are whizzing by us at 55-60-70 miles an hour we see a driver, we see a violation, but we don't see that there's a kid in the car seat. There is, and there's three adult occupants ya know.

DH Yeah.

JM I mean so we, we're making as man', what 'eh, what, what can we observe of our uh of our environment.

DH Okay.

JM Of that vehicle, what's around us now.

DH Okay.

JM Hopefully we chosen the good place to make this traffic stop.

DH So I wanna go back to the radio. Is, is, is there a hard fast rule that the officers have to call in their s' (inaudible)?

JM No hard fast rules as far as calling anything out to the main dispatcher.

DH 'Kay. And why is that?

JM You tie up uh, you tie up uh a written, main radio time.

DH Okay so there isn't per say a main channel for normal traffic and then a side channel for traffic?

JM We have secondary channel that we use.

DH Okay and is that a...

JM It's not a monitored channel.

DH (inaudible)

JM What I listen, you and I are out working the street and I'm letting you know that we're going on traffic.

DH So car to car?

JM Car to car.

DH So that isn't a channel that is monitored by the Comm Center?

JM No.

DH So the officers aren't per say calling the Comm Center, they're calling their partners?

JM Correct.

DH Okay.

JM And hopefully their partners are monitoring.

DH Okay and the reason that you don't call the dispatchers because uh radio traffic is at a premium?

JM Sure.

DH Okay. So then we'll go forward. You're stopping the car. I make some type a radio traffic; either my partners or somebody else and then and, and what other things happen? Like would you run...

JM Say that again.

DH ...a plate?

JM (inaudible)

DH You'd r', you'd run the plate um...

JM So the registered owner's information comes up.

DH 'Kay.

JM Driver's license information if, if I keep hit my buttons on my screen to advance things, I've tried to make a general you know, I've tried to make some kind a general observation is, is what I'm seeing on this computer screen which is limited information matching what I have let's say in the cockpit of that car.

DH Okay.

JM it's a, it's a...

DH Or does the plate match the car out (inaudible)?

JM It matches all kinds of things like that.

DH Okay.

JM We're, we're trying to match up whatever data we can get out of that to what we're able to observe.

DH Okay so we're at the point where we've, we've actually activated our emergency lights?

JM Um-hm.

DH Is, is there any type a policy that says lights and sirens or lights or?

JM Acting you're a, you're activating your, you're activating your intentions meaning your, your, your lights to...

DH 'Kay.

JM ...to signal that driver to pull over.

DH Okay. And then what happens after you have the car pulled over?

JM Well position hopefully accordingly.

DH Okay.

JM Now you're scanning environment again, 360, but you know observing what's going on in that vehicle. Are there any people moving in, we, we call 'em furtive you know ways.

DH Yep.

JM And then uh ultimately exit the vehicle and approach that vehicle. I exit our squad and approach the vehicle.

DH Okay and...

?? Do you have the policies here; the documents?

DH Uh I've, I've only got the Use of Force policy. I do not have all of them.

?? The training or the (inaudible)?

DH No I do not have the training manual. I've not asked for the training manual.

JM So I'm s', so I'm speaking to these soft skills that we all glean through. Again going back to going through uh, going through skills.

DH So and, and I just wanna make sure I heard you right. There is that you're aware of, there's no hard and fast policy on how to do a traffic stop?

JM The, no.

DH Okay. Um so I'm just, I'm just trying to get a general idea of how St. Anthony, it conducts a traffic stop. It's and from department to department there's, there's nuances, there's uh different things that people do, some, some departments will require; you heard the chief say that, that they'll cant their vehicle? Some departments are hard and fast and require that you, you cant your vehicle; turn your wheels a certain way to create that safe zone as well as if the squad car gets hit the reason you turn the wheels so it pushes the squad and then, away from the officer and, and the motorists are.

JM Suffice to say if I can cut to the chase...

DH Yes.

JM ...there's officer discretion.

DH Okay. Okay. Um what type of things would an officer look for as they make contact with a driver?

JM As you're approaching you're looking at what's in the vehicle.

DH Okay.

JM What can you see in the vehicle?

DH Okay.

JM Is there anybody hiding in the vehicle? Okay all, you're, you're, you're being as observant diligent as you possibly (inaudible)...

DH Um-hm.

JM ...knowing full well that you don't know anybody that, you know.

DH Okay.

JM You're meeting people for the first time here.

DH Okay.

JM And you don't know who you just stopped. Even though you ran that plate, you might know who owns that vehicle, but you don't know that owner is in that vehicle.

DH Okay.

JM Okay.

DH Yep. Um how would or how have officers been trained to do high risk, to traffic stops?

JM With two or more uh officers...

DH Okay.

JM ...approaching that vehicle and then, then considerations from there as to more help or other resources depending on what you're observing, how many occupants are in the vehicle you know, nature of the reason for the stop and you know may dictate in to see, doing different things.

DH Okay.

CO Is that also a discretionary thing uh terms of when to uh deploy a high risk stop and when not to?

JM I would have to say so on based on...

CO On a case by case basis?

JM Yeah. Based on what that officer is well what, what, what is known to the officer at the time the officer is doing that. Ya know? That activity.

DH Is there situations that fall in between unknown a normal traffic stop and a high risk stop? Where you might not, you may not do a felony stop per say. You might be...

JM Well you know, been doing this for 22 plus years. I can, I'll never discount that there's gonna be situations that are in a bare discretion and bare you know, having to rethink things or having to think on the fly.

DH 'Kay.

JM Okay I, we'd never wanna be the uh the officer or be the supervisor for that matter that shoe horns somebody into something just you know because we've always done it this way or because uh X, Y and Z well, sometimes it's there's no X, Y and Z. There's no 1, 2 and 3.

DH So what you're telling me is every situation is...

JM Is.

DH ...is different and the officer has to act to the fact...

JM That's one of them.

DH Okay. Um does your department specifically have any training on how to handle um a permit to carry holder?

JM No.

DH Either in the car or on foot?

JM No.

DH Okay.

?? Are you aware of any (inaudible)?

JM Specifically designed for police officers no.

DH 'Kay. How would you if you officer come to you right now, how would you and say if I encounter a permit to carry holder how would you direct them to handle that?

?? So this again is a hypothetical question?

DH Yes.

?? Based on exercise of his judgment right now but not policy or practice or training being conducted at the department, that be accurate?

DH That'd be accurate. This, I'm asking him as the chief if I'm one of your officers and I came up to this afternoon and said chief I encounter permit to carry holder what should I do?

?? And that, and that answer would be based not only on your experience but in training including your experience leading up the incident of s' subject of the investigation.

JM Okay.

?? If you're willing.

JM You're asking me what I'd do as the chief or what I do as another officer or I'm doing as a Sergeant or?

DH Why don't you tell me what you would do if, be how you would handle it if you, you pulled me over I would say...

JM I would handle...

DH ...and I'd say...

JM ...here's what how I would handle it. I'd handle it knowledge is power. 'Kay? And I would uh consult I would figure out the who the reces' uh resource started consult and if need be I would, I would attempt to get some training for that officer.

DH Okay. So what you're telling me is...

JM I can, I-I could speak in generalizations with that officer that if I was in your shoes, this is how I'd handle it but that would, that's not formal training.

DH Right. S' so you'd tell me that you'd look into it and you'd get back to me?

JM Yeah.

DH Okay. Fair enough. Um...

CO T' I'm, I'm just uh, I know for (inaudible) questions (inaudible), just generally speaking is there, as a seasoned police officer who's made hundreds if not thousands of traffic stops, um what would a, a prudent and a reasonable response be? The, in the St. Anthony Police Department uh what would like to see your officers doing in that situation? There's thousands of concealed carry permits (inaudible) so...

JM I would like to see my officers open dialog and have that permit on you. Go through these, those check questions. Do you have your, do you have your driver's license and proof of insurance? Do you have your permit to carry card?

CO You but want them to be cognizance of what...

JM Can I see your hands? You know just keep your hands up on—I'd you know honestly as a, as an experience officer, all of this would be done conversational.

CO Right.

JM Won't be, you know I, there would, there would be a soft approach to this. No that let's keep our heads and you know lets, let's try to be reason' unless some' something was given to me that where I, where, where I felt that there was some type of threat. Then I would treat it differently.

CO And you'd probably be looking for that information coupled with what talked about earlier um under threat recognition (inaudible).

JM What do I see? What do I hear?

CO (inaudible)...

JM What do I smell? What, exactly.

CO I understand. Okay.

DH I wanna go to firearms training. Over the past four years have you ever, ever done any type of training where you teach the officers to look at the background of what they're shooting at?

JM I'm not a firearms instructor.

DH 'Kay.

JM I don't do that training. Um, I could you know, hypothetically speaking if, if, if I was standing in a training room training, the training officer or not and I, and I thought (inaudible) hey wait a minute you know. As a seasoned officer I'd say hey wait a minute, I got a question. Should we be (inaudible)? You know I'd even, might be even looking at the instructors. Should we be watching this here? Is this you know, is this part of the scenario. No I'd, I'd bring it to somebody's attention.

DH Okay so let me ask you this in a different way.

JM 'Kay good.

DH Um you've, you've been to this same firearms training that your officers have been to over the past four years.

JM Um-hm.

DH Cuz you u' utilize Ramsey County?

JM Right.

DH Has there been any training by those instructors they talked about identifying what's in the background as you, as you shoot?

JM Yes.

DH Can you tell me what you recall from that training?

JM Well there's standard line training where they have targets.

DH Okay.

JM Where there's a good guy, the good guy in front, the bad guy maybe around the good you know holding a weapon that type a stuff.

DH So in a hostage type situation.

JM And there, there the instructors are verbalizing some you know, some things they consider prior to all of us on the line performing the drill.

DH Okay.

JM We have done some uh, they have set up some you know column; Hogan's Alley so to speak...

DH Okay.

JM ...so some mock hallway with a room...

DH Okay.

JM ...and we've, we've gotta clear that hallway and clear that room.

DH Okay.

JM And there's uh there's, there's instru' you know verbal instruction and just dialog as, as it pertains to you know recognizing the threat. Rec' recognition and then you know what else is in the room?

DH Okay.

CO Thank you.

DH I don't have any...

CO Uh what uh real quickly, you share that channel from St. Anthony that, that main dispatch channel with a variety of agencies right?

DH Yes.

CO Do you know who those other agencies are or how many there are?

JM I wouldn't be able to give you a hard count on how many there are 'cuz there's, there's but suffice to say there's Ramsey County, there's, there's ah Roseville and New Brighton and Moundsview.

DH A multitude of law enforcement agencies sharing one channel.

JM Just, just among the sheriff's office alone there's multiple departments within that organization, not just their patrol officers but transport deputies and other things that are using that channel.

CO Okay.

DH So I-I just wanna ask something, maybe clarify this question a little further. How many radios are in your squads?

JM Three.

DH So and and and what are they?

JM Two trunked radio systems so two radio systems housed in that squad and then the one on the belt.

DH Okay so one for Hennepin County, one for Ramsey County, separate right depending on where the officer's working?

JM And depending on how they're setting the radios though.

DH Okay. I don't have anything else.

?? So.

?? (Inaudible)

CO So on a high risk stop situation I understand it different from the ordinary pulling somebody over for speeding or whatever but if the officer thinks it's gonna be a high risk situation um, what is the supposed to do with (inaudible)?

JM There should be, you should be notifying dispatch of ah, the nature of the stop, location, you wanna notify your partners. You may be asking for resources that the dispatchers going to obtain for you in regards to this stop, before the stop is even happening. Hopefully you're, you're able to somewhat dictate where that stop is occurring now if it's a police chase they don't have, you're not dictating that at all.

CO For the purpose of notifying dispatch in a high risk situations, what?

JM Let everybody know where you're at.

CO I have nothing else uh thank you for coming in Chief...

JM Hm.

CO ...appreciate it ah...

DH I'm gonna end the recording, the time right now is 10:59 a.m.

END OF RECORDING.

MINNESOTA DEPARTMENT OF PUBLIC SAFETY

Bureau of Criminal Apprehension

1246 University Avenue, St. Paul, Minnesota 55104-4197
Phone: 651.642.0610 FAX: 651.642.0618 TTY: 651.282.6555

CRIMINAL INVESTIGATION WARNING

You are hereby advised that you are being interviewed by a Special Agent of the Bureau of Criminal Apprehension as part of an official criminal investigation. This investigation is separate from any internal investigation that may have been conducted by your employer. You may already have been interviewed pursuant to an internal investigation. If so, you may have been told that your statements could not be used against you in any criminal proceeding. It should therefore be clarified that any statements you give to BCA agents as part of this criminal investigation can be used against you in a subsequent criminal proceeding. If any representation has been made to you that you must or should answer to questioning by BCA agents as part of an internal investigation, you should disregard that representation.

ACKNOWLEDGMENT

This statement is given by me voluntarily. I am not making this statement because of threats made or pressure exerted on me by my employer, anyone associated with my employer, or any other individual. No consideration or reward has been promised to me in exchange for my agreement to make a statement.

I HAVE READ THIS DOCUMENT AND FULLY UNDERSTAND ITS CONTENTS.

Supplemental Report

ICR: 16005703

Last Modified: 07-03-2016 1906

Title: Robbery

Created By: Tressa Sunde

On 07/02/16 at about 1937 hours. I (Sunde) squad 6921 and 6920 (Yanez) were dispatched to 2424 Larpenteur Ave (Super USA) for a robbery that had just occurred. While enroute, squads were updated that 2 males had entered the store, pointed guns at the clerk, stole money and fled in an unknown direction.

I was about 2 blocks away at the time of the call and requested a description of the males and direction of travel. There was no further information given upon my arrival.

I entered the store and could not see the clerk, there was a customer standing at the counter. The male clerk, (Beyene) came out from the back room and was on the telephone. I asked him what direction the males had left and a description. He pointed toward Eustis St to the south and said they were black males with handguns.

I aired the information to Office Yanez while he was enroute and left the scene to do a quick search of the area. I drove southbound on Eustis and visually checked the parking lots of the apartment complexes and businesses along the way. I did not see anyone running away or who looked to have been involved in the robbery.

I returned to the scene and Officer Yanez took over the scene from the outside of the store as I relayed information. Roseville Police sent 2 officers to assist with a perimeter and St Paul K9 was requested to assist with searching.

I advised Beyene to contact the owner (Tensae) to come to the scene so we could access video. Tensae arrived a short time later and allowed me to access the camera system.

I viewed the cameras and found on the system that at 1936 hours (time on the system, unsure of the accuracy), 2 black males entered the store, the first male was wearing blue jeans, a green plaid (small checks), long sleeved shirt, a baseball hat with marijuana leaves on it, had longer than shoulder length dreadlocks, dark colored shoes with white on them and wearing glasses. He also had a black and blue bag hanging 'cross body'. He possibly had a mustache but was hard to see in the video.

The second male was wearing tan pants, tan shoes with white soles, a green long sleeve jacket, a green baseball hat and had shoulder length dreadlocks. Some of the dreadlocks had been pulled into a bun and were pulled thru the snap on the back of the baseball hat. He was also wearing glasses, had a small mustache and some facial hair on his chin. He pulled a dark colored gun from the right side of his waistband and pointed it at Beyene. I saw Beyene open the register and back away from the counter. It appeared in the video that Beyene then laid down on the floor.

The male in the plaid shirt walked casually behind the counter, went into the back room, grabbed 3 cartons of Newport cigarettes then walked over to the register and took the cash out of the drawer using his left hand. He was holding a small gun in his right hand, he did grab the inside of the drawer and lift it up to look underneath for larger bills. He did not appear to be wearing gloves.

The male leaning over the counter then put the gun back into his waistband as a female entered the store and walked toward the back by the coolers. Both males then left the store. Beyene got up and pressed the alarm button under the counter. The suspects were in the store for approximately 1 minute and 7 seconds.

St Paul K9 (166) officer arrived and started a track from the last known location. They tracked south toward Idaho and then east toward the apartment buildings before losing the scent. While speaking with another St Paul squad, they advised they had stopped a vehicle around 1700 hours bearing MN#382ULH and one of the occupants, Brown (nmn) Dennis (07/10/93) looked strikingly like one of the suspects from the robbery. They advised me they have squad video that can be obtained if needed.

Ramsey County Crime Lab Deputy Haider arrived onscene to process the scene. (CN 16029808).

See Officer Yanez report for further details.

Tensea advised he would provide a copy of the video after the holiday weekend.

Title: Robbery

Created By: Jeronimo Yanez

On 7/2/16 at 1937 hours, Officer Sunde and myself were dispatched to 2424 Larp. Ave. W. (Super USA) for a robbery at gunpoint. The only information we were given while in route, was that it was two suspects and one of them had a gun. I arrived to the area and was updated with information the suspects may have fled southbound Eustis St. from Larp. Ave. W.

I positioned my squad to block the east entrance to the parking lot. Mikias Beyene (RP/Victim/Super USA Employee) came outside of the business and Officer Sunde arrived after checking the area. There were still other customers on scene and they were told to leave. Note that all of the customers that were there when we arrived were not witnesses to the robbery. They arrived as we were pulling up on scene. I went to speak with Mikias for suspect information.

Mikias told me the two suspects were African-American Males in their mid to late 20's and both of them had dreadlocks. He stated they were both wearing "Snap-back" type hats. One male had dark sunglasses and the other had regular glasses on. He also told me that both of the suspect males both had black handguns. I aired the information for squads coming into the area to assist us.

A perimeter was set up and the information was aired about the suspects. Two St. Paul Squads (one K-9 and one two person squad) came to perform a K-9 Track. Two Roseville squads were sent to

assist with the perimeter. Officer Rushton came to assist on a perimeter position as well. The K-9 track went southbound Eustis St. and ended approximately three-four blocks southeast of our location, in the parking lot of 1570 Eustis St. The St. Paul K-9 Officer told me the suspects may have got into a "get-away" vehicle in the parking lot.

I went inside of the business to review video to give information about the crime scene to Ramsey County Crime Lab before requesting them. I observed four females (3 Caucasian and 1 African-American Female) and one Caucasian male at the register counter. It was difficult to tell if any of them made contact with the register counter. These customers arrived after the robbery happened and they were not witnesses.

I requested Ramsey County Crime Lab to our location. Ramsey County Deputy Haider came to process the scene.

Please refer to Officer Sunde's report for other details about this robbery.

Title: Robbery -Video

Created By: Mike HuddleOfficer

On 07-05-2016 I (Officer Huddle) contacted Super USA owner Samuel Tensae regarding obtaining a copy of the store video at the time of the robbery. Tensae stated he would obtain a flash drive or DVD to record the video later today. I advised him that I had a flash drive available and would be able to meet him at the store to copy the video onto it.

I met with Tensae at the store at approximately 0715 hours. I assisted him in attempting to record a copy of the video onto the flash drive, but was unsuccessful at that time, as Tensae was not familiar enough with the system to copy the video. He reach and IT support person who stated he would be able to assist Tensae in obtaining video later today. I left the USB drive with Tensae to copy the video onto.

Tensae later notified me that the video of the robbery was available. I returned to the store and recovered the USB flash drive that Tensae copied the video onto. The flash drive was property inventoried as evidence at the Police Department.

I created several still photos of the suspects inside the store. The photos will be used for a crime alert to be sent to the metro area. The photos were uploaded to the media section of this case file.

The video shows two suspects, both thin build African American males, enter the store at 19:36:32 hours. A suspect with braided, or dreadlocked hair, wearing a baseball cap with marijuana leaves printed on it, glasses, a checkered shirt, blue jeans, and carrying a blue and black back slung across his body entered the store first. He bypassed the point of sale and walked the length of the checkout counter and walked around to the cash register area where the clerk was standing. A second suspect entered the store at the same time. This suspect (#2) also had braided or dreadlocked shoulder length hair, but the hair was pulled back under a baseball cap with the #3 on the left side. He was wearing dark sunglasses, had a mustache, and was wearing a gray or green colored jacket and light colored pants. He immediately pulled out a handgun from the right side of his waistband with his right hand. He pointed it directly at the store clerk across the checkout counter. The weapon appeared to be a semi-automatic Luger or Ruger style handgun with a wooden, or brown colored, grip. This suspect ordered the clerk to open the cash

drawer and then made him lay down on the floor at gunpoint as the first suspect walked to the open cash drawer behind the point of sale counter.

The first suspect, now also holding a compact sized semi-automatic handgun in his right hand, pointed the gun at the clerk until he was on the floor, then moved to the open cash register drawer. He removed an unknown amount of cash from the drawer and placed it into his left front pants pocket. He then moved to the office area behind the counter, entered the office and took several cartons of cigarettes. Both suspects then left the store at 19:337:39 hours.

I made contact with the Corval Group, a business located directly south of the Super USA building. I was informed that the Corval building does not have video cameras on the exterior of the building in the area of the robbery or facing Eustis St.

I made contact with the BP station across the street. The BP has exterior cameras that face only their own fuel pumps and would not have video of the Super USA across the street.

I placed a request with St. Paul PD records for a copy of the SPPD Police report (CN 16132923) and squad video (Squad 166) related to the traffic stop on MN license 382ULH and its occupants in an attempt to identify a possible suspect or rule the parties out, as Officer Sunde's initial report states that a male occupant of the vehicle was "strikingly" similar in description to one of the robbery suspects. The vehicle was stopped on 07-02-2016 at 1700 hours on University Ave at Asbury St in St. Paul.

Title: Follow Up

Created By: Mike HuddleOfficer

On 07-05-2016 I (Officer Huddle) made contact with Children's Home Society, which is south of the Super USA on Eustis St. They reported that they do not have any video surveillance on the building and had no information regarding the robbery.

I met with the apartment complex manager at 1570 Eustis St. She reported that the building has no video surveillance. I showed her photos of the robbery suspects from the video obtained from the store. She did not recognize the suspects in the photos.

I spoke with the building manager at Lauderdale Hollows apartments. I showed him the photos of the suspects. He stated he did not recognize the suspects.

I met with the building manager at the Rosehill apartments. No one there recognized any of the suspects.

Title: Information

Created By: Mike HuddleOfficer

On 07-06-2016 I returned a phone call to a party (R. Cannon) who reported observing two males that match the description of the robbery suspects. She stated that she works at a the Broadway Family Medical Clinic, 1020 W. Broadway Ave, in Minneapolis. Cannon stated that she saw information disseminated about the robbery in Lauderdale and that she has observed two African American males with "dreadlocks" that match the description of the suspects around the clinic on a daily basis.

She stated she suspects the males to be selling drugs near the clinic and there have been several reports of gunfire in the area that have been reported to Minneapolis PD.

I forwarded (via email) photos of the suspects taken from the robbery video and forwarded them to Cannon in an attempt to match the suspects to the males she observed, or rule them out as suspects at all. Cannon will show the photos to her co-workers to assist in this matter.

I received the report from SPPD requested on the traffic stop made by St. Paul PD on MN license 382ULH, in which St. Paul Officers Axtell and Diedrich indicated that an occupant in the vehicle was similar in appearance to one of the robbery suspects. The report shows that the squad (Squad 166) was out on the traffic stop for almost an hour. The report shows only a CAD comments for a QMW query result on the vehicle. No narrative from Officers is included. I contacted SPPD records. They verified that no other documentation was with the record/report, only the single page that was provided was all that was documented. The SPPD report was submitted to be scanned into the media section of this case file. I emailed the two SPPD Officers photos of the robbery suspects and requested any information regarding their contact with the occupants of the vehicle.

Title: SPPD SQD video

Created By: Tim Briski

Officer Huddle forwarded me a message from SPPD Sgt Bailey. I contacted Sgt Bailey and requested the squad video of the traffic stop of the vehicle with a possible suspect. I also received the officer involved email addresses and forwarded the crime alert from our case as well as the crime alert from Blaine PD.

On 7/14/16 I was advised by Sgt Bailey that the squad video is available.

Supplemental Report

ICR: 16005703

Last Modified: 08-16-2016 1441

Title: robbery

Created By: Tim Briski

I went to SPPD and obtained a copy of the squad video of the traffic stop involving a BM with deadlocks. I properly inventoried the video.

I later viewed the video and made a copy of a photo of the suspect in the back seat of the SPPD squad.

On 7/12/16 I, Detective Briski received an email from Blaine PD Detective Brian Wiens. He advised that they had an armed robbery at a Casey's General Store on Thursday 7/7/16. He sent me a copy of their crime alert with suspect photos. One of their suspects had a handgun similar to the one in our case. The other guy was wearing a similar cap with marijuana leaves as in our case.

On 7/20/16 Capt Spiess forwarded me an email that he had received from Blake Trantham who works for Washington Co SO. The email included booking photos of Khaled Hussien Mohammed Nur 1/13/1994. Trantham advised that some of his jailors who are familiar with Mohammed Nur believe the suspect in the armed robbery is him wearing a wig and glasses. The shape of his face and chin do look similar.

I forwarded this email to Blaine PD Detective Brian Wiens.

On 7/22/16 SAPD obtained the phone number for Philando Castile-651 485-8361. The cell phone provider for this number is Verizon.

On 7/25/16 I drafted a search warrant for phone records for 651 485-8361 on 7/2/16 between noon and midnight. The warrant was reviewed and signed by the Honorable Ramsey County Judge Stephen L. Smith. I faxed the search warrant to Verizon at 1215.

On 7/27/16 I received a response back from Verizon. I received the call history for cell phone 651 485-8361. There were in-coming calls on 7/2/16 from 1 763 703-0327 at 1720 GMT for 3 seconds listed twice, 1236 GMT for 24 seconds, 1944 GMT for 59 seconds.

There was a call on 7/2/16 from 1 612 417-5740 at 2058 GMT for 13 seconds and a call at 2204 GMT from 1 651 529-4475 for 203 seconds.

I contacted CISA to check for information on the phone numbers that called Philando's phone. Cisa was not able to find subscriber info for 763 703-0327, believed to be a pre-paid phone. This phone was called by an inmate, Bobby Joe Rhodes while in custody for a theft. 612 417-5740 had a 72% match to Chue Her 1/24/87 from Walnut Grove, MN. and 651 529-4475 matches his girlfriend Diamond Reynold's phone.

I found out that all the calls were on LTE or VOLTE. BCA Agent Bill O'Donnell was able to determine that the phone for all of these calls was in the St Paul Dayton Bluff area (East of 35E and South of Phalen Blvd.) See attached map for more detail.

There was one text listed received on 7/2/16 at 2041 (no time zone) from 30368.

On 8/16/16 I received a MRIC Information Alert stating that there was a 3rd robbery involving similar suspects on 8/12/16 at Centermart 1801 Main St Centerville. The suspects fled in a 2006-07 2-door red coupe possibly a Honda Civic with silver rims. I added the updated alert to this case.

Title: BCA Reports

Created By: Tim Briski

On 10/24/16 SAPD, Detective Briski received 2 reports from the BCA. The first report was from the DNA section. The DNA from this case was insufficient to complete testing.

The second report was from the latent print section. This report stated that the two latent prints lifted from item 2 failed to reveal any latent prints that are suitable for comparison.

See both reports that are attached to this case for complete details.

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY DISTRICT COURT
TO: **Detective Tim Briski, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.**

WHEREAS, **Tim Briski** has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

**Verizon Wireless
Attn: Court Order Compliance
180 Washington Valley Road
Bedminster, NJ 07921
Fax: 888-667-0026**

located in the COUNTY OF SOMERSET, STATE OF NEW JERSEY for the following described property and things:

- Call Detail Records for both voice calls and text messaging calls pertaining to target number 651 485-8361, including cell site and cell sector information for the period of 07/02/2016 from noon to midnight Central Time.
- Any RTT raw data available for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central Time, including latitude/longitude and distance from tower.
- Any ERLTE data available showing location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central time.
- All iP session data with cell site locations for location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central Time.
- Tower information including latitude /longitude of tower location as well as azimuth for each sector
- Key or Records explanation Form

WHEREAS, the application and supporting affidavit of Detective Tim Briski was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises,

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

NOW, THEREFORE, YOU Detective Tim Briski, THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

BY THE COURT:

JUDGE OF DISTRICT COURT

Dated : July 25, 2016

10:17 AM

STATE OF MINNESOTA, COUNTY OF RAMSEY

DISTRICT COURT

STATE OF MINNESOTA)

) SS.

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

COUNTY OF RAMSEY

Detective Tim Briski, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the Premises, herein after described, for the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of his/her own knowledge, save as to such as are herein stated on information and belief, and as to those, he/she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

- Call Detail Records for both voice calls and text messaging calls pertaining to target number 651 485-8361, including cell site and cell sector information for the period of 07/02/2016 from noon to midnight Central Time.
- Any RTT raw data available for target number 651 485-8361 for the period of, 07/02/2016 from noon to midnight Central Time including latitude/longitude and distance from tower.
- Any ERLTE data available showing location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central Time.
- All iP session data with cell site locations for location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central time.
- Tower information including latitude /longitude of tower location as well as azimuth for each sector
- Key or Records explanation Form

will be at the premises, described as:

Verizon Wireless
Attn: Court Order Compliance
180 Washington Valley Road
Bedminster, NJ 07921
Fax: 888-667-0026

located in the City of Bedminster, County of Somerset, and State of New Jersey.

This affiant applies for issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

Your affiant is a police officer employed by the City of St Anthony where he has worked for the last 28 years. Your affiant is currently assigned to investigations.

Your affiant is aware that the St Anthony Police Department (SAPD) responded to an armed robbery at Super USA at 2424 W Larpenteur Ave in the City of Lauderdale on 7/2/2016 at 1936 hours. The SAPD provides contract police services to the City of Lauderdale.

Your affiant knows that the robbery suspects were two black males with long dreadlocks both armed with handguns.

Your affiant knows that a suspect who matched the description of the robbery suspects was located and stopped not far from the robbery scene on 7/6/2016. This suspect was armed with a handgun. He was identified and his phone number was obtained.

Your Affiant is aware through training and experience that individuals frequently call and/or text messages to each other regarding criminal activity during and/or after an event has occurred. The Affiant is aware that often information is exchanged via cellular telephone calls and text messages that will show a particular person has or has not had contact with specific persons. The Affiant is also of the belief that a review and analysis of text messages and call detail records regarding the individuals involved in this incident may in fact assist in corroborating or refuting statements made by the individual involved in this investigation. The Affiant is also of the belief that the data sought may generate additional information that may be used as investigative leads to gather further information related to this investigation. The Affiant is also aware that cellular telephone records can often verify the particular cellular telephone tower that the telephone was communicating with and therefore establish that a person is near a specific location at a specific time.

Your Affiant is aware that Verizon Wireless is a foreign corporation located outside the State of Minnesota in the State of New Jersey. Your Affiant is aware that the Court has jurisdiction to issue a Minnesota State search warrant for records held by the above corporation pursuant to Minnesota State statute 626.18, subd. 2.2, which allows a search warrant for records that are in actual constructive possession of a foreign corporation that provides electronic communication services or remote computing services to the general public, where those records would reveal the identity of the customers using those services; data stored by, or on behalf of, the customer; the customers usage of those services; the recipient or destination of communications sent to or from those customers; or the content of those messages.

Your affiant knows that Verizon Wireless conducts business in the State of Minnesota. Furthermore, your Affiant is aware that Verizon Wireless offers wireless communication contacts and/or service agreements to residents of the State of Minnesota.

The Affiant has spoken with representatives of the Verizon Wireless and has learned that they are willing to accept facsimile of the search warrant.

Your affiant respectfully requests that the Court grant said search warrant. Your Affiant further requests permission from the Court to fax said search warrant to Verizon Wireless.

WHEREFORE, Affiant requests a search warrant be issued, commanding **Detective Tim Briski**, (a) peace officer(s), of the State of Minnesota, **and all other personnel under your direction and control between the hours of 7:00 a.m. and 8:00 p.m. only** to search the hereinbefore described Premises, for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Affiant: Tim Briski

Judge of District Court

STATE OF MINNESOTA, COUNTY OF Ramsey District COURT

RECEIPT, INVENTORY AND RETURN

I, Detective Tim Briski, received the attached search warrant issued by the Honorable Judge Stephen L. Smith, on July 25, 2016 (yr) and have executed it as follows:

Pursuant to said warrant, on July 25th, 2016 (yr) at 1215 o'clock Pm., I searched the (premises) (motor vehicle) (person) described in said warrant, and left a true and correct copy of said warrant (with) (in) (at) Verizon Wireless 180 Washington Valley RD
Bedminster, NJ 07921

I took into custody the property and things listed below: (attach and identify additional sheet if necessary)

- Verizon Phone Records for cell phone (651) 485-
8361 for July 2, 2016 from noon - midnight.

Strike when appropriate:

- I left a receipt for the property and things listed above with a copy of the warrant.
- None of the items set forth in the search warrant were found.
- I shall (retain) or (deliver) custody of said property as directed by Court order.

I, Tim Briski, being first duly sworn, upon oath, depose and say that I have read the foregoing receipt, inventory and return and the matters stated are true and correct, except as to such matters stated therein on information and belief, and as to those, I believe them to be true.

Subscribed and sworn to before me this 29th day of July, 2016 (yr)

Notary Public Hennepin County, MN

Some of our jail staff thinks the guy on the right with the long hair is KHALED HUSSIEN MOHAMED NUR, 01/14/1994, wearing a wig. In MRAP, sometimes his last name is entered as Mohammed, sometimes Mohammed Nur, sometimes Mohammednur, etc. In MRAP if you search by first name and DOB only, I think the majority of his bookings (7 pages worth) come up. Looks like he's on probation right now in Ramsey for felon in possession of a firearm.

Warrant I-1

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY DISTRICT COURT
TO: Detective Tim Briski, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.

WHEREAS, Tim Briski has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described Premises, :

Verizon Wireless
Attn: Court Order Compliance
180 Washington Valley Road
Bedminster, NJ 07921
Fax: 888-667-0026

located in the COUNTY OF SOMERSET, STATE OF NEW JERSEY for the following described property and things:

- Call Detail Records for both voice calls and text messaging calls pertaining to target number 651 485-8361, including cell site and cell sector information for the period of 07/02/2016 from noon to midnight Central Time.
- Any RTT raw data available for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central Time, including latitude/longitude and distance from tower.
- Any ERLTE data available showing location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central time.
- All IP session data with cell site locations for location for target number 651 485-8361 for the period of 07/02/2016 from noon to midnight Central Time.
- Tower information including latitude /longitude of tower location as well as azimuth for each sector
- Key or Records explanation Form

WHEREAS, the application and supporting affidavit of Detective Tim Briski was/were duly presented and read by the Court, and being fully advised in the premises.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

5. The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things will be at the above-described premises, .

COPIES TO: COURT • PROS.ATTY • PEACE OFFICER • PREMISES/PERSON

Warrant 1-2

NOW, THEREFORE, YOU Detective Tim Briski, THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED BETWEEN THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

I make the following free and voluntary statement to _____, who has identified himself to me as an officer of the City of St. Anthony Police Department. I know I have the right to remain silent. I also know anything I say in this statement can be used in court as evidence against me. I know I am entitled to talk to a lawyer and have him present now while I give this statement. I also know that if I cannot afford one, a lawyer will be appointed for me without cost. No promises or threats have been used to induce me to make this statement.

These rights have been explained to me by officer _____ and I understand them. _____ INITIALS

STATEMENT

Two black african american guys walked into the store and stood in front of counter. Both took out a gun and pointed at me. The guy were both wearing hats, dread hair, both wearing glasses. The short guy looked at me and I asked what do you want. The guy told me to open the register. The taller guy started walking towards the back and came to the register. In the meantime the short guy asked me to lay on the floor. The taller guy took out the money from the register and the short guy was pointing his gun on me. The tall guy went in the back room. I noticed him having 4 to 6 boxes of cigarettes. Both guys were wearing dark hoodies. The guys both left the store right away and went to the right back of store and left. Another customer was in the store by the fridge and came to the register to check out. I pressed the security button right when they walked out and called 911. One of the taller guy was familiar. I have seen him before here at the store before.

I hereby certify that I read or have had read to me and initialed each page of this statement, consisting of _____ pages; that the statement is true and correct to the best of my knowledge; and that I have received a copy of this _____ page statement.

Assist St. Anthony P.D. on taking photos and lifting finger prints after a robbery accorded at 2424 Larpenteur Ave in the city of St. Anthony MN.

Primary Narrative By Douglas Haider, 07/02/16 22:27

On 07/02/2016 at approximately 1950 hours I Deputy D. Haider was dispatched to 2424 Larpentuer Ave in the city of St. Anthony MN. Per Commander Loots St. Anthony P.D. needed our assistance in processing a crime scene.

When I arrived on scene St. Anthony officer J. Yanez #151 informed me that two black males robbed the store at 2424 Larpentuer Ave. Both displayed handguns and took money and cigarettes. Officer Yanez showed me a short clip of the security video to see where the male suspects might have touched the counter to lift possible finger prints. After watching the video I attempted to lift two possible palm/finger prints within the area of where the one suspect touched the counter top. The video appeared as if both suspects were not wearing gloves during the crime. The two collected palm/finger prints were placed into evidence at 1411. I also took photos of the scene and tried to lift possible DNA from the suspect that went behind the counter. The owner of the store refused to allow me to take the cash drawer where the suspect grabbed the drawer and the money. Therefore, I swabbed the area of where the suspect touched the drawer for possible DNA.

St. Anthony Police Department

John Ohl • Chief of Police

07-05-2016

St. Paul Police Department
Records Unit
367 Grove Street
St. Paul, MN 55101

Records Manager:

I am requesting CCTV/Squad car video recordings for SPPD Squad 166 on a traffic stop, St. Paul case number 16132923, which occurred on 07-02-2013 at 1700 hours involving a vehicle bearing MN license plate 382ULH. This request is related to an active investigation of an armed robbery within our jurisdiction. We believe the vehicle, and occupant(s), may have a connection to the robbery on that same date.

Please provide a copy of the squad video of the traffic stop involving this vehicle and contact with its occupants. Please contact me at 612-782-3350 if you require additional information regarding this request, and to arrange for our agency to receive a copy of the recording.

Thank you for your consideration of this request, and your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Huddle", with a long horizontal line extending to the right.

Officer Mike Huddle #141

TYPE OF INCIDENT: Armed Robbery		DATE OCCURRED: 7/2/2016	
INCIDENT LOCATION: 2424 Larpenteur Avenue Lauderdale Super USA			

DETAILS OF INCIDENT:

On 7/2/2016 at 1936 hours, an armed robbery occurred at the Super USA, located at 2424 Larpenteur Avenue in the City of Lauderdale. The two suspects were armed with handguns and took cash from the register and cartons of Newport cigarettes. The employee described the suspects as follows: Suspect #1 was a black male, longer than shoulder length dreadlocks hair, wearing blue jeans, a green plaid long sleeved shirt, a baseball hat with marijuana leave emblems on it, dark colored shoes with white in them, and wearing glasses. Suspect may have had a mustache. Suspect #2 was a black male, tan pants, tan shoes with white soles, a green long sleeved jacket, a green baseball hat, and had shoulder length dreadlocks hair. Some of the dreadlocks had been pulled into a bun and were pulled thru the snap on the back of the baseball hat. He was also wearing glasses, had a small mustache and some facial hair on his chin.

STATE OF MINNESOTA
COUNTY OF RAMSEY

DISTRICT COURT
SECOND JUDICIAL DISTRICT

State of Minnesota,

Plaintiff,

vs.

Jeronimo Yanez,

Defendant.

Court File No. _____
County Attorney File No. 062-0373879

ORDER SEALING SEARCH WARRANT

This matter came on before the undersigned Judge of District Court by way of an Application made in this case by Assistant Ramsey County Attorney Clayton M. Robinson, Jr.. Mr. Robinson has requested that this court issue an Order pursuant to Minn.R.Crim.P. 33.04(d) directing that the search warrant that was issued by this court on March 30, 2017, authorizing the search of the contents of the cellular phone belonging to an individual named Diamond Reynolds, be sealed.

That Application states facts which the State contends demonstrates that the public disclosure of the existence of that search warrant and the nature of the information that is sought will severely hamper the ongoing investigation in this case by the Minnesota Bureau of Criminal Apprehension ("BCA"), and may impinge upon the defendant's right to a fair trial.

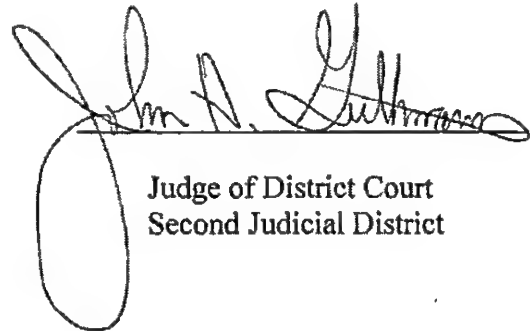

After having considered the facts as stated in that Application, this court finds that reasonable grounds exist to believe that the public disclosure of the search warrant, the Application and this Order will severely hamper an ongoing investigation by the BCA.

Therefore, **IT IS HEREBY ORDERED** that the search warrant that was issued by this court on March 30, 2017, authorizing the search of the contents of the cellular phone belonging

to Diamond Reynolds, shall be filed with the District Court Administrator as required under Minn.R.Crim.P. 33.04(b). This ORDER shall be filed with the search warrant.

IT IS FURTHER ORDERED that the District Court Administrator shall place the search warrant and supporting documents, the State's Application for Order to Seal Search Warrant and this ORDER under seal and shall not be publically disclosed until further Order of Judge Leary, III.

Dated: March 30, 2017

Judge of District Court
Second Judicial District

STATE OF MINNESOTA, COUNTY OF RAMSEY

2nd DISTRICT COURT

STATE OF MINNESOTA)
) SS.
COUNTY OF RAMSEY

APPLICATION FOR SEARCH WARRANT AND
SUPPORTING AFFIDAVIT.

Special Agent Michelle Frascone, being duly sworn upon oath, hereby makes application to this Court for a warrant to search the property and things hereinafter described.

Affiant knows the contents of this application and supporting affidavit, and the statements herein are true of her own knowledge, same as to such as are herein stated on information and belief, and as to those, she believes them to be true.

Affiant has good reason to believe, and does believe, that the following described property and things, to wit:

- A black Apple iPhone, model 5s, IMEI#352035063459465, ID#BCG-E2642A IC#579C-E2642A located in a Sparkle Case, and all the data contained within belonging to Diamond Reynolds.

are at the premises, described as:

- Minnesota Bureau of Criminal Apprehension
1430 Maryland Ave E

located in the City of St. Paul, County of Ramsey, and State of Minnesota.

This affiant applies for issuance of a search warrant upon the following grounds:

- The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

Affiant is a licensed peace officer under Minnesota Statutes and has been continued licensed since 2006. Affiant is a Special Agent with the Minnesota Bureau of Criminal Apprehension. Affiant holds a Bachelor's Degree in Criminal Justice from Metropolitan State University, and a Law Enforcement Certificate from Metropolitan State University. Affiant has served numerous search warrants with successful prosecution.

The facts tending to establish the foregoing grounds for issuance of a search warrant are as follows:

At the direction of the Ramsey County Attorney's Office, portions of the criminal complaint against Officer Yanez have been included in the application of the search warrant. As follows;

On July 2, 2016, a Super USA convenience store in Lauderdale, Minnesota, was robbed by two black males. Video surveillance of that robbery showed two black male suspects, both with dreadlocks, glasses, baseball hats and firearms. Saint Anthony Police Officer Jeronimo Yanez was one of the responding officers to the robbery.

On July 6, 2016, just after 9:00 P.M., Yanez was on patrol when he noticed a vehicle being driven by Philando Dival Castile, a 32-year-old black male with dreadlocks who wore glasses, and was driving eastbound on Larpenteur Avenue in Lauderdale near the scene of the unsolved Super U.S.A. robbery. Accompanying Castile in the vehicle was his girlfriend Diamond Reynolds seated in the front passenger seat, and Reynold's 4-year-old daughter, DFR, seated in a child seat in the right side rear passenger seat.

Yanez communicated his intent to pull over Castile's vehicle by radio to Saint Anthony Police Officer Joseph Kauser who was on patrol nearby. Yanez told Kauser that he had reason to pull the vehicle over and that the occupants 'just look like the people that were involved in a robbery.' Yanez further stated that 'the driver

looks more like one of our suspects just because of the wide set nose." Yanez noted that he also had reason to stop the vehicle because it had a non-working brake light. Yanez followed Castile's vehicle, waiting until Kauser arrived as back-up.

At 9:02:05 P.M., Yanez queried Castile's license plate number. The query results showed that the vehicle was registered to Castile, it was not listed as stolen, and there were no warrants for his arrest. Yanez did not notify dispatchers that he was conducting the stop or that he suspected that a robbery suspect was in the vehicle. At 9:04:48 P.M., Yanez activated his squad lights signaling Castile to pull over. Castile complied by immediately pulling over on the eastbound side of Larpenteur Avenue, near Fry Street in Falcon Heights, Ramsey County, Minnesota.

Approximately one minute later, Yanez shot Castile seven times, killing him. The following is a summary of the events immediately preceding the shooting, based on squad car audio and video recordings of the stop:

9:05:00 P.M. - Castile's vehicle came to a complete stop next to the curb.

9:05:15 P.M.-9:05:22 P.M. - Yanez approached the driver's side of Castile's vehicle. As he walked toward the vehicle, Yanez had his right hand on the right side of his duty belt near his gun. Castile was buckled in his seatbelt.

9:05:22 P.M.-9:05:38 P.M. - Yanez leaned down with his head near to and in front of the driver's side window, exchanged greetings with Castile, and informed Castile of the brake light problem.

9:05:33 P.M. - Kauser approached on the sidewalk on the passenger side of Castile's vehicle, and stopped near the rear seat passenger door.

9:05:38 P.M. - Yanez asked for Castile's driver's license and proof of insurance.

9:05:48 P.M. - Castile provided Yanez with his proof of insurance card.

9:05:49 P.M.-9:05:52 P.M. - Yanez appeared to look at Castile's insurance information and then tucked the card in his outer pocket.

9:05:52 P.M.-9:05:55 P.M. - Castile calmly informed Yanez: "Sir, I have to tell you that I do have a firearm on me." Before Castile completed the sentence, Yanez interrupted and calmly replied "Okay" and placed his right hand on the holster of his own holstered gun.

9:05:55 P.M.-9:06:02 P.M. - Yanez said "Okay. don't reach for it, then." Castile responded: "I'm...I'm ...[inaudible] reaching ...," before being again interrupted by Yanez, who said "Don't pull it out." Castile responded "I'm not pulling it out", and Reynolds also said "He's not pulling it out." Yanez screamed "Don't pull it out" and quickly pulled his own gun with his right hand while he reached inside the driver's side window with his left hand. Yanez removed his left arm from the car, then fired seven shots in the direction of Castile in rapid succession. The seventh shot was fired at 9:06:02 P.M. During the incident, Kauser did not touch or remove his gun.

9:06:03 P.M.-9:06:04 P.M. - Reynolds yelled "You just killed my boyfriend!"

9:06:04 P.M.-9:06:05 P.M. - Castile moaned and said "'I wasn't reaching for it."

9:06:05 P.M.-9:06:09 P.M. - Reynolds loudly said "He wasn't reaching for it." Before she completed her sentence, Yanez again screamed "Don't pull it out!" Reynolds responded "He wasn't." Yanez yelled "Don't move! Fuck!"

Audio and video was also livestreamed by Reynolds, using her Apple iPhone model 5S, on Facebook immediately after the shooting and while Yanez had his gun drawn and pointed toward the mortally wounded Castile. In the audio recorded by this livestream starting at 9:06:42 P.M., Reynolds stated that Castile "... was trying to get out his ID in his wallet out his um pocket and he let the officer know that he was, reach he had a firearm and he was reaching for his wallet and the officer just shot him in his arm." The following interchange between Yanez and Reynolds was also recorded:

Reynolds: "Stay with me. We got pulled over for a busted tail light in the back. And the police just he's, he's, he's covered. He, they just killed my boyfriend."

Yanez: "Fuck"

Reynolds: "He's licensed. He's carried, he is licensed to carry."

Yanez: "Ma'am just keep your hands where they are."

Reynolds: "I will sir. No worries. I will."

Yanez: "Fuck!"

Reynolds: "He just shot his arm off. We got pulled over..."

Yanez: "fuck"

Reynolds: "...on Larpenteur."

Yanez: "I told him not to reach for it. I told him to get his hand off of it."

Reynolds: "He had, you told him to get his ID sir and his driver's license. Oh my God please don't tell me he's dead."

Assisting officers arrived, unbuckled Castile's seatbelt, and removed Castile from the vehicle. They performed CPR on Castile until paramedics arrived and took over. When officers and paramedics rolled Castile to his right side so that a backboard could be put under him, they saw and removed a .40 caliber semiautomatic handgun from inside the large right front pocket of Castile's shorts (measuring approximately 12" deep x 6" wide). The gun contained a loaded magazine but did not have a round in the chamber. Castile was transported to Hennepin County Medical Center (HCMC). In the HCMC emergency department, medical personnel recovered a hoister and wallet from one of Castile's pockets, although it was unclear which pocket these items were in at the time of the shooting. In Castile's wallet was his Minnesota Driver's License and his Permit to Carry a Pistol.

Within minutes after the shooting, Yanez spoke with Saint Anthony Police Officer Tressa Sunde at the scene of the shooting. During that conversation, which was captured on Yanez's squad microphone and recorded at 9:13:00 P.M., Yanez said:

..He [Castile] was sitting in the car, seat belted. I told him, can I see your license. And then, he told me he had a firearm. I told him not to reach for it and (sigh) when he went down to grab, I told him not to reach for it (clears throat) and then he kept it right there, and I told him to take his hands off of it, and then he (sigh) he had his, his grip a lot wider than a wallet. Yanez went on to say:

"And I don't know where the gun was, he didn't tell me where the fucking gun was and then it was just getting hinky, he gave, he was just staring straight ahead, and the I was getting fucking nervous, and then I told him, I know I fucking told him to get his fucking hand off his gun."

Yanez was interviewed by BCA investigators the following day on July 7 at 1:42 P.M. During that interview Yanez said that when he first approached Castile's driver's side window he smelled burnt marijuana coming from inside the vehicle. Yanez said he also noticed a female child in the back seat

and an adult female in the front passenger seat. Yanez described Castile as initially having "his left arm over the steering wheel" with "both hands in view."

Yanez said he did not mention anything about the marijuana smell to Castile so as not to "scare [Castile] or have him react in a defensive manner." Yanez said that Castile "kept his hands in view" up until the point at which he asked for Castile's license and insurance. After receipt of his proof of insurance, Yanez said Castile told him that he had a firearm at the same time that "he reached" down between his right leg, his right thigh area and the center console." Yanez said that, as Castile was reaching down to his right, "he turned his shoulder, kept his left hand on the steering wheel and then canted his upper body and blocked my view of his right hand."

Yanez said:

"And, at that point I, was scared and I was, in fear for my life and my partner's life. And for the little girl in the back and the front seat passenger and he dropped his hand down and, can't remember what I was telling him but I was telling something as his hand went down I think. And, he put his hand around something. And his hand made like a C shape type um type shape and it appeared to me that he was wrapping something around his fingers and almost like if I were to put my uh hand around my gun like putting my hand up to the butt of the gun.' ...

And then I lost view of it. Cuz he kept canting his shoulder and then I believe I told him again I can't remember don't do it. And then he still kept moving his hand and at this point I looked and saw something in his hand. It was dark inside the vehicle. I was trying to fumble my way through under stress to look and see what it was to make sure uh what I was seeing. But I wasn't given enough time and like I said he had no regard for what I was saying. Didn't follow my direction. And, uh he started reaching out and then pulling uh away from his uh his right thigh. I don't know if it was in his pocket or in between the seats or the center console. But I, I know he had an object and it was dark. And he was pulling it out with his right hand. And as he was pulling it out I, a million things started going through my head. And I thought I was gonna die. And, I was scared because, I didn't know if he was gonna, I didn't know what he was gonna do. He just had somethin' uh his hands and he, the first words that he said to me were, some of the first words he said is that he had a gun. And I thought he was reaching for the gun. I thought he had the gun in his hand, in his right hand. And I thought he had it enough to where all he had to do is just pull it out, point it at me, move his trigger finger down on the trigger and let off rounds. And I had no other option than, to take out my firearm and, and I shot. Um I shot him. I don't remember the first couple shots. I, believe I remember the last two shots. And I believe one of the shots went into his left arm. Um, as I was shooting uh I, I kept watching him. And I, I remember smelling the gun smoke and the bright flashes from the muzzle. And then I heard, a couple pops up from my firearm. Um and then my partner was on the opposite side of the vehicle. Uh watch, looking in and I directed my gunfire down as best as I could. Away from, not trying to put the little girl's life at jeopardy or the passenger or my partner because they were, in the line of my fire."

Kauser was interviewed by BCA investigators at 1:10AM on July 7. During that interview, Kauser said the following:

"Um I couldn't hear the conversation going on inside the vehicle. I could hear what my partner was saying. And, I, I don't remember the entire conversation. I know my partner said don't reach for it. And the passenger kinda leaned on his right butt cheek and he put his hand on his right hip. I don't know if he was reaching for a firearm or wallet. I couldn't see. I just saw that he had his right hand on his hip. Like I said my partner said don't reach for it. And then there were shots fired.,,

Kauser also said that he did not see Yanez' gun until he began shooting. Yanez gave no warning to Kauser that Castile had a gun. When asked if he was surprised when Yanez began shooting, Kauser replied "absolutely."

An autopsy concluded that Castile died of exsanguination due to multiple gunshot wounds. Toxicology testing showed that Castile was positive for THC at the time of this death. A bullet fired by Yanez passed through the driver's seat and struck the rear seat on the driver's side. Diamond Reynold's child, in her car seat, was on the passenger side of the rear seat. Another bullet fired by Yanez struck the armrest between Castile and Reynolds.

The robbery of the Super USA in Lauderdale remains unsolved, but subsequent investigation has ruled out Castile as a suspect in that robbery. Video of a robbery (committed in Blaine after the time of Castile's death) shows a suspect whose physical features resemble the suspect from the Lauderdale robbery, and displaying a gun that appears to be the same gun as the one used in the Lauderdale robbery. The gun used in the Lauderdale and Blaine robberies also appears to be different than Castile's gun.

According to Jeffrey J. Noble, an expert on police procedure retained by the Ramsey County Attorney's Office, the totality of the circumstances indicate that Yanez' use of deadly force against Castile during the July 6 stop was not necessary, was objectively unreasonable and was inconsistent with generally accepted police practices.

In addition, under the same circumstances, Yanez's discharge of his firearm seven times into a vehicle in very close proximity to and towards Reynolds and her four year-old daughter endangered their safety.

Officer Yanez was charged with Manslaughter in the Second Degree and two counts of Dangerous Discharge of a Firearm. Based upon the foregoing, Judge William Leary found probable cause for those charges on February 27, 2017.

During a review of Officer Yanez's squad video, occupants of the vehicle can be seen moving around inside the car. It appears that prior to Officer Yanez exiting his squad, the passenger (Diamond Reynolds) may have been utilizing her cellular telephone to possibly photograph or video the officers prior to live streaming the events on Facebook.

Your affiant has been able to capture the video that was live streamed onto the internet via Facebook. However, your affiant knows that digital video and photographic files stored on electronic devices are at times only partially transmitted. These files are at times compressed for the purposes of data sharing. Your affiant knows that if the original devices are searched they could provide additional video or photographic footage. Your affiant knows that iPhones and other smart telephones are capable of running multiple applications at one time.

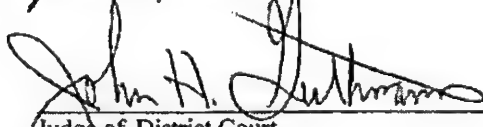

Your affiant believes that Reynolds may have recorded additional footage using other applications. This belief is further supported by Diamond Reynolds statements published in the Washington Post on September 15th, 2016. Per the article, Reynold reports that she has recorded previous traffic stops involving Castile using her cellular telephone. Your affiant wishes to review any additional photographs, video footage or audio recordings contained on Reynold's Apple iPhone 5s, which pertain to this investigation. Your affiant believes that these files, should they exist, will further shed light on the exact actions taken by all persons involved in this incident.

Your affiant has contacted agencies and businesses involved in forensically searching Smartphones which include iPhones. Your affiant was initially advised that technology does not exist to break the encryption of the iPhone 5s utilized by Reynolds to live stream video of the events after Officer Yanez shot Philando Castile. Your affiant has recently learned the forensic capabilities now exist allowing for a forensic exam of the cell phone. Throughout this investigation, attempts have been made to contact Diamond Reynolds to

request her assistance and consent gaining entry into her iPhone. Agents have received correspondence from Reynold's attorney, Larry Rogers. Mr. Rogers has requested that the court be made aware that they do not agree with the seizure of his client's cellular telephone. Mr. Rogers also requests that the MN BCA return his clients telephone and any duplicates made of the telephones contents. BCA Agents were recently made aware that the Ramsey County Attorney's Office had been in contact with Diamond Reynolds attorney, Larry Rogers. Rogers advised that Diamond Reynolds can not recall the password to the cell phone that is currently in the possession of the BCA. Your affiant and her agency believe that the search of this iPhone may hold critical evidence in a furtherance of this investigation.

WHEREFORE, Affiant requests a search warrant be issued, commanding Special Agent Michelle Frascone, Special Agent in Charge Scott Mueller, Special Agent in Charge Donny Cheung, Special Agent Doug Henning and Senior Special Agent Chris Olson (a) peace officer(s), of the State of Minnesota, and all other personnel under your direction and control inside the hours of 7:00 a.m. and 8:00 p.m. to search the hereinbefore described premises for the described property and things and to seize said property and things and keep said property and things in custody until the same be dealt with according to law.

Subscribed and sworn to before me this 30th
day of March, 2017

Affiant: Michelle Frascone

Judge of District Court

SEARCH WARRANT

STATE OF MINNESOTA, COUNTY OF RAMSEY

2nd DISTRICT COURT

TO: **Michelle Frascone, (A) PEACE OFFICER(S) OF THE STATE OF MINNESOTA.**

WHEREAS, **Michelle Frascone** has this day on oath, made application to the said Court applying for issuance of a search warrant to search the following described property;

Diamond Reynolds' Cell Phone described as Apple iPhone, model 5s

located in the City of St. Paul , County of Ramsey, STATE OF MINNESOTA for the following described property:

A black Apple iphone, model 5s, IMEI#352035063459465, ID#BCG-E2642A IC#579C-E2642A located in a Sparkle Case, and all the data contained within belonging to Diamond Reynolds.

WHEREAS, the application and supporting affidavit of Michelle Frascone was/were duly presented and read by the Court, and being fully advised in the premises and vehicle.

NOW, THEREFORE, the Court finds that probable cause exists for the issuance of a search warrant upon the following grounds:

- The property above-described constitutes evidence which tends to show a crime has been committed, or tends to show that a particular person has committed a crime.

The Court further finds that probable cause exists to believe that the above-described property and things are at the above-described premises.

NOW, THEREFORE, YOU Special Agent Michelle Frascone, Special Agent in Charge Scott Mueller, Special Agent in Charge Donny Cheung, Special Agent Doug Henning and Senior Special Agent Chris Olson (a) THE PEACE OFFICER(S) AFORESAID, AND ALL OTHER PERSONNEL UNDER YOUR DIRECTION AND CONTROL ARE HEREBY COMMANDED INSIDE THE HOURS OF 7:00 A.M. AND 8:00 P.M. ONLY TO SEARCH THE DESCRIBED PREMISES, FOR THE ABOVE-DESCRIBED PROPERTY AND THINGS, AND TO SEIZE SAID PROPERTY AND THINGS AND TO RETAIN THEM IN CUSTODY SUBJECT TO COURT ORDER AND ACCORDING TO LAW.

BY THE COURT:

Narrative begins on the following page.

On 04/04/2017, Assistant Ramsey County Attorney Rick Dusterhoft requested that SA Henning conduct a records check of the state's Gang Net files. Dusterhoft asked that Gang Net be checked for entries related to Philando Castile. Dusterhoft cited a St. Paul Police Department (SPPD) report from April of 2008. In that report the officer notes to check Gang Net for further information.

SA Henning spoke with Gary Link with the BCA. Link is the current administrator of the Gang Net files. Link checked the Gang Net files back to January 1 2008 and found nothing relating to Philando Castile.

No evidence was generated by nature of this report.

On 04/27/2017 SSA Olson and SA Henning met with the Yanez defense counsel at MN BCA Headquarters in St. Paul. The defense group consisted of Attorneys Paul Engh, Earl Gray, Private Investigator William O'Keefe and defense expert Emanuel Kapelsohn. Agents observed as Kapelsohn reviewed evidence obtained during the course of this investigation. The review took place in the crime scene garage with the exception of the review of Philando Castile's vehicle which occurred at Twin Cities Towing Oakdale facility.

The evidence was all resealed after inspection.

Narrative begins on the following page.

On 04/27/2017 SA Henning obtained several items of evidence for this case which had been in the custody of the BCA Forensic Lab. SA Henning generated exhibits 2016-433/138.1 – 7. All of these items as well as other items previously generated were submitted to the non-drug evidence custodian.

A scan of the lab receipt and the other evidence receipts generated by this change of custody will be attached to this report.

Narrative begins on the following page.

On Thursday, May 5, 2017, at the request of Assistant Ramsey County Attorney Clayton Robinson, SSA Olson attended a trial preparation meeting with Diamond Reynolds. SSA Olson arrived at the meeting at about 1250 hours. The meeting took place in a conference room on the first floor of the Ramsey County Criminal Division located at 345 Wabasha, St. Paul, MN. In addition to Ms. Reynolds the following people were present; Karlowba R. Adams Powell (counsel to Reynolds), attorney Rick Dusterhoft, Victim Witness Coordinator Doua Xiong, attorney Jeff Paulsen, and attorney Clayton Robinson. Attorney Larry Rogers (counsel to Reynolds) was not present, but on speakerphone.

SSA Olson learned that prior to SSA Olson's arrival Ms. Reynolds had an opportunity to review her transcript and listen to the corresponding audio.

Ms. Reynolds provided historical information pertaining to her relationship with Philando Castile (Phil). She reported her daughter comments frequently about missing Phil. Ms. Reynolds recalled Phil got up early on July 6, 2016, at about 0530 hours, and that he left the house by 0630 stating that he had an appointment to get his hair done after work. She did not recall where he went to get his hair cut, but recalled that it was the same person with whom he always went, and that it was somewhere in Minneapolis.

Ms. Reynold indicated she dropped her daughter off at daycare at about 0800 hours. She stated they did not, and they do not normally text each other while they are working. She recalled he texted her after he was off work that he was getting his hair done. Ms. Reynolds said she was on the bus with her sister when he texted. She said he texted that he would be stopping briefly at his mother's house before returning to St. Paul.

Ms. Reynolds reported she arrived home and smoked marijuana and changed clothes. She believed she was there for about one hour, or about 1440 – 1540 hours. Phil arrived at about 1600 hours. She said Phil did not smoke marijuana or use alcohol on July 6, 2017. She said they left her house to run errands and to pick up weed. She indicated they picked up marijuana, but did not smoke in the vehicle. She reported they went to the grocery store after picking up marijuana.

Ms. Reynold reported after dropping off her sister Ariel at her home a squad pulled in behind them and pulled them over. She reported Phil's driving conduct was normal and unremarkable. She indicated that Phil has been pulled over several times and that his behavior was calm. She stated he always carries a firearm (except when he was working at school where he leaves it in the glove box of the vehicle) in the front waistband of his pants. Ms. Reynolds said the firearm was not visible because his shirt hangs over the front of his pants.

Ms. Reynolds reported first noticing the squad in the rearview mirror. She reported that after the traffic stop was initiated the glove compartment may have been opened to retrieve the vehicle registration, but added that it may have come from somewhere else in the vehicle. Initially Ms. Reynolds believed one of the officers might have gone back to the squad car. She indicated that she has always known Phil to carry a thick leather

wallet in his left rear pocket, and said he was dominate right hand. She said she believed Phil always carried his firearm in the same position holstered inside the front of his pants.

At about 1315 hours, Jeff Paulsen, Clayton Robinson, and Rick Dusterhoft met briefly in the hallway outside the conference room.

At about 1320 hours, Ms. Reynolds reviewed the squad video from Officer Yanez's squad. She reviewed the video again at about 1326 hours. She became emotional and cried while watching the video and noted she had no idea her daughter opened the rear passenger door to their vehicle immediately after the shots were fired.

Ms. Reynolds reported Phil's left arm was up in the air when the officer fired and said he was reaching for his license with his right hand. She indicated his t-shirt was covering his weapon during the traffic stop and that it was not visible to the officer. Ms. Reynolds indicated it was possible Phil's left arm may have obstructed the officers view into the passenger compartment and said he may have been reaching for his seat belt.

Ms. Reynolds said she did not observe Phil smoking marijuana on July 6, 2017, and does not believe he would have had time with all the errands and stops he needed to make after work. She did recall he smoked marijuana on July 5, 2017. She said the marijuana they picked up that day would not have been visible to the officer as it was hidden under the front seat of the vehicle. She reported they have smoked marijuana in the vehicle on prior occasions, but not recently and she did not think the vehicle would have smelled of marijuana.

Ms. Reynolds indicated there were no furtive moments made by her or Phil, and said her daughter may have been moving around in the back seat after the traffic stop had been initiated.

At about 1340 hours, Ms. Adams Powell requested a break. Both Ms. Adams Powell and Ms. Reynolds left the room. The telephone call with Larry Rogers was disconnected.

At about 1400 hours, the meeting reconvened. The speakerphone was reconnected to Larry Rogers.

Ms. Reynolds indicated she had not previously reviewed her Facebook video. She viewed the video during the meeting.

Ms. Reynolds acknowledged providing information to the Washington Post, but denied stating information about previous traffic stops during that interview. Ms. Reynolds said she has not previously been in a vehicle with Phil when he had been stopped by police.

Ms. Reynold reported Phil was not, nor has he ever been associated with a gang. She stated they she only was aware of his firearm being used on a gun range.

Ms. Reynolds stated Phil was not aggressive, often spoke in a whisper voice, and was happy and loving.

The meeting concluded at about 1422 hours.

Clayton Robinson provided Ms. Reynolds with a copy of the extraction report related to her cellular telephone.

End report.

Transcript of radio traffic between St. Anthony Police Officers Yanez (21) and Kauser (20) on 07/06/2016 from 21:02:53 – 21:04:20.

Transcribed by SA Doug Henning.

Yanez 21 to 20 what is your location.

Kauser Fire.

Yanez Copy.

Yanez I'm going to stop a car, 203TTM, I am going to check ID's, I have reason to pull it over, but the two occupants just look like the people that were involved in our robbery at 2424.

Kauser Copy where you at.

Yanez Larp/Cleveland, still east bound.

Kauser Copy.

Yanez The driver looks more like one of our suspects, cause of the wide set nose, I couldn't get a good look at the passenger.

Yanez I'll wait for you, I see you are just turning on to Larpenteur, we are at Larp and Fairview.

(Police sirens)

DR (Inaudible) Baby No.

(Police sirens)

(Radio traffic)

DR Please noo.

(Radio traffic)

DR Please no.

JY Keep hands where.

JY You see both his hands.

JY I need someone with gloves on.

(Radio traffic)

JA Mo, are all officers up.

JY Ok.

JA All officers are good.

(Radio Traffic)

JY All officers are good.

JY We need to pull it into park.

BA I'm gonna take your spot. I'm gonna take your spot (inaudible). Listen, I'm gonna take your spot (inaudible).

?M Okay.

?M I got your spot. Okay, I got 'em, I got 'em. (inaudible).

(Radio traffic)

?M (Inaudible Noise)

?M I got 'em here.

?M (Inaudible Noise)

?M I got 'em, I got'em Okay.
(Radio Traffic)

?M I got him here.
(Radio Traffic)

?M (Inaudible Noises)

?M (Inaudible)

JY Yeah.

?M Oh, you alright?

JY Fuck.

?M (Inaudible) you're not hit any are you?

JY (Inaudible) Fucking A.

?M (Inaudible)

JY (Heavy breathing) Fuck.
(Radio Traffic)
(Inaudible Voices)
(Police sirens)
(Heavy Breathing/sobbing)

?M Yeah I know, I got it.

JY (Sobbing) (inaudible screaming).
(Radio Traffic)

M? (Inaudible Voices)

JY (Heavy breathing/ sobbing)
(Radio Traffic)

JY (Heavy breathing) Fuck. Fucking A dude, I...

M? Hey.

JY I told him to fucking stop, he had his hand on it. (heavy breathing) fuck.
(Radio Traffic)

JY (Heavy Breathing) Fuck.

M? (Inaudible)
(Radio Traffic)

JY (Sobbing) Fuck. (sobbing) (inaudible) Oh my gosh. (heavy breathing/sobbing)
(Radio Traffic)

JY (Sobbing/Heavy breathing)

BA It's okay bud we got this.

JY (Heavy breathing/sobbing) Fuck. Oh my gosh dude. (sobbing/heavy breathing).
(Radio traffic)

JY (Heavy breathing/sobbing)
(Radio traffic)

JY (Heavy breathing) Awww, fuck. (heavy breathing) (sobbing) (heavy breathing).

JY (Inaudible) more squads here so we can fucking block off everybody, over there.
(Police sirens)

JY Awww.

?M We got that blocked off down there, we go it blocked off here.

JY (Heavy breathing) Aw... (heavy breathing).
(Police sirens)

?M (Beep) Somebody move (inaudible) along side over there...

JY (Heavy breathing)

?M ... move a squad up there.

?M Block that.
(Police sirens)

JY (Heavy breathing)
(Police sirens)

JY (Heavy breathing)

?M (Beep) anybody able to move...

JY (Heavy breathing)

?M ...a squad up to block?

JY (Heavy breathing).

?M (Inaudible) across the street.

JY (Heavy breathing)
(Police sirens)
(Radio traffic)

JY (Heavy breathing)
(Radio Traffic)
(Police sirens)
(Radio traffic)
(Police sirens)
(Radio traffic)

?M (Beep) (inaudible) 85, traffic blocked off on (inaudible) can we get ah...
(Radio traffic)
(Police sirens)

?M Are you able to move a squad up?

?M (Inaudible)

JY Fucked up right now.

?M Any minor (inaudible)? (inaudible)

JY (Heavy breathing)

?M (Inaudible)

TS Which direction did you fire your weapon?

JY Right at the driver, I had'er right out. Had it pointed down. I don't know how many round I let out an I...

TS Okay. But you were, I think we, which one is your car, right here?

JY Mines one that pulled him over.

TS Okay. Did you point it directly at him.

JY Just directly an, I had it at my waist.

TS Was he sitting in the car, was it...

JY Was it sitting in the car seat belted?

JY I told 'em (sigh) can I see your license. An then he said he has a firarm, I told him not to reach for it. An (sigh) he went down to grab I told him not to reach for it. (coughs). An then he kept it right there, and I told him to take his hand off of it. An then he, (heavy breathing), he had his grp a lot wider than a wallet.

TS ...Kay.

JY (sigh) An I don't know where the gun was, he didn't tell where the fucking gun was.

TS Kay.

JY An then it was just, (inaudible) he gave, he was just staring straight ahead an I was getting fucking nervous an then, I told'em, I Don't, all I Know, fucking I told him to get his fucking' hand off his gun.

TS Okay. Okay.

JY (Heavy breathing)

?F Is everybody, is everybody in custody.

JY Fuck.

?F ...is everybody in cuffs, do we have everybody?

JY (Heavy breathing)

?F Were there...

JY Yeah.

?F ...two...

JY It was jus...

?F ...people in the car?

JY ...three people in the car...

?F Three people in the car?

JY ...(inaudible) female, front passenger, the ah, Fuck. Little girl in the back.

TS Breath.

JY Then the dude.

?F Okay.

JY (heavy breathing)

JA From having been through this before...

JY (Heavy breathing)

JA ...with this scenario (inaudible)...

?F (Inaudible) Okay.

JY (Heavy breathing)

TS Breathe.

?M ...So I-I know...

?F Breathe.

JA ...you wanna talk about it...

JY (heavy breathing)

JA ...But there's just things we need to know.

?F Yup.

?M If there's any other suspects...

JY (Heavy breathing).

?M ...you said no.

?F Yup.

?M What direction you were ...

JY (Heavy breathing)

?M ...you fired your weapon?

?F Yup.

JY Down his hip, I had it pointed down, at diagonal.

TS (inaudible)

?M (inaudible) so were just-just bringing (inaudible)

JY (Inaudible) the car.

(Inaudible Voices)

JY It's all around...

JY During...the car.

?M It-it-it worked.

?F Okay.

?M An then they'll do their outstanding suspect an nobody else (inaudible).

JY Nobody else is injured that I know of, (sigh).

(Inaudible voices)

JA let's get cha outta here buddy.

TS Yup.

TS (inaudible) kay (inaudible) We got people coming. Okay.

JY I know, (inaudible) catch my...

TS Okay.

JY ...fucking breath.

TS Don't, it's okay.

(Inaudible Voices)

TS You got time.

JY (Inaudible)

TS You got nothing but time.

JY (Inaudible) passenger in my car right now.

(Inaudible Voices)

JY How is the little girl.

UM she is ok.

TS Breathe.

JY (Heavy breathing)

TS We got you here. Aright.

JY (heavy breathing)

?M (Inaudible)

TS Where are you hurt?

JY Fucking I need an, in both my hands on my gun.

?M (Inaudible)

JY Yeah.

TS Okay. Aright. (inaudible)

JY (Heavy breathing)

TS When you're ready, you're ready,

JY (Heavy breathing).

?M You wanna put the (inaudible)?

TS Yup, um.

JY (Heavy breathing) fuck.

TS (Talking in background)

JY (Heavy breathing)

?M I have an open car too.

TS You have'an...

?M As needed.

TS Okay.

?M (inaudible).

TS Why don't we put him in yours for now.

JY (Heavy breathing)

?M (Inaudible)

JY (Heavy breathing continuous.)
(Inaudible background voices)

M? I don't mean to hold (inaudible).

F? No, no, no.

?M (Inaudible)

JA Jeronimo, you did a great job bud,...

F? Yup.

JA ... you did a great job Okay..

JY (Heavy breathing continuous.)

JA You did a good job. Don...

JY (Heavy breathing continuous.)
(Inaudible Background voices)

?M An you can take her? You can take (inaudible) car.

JY (Heavy breathing continuous.)

?F (Inaudible)

JY (Heavy breathing continuous.)

?M (Inaudible)

JY (Heavy breathing continuous.)

?M Thank you (inaudible)

JY (Heavy breathing continuous.) Fuck.

?M (inaudible) do you need water or anything?

JY (Heavy breathing continuous.)

?M You're good dude.

JY (Heavy breathing continuous.)

JY Do you want to tell everybody to go inside, this isn't a view for pleasure, man. I don't wan
(inaudible).

?M Ya well, you know (inaudible)

?M You could yeah I know.

JY (Heavy breathing continuous.) Fuck. (Heavy breathing continuous.)

JA Ah, where's (inaudible)?

JY (Heavy breathing continuous.)
(Radio traffic)

?M (Inaudible) breathing. (Inaudible)

(Radio traffic)

?M (Inaudible)

JY (Heavy breathing continuous.) Ahh fuck. (Heavy breathing continuous.)

(Radio traffic)

JY (Heavy breathing continuous.)

?M Did good, did good.

JY (Heavy breathing continuous.)

?M (Inaudible)

JY (Heavy breathing continuous), Fuck.

?M Do you need anything outta your car (inaudible) do you have you're phone (inaudible)?

JY I don't have my phone or anything. (Inaudible).

?M Yeah, it's, where-where's it at?

JY (Inaudible) in my bag.

?M (Inaudible) in your duty bag?

JY In the front pocket.

?M Of your duty bag? Okay.

JY Um, on the...

(Radio traffic)

JY ... left front right corner.

?M Left front right corner. Okay.

(Radio traffic)

JY (Inaudible Noises)

?M Just an open one (inaudible).

JY Yeah (inaudible).

?M (Inaudible).

JY Yeah. Um.

JA Brian is going to roll back here? You are going to hop in his car, maybe get up to the, the PD'll get your phone.

JY (Heavy breathing continuous.)

?M (Inaudible) Make sure to call your, call your wife when you get back okay?

JY (Heavy breathing continuous.)

?M (Inaudible)

JY (Heavy breathing continuous.)

JA Brian, did you grab your squad? Is this one yours?

BA Ah, (inaudible) parked over here.

?M Why don't you dive him, an in there. I grab your stuff. (inaudible)

?M (Inaudible)

?M Yeah.
JY (Heavy breathing continuous.)
BA Want me to grab anything for your finger or anything...
JY (Heavy breathing continuous.)
?M ... looked at right now?
JY (Heavy breathing continuous.)
?? (Whistle)
JY (Heavy breathing continuous.)
(Inaudible noises)

Narrative begins on the following page.

On 05/30/2017 SA Henning was contacted by Assistant Ramsey County Attorney Rick Dusterhoft. Dusterhoft asked SA Henning to obtain work records and co-worker information for Philando Castile from the St. Paul School District. SA Henning went to the school district offices located at 360 Colborne St. in St. Paul. SA Henning spoke with Kim Lennartson, Legal Assistant for the district's general counsel.

SA Henning made a request for work attendance records for Philando Castile for 07/06/2016. SA Henning also asked for the district to identify who was working with Castile on 07/06/2016. The district provided a redacted photocopy of Castile's time card, which is attached to this report.

The time card indicates that Castile worked from 7:30 AM to 1:30 PM on 07/06/2016 the district's Chelsea Heights Elementary School. The school districts general counsel advised SA Henning that he would need a court order to obtain records identifying Castile's co-workers on 07/06/2016. SA Henning consulted with Dusterhoft and he advised that the information identifying Castile's co-workers wouldn't be needed.

Lennartson advised SA Henning that this information was also requested by a William O'Keefe and Tom Kelly.

Henning, Doug (1361 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)		OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)	6/19/2017

Narrative begins on the following page.

On 05/30/2017 SA Henning received a request for investigative follow up from Assistant Ramsey County Attorney Rick Dusterhoft. Dusterhoft asked SA Henning to obtain work records from the Family Dollar Store located at 1536 University Ave W. St. Paul for Diamond Reynolds. Dusterhoft asked SA Henning to verify that Reynolds had been working on 07/06/2016.

SA Henning traveled to the Family Dollar Store located at 1536 University Ave in St. Paul. SA Henning met with Assistant Manager Tiffini Vann. SA Henning requested documentation that Diamond Reynolds had been working on 07/06/2016. Vann told SA Henning that Reynolds had not been working that day. Vann told SA Henning that she had received a text message from Reynolds calling in sick that day. Vann told SA Henning that she recalled the text from Reynolds because she was at the airport when she received the text. Vann told SA Henning she informed Reynolds she wasn't at the store. Vann reviewed her text messages from Reynolds and was unable to locate the message from Reynolds she was referencing. SA Henning reviewed data obtained from Diamond Reynolds's telephone and was unable to locate a text to her manager Tiffini on 07/06/2016 where she called in sick.

Vann told SA Henning that the former Store Manager Matt Phelps would have to get the time records for Reynolds for 07/06/2016. Vann provided the contact information for Phelps to SA Henning. SA Henning left the store and called Phelps. SA Henning explained to Phelps that he was requesting some type of documentation that Reynolds worked on 07/06/2016 and what hours were worked. Phelps advised SA Henning that he didn't believe that Reynolds had worked that day and had called in sick. Phelps told SA Henning that on 07/06/2016 he had been the manager of the store on University in St. Paul. Phelps said that he would email SA Henning the documents detailing Reynolds work attendance on 07/06/2016.

SA Henning spoke with Phelps at about 8:30 PM on 05/30/2017, Phelps said that he was told by his management that without some type of court order or subpoena he would not be able to produce the documentation SA Henning was requesting. SA Henning advised Assistant County Attorney Dusterhoft that he would need a legal document to obtain the information he was requesting from Family Dollar.

On 05/31/2017 SA Henning was provided with a subpoena from the Ramsey County Attorney's to produce documents for Matthew Phelps and Family Dollar. SA Henning served the subpoena on 05/31/2017 on the Family Dollar Store located at 1536 University Ave W. in St. Paul, MN. The current general manager for the Family Dollar Store located at 1536 University in St. Paul is Ricker Paul Ladoux. SA Henning served the subpoena on Ladoux as a representative of Family Dollar. Ladoux called his regional manager who identified himself as Mike Mason. Mason asked that SA Henning serve the subpoena to Family Dollar Store corporate legal department by fax. SA Henning was directed by Dusterhoft to serve Ricker which was done. SA Henning also called Matthew Phelps and advised him of the service of the subpoena on him and Family Dollar.

As of the time of this report SA Henning has not received the records that were requested.

Narrative begins on the following page.

On 05/31/2017 at about 12:24 PM, SA Henning attended a pretrial interview of Diamond Reynolds at the Ramsey County Attorney's Office in St. Paul. Reynolds appeared for the interview with her mother Dafina Doty and her counsel Michael Padden and Karlowba Adams Powell. Ramsey County was represented by Rick Dusterhoft, Clayton Robinson and AUSA Jeff Paulsen.

Paulsen started the meeting by asking Reynolds about a drug transaction that she had talked about in a previous interview. Reynolds said that she was not with Phil during the purchase of the marijuana in a previous interview. Reynolds said that Castile purchased the drugs (marijuana) when she wasn't present on the day of the shooting. Reynolds was asked if she knew the source of the marijuana, and she said that she thought it was either a friend or family of Castile. Reynolds said that she was unaware that Castile had purchased marijuana until the jar had rolled out from under her seat in Castile's car. Reynolds said that she noticed the marijuana after they had been grocery shopping. Attorneys asked Reynolds if she knew when Castile had purchased the marijuana that day she repeatedly said she did not. Reynolds was also asked why she had said in previous interviews the marijuana was hers. She indicated she said that because she thought it was only a small amount. Reynolds referred to the marijuana as a smoke sack, and he said he had obtained the marijuana to celebrate his birthday. During the interview Reynolds told the group that she and Castile smoked marijuana daily.

Reynolds was asked if she knew where Castile had been the day of the shooting. Reynolds told the group that Castile normally leaves work about 2:00 PM. Reynolds said Castile had told her he was leaving work and going to get his hair done, then stopping at his mother's house and was then coming home. Reynolds said that she had received a telephone call from Castile at some point during the day.

Reynolds was asked about what she had done during the day. Reynolds said that she had worked at the Embassy Suites. After some discussion she believed that she had probably worked at the Family Dollar store. Reynolds said that her sister had come to her work and rode the bus with her home. Reynolds said that she exited the bus at the Super America in St. Paul at E. 7th St. and Wall. Reynolds said the two then walked to her house at 917 Rainy. Reynolds said that she smoked marijuana when she was home and freshened up before going out.

Attorneys asked Reynolds when she had picked up her daughter that day. Reynolds couldn't recall if she or Castile had picked up her daughter. Reynolds did say that it would have to have been prior to 6:00 PM, because the New Horizon Daycare closed at 6:00 PM. Attorneys asked about telephone calls from Castile at about 7:45 to 8:00 PM while she was shopping. Reynolds said she was asking Castile what he wanted from the store.

Attorneys asked Reynolds what Castile was like when he smoked marijuana. Reynolds said that he was super laid back and you wouldn't be able to tell if he had smoked

marijuana. Reynolds told attorneys that she has been unable to tell if Castile had been smoking.

Attorneys reviewed telephone calls and texts with Reynolds from the data which was extracted from her telephone. Reynolds identified all but one number with a 404 area code, she said she didn't recall. Reynolds said the police took the marijuana from the jar or removed the top. She recalled the top being on the jar and said the police must have opened the jar.

Attorneys asked about why Castile carried a gun. Reynolds said that Castile's mother condoned both Philando and his sister carrying guns. Reynolds said that Phil and his sister took a gun safety class. Reynolds said that Castile carried the pistol for safety. Reynolds told the group that the area they lived in had two murders since they had lived in there. Reynolds said that Castile had owned the gun prior to moving to St. Paul.

Attorneys asked about where Castile carried his wallet. She said that he carried it in his right rear pocket. Attorneys pointed out that she had made different claims about where he carried his wallet during the course of this investigation. During this interview she said that Castile was right handed and carried his wallet in his right rear pocket. Reynolds described Castile's wallet as being thick and full of man stuff and cards. Reynolds said that she didn't think Castile was lean to his right during the traffic stop. She said Castile was attempting to get his wallet and take his seat belt off. Attorneys showed several pictures of the inside of Castile's car and the seat belt receiver. Reynolds said that Castile could have been reaching for the seat belt receiver to unbuckle his seat belt also.

Attorneys asked if Castile had any ill feelings towards police. Reynolds said that she didn't know of any. Reynolds said that they would attend police sponsored barbeques because they had free food. Reynolds said that Phil did not want to kill a cop.

The attorneys spoke with Reynolds about attire for court as well as advised about how to handle questions from the defense attorneys. Clayton Robinson explained to Reynolds that the defense attorneys had made a request to interview her. One of Reynold's attorneys, Michael Padden said that he had been contacted by Paul Engh who is part of the defense team. Padden said that Engh had made a request to speak with his client. Padden said that he hadn't returned the call nor did he intend to return the call to the defense team. Clayton Robinson finished by telling Reynolds that he would be conducting her questioning during trial.

The interview was completed at about 1:17 PM, no evidence was generated by virtue of this report.

Narrative begins on the following page.

On 06/05/2017 SA Henning removed multiple items of evidence from the BCA non-drug evidence custodian at the request of the Ramsey County Attorney's Office. SA Henning obtained selected items from exhibit 2016-433/23.1 (shorts worn by Philando Castile, Wallet and contents and holster), 2016-433/26.2 (Officer Yanez's duty pistol), 2016-433/98.1 (Magazine for replica Pistol), and 2016-433/138.1 (Castile's Diamond Back FS nine mm from the BCA evidence locker. SA Henning packaged the above listed items for display in court.

SA Henning delivered these items to Assistant County Rick Dusterhoft and left the items in his possession. SA Henning had Dusterhoft sign a change of custody form for each item. The change of custody forms have been scanned and attached to this report.

Narrative begins on the following page.

On 06/16/2017 SA Henning was notified that the Ramsey County Jury that heard the criminal case against St. Anthony Police Officer Jeronimo Yanez had found him not guilty on all three charges. The criminal charges in this case resulted from a review of this case by the Ramsey County Attorney's Office. Officer Yanez was in a shooting during a traffic stop on 07/06/2016, that shooting resulted in the death of Philando Castile. SA Henning confirmed the jury verdict by speaking with Ramsey County Attorney's Office Criminal Chief Rick Dusterhoft. SA Henning will obtain and attach the jury verdict form to this case in a separate report.

SA Henning is closing this criminal investigation.

Primary Information

Call Taker: OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Brief Description: Info / questions on St. Anthony PD OIS
Reporters Name: Donald Gene Dobbs
Reporters DOB: 6/19/1932
Reporters Home Phone: (305) 235-0837
Reporters Business Phone: (786) 236-4688
Reporters Address: 11005 SW 129th St, Miami, FL 33176
Source Reliability: Unknown
Content Evaluation: Not Applicable
Occurred Date: 07/20/2016 13:44
Source: Telephone
Class: Crime Against Person
Type: Homicide
Status: Closed
Status Date: 07/20/2016 00:00
Related Case: 2016-433

Synopsis

Subject called to report he believed he watched a video feed on a news outlet (unknown) of the St. Anthony Officer telling driver of the vehicle (Castile) "don't touch it" three times. Subject sounded confused at times during this telephone call confusing the LA OIS with the MN OIS case. Subject wanted to know why investigating agency was not telling the public about this information. Subject's questions were deferred.

Current Assignment

Assigned To: OLSON, Christopher (1326 / MRO - Homicide / Minnesota Bureau of Criminal Apprehension)
Agency: MINNESOTA BUREAU CRIMINAL APPREHENSION

Subject: Statement made by Diamond Reynolds

Sir,
First and foremost, I offer you and all the Men and Women of Law Enforcement my appreciation for your public service. Second, I offer my condolences for the most recent saddening and unfortunate events.
Now, here is what I have to "report".
Three minutes and fifty seconds into this video Diamond Reynolds says "he (Philando) tried telling you (Officer) he was licensed to carry..and he was just going to take "It" off.."
This implies that he (Philando) was at some point reaching for his firearm.
<http://usuncut.com/black-lives-matter/minnesota-police-shooting-traffic-stop>
I believe the statement made by Diamond Reynolds (in her video) needs to be addressed and brought into consideration as evidence during the investigation process. I've heard nothing of this statement during any news coverage and to me it appears to be news worthy.

Hi.

I understand that you are the Chief of the St. Anthony police dept. My friend sent the U tube videos below and felt the investigative team should see it.

My thoughts are below. I'm not taking sides but I know what Police officers go through. I hope you will get this to the people that should see it.

Regards,

PJ

There are two sides to this story....

I'm appalled at the politicians taking their sides before they really know what happened in Falcon Heights . Yes...it looks bad. But if Castile had a gun in the cops view and he did not listen to his commands, he may have thought he was reaching for his gun.

This may show you another side..

I worked as a volunteer with the St. Paul police dept and I know the spilt second decisions they have to make or they can be killed. I've been right by them during these decisions.
It's far worse today then it was when I worked with them. Even back at that time, many of my cop friends retired because whenever they pulled over a car with people of color, they screened racial profiling.

Yes, there are bad police out there. I just hope everyone would wait until the investigation is done before making deciding what happened.

New evidence proves the fake #BlackLivesMatter martyr #PhilandoCastile was a gang banger affiliated with the Crips.

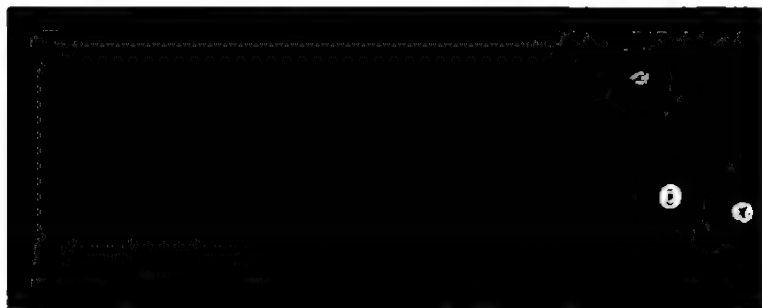

#PhilandoCastile likes to wear blue, the gang color of the Crips
Philando Castile's Instagram and Twitter accounts are TycoonPhe and @TycoonChedd. His Twitter description is "TYCOON CITY BOSS 20.3." Several of his friends on Twitter and Instagram have names using "Tycoon."

"Life is grand @TycoonBo @Tycoontrigg
@SmashTycoon @KikDaFreak_GDSB @Fuccya
@TycoonRambo @TycoonChedd @zisuellimarix
@20offthose @hcthechemist"

f="https://twitter.com/therealTKG/status/331459204554559492">May 6, 2013

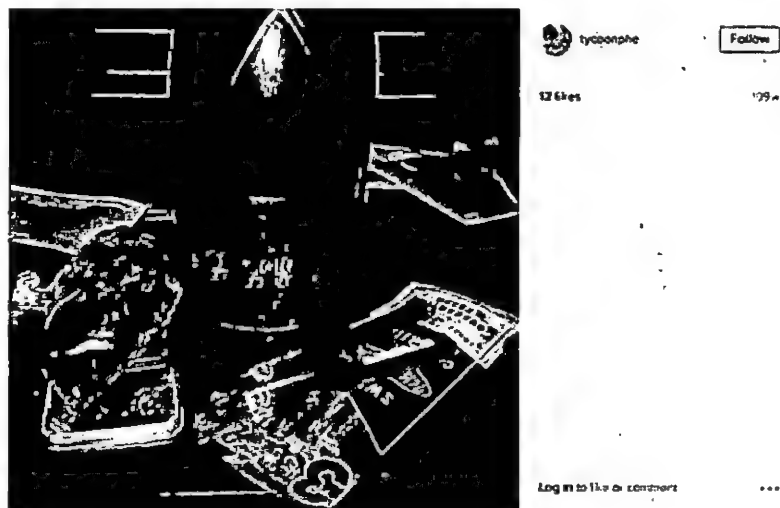

These are all references to Tycoon City, a St. Paul, MN gang that is part of the Selby Siders, who are affiliated with the Crips.

TwinCities.com reports:

“Police found Arnett, 19, lying on his back in a bedroom, his face and clothes covered with blood. He refused to let medics examine him or take him to the hospital.”

“He told police he was sitting on a sofa when a group of six to eight men affiliated with Tycoon City, a subgroup of the Selby Siders gang, rammed through the door. Police noted that the door looked as if it had been forced open.”

Was #PhilandoCastile one of the unidentified Tycoon City gang bangers who assaulted this man? Send tips to editor@gotnews.com or donate at GotNews.com/donate to find out.

#PhilandoCastile sure loves to post pictures of drugs online

Here is a music video featuring two apparent Tycoon City gang members, who both follow #PhilandoCastile on Twitter:

TYCOON TRIGG & TYCCON BO *OK* OFFICAL VIDEO

The Selby Siders are allied with the Crips. This explains #PhilandoCastile's Crip-related tweets and Facebook posts, Facebook group membership in a group called "Crips," and his many pictures in blue Polo clothing ("Property Of Locs Only"), a known sign of Crips gang membership.

Philando Castile

December 25, 2011 · 🌐

Merry CRIPmas and happy BLUE year !!!!!

Why does the media ignore this?

GotNews has previously reported on Castile's ties to the Crips, but this new evidence leaves no doubts about #PhilandoCastile.

Philando Castile was a gang member

The lying mainstream media who cover for #BlackLivesMatter terrorists want you to believe that #PhilandoCastile was an innocent man with a nice girlfriend, who was shot by police for no reason.

The reality is that #PhilandoCastile was a Crips-affiliated gang banger who was fleeing the scene of an armed robbery with his lying, drug-using side chick Diamond "Lavish" Reynolds, who is now shamelessly using his death to make money.

Subject: shooting

gotnews.com has some interesting pictures of Castile and another black male with dreadlocks holding a large sum of money. There are also pictures of Diamond holding a wad of money with bank wrappers still on the cash. The other black male is from chicago and is from guyana. Two black males with dreadlocks and cash kind of matches description of armed robbery suspects.
